RE: Williamson County Contract #1704-156 Crack Seal

Dear Ms. West:

Crafco, Inc., like many other companies in the asphalt supply and construction industry, are finding themselves in a position of having to adjust its pricing to try to stay in step with the fast rising raw material costs. We are committed to supplying quality products and to do our part to be as competitive as possible in this market. At this point, we respectfully request a price increase over current pricing.

This letter serves as a request for a price increase. The attached charts show raw material increases.
