Re: RFP1905-320 Recommendation

The recommendation from the RFP Evaluation Committee is to award the pest control contract to Pest Management, Inc. This evaluation is based on company information, relevant experience and qualifications, methodology, compensation and fees, quality control and safety program and references.

Pest Management, Inc. is a company located in Austin that has been in business since 2010 and the parent company, Hill Country Pest Control, Inc. has been providing pest control services since 1973. They have experience servicing oil companies, college campuses, school districts, city municipalities, military facilities and hospitals.

The Facilities Department recommends that Williamson County award the contract based on the committee's recommendation.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Dale Butler', is written over a light blue horizontal line.

Dale Butler
Facilities Director
Williamson County
