Re: CTTC Lease Renewal

Date: July 24, 2019

The Central Texas Treatment Center (CTTC) is a 100 bed Community Corrections Facility located in Granger, Texas. Central Texas Treatment Center is a long-term residential Substance Abuse treatment facility which is grant funded by the Texas Department of Criminal Justice. The Williamson County CSCD has received TDCJ grant funding to operate the facility since 1990. In 2002 Williamson County purchased a vacant nursing home in Granger Texas and has leased the building to the CSCD since that time. The current lease agreement is set to expire at the end of August 2019 and the lease renewal is for three years at a rate of \$10,000 per month.

Central Texas Treatment Center has maintained a great reputation as one of the most effective Substance Abuse Treatment Facilities in the State. In fy2018 there were 250 felony substance abuse offenders served in the Central Texas Treatment Center with an 86.33% successful completion rate. In the most recent TDCJ-CJAD outcome study that tracked offenders two years post release from Substance Abuse Treatment Centers-CCFs, Central Texas Treatment Center participants had the lowest reincarceration rate in State. This is truly a life changing, and lifesaving program, located here in Williamson County.
