

INTERLOCAL CONTRACT FOR LICENSING SCPDC SOFTWARE

Sec. 1. Parties and Purpose

1.1. The Capital Area Council of Governments ("CAPCOG") is a regional planning commission and political subdivision of the State of Texas organized and operating under the Texas Regional Planning Act of 1965, Chapter 391 of the Local Government Code, as amended, and is a signatory Agent for Licensors.

1.2. Williamson County, Texas ("Licensee") ("County").

1.3. The South Central Planning and Development Commission (Licensor) ("SCPDC") is a regional planning commission and Political Subdivision of the State of Louisiana, domiciled in Terrebonne Parish. The district was established in 1973 and created by law in 1978 under state act 472. The statute allows its member governmental entities to come together through SCPDC to provide long range planning, act as a state and federal liaison, provide guidance and study to current issues affecting government, and provide services to business and citizens.

1.4. SCPDC has created MyPermitNow, MyProjectNow, MyAddressNow, Inspection Anywhere and MyGovernmentOnline software (the "SCPDC Software") and this contract is entered into among Licensee, and SCPDC under chapter 791 of the Government Code to license Contractor to use the SCPDC Software under certain terms and conditions. CAPCOG has been granted a limited power of attorney by SCPDC to execute this contract on SCPDC's behalf.

This INTERLOCAL CONTRACT USE AGREEMENT (this "Agreement") is entered into by and between Licensor and Licensee, and describes the terms and conditions pursuant to which Licensor shall license to Licensee the use of, and provide support for, certain Software (as defined below).

In consideration of the mutual promises and upon the terms and conditions set forth below, the parties agree as follows:

2. DEFINITIONS

2.1 "CONFIDENTIAL INFORMATION" means this Agreement, including all of its terms, and all its Schedules, any addenda hereto signed by both parties, all Software listings, Documentation, information, data, drawings, benchmark tests, specifications, trade secrets, object code and machine-readable copies of the Software, source code relating to the Software, and any other proprietary information supplied to Licensee by SCPDC, or by Licensee to SCPDC and clearly marked as "confidential information", including all items defined as "confidential information" in any other agreement between Licensee and SCPDC whether executed prior to or after the date of this Agreement.

Proprietary Information and Texas Public Information Act: All material submitted to the County shall become public property and subject to the Texas Public Information Act upon receipt. If SCPDC does not desire proprietary information to be disclosed, each page must be clearly identified and marked proprietary at time of submittal or, more preferably, all proprietary

information may be placed in a folder or appendix and be clearly identified and marked as being proprietary. The County will, to the extent allowed by law, endeavor to protect from public disclosure the information that has been identified and marked as proprietary. The final decision as to what information must be disclosed, however, lies with the Texas Attorney General. Failure to clearly identify and mark information as being proprietary as set forth under this provision will result in all unmarked information being deemed non-proprietary and available to the public. For all information that has not been clearly identified and marked as proprietary by SCPDC, the County may choose to place such information on the County's website and/or a similar public database without obtaining any type of prior consent from SCPDC.

To the extent, if any, that any provision in this Agreement is in conflict with Tex. Gov't Code 552.001 et seq., as amended (the "Public Information Act"), the same shall be of no force or effect. Furthermore, it is expressly understood and agreed that Williamson County, its officers and employees may request advice, decisions and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act to any items or data furnished to Williamson County as to whether or not the same are available to the public. It is further understood that Williamson County's officers and employees shall have the right to rely on the advice, decisions and opinions of the Attorney General, and that Williamson County, its officers and employees shall have no liability or obligation to any party hereto for the disclosure to the public, or to any person or persons, of any items or data furnished to Williamson County by a party hereto, in reliance of any advice, decision or opinion of the Attorney General of the State of Texas.

2.2 "DOCUMENTATION" means any on-line help files, instruction manuals, operating instructions, user manuals, and specifications provided by SCPDC which describe the use of the Software and which either accompany the Software or are provided to Licensee at any time.

2.3 "EFFECTIVE DATE" means the later of the dates on which Licensee and SCPDC have signed this Agreement.

2.4 "EQUIPMENT" means the computer system, including peripheral equipment and operating system software, specified in Schedule B.

2.5 "MAJOR AND MINOR UPDATES" shall mean updates, if any, to the SCPDC Software. Major Updates involve additions of substantial functionality while Minor Updates do not. Major Updates are designated by a change in the number to the left of the decimal point of the number appearing after the product name while Minor Updates are designated by a change in such number to the right of the decimal point. Example, My Permit Now version X.0 (major update) and My Permit Now version 0.Y (minor update). SCPDC is the sole determiner of the availability and designation of an update as a Major or Minor Update. Where used herein "Updates" shall mean Major or Minor Updates interchangeably.

2.6 "SITE" means each physical location, or each Internet link accessible by end-users through Licensee's Web Site, at which Licensee and its customers are entitled to Use the Software.

2.7 "SOFTWARE" means the computer software programs specified in Schedule A and otherwise provided for Licensee use pursuant to this Agreement.

2.8 "USE" means loading, utilization, storage or display of the Software by Licensee for its own internal information processing, and utilization by end users accessing Licensee's Web Site through the Internet.

2.9 “PERMIT” shall mean any type of permit, including but not limited to, new construction permit, building permit, structure renovation permit, mechanical permit, plumbing permit, gas permit, electrical permit, and sign permit. Multiple permits listed under one number shall not be considered a single permit when calculating funds owed SCPDC pursuant to the terms of the Cooperative Endeavor Use Agreement.

2.10 “License Fee(s)” shall mean all payment due pursuant to this Agreement, including the permit volume package amount and the payments due for the elected add on modules as detailed in Schedule A.

3. LICENSE, DELIVERABLES AND COPIES

3.1 LICENSE GRANT.

(a) Subject to the terms of this Agreement, Licensors grants to Licensee a nonexclusive, nontransferable, royalty-bearing user license during the term of this Agreement to use the Licensors Software, through Internet access only, internally on one or more servers controlled by or on behalf of Licensee solely for purposes of using the Licensors products known as My Permit Now, MyProjectNow, MyAddressNow, MyGovernmentOnline, Inspection Anywhere. The scope of the foregoing license encompasses Licensee’s internal use of Licensors Software in connection with providing services to Licensee’s customers, allowing customers of Licensee access to Licensee’s portal for the purpose of researching permit requirements and submitting permit requests to the Licensee, but excludes any sublicensing of Licensors Software, uploading or otherwise transferring, or providing direct access to, the Licensors Software to any third party without Licensors prior written consent, including access by any third party to the Licensors Software on a stand-alone basis. License granted hereunder includes the use of Documentation in connection with Use of the Software.

(b) OWNERSHIP. SCPDC and its licensors solely own all right, title and interest in and to the SCPDC’s Software, and reserve all rights therein not expressly granted under this Agreement. This license transfers to Licensee neither title nor any proprietary or intellectual property rights to the Software, Documentation, or any copyrights, patents, or trademarks, embodied or used in connection therewith, except for the rights expressly granted herein.

(i) Without limiting the generality of the foregoing, except as expressly stated in paragraph (a), Licensee may not directly or through any third party (a) transfer or sublicense, in whole or part, any copies of the SCPDC Software to any third party; (b) modify, decompile, reverse engineer, or otherwise attempt to access the source code of the SCPDC Software; or (c) copy the SCPDC Software, except such copies of the records as necessary for reasonable and customary back-up and disaster recovery purposes. Licensee will not delete or alter the copyright, trademark or other proprietary rights notices of SCPDC and its licensors included with the SCPDC Software as delivered to Licensee, and will reproduce such notices on all copies of the SCPDC Software. If derivative works of the SCPDC Software are prepared by or on behalf of Licensee based on suggestions or requests by Licensee, SCPDC will solely own such modifications.

(ii) The Licensee may not develop products that interface or are intended for use with the SCPDC Software ("Add-On Products") without SCPDC’s express written permission.

(c) Notwithstanding the inclusion of Licensee's customer in the class of allowed users, SCPDC's affirmative obligations will be limited to the entity named above. To the extent authorized under Texas law, Licensee hereby shall indemnify and hold harmless SCPDC from and against all losses, costs, liabilities and expenses arising out of or relating to any breach by Licensee of this agreement, use of the software, or as a result of the carelessness, negligence or improper conduct of Licensee, its agents, employees or representatives.

3.2 DELIVERABLES. SCPDC shall issue to Licensee, as soon as practicable, a web address from where the Licensee can select "jurisdiction login." The login account shall be comprised of a unique username (for instance john.doe@scpdc.org) and password for each user of the system in the employ and under control of Licensee.

3.3 COPIES. Whenever Licensee is permitted to copy or reproduce all or any part of the Documentation, all titles, trademark symbols, copyright symbols and legends, and other proprietary markings must be reproduced.

4. LICENSE RESTRICTIONS. Licensee agrees that it will not itself, or through any parent, subsidiary, affiliate, agent or other third party: (a) sell, lease, license or sub-license the Software or the Documentation; (b) decompile, disassemble, or reverse engineer Software, in whole or in part; (c) write or develop any derivative software or any other software program based upon the Software or any Confidential Information; (d) use the Software to provide services on a 'service bureau' basis; or (e) provide, disclose, divulge or make available to, or permit use of the Software by any unauthorized third party without SCPDC's prior written consent.

5. LICENSE FEE

5.1 LICENSE FEE. In consideration of the license granted pursuant to Section 2.1. Licensee agrees to pay SCPDC the License Fee specified in Schedule A. Licensee shall pay SCPDC a fee based on Licensee's use of the SCPDC Software, determined according to the terms set forth in Schedule A. It is expressly agreed that the Licensee will not house transactions that are the basis of fees paid to SCPDC in another system with the intention of avoiding the responsibility of paying fees to SCPDC for the term of this agreement. Should SCPDC determine that Licensee violates this provision, SCPDC, at its expense and on reasonable notice, may cause such Licensee's records to be audited during regular business hours at Licensee's facilities. If an audit reveals underpayment of fees due under this Agreement, all such amounts will be promptly paid with interest at the prevailing U.S. dollar prime rate accruing from the original due date. If any such underpayment exceeds 5% of the fees due for the period audited, Licensee will also pay SCPDC's reasonable costs of conducting the audit.

Texas Prompt Payment Act Compliance: Payment for goods and services shall be governed by Chapter 2251 of the Texas Government Code. An invoice shall be deemed overdue the 31st day after the later of (1) the date licensee receives the goods under the contract; (2) the date the performance of the service under the contract is completed; or (3) the date the Williamson County Auditor receives an invoice for the goods or services. Interest charges for any overdue payments shall be paid by licensee in accordance with Texas Government Code Section 2251.025. More specifically, the rate of interest that shall accrue on a late payment is the rate in effect on September 1 of licensee's fiscal year in which the payment becomes due. The said rate in effect on September 1 shall be equal to the sum of one percent (1%); and (2) the prime rate published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday.

5.2 TAXES. Licensee agrees to pay or reimburse SCPDC for all federal, state, parish, or local sales, use, personal property, payroll, excise or other taxes, fees, or duties arising out of this Agreement or the transactions contemplated by this Agreement (other than taxes on the net income of SCPDC).

5.3 NO OFFSET. Fees and expenses due from Licensee under this Agreement may not be withheld or offset by Licensee against other amounts owed by SCPDC for any reason.

6. MAINTENANCE AND SUPPORT. Licensee agrees to pay Fees according to Schedule A. For so long as Licensee is current in the payment of all fees in Schedule A, with respect to each software module, Licensee will be entitled to Maintenance and Support for each software module as set forth in Schedule C attached hereto. Failure to pay fees with respect to any software module shall be deemed a material breach of this Agreement and in such event SCPDC shall have the right to terminate the rights granted hereunder with respect to such site for the term of this Agreement.

7. LIMITED WARRANTY AND LIMITATION OF LIABILITY

7.1 LIMITED WARRANTY. SCPDC warrants for the term of the contract from the Effective Date (the "Warranty Period") the Software will perform in substantial accordance with the Documentation under normal use. If during the Warranty Period the Software does not perform as warranted (a "Non-Conformance"), SCPDC shall undertake to correct such Non-Conformance, or if correction is reasonably not possible, replace such Software free of charge. If neither of the foregoing is commercially practicable, SCPDC shall terminate this Agreement and refund to Licensee the License Fee. THE FOREGOING ARE LICENSEE'S SOLE AND EXCLUSIVE REMEDIES FOR BREACH OF WARRANTY. The warranty set forth above is made to and for the benefit of Licensee only. The warranty will apply only if:

(a) the Software has been properly used at all times and in accordance with the instructions for Use; and

(b) no modification, alteration or addition has been made to the Software by persons under the control of Licensee (except pursuant to the authorized Use of the Software specified in Schedule A) except as authorized in writing by SCPDC; and

(c) Licensee has not requested modifications, alterations or additions to the Software that cause it to deviate from the Documentation;

(d) SCPDC warrants that it possesses all of the right, title, interest and authority to enter into this agreement with Licensee. SCPDC also warrants that no lawsuit or claim concerning the Software is currently pending.

Any pre-production versions of the Software distributed to Licensee are delivered "as-is," without any express or implied warranties. No employee, agent, representative or affiliate of SCPDC has authority to bind SCPDC to any oral representations or warranty concerning the Software. Any written representation or warranty not expressly contained in this Agreement will not be enforceable.

7.2 DISCLAIMER. EXCEPT AS SET FORTH ABOVE, SCPDC MAKES NO WARRANTIES, WHETHER EXPRESS, IMPLIED, OR STATUTORY REGARDING OR RELATING TO THE SOFTWARE OR THE DOCUMENTATION, OR ANY MATERIALS OR SERVICES FURNISHED OR PROVIDED TO LICENSEE UNDER THIS AGREEMENT, INCLUDING MAINTENANCE AND SUPPORT. SCPDC SPECIFICALLY DISCLAIMS ALL

IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT WITH RESPECT TO THE SOFTWARE, DOCUMENTATION AND SAID OTHER MATERIALS AND SERVICES, AND WITH RESPECT TO THE FOREGOING. IN ADDITION, SCPDC DISCLAIMS ANY WARRANTY WITH RESPECT TO, AND WILL NOT BE LIABLE OR OTHERWISE RESPONSIBLE FOR, THE OPERATION OF THE SOFTWARE IF PROGRAMS ARE MADE THROUGH THE USE OF SOFTWARE OR NON-SCPDC SOFTWARE THAT CHANGE, OR ARE ABLE TO CHANGE, THE DATA MODEL OF THE SOFTWARE.

7.3 LIMITATION OF LIABILITY. IN NO EVENT WILL SCPDC BE LIABLE FOR ANY LOSS OF PROFITS, LOSS OF USE, BUSINESS INTERRUPTION, LOSS OF DATA, COST OF COVER OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND IN CONNECTION WITH OR ARISING OUT OF THE FURNISHING, PERFORMANCE OR USE OF THE SOFTWARE OR SERVICES PERFORMED HEREUNDER, WHETHER ALLEGED AS A BREACH OF CONTRACT OR TORTIOUS CONDUCT, INCLUDING NEGLIGENCE, EVEN IF SCPDC HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN ADDITION, SCPDC WILL NOT BE LIABLE FOR ANY DAMAGES CAUSED BY DELAY IN DELIVERY OR FURNISHING THE SOFTWARE OR SAID SERVICES. SCPDC'S LIABILITY UNDER THIS AGREEMENT FOR DIRECT, INDIRECT, SPECIAL, INCIDENTAL AND/OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING, WITHOUT LIMITATION, RESTITUTION, WILL NOT, IN ANY EVENT, EXCEED THE LICENSE FEE PAID BY LICENSEE TO SCPDC UNDER THIS AGREEMENT.

7.4 ALLOCATION OF RISK. The provisions of this Section 6 allocate risks under this Agreement between Licensee and SCPDC. SCPDC's pricing reflects this allocation of risks and limitation thereof in accordance with the provisions of this Agreement and not liability.

7.5 CLAIMS. No action arising out of any breach or claimed breach of this Agreement or transactions contemplated by this Agreement may be brought by either party more than one (1) year after the cause of action has accrued. For purposes of this Agreement, a cause of action will be deemed to have accrued when a party knew or reasonably should have known of the breach or claimed breach.

7.6 LIMITATION. The foregoing obligations shall not apply to the extent the infringement arises as a result of modifications to the Software made by any party other than SCPDC or SCPDC's authorized representative.

7.7 EXCLUSIVE REMEDY. The foregoing states the entire liability of SCPDC and Licensee's exclusive remedy with respect to infringement of any patent, copyright, trade secret or other proprietary right.

7.8 To the extent authorized under Texas law, Licensee shall indemnify and hold SCPDC harmless from and against any costs, losses, liabilities and expenses arising out of third party claims related to any breach by Licensee of this agreement, use of the software, or as a result of the carelessness, negligence or improper conduct of Licensee, its agents, employees or representatives.

8. CONFIDENTIALITY

8.1 CONFIDENTIAL INFORMATION. Each party acknowledges that the Confidential Information constitutes valuable trade secrets and each party agrees that it shall use Confidential Information solely in accordance with the provisions of this Agreement and will not disclose, or permit to be disclosed, the same, directly or indirectly, to any third party without the other party's prior written consent. Each party agrees to exercise due care in protecting the Confidential Information from unauthorized use and disclosure. Furthermore, it is understood that the terms of this Agreement reflect consideration received by Licensee in return for being an early user of the Software. However, neither party bears any responsibility for safeguarding information that (i) is publicly available, subject to a public records request pursuant to revised Statute 44:1 et seq., (ii) already in the other party's possession and not subject to a confidentiality obligation, (iii) obtained by the other party from third parties without restrictions on disclosure, (iv) independently developed by the other party without reference to Confidential Information, or (v) required to be disclosed by order of a court or other governmental entity. Nothing herein will prevent routine discussions by the parties that normally take place in a "user group" context.

8.2 INJUNCTIVE RELIEF. In the event of actual or threatened breach of the provisions of Section 9.1, the non-breaching party will have no adequate remedy at law and will be entitled to immediate and injunctive and other equitable relief, without bond and without the necessity of showing actual monetary damages.

9. TERM AND TERMINATION

9.1 Term. This Agreement will take effect on the Effective Date and will remain in force for a period of two (2) years thereafter. The contract will automatically renew for 12-months periods following the end of the initial term unless terminated in accordance with this Agreement.

9.2 TERMINATION. This Agreement is terminated by:

(a) By Licensee. Should there be discovered a serious defect or flaw in the SCPDC software that prevents the Licensee from using the system to support Licensee's operations in issuance of permits, Licensee shall notify SCPDC of the issue. SCPDC will have 45 days to resolve the issue. If the issue cannot be resolved within the time period, the contract will terminate on the 1st of the following month.

(b) By SCPDC. Upon written notice to Licensee if any of the following events ("Termination Events") occur, provided that no such termination will entitle Licensee to a refund of any portion of the License Fee or maintenance fees: (i) Licensee fails to pay any undisputed amount due to SCPDC within thirty (30) days after SCPDC gives the Licensee written notice of such non-payment; (ii) Licensee is in material breach of any non-monetary term, condition or provision of Agreement, which breach, if capable of being cured, is not cured within thirty (30) days after SCPDC gives Licensee written notice of such breach; or (iii) Licensee becomes subject to any bankruptcy or insolvency proceeding under federal or state statutes; or (iv) SCPDC elects to refund Licensee's fees.

(c) This agreement is subject to the availability and appropriation of budgeted funds by the parties, and upon an occurrence of non-appropriation by either party, this Agreement shall terminate immediately.

9.3 EFFECT OF TERMINATION. If any Termination Event occurs, termination will become effective immediately or on the date set forth in the written notice of termination. Termination of this Agreement will not affect the provisions regarding Licensee's or SCPDC's treatment of Confidential Information, provisions relating to the payment of amounts due, or provisions

limiting or disclaiming SCPDC's liability, which provisions will survive termination of this Agreement. Within fourteen (14) days after the date of termination or discontinuance of this Agreement for any reason whatsoever, Licensee shall return any copies of the SCPDC Software, derivative works and all copies thereof, in whole or in part, all related Documentation and all copies thereof, and any other Confidential Information in its possession. Upon termination of this Agreement, Licensee shall cause the SCPDC Software to be removed from all computer units, including desktops and laptops, in the Licensee's office and from the computer units of third party contractors performing work for Licensee. Licensee shall furnish SCPDC with a certificate signed by an executive officer of Licensee verifying that the same has been done.

9.4 In the event of the termination or nonrenewal of this agreement, SPCDC warrants that the information stored by SPCDC as a result of Licensee use of the MyPermitNow will be available to Licensee.

10. NON-ASSIGNMENT. Neither this Agreement nor any rights under this Agreement may be assigned or otherwise transferred by Licensee, in whole or in part, whether voluntary or by operation of law, including by way of sale of assets, merger or consolidation, without the prior written consent of SCPDC, which consent will not be unreasonably withheld or delayed. Subject to the foregoing, this Agreement will be binding upon and will inure to the benefit of the parties and their respective successors and assigns.

Except as expressly stated in this Agreement, no exercise or enforcement by either party of any right or remedy under this Agreement will preclude the enforcement by such party of any other right or remedy under this Agreement or that such party is entitled by law to enforce.

12.4 SEVERABILITY. If any term, condition, or provision in this Agreement is found to be invalid, unlawful or unenforceable to any extent, the parties shall endeavor in good faith to agree to such amendments that will preserve, as far as possible, the intentions expressed in this Agreement.
