	approved Plan required by the Edwards Aquifer Rule (30 TAC Chapter 213) that is included or referenced in the Stormwater Pollution Prevention Plan will be	Yes

15) I certify that a stormwater pollution	Yes
prevention plan has been developed, will be	
implemented prior to construction, and to the	
best of my knowledge and belief is compliant	
with any applicable local sediment and	
erosion control plans, as required in the	
general permit TXR150000. Note: For	
multiple operators who operate under a	
shared SWP3, the confirmation of an	
operator may be limited to its obligations	
under the SWP3 provided all obligations are	
confirmed by at least one operator.	
16) I certify that I have obtained a copy and	Yes
understand the terms and conditions of the	
Construction General Permit (TXR150000).	
17) I understand that a Notice of Termination	Yes
(NOT) must be submitted when this	
authorization is no longer needed.	

LARGE CONSTRUCTION SITE NOTICE

FOR THE

Texas Commission on Environmental Quality (TCEQ) Storm Water Program

TPDES GENERAL PERMIT TXR150000

"PRIMARY OPERATOR" NOTICE

This notice applies to construction sites operating under Part II.E.3. of the TPDES General Permit Number TXR150000 for discharges of storm water runoff from construction sites equal to or greater than five acres, including the larger common plan of development. The information on this notice is required in Part III.D.2. of the general permit. This notice shall be posted along with a copy of the signed Notice of Intent (NOI), as applicable. Additional information regarding the TCEQ storm water permit program may be found on the internet at:

http://www.tceq.state.tx.us/nav/permits/sw_permits.html

Site-Specific TPDES Authorization Number:	
Operator Name:	
Contact Name and Phone Number:	
Project Description: Physical address or description of the site's location, and estimated start date and projected end date, or date that disturbed soils will be stabilized.	
Location of Storm Water Pollution Prevention Plan:
