

**HEALTH AND HUMAN SERVICES COMMISSION
CONTRACT NO. HHS000563100001
AMENDMENT NO. 1**

The Health and Human Services Commission ("HHSC" or "System Agency") and **WILLIAMSON COUNTY** ("Grantee"), each a "Party" and collectively the "Parties," entered to the Opioid Emergency Response Pilot Project Services Contract ("Contract") effective November 15, 2019, and denominated HHSC Contract No. HHS000563100001, and now desire to amend the Contract.

WHEREAS, the Parties desire to extend the Contract to December 31, 2020, allocate additional funding, and revise attachments.

NOW, THEREFORE, the Parties hereby amend and supplement the Contract as follows:

1. This Amendment shall be effective upon September 30, 2020, provided it is signed below by all Parties on or before said date.
2. The Contract term is revised to terminate on December 31, 2020.
3. This Amendment adds funding in Fiscal Year 2021 in the amount of **\$166,667.00** for the term of September 30, 2020, through December 31, 2020.
4. The Total Contract Value increases to **SIX HUNDRED SIXTY-SIX THOUSAND SIX HUNDRED SIXTY-SEVEN DOLLARS (\$666,667.00)**.
5. "Attachment A, Statement of Work," is replaced by "Attachment A-1, Revised Statement of Work (Revised September 2020)," which makes the following changes to "Attachment A, Statement of Work":

- (1) Replaces all of the content in Section "**I. PURPOSE**" with the following:

The purpose of this program is to reduce opioid and stimulant overdose death and improve access to opioid and stimulant response services through partnership with Emergency Medical Services programs. Grantee will establish and provide oversight for a single-site integrated Emergency Medical Services (EMS) Opioid Response program.

EMS Opioid Response programs combine prevention, treatment, and recovery support strategies with a primary focus on reducing overdose death. EMS Opioid Response programs implement programming using four key strategies: provide overdose reversal education and disseminate opioid overdose reversal medication; provide induction onto U.S. Food and Drug Administration approved medications used to treat opioid use disorder and link patients to ongoing care; provide peer recovery support services; and provide community pre-hospital health care provider follow-up and support.

(2) Replaces all of the content in Section “**I. GOALS**” with the following:

1. To prevent opioid and stimulant overdose death and increase access to opioid and stimulant treatment and recovery services.
 - A. Achieve a target rate of 25 persons served per month when program is fully operational.
 - B. Each EMS site will achieve 30% patient engagement on medication-assisted treatment longer than 30 calendar days.

(3) Replaces all of the content in Section “**I. TARGET POPULATION**” with the following:

The primary population is all Texas residents at risk for opioid and stimulant overdose.

(4) Replaces entirely subsections “A.1., A.2., and A.3.” of Section “**II. GRANTEE RESPONSIBILITIES**” with the following:

- A. Grantee will provide integrated opioid and stimulant response prevention, treatment, and recovery services and activities:
 1. to the target populations approved by the System Agency;
 2. as approved by HHSC.
 3. The EMS provider site must be actively serving persons within the target population following the date of the interagency contract agreement execution.

(5) Replaces entirely subsections “B.1.a., B.1.b., B.1.c., and B.1.d.” of Section “**II. GRANTEE RESPONSIBILITIES**” with the following:

- a. Coordinate Health and Human Services Commission (HHSC) approved overdose prevention education trainings for the participating EMS site. Require a minimum of 25% of clinic staff attend this training within three (3) months of project start date and 75% of staff receive training within three (3) months of project start date.
Deliverable: Submit a report that details the number of attendees, pre and post surveys, as well as attendee profession type by the 15th of the third month. This report will be labeled as Overdose Prevention Training Report.
- b. Host at least one (1) SYSTEM AGENCY approved overdose prevention community education training prior to the third month of project start.
Deliverable: Submit a report that includes participant demographic information and pre and post surveys on or before the 15th day of the third month.
- c. Provide and track overdose prevention education/training to a minimum of 25% of patients, partners, and supportive allies.

Deliverable: Submit monthly reports documenting provision of overdose prevention education/training including demographic information in a SYSTEM AGENCY-agency approved format due on the 15th of the following month.

- d. Purchase and make available for distribution, supplies that aid in reducing opioid overdose risk including but not limited to overdose reversal kits that include overdose reversal medications. These materials should be made available concurrent with individual and group overdose prevention education and upon patient, partner, supportive ally request. Fentanyl testing supplies may not be purchased.

Deliverable: Submit SYSTEM AGENCY approved opioid overdose reversal application and documentation methods to track both provision of overdose reversal medication and overdose reversals and will be due on the 15th of the following month.

- (6) Replaces entirely subsections “C.1., C.2., C.3., and C4.” of Section “**II. GRANTEE RESPONSIBILITIES**” with the following:

1. Designate prescriber(s) of buprenorphine for the treatment of Opioid Use Disorder (OUD), and to ensure the designated provider(s) prescribing physician, nurse practitioners, and/or physician assistants participate in DATA 2000 Waiver Training and obtain the waiver to prescribe provide buprenorphine for the treatment of opioid use disorder for each designated prescriber at the EMS sites within 30 calendar days of contract execution.

Deliverable: Submit a report that lists waived prescribing practitioners 45 calendar days from contract start date.

2. Require each of the participating EMS sites to have two (2) mentors per site, an EMS Opioid Response pilot site mentor, and a Office Based Opioid Treatment (OBOT) mentor. An ongoing participation in a SYSTEM AGENCY-approved peer mentorship program by both an EMS Opioid Response pilot program and an OBOT provider is required by each site.

Deliverable: Submit monthly documentation of peer mentorship activities due on the 15th of the following month.

3. Provide universal screening for opioid and stimulant use disorder.

Deliverable: Submit documentation of each clinic’s policy requiring universal screening for opioid and stimulant use disorder and shall submit a copy of the screening tool within 30 calendar days of contract execution, and monthly patient screening reports in a SYSTEM AGENCY-approved format due on the 15th of the following month.

Establish Memorandum of Agreement (MOA)s with local Outreach Screening Assessment and Referral providers to facilitate admission into

ongoing Medication Assisted Treatment. MOAs must be made available upon request.

4. Within 24 hours of identification of a patient with OUD, make available through a process of informed consent, induction onto buprenorphine for uninsured and under-insured patients with a diagnosis of opioid use disorder.

Deliverable: Submit documentation of each EMS site's diversion control policy, the informed consent form, and patient engagement and retention policies within 30 calendar days of contract execution. Submit monthly patient induction reports including individualized plans for long term care and referrals in a SYSTEM AGENCY-approved format due on the 15th of the following month.

- (7) Replaces entirely subsection "D. Peer Recovery Support" of Section "II. GRANTEE RESPONSIBILITIES" with the following:

Peer Recovery Support – Through shared understanding, respect, and mutual empowerment, peer support workers help people become and stay engaged in the recovery process and reduce the likelihood of reoccurrence. Peer support services can effectively extend the reach of treatment beyond the clinical setting into the everyday environment of those seeking a successful, sustained recovery process. This strategy integrates peer recovery support into a traditional primary care environment. Grant will:

1. Coordinate SYSTEM AGENCY approved recovery support education and training. Require a minimum of 25% of clinic staff attend this training within three (3) months of project start date and 75% of staff receive training within three (3) months of contract execution.

Deliverable: Submit a report during the third month of the project that details number of attendees, pre and post surveys, as well as attendee profession. This report will be labeled as Recovery Support Education and Training Report.

2. Contract with or staff certified peer recovery coaches. Recovery coaches must be available on an on-call basis to provide peer recovery support services for patients for a minimum of eight (8) consecutive days after identification or induction and then once a week thereafter.

Deliverable: Submit a monthly patient engagement and retention report in a SYSTEM AGENCY-approved format due on the 15th of the following month. This report shall be labeled as Monthly Recovery Support Engagement and Retention Report.

- (8) Replaces entirely subsection “E. Community Paramedicine Follow-up and Support” of Section “**II. GRANTEE RESPONSIBILITIES**” with the following:

EMS Community Paramedicine Follow-up and Support – incorporates community paramedicine, a healthcare model that allows paramedics and EMTs to expand their role to provide non-crisis public health and preventive healthcare services. Grantee will:

1. Require that all patients identified as being at risk for opioid and stimulant overdose or opioid and stimulant use disorder receive follow-up and support by Paramedics and EMT’s, to address any co-occurring opioid and stimulant use disorder and primary healthcare issues. Paramedics and EMTs must be available to provide primary care consultation and support services for patients for a minimum of eight (8) consecutive days after identification or induction and then once a week thereafter. A follow up includes making contact with the patient and providing any of the following: health and wellness screening and/or assessment, referral to services, listening to patient concerns and answering questions.

Deliverable: Submit a monthly patient engagement and retention report in a SYSTEM AGENCY-approved format due on the 15th of the following month. This report shall be labeled as Patient Engagement and Retention Report.

Replaces entirely Section “**III. REPORTING REQUIREMENTS**” with the following:

- (9) Grantee will submit all deliverables identified in Attachment A by the due dates specified by the System Agency. Grantee will submit documents to the designated substance abuse mailbox SubstanceAbuse.Contracts@hhsc.state.tx.us and ttor@hhsc.state.tx.us and to the assigned contract manager, unless otherwise noted. Grantee’s duty to submit required documents will survive the termination or expiration of this Contract. Grantee will:

1. Note all communication to the SubstanceAbuse.Contracts@hhsc.state.tx.us mailbox must include Grantee’s Contract Number, legal entity name, and purpose in the email subject line.
2. Submit monthly invoices in CMBHS for utilization of funds to support the activities within the Attachment A due no later than the 15th of the following month. The monthly invoice shall represent the activities conducted in the previous month. All supportive documents supporting the invoices shall be submitted to the assigned contract manager and the Substance Abuse Contract Mailbox: SubstanceAbuse.Contracts@hhsc.state.tx.us.

3. Submit Financial Status Reports (FSRs) in CMBHS by the last business day of the month following the end of each quarter of the contract term. The final FSR is due within 45 days after Contract end date.

4. Reporting Table Outlined Below:

Requirement	Due Date	Report

I. PURPOSE

The purpose of this program is to reduce opioid and stimulant overdose death and improve access to opioid and stimulant response services through partnership with Emergency Medical Services programs. Grantee will establish and provide oversight for a single-site integrated Emergency Medical Services (EMS) Opioid Response program.

EMS Opioid Response programs combine prevention, treatment, and recovery support strategies with a primary focus on reducing overdose death. EMS Opioid Response programs implement programming using four key strategies: provide overdose reversal education and disseminate opioid overdose reversal medication; provide induction onto U.S. Food and Drug Administration approved medications used to treat opioid use disorder and link patients to ongoing care; provide peer recovery support services; and provide community pre-hospital health care provider follow-up and support.

GOALS

1. To prevent opioid and stimulant overdose death and increase access to opioid and stimulant treatment and recovery services.
 - A. Achieve a target rate of 25 persons served per month when program is fully operational.
 - B. Each EMS site will achieve 30% patient engagement on medication-assisted treatment longer than 30 calendar days.

TARGET POPULATION

The primary population is all Texas residents at risk for opioid and stimulant overdose.

II. GRANTEE RESPONSIBILITIES

1. PROGRAM IMPLEMENTATION

- A. Grantee will provide integrated opioid and stimulant response prevention, treatment, and recovery services and activities:
 - a. to the target populations approved by the System Agency;
 - b. as approved by HHSC.
 - c. The EMS provider site must be actively serving persons within the target population following the date of the interagency contract agreement execution.
- B. EMS Opioid Response program grantee will utilize four (4) basic strategies to provide integrated and collaborative opioid response services:
 - a. **Overdose Prevention Education and Naloxone** - This strategy provides education to patients, family, friends and supportive allies on how to recognize and respond to an overdose event and provides access to opioid overdose reversal medications. Grantee will:

1. Coordinate Health and Human Services Commission (HHSC) approved overdose prevention education trainings for the participating EMS site. Require a minimum of 25% of clinic staff attend this training within three (3) months of project start date and 75% of staff receive training within three (3) months of project start date.
Deliverable: Submit a report that details the number of attendees, pre and post surveys, as well as attendee profession type by the 15th of the third month. This report will be labeled as Overdose Prevention Training Report.
 2. Host at least one (1) SYSTEM AGENCY approved overdose prevention community education training prior to the third month of project start.
Deliverable: Submit a report that includes participant demographic information and pre and post surveys on or before the 15th day of the third month.
 3. Provide and track overdose prevention education/training to a minimum of 25% of patients, partners, and supportive allies.
Deliverable: Submit monthly reports documenting provision of overdose prevention education/training including demographic information in a SYSTEM AGENCY-agency approved format due on the 15th of the following month.
 4. Purchase and make available for distribution, supplies that aid in reducing opioid overdose risk including but not limited to overdose reversal kits that include overdose reversal medications. These materials should be made available concurrent with individual and group overdose prevention education and upon patient, partner, supportive ally request. Fentanyl testing supplies may not be purchased.
Deliverable: Submit SYSTEM AGENCY approved opioid overdose reversal application and documentation methods to track both provision of overdose reversal medication and overdose reversals and will be due on the 15th of the following month.
- C. Induction onto Medications and Coordinated Treatment- A person that survives an opioid overdose with the use of opioid overdose reversal medications immediately experiences withdrawal symptoms. Untreated symptoms often times result in a recurrence to use of opioids leaving the person vulnerable to a fatal overdose. Symptoms of withdrawal can be managed with FDA-approved medications used to treat opioid use disorder. This strategy links the individual/person/patient with ongoing treatment services by providing induction onto medication used to treat opioid use disorder.

Grantee will:

1. Designate prescriber(s) of buprenorphine for the treatment of Opioid Use Disorder (OUD), and to ensure the designated provider(s) prescribing physician, nurse practitioners, and/or physician assistants participate in DATA 2000 Waiver Training and obtain the waiver to prescribe provide buprenorphine for the treatment of opioid use disorder for each designated prescriber at the EMS sites within 30 calendar days of contract execution.
Deliverable: Submit a report that lists waived prescribing practitioners 45 calendar days from contract start date.
2. Require each of the participating EMS sites to have two (2) mentors per site, an EMS Opioid Response pilot site mentor, and a Office Based Opioid Treatment (OBOT) mentor. An ongoing participation in a SYSTEM AGENCY-approved peer mentorship program by both an EMS Opioid Response pilot program and an OBOT provider is required by each site.
Deliverable: Submit monthly documentation of peer mentorship activities due on the 15th of the following month.
3. Provide universal screening for opioid and stimulant use disorder.
Deliverable: Submit documentation of each clinic's policy requiring universal screening for opioid and stimulant use disorder, and shall submit a copy of the screening tool within 30 calendar days of contract execution, and monthly patient screening reports in a SYSTEM AGENCY-approved format due on the 15th of the following month.
Establish Memorandum of Agreement (MOA)s with local Outreach Screening Assessment and Referral providers to facilitate admission into ongoing Medication Assisted Treatment. MOAs must be made available upon request.
4. Within 24 hours of identification of a patient with OUD, make available through a process of informed consent, induction onto buprenorphine for uninsured and under-insured patients with a diagnosis of opioid use disorder.
Deliverable: Submit documentation of each EMS site's diversion control policy, the informed consent form, and patient engagement and retention policies within 30 calendar days of contract execution. Submit monthly patient induction reports including individualized plans for long term care and referrals in a SYSTEM AGENCY-approved format due on the 15th of the following month.

D. Peer Recovery Support – Through shared understanding, respect, and mutual empowerment, peer support workers help people become and stay engaged in the recovery process and reduce the likelihood of reoccurrence. Peer support services

can effectively extend the reach of treatment beyond the clinical setting into the everyday environment of those seeking a successful, sustained recovery process. This strategy integrates peer recovery support into a traditional primary care environment. Grant will:

1. Coordinate SYSTEM AGENCY approved recovery support education and training. Require a minimum of 25% of clinic staff attend this training within three (3) months of project start date and 75% of staff receive training within three (3) months of contract execution.

Deliverable: Submit a report during the third month of the project that details number of attendees, pre and post surveys, as well as attendee profession. This report will be labeled as Recovery Support Education and Training Report.

2. Contract with or staff certified peer recovery coaches. Recovery coaches must be available on an on-call basis to provide peer recovery support services for patients for a minimum of eight (8) consecutive days after identification or induction and then once a week thereafter.

Deliverable: Submit a monthly patient engagement and retention report in a SYSTEM AGENCY-approved format due on the 15th of the following month. This report shall be labeled as Montly Recovery Support Engagement and Retention Report.

E. EMS Community Paramedicine Follow-up and Support – incorporates community paramedicine, a healthcare model that allows paramedics and EMTs to expand their role to provide non-crisis public health and preventive healthcare services. Grantee will:

1. Require that all patients identified as being at risk for opioid and stimulant overdose or opioid and stimulant use disorder receive follow-up and support by Paramedics and EMT's, to address any co-occurring opioid and stimulant use disorder and primary healthcare issues. Paramedics and EMTs must be available to provide primary care consultation and support services for patients for a minimum of eight (8) consecutive days after identification or induction and then once a week thereafter. A follow up includes making contact with the patient and providing any of the following: health and wellness screening and/or assessment, referral to services, listening to patient concerns and answering questions.

Deliverable: Submit a monthly patient engagement and retention report in a SYSTEM AGENCY-approved format due on the 15th of the following month. This report shall be labeled as Patient Engagement and Retention Report.

F. Grantee will submit GPRA (Government Performance and Results Act) compliance reports for individuals receiving treatment or recovery services using the funds from this contract. These reports will be completed at intake, six-month follow-up, and discharge. These reports may be conducted by phone. If only referrals are made to treatment or recovery, Grantee does not have to

submit GPRA reports. Additionally, the six-month follow-up may be conducted between months five through seven, depending on the individual's availability.

Deliverable: Submit the individual GPRA reports monthly by the 15th day of the following month using a SYSTEM AGENCY-approved format.

III. REPORTING REQUIREMENTS:

Grantee will submit all deliverables identified in Attachment A by the due dates specified by the System Agency. Grantee will submit documents to the designated substance abuse mailbox SubstanceAbuse.Contracts@hhsc.state.tx.us and ttor@hhsc.state.tx.us and to the assigned contract manager, unless otherwise noted. Grantee's duty to submit required documents will survive the termination or expiration of this Contract.

Grantee will:

1. Note all communication to the SubstanceAbuse.Contracts@hhsc.state.tx.us mailbox must include Grantee's Contract Number, legal entity name, and purpose in the email subject line.
2. Submit monthly invoices in CMBHS for utilization of funds to support the activities within the Attachment A due no later than the 15th of the following month. The monthly invoice shall represent the activities conducted in the previous month. All supportive documents supporting the invoices shall be submitted to the assigned contract manager and the Substance Abuse Contract Mailbox:
SubstanceAbuse.Contracts@hhsc.state.tx.us.
3. Submit Financial Status Reports (FSRs) in CMBHS by the last business day of the month following the end of each quarter of the contract term. The final FSR is due within 45 days after Contract end date.
4. Reporting Table Outlined Below:

Requirement	Due Date	Report
Section II. B. 1	on or before the 15th day of the third month from contract execution	Overdose Prevention Training Report
Section II. B. 2	on or before the 15th day of the third month from contract execution	Provide a report of that includes participant demographic information and pre and post surveys.

FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) CERTIFICATION

As the duly authorized representative (Signor) of the Contractor, I hereby certify that the statements made by me in this certification form are true, complete and correct to the best of my knowledge.

Did your organization have a gross income, from all sources, of less than \$300,000 in your previous tax year? ☐ Yes ☐ No

If your answer is "Yes," skip questions "A," "B," and "C" and finish the certification.
If your answer is "No," answer questions "A" and "B."

A. Certification Regarding Percent (%) of Annual Gross from Federal Awards.

Did your organization receive 80% or more of its annual gross revenue from federal awards during the preceding fiscal year? ☐ Yes ☐ No

B. Certification Regarding Amount of Annual Gross from Federal Awards.

Did your organization receive \$25 million or more in annual gross revenues from federal awards in the preceding fiscal year? ☐ Yes ☐ No

If your answer is "Yes" to both question "A" and "B," you must answer question "C."
If your answer is "No" to either question "A" or "B," skip question "C" and finish the certification.

C. Certification Regarding Public Access to Compensation Information.

Does the public have access to information about the highly compensated officers/senior executives in your business or organization (including parent organization, all branches, and all affiliates worldwide) through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986? ☐ Yes ☐ No

If your answer is "Yes" to this question, where can this information be accessed?

If your answer is "No" to this question, you must provide the names and total compensation of the top five highly compensated officers below.
