

March 11, 2020

Mr. Randy Barker
Director/Purchasing Agent
Williamson County Purchasing Department
100 Wilco Way
Georgetown, Texas 78626

Subject: Recommendation for CR 118 Bridge Rehabilitation – IFB #3495

Please find below the bid tabulations for the subject-referenced project. The bids have been reviewed and the apparent low bid (RHB Construction) was found to be responsive, mathematically correct, and materially balanced. Following is a summary of the bid totals:

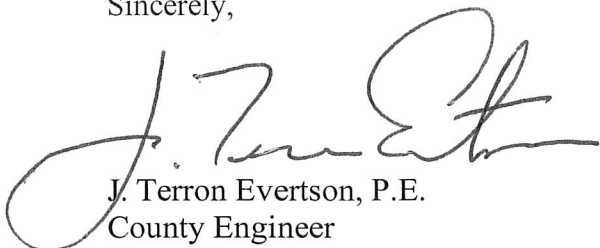

1. RHB Construction - \$23,962.50
2. Myers Concrete Construction, LP - \$38,812.00
3. Alpha Paving Industries, LLC - \$55,100.00

The Contractor's low base bid is \$12,613.50 below the Engineer's Estimate, a cost decrease of 52.6%.

In addition to meeting the bid qualifications subject to being low bidder, RHB Construction has performed similar work on other projects and received positive references from those contacted. Based on the low bid of \$23,962.50 and the previous work experience, I recommend to the Williamson County Commissioner's Court that they award RHB Construction the contract for the CR 118 Bridge Rehabilitation project.

Please feel free to contact me if you have any questions or concerns.

Sincerely,

J. Terron Evertson, P.E.
County Engineer
