With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the District and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created to hold securities to facilitate the clearance and settlement of securities transactions among DTC participants (the "DTC Participant") or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a Registered Owner, as shown on the Registration Books, of any notice with respect to the Bonds, or (iii) the payment to any DTC Participant or any person, other than a Registered Owner, as shown in the Registration Books of any amount with respect to principal of or interest on the Bonds. Notwithstanding any other provision of this Order to the contrary, but to the extent permitted by law, the District and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Registration Books as the absolute owner of such Bond for the purpose of payment of principal of and interest, with respect to such Bond, for the purposes of registering transfers with respect to such Bond, and for all other purposes of registering transfers with respect to such Bonds, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective Registered Owners, as shown in the Registration Books as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of principal of and interest on the Bonds to the extent

of the sum or sums so paid. No person other than a Registered Owner, as shown in the Registration Books, shall receive a Bond evidencing the obligation of the District to make payments of principal, and interest pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks being mailed to the Registered Owner at the close of business on the Record Date the word "Cede & Co." in this Order shall refer to such new nominee of DTC.

(b) Successor Securities Depository; Transfer Outside Book-Entry-Only System. In the event that the District determines to discontinue the book-entry system through DTC or a successor or DTC determines to discontinue providing its services with respect to the Bonds, the District shall either (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the Registered Owner transferring or exchanging Bond shall designate, in accordance with the provisions of this Order.

(c) Payments to Cede & Co. Notwithstanding any other provision of this Order to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Letter of Representations of the District to DTC.

(d) DTC Blanket Letter of Representations. The District confirms execution of a Blanket Issuer Letter of Representations with DTC establishing the Book-Entry-Only System which will be utilized with respect to the Bonds.

(e) Initial Bond. The Bonds herein authorized shall be initially issued as a fully registered bond, being one Bond, and the Initial Bond shall be registered in the name of the Underwriter or the designees thereof. The Initial Bond shall be the Bond submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller and delivered to the Underwriter. Immediately after the delivery of the Initial Bond on the closing date, the Paying Agent/Registrar shall cancel the Initial Bond delivered hereunder and exchange therefor Bonds in the form of a separate single fully registered Bond for each of the maturities thereof registered in the name of Cede & Co., as nominee of DTC and except as provided in Section 3.02, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

ALL BONDS OF THIS SERIES are issuable solely as fully registered Bonds, without interest coupons, in the principal denomination in the case of the Bonds, of any integral multiple of \$5,000. As provided in the Bond Order, this Bond may, at the request of the Registered Owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate amount of fully registered Bonds, without interest coupons, payable to the appropriate Registered Owner, assignee or assignees, as the case may be, having any authorized denomination or denominations as requested in writing by the appropriate Registered Owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Order. The Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and

In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Registrar shall not be required to make any such transfer, conversion or exchange of any Bond or any portion thereof (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or Interest Payment Date or (ii) within 45 calendar days prior to its redemption date; provided, however, such limitation on transferability shall not be applicable to an exchange by the Registered Owner of the unredeemed balance hereof in the event of its redemption in part.

WHENEVER the beneficial ownership of this Bond is determined by a book entry at a securities depository for the Bonds, the foregoing requirements of holding, delivering or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Registrar for the Bonds is changed by the District, resigns, or otherwise ceases to act as such, the District has covenanted in the Bond Order that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the Registered Owners of the Bonds.

THE BONDS are payable from the proceeds of an ad valorem tax, without legal limit as to rate or amount, levied upon all taxable property within the District. The Bond Order provides that the District reserves the right to consolidate with one or more conservation and reclamation districts, to consolidate its waterworks and sewer systems with the systems of such districts, and to secure the Bonds and any other bonds of the District or such districts by a pledge of the net revenues of the consolidated system. The Bond Order further provides that the pledge of taxes, to the payment of the Bonds shall terminate at such time, if ever, as (i) money and/or defeasance obligations in an amount sufficient to defease the Bonds is deposited with or made available to the Registrar in accordance with the Bond Order or (ii) a City dissolves the District, and assumes the obligations of the District pursuant to existing Texas law.

THE BONDS are issued pursuant to the Bond Order, whereunder the District covenants to levy a continuing direct annual ad valorem tax, without legal limit as to rate or amount, on taxable property within the District, for each year while any part of the Bonds are considered outstanding under the provisions of the Bond Order, in sufficient amount, together with revenues and receipts available from other sources which are equally available for such purposes, to pay interest on the Bonds as it becomes due, to provide a sinking fund for the payment of the principal of the Bonds when due or the redemption price at any earlier required redemption date with respect to the Bonds, and to pay the expenses of assessing and collecting such tax, all as more specifically provided in the Bond Order. Reference is hereby made to the Bond Order for provisions with respect to the operation and maintenance of the District's facilities, the custody and application of funds, remedies in the event of a default hereunder or thereunder, and the other rights of the Registered Owners of the Bonds. By acceptance of this Bond the Registered Owner hereof

consents to all of the provisions of the Bond Order, a certified copy of which is on file in the office of the District.

THE OBLIGATION to pay the principal of and the interest on this Bond is solely and exclusively the obligation of the District until such time, if ever, as the District is abolished and this Bond is assumed as described above. No other entity, including the State of Texas, any political subdivision thereof other than the District, or any other public or private body, is obligated, directly, indirectly, contingently, or in any other manner, to pay the principal of or the interest on this Bond from any source whatsoever. No part of the physical properties of the District, including the properties provided by the proceeds of the Bonds, is encumbered by any lien for the benefit of the Registered Owner of this Bond.

THE DISTRICT RESERVES THE RIGHT to issue additional bonds heretofore or hereafter duly authorized at elections held in the District payable from a lien on and pledge of taxes; bonds, notes and other obligations of inferior liens, and revenue bonds, notes and other obligations payable solely from revenues of the District or revenues to be received under contracts with other persons, including private corporations, municipalities and political subdivisions or from any other source. The District further reserves the right to issue refunding bonds in any manner permitted by law to refund any bonds (including the Bonds) at or prior to their respective dates of maturity or redemption.

TO THE EXTENT permitted by and in the manner provided in the Bond Order, the terms and provisions of the Bond Order and the rights of the Registered Owners of the Bonds may be modified with, in certain circumstances, the consent of the Registered Owners of a majority in aggregate principal amount of the Bonds affected thereby; provided, however, that, without the consent of the Registered Owners of all of the Bonds affected, no such modification shall (i) extend the time or times of payment of the principal of and interest on the Bonds, reduce the principal amount thereof or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Bonds, (ii) give any preference to any Bond over any other Bond, or (iii) reduce the aggregate principal amount of the Bonds required for consent to any such modification.

THIS BOND shall not be valid or obligatory for any purpose or be entitled to any benefit under the Bond Order unless this Bond either (a) is registered by the Comptroller of Public Accounts of the State of Texas as evidenced by execution of the registration certificate endorsed hereon or (b) is authenticated as evidenced by execution of the authentication certificate endorsed hereon by the Registrar.

IT IS HEREBY CERTIFIED, COVENANTED, AND REPRESENTED that all acts, conditions, and things necessary to be done precedent to the issuance of the Bonds in order to render the same legal, valid, and binding obligations of the District have happened and have been accomplished and performed in regular and due time, form, and manner, as required by law; that provision has been made for the payment of the principal of and interest on the Bonds by the levy of a continuing, direct annual ad valorem tax upon all taxable property within the District and that issuance of the Bonds does not exceed any constitutional or statutory limitation. In the event that

any provisions herein contained do or would, presently or prospectively, operate to make any part hereof void or voidable, such provisions shall be without effect or prejudice to the remaining provisions hereof, which shall nevertheless remain operative, and such violative provisions, if any, shall be reformed by a court of competent jurisdiction within the limits of the laws of the State of Texas.

IN WITNESS WHEREOF, the District has caused this Bond to be signed with the manual or facsimile signature of the County Judge and countersigned with the manual or facsimile signature of the County Clerk and County Treasurer, and has caused the official seal of the District to be duly impressed, or placed in facsimile, on this Bond.

To pay the interest on the Bonds, and to create a sinking fund for the payment of the principal thereof when due, and to pay the expenses of assessing and collecting such taxes, there is hereby levied, and there shall be assessed and collected in due time, a continuing, direct annual ad valorem tax without limit as to rate or amount on all taxable property in the District for each year while any of the Bonds are outstanding. All of the proceeds of such collections, except expenses incurred in that connection, shall be paid into the Avery Ranch Road District No. 1 Interest and Sinking Fund (the "Interest and Sinking Fund") maintained in the County Treasury at its official depository bank, and the aforementioned tax and such payments into such fund shall continue until the Bonds and the interest thereon have been fully paid and discharged, and such proceeds shall be used for such purposes and no other. During each year while any of the Bonds are outstanding and unpaid, the Commissioners Court of the County shall compute and ascertain the rate and amount of ad valorem tax, based on the latest approved tax rolls of the District, with full allowances being made for tax delinquencies and costs of tax collections, which will be sufficient to raise and produce the money required to pay the interest on the Bonds as such interest comes due, and to provide a sinking fund to pay the principal of the Bonds as such principal matures or is mandatorily redeemed in the years and in the principal amounts set forth in Section 3.03 hereof. Said rate and amount of ad valorem tax is hereby ordered to be levied and is hereby levied without limits as to rate or amount against all taxable property in the District for each year while any of said Bonds are outstanding and unpaid, and said ad valorem tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Interest and Sinking Fund. Said ad valorem taxes necessary to pay the interest on and principal of the Bonds, as such interest comes due, and such principal matures or is mandatorily redeemed in the years and in the principal amounts set forth in Section 3.03 hereof, are hereby pledged irrevocably for such purpose.

In determining the amount of taxes which should be levied each year, the Commissioners Court may also consider whether proceeds from the sale of bonds of the District have been capitalized or placed in escrow to pay interest and whether the Commissioners Court reasonably expects to have revenues or receipts available from other sources which are legally available to pay the principal of or the interest, payment expenses or redemption price on the District's bonds.

So long as any of the Bonds remain outstanding, the District covenants that it will take such actions and use such measures as may be deemed appropriate under the circumstances to preserve and protect the existence and priority or its rights to and liens for the collection of delinquent taxes, including, but not limited to, where deemed appropriate, suits for collection of taxes and/or foreclosure of tax liens.

SECTION 7.03. PAYMENT OF BONDS AND PERFORMANCE OF OBLIGATIONS. The District covenants to pay promptly the principal of and interest on the Bonds as the same become due and payable, whether at maturity or by prior redemption, in accordance with the terms of the Bonds and this Bond Order, and to keep and perform faithfully all of its covenants, undertakings, and agreements contained in this Bond Order, or in any Bond executed, authenticated, and delivered hereunder.

Each fund shall be kept separate and apart from all other funds of the District. The Debt Service Fund for the Bonds shall constitute a trust fund which shall be held in trust for the benefit of the owners of the Bonds. All other funds shall be trust funds which shall be used solely as provided in this Bond Order until all of the Bonds have been retired, both as to principal and interest.

SECTION 8.02. SECURITY OF FUNDS. Any cash balance in any fund, to the extent not insured by the Federal Deposit Insurance Corporation or its successor, shall be continuously secured in the manner provided by law for the security of funds of counties of the State of Texas.

On or before the date for payment of the principal and/or Interest Payment Date on the Bonds, the Commissioners Court shall cause the transfer of moneys out of the Debt Service Fund to the Registrar in an amount not less than that which is sufficient to pay the principal which matures on such date and the interest which accrues on such date. The District shall pay fees and charges of the Registrar for its services as paying agent and registrar for the Bonds from the Debt Service Fund.

SECTION 8.04. **ESCROW FUND.** The Escrow Fund shall be created and shall be governed by the terms of the Escrow Agreement in substantially the form provided with such changes as approved by the Pricing Officer.

All investments and any profits realized from and interest accruing on investments made from any fund may be transferred to the Debt Service Fund. If any moneys are so invested, the District shall have the right to have sold in the open market a sufficient amount of such investments to meet its obligations in the event any fund does not have sufficient uninvested funds on hand to meet the obligations payable out of such fund. After such sale the moneys resulting therefrom shall belong to the fund from which the moneys for such investments were initially taken. The District shall not be responsible to the Registered Owners for any loss arising out of the sale of any investments.

ARTICLE TEN

PROVISIONS CONCERNING FEDERAL INCOME TAX EXCLUSION

SECTION 10.01. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE BONDS. (a) Covenants. The District covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the tax-exempt Bonds as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the District covenants as follows:

(1) to use all proceeds of the tax-exempt Bonds for the payment of principal, interest and redemption premium, if any, on the Refunding Bonds;

(2) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the Refunding Bonds or the projects financed or refinanced therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds of the Bonds or the Refunding Bonds or the projects financed or refinanced therewith are so used, such amounts, whether or not received by the District, with respect to such private business use, do not, under the terms of this Order or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(3) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the Refunding Bonds or the projects financed or refinanced therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(4) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(5) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(6) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(7) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire

investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with --

(A) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 90 days or less for current refundings and 30 days or less for advance refundings until such proceeds are needed for the purpose for which the Bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1 (b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(8) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings); and

(9) to pay to the United States of America at least once during each five-year period(beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (9), a "Rebate Fund" is hereby established by the District for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Proceeds. The District understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds not expended prior to the date of issuance of the Bonds. It is the understanding of the District that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the District will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional

requirements which are applicable to the Bonds, the District agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the District hereby authorizes and directs the County Judge to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the District, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds. This Order is intended to satisfy the official intent requirements set forth in Section 1.150-2 of the Treasury Regulations.

(d) Disposition of Project. The District covenants that the property constituting the project financed by the Refunded Bonds will not be sold or otherwise disposed in a transaction resulting in the receipt by the District of cash or other compensation, unless the District obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of this subsection, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes of this subsection, the District shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Designation as Qualified Tax-Exempt Bonds. The Pricing Officer is authorized to designate the Bonds as "qualified tax-exempt obligations" as defined in section 265(b)(3) of the Code, if the District qualifies to make such designation at the time of the pricing of the Bonds, conditioned upon the purchaser identified in the Pricing Certificate certifying that the aggregate initial offering price of the Bonds to the public (excluding any accrued interest) is no greater than \$10,000,000 (or such amount permitted by section 265 of the Code). Assuming such condition is met and the Pricing Officer makes such designation in the Pricing Certificate, the District represents, covenants and warrants the following: (a) that during the calendar year in which the Bonds are issued, the District (including any subordinate entities) has not designated nor will designate bonds, which when aggregated with the Bonds, will result in more than \$10,000,000 (or such amount permitted by section 265 of the Code) of "qualified tax-exempt obligations" being issued; (b) that the District reasonably anticipates that the amount of tax-exempt obligations issued during the calendar year in which the Bonds are issued, by the District (or any subordinate entities) will not exceed \$10,000,000 (or such amount permitted by section 265 of the Code); and, (c) that the District will take such action or refrain from such action as necessary, and as more particularly set forth in this Section, in order that the Bonds will not be considered "private activity bonds" within the meaning of section 141 of the Code. The Pricing Officer may modify the foregoing representations, covenants and warranties in the Pricing Certificate as necessary and appropriate to comply with applicable provisions of the Code in existence at the time of pricing of the Bonds.

SECTION 12.02. **BOND ORDER IS CONTRACT.** In consideration of the purchase and acceptance of the Bonds authorized to be issued hereunder by the Registered Owners, the provisions of this Bond Order shall be deemed to be and shall constitute a contract between the District and the Registered Owners; and the covenants and agreements herein set forth to be performed on behalf of the District shall be for the equal benefit, protection, and security of each of the Registered Owners. The Bonds, regardless of the time or times of their issue or maturity,

shall be of equal rank without preference, priority, or distinction of any Bond over any other, except as expressly provided herein.

ARTICLE THIRTEEN

DISCHARGE BY DEPOSIT

SECTION 13.01. DEFEASANCE OF BONDS. (a) Any Bond and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a "Defeased Bond") within the meaning of this Order, except to the extent provided in subsections (c) and (e) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date or dates (whether such due date or dates be by reason of maturity, upon redemption, or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption) or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar or a commercial bank or trust company for such payment (1) lawful money of the United States of America sufficient to make such payment, (2) Defeasance Securities, certified by an independent public accounting firm of national reputation to mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment and when proper arrangements have been made by the District with the Paying Agent/Registrar or a commercial bank or trust company for the payment of its services until all Defeased Bonds shall have become due and payable or (3) any combination of (1) and (2). At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied as provided in this Order, and such principal and interest shall be payable solely from such money or Defeasance Securities.

(b) The deposit under clause (ii) of subsection (a) shall be deemed a payment of a Bond as aforesaid when proper notice of redemption of such Bonds shall have been given, in accordance with this Order. Any money so deposited with the Paying Agent/Registrar or a commercial bank or trust company as provided in this Section may at the discretion of the Commissioners Court also be invested in Defeasance Securities, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Defeasance Securities in possession of the Paying Agent/Registrar or a commercial bank or trust company pursuant to this Section which is not required for the payment of such Bond and Premium Compound Interest Bond, if any, and interest thereon with respect to which such money has been so deposited, shall be remitted to the Commissioners.

Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar

for such Defeased Bonds the same as if they had not been defeased, and the District shall make proper arrangements to provide and pay for such services as required by this Order.

(d) Notwithstanding anything elsewhere in this Order, if money or Defeasance Securities have been deposited or set aside with the Paying Agent/Registrar or a commercial bank or trust company pursuant to this Section for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment of the provisions of this Section shall be made without the consent of the Registered Owner of each Bond affected thereby.

(e) Notwithstanding the provisions of subsection (a) immediately above, to the extent that, upon the defeasance of any Defeased Bond to be paid at its maturity, the District retains the right under Texas law to later call that Defeased Bond for redemption in accordance with the provisions of the order authorizing its issuance, the District may call such Defeased Bond for redemption upon complying with the provisions of Texas law and upon the satisfaction of the provisions of subsection (a) immediately above with respect to such Defeased Bond as though it was being defeased at the time of the exercise of the option to redeem the Defeased Bond and the effect of the redemption is taken into account in determining the sufficiency of the provisions made for the payment of the Defeased Bond.

For these purposes. (a) any event described in the immediately preceding paragraph (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the District in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the District, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers of the District in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the District, and (b) the District intends the words used in the immediately preceding paragraphs (15) and (16) and the definition of Financial Obligation in this Section to have the same meanings as when they are used in the Rule, as evidenced by SEC Release No. 34-83885, dated August 20, 2018.

The District shall notify the MSRB, in an electronic format as prescribed by the MSRB, in a timely manner, of any failure by the District to provide financial information or operating data in accordance with subsection (a) of this Section by the time required by such subsection. All documents provided to the MSRB pursuant to this Section shall be accompanied by identifying information as prescribed by the MSRB.

(c) Limitations, Disclaimers, and Amendments. The District shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the District remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the District in any event will give notice of any deposit made in accordance with Section 8 of this Order that causes the Bonds no longer to be outstanding.

The provisions of this Section are for the sole benefit of the holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The District undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any

other information that may be relevant or material to a complete presentation of the District's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The District does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE DISTRICT BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE DISTRICT, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the District in observing or performing its obligations under this Section shall comprise a breach of or default under this Order for purposes of any other provision of this Order.

Should the Rule be amended to obligate the District to make filings with or provide notices to entities other than the MSRB, the District hereby agrees to undertake such obligation with respect to the Bonds in accordance with the Rule as amended.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the District under federal and state securities laws.

The provisions of this Section may be amended by the District from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the District, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the outstanding Bonds consents to such amendment or (b) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interest of the holders and beneficial owners of the Bonds. If the District so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with paragraph (a) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The District may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.
