

Online Employee Virtual Health Fair

"Healthy Employees Make for Healthy Business."

About US

Health Fairs Plus has been in operation since 2002 and is based in Haymarket VA just outside of Washington, DC. Our programs allow us to provide efficient and effective services anywhere you have employees. In 2019, we helped coordinate over 500 employee wellness programs and we look forward to growing again in 2020.

Our goal is to make use of the most innovative corporate wellness options available to keep employee health up and corporate healthcare costs down. Our online tools and resources allow us to provide programs nationwide while our database of local health and wellness professionals makes it possible to keep a local feel to your programs. From online wellness to onsite programs, Health Fairs Plus has become the single go-to resource for employee wellness.

Virtual Health Fair

Health Fairs Plus offers a complete online health and benefits fair program through its Employee Wellness Hub

Key Features Include:

- Custom URL for your organization to promote
- Home page with your logo and colors
- Mobile friendly site for use on computers, laptops, tablets, and cell phone browsers
- One-on-one video chats with live health professionals
- One-on-one video chats with benefit providers and HR
- Small group fitness and wellbeing classes
- Online sign up for consultations and classes
- Learning Library
- Upload benefits documents for employees to view and download
- One day challenges, games, and quizzes to help employee engagement.
- Attendance tracking and participation tracking for events and challenges

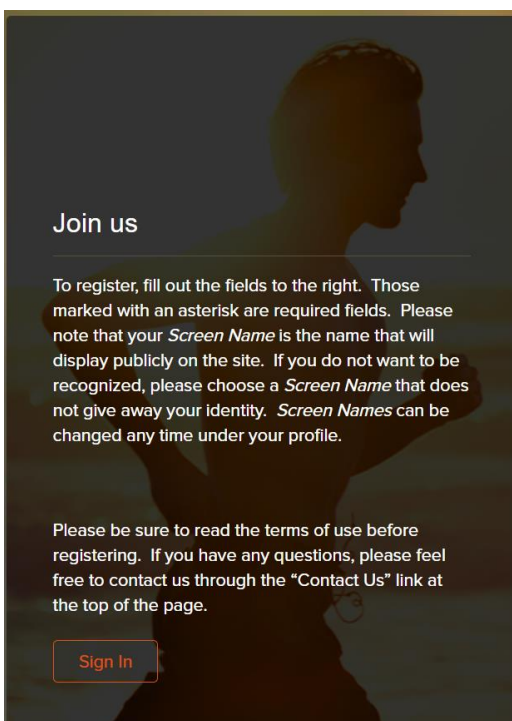

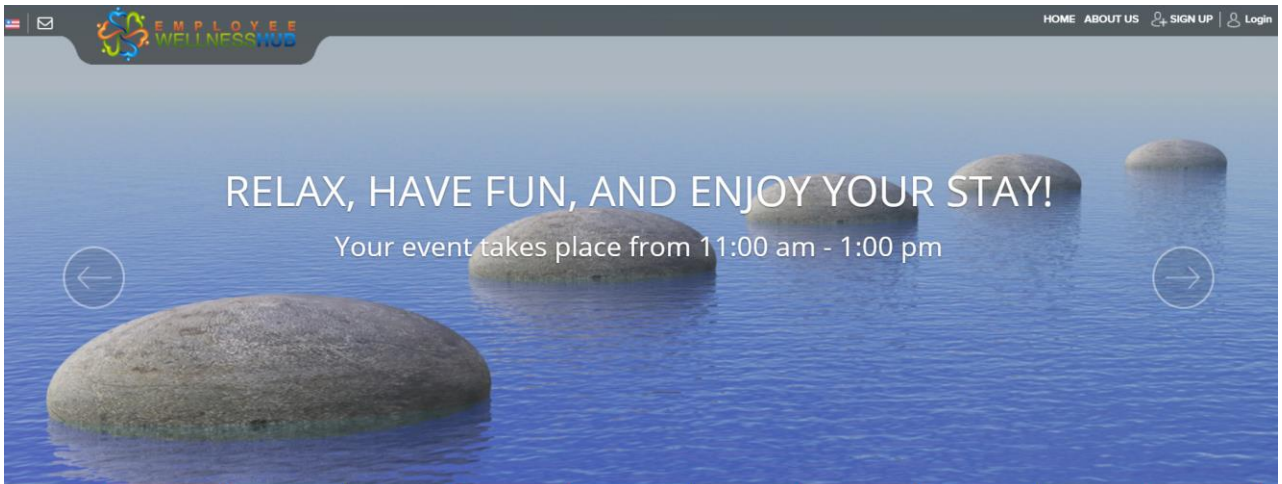

Our wellness platform is the ideal single go-to platform for any wellness initiative. The custom challenges, educational components, and health tracking features can be used separately or combine with a health fair for real time motivation and health improvement.

****Free Online Demos For Clients**

How to Register

Registration is easy. Employees can sign up from their computer, tablet, touch screen or cell phone

No personal health or personal identifying information is required beyond first and last name. Employees can create a screen name to show publicly while participating in an event.
