Re: Sole Source recommendation for Stryker Lucas 3CPR

Dear County Judge and Commissioners,

Recently our EMS Department made a request to upgrade and purchase the Lucas 3CPR Device and Maintenance Program from Stryker. These actions require qualification as a sole source purchase as the product and services are supplied only by Stryker in the United States market.

After reviewing all documentation requested and submitted, I recommend qualifying this request as a sole source purchase and exempting these goods from competitive bidding requirements per Texas Local Government Code sections 262.003 (a) and 262.024 (a) (7).

After reviewing all documentation requested and provided to me, **I recommend qualifying this request as a sole source purchase, per Texas Local Government Code sections 262.003(a) and 262.024.(a)(7).**

The process has included the following:

- A signed Sole Source Justification Request
- A letter of justification from the supplier, establishing why their product/service is only available from their company
- A notarized Sole Source Affidavit completed by the supplier
- A signed letter of recommendation from Mike Knipstein, Director, Williamson County EMS
- Posting on Negometrix website for a period of fourteen (14) days to invite potential competition, with no responses received from alternate vendors

If you have any questions or concerns, please contact me at any time.

Sincerely,

*Randy Barker*
