Your Signature Below

Non-Appropriations. You warrant that you have funds available to make all payments until the end of your current fiscal period, and shall use your best efforts to obtain funds to make all payments in each subsequent fiscal period through the end of your lease term. If your appropriation request to your legislative body, or funding authority ("Governing Body") for funds to make the payments is denied, you may terminate this lease on the last day of the fiscal period for which funds have been appropriated, upon (i) submission of documentation reasonably satisfactory to us evidencing the Governing Body's denial of an appropriation sufficient to continue this lease for the next succeeding fiscal period, and (ii) satisfaction of all charges and obligations under this lease incurred through the end of the fiscal period for which funds have been appropriated, including the return of the equipment at your expense.

By signing below, you agree to be bound by all the terms and conditions of this Agreement, including the NJPA Contract Number 041917-PIT, effective date May 17, 2017 and the State and Local Fair Market Value Lease Terms (including the Pitney Bowes Terms) (Version 2/20) which is available at <http://www.pb.com/states/njpa> and is incorporated by reference (the "Agreement"). You acknowledge that, except for non-appropriation, you may not cancel this lease for any reason and that all payment obligations are unconditional. This lease will be binding on us after we have completed our credit and documentation approval process and have signed below. This lease requires you to either provide proof of insurance or participate in the ValueMAX® requirement protection program (see Section 6 of the State and Local Fair Market Value Lease Terms) for an additional fee. If software is included in the Order, additional terms apply which are available by clicking on the hyperlink for that software located at <http://www.pitneybowes.com/us/license-terms-of-use/software-and-subscription-terms-and-conditions.html>. Those additional terms are incorporated by reference.
