Re: 2013 Road Bond Budget Adjustments

---

During the recent budget adjustments for the 2006 Road Bond Program we closed a project – P264 RM 620/Rail Road Bridge (City of Round Rock ILA). The intent is to fund the remaining \$2M obligation in the ILA for this project with 2013 Road Bond funds. The project is tentatively scheduled for April 2019 letting at which time the city will invoice the County for the remaining \$2M.

Please make the following budget adjustment:

- Create a new 2013 Road Bond project/P-264 for RM 620 at Rail Road Bridge and move \$2,000,000.00 from P-290 2013 Unallocated to cover the new P-264;

If you have any questions, please let me know.
