Re: Williamson County—Great Oaks Bridge Grading Easement
Parcel 1

Dear Mr. & Mrs. Nicholson:

Please allow this letter to set out my understanding regarding our contractual agreement for the purchase of a permanent grading easement interest in and across a portion of your ("Owner") property as part of Williamson County's ("County") proposed improvements to the Great Oaks bridge upgrade and extension ("Project").

The parties hereby agree as follows:

In return for granting County a permanent grading easement across approximately 0.041 acre, the location of which is more particularly described by metes and bounds on Exhibit "A" attached hereto, County will pay Owner the cash sum of \$5,190.

The form of the Easement granted to County will be as shown in Exhibit "B" attached hereto.

The Closing and completion of this transaction shall take place through Independence Title Company ("Title Company") within 30 days after full execution of this Agreement, or at other location, date and time agreed to between the parties. County shall be responsible for all fees and costs associated with Closing, except that each party shall be responsible for any attorney's fees they incur. If requested, Owner shall assist County and Title Company with any curative measures or mortgage lien consent and subordination required as a condition of the Closing.

This agreement is being made in lieu of condemnation by County

If this meets with your understanding please have this letter approved and executed where indicated and return it to me, and we will in turn then have this approved and signed by the County and process this for payment as quickly as possible.

Please feel free to contact me at any time if you have any questions or concerns about these issues.

Very truly yours,

Don Childs
