Subject: Recommendation for FY 19 Cross Culvert Replacements – Bid #1811-281

Please find attached the bid tabulations for the subject-referenced project. The bids have been reviewed and the apparent low bid (Forsythe Brothers Infrastructure) was found to be responsive, mathematically correct, and materially balanced. Following is a summary of the bid totals:

1. Forsythe Brothers Infrastructure - \$606,692.00
2. QA Construction Services, Inc - \$637,750.00
3. Westar Construction, Inc - \$819,520.30

The Contractor's low base bid is \$129,245.00 below the Engineer's Estimate, a cost decrease of 21.3%.

In addition to meeting the bid qualifications subject to being low bidder, Forsythe Brothers Infrastructure has performed similar work on other projects and received positive references from those contacted. Based on the low bid of \$606,692.00 and the previous quality of work done for TxDOT, I recommend to the Williamson County Commissioner's Court that they award Forsythe Brothers Infrastructure the contract for the FY 19 Cross Culvert Replacements project.

Please feel free to contact me if you have any questions or concerns.

Sincerely,
