Re: RFP 2104 Recommendation

The recommendation from the RFP Evaluation Committee is to award the Irrigation Maintenance and Repair Services contract to American Irrigation Repair, LLC. This evaluation is based on price for services, professional experience, on-going training, headquarter location, availability of skilled labor, responsiveness to emergencies, special capabilities and equipment, relevant experience on similar projects, and references.

American Irrigation Repair, LLC is a local company that has been in business for 22 years and has provided Williamson County great service.

The Facilities Department recommends that Williamson County award the contract based on the committee's recommendation.

Sincerely,
