Re: Cause No. 14-0528-CC4
Williamson County, Texas v. Marion Shipman
SH29 Bypass r.o.w.

Dear Mike:

This letter will constitute a Rule 11 and Settlement Agreement (“Agreement”) between Williamson County, Texas (“County”) and Marion Shipman (“Shipman”) pursuant to the Rules of Civil Procedure in connection with the above-captioned case and the property to be acquired as part of the SH29 construction project. The terms of this Rule 11 agreement and the settlement reached are follows:

1. County agrees to pay, and Shipman agrees to accept, the total sum of \$2,456,500.00 for the 29.683 acre of fee simple right of way (“Property”) sought to be acquired in this condemnation suit as set out in Plaintiff’s Original Petition and any amendments on file in this cause, any improvements contained within the right of way, and any damages to or costs for reconfiguration of the remaining property of Shipman.
2. Pursuant to the terms of a Possession and Use Agreement which was recorded in the Official Records of Williamson County Texas under Document No. 2013074203, County has previously paid to Shipman the sum of \$1,849,824.00, which amount was agreed to be credited or offset from any final consideration for acquisition of the property. Therefore, the amount now due and owing from County in satisfaction of this Agreement shall be SIX HUNDRED SIX THOUSAND SIX HUNDRED SEVENTY-SIX and 00/100 Dollars (\$606,676.00).

The amount of \$2,456,500.00 shall be entered as an Agreed Award of Special Commissioners at a hearing before the appointed special commissioners to be scheduled on a date as soon as possible after execution and filing of this agreement, and which hearing may proceed with less than 20 days advance notice to Shipman if necessary.

The remaining balance of \$606,676.00 due and owing for the total compensation as set out herein shall be deposited into the registry of the court within fourteen (14) days after filing of the Award of Special Commissioners.

3. It is agreed that neither County nor Shipman shall file objections to the Award of Special Commissioners in this cause as long as County deposits the balance of the Award in the amount and pursuant to the terms as set out herein.

The parties further agree that an Agreed Judgment in Absence of objections in the amount of \$2,456,500.00 shall be entered within thirty (30) days after filing of the Award of Special commissioners, subject to any title curative issues as set out herein. The form of the proposed Judgement is attached hereto as Exhibit "A".

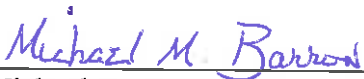

4. Prior to setting the Special Commissioners Hearing as described above, County shall obtain an updated title commitment concerning the Property, and County and Shipman agree to provide assistance to remove any liens or other encumbrances identified therein which would require the naming of additional parties in this suit in order to obtain marketable title in the name of the County.
5. The parties additionally agree that the County shall be responsible for the payment of any rollback or special taxes which result from entry of the Judgment and conveyance of the Property for public use and right of way purposes as set out herein, and that the conveyance of the Property through condemnation for public use and right of way purposes shall not cause the removal of or otherwise impact the existing status of any agricultural or grazing tax exemption for the remaining property of Shipman as long as any other requirements for such use are maintained.
6. Because this conveyance and Judgment are being entered by agreement, the parties further specifically waive any Right of Repurchase pursuant to the requirements of the Texas Property Code, Section 21.101(a)(2) or Section 21.101(a)(3).

If this letter sets forth the terms of our Rule 11 agreement and the settlement reached between the County and Shipman, please so indicate by executing this letter in the space indicated below and we will process this for the required approval and execution.

Very truly yours,
