

AGREEMENT FOR DESIGN & ENGINEERING SERVICES

THIS AGREEMENT FOR DESIGN AND ENGINEERING SERVICES ("Agreement") is made and entered into by and between **Williamson County**, a body corporate and politic under the laws of the State of Texas, hereinafter "County", and **Studio 16:19, LLC**, hereinafter "A/E".

R E C I T A L S

County intends to **make improvements to Champion Park (C1) and Southwest Regional Park (C2)**, hereinafter called the "Project"; and

County desires that A/E perform certain professional design and engineering services in connection with the Project; and

A/E represents that it is qualified and desires to perform such services;

NOW, THEREFORE, County and A/E, in consideration of the mutual covenants and agreements herein contained, do mutually agree as follows:

SECTION I

SCOPE OF AGREEMENT

A/E agrees to perform professional design and engineering services in connection with the Project as stated herein, and for having rendered such services, County agrees to pay to A/E compensation as stated in the sections to follow.

SECTION II

CHARACTER AND SCOPE OF SERVICES

A. In consideration of the compensation herein provided, A/E shall perform professional landscape architecture and engineering services for the Project, which are acceptable to County, based on standard landscape architecture and engineering practices and the scope of work described on the Exhibit(s) attached to this Agreement. A/E shall also serve as County's professional landscape architect and engineer in those phases of the Project to which this Agreement applies and will consult with and give advice to County during the performance of A/E's services.

B. A/E shall not commence work until A/E has been thoroughly briefed on the scope of the Project and has been notified in writing to proceed, as evidenced by a Notice to Proceed.

County shall not be responsible for work performed or costs incurred by A/E related to any task for which a Work Authorization or a Supplemental Work Authorization related thereto has not been issued and signed by both parties. A/E shall not be required to perform any work for which a Work Authorization or a Supplemental Work Authorization related thereto has not been issued and signed by both parties.

C. County will provide A/E with all existing plans, maps, studies, reports, field notes, statistics, computations, and other data in its possession relative to existing facilities and to this particular Project at no cost to A/E; however, any and all such information shall remain the property of County and shall be returned, if County so instructs A/E.

D. A/E shall perform the following Basic Scope of Services (sometimes referred to herein as the “Basic Scope of Services”, “Basic Services” or the “Scope of Services”):

1. The Basic Scope of Services shall generally consist of all elements of work, materials and equipment required for the development of the Project, in accordance with the requirements, policies, and general practices of Williamson County.
2. Local, state and federal documents, codes and regulations shall be used in the development of the Project. If the Project occurs outside of a municipality, A/E shall comply with County’s current code adoption document.
3. As part of the Scope of Services, A/E shall submit its work products to County for review at regular intervals and as requested by County.
4. The detailed Scope of Services to be provided by County for the Project is set forth herein as **Exhibit “A”** to this Agreement, and is expressly incorporated and made a part hereof.
5. The detailed Basic Scope of Services for the Project to be provided by A/E is set forth herein as **Exhibit “B”** to this Agreement, and is expressly incorporated and made a part hereof.
6. County will prepare and issue Work Authorizations, in substantially the same form set forth herein as **Exhibit “F”** to this Agreement to authorize A/E to perform one or more Scope Items. Each Work Authorization will include a description of the work to be performed, a description of the tasks and milestones, a work schedule for the tasks, definite review times by County and A/E of all Architectural and Engineering Services and a fee amount agreed upon by County and A/E. The amount payable for a Work Authorization shall be supported by the estimated cost of each work task as described in the Work Authorization. The Work Authorization will not waive A/E's responsibilities and obligations established in this Contract. The executed Work Authorizations shall become part of this Contract.

All work must be completed on or before the date specified in the Work Authorization. A/E shall promptly notify County of any event which will affect completion of the Work Authorization, although such notification shall not relieve A/E from costs or liabilities resulting from delays in completion of the Work Authorization. Should the review times or Planning, Design, and Engineering Services take longer than shown on the Work Authorization, through no fault of A/E, A/E may submit a timely written request for additional time, which shall be subject to the approval of County. Any changes in a Work Authorization shall be enacted by a written Supplemental Work Authorization before additional costs may be incurred. Any Supplemental Work Authorization must be executed by both parties within the period specified in the Work Authorization.

SECTION III

ADDITIONAL SERVICES AND CHARGES

For the performance of the services not specifically described as Basic Services under Section II above (sometimes referred to herein as "Additional Services"), County will pay and A/E shall receive, under a negotiated written contract modification, Additional Services compensation based upon the method and rates set forth **Exhibit "C"**.

A/E shall not, however, be compensated for work made necessary by A/E's negligent errors or omissions. In the event of any dispute over the classification of A/E's services as Basic or Additional Services under this Agreement, the decision of County shall be final and binding on A/E.

It is expressly understood and agreed that A/E shall not furnish any Additional Services without the prior written authorization of County. County shall have no obligation to pay for such Additional Services which have been rendered without the prior written authorization of County by a fully executed Work Authorization.

SECTION IV

TIME FOR PERFORMANCE

A. Time for Performance. A/E agrees to complete the services called for in **Exhibit "B"** in accordance with the Preliminary Work Schedule set forth in **Exhibit "D"** in accordance with the above described Work Authorizations or any Supplemental Work Authorization related thereto.

SECTION V**SUBMITTAL PROCESS AND REVISIONS TO A/E WORK PRODUCT**

A. Submittal Process. A/E's A/E Work Product will be reviewed by County under its applicable technical requirements and procedures, as follows:

1. Reports, plans, surveys, field notes, original drawings, computer tapes, graphic files, tracings, calculations, analyses, reports, specifications, data, sketches and/or schematics prepared by A/E and supporting documents (collectively referred to hereinabove and hereinafter as the "A/E Work Product(s)"), shall be submitted by A/E on or before the dates specified for completion, as set out in the Preliminary Work Schedule set forth in **Exhibit "D"**.
2. Upon receipt of A/E Work Products, the submission shall be checked for completion. "Completion" shall be defined as: all of the required items (as defined by the Scope of Services described herein) have been included in A/E Work Products in compliance with the requirements of this Agreement. The completeness of any A/E Work Product submitted to County will be determined by County within fourteen (14) days of such submittal and County will notify A/E in writing within such time period if such A/E Work Product has been found to be incomplete.
3. If the submission is Complete, County's technical review process will then begin. If the submission is incomplete, County will notify A/E, who shall perform such professional services as are required to complete the work and resubmit it to County within seven (7) days. This process shall be repeated until a submission is complete.
4. Within seven (7) days of determining that a particular A/E Work Product is Complete, County will review the completed work for compliance with the Scope of Work and determine whether or not to accept such A/E Work Product. If necessary, the completed work shall be returned to A/E, who shall perform any required work and resubmit it to County. This process shall be repeated until the work is accepted. "Acceptance" shall mean that in County's opinion substantial compliance with the requirements of this Agreement has been achieved.
5. After Acceptance, A/E shall perform any required modifications, changes, alterations, corrections, redesigns, and additional work necessary to receive final approval by County. "Approval" in this sense shall mean formal recognition that the work has been fully carried out.

B. Revision to A/E Work Product. A/E shall make, without expense to County, such revisions to A/E Work Product as may be required to correct negligent errors or omissions so A/E Work Product meets the needs of County, but after the approval of A/E Work Product any revisions, additions, or other modifications made at County's request which involve extra services and expenses to A/E shall entitle A/E to additional compensation for such extra services and

expenses; provided, however, A/E hereby agrees to perform any necessary corrections to A/E Work Products which are found to be in negligent error or omission as a result of A/E's development of A/E Work Product, at any time, without additional compensation. If it is necessary due to such error or omission by A/E to revise any A/E Work Product in order to make the Project constructible, A/E shall do so without additional compensation. In the event of any dispute over the classification of A/E's Work Products as Complete, Accepted, or Approved under this Agreement, the decision of County Judge shall be final and binding on A/E, subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

C. Days. All references to a "day" in this Agreement shall mean a calendar day unless otherwise specified.

SECTION VI

A/E'S COMPENSATION

For and in consideration of the Basic Services rendered by A/E, County will pay to A/E a lump sum amount of **\$252,145**, hereinafter called the "Lump Sum Amount", plus the amount payable under Section III (Additional Services), provided that any amounts paid or payable shall be solely pursuant to a validly issued Work Authorization or any Supplemental Work Authorization related thereto.

A/E and County acknowledge the fact that the Lump Sum Amount stated above is the total estimated costs of the Basic Services to be rendered under this Agreement. This Lump Sum Amount is based upon the labor and non-labor costs estimated to be required in the performance of the various phases of Basic Services provided for under this Agreement. Compensation for Basic Services will be paid by County by monthly invoices of percentage completion of each Phase and not to exceed lump sum amounts by Phase as set forth in **Exhibit "C"**. Along with invoice, A/E shall submit working documents in any stage of completion to demonstrate incremental progress toward end of Phase submittals, as set forth in **Exhibit "D"**.

SECTION VII

TIME OF PAYMENT; PAYMENT AND INTEREST; AND RIGHT TO AUDIT

A. Time of Payment. During the performance of the Basic Services provided for in this Agreement, as described in **Exhibit "B"**, payments for Basic Services shall be made based upon the milestones completed as described in Section VI. Upon completion of a milestone, A/E shall submit a sworn statement to County detailing the milestone completed and the amount of payment due for achieving the milestone.

During the performance of Additional Services as described in Section III, on or about the last day of each calendar month during the performance of the services to be provided under this Agreement, A/E shall submit a sworn statement to County, along with time sheets detailing hours

worked, receipts detailing expenses incurred and other support documentation, in a form acceptable to the Williamson County Auditor, setting forth the Additional Services provided for by this Agreement which were completed during such calendar month, the compensation which is due which have not been previously billed or paid. In the event the statement includes charges based upon hourly billing rates for services or any other rates based upon the amount of time worked by an individual or individuals in performing services, whether the charges are being billed directly to County or whether they are the basis of invoices from subcontractors for which A/E seeks reimbursement from County, the charges shall be accompanied by an affidavit signed by an officer or principal of A/E certifying that the work was performed, it was authorized by County and that all information contained in the invoice that is being submitted is true and correct.

County will review the statements for both Basic and Additional Services within thirty (30) days of receipt and approve them with such modifications, if any, as it deems appropriate. County will pay each statement within thirty (30) days after County's approval; provided, however, that the approval or payment of any statement shall not be considered to be evidence of performance by A/E to the point indicated by such statement or of receipt or acceptance by County of the services covered by such statement.

B. Interest and Late Payments. County's payment for goods and services shall be governed by Chapter 2251 of the Texas Government Code. Interest charges for any overdue payments shall be paid by County in accordance with Texas Government Code Section 2251.025. More specifically, the rate of interest that shall accrue on a late payment is the rate in effect on September 1 of County's fiscal year in which the payment becomes due. The said rate in effect on September 1 shall be equal to the sum of one percent (1%); and (2) the prime rate published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday.

In the event that an error appears in an invoice/application for payment submitted by A/E, County will notify A/E of the error not later than the twenty first (21st) day after the date County receives the invoice/application for payment. If the error is resolved in favor of A/E, A/E shall be entitled to receive interest on the unpaid balance of the invoice/application for payment submitted by A/E beginning on the date that the payment for the invoice/application for payment became overdue. If the error is resolved in favor of County, A/E shall submit a corrected invoice/application for payment that must be paid in accordance within the time set forth above. The unpaid balance accrues interest as provided by Chapter 2251 of the Texas Government Code if the corrected invoice/application for payment is not paid by the appropriate date.

C. Right to Audit. A/E agrees to maintain, for a period of seven years, detailed records identifying each individual performing the services, the date or dates the services were performed, the applicable hourly rates, the total amount billed for each individual and the total amount billed for all persons, and provide such other details as may be requested by County Auditor for verification purposes. A/E agrees that County or its duly authorized representatives shall, until the expiration of three years after final payment under this Agreement, have access to and the right to examine and photocopy any and all books, documents, papers and records of A/E which are directly pertinent to the services to be performed under this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions. A/E shall retain its records within the

boundaries of Williamson County and further agrees that County shall have access during normal working hours to all necessary A/E facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section. County will give A/E reasonable advance notice of intended audits.

SECTION VIII

SUSPENSION AND TERMINATION

A. Suspension. County may suspend the work at any time for any reason without terminating this Agreement by giving written Notice of Suspension and the work may be reinstated and this Agreement resumed in full force and effect within thirty (30) calendar days of receipt by A/E of written Notice of Reinstatement from County. In the event such suspension of the Project or A/E's services hereunder extends for a period of ninety (90) consecutive calendar days or more, A/E may terminate this Agreement in writing.

If County suspends A/E's Services, the Time for Performance as determined in Section IV, for a Work Authorization or any Supplemental Work Authorization related thereto, shall be extended for a time period equal to the suspension period.

B. Termination. County may terminate this Agreement, any Work Authorization, or Supplemental Work Authorization related thereto at any time by notice in writing to A/E. Upon receipt of such notice, A/E shall discontinue all services in connection with the performance of this Agreement, any Work Authorization, or Supplemental Work Authorization related thereto and shall proceed to cancel promptly all existing orders and contracts insofar as such orders or contracts are chargeable to this Agreement. Within sixty (60) days after receipt of notice of termination, A/E shall submit a statement, showing in detail the services performed under this Agreement, any Work Authorization, or Supplemental Work Authorization related thereto to the date of termination. County will then pay A/E that proportion of the prescribed charges which the services actually performed under this Agreement bear to the total services called for under this Agreement, any Work Authorization, or Supplemental Work Authorization related thereto, less such payments on account of charges as have been previously made. Copies of all completed or partially completed designs, drawings, electronic data files and specifications prepared under this Agreement shall be delivered to County when and if this Agreement is terminated.

SECTION IX

Any notice required to be given under the provisions of this Agreement shall be in writing and shall be duly served when it shall have been deposited, enclosed in a wrapper with the proper postage prepaid thereon, and duly registered or certified, return receipt requested, in a United States Post Office, addressed to County or A/E at the following addresses.
