RE: ESD #12 Board of Directors Resignation

Commissioner Long,

I would like to thank you for the opportunity to serve my community as a director on the Emergency Services District (ESD) #12 Board of Directors. It has been a pleasure serving on the board and representing my neighborhood in the important area of fire protection. As an original member of the ESD #12 Board of Directors that was created in February of 2012, I have served for nearly eight years. At this time, I would like to respectfully submit my letter of resignation to allow myself more time to spend with family and on other activities.

Sincerely,
