Re: "Live PD" – Access Agreement

Ladies/Gentlemen:

This letter will confirm the agreement ("Agreement"), dated and with effect from November 20, 2017 (the "Effective Date"), between Williamson County Sheriff's Office ("WCSO") and Big Fish Entertainment LLC ("Producer") with respect to Producer's television series currently entitled "Live PD" as more fully described in Exhibit A attached hereto (the "Series"):

1. Term. The term of this Agreement ("Term") is the period commencing on the Effective Date and continuing through and including, November 19, 2018 (the "Initial Contract Year"). The parties shall have the right to extend the Term until, November 19, 2019 by mutual agreement. If any television network for which Producer is producing the Series (the "Network") desires additional options to order more Series episodes for production requiring access beyond the Initial Contract Year, Producer and WCSO shall negotiate in good faith to extend the Term as required by the Network (for purposes of this Agreement any extension hereunder may collectively be referred to as the "Extended Term").
2. Access. During the Term, and any Extended Term WCSO grants to Producer and its production personnel permission to enter upon and film at WCSO's offices, facilities and vehicles utilized by and/or in connection with WCSO (including, but not limited to, stations or precincts (or the equivalent), jail facilities, offices, patrol cars or other vehicles) (collectively, "WCSO Property") in addition to permission to accompany WCSO officers or other personnel (collectively "WCSO Personnel") during the course of their duties or otherwise (subject to the advance limitation and/or restrictions imposed by WCSO as necessary for the safety and security of the WCSO Personnel, WCSO Property and/or any other persons or property) for the purpose of filming, videotaping, photographing and otherwise recording the WCSO Personnel and the situations they encounter and/or become involved in, and all or any part of the exterior and interior and contents of WCSO Property, including names, signs and identifying insignia of WCSO in connection with production of the Series, related series, or derivative work and the marketing, promotion and publicity thereof. WCSO reserves the right to restrict access to some areas of WCSO Property or require Producer to be accompanied by WCSO Personnel in certain designated areas. Producer shall have the right to make such use of WCSO Property as may reasonably be required, including, without limitation, the right to place all necessary personnel, facilities, vehicles and equipment on WCSO Property, and Producer agrees to remove same after completion of work and leave WCSO Property in substantially the same condition as when Producer entered upon WCSO Property, reasonable wear and tear excepted. WCSO further agrees that Producer shall be entitled to return to WCSO Property thereafter at a mutually acceptable date and time, if and as required for still photography or other activity required in connection with the production, promotion or other exploitation of the Series.
3. License. WCSO licenses to Producer and its successors, subsidiaries, licensees and assigns, the right to photograph, record, reproduce and otherwise film WCSO Personnel and WCSO Property and all WCSO

Personnel and WCSO Property names, voice, likeness, images, trademarks, service marks, tradenames, logos, copyrighted material and/or other materials to which Producer is afforded access hereunder in and in connection with the development, production, exhibition, exploitation, and promotion of the Series, related series or derivative work (e.g., *Police Patrol*), and the marketing, promotion, and publicity thereof and/or otherwise, in all forms of media, now known or hereinafter invented, throughout the world an unlimited number of times in perpetuity.

4. Exclusivity. Until the expiration of the one (1) year period commencing upon the end of the Term or Extended Term: (a) the rights of access and license granted by WCSO pursuant to paragraphs 2 and 3 above, respectively, shall be exclusive to Producer with respect to “Live” or “Almost Live” long-form programming produced for exhibition by means of television, the Internet and/or any other audio-visual media (whether now known or hereafter invented), excluding news programming and programming covering the activities of WCSO produced for exhibition on WCSO’s website (collectively, “Permitted Programming”); and (b) WCSO shall not authorize anyone (other than Producer) to develop and/or produce programming of a similar format or concept that depicts the activities of WCSO in any audio-visual media, except for Permitted Programming.
5. Safety / Security Review and Consultation Rights. Producer will provide WCSO with twenty-four (24) hours to review and comment on any pre-recorded segments of the Series featuring WCSO Property or WCSO Personnel for the purpose of identifying any safety or security risks by WCSO (e.g. recognition of a confidential informant, undercover officer, etc). If no comments are received by Producer following such twenty-four (24) hour period, the segments will be deemed reviewed by WCSO. Producer shall provide a WCSO representative (the “Representative”) with the right to be in the local control room for the Series or on the ground with Producer’s crew during Producer’s filming with the WCSO to review material being captured and distributed in connection with the Series. In both instances, WCSO shall have the right to review the content for factual accuracy, security and/or safety concerns, and WCSO classified information, provided that it is understood that Producer and Network shall make the final decision regarding the creative content of the Series and each episode thereof (including without limitation themes, featured events, story line, timeline, sequence of events, etc.).
6. Ownership. All film, videotape, still photographs and other visual and/or audio recordings or representations (e.g., studios sets or designs) of WCSO Property or WCSO Personnel created by or with the authorization of Producer are collectively referred to herein as the “Material”. Producer shall be the sole and exclusive owner of the Material with the right for the full period of copyright, including all extensions and renewals thereof, and thereafter in perpetuity, throughout the universe, to use and re-use, an unlimited number of times, all or any part of the Material for the purpose of making and producing television programs and other works, and advertising, publicizing and exploiting the same, by all means and in all media, whether now known or hereafter devised, and to authorize others so to do. Neither WCSO, nor any employee of WCSO, nor any other party now or hereafter having an interest in WCSO Property or Personnel, shall have any right of action against Producer or any other party arising out of any use of said Material. Neither the expiration of this Agreement in its normal course nor its sooner termination for any reason shall affect the ownership by Producer of the Material. Producer may not commercially exploit the Materials for any purpose other than as provided for herein, without WCSO’s prior approval. Notwithstanding anything to the contrary contained herein, Producer agrees that all raw (e.g., unaired) footage of the Material (“Raw Footage”) shall be destroyed by Producer no later than ninety (90) days after the Raw Footage is captured, except to the extent Producer required to retain the Raw Footage pursuant to a valid court order.
7. Credit. WCSO acknowledges that any credits or other identification of WCSO that Producer may furnish in connection with the Series or otherwise shall be at Producer’s sole discretion. Notwithstanding the foregoing, Producer agrees to accord WCSO an on-screen credit in substantially the form “Special Thanks to Williamson County Sheriff’s Office” in accordance with the Network’s then-current credit policies, for all Series episodes in

which WCSO personnel and activities are depicted. Producer shall determine the size, position, manner of presentation and all other matters with respect to such credit in its sole discretion. No casual or inadvertent failure by Producer, nor any failure by any third party, to accord such credit shall be deemed a breach of this Agreement by Producer.

8. No Obligation to Proceed. WCSO acknowledges and agrees that Producer is not obligated to actually use WCSO Property or produce the Series or include the Material in the episode of the Series for which it was prepared or otherwise exercise any or all of Producer's rights hereunder.
9. No partnership. It is expressly understood and agreed that the parties do not by this Agreement intend to form an employment relationship or a partnership or joint venture between them and in no event shall this Agreement be construed to constitute such an employment relationship, partnership or joint venture. WCSO and WCSO Personnel shall at all times continue to independently conduct their operations and activities as they customarily operate, without regard to any other creative or logistical demands placed upon them by, or as a result of, the filming and production of the Series.
10. Insurance. Producer will obtain and keep in force during production of the Series with WCSO a policy of commercial general liability insurance naming WCSO as an additional insured entity in a minimum amount of \$2,000,000 and provide proof thereof to WCSO prior to the commencement of production.
11. Indemnification. Producer agrees to defend, indemnify and hold harmless WCSO from and against any and all third party liabilities, third party claims, costs, damages, losses, or judgments arising out of or in connection with the development, production, distribution, or other exploitation of the Series. WCSO agrees that Producer shall have the sole right to control the legal defense against any claims, demands or litigation, including the right to select counsel of its choice and to compromise or settle any such claims, demands or litigation.

Exhibit A

Series Concept

Big Fish Entertainment LLC (“BFE”) proposes an “Almost Live” multi-part series that embeds in several cities across the country following several officers in each location for the duration of the series. It’s an unprecedented “Almost Live” look at law enforcement in America as never before seen on television. “The appearance of” no editing, and the feeling as if content is coming straight from the street to living rooms across America. We’ll embed in several cities across the country following several officers in each city across the 8-12 week run.

In Williamson County, Texas, we propose embedding with Williamson County Sheriff’s Office (“WCSO”) on "Ride Alongs" to capture the "real-time" perspective and diversity within the department and the city. The story will be told through the “Almost Live” experiences on patrol. In Addition to the “Almost Live” content, episodes will feature pre-taped packages that will further showcase the officers, the work, the locations and the departments.

Almost Live

The cell phone has turned every bystander into a citizen journalist. The Internet is littered with hundreds of thousands of dashboard cams. Many Police Departments across the country in an effort to encourage transparency and communication have instituted “live tweeting” from patrol units to the community. “Live PD” will be an extension of this close to real-time communications and outreach effort. Each week we will broadcast “almost live” from patrol.

While the concept as a television series is new, several members of the Big Fish production team have worked on various law enforcement, emergency services and military focused programs and we are intimately familiar with the legal and ethical concerns and will work closely to ensure all guidelines are met.

Safety and Legal Precautions

The "Almost Live" aspect will be on a 10-25 minute time delay. This delay will allow us to eliminate or blur sensitive material and address any legal concerns prior to broadcast. A department representative will have access to the broadcast control room on location to ensure the standards of content and safety protocols on behalf of the officers, the department, and the city.

Network

A&E, home to “First 48” and “Scared Straight, is currently the broadcast partner for the project.

Timeline

BFE proposes to begin production in _____, 2017 with some preliminary non-live filming (2-3 days) in _____. The embed commitment is for 8-12 weeks. “Almost Live” filming will be a commitment of 2-3 hours a week with a commitment of 1-2 additional shifts outside of the “almost live” taping.

Film Crews

Each crew will generally consist of two-three members: one camera operator, one audio person and one producer (only when necessary). The crew will have extensive experience working with Police and be

certified in field and safety procedures in the field. As always they will follow the direction of their assigned law enforcement. Safety of the officers and film crew are paramount. At no time will safety be secondary to filming. Officers will control environment at all times and be able to stop filming at their discretion.

Access to Locations

The primary locations for the series shall include public streets, police headquarters, police precincts, police locker-rooms, local jails, detective and similar offices and patrol cars. BFE will be responsible for obtaining permission to shoot on any private property.

Access to the Williamson County Sheriff's Office

BFE requires access to one small area within the WCSO station to stage its operations, re-charge batteries, and undertake other production-related activities. BFE will be responsible for security of its equipment. BFE will need parking for two vehicles at the police station or at a parking lot adjacent to the police station.

Access to Key Characters

The proposed main characters in the series would include 3 to 5 key officers involved in the WCSO. Coverage of officers would be simultaneous at times, but may also rotate periodically. The privacy of all officers will be respected and strictly enforced.

Activities

BFE filming may include, without limitation, any and/or all of the following activities:

- Investigations
- Operations
- Day-to-day police station meetings, shift changes, etc.
- Officers preparing for their shifts
- Any assignment process
- Day time patrol car ride along
- Night time patrol ride along
- Regular Interviews with key officers of the police station
- Activity at the police station
- Jail operations when appropriate, and as allowed by the individual county who operates the jail.

All access will be controlled by the WCSO's Public Information Officer as well as the specific officers involved. BFE will provide a liaison with the WCSO to maintain communication and updates at all times concerning the activities and whereabouts of the production crew. BFE will work with WCSO members to develop strict protocols in regards to the parameters of filming. The Series will not reveal any confidential investigative tactics that WCSO instructs BFE not to release as public information.
