DISCLAIMER

IMPORTANT Customer hereby agrees to the following terms: This is a rate and material projection report and represents estimated costs at the time it was completed. This estimate is based on the job star **2/20/2021**. Any changes to the start date will impact the estimate including our overtime calculations, the hours and materials needed and/or the scope due to exacerbation of the original damage. This estimate is for valuation purposes only and is not a guarantee of BELFOR's total costs. If you should decide to proceed with the project, BELFOR will notify you of and get

consent before performing work on any material additions to the scope of this project. These projected costs are void should there be a change in the building conditions, unforeseen weather conditions or any other unforeseen issues, requests or requirements. BELFOR will invoice for work performed on a rate and materials basis and you will be responsible for additional charges for any applicable subcontracted for equipment, fuel, related service costs, permits, fees, sales tax, administrative reporting or required appearances including court appearances arising out of the services.
