This Amendment No. 1 (Amendment) modifies Contract # HHS000285100010 (Contract) and is entered into by the Texas Department of Family and Protective Services (DFPS) and Williamson County (Grantee) for IV-E County Legal services.

- I. PURPOSE.** On January 7, 2019, the Administration of Children and Families (ACF) reinterpreted IV-E Regulations to allow Texas counties to recover a portion of their costs associated with attorneys representing certain children and their parents in child welfare legal proceedings. No later than September 1st of each year, Grantee will submit its proposed Attachment B: Budget and Cost Allocation Plan for the upcoming State of Texas fiscal year to DFPS. If DFPS approves the Attachment B, both parties agree to incorporate the approved Attachment B into this Contract in lieu of any and all prior budget documents. If Grantee fails to submit a proposed Attachment B: Budget and Cost Allocation Plan for the upcoming State of Texas fiscal year, both parties agree to assume that Grantee will have the same budget and expenditures and use the most recently DFPS approved Attachment B as the budget for the next State of Texas fiscal year. This clause does not prohibit DFPS and Grantee from negotiating budgetary changes throughout the course of the Contract."

Equipment

The cost of equipment deemed reasonable and necessary to administer the Title IV-E program is reimbursable only if it is purchased for employees whose work relates exclusively to Title IV-E.

An item is considered equipment, if the two following conditions exist:

- The unit cost is \$5,000 or more.

Attachment F: FY20 DFPS Finance Handbook for County Legal Contracts

- The item has an estimated useful life of more than one year.

See the State of Texas capitalization policy in the document Uniform Grant Management Standards Word Document, published by the Budget, Planning, and Policy Division of the Office of the Governor.

Equipment is considered a fixed asset, as opposed to a consumable item, and therefore must be capitalized. Equipment must be tracked in a property accounting system and included in the county's inventory.

For the purpose of reimbursement through the Title IV-E program, the county's capitalization policy applies. If a county's capitalization threshold exceeds the \$5,000 limit set by the state, an item is considered capitalized equipment for Title IV-E purposes if it costs less than the county's threshold but more than the state's.

If a county does not have a capitalization policy, the state's capitalization policy applies.
