Nothing herein shall constitute a waiver or limitation of any rights that the Participants may have under any Federal or state securities laws.

(b) Each Participant, the Board of Trustees, and the Custodian understand that in performing its services hereunder, the Program Administrator will rely on information provided by others and agree that the Program Administrator is not responsible for the accuracy of such information.

from the advice given to or the timing or nature of action taken with respect to the Investment Property provided that the policy and practice of the Program Administrator is not to favor or disfavor consistently or consciously any client or class of clients in the allocation of investment opportunities and that, to the extent practical, such opportunities are allocated among clients over a period of time on a fair and equitable basis. Nothing herein contained shall be construed so as to prevent the Program Administrator or any of its directors, officers, employees, shareholders, or affiliates in any way from purchasing or selling any securities for its or their own accounts prior to, simultaneously with, or subsequent to any recommendation or actions taken with respect to the Investment Property or impose upon the Program Administrator any obligation to purchase or sell or to recommend for purchase or sale for the Investment Property any security that the Program Administrator or any of its shareholders, directors, officers, employees, or affiliates may purchase or sell for its or their own accounts or for the account of any other client, advisory or otherwise, provided, however, that the Program Administrator shall always use its best efforts to maximize the gains for the Investment Property in a manner consistent with the investment criteria set forth in Exhibit E hereof.

In its sole discretion, a Participant may create any such special subaccount using the same procedures for establishing other subaccounts set forth in this Agreement. The establishment of such special subaccounts shall not be deemed an amendment of this Agreement. Any special subaccount that is created pursuant to this Section 4.11 shall be subject to the terms set forth in the proposal of the Program Administrator until the terms governing such special subaccount are amended pursuant to this Agreement. The Program Administrator may calculate the return realized by such special subaccounts separate and apart from the returns realized by other subaccounts maintained for each Participant.

The Participants hereby delegate to the Custodian the authority to hold legal title to investments purchased with their funds pursuant to Section 2256.016(d) of the Act. Wells Fargo Bank, N.A., as Custodian, accepts such appointment and agrees to render the services and to assume the obligations set forth herein for the compensation herein provided.

(c) No Investment Funds or Investment Property received or held by the Custodian pursuant to this Agreement shall be accounted for in any manner that might cause such Investment Funds or Investment Property to become assets or liabilities of the Custodian.

5.2 Resignation and Removal; Successors

(a) The Custodian may resign upon the giving of at least sixty (60) days' prior written notice to the Board of Trustees and the Program Administrator. A majority of the Board of Trustees may remove the Custodian upon at least sixty (60) days' prior written notice to the

Custodian and the Program Administrator. Notwithstanding the foregoing, the resignation or removal of the Custodian shall not be deemed effective unless a successor has been chosen pursuant to Section 5.2(b) hereof. In the event that assets remain in the possession of the Custodian due to the failure of the Board of Trustees to appoint a successor custodian, the Custodian shall be entitled to compensation for its services during such period, and the provisions of this Agreement relating to the duties and obligations of the Custodian shall remain in full force and effect. Alternatively, the Custodian shall have the right to commence an action in the nature of an interpleader and seek to deposit the assets in a court of competent jurisdiction.

(b) In the event that the Custodian shall give notice of its resignation or if the Board of Trustees shall give notice of the removal of the Custodian, a majority of the Board of Trustees shall appoint a successor provided, however, that so long as the Program Administrator is required to pay the fees of the Custodian pursuant to Article VI hereof, the appointment of such successor custodian shall require the prior written consent of the Program Administrator.

5.3 Powers

(a) (i) The Custodian is authorized and directed to open and maintain, and the Custodian shall open and maintain, one or more custody accounts for the benefit of the Trust (the Account) in the name of "[Name of Custodian] as Custodian for the Benefit of Texas CLASS" (and/or the name of such other pool or portfolio as established pursuant to this Trust Agreement) and will accept for safekeeping and for credit to the accounts, in accordance with the terms hereof, all securities representing the investment of Investment Funds pursuant to Section 2.1 hereof and the income or earnings derived therefrom. The Custodian may accept funds hereunder for the purchase of securities to be held by the Custodian and shall not be required to make an independent determination whether such funds are Investment Funds.

(ii) Except as provided in Section 5.3(c)(iii), all securities and other non-cash Investment Property held in each account shall be physically segregated from other securities in the possession of the Custodian and from other pools or portfolios established pursuant to this Trust Agreement and shall be identified as subject to this Agreement.

(b) In accordance with instructions of the Program Administrator who shall act in a manner consistent with this Agreement, the Custodian shall, for the account and benefit and burden of the Participants:

(i) receive and deliver Investment Funds and all other Investment Property in accordance with the requests of Participants pursuant to Article II and Exhibits A and B hereof;

(ii) exchange securities in temporary or bearer form for securities in definitive

or registered form and surrender securities at maturity or earlier when advised of a call for redemption;

(iv) make any payments incidental to or in connection with this Section 5.3(b);

(v) sell, exchange, or otherwise dispose of any and all Investment Property free and clear of any and all interests of the Trust and any and all Participants at public or private sale, with or without advertisement; and execute and deliver any deed, power, assignment, bill of sale, or other instrument in connection therewith;

(vi) with respect to enforcing rights in connection with the Investment Property: (a) collect, sue for, receive, and receipt for all sums of money or other personal property due; (b) consent to extensions of the time for payment or to the renewal of any securities, investments, or obligations; (c) engage or intervene in, prosecute, defend, compromise, abandon, or adjust by arbitration or otherwise any actions, suits, proceedings, disputes, claims, demands, or things relating to the Investment Property; (d) foreclose on any personal property, security, or instrument securing any investments, notes, bills, bonds, obligations, or contracts that are part of or relate to the Investment Property; (e) exercise any power of sale and convey good title thereunder free of any and all interests of any and all Participants and in connection with any such foreclosure or sale, purchase, or otherwise acquire title to any personal property; (f) be a party to the reorganization of any person and transfer to and deposit with any corporation, committee, voting trustee, or other person any securities, investments, or obligations of any person that form a part of the Investment Property for the purpose of such reorganization or otherwise; (g) participate in any arrangement for enforcing or protecting the interests of the holders of such securities, investments, or obligations and to pay any assessment levied in connection with such reorganization or arrangement; (h) extend the time (with or without security) for the payment or delivery of any debts or personal property and to execute and enter into releases, agreements, and other instruments; (i) pay or satisfy any debt or claims; and (j) file any financing statements concerning the Investment Property with the appropriate authorities to protect the Investment Property from any potential claim of any creditors of any of the Participants; and

(vii) exercise all other rights and powers to take any action in carrying out the purposes of this Agreement.

(c) (i) with respect to Investment Property held by the Custodian hereunder, the Custodian shall collect all income or other payments, release and deliver such Investment Property, and take any other action as directed by the Program Administrator with respect to dividends, splits, distributions, spinoffs, puts, calls, conversions, redemptions, tenders, exchanges, mergers, reorganizations, rights, warrants, or any other similar activity relating to the Investment Property held in the Account. The Custodian shall request direction of the Program Administrator upon receipt of actual notice of any such activity. For purposes of this paragraph, the Custodian shall be deemed to have actual notice if the Program Administrator informs the Custodian of such activity or if information concerning any such activity is published in one or more of the following publications: J.J. Kenny's Munibase System, Financial Card Service, Xcitek, Inc., Standard & Poors' Called Bond Listing, Depository Trust Reorganization Notices, and The Wall Street Journal. If the Custodian does not have actual notice of such activity, any such activity will be handled by the Custodian on a "best efforts" basis.

The Custodian shall not be under any obligation or duty to take action to effect collection of any amount if the assets on which such amount is payable are in default and payment is refused after due demand or presentation. The Custodian will, however, promptly notify the Program Administrator in writing of such default and refusal to pay.

The Custodian is not authorized and shall not disclose the name, address, or security positions of the Participants in response to requests concerning shareholder communications under Section 14 of the Securities Exchange Act of 1934, the rules and regulations thereunder, and any similar statute, regulation, or rule in effect from time-to-time;

(ii) the Custodian shall promptly deliver or mail to the Program Administrator all forms of proxies and all notices of meetings received by the Custodian relating to Investment Property held under this Agreement and, upon receipt of instructions from the Program Administrator, shall execute and deliver such proxies or other authorizations as may be required. Neither the Custodian nor its nominee shall vote any Investment Property or execute any proxy to vote the same or give any consent to take any other action with respect thereto (except as otherwise herein provided) unless directed to do so by Program Administrator upon receipt of instructions;

(iii) the Custodian shall hold the Investment Property (a) in its vaults physically segregated and held separate and apart from other property of the Custodian; (b) in its account at The Depository Trust Company or other depository, sub-custodian, or clearing corporation; or (c) in a book entry account with the Federal Reserve Bank in which case a separate accounting of the Investment Property shall be maintained by the Custodian at all times. The Investment Property held by any such depository, sub-custodian, clearing corporation, or Federal Reserve Bank may be held in the name of their respective nominees provided, however, that the custodial relationship and the interests of the Trust or the Participants regarding such Investment Property shall be

noted on the records kept by the Program Administrator and the custodial relationship on behalf of the Trust or the Participants shall be noted on the records of the Custodian and, to the extent possible, the Custodian shall cause the custodial relationship on behalf of Trust or the Participants to be noted on the records of such depository, sub-custodian, clearing corporation or Federal Reserve Bank. The Custodian shall not be obligated or liable for costs, expenses, damages, liabilities, or claims (including attorneys' or accountants' fees) that are sustained or incurred by reason of any action or inaction of the Federal Reserve Bank book entry system, The Depository Trust Company, or any other central depository or clearing agency which is or may become standard market practice to use for the comparison and settlement of securities trades provided, however, that nothing in this sentence shall relieve the Custodian of its obligations set forth in Section 5.1 (b) hereof regarding banks or trust companies selected as sub-custodians; and

(iv) the Custodian shall hold and physically segregate for each account all Investment Property owned by each account other than Investment Property held pursuant to 5.3(c)(iii)(b) and (c) above. Investment Property physically held by the Custodian (other than bearer securities) may be registered in the name of any nominee of Custodian, provided that the records of the Custodian provide that such Investment Property is held in a custodial capacity and that such Investment Property is not an asset of the Custodian or such nominee. All Investment Property accepted by Custodian under the terms of this Agreement shall be in negotiable form.

5.4 Custodial Relationship: Custodian Records

(a) The Custodian shall hold the Investment Property in its capacity as custodian for the benefit of the Trust. The Investment Property shall be custodial property of the Custodian and shall not be or be deemed to be an asset of the Custodian. Each Participant has an undivided beneficial interest in the Investment Property to the extent of such Participant's balance.

(b) The Custodian shall maintain its own internal records concerning the account(s) and the transactions contemplated by this Agreement, and the Custodian shall cause all of such records to reflect the custodial relationship created by this Agreement and the fact that the Investment Property in each account belongs to the Trust for the collective benefit of the Participants in each pool or portfolio established pursuant to this Trust Agreement, respectively. Notwithstanding the foregoing, the Program Administrator shall maintain all records regarding each Participant's beneficial interest in such Investment Property, and such records shall conclusively determine the beneficial interests of each Participant in the Investment Property segregated between the pools or portfolios in which such Investment Property is held. The records maintained by such Program Administrator shall be conclusively determinative of the beneficial interests of the Participants in each pool or portfolio

established pursuant to this Trust Agreement, it being understood that the Custodian shall not be obligated to maintain records concerning the beneficial interest of individual Participants in the Investment Property.

5.5 Reliance on Instructions

(a) The Custodian is authorized to accept and shall be fully protected if it relies upon the instructions given by any authorized officer, employee, or agent of the Program Administrator including any oral instructions that the individual receiving such instructions on behalf of the Custodian believes in good faith to have been given by an authorized officer, employee, or agent of the Program Administrator, and all authorizations shall remain in full force and effect until canceled or superseded by subsequent instructions received by the appropriate account officer of the Custodian. The authorized officers, employees, or agents of the Program Administrator shall be only such persons as are designated in writing to the Custodian by the Program Administrator. The Custodian may rely on instructions received by telephone, tested telex, TWX, facsimile transmission, or by bank wire that the Custodian believes in good faith to have been given by an authorized person. The Custodian may also rely on instructions transmitted electronically through a customer data entry system or any similar electronic instruction system acceptable to the Custodian. Any instructions delivered to the Custodian by telephone shall promptly thereafter be confirmed in writing by an authorized person, but the Custodian will incur no liability for the Program Administrator's failure to send such confirmation in writing. Instructions are deemed given to the Custodian when actually received by the Custodian.

(b) In the absence of bad faith or negligence on its part, the Custodian may conclusively rely on the truth and correctness of the statements expressed in notices, certificates, or documents submitted to it, and the Custodian need not investigate any fact or matter stated in any such notice, certificate, or document submitted to it or verify the accuracy of the contents thereof.

5.6 Degree of Care

(a) The Custodian shall hold the Investment Property in the account(s) with the same degree of care and protection with which it holds its own property. The Custodian agrees that it shall be responsible for any loss of Investment Property caused solely by the negligence or bad faith of the Custodian or its agents or any material breach of this Agreement by the Custodian. The Custodian is hereby released from liability except for liability arising from the negligence or bad faith of the Custodian or its agents or from any material breach of this Agreement by the Custodian. In the event of any such loss of Investment Property, the Custodian shall promptly replace the Investment Property or the value thereof and the value of any such loss of rights or privileges resulting from such loss. The Custodian shall not be

responsible for the acts or omissions or solvency of any broker or agent selected by the Program Administrator to affect any transactions for the account(s).

(b) The Custodian shall not be liable for any error of judgment made in good faith by an employee, officer, or agent of the Custodian unless it was proved that the Custodian was negligent in ascertaining the pertinent facts.

(c) Except as provided in Section 5.6(a), the Custodian shall not be required to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers unless it receives indemnity satisfactory to it for repayment of such funds or against such risk of liability.

(d) The Custodian shall have no discretion whatsoever with respect to the management, disposition, or investment of Investment Property and is not a fiduciary to the Program Administrator or the Participants. During the term of this Agreement, the Custodian may, with respect to questions of law and construction of this Agreement, apply for and obtain, at the cost of the Custodian, the advice and opinion of counsel of its choice and shall be fully protected with respect to anything done or omitted by it in good faith in conformity with such advice or opinion. The Custodian shall have no duties except those that are specifically set forth in this Agreement. The Custodian shall only be responsible for custody hereunder of Investment Property delivered to it and then only while such Investment Property is held in the Account.

5.7 Subrogation - At the election of a majority of the Board of Trustees, the Trust shall be entitled to be subrogated to the rights of the Custodian with respect to any claim against any other person or institution that the Custodian may have as a consequence of any loss or damage to the Investment Property. In such event, the Board of Trustees shall consult with the Custodian concerning selection of counsel and management of any litigation to recover for such loss.

5.8 Insurance

(a) The Custodian shall maintain insurance coverage the following types and amounts with limits agreed to be the Board of Trustees:

(b) Financial Institution Bond - \$100,000,000

(c) Professional Liability - \$100,000,000

5.9 Setoff - The Custodian shall not have, and shall not seek to enforce, any right of setoff, recoupment, or similar rights against the Investment Property for any amounts owed to the Custodian pursuant to this Agreement.

ARTICLE VI

The Participant shall instruct its bank depository to wire Investment Funds to the corresponding account at the Custodian.

2) Receipt of the Program Administrator prior to the cut-off time established pursuant to the Texas CLASS website, accessible at <https://www.texasclass.com>, of notification of Investment Funds being deposited will cause the value of the Investment Funds to be credited and earn interest on the same business day.

3) Receipt by the Program Administrator after the cut-off time established pursuant to the Texas CLASS website, accessible at <https://www.texasclass.com>, of notification of Investment Funds being deposited will cause the value of the Investment Funds to be credited and earn interest on the next business day.

4) If Investment Funds for which notification of deposit has been given are not received (except if the Participant can show the contribution procedures have been followed) by the end of the business day on which such notification is given, the Program Administrator shall deduct the value of such Investment Funds from the Participant's balance if previously credited.

If the Participant fails to instruct its bank depository to wire Investment Funds before the cut-off time established pursuant to the Texas CLASS website, accessible at <https://www.texasclass.com>, on the day notice of the deposit is provided to the Program Administrator, the Participant's balance shall be charged interest equal to any interest earned on such failed deposit for each day the Participant's balance was credited with the deposit before the date the deposit was received. If the Participant can show the contribution procedures have been followed and, notwithstanding, the Investment Funds are not received, then the Program Administrator shall seek to obtain such Investment Funds from the party responsible for the failure of delivery.

5) Participants are prohibited from withdrawing Investment Funds credited to their balance(s) pursuant to (2) and (3) above until such Investment Funds are received by the Custodian.

6) These investment procedures may be amended from time-to-time pursuant to Section 9.1(d) hereof provided, however, that the Program Administrator will only change the times set forth above after consulting with the Custodian.

EXHIBIT B

2) The Participant shall indicate the payee and include wire or ACH instructions.

3) Requests for withdrawals received by the Program Administrator by the cut-off time established pursuant to the Texas CLASS website, accessible at <https://www.texasclass.com>, will be processed to permit payment on the business day.

4) Requests for withdrawals received by the Program Administrator after the cut-off time established pursuant to the Texas CLASS website, accessible at <https://www.texasclass.com>, will be processed the following business day.

5) Participants may only request withdrawals from an account of an amount not to exceed their balance in such account at the time payment is made pursuant to such request.

6) Requests for withdrawals received in accordance with (3) above by the Program Administrator shall be wired or processed through ACH in accordance with the Participant's instructions after noon on such business day, and the funds so wired or processed through ACH shall be immediately available funds.

7) These payment procedures may be amended from time to time pursuant to Section 9.1 (d) hereof, provided, however, that the Program Administrator will only change the times set forth above after consulting with the Custodian.

EXHIBIT C

Valuation Procedures

1. Portfolio Valuation

a. Amortized Cost Valuation - On a daily basis, normally at 3:00 p.m. ET, the Investment Property Value shall be determined using the amortized cost valuation method. The amortized cost valuation method involves initially valuing a security at its cost and thereafter accreting to maturity any discount or amortizing to maturity any premium, regardless of the impact of fluctuating interest rates on the market value of the instrument.

b. Mark-to-Market - At least daily, the Investment Property Value shall be determined on a mark-to-market basis as follows:

The Program Administrator shall determine the market value of the specific investment holdings for the Texas CLASS pool or portfolio. The market values shall be obtained from one or more sources that the Program Administrator believes to be reliable for providing such information. A credible pricing source will be used by the Program Administrator to price the underlying securities on a daily basis.

The market value of the collateral supporting repurchase agreements that are "delivery versus payment" shall be determined by the portfolio manager for each portfolio using the current bid price of the collateral securities obtained from Bloomberg L.P.

The market value of the collateral supporting tri-party repurchase agreements shall be determined by the tri-party custodian. The tri-party custodian will forward a collateral report to the Texas CLASS operations team every business day.

2. Amendment

These Valuation Procedures may be amended from time-to-time pursuant to Section 9.1 (d) hereof.

Investment of funds shall be governed by the following investment objectives in order of priority:

1. preservation of safety of principal;
2. liquidity; and

4. Amendments -These Investment Criteria may be amended from time-to-time pursuant to Section 9.1 (c) hereof.

EXHIBIT F

Program Administrator's Fee

For the performance of its obligations under this Agreement, the Program Administrator will charge a fee from the Investment Property Value (the Daily Fee) for each pool or portfolio established pursuant to this Agreement. This Daily Fee will accrue on a daily basis and be paid monthly in arrears and prorated for any portion of the month in which this Agreement is in effect.

The Daily Fee shall be calculated as follows: The Investment Property Value is multiplied by the Applicable Fee Rate and is divided by 365 or 366 days in the event of a leap year to equal the Daily Fee accrual. The Investment Property Value shall be based on the current day's shares outstanding. For weekend days and holidays, the shares outstanding for the previous business day will be utilized for the calculation of fees.

The Applicable Fee Rate shall be determined monthly on the first business day of each month for each pool or portfolio established pursuant to this Agreement and shall be calculated according to the schedule below which is applicable to each pool or portfolio established pursuant to this Agreement:

	Cumulative Balance	Fee Percentage
First	\$1,000,000,000	0.120%
Next	\$1,000,000,000	0.110%
Next	\$1,000,000,000	0.100%
Next	Over \$3,000,000,000	0.090%

Fees may be waived or abated at any time, or from time-to-time, at the sole discretion of the Program Administrator. Any such waived fees may be restored by the written agreement of the Board of Trustees in its sole discretion.

In the event that the Investment Property Value for each pool or portfolio established pursuant to this Agreement declines at any time to a level that would cause the Program Administrator's fee to equal an amount equal to or in excess of the remaining Investment Property Value, the fee shall be reduced to zero.

The blended fee shall never be greater than the yield to the Participants in the corresponding pool or portfolio.

EXHIBIT G
