GRANT NO. 5 TP1AH000124-05-00

Any other correspondence not relating to a prior approval item should be uploaded to Grant Notes within the GrantSolutions system. Include the Federal grant number and signature of the authorized business official and the project director on all such correspondence.

3. The *Department of Defense and Labor, Health and Human Services, and Education Appropriations Act, 2019 and Continuing Appropriations Act, 2019*, contains requirements and restrictions related to the use of federal funds from the HHS Office of the Assistant Secretary for Health (OASH) on all grant or cooperative agreements henceforth including the current budget period.

(1) Salary Limitation (section 202 of the FY 2019 appropriations act)

"None of the funds appropriated in this title shall be used to pay the salary of an individual, through a grant or other extramural mechanism, at a rate in excess of Executive Level II."

The Salary Limitation is based upon the Executive Level II of the Federal Executive Pay Scale. Effective January 6, 2019, the Executive Level II salary is \$192,300. For the purposes of the salary limitation, the direct salary is exclusive of fringe benefits and indirect costs. An individual's direct salary is not constrained by the legislative provision for a limitation of salary. The rate limitation simply limits the amount that may be awarded and charged to the grant. A recipient may pay an individual's salary amount in excess of the salary cap with non-federal funds.

(2) Acknowledgement of Federal Grant Support (Section 505 of the FY 2019 appropriations act)

When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, all grantees receiving Federal funds included in this Act, including but not limited to State and local governments and recipients of Federal research grants, shall clearly state—

- (a.) the percentage of the total costs of the program or project which will be financed with Federal money;
- (b.) the dollar amount of Federal funds for the project or program; and
- (c.) percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources."

4. Reporting Subawards and Executive Compensation

a. Reporting of first-tier subawards.

1. *Applicability.* Unless you are exempt as provided in paragraph d. of this award term, you must report each action that obligates \$25,000 or more in Federal funds that does not include Recovery Act funds (as defined in section 1512(a)(2) of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5) for a subaward to an entity (see definitions in paragraph e. of this award term).
