SEE GENERAL TERMS AND CONDITIONS

GENERAL TERMS

1. **Purchase/License Terms.** Subject to the terms and conditions of this Agreement, ES&S agrees to sell and/or license, and Customer agrees to purchase and/or license, the ES&S Equipment, ES&S Software and ES&S Firmware described on the front side of this Agreement. The ES&S Firmware and ES&S Software are collectively referred to hereinafter as the "ES&S Software." The payment terms for the ES&S Equipment and ES&S Software are set forth on the front side of this Agreement. Title to the ES&S Equipment shall pass to Customer when Customer has paid ES&S the total amount set forth on the front side of this Agreement for the ES&S Equipment. The consideration for ES&S' grant of the license during the Initial Term for the ES&S Firmware is included in the cost of the ES&S Equipment.

2. **Grant of Licenses.** Subject to the terms and conditions of this Agreement, ES&S hereby grants to Customer nonexclusive, nontransferable licenses for its bona fide full time, part time or temporary employees to use the ES&S Software and related Documentation in the Jurisdiction while Customer is using the ES&S Equipment and timely pays the applicable annual ES&S Software License, Maintenance and Support Fees set forth on Schedule A1. The licenses allow such bona fide employees to use and copy the ES&S Software (in object code only) and the Documentation, in the course of operating the ES&S Equipment and solely for the purposes of defining and conducting elections and tabulating and reporting election results in the Jurisdiction.

3. **Prohibited Uses.** Customer shall not take any of the following actions with respect to the ES&S Software or the Documentation:

a. Reverse engineer, decompile, disassemble, re-engineer or otherwise create, attempt to create, or permit, allow or assist others to create, the source code or the structural framework for part or all of the ES&S Software;

b. Cause or permit any use, display, loan, publication, transfer of possession, sublicensing or other dissemination of the ES&S Software or Documentation, in whole or in part, to or by any third party without ES&S' prior written consent; or

c. Cause or permit any change to be made to the ES&S Software without ES&S' prior written consent; or

d. Allow a third party to cause or permit any copying, reproduction or printing of any output generated by the ES&S Software (except finished ballots by ballot printers selected by Customer) in which ES&S owns or claims any proprietary intellectual property rights (e.g., copyright, trademark, patent pending or patent), including, but not limited to, any ballot shells or ballot code block.

4. **Term of Licenses.** The licenses granted in Section 2 shall commence upon the delivery of the ES&S Software described in Section 2 and shall continue for a one (1) year period (the "Initial License Term"). Upon expiration of the Initial License Term, the licenses shall automatically renew for an unlimited number of successive one-year periods (each a "License Renewal Term") upon the payment by Customer of the annual software license and software maintenance and support fee as set forth on the front side of this Agreement. ES&S may terminate either license if Customer fails to pay the consideration due for, or breaches Sections 2, 3, or 9 with respect to, such license. Upon the termination of either of the licenses granted in Section 2 for ES&S Software or upon Customer's discontinuance of the use of any ES&S Software, Customer shall immediately return such ES&S Software and the related Documentation (including any and all copies thereof) to ES&S, or (if requested by ES&S) destroy such ES&S Software and Documentation and certify in writing to ES&S that such destruction has occurred.

5. **Updates.** During the Initial License Term or any License Renewal Term, ES&S may provide new releases, upgrades or maintenance patches to the ES&S Software, together with appropriate Documentation ("Updates"), on a schedule defined by ES&S. Customer is responsible for obtaining any upgrades or purchases of Third Party Items required to operate the Updates as well as the cost of any replacements, retrofits or modifications to the ES&S Equipment which may be necessary in order to operate the Updates. All Updates shall be deemed to be ES&S Software for purposes of this Agreement upon delivery. Customer may install the Updates in accordance with ES&S' recommended instructions or may request that ES&S install the Updates. ES&S may charge Customer at its then-current rates to (i) install the Updates; (ii) train Customer on Updates, if such training is requested by Customer or (iii) provide maintenance and support on the ES&S Software that is required as a result of Customer's failure to timely or properly install an Update. Customer shall be responsible for any claim, damage, loss, judgment, penalty, cost, amount paid in settlement or fee which is caused by Customer's failure to install and use the most recent Update provided to it by ES&S. If Customer proposes changes in the ES&S Software to ES&S, such proposals will become ES&S' property. ES&S may, in its sole discretion, elect to make or not to make such changes without reference or compensation to Customer or any third party. ES&S represents to Customer that the Updates will comply with all applicable state law requirements at the time of delivery. Customer shall be responsible to ensure that it has installed and is using only certified versions of ES&S Software in accordance with applicable law. In the event that any Updates are required due to changes in state law, ES&S reserves the right to charge Customer for the following:

(i) the total cost of any third party items that are required in order to operate the Updates;

(ii) the total cost of any replacements, retrofits or modifications to the ES&S Equipment contracted for herein that may be developed and offered by ES&S in order for such ES&S Equipment to remain compliant with applicable laws and regulations; and

(iii) Customer's pro-rata share of the costs of designing, developing and/or certification by applicable federal and state authorities of such state mandated Updates.

Customer's pro-rata share of the costs included under subsection (iii) above shall be determined at the time by dividing the number of registered voters in Customer's jurisdiction by the total number of registered voters in all counties in Customer's state to which ES&S has sold and/or licensed the Equipment and/or Licensed Software purchased and licensed by Customer under this Agreement. Customer shall pay ES&S the entire costs incurred for design, development and certification of any Update which is required due to a change in local law or is otherwise requested or required by Customer.

6. **Delivery; Risk of Loss.** The Estimated Delivery Dates and First Election Use (if any) set forth on the front side of this Agreement are estimates and may only be established or revised, as applicable, by the parties, in a written amendment to this Agreement, because of delays in executing this Agreement, changes requested by Customer, product availability and other events. ES&S will notify Customer of such revisions as soon as ES&S becomes aware of such revisions. Risk of loss for the ES&S Equipment and ES&S Software shall pass to Customer when such items are delivered to Customer's designated location. Upon transfer of risk of loss to Customer, Customer shall be responsible for obtaining and maintaining sufficient casualty insurance on the ES&S Equipment and ES&S Software and shall name ES&S as an additional insured thereunder and, at ES&S' request, shall deliver written evidence thereof to ES&S until all amounts payable to ES&S under this Agreement have been paid by Customer.

7. Warranty.

a. **ES&S Equipment/ES&S Software.** ES&S warrants that for a one (1) year period (the "Warranty Period"), it will repair or replace any component of the ES&S Equipment or ES&S Software which, while under normal use and service: (i) fails to perform in accordance with its Documentation in all material respects, or (ii) is defective in material or workmanship. The Warranty Period will commence upon delivery. The Warranty shall not include the repair or replacement of any ES&S Equipment components that are consumed in the normal course of operating the ES&S Equipment, including printer ribbons, printer cartridges, paper rolls, batteries, removable media storage devices, PCMCIA cards or marking devices. Any repaired or replaced item of ES&S Equipment or ES&S Software shall be warranted only for the unexpired term of the Warranty Period. All replaced components of the ES&S Equipment or ES&S Software will become the property of ES&S. This warranty is effective provided that (i) Customer notifies ES&S within three (3) business days of the discovery of the failure of performance or defect and is otherwise in compliance with its obligations hereunder, (ii) the ES&S Equipment or ES&S Software to be repaired or replaced has not been repaired, changed, modified or altered except as authorized or approved by ES&S, (iii) the ES&S Equipment or ES&S Software to be repaired or replaced is not damaged as a result of accident, theft, vandalism, neglect, abuse, use which is not in accordance with instructions or specifications furnished by ES&S or causes beyond the reasonable control of ES&S or Customer, including acts of God, fire, floods, riots, acts of war, terrorism or insurrection, labor disputes, transportation delays, governmental regulations and utility or communication interruptions, and (iv) Customer has installed and is using the most recent update provided to it by ES&S. This warranty is void for any units of equipment which: (i) have not been stored or operated in a temperature range according to their specifications, (ii) have been severely handled so as to cause mechanical damage to the unit, or (iii) have been operated or handled in a manner inconsistent with reasonable treatment of an electronic product. The terms of post-warranty license, maintenance and support are set forth on Exhibit A.

b. **Exclusive Remedies/Disclaimer.** IN THE EVENT OF A BREACH OF SUBSECTION 7(a), ES&S' OBLIGATIONS, AS DESCRIBED IN SUCH SUBSECTION, ARE CUSTOMER'S SOLE AND EXCLUSIVE REMEDIES. ES&S EXPRESSLY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, WHICH ARE NOT SPECIFICALLY SET FORTH IN THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. FURTHER, IN THE EVENT CUSTOMER DECLINES ES&S' INSTALLATION AND ACCEPTANCE TESTING SERVICES OR IN ANY WAY AT ANY TIME ALTERS, MODIFIES OR CHANGES ANY EQUIPMENT, SOFTWARE, THIRD PARTY ITEMS AND/OR NETWORK (COLLECTIVELY "SYSTEM") CONFIGURATIONS WHICH HAVE BEEN PREVIOUSLY INSTALLED BY ES&S OR WHICH ARE OTHERWISE REQUIRED IN ACCORDANCE WITH THE CERTIFIED VOTING SYSTEM CONFIGURATION, ALL WARRANTIES OTHERWISE PROVIDED HEREUNDER WITH RESPECT TO THE SYSTEM PURCHASED, LEASED, RENTED AND/OR LICENSED UNDER THIS AGREEMENT SHALL BE VOID AND OF NO FURTHER FORCE AND EFFECT.

8. **Limitation Of Liability.** Neither party shall be liable for any indirect, incidental, punitive, exemplary, special or consequential damages of any kind whatsoever arising out of or relating to this Agreement. Neither party shall be liable for the other party's negligent or willful misconduct. ES&S' total liability to Customer arising out of or relating to this Agreement shall not exceed the aggregate amount to be paid to ES&S hereunder. By entering into this Agreement, Customer agrees to accept responsibility for (a) the selection of, use of and results obtained from any equipment, software or services not provided by ES&S and used with the ES&S Equipment or ES&S Software; or (b) user errors, voter errors or problems encountered by any individual in voting that are not otherwise a result of the failure of ES&S to perform. ES&S shall not be liable under this Agreement for any claim, damage, loss, judgment, penalty, cost, amount paid in settlement or fee that is caused by (y) Customer's failure to timely or properly install and use the most recent update provided to it by ES&S or (z) Customer's election not to receive, or to terminate, the Hardware Maintenance Services or the ES&S Software Maintenance and Support.

9. **Proprietary Rights.** Customer acknowledges and agrees as follows:

ES&S owns the ES&S Software, all Documentation and training materials provided by ES&S, the design and configuration of the ES&S Equipment and the format, layout, measurements, design and all other technical information associated with the ballots to be used with the ES&S Equipment. Customer has the right to use the aforementioned items to the extent specified in this Agreement. ES&S also owns all patents, trademarks, copyrights, trade names and other proprietary or intellectual property in, or used in connection with, the aforementioned items. The aforementioned items also contain confidential and proprietary trade secrets of ES&S that are protected by law and are of substantial value to ES&S. Customer shall keep the ES&S Software and related Documentation free and clear of all claims, liens and encumbrances and shall maintain all copyright, trademark, patent or other intellectual or proprietary rights notices that are set forth on the ES&S Equipment, the ES&S Software, the Documentation, training materials and ballots that are provided, and all permitted copies of the foregoing.

10. **Termination.** This Agreement may be terminated, in writing, at any time by either party if the other party breaches any material provision hereof and does not cure such breach within 30 days after it receives written notification thereof from the non-breaching party.

11. Disputes.

a. **Payment of Undisputed Amounts.** In the event of a dispute between the parties regarding (1) a product or service for which payment has not yet been made to ES&S, (2) the amount due ES&S for any product or service, or (3) the due date of any payment, Customer shall nevertheless pay to ES&S when due all undisputed amounts. Such payment shall not constitute a waiver by Customer or ES&S of any of its rights and remedies against the other party.

b. **Remedies for Past Due Undisputed Payments.** If any undisputed payment to ES&S is past due more than 30 days, ES&S may suspend performance under this Agreement until such amount is paid. Any disputed or undisputed payment not paid by Customer to ES&S when due shall bear interest from the due date at a rate equal to the lesser of one and one-half percent per month or the maximum amount permitted by applicable law for each month or portion thereof during which it remains unpaid.

12. **Assignment.** Except in the case of a reorganization of the assets or operations of ES&S with one or more affiliates of ES&S or the sale, transfer or assignment of all or substantially all of the assets of ES&S to a successor who has asserted its intent to continue the business of ES&S, neither party may assign or transfer this Agreement or assign, subcontract or delegate any of its rights, duties or obligations hereunder without the prior written consent of the other party hereto, such consent not to be unreasonably withheld or conditioned, nor unduly delayed.

13. **Compliance with Laws.** ES&S warrants to Customer that, at the time of delivery, the ES&S Equipment and ES&S Software sold and licensed under this Agreement will comply with all applicable

requirements of federal and state election laws and regulations that are mandatory and effective as of the Effective Date and will have been certified by the appropriate state authorities for use in Customer's state. The ES&S Equipment and ES&S Software, including all components will be provided to Customer with a hardened network for the election management software ("EMS"), in accordance with the guidelines of the United States Election Assistance Commission ("EAC"). ES&S shall not be responsible for any claims, damages, losses, judgments, penalties, costs, amount paid in settlement or fees, which are directly or indirectly related to the County's failure to maintain the network on which the EMS is installed in an hardened configuration.

14. **Voting System Reviews.** In the event that the Jurisdiction or the State require any future reviews or examinations ("Reviews") of current or previous versions of state-certified ES&S voting systems or components thereof that are not otherwise required as a result of any changes or modifications voluntarily made by ES&S to the ES&S Software and/or ES&S Equipment licensed and sold hereunder, Customer shall be responsible for:

(i) Customer's pro-rata share of such Review costs;

(ii) Customer's pro-rata share of the costs of designing, developing, manufacturing and/or certification by applicable federal and state authorities of any mandated modifications to the ES&S Equipment and/or ES&S Software that may result from such Reviews; and

(iii) the total cost of any third party items that are required in order for the ES&S Equipment and/or ES&S Software to satisfy any new requirements resulting from such Reviews in order to remain certified;

Customer's pro-rata share of the costs included under subsections 14(ii) and 14(iii) above shall be determined at the time by dividing the number of registered voters in Customer's jurisdiction by the total number of registered voters in all counties in Customer's state to which ES&S has sold and/or licensed the ES&S Equipment and/or ES&S Software purchased and licensed by Customer under this Agreement.

15. **No Waiver of Sovereign Immunity or Powers.** Nothing in this Agreement will be deemed to constitute a waiver of sovereign immunity or powers of Customer, the Williamson County Commissioners Court, or the Williamson County Judge.

16. **Texas Prompt Payment Act Compliance.** Payment for goods and services shall be governed by Chapter 2251 of the Texas Government Code. An invoice shall be deemed overdue the 31st day after the later of (1) the date Customer receives the goods under the contract; (2) the date the performance of the service under the contract is completed; or (3) the date the Williamson County Auditor receives an invoice for the goods or services. Interest charges for any overdue payments shall be paid by Customer in accordance with Texas Government Code Section 2251.025. More specifically, the rate of interest that shall accrue on a late payment is the rate in effect on September 1 of Customer's fiscal year in which the payment becomes due. The said rate in effect on September 1 shall be equal to the sum of one percent (1%); and (2) the prime rate published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday.

17. **Mediation.** The parties agree to use mediation for dispute resolution prior to and formal legal action being taken on this Agreement.

18. **Right to Audit.** ES&S agrees that Customer or its duly authorized representatives shall, until the expiration of three (3) years after final payment under this Agreement, have access to and the right to examine and photocopy any and all books, documents, papers and records of ES&S which are directly pertinent to the services to be performed under this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions. ES&S agrees that Customer shall have access during normal working hours to all necessary ES&S facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section. Customer shall give ES&S reasonable advance notice of intended audits.

19. **Entire Agreement.** This Agreement, including all exhibits hereto, shall be binding upon and inure to the benefit of the parties and their respective representatives, successors and assigns. This Agreement, including all Exhibits hereto, contains the entire agreement of the parties with respect to the subject matter hereof and shall supersede and replace any and all other prior or contemporaneous discussions, negotiations, agreements or understandings between the parties, whether written or oral, regarding the subject matter hereof. Any provision of any purchase order, form or other agreement which conflicts with or is in addition to the provisions of this Agreement shall be of no force or effect. In the event of any conflict between a provision contained in an Exhibit to this Agreement and these General Terms, the provision contained in the Exhibit shall control. No waiver, amendment or modification of any provision of this Agreement shall be effective unless in writing and signed by the party against whom such waiver, amendment or modification is sought to be enforced. No consent by either party to, or waiver of, a breach by either party shall constitute a consent to or waiver of any other different or subsequent breach by either party. This Agreement shall be governed by and construed in accordance with the laws of the State in which the Customer resides, without regard to its conflicts of laws principles. The parties agree that venue for any dispute or cause of action arising out of or related to this Agreement shall be in the state and federal courts of the United States located in the State in which the Customer resides. ES&S is providing equipment, software and services to Customer as an independent contractor, and shall not be deemed to be a "state actor" for purposes of 42 U.S.C. § 1983. ES&S may engage subcontractors to provide certain of the equipment, software or services, but shall remain fully responsible for such performance. The provisions of Sections 1-5, 7(b), 8, 9, 11(b), 12-19 these General Terms shall survive the termination of this Agreement, to the extent applicable.

2. **Fees.** In consideration for ES&S' agreement to provide Hardware Maintenance and Software License, Maintenance and Support Services under this Exhibit A, Customer shall pay to ES&S the Hardware Maintenance and Software License, Maintenance and Support Fees set forth on Schedule A1 for the Initial Term. The Hardware Maintenance and Software License, Maintenance and Support Fees for the Initial Term are due as set forth on Schedule A1. ES&S may increase the Hardware Maintenance and Software License, Maintenance and Support Fees for a Renewal Period by not more than 5% of the amount of the most recent Fees paid by Customer. Any such request shall be made at least sixty (60) days before the Routine Maintenance Services are desired. The per-unit fee for such additional Routine Maintenance Services is set forth on Schedule A1 and shall be due within thirty (30) days after invoice date. iv. **Loaner Unit.** At Customer's request and if such product is available, ES&S shall use reasonable efforts to promptly make available to Customer a product that is the same as, or substantially similar to, the Product for which Repair Services are being performed (a "Loaner Unit"). If the Repair Services are being performed pursuant to Subsection 1(b)(ii) above, Customer shall pay ES&S for the use of the Loaner Unit at ES&S' then-current rates including the cost of shipping.

c. **Exclusions.** ES&S has no obligation under this Agreement to (i) assume the obligations under any existing or expired warranty for a Third Party Item; (ii) repair or replace Product components that are consumed in the normal course of operating the Product, including, but not limited to, printer ribbons, printer cartridges, paper rolls, batteries, removable media storage devices, PCMCIA cards or marking devices, or (iii) repair any Product from which the serial number has been removed or altered. In addition, ES&S may, at any time in

its discretion, determine that any Product is no longer fit for Hardware Maintenance Services because it is in such poor condition that it cannot practically be restored to Normal Working Condition, or cannot be restored to Normal Working Condition at an expense that is less than the then-current value of the Product. If such a determination is made, ES&S shall no longer be required to provide Hardware Maintenance Services for such Product. ES&S shall also refund to Customer an amount equal to (1) that portion of the most recent fee paid for Hardware Maintenance Services that is attributable to such Product, multiplied by (2) a fraction, the numerator of which is the remaining number of days in the respective period within the Initial Term or Renewal Period for which such fee was paid and the denominator of which is the total number of days in the respective period within such Initial Term or Renewal Period.

d. **Sole Provider; Access.** Customer shall not permit any individual other than an ES&S Representative to provide maintenance or repairs with respect to the Products for so long as the Initial Term or any Renewal Period is in effect. Customer shall provide ES&S Representatives with all information necessary to enable them to provide Hardware Maintenance Services. Customer shall likewise provide full access to the Products and adequate working space for all Hardware Maintenance Services performed at its Designated Location, including sufficient heat, lights, ventilation, electric current and outlets.

e. **Environmental Conditions.** Products should be stored in a clean, dry and secure environment. During the storage and operation of the Products, the temperature and moisture ranges should be maintained in accordance with the Products' Documentation.

f. **Reinstatement of Hardware Maintenance Services; Inspection.** If the Initial Term or any Renewal Period thereof expires without being renewed, Customer may thereafter resume receiving Hardware Maintenance Services upon (a) notification to ES&S and (b) the granting to ES&S of access to the Products. ES&S requires Customer to allow it to inspect such Products before it provides any Hardware Maintenance Services. The purpose of such inspection shall be to determine whether or not the Products are in Normal Working Condition. The cost of such inspection will be at ES&S' then current rates and shall be due from Customer within thirty (30) days of its receipt of ES&S' invoice therefore. If any of the Products is not in Normal Working Condition, ES&S, at the option of Customer, (i) shall provide such repairs and replacements as it deems reasonable and necessary to restore such item to Normal Working Condition, at Customer's expense with respect to the cost of any labor (charged at ES&S' then current rates) and parts used in such repairs or replacements, or (ii) shall not provide any Hardware Maintenance Services with respect to such Product(s).

ARTICLE III

beyond the reasonable control of ES&S or Customer, including acts of God, fire, flooding, riots, acts of war, terrorism or insurrection, labor disputes, transportation delays, governmental regulations and utility or communication interruptions, (d) Customer's failure to timely and properly install and use the most recent update provided to it by ES&S, or (e) Customer's failure to notify ES&S within three (3) business days after Customer knows of the need for such services. Any such Software License, Maintenance and Support shall be provided at the fees to be agreed upon by the parties if and when the need for such Software License, Maintenance and Support arises. Replacement versions of Software requested by Customer as a result of items set forth in this Section 3 or as a result of Customer's actions or inactions shall be billable to Customer at ES&S' then current rates.

4. **Proprietary Rights.** ES&S shall own the entire right, title and interest in and to all corrections, programs, information and work product conceived, created or developed, alone or with Customer or others, as a result of or related to the performance of this Exhibit A, including all proprietary rights therein or based thereon. Subject to the payment of all Software License, Maintenance and Support Fees, ES&S hereby grants to Customer a non-exclusive license to use that portion of such corrections, programs, information and work product that ES&S actually delivers to Customer pursuant to this Exhibit A. 5. **Reinstatement of Software License, Maintenance and Support.** If the Initial Term or any Renewal Period thereof expires without being renewed, Customer may thereafter receive a Software License and resume receiving Software Maintenance and Support upon (a) notification to ES&S, (b) payment of all fees, which would have been due to ES&S had the Initial Term or any Renewal Period not expired, and (c) the granting to ES&S of access to the ES&S Software, so that ES&S may analyze it and perform such maintenance as may be necessary before resuming the Software License, Maintenance and Support services.
