CONTRACT

Name Williamson County Erected At Southwest Jones Loop
Bill To _____ City _____ State/Zip _____

This contract is made with the understanding and agreement that the Purchaser will locate and make plainly visible all property pins or place stakes for all end, corner and gate posts for the erection or repair of the fence. The Purchaser also assumes full responsibility for same thus Lott Fence is relieved of all liability for placement of fence. The lines for the erection or repair of the fence will be cleared by the Purchaser. Lott Fence is not responsible for any damages to underground installations such as sprinklers, waterlines, cables, sewers, wiring, pipes, tubing, conduits, drains, or such unless location of said installations are plainly marked off above ground as to their exact location. Fencing and especially wood fences are not free from knots, splits, wane, spikes, checking, warps, stains, gouges, cherl, spots, cracks, and other imperfections. A fence is not a substitute for landscaping. In reference to fence line grade, uneven terrain will have more grade breaks while flatter surfaces will have fewer grade changes. Ground is never "bubble level" or "straight" in dealing with fence line grade. The bottoms of fences sometimes have ground contact in areas, and fence bottoms often have gaps in other locations due to grade. Lott Fence is never responsible for closing gaps at the bottom of a fence or a gate. All information printed here is accepted by the Purchaser.
