

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

Williamson County is a federal entitlement community under the U.S. Department of Housing and Urban Development's (HUD) Community Development Block Grant (CDBG) Program. The County is required to prepare an Annual Action Plan to implement its federal CDBG program. The program funding allocation of \$1,596,257 is to be used to successfully support community development and affordable housing efforts in low and moderate income areas throughout the County.

The Williamson County consortium consists of ten participating cities and the unincorporated areas of county. The participating cities included Cedar Park, Coupland, Georgetown, Granger, Hutto, Jarrell, Leander, Liberty Hill, Taylor and Weir.

Williamson County's current Five-Year Consolidated Plan covers 2019-2023. Williamson County CDBG 2020-2021 Annual Action Plan covers the period from October 1, 2020 to September 30, 2021 and is the second Annual Action Plan for the five year period.

The county will allocate \$115,400 (7.2%) to program administration and oversight and \$155,000 (9.7%) to social services. The remaining funds will be allocated to infrastructure and public facilities. All projects are a high priority as identified in the current Consolidated Plan.

- Administration-Program Administration and Oversight \$115,400

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The funded projects were selected to address one or more of the following performance objectives:

- Provide Decent Affordable Housing
- Create Suitable Living Environments
- Create Economic Opportunities

Projects will address one or more of the following performance outcomes:

- Improve Availability/Accessibility
- Improve Affordability
- Improve Sustainability

Project selection is guided by the 2019-2023 funding priorities:

Public Facility and Infrastructure Improvements

- Fund non-housing community development proposals that eliminate a threat to public health and safety to include water/sewer projects, drainage projects, sidewalks, and street improvements.
- Fund public facility improvements that benefit low income households and persons, and persons with special needs to include senior centers, neighborhood facilities, youth centers, homeless facilities, childcare centers, parks and recreational facilities.

Increase Access to Affordable Housing

- Fund activities that expand the supply and improve the condition of housing affordable to lower income households.
- Fund activities that leverage other public and private resources such as Low Income Housing Tax Credit (LIHTC) projects.
- Extend the useful life of existing affordable housing through weatherization, repair, and rehabilitation programs.

Decrease Homelessness

- Provide funds to support shelter operations and transitional housing.
- Provide funding to increase permanent supportive housing opportunities and work to create a stronger network of providers of supportive and mainstream services to homeless clients.

Public Services

- Fund projects that provide supportive services to low- and moderate-income household as well as persons with special needs.
- Support efforts to develop a regional social service collaborative to coordinate the work of social service organizations, disseminate information, and eliminate duplication of effort.

Affirmatively Further Fair Housing

- Support improved access to community resources.
- Continue to operate in compliance with protected class definitions found in federal regulations.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The Williamson County CDBG Program identified priorities and needs during the 2019-2023 Consolidated Planning Process, which is utilized in identifying projects to be funded. The Williamson County CDBG program is currently utilizing funds allocated to projects that are in line with current priorities. These projects are monitored as they are being implemented as to ensure progress and eligible spending.

The county did not meet the required timeliness ratio in August 2019 as mandated by HUD. However, the county anticipates meeting the required ratio in 2020.

A summary of past performance is reported in the attached document “Past Performance Evaluation”. Information was taken from the county’s most recently completed Consolidated Annual Performance Evaluation Report for fiscal year 2018 and submitted to HUD.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The CDBG citizen participation plan indicates that all federal regulations regarding public comment periods and participation will be followed by the Williamson County CDBG Office. The CDBG Office encourages the public to review documents concerning the CDBG program and provide feedback when desired and needed. Representatives of participating cities, County Commissioners, and other

stakeholders were notified of funding and information was posted on the Williamson County web site at www.wilco.org. Notification was also posted in local newspapers. Notices were published in both English and Spanish. A public hearing was held on March 17, 2020 to gather input regarding the CDBG program and potential projects.

Project funding was approved by the Williamson County Commissioners' Court on July 21, 2020. The FY20 Annual Action Plan was made available for public comment July 24, 2020-August 2, 2020 on the Williamson County website. An announcement of the comment period was published in local newspapers and on the County website. The final draft, along with any public comments was presented to the Williamson County Commissioners Court on August 4, 2020.

Williamson County amended their Citizen Participation Plan to include policies for citizen participation during emergencies and disasters.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

No comments were received during the process.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments received are considered and accepted.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

The Williamson County CDBG Office is the lead agency in implementing the Annual Plan. The CDBG Administrator works closely with local social service agencies and other county agencies and committees to meet the needs of LMI residents. County officials were also notified of the funding allocation.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

Williamson County is a member of the Analysis of Impediments to Fair Housing Regional Working Group. The group meets with other local non-profits and social service agencies to discuss the needs of homeless and those at-risk of becoming homeless. The goals of this group are to form a homeless coalition and attempt to find resources to fill the gaps within the community regarding homeless and at-risk homeless. Agencies include food pantries, mental health agencies, neighboring local units of government, housing agencies, local and neighboring housing authorities, local not for profit health clinics, and Texas Homeless Network staff.

Currently, the County does not have projects that generate lead based paint concerns. If such an activity should be presented to the County, an appropriate policy would be developed. Calls from residents regarding affordable housing options are directed to the local public housing authorities in Austin, Georgetown, Taylor, Granger and Round Rock. Those looking for assistance are also encouraged to contact the Capital Area Housing Finance Corporation to discuss affordable housing options and home buyers assistance.

Williamson County has a community resources website that allows people to search online for needed resources such as health care, mental health services, housing, food, and other community resources. The Williamson County Community Resources website is designed to empower residents with information about resources in the area so that they can connect with available services. The site is www.wilco.org/communityresources.

At this time, the county does not coordinate with corrections programs and institutions.

All agency types are encouraged to participate in the Williamson County CDBG program.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The County does not receive ESG funds.

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

The CDBG citizen participation plan indicates that all federal regulations regarding public comment periods and participation will be followed by the Williamson County CDBG Office. The CDBG Office encourages the public to review documents concerning the CDBG program and provide feedback when desired and needed. Representatives of participating cities, County Commissioners, and other stakeholders were notified of funding and information was posted on the Williamson County web site at www.wilco.org. Notification was also posted in local newspapers. Notices were published in both English and Spanish. A public hearing was held on March 17, 2020 to gather input regarding the CDBG program and potential projects.

Participating cities and agencies are encouraged to submit applications to the Williamson County CDBG office for projects that meet the priorities and goals outlined in the Consolidated Plan. Project applications are determined via the use of comprehensive plans, public input and/or city staff/management. During the planning process, cities may hold public input meetings as well post information for review by the public. County Commissioners receive input from constituents and discuss potential projects with the CDBG Administrator. The CDBG Administrator guides potential applicants in the application process and is available to meet to discuss processes, projects and funding.

The project proposal was approved by the Williamson County Commissioners Court on July 21, 2020. Annual Action Plan was made available for public comment at www.wilco.org/cdbg. No comments were received.

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

Williamson County was awarded \$1,596,257. The level of annual funding is expected to remain similar for the remainder of the Five Year Consolidated Plan.

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	1,596,257	0	0	1,596,257	4,788,771	This is an estimated allocation based on historical allocations. The expected amount for the remainder of the Con Plan assumes the same allocation in each subsequent year.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how

matching requirements will be satisfied

The nonprofit organizations funded have additional financial capacity through foundations and fundraising campaigns. Federal funds provide these organizations with the opportunity to expand their services to benefit more low- and moderate-income persons.

There are no federal or local matching requirements for the CDBG grant. However, the county encourages projects to provide match funds if available.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Williamson County does not intend to utilize publicly owned land or property to address the needs identified in this plan.

AP-35 Projects – 91.220(d)

Introduction

The following table provides the names of the projects funded for FY 2020 utilizing CDBG funds. If a funded project has cost savings, slows down or discovers a barrier to being completed, an alternate project from the current Annual Action Plan may be selected to continue the timely spending of grant funds. Please refer to the Appendix for a list and description of alternate projects.

Williamson County was awarded \$1,596,257 in FY20.

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Allocation priorities were based upon the Needs Assessment undertaken as part of the planning process and demand for projects and services in the past. The primary obstacle to addressing underserved needs is the limited resources available to address such needs throughout the County. The County encourages CDBG applicants to seek other resources from other public and private entities in an effort to leverage the limited amount of CDBG funds available.

Projects descriptions and specific allocations are found in the appendices of this document.

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Projects are determined by the area low mod percent or by individual assistance. Projects will be located in Granger, Georgetown, Jarrell, Taylor, Hutto, and in the unincorporated areas of the county.

Distribution is as follows:

Granger 26.3%

Georgetown 20.3%

Jarrell 22.2%

Taylor 9.2%

Hutto 1.2%

Rationale for the priorities for allocating investments geographically

Williamson County will use CDBG funds throughout the jurisdiction to serve low and moderate-income persons and households. The county does not prioritize allocations geographically, but rather based on need. All projects either serve low-mod income individuals, households or areas based on census tract

data or survey.

Discussion

Williamson County does not have identified designated target areas for the FY20 Action Plan.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

The county will use FY20 CDBG funds to assist with the Georgetown Home Repair Program and the Habitat for Humanity Home Repair program. Funds will also be used to improve the Granger Housing Authority the Hope Alliance Domestic Violence Shelter. In addition, Habitat for Humanity and Georgetown will partner to create 6-12 affordable homes in the 21st Street area of Georgetown.

Bluebonnet Trails and Hope Alliance will manage two housing assistance programs.

Projects to be funded as follows:

Georgetown Home Repair \$75,000

Habitat Home Repair \$75,000

Granger Housing Authority \$46,498

Hope Alliance \$22,134

Georgetown/Habitat \$230,500

AP-60 Public Housing – 91.220(h)

Introduction

Low-income residents largely depend on local housing authorities for access to affordable housing and related services. The purpose of public housing authorities (PHA) is to ensure safe, decent, affordable housing and to create opportunities for resident's self-sufficiency and economic independence.

The Georgetown Public Housing Authority manages Shady Oaks Apartments and Stonehaven Apartments. The Shady Oaks Apartments are Section 8 and offer 60 duplex apartments to qualified residents. The Stonehaven Apartments are public housing and offer 158 housing units to qualified residents. The Georgetown Housing Authority also manages a Section 8 (Housing Choice Voucher) program.

The Taylor Housing Authority owns and manages the Mary Olson property and the Avery property. These properties are public housing facilities and offer 46 units and 70 units respectively. The Taylor Housing Authority also administers a Section 8 Housing Choice Voucher program that assists approximately 142 families. The Voucher program is a rental subsidy program where families choose where they want to live (based on certain stipulations) and the rental subsidy is paid to the landlord.

The Granger Housing Authority operates and manages 26 units available to qualified residents.

As public housing facilities age, investment are needed to maintain and improve the buildings and units to preserve and maintain safe, decent, affordable housing for the County's most vulnerable residents. This section discusses actions taken to address the needs of public housing residents and the units in which they reside.

Actions planned during the next year to address the needs to public housing

During FY 2020, Williamson County will fund the following:

- Funding to Granger Housing Authority (\$46,498) to weatherize 10 units through window replacement. Units are 2-3 bedroom units and will serve low-mod income families.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

Georgetown Housing Authority (GHA) offers various services to residents in an effort to improve their living environment. Services include classes and activities for families such as nutrition and health classes; exercise groups; medical, hearing and prescription medicine screenings; defensive driving; financial literacy as well as classes about protection from identity fraud/theft. Computer labs and tutors

are available to residents for job search activities, resume building, and personal use.

GHA offers the Family Self-Sufficiency (FSS) Program, a HUD program that encourages communities to develop local strategies to help families obtain employment that will lead to economic independence and self-sufficiency. In partnership with welfare agencies, schools, businesses, and other local partners, GHA has developed a comprehensive program that gives participating FSS family members the skills and experience to assist them in obtaining employment that pays a living wage and focus on self-sufficiency.

The Resident Opportunities and Self-Sufficiency (ROSS) program is another essential service provided through GHA. This program allows residents to receive one-on-one assistance and support from a ROSS Coordinator to identify goals and current needs and to find free or low-cost resources to assist residents in achieving their goals.

The Taylor Housing Authority was awarded \$100,000 in FY16 CDBG funds for their Home Ownership Program to assist income eligible families with purchasing a home. The down payment assistance available to families was increased in an effort to make home purchases affordable to income qualified households.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

None of the PHAs in Williamson County are designated as troubled.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The following section outlines Williamson County's goals and actions for the year in ending homelessness.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Williamson County will fund FY20 CDBG funds to Bluebonnet Trails (\$50,000). The project will provide Housing First services that assist people in securing permanent housing and achieve housing stability, without preconditions or barriers as a prerequisite for housing. Focus will be on the housing needs of people that are homeless by connecting with local housing authorities, applying for Section 8 or Section 811, finding available rental units and negotiating with property managers. Housing First will also help individuals access employment, psychiatric and primary healthcare, veteran and peer support services, access community resources and apply for Social Security benefits and other benefits such as Supplemental Nutrition Assistance Program (SNAP), as needed. Project anticipates assisting 20 homeless individuals.

The County will also fund Hope Alliance (\$35,000). The project will offer financial assistance to survivors of domestic violence participating in other life-saving services offered by Hope Alliance. Assistance would be provided in the form of monies paid directly to landlords and utility companies. Financial assistance would be provided for items such as deposits, rent, and utilities.

This assistance will allow survivors to remain in their current safe housing or obtain new housing after fleeing from unsafe, abusive, and violent environments. Project anticipated to assist 150 victims of domestic violence.

The County participated in the Central Texas Fair Housing consortium. The full report can be found at <https://www.wilco.org/cdbg>.

The Central Texas Fair Housing consortium developed a regional Analysis of impediments to Fair Housing. The Analysis of Impediments to Fair Housing Choice, or AI, is a planning process for local governments and public housing agencies (PHAs) to take meaningful actions to overcome historic patterns of segregation, promote fair housing choice, and foster inclusive communities that are free from discrimination. This study was conducted for the Central Texas Region in

2018 and 2019 as a joint effort among the following entities:

- The City of Austin
- The Housing Authority of the City of Austin
- The Georgetown Housing Authority
- The City of Pflugerville
- The City of Round Rock
- The Round Rock Housing Authority
- The Taylor Housing Authority
- Travis County
- The Housing Authority of Travis County
- Williamson County

Addressing the emergency shelter and transitional housing needs of homeless persons

Because Williamson County will be funding wraparound social services offered by service providers working with persons experiencing homelessness, the service providers are able to leverage their resources to provide emergency shelter to help meet the housing needs of homeless persons. Williamson County has allocated to the following social services; \$20,000 Hutto Resource Center Food Pantry, \$20,000 Helping Hands of Georgetown Food Pantry, \$30,000 to Interagency Support Council of Eastern Williamson County, \$35,000 to Williamson County Crisis Center dba Hope Alliance, and \$50,000 to Bluebonnet Trails Community MHMR Center. Williamson County is not directly increasing the number of emergency shelter beds but rather is funding the supportive services utilized by persons accessing emergency and transitional housing.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Williamson County will fund FY20 CDBG funds to Bluebonnet Trails (\$50,000). The project will provide Housing First services that assist people in securing permanent housing and achieve housing stability, without preconditions or barriers as a prerequisite for housing. Focus will be on the housing needs of people that are homeless by connecting with local housing authorities, applying for Section 8 or Section 811, finding available rental units and negotiating with property managers. Housing First will also help individuals access employment, psychiatric and primary healthcare, veteran and peer support services, access community resources and apply for Social Security benefits and other benefits such as Supplemental Nutrition Assistance Program (SNAP), as needed. Project anticipates assisting 20 homeless

individuals.

The County will also fund Hope Alliance (\$35,000). The project will offer financial assistance to survivors of domestic violence participating in other life-saving services offered by Hope Alliance. Assistance would be provided in the form of monies paid directly to landlords and utility companies. Financial assistance would be provided for items such as deposits, rent, and utilities.

This assistance will allow survivors to remain in their current safe housing or obtain new housing after fleeing from unsafe, abusive, and violent environments. Project anticipated to assist 150 victims of domestic violence.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Because Williamson County will be funding wraparound social services offered by service providers working with persons experiencing homelessness, the service providers are able to leverage their resources to provide emergency shelter to help meet the housing needs of homeless persons. Williamson County has allocated to the following social services; \$20,000 Hutto Resource Center Food Pantry, \$20,000 Helping Hands of Georgetown Food Pantry, \$30,000 to Interagency Support Council of Eastern Williamson County, \$35,000 to Williamson County Crisis Center dba Hope Alliance, and \$50,000 to Bluebonnet Trails Community MHMR Center. Williamson County is not directly increasing the number of emergency shelter beds but rather is funding the supportive services utilized by persons accessing emergency and transitional housing.

Discussion

The CDBG Program Administrator participates in the Williamson County Homeless Coalition. The coalition is made up of local organizations who assist the homeless. The group is meeting to discuss how better to address the homeless population in Williamson County.

The Balance of State CoC works to ensure that homeless individuals make the transition to permanent housing and independent living, is prioritizing safe and stable housing and making affordable housing options more accessible to homeless individuals. Many homeless that struggle to transition into permanent housing and independent living suffer from mental illness and substance addiction. Recent trends through the Homeless Prevention and Rapid Re-housing program and Housing First model

prioritize placing homeless individuals and families in permanent housing quickly, and then linking them to supportive services in the community. Williamson County continues to support local organizations, such as the Georgetown Project to assist homeless youth with transitional and permanent housing. This is done through Williamson County Juvenile Services.

Williamson Burnet County Opportunities (WBCO) provides services such emergency assistance, headstart, case management to transition out of poverty, adult education program for job skills, and rapid re-housing program.

Williamson County Mobile Outreach Team assists local law enforcement with individuals who are in a crisis. They work with health-care facilities, mental health facilities, corrections programs and institutions to ensure that individuals obtain the care they need. They also provide medications and temporary housing as needed and as funds allow.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

This section describes some of the primary challenges to development of affordable housing.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Habitat for Humanity (Habitat) is the only nonprofit housing developer in Williamson County. Habitat must look for low-cost land as high taxes and insurance make much of the land cost prohibitive. Even with Homestead caps, valuations are increasing and hurting mortgage affordability while low-cost land is increasingly difficult to find. It is a priority of Williamson County to acquire land for affordable housing. Stakeholders discussed that development and zoning ordinances make it difficult to develop affordable housing units.

The City of Georgetown and Habitat for Humanity are partnering together to develop 6-12 workforce units located on West 21st Street in Georgetown TX.

Discussion:

AP-85 Other Actions – 91.220(k)

Introduction:

Actions planned to address obstacles to meeting underserved needs

The primary impediment to Williamson County's ability to meet underserved needs is limited availability of funding to address identified priorities; the need exceeds the availability of resources. The County will continue to seek public and private resources to leverage its entitlement funds in assisting with implementation of policies and programs.

Actions planned to foster and maintain affordable housing

Williamson County is committed to fostering and maintaining affordable housing. FY20 CDBG funds have been awarded to following projects to improve or create additional affordable housing:

Granger Water System Improvements \$373,925

Project to include 35 isolation water valves to reduce the need to shut down the city's water supply due to maintenance/repair efforts.

Habitat for Humanity/Georgetown 21st Street Project \$230,500

Site development engineering, infrastructure and architectural design and construction documents for the development of 6-12 for sale workforce units developed at 502 W. 21st Street, Georgetown TX.

Jarrell Water System Improvements \$355,520

Installation of approximately 2400 feet of 12" water line including valves, fittings and fire hydrants. Work to be completed on East Avenue A, between North 2nd Street and North 10th Street in Jarrell TX.

Granger Housing Authority Rehab \$46,498

Weatherization through window replacement in approximately 10 units that are 2-3 bedrooms.

City of Georgetown Home Repair Program \$75,000

Project will assist approximately fifteen eligible homeowners who are in need of home repairs within Georgetown city limits. Homeowners will meet CDBG defined income qualifications. The program will be administered by Habitat for Humanity of Williamson County. Home repairs can include, but are not limited to, roofing, siding, weatherization (windows), energy efficiency/conservation (plumbing,

electrical), accessibility and/or safety.

Habitat for Humanity of Williamson County Home Repair Program \$75,000

Project will assist approximately ten eligible homeowners who are in need of home repairs within CDBG participating cities or the unincorporated areas of the County. Homeowners will meet CDBG defined income qualifications. Home repairs can include, but are not limited to, roofing, siding, weatherization (windows), energy efficiency/conservation (plumbing, electrical), accessibility and/or safety.

Actions planned to reduce lead-based paint hazards

Williamson County will continue to support the efforts of the Williamson County and Cities Health Districts to address lead based paint (LBP) hazards. The County will also continue to notify CDBG sub-recipients of LBP requirements and ensure compliance with CDBG requirements.

Williamson County's CDBG policies and procedures comply with the federal lead-based paint regulations at 24 CFR Part 35.

In accordance with lead-based paint requirements, the County will incorporate the following factors to refine and narrow the communities that are at highest risk with lead-based paint hazards as related to housing rehabilitation activities:

- Age of housing (pre-1978 housing units)
- Condition of housing
- Tenure and poverty levels
- Presence of young children
- Presence of lead poisoning cases

All contractors, sub-recipients, and other community partners are advised of the lead-based paint regulations. Additionally, the County's CDBG Office will continue to distribute information and literature

on lead hazards to households who may be at risk of exposure.

Actions planned to reduce the number of poverty-level families

Williamson County will fund FY20 CDBG funds to Bluebonnet Trails (\$50,000). The project will provide Housing First services that assist people in securing permanent housing and achieve housing stability, without preconditions or barriers as a prerequisite for housing. Focus will be on the housing needs of people that are homeless by connecting with local housing authorities, applying for Section 8 or Section 811, finding available rental units and negotiating with property managers. Housing First will also help individuals access employment, psychiatric and primary healthcare, veteran and peer support services, access community resources and apply for Social Security benefits and other benefits such as Supplemental Nutrition Assistance Program (SNAP), as needed. Project anticipates assisting 20 homeless individuals.

The County will also fund Hope Alliance (\$35,000). The project will offer financial assistance to survivors of domestic violence participating in other life-saving services offered by Hope Alliance. Assistance would be provided in the form of monies paid directly to landlords and utility companies. Financial assistance would be provided for items such as deposits, rent, and utilities.

This assistance will allow survivors to remain in their current safe housing or obtain new housing after fleeing from unsafe, abusive, and violent environments. Project anticipated to assist 150 victims of domestic violence.

Actions planned to develop institutional structure

Because Williamson County has relationships with public housing authorities and agencies such as Habitat for Humanity and Hope Alliance, there are opportunities for continued dialogue and support for advancement of institutional structure. Additionally, as a sub-recipient of CDBG funds, the receiving entities must maintain a high level of reporting which requires a strong institutional structure. Williamson County will provide technical assistance as needed to ensure that sub-recipients are in compliance with CDBG regulations.

Actions planned to enhance coordination between public and private housing and social service agencies

Williamson County will continue to support and encourage efforts of the four public housing authorities and agencies such as Habitat for Humanity to collaborate to increase and preserve the number of affordable housing units. Williamson County will also encourage public housing authorities to offer services to residents in financial literacy and planning and to encourage residents to participate in

programs designed to increase self-sufficiency.
