

WORK AUTHORIZATION NO. 3

PROJECT: Construct and Renovate County Facilities Including the Williamson County Inner Loop Annex

This Work Authorization is made pursuant to the terms and conditions of the Agreement for Architectural and Engineering Services, being dated **August 21, 2018** and entered into by and between Williamson County, Texas, a political subdivision of the State of Texas, (the "County") and **KGA Architecture** (the "A/E").

Part 1. The A/E will provide the following Architectural and Engineering Services set forth in Attachment "B" of this Work Authorization.

Part 2. The maximum amount payable for services under this Work Authorization without modification is **\$34,000.00**.

Part 3. Payment to the A/E for the services established under this Work Authorization shall be made in accordance with the Contract.

Part 4. This Work Authorization shall become effective on the date of final acceptance and full execution of the parties hereto and shall terminate on **December 31, 2019**. The Architectural and Engineering Services set forth in Attachment "B" of this Work Authorization shall be fully completed on or before said date unless extended by a Supplemental Work Authorization.

Part 5. This Work Authorization does not waive the parties' responsibilities and obligations provided under the Contract.

Part 6. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Work Authorization. A/E understands and agrees that County's payment of amounts under this Work Authorization is contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by A/E that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to A/E.

Part 7. This Work Authorization is hereby accepted and acknowledged below.

Attention: Mr. Robert Daigh, Director of Public Works
Mr. Dale Butler, Facilities Director

Regarding: Williamson County Inner Loop Work Authorization #1 – Additional Services Request #3
KGA Project No.: 18459.01

To Mr. Daigh and Mr. Butler:

We are respectfully submitting an Additional Service Request (ASR) for the above referenced Project. The Architectural and Civil Engineering scope of services for this ASR is as follows:

- The owner has requested to add a crushed granite walking trail along the top of the berm around the detention pond at the north end of the site.
- A 15'x15' covered concrete patio will be added adjacent to the trail.
- It is anticipated that the foundation for the patio cover columns will be provided by the cover manufacturer and the concrete patio will be flatwork. Power/lighting at the patio cover is not anticipated.
- See the attached sketch of the approximate location for these items as well as a concept image for what the patio cover may look like.

Compensation for the Additional Services described above shall be provided on a Not to Exceed T&M cost of Thirty-Four Thousand Dollars (\$34,000.00).

We will bill this on our continuing monthly invoice as an Additional Service and all other portions of our original contract for Architectural / Engineering Services for this project remain unchanged.

Should you have any questions or comments, please do not hesitate to contact our office.

Sincerely,

Luma Jaffar, AIA, RIBA, LEED BD+C
Partner
