Description of Materials

Field and photographic records for the Liberty Hill Bypass Project.

The transfer of the above-described documents and materials to CAR is made for the purpose of allowing CAR to retain in trust for Sponsor in accordance with the provisions of Tex. Nat. Res. Code §191.058(b), the regulations promulgated by the Texas Historical Commission found in 13 T.A.C. §26.1, et. seq., and all other applicable laws and regulations. As the curating facility, CAR may make copies, electronically scan images or documents, microfilm, make loans, request and authorize analyses, reorganize the collection, and otherwise preserve, conserve and use these materials as outlined in guidelines for curation repositories. Any permanent transfer of items should be to a facility with equal capacity for permanent curation. Though CAR is the acknowledged holder of these materials and may use them as stated above, actual ownership of the materials and records rests with the governmental entity indicated as Sponsoring Agency. Unless otherwise prohibited by state or federal law or regulation, CAR agrees that upon the written request of Sponsor, the materials shall be returned to Sponsor for temporary or permanent display in a certified curation facility that can properly display and maintain the materials.
