Non-Appropriations. You warrant that you have funds available to make all payments until the end of your current fiscal period, and shall use your best efforts to obtain funds to make all payments in each subsequent fiscal period through the end of your lease term. If your appropriation request to your legislative body, or funding authority ("Governing Body") for funds to make the payments is denied, you may terminate the lease on the last day of the fiscal period for which funds have been appropriated, upon (i) submission of documentation reasonably satisfactory to us evidencing the Governing Body's denial of an appropriation sufficient to continue the lease for the next succeeding fiscal period, and (ii) satisfaction of all charges and obligations under the lease incurred through the end of the fiscal period for which funds have been appropriated, including the return of the equipment at your expense.

By signing below, you agree to be bound by all the terms of this Agreement, including the Pitney Bowes Terms (Version 1/19), which are available at <http://www.pb.com/statelocalmyterms> and are incorporated by reference. This lease will be binding on us after we have completed our credit and documentation approval process and have signed below. This lease requires you either to provide proof of insurance or participate in the ValueMAX® equipment protection program (see Section 6 of the State and Local Fair Market Value Lease Terms) for an additional fee. If software is included in the Order, additional terms apply which are available by clicking on the hyperlink for that software located at <http://www.pitneybowes.com/us/license-terms-of-use/software-and-subscription-terms-and-conditions.html>.
