Dear Mr. Wofford,

As a part of our commitment to the communities near Valero's V-Tex Logistics pipeline route and terminals, we have reviewed your grant application and will be awarding the Williamson County Fire Marshall Special Operations a V-Tex First Responder Grant. Congratulations!

The grant will provide your organization \$10,000 to support training and response equipment, to better help serve Williamson County, while enhancing safety and preparedness. Valero strives to be a good neighbor in the communities where we live and work.

Thank you for your commitment to the local community.

Sincerely,
