Service Calls will be handled in timely manner within 5 days of service request.

Williamson County Facilities will be notified immediately when service date is scheduled and given minimum of 30 minutes notice of tech arriving at site.

Adequate shelf stock will be kept at Wilco Facilities to prevent down time for repairs due to the necessity to order parts which will include but not limited to card readers, boards, power supply, rex, mag locks, panic bars or any other equipment deemed necessary. Replacement of shelf stock will take place as needed to keep adequate amount on hand.

Subscription to SSG will be provided.
