Subject: Recommendation for CR 279 Stabilizing, Milling and Overlay – Bid #1907-331

Please find below the bid tabulations for the subject-referenced project. The bids have been reviewed and the apparent low bid (Smith Contracting Co., Inc.) was found to be responsive, mathematically correct, and materially balanced. Following is a summary of the bid totals:

1. Smith Contracting - \$986,624.94
2. Diamond X Contracting - \$1,072,400.47
3. Pro Dirt Services, LLC - \$1,084,004.30
4. Patin Construction, LLC - \$1,162,320.00
5. Chasco Constructors - \$1,184,904.00
6. QA Construction Services, Inc - \$1,331,497.02

The Contractor's low base bid is \$46,482.60 below the Engineer's Estimate, a cost decrease of 4.7%.

In addition to meeting the bid qualifications subject to being low bidder, Smith Contracting Co., Inc. has performed similar work on other projects and received positive references from those contacted. Based on the low bid of \$986,624.94 and the previous work experience, I recommend to the Williamson County Commissioner's Court that they award Smith Contracting Co., Inc. the contract for the CR 279 Stabilizing, Milling and Overlay project.

Please feel free to contact me if you have any questions or concerns.

Sincerely,
