	§	**AGREEMENT WITH**
	§	**NON-GOVERNMENTAL**
	§	**ORGANIZATION**
	§	**REGARDING OFF-DUTY**
COUNTY OF WILLIAMSON	§	**CONTRACTING OF COUNTY DEPUTIES**

This Vehicle Reimbursement Agreement with Non-Governmental Organization Regarding Off-Duty Contracting of County Deputies (hereinafter, the "AGREEMENT") is entered into by and between the company/organization set forth on the signature page below (hereinafter, "NON-GOVERNMENTAL ORGANIZATION") in the State of Texas, and Williamson County, Texas (hereinafter, "COUNTY") a political subdivision of the State of Texas, and the Williamson County Law Enforcement Agency set forth on the signature page below (hereinafter, "LEA").

For and in consideration of the permission given by COUNTY for the NON-GOVERNMENTAL ORGANIZATION to contract in a private capacity DEPUTIES of the LEA (hereinafter "DEPUTIES"), while DEPUTIES are not on duty with and for the COUNTY, it is hereby agreed as follows:

1. It is mutually agreed that while the DEPUTIES are working for the NON-GOVERNMENTAL ORGANIZATION, the DEPUTIES' primary responsibility is the enforcement of Federal and State laws and COUNTY Ordinances or Regulations to protect life and property and to keep the peace. The DEPUTIES are not allowed to enforce NON-GOVERNMENTAL ORGANIZATION policies or rules. DEPUTIES are at all times subject to the rules and policies of the LEA. ***NON-GOVERNMENTAL ORGANIZATION expressly acknowledges and agrees that such DEPUTIES are at all times independent contractors of the NON-GOVERNMENTAL ORGANIZATION when contracted by the NON-GOVERNMENTAL ORGANIZATION.***

2. **It is understood by the NON-GOVERNMENTAL ORGANIZATION that the COUNTY shall retain the right to withdraw at any time its permission for the DEPUTIES to work in a private capacity (including the right to terminate this agreement at any time).** If the permission of the COUNTY is withdrawn, the NON-GOVERNMENTAL ORGANIZATION agrees to terminate its contracting relationships with DEPUTIES. The NON-GOVERNMENTAL ORGANIZATION, as part of this AGREEMENT, binds itself to release and hold harmless the COUNTY from any liability or claim for damages in the event such permission is withdrawn by the COUNTY.

3. Prior to the beginning of DEPUTIES contracting with the NON-GOVERNMENTAL ORGANIZATION, the NON-GOVERNMENTAL ORGANIZATION shall obtain a comprehensive general liability insurance policy

from a company authorized to do business in the State of Texas with minimum amounts of Ten Thousand Dollars ($10,000) per occurrence for property damage, One Hundred Thousand Dollars ($100,000) per person, and Three Hundred Thousand Dollars ($300,000) per occurrence for personal injury. COUNTY SHALL BE NAMED AS AN ADDITIONAL INSURED UNDER THIS COVERAGE.

4. The term of this AGREEMENT shall begin on the June 15, 29th, 20 21 and shall terminate on September 30, 20 21. Any extension of this AGREEMENT must be set forth in writing and signed by both parties.

5. State law requires that law enforcement personnel conducting "off-duty" work must be both "full time" and "entitled" to fringe benefits. Tex. Occup. Code Sec. 1702.322(A) & (B)(i). Thus, part-time deputies and "reserve" officers may not conduct "off-duty" work.[1]

6. The COUNTY agrees that each of the DEPUTIES will be properly insured with automobile liability insurance while operating the patrol vehicle in accordance with Section 612.005(b) of the Texas Government Code, and any other applicable laws.

7. COUNTY agrees to invoice NON-GOVERNMENTAL ORGANIZATION for the reimbursement amounts for deputy vehicle usage at the rate of **$12.00 per hour per vehicle** (to cover NON-GOVERNMENTAL ORGANIZATION's fair share of costs for fuel, maintenance, and yearly premiums on automobile insurance).

8. NON-GOVERNMENTAL ORGANIZATION agrees to log and maintain all times that vehicles are allotted to off-duty work, whether actually used or parked, for each vehicle used by DEPUTIES on a monthly basis. NON-GOVERNMENTAL ORGANIZATION shall provide such vehicle time records to COUNTY and LEA no later than the last day of the end of each month in which vehicle usage occurs. COUNTY will invoice based on the total usage and rate, as set forth in Paragraph 7, and NON-GOVERNMENTAL ORGANIZATION will pay such invoice within ten (10) days of the invoice date. Reporting must be submitted to:

LEA:	At the address set forth on signature page below.
COUNTY:	Williamson County Auditor's Office Attn: Finance Director 710 Main Street, Suite 301 Georgetown, Texas 78626

9. NON-GOVERNMENTAL ORGANIZATION agrees that it shall pay deputies directly and file 1099 forms with the Internal Revenue Service.

[1] It is the commissioners court that sets what compensation (and benefits) deputies are entitled to, which affects eligibility for off-duty work. Tex. Local Gov't Code § 152.011.

10. Each party to this AGREEMENT, in the performance of this AGREEMENT, shall act in an individual capacity and not as agents, employees, partners, joint ventures or associates of one another.

11. Nothing in this AGREEMENT shall be deemed to waive, modify or amend any legal defense available at law or in equity to COUNTY, its past or present officers, employees, or agents, nor to create any legal rights or claim on behalf of any third party. COUNTY does not waive, modify, or alter to any extent whatsoever the availability of the defense of governmental immunity under the laws of the State of Texas and of the United States.

District Court Childrens Commission FRC Grant Application

Submitted By: Ronald Morgan, All District Courts

Department: All District Courts

Agenda Category: Regular Agenda Items

Information

Agenda Item

Consider and take appropriate action authorizing submission of a Grant Application through The Children's Commission Court Improvement Program in support of the Family Recovery Court Program.

Background

Williamson County is submitting a grant application to the Children's Commission in order to request funding to support creation of the Family Recovery Court. This grant application is presented as a fall-back. The Court may recall that it has approved submission of an Office of Governor Grant for this program, and initial submission of an Office of Juvenile Justice and Delinquency Programs Grant in order to support this program. We have submitted this grant application in the event that the OOG and OJJDP grant applications are not successful. If either of the other two are successful, we will abandon this grant application. We are submitting this application as the most 'slimmed down' version of the grant application, funding a Specialty Court Administrator and related costs and additional inpatient treatment bed days.

Like the OJJDP grant, this grant **does** require a match. We achieve this match easily through the in-kind contributions of members of the Family Recovery Court Team (including Williamson County, DFPS, etc.). The full investment in the program se funds will allow for creation of the FRC through a novel approach to addressing child protection cases. A key element of this implementation is tracking the effectiveness and the impact of the program. We believe that, supported by the OOG grant, we will prove the effectiveness of the FRC model and make a significant positive impact on families in Williamson County. Our intent is to acquire full financial support for the program through this grant at inception and for as long as OOG Grant Funding may be available.

Williamson County's Family Recovery Court is an alternative to the traditional processing of Child Protective Services (herein "CPS") cases involving substance abuse. Based on evidence and best practices, the Family Recovery Court will apply a non-adversarial, collaborative approach and utilize a multidisciplinary team including the presiding judge, Department of Family Protective Services (herein "DFPS") , prosecutors, attorney and guardian ad litem, case-managers, treatment providers, and existing community resources, including faith-based providers (herein the "Family Recovery Collaborative Team" -FRCT). The Family Recovery Court will utilize incentives and graduated sanctions to reinforce positive behavior and hold parents and primary caregivers (herein "parents") accountable during their participation in the program.

The Family Recovery Court will focus on cases of abuse or neglect involving parents suffering from substance abuse disorders and any other co-occurring disorders. These cases will focus

on families where a removal of the child has occurred. The Family Recovery Court Team will help provide better outcomes for families involved in these cases by providing problem-solving court services to the child and parents. To graduate, participating parents must demonstrate continuous level of abstinence from drugs and alcohol for a sustainable long-term recovery, satisfy treatment and safety concerns, and demonstrate the establishment of a healthy household for their children.

Final OJJDP Grant Application for Family Recovery Court Program

Submitted By: Ronald Morgan, All District Courts

Department: All District Courts

Agenda Category: Regular Agenda Items

Information

Agenda Item

Discuss, consider, and take appropriate action on request to authorize the County Judge to sign final submission documents related to a grant application through the Office of Juvenile Justice and Delinquency Prevention in support of the Family Recovery Court Program.

Background

The Commissioners Court has approved a grant application through the Office of the Governor (OOG) to fund the Family Recovery Court program (FRC). We have not yet been notified of the success of that pending application. Out of an abundance of caution, and considering the importance of the Family Recovery Court program to the welfare of the children of Williamson County, the Judges hearing Child Welfare Cases have decided to submit a second grant application to the Office of Juvenile Justice and Delinquency Prevention (OJJDP) so that, in the event that we are not successful in our state grant application, we have another potential avenue to fund the program. If approved, this OJJDP grant will fund the FRC program for 3 years.

Williamson County's Family Recovery Court is an alternative to the traditional processing of CPS cases involving moderate to severe substance abuse. The FRC centers on a collaborative court model that facilitates work between the court system and community partners in cases where substance abuse has led to the removal of a child from their home. Parents, who are ready to embrace meaningful life change, the court system, and community partners work in concert toward the common goal of a healthy and permanent reunification of the family.

The Court approved a preliminary submission of application materials on June 15, 2021. This agenda request seeks approval to submit of the final application, and authorization for the County Judge to sign any necessary documents. The OJJDP Grant for Establishing New Family Drug Courts does require a 25% match. We have identified that in-kind services provided by Williamson County, the State of Texas, CASA, and other partners to support the Court constitute 41% of the total program cost, well within the 25% match required, so authorizing this grant does not create additional fiscal impact to the County.

It is important to reiterate that this grant application is our 'fall back' grant application, and if we are successful in the OOG grant, we will abandon this grant request.

Describe the purpose of the grant in detail to include all requirements.	Williamson County is submitting a grant application to the Office of Juvenile Justice and Delinquency Prevention (OJJDP) in order to request funding to support creation of the Family Recovery Court. This grant application is presented as a fall-back. The Court previously approved initial submission of required documents for this grant request, as well as submission of an Office of Governor (OOG) Grant and a submission of a Childrens Commission grant to support this program. This document is submitted for final approval of the OJJDP application, which is being submitted in the event that our OOG grant application is not successful. If the OOG application is successful, we will abandon this grant application. The OJJDP grant is a 3 year grant which requires a 25% match. These funds will allow for creation of the FRC through a novel approach to addressing child protection cases. A key element of this implementation is tracking the effectiveness and the impact of the program. We believe that, supported by this grant, we will prove the effectiveness of the FRC model and make a significant positive impact on families in Williamson County. Our intent is to acquire full financial support for the program through this grant at inception and seek additional funding after year 3 in order to continue the program. Williamson County's Family Recovery Court is an alternative to the traditional processing of Child Protective Services (herein "CPS") cases involving substance abuse. Based on evidence and best practices, the Family Recovery Court will apply a non-adversarial, collaborative approach and utilize a multidisciplinary team including the presiding judge, Department of Family Protective Services (herein "DFPS") , prosecutors, attorney and guardian ad litem, case-managers, treatment providers, and existing community resources, including faith-based providers (herein the "Family Recovery Collaborative Team" -FRCT). The Family Recovery Court will utilize incentives and graduated sanctions to reinforce positive behavior and hold parents and primary caregivers (herein "parents") accountable during their participation in the program. The Family Recovery Court will focus on cases of abuse or neglect involving parents suffering from substance abuse disorders and any other co-occurring disorders. These cases will focus on families where a removal of the child has occurred. The Family Recovery Court Team will help provide better outcomes for families involved in these cases by providing problem-solving court services to the child and parents. To graduate, participating parents must demonstrate continuous level of abstinence from drugs and alcohol for a sustainable long-term recovery, satisfy treatment and safety concerns, and demonstrate the establishment of a healthy household for their children.

The status quo, program support and coordination as provided by the Office Administrator and the Director of District Court Administration will have to continue, and we will investigate the availability of other funding streams to support the program.While we are attempting to build the program at present with highly limited resources, we would be unable to expand and fully implement the program without the grant support.

It is expressly understood and agreed that A/E shall not furnish any Additional Services without the prior written authorization of County. County shall have no obligation to pay for such Additional Services which have been rendered without prior written authorization of County as hereinabove required. Furthermore, in no event will County be obligated to compensate A/E for any Additional Services and charges in an amount more than **Two Thousand, Twelve Dollars ($ 2,012)**.

ARTICLE 8
TIME OF PAYMENT; PAYMENT AND INTEREST; AND RIGHT TO AUDIT

8.1 Time of Payment.

During the performance of the services provided for in this Agreement, monthly payments shall be made based upon that portion of the services which has been completed.

On or about the last day of each calendar month during the performance of the services to be provided under this Agreement, A/E shall submit to County working documents in any stage of completion to demonstrate incremental progress of Basic Services and the compensation which is due for percentage completion of Basic Services. In the event the statement includes charges based upon hourly billing rates for services or any other rates based upon the amount of time worked by an individual or individuals in performing services, whether the charges are being billed directly to the County or whether they are the basis of invoices from

subcontractors for which A/E seeks reimbursement from the County, the charges shall be accompanied by an affidavit signed by an officer or principal of A/E certifying that the work was performed, it was authorized by the County and that all information contained in the invoice that is being submitted is true and correct.

The County shall review the documentation and shall pay each statement as set forth in this **Article 8**, however, the approval or payment of any statement shall not be considered evidence of performance by A/E to the point indicated by such statement or of receipt or acceptance by County of the services covered by such statement. Final payment does not relieve A/E of the responsibility of correcting any errors or omissions resulting from A/E's negligence.

Upon submittal of the initial invoice, A/E shall provide the County Auditor with an Internal Revenue Form W-9, Request for Taxpayer Identification Number and Certification that is complete in compliance with the Internal Revenue Code, its rules and regulations.

8.2 Prompt Payment Policy.

In accordance with **Chapter 2251, V.T.C.A., Texas Government Code**, payment to A/E will be made within **thirty (30) days** of the day on which the performance of services was complete, or within **thirty (30) days** of the day on which the County Auditor receives a correct invoice for services, whichever is later. A/E may charge a late fee (fee shall not be greater than that which is permitted by Texas law) for payments not made in accordance with this prompt payment policy; however, this policy does not apply in the event:

8.2.1

There is a bona fide dispute between County and A/E concerning the supplies, materials, or equipment delivered or the services performed that causes the payment to be late; or

8.2.2

There is a bona fide dispute between A/E and a subcontractor/ subconsultant or between a subcontractor/ subconsultant and its supplier concerning supplies, materials, or equipment delivered or the Basic Services performed which causes the payment to be late; or

8.2.3

The invoice is not submitted to Williamson County in strict accordance with instructions, if any, on the purchase order, or this Agreement or other such contractual agreement.

The County Auditor shall document to A/E the issues related to disputed invoices within **ten (10) calendar days** of receipt of such invoice. Any non-disputed invoices shall be considered correct and payable per the terms of **Texas Government Code, Chapter 2251, V.T.C.A**.

Upon receipt of same, the submission shall be checked for completion. "Completion" or "Complete" shall be defined as all of the required items, as set out in **Exhibit A** have been included in compliance with the requirements of this Agreement. The completeness of any Basic Services submitted to County shall be determined by County within thirty (30) days of such submittal and County shall notify A/E in writing within such thirty (30) day period if such Basic Services have been found to be incomplete. If the submission is Complete, County will notify A/E and County's technical review process will begin.

ARTICLE 14
SUSPENSION

Should County desire to suspend the Basic Services, but not to terminate this Agreement, then such suspension may be effected by County giving A/E **thirty (30) calendar days'** verbal notification followed by written confirmation to that effect. Such **thirty (30)-day** notice may be waived in writing by agreement and signature of both parties. The Basic Services may be reinstated and resumed in full force and effect within **sixty (60) days** of receipt of written notice from County to resume the Basic Services. Such **sixty (60)-day** notice may be waived in writing by agreement and signature of both parties. If this Agreement is suspended for more than **thirty (30) days**, A/E shall have the option of terminating this Agreement and, in the event, A/E shall be compensated for all Basic Services performed and reimbursable expenses incurred, provided such Basic Services and reimbursable expenses have been previously authorized and approved by County, to the effective date of suspension.

County assumes no liability for Basic Services performed or costs incurred prior to the date authorized by County for A/E to begin Basic Services, and/or during periods when Basic Services are suspended, and/or subsequent to the completion date.

ARTICLE 15
VIOLATION OF CONTRACT TERMS/ BREACH OF CONTRACT

Violation of contract terms or breach of contract by A/E shall be grounds for termination of this Agreement, and any increased costs arising from A/E's default, breach of contract, or violation of contract terms shall be paid by A/E.

ARTICLE 16
TERMINATION

This Agreement may be terminated as set forth below.

16.1
By mutual agreement and consent, in writing, of both parties.

16.2
By County, by notice in writing to A/E, as a consequence of failure by A/E to perform the Basic Services set forth herein in a satisfactory manner.

16.3
By either party, upon the failure of the other party to fulfill its obligations as set forth herein.

16.4
By County, for reasons of its own and not subject to the mutual consent of A/E, upon not less than **thirty (30) days** written notice to A/E.

16.5
By satisfactory completion of all Basic Services and obligations described herein.

Should County terminate this Agreement as herein provided, no fees other than fees due and payable at the time of termination plus reimbursable expenses incurred shall thereafter be paid to A/E. In determining the value of the Basic Services performed by A/E prior to termination, County shall be the sole judge. Compensation for Basic Services at termination will be based on a percentage of the Basic Services completed at that time. Should County terminate this Agreement under **Section 16.4** above, then the amount charged during the **thirty (30)-day** notice period shall not exceed the amount charged during the preceding **thirty (30) days**.

If A/E defaults in the performance of this Agreement or if County terminates this Agreement for fault on the part of A/E, then County shall give consideration to the actual costs incurred by A/E in performing the Basic Services to the date of default, the amount of Basic Services required which was satisfactorily completed to date of default, the value of the Basic Services which are usable to County, the cost to County of employing another firm to complete the Basic Services

required and the time required to do so, and other factors which affect the value to County of the Basic Services performed at the time of default.

The termination of this Agreement and payment of an amount in settlement as prescribed above shall extinguish all rights, duties, and obligations of County under this Agreement. If the termination of this Agreement is due to the failure of A/E to fulfill its contractual obligations, then County may take over the Project and prosecute the Basic Services to completion. In such case, A/E shall be liable to County for any additional and reasonable costs incurred by County.

A/E shall be responsible for the settlement of all contractual and administrative issues arising out of any procurements made by A/E in support of the Basic Services under this Agreement.

ARTICLE 17
USE OF DOCUMENTS

All documents, including but not limited to drawings, specifications, and data or programs stored electronically, (hereinafter referred to as "A/E Work Products") prepared by A/E and its subcontractors/ subconsultants are related exclusively to the services described in this Agreement and are intended to be used with respect to this Project. However, it is expressly understood and agreed by and between the parties hereto that all of A/E's designs under this Agreement (including but not limited to tracings, drawings, estimates, specifications, investigations, studies and other documents, completed or partially completed), shall be the property of County to be thereafter used in any lawful manner as County elects. Any such subsequent use made of documents by County shall be at County's sole risk and without liability to A/E.

Prime Consultant and Subconsultant individual hourly rate schedules attached below:

CPI Rate Adjustments: Rates shall remain firm for the first year of the Agreement and such rates shall be deemed the "Initial Base Rates". A/E must request rate adjustments, in writing, at least **thirty (30) days** prior to each annual anniversary date of the Agreement and any rate changes will take effect on the first day following the prior year. If A/E fails to request a CPI rate adjustment, as set forth herein, the adjustment will be effective **thirty (30) days** after County receives A/E's written request. No retroactive rate adjustments will be allowed. All rate adjustments and modifications shall be set forth in a written fully executed amendment.

Price adjustments will be made in accordance with changes in the U.S. Department of Labor Consumer Price Index (CPI-U) for All Urban Consumers, All Items, South Region (Base 1982-84 = 100).

The rate adjustment will be determined by multiplying the Initial Base Rates by a fraction, the numerator of which is the index number for most recently released index before each annual anniversary date of the Agreement and the denominator of which is the index number for the first month of the Agreement (the index number for the month in which the Agreement was originally executed). If the products are greater than the Initial Base Rates, County will pay the greater amounts as the rates during the successive year until the next rate adjustment. Rates for each successive year will never be less than the Initial Base Rates.

WILLIAMSON COUNTY VENDOR REIMBURSEMENT POLICY

The purpose of this Williamson County Vendor Reimbursement Policy ("Policy") is to provide clear guidelines to vendors on Williamson County's expectations and requirements regarding allowable reimbursable expenditures and required backup. The Policy will also minimize conflicts related to invoice payments and define non-reimbursable items. This Policy is considered a guideline and is not a contract.

This Policy may be altered, deleted, or amended at any time and without prior notice to vendors, by action of the Williamson County Commissioners Court. Unenforceable provisions of this Policy, as imposed by applicable law, regulations, or judicial decisions, shall be deemed to be deleted. Any revisions to this Policy will be distributed to all current vendors doing business with County.

1. Invoices and Affidavits

1.1 Invoices must adequately describe the goods or services provided to County and include all required backup (i.e. reimbursable expenses, mileage log, timesheets, receipts detailing expenses incurred etc.) that is in a form acceptable to the Williamson County Auditor. Invoices that do not adequately describe the goods or services provided to County or contain backup that is not satisfactory to the Williamson County Auditor will be returned to vendor for revisions and the provision above relating to invoice errors resolved in favor of County shall control as to the required actions of vendor and when such invoice must be paid by County.

1.2 In the event an invoice includes charges based upon hourly billing rates for services or any other rates based upon the amount of time worked by an individual or individuals in performing services, whether the charges are being billed directly to County or whether they are the basis of invoices from subcontractors for which the vendor seeks reimbursement from County, the charges shall be accompanied by an affidavit signed by an officer or principal of the vendor certifying that the work was performed, it was authorized by County and that all information contained in the invoice that is being submitted is true and correct.

1.3 Upon County's request, vendor must submit all bills paid affidavits wherein vendor must swear and affirm that vendor has paid each of its subcontractors, laborers, suppliers and material in full for all labor and materials provided to vendor for or in connection with services and work performed for County and, further, vendor must swear and affirm that vendor is not aware of any unpaid bills, claims, demands, or causes of action by any of its subcontractors, laborers, suppliers, or material for or in connection with the furnishing of labor or materials, or both, for services and work performed for County.

2. Travel Reimbursement

2.1 County will only cover costs associated with travel on vendors outside a 50-mile radius from Williamson County, Texas.

2.2 County will only cover costs associated with travel as documented work for County. If a vendor is also doing business for another client, the travel costs must be split in proportion to the amount of work actually performed for County and the other client. The only allowable travel expense will be for the specific days worked for Williamson County.

2.3 No advance payments will be made to vendor for travel expenditures. The travel expenditure may only be reimbursed after the expenditure/trip has already occurred and vendor has provided the Williamson County Auditor with all necessary and required backup.

2.4 Vendors must submit all travel reimbursement requests on each employee in full. Specifically, a travel reimbursement request must include all related travel reimbursement expenses relating to a particular trip for which vendor seeks reimbursement. Partial travel reimbursement requests will not be accepted (i.e. vendor shall not submit hotel and mileage one month then the next month submit rental car and airfare). If the travel reimbursement appears incomplete, the invoice will be sent back to the vendor to be submitted when all information is ready to submit in full.

2.5 Reimbursement for transportation costs will be at the most reasonable means of transportation (i.e.: airline costs will be reimbursed for coach rate, rental car costs will only be reimbursed if rental car travel was most reasonable means of travel as compared to travel by air).

2.6 County will not be responsible for, nor will County reimburse additional charges due to personal preference or personal convenience of individual traveling.

2.7 County will not reimburse airfare costs if airfare costs were higher than costs of mileage reimbursement.

2.8 Additional expenses associated with travel that is extended to save costs (i.e. Saturday night stay) may be reimbursed if costs of airfare would be less than the cost of additional expenses (lodging, meals, car rental, mileage) if the trip had not been extended. Documentation satisfactory to the Williamson County Auditor will be required to justify expenditure.

2.9 County will only reimburse travel expense to necessary personnel of the vendor (i.e. no spouse, friends, or family members).

2.10 Except as otherwise set forth herein, a vendor must provide a paid receipt for all expenses. If a receipt cannot be obtained, a written sworn statement of the expense from the vendor may be substituted for the receipt.

2.11 Sales tax for meals and hotel stays are the only sales taxes that will be reimbursed. Sales tax on goods purchased will not be reimbursed. A sales tax exemption form is available from the Williamson County Auditor's Office upon request.

2.12 County will not pay for any late charges on reimbursable items. It is the responsibility of the vendor to pay the invoice first and seek reimbursement from County.

3. Meals

3.1 Meal reimbursements are limited to a maximum of $50.00 per day on overnight travel. On day travel (travel that does not require an overnight stay), meal reimbursements are limited to a maximum of $20.00 per day. The travel must be outside the Williamson County, Texas line by a 50-mile radius.

3.2 Receipts are required on meal reimbursement amounts up to the maximum per day amount stated for overnight or day travel. If receipts are not presented, the vendor can request per diem (per diem limits refer to 3.2). However, a vendor cannot combine per diem and meal receipts. Only one method shall be allowed.

3.3 Meals are reimbursable only for vendors who do not have the necessary personnel located within a 50-mile radius of Williamson County, Texas that are capable of carrying the vendor's obligations to County. Meals will not be reimbursed to vendors who are located within a 50-mile radius of Williamson County, Texas.

3.4 County will not reimburse for alcoholic beverages.

3.5 Tips are reimbursable but must be reasonable to limitation of meal allowance

3.6 No meals purchased for entertainment purposes will be allowed.

3.7 Meal reimbursement must be substantiated with a hotel receipt.

4. Lodging

4.1 Hotel accommodations require an itemized hotel folio as a receipt. The lodging receipt shall include name of the motel/hotel, number of occupant(s), goods or services for each individual charge (room rental, food, tax, etc.) and the name of the occupant(s). Credit card receipts or any other form of receipt are not acceptable.

4.2 Vendors will be reimbursed for a single room rate charge plus any applicable tax. If a single room is not available, the vendor must provide documentation to prove that a single room was not available in order to justify the expense over and above the single

room rate. A vendor may also be required to provide additional documentation if a particular room rate appears to be excessive.

4.3 Personal telephone charges, whether local or long distance, will not be reimbursed.

5. Airfare

5.1 County will only reimburse up to a coach price fare for air travel.

5.2 County will exclude any additional charges due to personal preference or personal convenience of the individual traveling (i.e. early bird check in, seat preference charges, airline upgrades, etc. will not be an allowable reimbursement)

5.3 Air travel expenses must be supported with receipt copy of an airline ticket or an itinerary with actual ticket price paid. If tickets are purchased through a website, vendor must submit a copy of the webpage showing the ticket price if no paper ticket was issued.

5.4 Cancellation and/or change flight fees may be reimbursed by County but vendor must provide the Williamson County Auditor with documentation in writing from a County department head providing authorization for the change.

5.5 County will not reimburse vendor for tickets purchased with frequent flyer miles.

6. Car Rental

6.1 Vendors that must travel may rent a car at their destination when it is less expensive than other transportation such as taxis, airport shuttles or public transportation such as buses or subways.

6.2 Cars rented must be economy or mid-size. Luxury vehicle rentals will not be reimbursed. Any rental costs over and above the cost of a mid-size rental will be adjusted.

6.3 Vendors will be reimbursed for rental cars if the rental car cost would have been less than the mileage reimbursement cost (based on the distance from vendor's point of origin to Williamson County, Texas) had the vendor driven vendor's car.

6.4 Vendors must return a car rental with appropriate fuel levels as required by rental agreement to avoid the car rental company from adding fuel charges.

6.5 Rental agreement and credit card receipt must be provided to County as back up for the request for reimbursement.

6.6 Insurance purchased when renting vehicle may also be reimbursed.

6.7 Car Rental optional extras such as GPS, roadside assistance, and administrative fees on Tolls will not be reimbursed.

7. Personal Car Usage

7.1 Personal vehicle usage will be reimbursed in an amount equal to the standard mileage rate allowed by the IRS.

7.2 Per code of **Federal Regulations, Title 26, Subtitle A, Chapter 1, Subchapter B, Part IX, Section 274(d)**, all expense reimbursement requests must include the following:

7.2.1 Date

7.2.2 Destination

7.2.3 Purpose

7.2.4 Name of traveler(s)

7.2.5 Correspondence that verifies business purpose of the expense

7.3 The mileage for a personal vehicle must document the date, location of travel to/from, number of miles traveled and purpose of trip.

7.4 Mileage will be reimbursed on the basis of the most commonly used route.

7.5 Reimbursement for mileage shall not exceed the cost of a round trip coach airfare.

7.6 Reimbursement for mileage shall be prohibited between place of residence and usual place of work.

7.7 Mileage shall be calculated from employee's regular place of work or their residence, whichever is the shorter distance when traveling to a meeting or traveling to Williamson County, Texas for vendors who are located outside of Williamson County, Texas by at least a 50-mile radius.

7.8 When more than one person travels in same vehicle, only one person may claim mileage reimbursement.

7.9 Tolls, if reasonable, are reimbursable. Receipts are required for reimbursement. If a receipt is not obtainable, then written documentation of expense must be submitted for reimbursement (administrative fees on Tolls will not be reimbursed).

7.10 Parking fees, if reasonable are reimbursable for meetings and hotel stays. For vendors who contract with a third party for visitor parking at vendor's place of business, Williamson County will not reimburse a vendor based on a percentage of its

contracted visitor parking fees. Rather, Williamson County will reimburse Vendor for visitor parking on an individual basis for each time a visitor uses Vendor's visitor parking. Receipts are required for reimbursement. If a receipt is not obtainable, then written documentation of expense must be submitted for reimbursement.

7.11 Operating and maintenance expenses as well as other personal expenses, such as parking tickets, traffic violations, and car repairs and collision damage are not reimbursable.

8. Other Expenses

8.1 Taxi fare, bus tickets, conference registrations, parking, etc. must have a proper original receipt.

9. Repayment of Non-reimbursable Expenses

Vendors must, upon demand, immediately repay County for all inappropriately reimbursed expenses whenever an audit or subsequent review of any expense reimbursement documentation finds that such expense was reimbursed contrary to these guidelines and this Policy. ARTICLE 7
ADDITIONAL SERVICES AND CHARGES

For the performance of services not specifically described as Basic Services under **Article 4** above (sometimes referred to herein as "Additional Services"), County shall pay and A/E shall receive, under a negotiated, written Supplemental Agreement, Additional Services compensation based upon the method and rates set forth in **Exhibit B**.

A/E shall not, however, be compensated for work made necessary by A/E's negligent errors or omissions. In the event of any dispute over the classification of A/E's services as Basic or Additional Services under this Agreement, the decision of County shall be final and binding on A/E.

It is expressly understood and agreed that A/E shall not furnish any Additional Services without the prior written authorization of County. County shall have no obligation to pay for such Additional Services which have been rendered without prior written authorization of County as hereinabove required. Furthermore, in no event will County be obligated to compensate A/E for any Additional Services and charges in an amount more than **One Thousand, Six Hundred Nineteen Dollars ($ 1,619)**.

ARTICLE 8
TIME OF PAYMENT; PAYMENT AND INTEREST; AND RIGHT TO AUDIT

8.1 Time of Payment.

During the performance of the services provided for in this Agreement, monthly payments shall be made based upon that portion of the services which has been completed.

On or about the last day of each calendar month during the performance of the services to be provided under this Agreement, A/E shall submit to County working documents in any stage of completion to demonstrate incremental progress of Basic Services and the compensation which is due for percentage completion of Basic Services. For amounts payable under **Article 7** which have not been previously billed or paid, A/E shall submit a sworn statement to County, along with time sheets detailing hours worked, receipts detailing expenses incurred and other support documentation, in a form acceptable to the Williamson County Auditor, setting forth the services provided for by this Agreement which were completed during such calendar month plus the amounts payable under **Article 7** which have not been previously billed or paid. In the event the statement includes charges based upon hourly billing rates for services or any other rates based upon the amount of time worked by an individual or individuals in performing services, whether the charges are being billed directly to the County or whether they are the basis of invoices from

subcontractors for which A/E seeks reimbursement from the County, the charges shall be accompanied by an affidavit signed by an officer or principal of A/E certifying that the work was performed, it was authorized by the County and that all information contained in the invoice that is being submitted is true and correct.

The County shall review the documentation and shall pay each statement as set forth in this **Article 8**, however, the approval or payment of any statement shall not be considered evidence of performance by A/E to the point indicated by such statement or of receipt or acceptance by County of the services covered by such statement. Final payment does not relieve A/E of the responsibility of correcting any errors or omissions resulting from A/E's negligence.

Upon submittal of the initial invoice, A/E shall provide the County Auditor with an Internal Revenue Form W-9, Request for Taxpayer Identification Number and Certification that is complete in compliance with the Internal Revenue Code, its rules and regulations.

8.2 Prompt Payment Policy.

In accordance with **Chapter 2251, V.T.C.A., Texas Government Code**, payment to A/E will be made within **thirty (30) days** of the day on which the performance of services was complete, or within **thirty (30) days** of the day on which the County Auditor receives a correct invoice for services, whichever is later. A/E may charge a late fee (fee shall not be greater than that which is permitted by Texas law) for payments not made in accordance with this prompt payment policy; however, this policy does not apply in the event:

8.2.1

There is a bona fide dispute between County and A/E concerning the supplies, materials, or equipment delivered or the services performed that causes the payment to be late; or

8.2.2

There is a bona fide dispute between A/E and a subcontractor/ subconsultant or between a subcontractor/ subconsultant and its supplier concerning supplies, materials, or equipment delivered or the Basic Services performed which causes the payment to be late; or

8.2.3

The invoice is not submitted to Williamson County in strict accordance with instructions, if any, on the purchase order, or this Agreement or other such contractual agreement.

The County Auditor shall document to A/E the issues related to disputed invoices within **ten (10) calendar days** of receipt of such invoice. Any non-disputed invoices shall be considered correct and payable per the terms of **Texas Government Code, Chapter 2251, V.T.C.A**.

A/E shall promptly advise County in writing of events which have or may have a significant impact upon the progress of the Basic Services, including but not limited to the following:

11.1

Such revisions shall be considered as Additional Services and paid for as specified under **Article 7**. A/E shall make revisions to Basic Services authorized hereunder as are necessary to correct errors appearing therein, when required to do so by County. ARTICLE 13
REVIEW PROCESS AND REVISIONS TO A/E WORK PRODUCT

13.1 Review Process.

A/E's Work Product will be reviewed by County under its applicable technical requirements and procedures, as follows:

13.1.1 Submittal.

Reports, plans, surveys, field notes, original drawings, computer tapes, graphic files, tracings, calculations, analyses, reports, specifications, data, sketches and/or schematics prepared by A/E and supporting documents (collectively referred to hereinabove and hereinafter as the "A/E Work Product(s)"), shall be submitted by A/E on or before the dates specified for completion, as set out in the Production Schedule set forth in **Exhibit C**.

13.1.2 Completion.

Reports, plans, specifications, and supporting documents shall be submitted by A/E on or before the dates specified in **Exhibit C**. Upon receipt of same, the submission shall be checked for completion. "Completion" or "Complete" shall be defined as all of the required items, as set out in **Exhibit A** have been included in compliance with the requirements of this Agreement. The completeness of any Basic Services submitted to County shall be determined by County within thirty (30) days of such submittal and County shall notify A/E in writing within such thirty (30) day period if such Basic Services have been found to be incomplete. If the submission is Complete, County will notify A/E and County's technical review process will begin.

If the submission is not Complete, County will notify A/E, who shall perform such professional services as are required to complete the Basic Services and resubmit it to County. This process shall be repeated until a submission is Complete.

13.1.3 Acceptance.

County will review the completed Basic Services for compliance with this Agreement. If necessary, the completed Basic Services will be returned to A/E, who shall perform any required Basic Services and resubmit to County. This process shall be repeated until the Basic Services are Accepted. "Acceptance" or "Accepted" shall mean that in County's reasonable opinion, substantial compliance with the requirements of this Agreement has been achieved.

13.1.4 Final Approval.

After Acceptance, A/E shall perform any required modifications, changes, alterations, corrections, redesigns, and additional work necessary to receive Final Approval by County. "Final Approval" in this sense shall mean formal recognition that the Basic Services have been fully carried out.

13.2 Revision to A/E Work Product.

A/E shall make, without expense to County, such revisions to A/E Work Product as may be required to correct negligent errors or omissions so A/E Work Product meets the needs of County, but after the approval of A/E Work Product any revisions, additions, or other modifications made at County's request which involve extra services and expenses to A/E shall entitle A/E to additional compensation for such extra services and expenses; provided, however, A/E hereby agrees to perform any necessary corrections to A/E Work Products which are found to be in negligent error or omission as a result of A/E's development of A/E Work Product, at any time, without additional compensation. If it is necessary, due to such error or omission by A/E, to revise any A/E Work Product in order to make the Project constructible, A/E shall do so without additional compensation. In the event of any dispute over the classification of A/E's Work Products as Complete, Accepted, or Approved under this Agreement, the decision of County shall be final and binding on A/E, subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

13.3 Days.

All references to a "day" in this Agreement shall mean a calendar day unless otherwise specified.

13.4 County's Reliance on A/E.

A/E's duties as set forth herein shall at no time be in any way diminished by reason of any review, evaluation, or approval by County nor shall A/E be released from any liability by reason of such review, evaluation or approval by County, it being understood that County, at all times, is ultimately relying upon A/E's skill, ability, and knowledge in performing the Basic Services required hereunder.

ARTICLE 14
SUSPENSION

Should County desire to suspend the Basic Services, but not to terminate this Agreement, then such suspension may be effected by County giving A/E **thirty (30) calendar days'** verbal notification followed by written confirmation to that effect. Such **thirty (30)-day** notice may be waived in writing by agreement and signature of both parties. The Basic Services may be reinstated and resumed in full force and effect within **sixty (60) days** of receipt of written notice from County to resume the Basic Services. Such **sixty (60)-day** notice may be waived in writing by agreement and signature of both parties. If this Agreement is suspended for more than **thirty (30) days**, A/E shall have the option of terminating this Agreement and, in the event, A/E shall be compensated for all Basic Services performed and reimbursable expenses incurred, provided such Basic Services and reimbursable expenses have been previously authorized and approved by County, to the effective date of suspension.

County assumes no liability for Basic Services performed or costs incurred prior to the date authorized by County for A/E to begin Basic Services, and/or during periods when Basic Services are suspended, and/or subsequent to the completion date.

ARTICLE 15
VIOLATION OF CONTRACT TERMS/ BREACH OF CONTRACT

Violation of contract terms or breach of contract by A/E shall be grounds for termination of this Agreement, and any increased costs arising from A/E's default, breach of contract, or violation of contract terms shall be paid by A/E.

ARTICLE 16
TERMINATION

This Agreement may be terminated as set forth below.

16.1
By mutual agreement and consent, in writing, of both parties.

16.2
By County, by notice in writing to A/E, as a consequence of failure by A/E to perform the Basic Services set forth herein in a satisfactory manner.

16.3
By either party, upon the failure of the other party to fulfill its obligations as set forth herein.

16.4
By County, for reasons of its own and not subject to the mutual consent of A/E, upon not less than **thirty (30) days** written notice to A/E.

16.5
By satisfactory completion of all Basic Services and obligations described herein.

Should County terminate this Agreement as herein provided, no fees other than fees due and payable at the time of termination plus reimbursable expenses incurred shall thereafter be paid to A/E. In determining the value of the Basic Services performed by A/E prior to termination, County shall be the sole judge. Compensation for Basic Services at termination will be based on a percentage of the Basic Services completed at that time. Should County terminate this Agreement under **Section 16.4** above, then the amount charged during the **thirty (30)-day** notice period shall not exceed the amount charged during the preceding **thirty (30) days**.

If A/E defaults in the performance of this Agreement or if County terminates this Agreement for fault on the part of A/E, then County shall give consideration to the actual costs incurred by A/E in performing the Basic Services to the date of default, the amount of Basic Services required which was satisfactorily completed to date of default, the value of the Basic Services which are

usable to County, the cost to County of employing another firm to complete the Basic Services required and the time required to do so, and other factors which affect the value to County of the Basic Services performed at the time of default.

The termination of this Agreement and payment of an amount in settlement as prescribed above shall extinguish all rights, duties, and obligations of County under this Agreement. If the termination of this Agreement is due to the failure of A/E to fulfill its contractual obligations, then County may take over the Project and prosecute the Basic Services to completion. In such case, A/E shall be liable to County for any additional and reasonable costs incurred by County.

A/E shall be responsible for the settlement of all contractual and administrative issues arising out of any procurements made by A/E in support of the Basic Services under this Agreement.

ARTICLE 17
USE OF DOCUMENTS

All documents, including but not limited to drawings, specifications, and data or programs stored electronically, (hereinafter referred to as "A/E Work Products") prepared by A/E and its subcontractors/ subconsultants are related exclusively to the services described in this Agreement and are intended to be used with respect to this Project. Upon execution of this Agreement, A/E grants to County permission to reproduce A/E's work and documents for purposes of constructing, using, and maintaining the Project, provided that County will comply with its obligations, including prompt payment of all sums when due, under this Agreement. A/E shall obtain similar permission from A/E's subcontractors/ subconsultants consistent with this Agreement. If and upon the date A/E is adjudged in default of this Agreement, County is permitted to authorize other similarly credentialed design professionals to

reproduce and, where permitted by law, to make changes, corrections, or additions to the work and documents for the purposes of completing, using, and maintaining the Project.

County shall not assign, delegate, sublicense, pledge, or otherwise transfer any permission granted herein to another party without the prior written consent of A/E. However, County shall be permitted to authorize the contractor, subcontractors, and material or equipment suppliers to reproduce applicable portions of A/E Work Products appropriate to and for use in the execution of the Work. Submission or distribution of A/E Work Products to meet official regulatory requirements or for similar purposes in connection with the Project is permitted. Any unauthorized use of A/E Work Products shall be at County's sole risk and without liability to A/E and its subconsultants.

Prior to A/E providing to County any A/E Work Products in electronic form or County providing to A/E any electronic data for incorporation into A/E Work Products, County and A/E shall, by separate written agreement, set forth the specific conditions governing the format of such A/E Work Products or electronic data, including any special limitations not otherwise provided in this Agreement. Any electronic files are provided by A/E for the convenience of County and use of them is at County's sole risk. In the case of any defects in electronic files or any discrepancies between them and any hardcopy of the same documents prepared by A/E, the hardcopy shall prevail. Only printed copies of documents conveyed by A/E shall be relied upon.

A/E shall have no liability for changes made to the drawings by other consultants subsequent to the completion of the Project. Any such change shall be sealed by A/E making that change and shall be appropriately marked to reflect what was changed or modified.

ARTICLE 18

A/E shall furnish and maintain, at its own expense, quarters for the performance of all Basic Services, and adequate and sufficient personnel and equipment to perform the Basic Services as required. All employees of A/E shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of A/E who, in the reasonable opinion of County, is incompetent or whose conduct becomes detrimental to the Basic Services shall immediately be removed from association with the Project when so instructed by County. A/E certifies that it presently has adequate qualified personnel in its employment for performance of the Basic Services required under this Agreement, or will obtain such personnel from sources other than County. A/E may not change the Project Manager without prior written consent of County.

ARTICLE 19
SUBCONTRACTING

Both parties hereto, in the performance of this Agreement, shall act in an individual capacity and not as agents, employees, partners, joint ventures or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purposes whatsoever.

30.14 Appropriation of Funds by County.

County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Agreement. A/E understands and agrees that County's payment of amounts under this Agreement is contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Agreement. It is further understood and agreed by A/E that County shall have the right to terminate this Agreement at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may affect such termination by giving written notice of termination to A/E.

ARTICLE 31

Except as otherwise specifically set forth herein, County and A/E shall work together in good faith to resolve any controversy, dispute, or claim between them which arises out of or relates to this Agreement, whether stated in tort, contract, statute, claim for benefits, bad faith, professional liability or otherwise ("Claim"). If the parties are unable to resolve the Claim within **thirty (30) days** following the date in which one party sent written notice of the Claim to the other party, and if a party wishes to pursue the Claim, such Claim shall be addressed through non-binding mediation. A single mediator engaged in the practice of law, who is knowledgeable about subject matter of this Agreement, shall be selected by agreement of the parties and serve as the mediator.

Any mediation under this Agreement shall be conducted in Williamson County, Texas. The mediator's fees shall be borne equally between the parties. Such non-binding mediation is a condition precedent to seeking redress in a court of competent jurisdiction, but this provision shall not preclude either party from filing a lawsuit in a court of competent jurisdiction prior to completing a mediation, if necessary to preserve the statute of limitations, in which case such lawsuit shall be stayed pending completion of the mediation process contemplated herein. This provision shall survive the termination of this Agreement.

ARTICLE 32
EQUAL OPPORTUNITY IN EMPLOYMENT

The parties to this Agreement agree that during the performance of the services under this Agreement they will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The parties to this Agreement will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; termination; rates of pay or other forms of compensation, and selection for training, including apprenticeship.

ARTICLE 33
MERGER

The Parties agree that this Agreement contains all of the terms and conditions of the understanding of the parties relating to the subject matter hereof. All prior negotiations, discussions, correspondence and preliminary understandings between the parties and others relating hereto are superseded by this Agreement.

ARTICLE 34
PUBLIC CONTACT

Contact with the news media, citizens of Williamson County or governmental agencies shall be the responsibility of County. Under no circumstances shall A/E release any material or information developed in the performance of its services hereunder without the express written permission of County.

WILLIAMSON COUNTY VENDOR REIMBURSEMENT POLICY

The purpose of this Williamson County Vendor Reimbursement Policy ("Policy") is to provide clear guidelines to vendors on Williamson County's expectations and requirements regarding allowable reimbursable expenditures and required backup. The Policy will also minimize conflicts related to invoice payments and define non-reimbursable items. This Policy is considered a guideline and is not a contract.

This Policy may be altered, deleted, or amended at any time and without prior notice to vendors, by action of the Williamson County Commissioners Court. Unenforceable provisions of this Policy, as imposed by applicable law, regulations, or judicial decisions, shall be deemed to be deleted. Any revisions to this Policy will be distributed to all current vendors doing business with County.

1. Invoices and Affidavits

1.1 Invoices must adequately describe the goods or services provided to County and include all required backup (i.e. reimbursable expenses, mileage log, timesheets, receipts detailing expenses incurred etc.) that is in a form acceptable to the Williamson County Auditor. Invoices that do not adequately describe the goods or services provided to County or contain backup that is not satisfactory to the Williamson County Auditor will be returned to vendor for revisions and the provision above relating to invoice errors resolved in favor of County shall control as to the required actions of vendor and when such invoice must be paid by County.

1.2 In the event an invoice includes charges based upon hourly billing rates for services or any other rates based upon the amount of time worked by an individual or individuals in performing services, whether the charges are being billed directly to County or whether they are the basis of invoices from subcontractors for which the vendor seeks reimbursement from County, the charges shall be accompanied by an affidavit signed by an officer or principal of the vendor certifying that the work was performed, it was authorized by County and that all information contained in the invoice that is being submitted is true and correct.

1.3 Upon County's request, vendor must submit all bills paid affidavits wherein vendor must swear and affirm that vendor has paid each of its subcontractors, laborers, suppliers and material in full for all labor and materials provided to vendor for or in connection with services and work performed for County and, further, vendor must swear and affirm that vendor is not aware of any unpaid bills, claims, demands, or causes of action by any of its subcontractors, laborers, suppliers, or material for or in connection with the furnishing of labor or materials, or both, for services and work performed for County.

2. Travel Reimbursement

2.1 County will only cover costs associated with travel on vendors outside a 50-mile radius from Williamson County, Texas.

2.2 County will only cover costs associated with travel as documented work for County. If a vendor is also doing business for another client, the travel costs must be split in proportion to the amount of work actually performed for County and the other client. The only allowable travel expense will be for the specific days worked for Williamson County.

2.3 No advance payments will be made to vendor for travel expenditures. The travel expenditure may only be reimbursed after the expenditure/trip has already occurred and vendor has provided the Williamson County Auditor with all necessary and required backup.

2.4 Vendors must submit all travel reimbursement requests on each employee in full. Specifically, a travel reimbursement request must include all related travel reimbursement expenses relating to a particular trip for which vendor seeks reimbursement. Partial travel reimbursement requests will not be accepted (i.e. vendor shall not submit hotel and mileage one month then the next month submit rental car and airfare). If the travel reimbursement appears incomplete, the invoice will be sent back to the vendor to be submitted when all information is ready to submit in full.

2.5 Reimbursement for transportation costs will be at the most reasonable means of transportation (i.e.: airline costs will be reimbursed for coach rate, rental car costs will only be reimbursed if rental car travel was most reasonable means of travel as compared to travel by air).

2.6 County will not be responsible for, nor will County reimburse additional charges due to personal preference or personal convenience of individual traveling.

2.7 County will not reimburse airfare costs if airfare costs were higher than costs of mileage reimbursement.

2.8 Additional expenses associated with travel that is extended to save costs (i.e. Saturday night stay) may be reimbursed if costs of airfare would be less than the cost of additional expenses (lodging, meals, car rental, mileage) if the trip had not been extended. Documentation satisfactory to the Williamson County Auditor will be required to justify expenditure.

2.9 County will only reimburse travel expense to necessary personnel of the vendor (i.e. no spouse, friends, or family members).

2.10 Except as otherwise set forth herein, a vendor must provide a paid receipt for all expenses. If a receipt cannot be obtained, a written sworn statement of the expense from the vendor may be substituted for the receipt.

2.11 Sales tax for meals and hotel stays are the only sales taxes that will be reimbursed. Sales tax on goods purchased will not be reimbursed. A sales tax exemption form is available from the Williamson County Auditor's Office upon request.

2.12 County will not pay for any late charges on reimbursable items. It is the responsibility of the vendor to pay the invoice first and seek reimbursement from County.

3. Meals

3.1 Meal reimbursements are limited to a maximum of $50.00 per day on overnight travel. On day travel (travel that does not require an overnight stay), meal reimbursements are limited to a maximum of $20.00 per day. The travel must be outside the Williamson County, Texas line by a 50-mile radius.

3.2 Receipts are required on meal reimbursement amounts up to the maximum per day amount stated for overnight or day travel. If receipts are not presented, the vendor can request per diem (per diem limits refer to 3.2). However, a vendor cannot combine per diem and meal receipts. Only one method shall be allowed.

3.3 Meals are reimbursable only for vendors who do not have the necessary personnel located within a 50-mile radius of Williamson County, Texas that are capable of carrying the vendor's obligations to County. Meals will not be reimbursed to vendors who are located within a 50-mile radius of Williamson County, Texas.

3.4 County will not reimburse for alcoholic beverages.

3.5 Tips are reimbursable but must be reasonable to limitation of meal allowance

3.6 No meals purchased for entertainment purposes will be allowed.

3.7 Meal reimbursement must be substantiated with a hotel receipt.

It is understood and agreed that Client shall have the right to terminate this Agreement at the end of any Client fiscal year if the governing body of Client does not appropriate sufficient funds as determined by Client's budget for the fiscal year in question. 11. MISCELLANEOUS.

11.1 Entire Agreement. This Agreement sets forth the entire agreement and understanding between the Parties hereto with respect to the subject matter hereof and, except as specifically provided herein, supersedes and merges all prior oral and written agreements, discussions and understandings between the Parties with respect to the subject matter hereof, and neither of the Parties will be bound by any conditions, inducements or representations other than as expressly provided for herein.

11.2 Independent Contractors. In making and performing this Agreement, Client and Provider act and will act at all times as independent contractors, and, except as expressly set forth herein, nothing contained in this Agreement will be construed or implied to create an agency, partnership or employer and employee relationship between them. Except as expressly set forth herein, at no time will either Party make commitments or incur any charges or expenses for, or in the name of, the other Party.

11.3 Third Party Providers. Provider and Client acknowledge and agree that various types of third-party providers may be involved in the provision of Provider's Software or support the Virgin Pulse Program. Provider shall remain liable for the acts and omissions of its Administrative Vendors and Certified Partners. In the event that Client leverages any Authorized Partners or Connected Partners and requests that such services be integrated to support the Virgin Pulse Program, Client and Provider acknowledge and agree that Client shall contract separately with such third-parties for the provision of such service. Provider shall not be held liable for the acts or omissions of Authorized Partners and Connected Partners, nor will such third-parties' conduct affect any agreed upon performance guarantees between Client and Provider.

11.4 Notices. All notices required by or relating to this Agreement will be in writing and will be sent by means of certified mail, postage prepaid, to the Parties at their respective addresses set forth in the Order Form, or addressed to such other address as the receiving Party may have given by written notice in accordance with this provision. All notices required by or relating to this Agreement may also be communicated by facsimile and/or other electronic communications provided that the sender receives and retains confirmation of successful transmittal to the recipient. Such notices will be effective on the date indicated in such confirmation. In the event that either Party delivers any notice by means of facsimile transmission or other electronic means in accordance with the preceding sentence, such Party will promptly thereafter send a duplicate of such notice in writing by means of certified mail, postage prepaid, to the receiving Party, addressed as set forth above or to such other address as the receiving Party may have previously substituted by written notice to the sender.

11.5 Amendments; Modifications. This Agreement may not be amended or modified except in a writing duly executed by authorized representatives of both Parties.

11.6 Assignment. Neither party shall assign any of its rights under this Agreement without the express, prior written consent of the other Party, and, absent such consent, any attempted assignment will be null, void and of no effect.

11.8 No Third-Party Beneficiaries. The Parties acknowledge that the covenants set forth in this Agreement are intended solely for the benefit of the Parties, their successors and permitted assigns. Nothing herein, whether express or implied, will confer upon any person or entity, other than the Parties, their successors and permitted assigns, any legal or equitable right whatsoever to enforce any provision of this Agreement.

11.8 Severability. If any provision of this Agreement is invalid or unenforceable for any reason in any jurisdiction, such provision will be construed to have been adjusted to the minimum extent necessary to cure such invalidity or unenforceability. The invalidity or unenforceability of one or more of the provisions contained in this Agreement will not have the effect of rendering any other provisions of this Agreement invalid or unenforceable whatsoever.

11.9 Waiver. No waiver under this Agreement will be valid or binding unless set forth in writing and duly executed by the Party against whom enforcement of such waiver is sought. Any such waiver will constitute a waiver only with respect to the specific matter described therein and will in no way impair the rights of the Party granting such waiver in any other respect or at any other time. Any delay or forbearance by either Party in exercising any right hereunder will not be deemed a waiver of that right.

11.10 Force Majeure. Except with respect to payment obligations hereunder, if a Party is prevented or delayed in performance of its obligations hereunder as a result of circumstances beyond such Party's reasonable control, including, by way of example, Internet access outside of Provider's control, war, terror, riot, fires, floods, epidemics, or failure of public utilities or public transportation systems, such failure or delay will not be deemed to constitute a material breach of this Agreement, but such obligation will remain in full force and effect, and will be performed or satisfied as soon as reasonably practicable after the termination of the relevant circumstances causing such failure or delay, provided that if such Party is prevented or delayed from performing for more than ninety (90) days, the other Party may terminate this Agreement upon thirty (30) days' written notice.

11.11 Governing Law. THIS AGREEMENT WILL BE GOVERNED BY AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE COMPETENT JURISDICTION OF THE CLIENT UNLESS OTHERWISE AGREED TO BY THE PARTIES (STATE OF TEXAS) WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THEREOF OR TO THE UNITED NATIONS CONVENTION ON THE INTERNATIONAL SALE OF GOODS. Nothing in this agreement will be deemed to constitute a waiver of sovereign immunity or powers of licensee, the Williamson County Commissioners Court, or the Williamson County Judge.

11.12 Mediation. In the event of a dispute or controversy between the parties arising under or in connection with this Agreement and prior to commencing any litigation or other legal proceeding, a party shall, by giving written notice to the other party ("Dispute Notice"), request a meeting of authorized representatives of the parties for the purpose of resolving the dispute. The Dispute Notice shall provide sufficient details on the dispute in controversy to apprise the other party of the basis for the disputant's claims. The parties agree that, within thirty (30) days after the Dispute Notice is given, each party shall designate a representative to participate in and undertake dispute resolution discussions, which will be held at a mutually acceptable time and place (or by videoconference or telephone) for the purpose of resolving the dispute. Each party agrees to negotiate in good faith to resolve the dispute in a mutually acceptable manner. If the dispute or controversy is resolved by these negotiations, the parties shall confirm the resolution in writing signed by both parties and amend this Agreement as necessary or appropriate.

11.13 U.S. Government End-Users. Each of the Documentation and the software components that constitute the Application Service is a "commercial item" as that term is defined at 48 C.F.R. 2.101, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. 12.212. Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227.7202-1 through 227.7202-4, all U.S. Government end users acquire the Application Service and the Documentation with only those rights set forth therein.

11.14 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed will be deemed to be an original and all of which when taken together will constitute one Agreement.

11.15 Headings. The headings in this Agreement are inserted merely for the purpose of convenience and will not affect the meaning or interpretation of this Agreement.

11.16 Right to Audit. Provider agrees that Client or its duly authorized representatives shallhave access to and the right to examine and photocopy any and all books, documents, papers and records of Virgin Pulse which are directly pertinent to the services.. Any such audits shall be limited to once per calendar year. Client shall provide at least thirty (30) days prior written notice to Provider of its intent to audit. The audit shall be carried out on dates mutually agreed upon by the Parties, remotely or, if necessary for the audit to be onsite, at Provider's primary place of business, during regular business hours, in compliance with Provider's health, safety, secuirty and confidentiality requirements and in a manner that shall not disrupt or unduly burden Provider's daily business operations.

11.7 Proprietary Information and Texas Public Information Act. All material submitted to the Client presumptively becomes public property and subject to the Texas Public Information Act upon receipt. If Provider does not desire proprietary information to be disclosed, each page must be clearly identified and marked proprietary at time of submittal or, more preferably, all proprietary information may be placed in a folder or appendix and be clearly identified and marked as being proprietary. The Client will, to the extent allowed by law, endeavor to protect from public disclosure the information that has been identified and marked as proprietary. The final decision as to what information must be disclosed, however, lies with the Texas Attorney General. Failure to clearly identify and mark information as being proprietary as set forth under this provision will result in all unmarked information being deemed non-proprietary and available to the public. For all information that has not been clearly identified and marked as proprietary by Provider, the Client may choose to place such information on the Receiving Party's website and/or a similar public database without obtaining any type of prior consent from Provider.

To the extent, if any, that any provision in this contract is in conflict with Tex. Gov't Code 552.001 et seq., as amended (the "Public Information Act"), the same shall be of no force or effect. Furthermore, it is expressly understood and agreed that Receiving Party, its officers and employees may request advice, decisions and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act to any items or data furnished to Client as to whether or not the same are available to the public. It is further understood that Receiving Party's officers and employees shall have the right to rely on the advice, decisions and opinions of the Attorney General, and that Receiving Party, its officers and employees shall have no liability or obligation to any party hereto for the disclosure to the public, or to any person or persons, of any items or data furnished to Client by a party hereto, in reliance of any advice, decision or opinion of the Attorney General of the State of Texas.

Business Associate will not provide access to PHI to any member of its Workforce unless Business Associate has advised such member of Business Associate's HIPAA obligations and the consequences for violation of these obligations to the extent applicable to their job functions. Business Associate will take reasonably appropriate disciplinary action against any member of its Workforce that uses or discloses PHI in violation of this section, as required by applicable law or regulation.

18. Termination: Without limiting any other rights of the Parties, if either Party materially fails to adhere to its obligations under this Agreement, the other Party may terminate this Agreement if such failure is not cured within thirty (30) calendar days to the reasonable satisfaction of the other party.

20. Amendments: This Agreement may not be modified, nor shall any provision be waived or amended, except in writing duly signed by authorized representatives of the Parties. Covered Entity shall provide to Business Associate a written list of the names of those individuals in its Workforce that are authorized to receive or access PHI on its behalf, and to provide reasonable prior written notice to Business Associate of any changes to such list. APPENDIX E: PERFORMANCE GUARANTEES

Virgin Pulse will provide a comprehensive set of performance guarantees to Williamson County across a variety of key areas including:

- Implementation
- Member Support
- Technology
- Product
- Client Success

Performance guarantees are provided assuming that the final program design and the associated incentive strategy will be developed collaboratively, leveraging proven best practices.

Virgin Pulse will report on above performance guarantees when requested by Williamson County, but not more frequently than quarterly (or annually in the case of annual surveys). If a guarantee is not met, Virgin Pulse will credit the applicable amount towards the next client invoice.

Implementation: Virgin Pulse will provide a one-time performance guarantee equal to 50% of the implementation fees that would be directly tied to achievement of a successful program implementation as outlined in Section 1 below.

Platform and Program Support: Virgin Pulse will provide annual performance guarantees equal to 15% of the annual subscription services fees for meeting agreed upon performance guarantees as outlined in Section 2 below.

SECTION 1: IMPLEMENTATION

Performance Guarantee – Implementation – Implementation Effectiveness	
Performance Guarantee Level	The performance guarantee for Implementation Effectiveness will be equally weighted on two measures: • Implementation Satisfaction: achieving an average of 8 or above on a 10-point satisfaction scale, where 10 is very satisfied and 1 is very dissatisfied. • Implementation Timeliness: the program will launch within 5 business days of the agreed upon Launch Date, which is signed off by the client after the Implementation Kickoff.
How to Measure Performance Guarantee	Implementation performance guarantees will be measured as follows: • Implementation Satisfaction – A satisfaction survey will be sent to Client stakeholders within 30 days of the Launch Date. A minimum of three (3) responses must be completed for results to count toward Performance Guarantee evaluation. • Implementation Timeliness – All key deliverables and milestones will be monitored through the Virgin Pulse's project management tool and reported to the Client on a periodic basis. Changes to the Launch Date must be agreed upon by both parties and confirmed in writing during the implementation process.
Percent of Fees at Risk	50% of Implementation Fee at risk: • 50% for Implementation Satisfaction: credited in full at less than or equal to 6/10; credit pro-rated for 7.9-6.1/10 • 50% for Implementation Timeliness
Additional Details:	• Fees at risk only apply to the first-year implementation fees as outlined in the client Order Form. • Any missed deadlines caused by delays by the customer e.g. failure to deliver the required eligibility file will make this performance guarantee null and void. Additionally, if client chooses not to complete the satisfaction survey within 30 days of receipt this performance guarantee will be considered null and void. • This Performance Guarantee will be reviewed within 90 days of the initial full program launch. Any fees due to client will be credited against the next invoice.

SECTION 2: PLATFORM & PROGRAM SUPPORT

Performance Guarantee – Member Support – Member Service Support	
Performance Guarantee Level	The performance guarantee for Member Service Support is defined as follows: • Call response times within 45 seconds for 80% or more of all calls answered from all Virgin Pulse members • E-mail response times within 48 hours for 95% or more of all e-mails answered for all members (excluding holidays and weekends) • Satisfaction survey response of Satisfied or better by at least 80% of survey respondents. Survey is specific to the Virgin Pulse Member Services' experience and measured via the post-transaction Member Satisfaction survey
How to Measure Performance Guarantee	• Phone response time is calculated by dividing the number of phone calls answered with 45 seconds by the total number of phone calls answered for the time period • Email response time is calculated by dividing the number of emails responded to by a live agent within 48 hours (excluding holidays and weekends) by the total number of emails received for the time period • Quarterly report which will be provided upon client request.
Percent of Fees at Risk	• 2.0% of annual platform subscription service fees. • 1% to be paid for call response times; 1% to be paid for e-mail response times. • Each will be assessed Quarterly with .25% at risk per measure, per quarter.
Additional Details:	Fees at risk only apply to the annual platform subscription service fees. The following requirements must be met: • Call response PG is only applied if the minimum # of calls answered for the quarter is reached. Agenda Item

Discuss, consider and take appropriate action approving a Professional Services Agreement (PSA) for Wiss, Janney, Elstner Associates, Inc. (WJE) in the amount of $12,000.00 for the Design, Engineering and Construction Administration Services required for the Williamson County Expo Center Roof Repair as a result of the February 2021 winter storm event; and exemption of these services from the competitive bid/proposal requirements of the County Purchasing Act pursuant to the discretionary exemption for personal or professional services, as set forth under Tex. Loc. Gov't Code § 262.024(a)(4).

Background

The Facilities Department and Parks Department are collaborating to repair winter storm damage to the Williamson County Expo Hall roof to assure resumed operations at the property. In order for the building to be deemed safe for public occupancy, the county requires a structural engineer's certification on the current corrective measures, specifically the temporary roof patch that has been installed. Wiss, Janney, Elstner Associates, Inc. (WJE) provided the original design on the Expo Hall structure and has specialized knowledge of the facility. Staff seeks their services in this capacity.

The $12,000.00 fee shall compensate WJE for the following scope of services: 1. Design of the structural connection between the new steel frame and the existing foundation and 2. Construction administration services to oversee the repair.

The Facilities Department Contact is Trenton Jacobs. The professional services fees and roof repair are being funding through the insurance claim funds.

This provision shall survive the termination of this Agreement.

WILLIAMSON COUNTY VENDOR REIMBURSEMENT POLICY

The purpose of this Williamson County Vendor Reimbursement Policy ("Policy") is to provide clear guidelines to vendors on Williamson County's expectations and requirements regarding allowable reimbursable expenditures and required backup. The Policy will also minimize conflicts related to invoice payments and define non-reimbursable items. This Policy is considered a guideline and is not a contract.

This Policy may be altered, deleted, or amended at any time and without prior notice to vendors, by action of the Williamson County Commissioners Court. Unenforceable provisions of this Policy, as imposed by applicable law, regulations, or judicial decisions, shall be deemed to be deleted. Any revisions to this Policy will be distributed to all current vendors doing business with County.

1. Invoices and Affidavits

1.1 Invoices must adequately describe the goods or services provided to County and include all required backup (i.e. reimbursable expenses, mileage log, timesheets, receipts detailing expenses incurred etc.) that is in a form acceptable to the Williamson County Auditor. Invoices that do not adequately describe the goods or services provided to County or contain backup that is not satisfactory to the Williamson County Auditor will be returned to vendor for revisions and the provision above relating to invoice errors resolved in favor of County shall control as to the required actions of vendor and when such invoice must be paid by County.

1.2 In the event an invoice includes charges based upon hourly billing rates for services or any other rates based upon the amount of time worked by an individual or individuals in performing services, whether the charges are being billed directly to County or whether they are the basis of invoices from subcontractors for which the vendor seeks reimbursement from County, the charges shall be accompanied by an affidavit signed by an officer or principal of the vendor certifying that the work was performed, it was authorized by County and that all information contained in the invoice that is being submitted is true and correct.

1.3 Upon County's request, vendor must submit all bills paid affidavits wherein vendor must swear and affirm that vendor has paid each of its subcontractors, laborers, suppliers and material in full for all labor and materials provided to vendor for or in connection with services and work performed for County and, further, vendor must swear and affirm that vendor is not aware of any unpaid bills, claims, demands, or causes of action by any of its subcontractors, laborers, suppliers, or material for or in connection with the furnishing of labor or materials, or both, for services and work performed for County.

2. Travel Reimbursement

2.1 County will only cover costs associated with travel on vendors outside a 50-mile radius from Williamson County, Texas.

2.2 County will only cover costs associated with travel as documented work for County. If a vendor is also doing business for another client, the travel costs must be split in proportion to the amount of work actually performed for County and the other client. The only allowable travel expense will be for the specific days worked for Williamson County.

2.3 No advance payments will be made to vendor for travel expenditures. The travel expenditure may only be reimbursed after the expenditure/trip has already occurred and vendor has provided the Williamson County Auditor with all necessary and required backup.

2.4 Vendors must submit all travel reimbursement requests on each employee in full. Specifically, a travel reimbursement request must include all related travel reimbursement expenses relating to a particular trip for which vendor seeks reimbursement. Partial travel reimbursement requests will not be accepted (i.e. vendor shall not submit hotel and mileage one month then the next month submit rental car and airfare). If the travel reimbursement appears incomplete, the invoice will be sent back to the vendor to be submitted when all information is ready to submit in full.

2.5 Reimbursement for transportation costs will be at the most reasonable means of transportation (i.e.: airline costs will be reimbursed for coach rate, rental car costs will only be reimbursed if rental car travel was most reasonable means of travel as compared to travel by air).

2.6 County will not be responsible for, nor will County reimburse additional charges due to personal preference or personal convenience of individual traveling.

2.7 County will not reimburse airfare costs if airfare costs were higher than costs of mileage reimbursement.

2.8 Additional expenses associated with travel that is extended to save costs (i.e. Saturday night stay) may be reimbursed if costs of airfare would be less than the cost of additional expenses (lodging, meals, car rental, mileage) if the trip had not been extended. Documentation satisfactory to the Williamson County Auditor will be required to justify expenditure.

2.9 County will only reimburse travel expense to necessary personnel of the vendor (i.e. no spouse, friends, or family members).

2.10 Except as otherwise set forth herein, a vendor must provide a paid receipt for all expenses. If a receipt cannot be obtained, a written sworn statement of the expense from the vendor may be substituted for the receipt.

2.11 Sales tax for meals and hotel stays are the only sales taxes that will be reimbursed. Sales tax on goods purchased will not be reimbursed. A sales tax exemption form is available from the Williamson County Auditor's Office upon request.

2.12 County will not pay for any late charges on reimbursable items. It is the responsibility of the vendor to pay the invoice first and seek reimbursement from County.

3. Meals

3.1 Meal reimbursements are limited to a maximum of $50.00 per day on overnight travel. On day travel (travel that does not require an overnight stay), meal reimbursements are limited to a maximum of $20.00 per day. The travel must be outside the Williamson County, Texas line by a 50-mile radius.

3.2 Receipts are required on meal reimbursement amounts up to the maximum per day amount stated for overnight or day travel. If receipts are not presented, the vendor can request per diem (per diem limits refer to 3.2). However, a vendor cannot combine per diem and meal receipts. Only one method shall be allowed.

3.3 Meals are reimbursable only for vendors who do not have the necessary personnel located within a 50-mile radius of Williamson County, Texas that are capable of carrying the vendor's obligations to County. Meals will not be reimbursed to vendors who are located within a 50-mile radius of Williamson County, Texas.

3.4 County will not reimburse for alcoholic beverages.

3.5 Tips are reimbursable but must be reasonable to limitation of meal allowance

3.6 No meals purchased for entertainment purposes will be allowed.

3.7 Meal reimbursement must be substantiated with a hotel receipt.

4. Lodging

4.1 Hotel accommodations require an itemized hotel folio as a receipt. The lodging receipt shall include name of the motel/hotel, number of occupant(s), goods or services for each individual charge (room rental, food, tax, etc.) and the name of the occupant(s). Credit card receipts or any other form of receipt are not acceptable.

4.2 Vendors will be reimbursed for a single room rate charge plus any applicable tax. If a single room is not available, the vendor must provide documentation to prove that a single room was not available in order to justify the expense over and above the single

room rate. A vendor may also be required to provide additional documentation if a particular room rate appears to be excessive.

4.3 Personal telephone charges, whether local or long distance, will not be reimbursed.

5. Airfare

5.1 County will only reimburse up to a coach price fare for air travel.

5.2 County will exclude any additional charges due to personal preference or personal convenience of the individual traveling (i.e. early bird check in, seat preference charges, airline upgrades, etc. will not be an allowable reimbursement)

5.3 Air travel expenses must be supported with receipt copy of an airline ticket or an itinerary with actual ticket price paid. If tickets are purchased through a website, vendor must submit a copy of the webpage showing the ticket price if no paper ticket was issued.

5.4 Cancellation and/or change flight fees may be reimbursed by County but vendor must provide the Williamson County Auditor with documentation in writing from a County department head providing authorization for the change.

5.5 County will not reimburse vendor for tickets purchased with frequent flyer miles.

6. Car Rental

6.1 Vendors that must travel may rent a car at their destination when it is less expensive than other transportation such as taxis, airport shuttles or public transportation such as buses or subways.

6.2 Cars rented must be economy or mid-size. Luxury vehicle rentals will not be reimbursed. Any rental costs over and above the cost of a mid-size rental will be adjusted.

6.3 Vendors will be reimbursed for rental cars if the rental car cost would have been less than the mileage reimbursement cost (based on the distance from vendor's point of origin to Williamson County, Texas) had the vendor driven vendor's car.

6.4 Vendors must return a car rental with appropriate fuel levels as required by rental agreement to avoid the car rental company from adding fuel charges.

6.5 Rental agreement and credit card receipt must be provided to County as back up for the request for reimbursement.

6.6 Insurance purchased when renting vehicle may also be reimbursed.

6.7 Car Rental optional extras such as GPS, roadside assistance, and administrative fees on Tolls will not be reimbursed.

7. Personal Car Usage

7.1 Personal vehicle usage will be reimbursed in an amount equal to the standard mileage rate allowed by the IRS.

7.2 Per code of **Federal Regulations, Title 26, Subtitle A, Chapter 1, Subchapter B, Part IX, Section 274(d)**, all expense reimbursement requests must include the following:

7.2.1 Date

7.2.2 Destination

7.2.3 Purpose

7.2.4 Name of traveler(s)

7.2.5 Correspondence that verifies business purpose of the expense

7.3 The mileage for a personal vehicle must document the date, location of travel to/from, number of miles traveled and purpose of trip.

7.4 Mileage will be reimbursed on the basis of the most commonly used route.

7.5 Reimbursement for mileage shall not exceed the cost of a round trip coach airfare.

7.6 Reimbursement for mileage shall be prohibited between place of residence and usual place of work.

7.7 Mileage shall be calculated from employee's regular place of work or their residence, whichever is the shorter distance when traveling to a meeting or traveling to Williamson County, Texas for vendors who are located outside of Williamson County, Texas by at least a 50-mile radius.

7.8 When more than one person travels in same vehicle, only one person may claim mileage reimbursement.

7.9 Tolls, if reasonable, are reimbursable. Receipts are required for reimbursement. If a receipt is not obtainable, then written documentation of expense must be submitted for reimbursement (administrative fees on Tolls will not be reimbursed).

7.10 Parking fees, if reasonable are reimbursable for meetings and hotel stays. For vendors who contract with a third party for visitor parking at vendor's place of business, Williamson County will not reimburse a vendor based on a percentage of its

contracted visitor parking fees. Rather, Williamson County will reimburse Vendor for visitor parking on an individual basis for each time a visitor uses Vendor's visitor parking. Receipts are required for reimbursement. If a receipt is not obtainable, then written documentation of expense must be submitted for reimbursement.

7.11 Operating and maintenance expenses as well as other personal expenses, such as parking tickets, traffic violations, and car repairs and collision damage are not reimbursable.

8. Other Expenses

8.1 Taxi fare, bus tickets, conference registrations, parking, etc. must have a proper original receipt.

9. Repayment of Non-reimbursable Expenses

Vendors must, upon demand, immediately repay County for all inappropriately reimbursed expenses whenever an audit or subsequent review of any expense reimbursement documentation finds that such expense was reimbursed contrary to these guidelines and this Policy. Williamson County reserves the right to retain any amounts that are due or that become due to a vendor in order to collect any inappropriately reimbursed expenses that a vendor was paid.

Dear Mr. & Mrs. Thompson:

Please allow this letter to set out my understanding regarding our Agreement for the acquisition of a waterline easement interest in and across portions of your property ("Owner") as part of Williamson County's ("County") proposed CR 111 roadway improvements and related appurtenances and utility adjustments ("Project").

By execution of this letter the parties agree as follows:

1. In return for Owner's delivery to County of a fully executed and acknowledged waterline easement ("Easement") in and across that certain parcel of land totaling 495 SF, and in the form as set out in Exhibit "A" attached hereto and incorporated herein, County shall pay Owner the sum of **$1,000.00** in good funds.

2. If requested by County, the Closing and completion of this transaction shall take place at Texas National Title ("Title Company") within thirty (30) days after full execution of this Agreement, or at other date and time agreed to between the parties.

Upon request Owner shall provide reasonable assistance, at no cost to Owner, to cause the Title Company to issue a policy of title insurance, with standard printed exceptions, to County or the easement Grantee in completion of this transaction. County shall be responsible for all typical closing fees and costs associated with this transaction, except that each party shall be responsible for any attorney's fees they incur. Owner shall assist County and Title Company, at no cost to owner, with any curative measures or mortgage lien consent or subordination required as a condition of the Closing.

3. This Agreement is being made, and the Easement is being delivered, in lieu of condemnation.

If this meets with your understanding please execute this letter where indicated below and return it to me, and we will have this approved and signed by the County and process this for Closing and payment as quickly as possible.

Please feel free to contact me at any time if you have any questions or concerns about these issues.

The Easement shall also be used for the purpose of providing access for the operation, repair, maintenance, inspection, replacement and expansion of the water distribution and transmission lines and related facilities and appurtenances.

Additionally, Grantor hereby grants and conveys to Grantee a non-exclusive right of ingress and egress over Grantor's adjacent lands for the purpose of which this Easement is granted. Grantee has the right to trim and cut down trees and shrubbery and to remove other improvements and structures to the extent reasonably necessary to prevent interference with the operation or repairs to Grantee's facilities in the Easement Tract, and Grantee will be held harmless by Grantor from any and all claims of Grantor if Grantee exercises such right.

DAMAGES:

The consideration given for this Easement constitutes payment in full for all damage sustained by Grantor by reason of the installation of the improvements referred to herein.

ENCUMBRANCES AND LIENS:

Grantor warrants that no person or business entity owns a present possessory interest in the fee title in the Easement Tract other than Grantor, and that there are no parties in possession of any portion of the Easement Tract as lessees. Furthermore, Grantor warrants that the Easement Tract is free and clear of all encumbrances and liens except the following:

WATER SERVICE:

Grantee and Grantor hereby acknowledge and agree that, effective immediately upon execution of this Easement, Grantee will be deemed to be providing and will be obligated to provide Grantor water service to Grantor's property across which the Easement is located. Grantor acknowledges and agrees that Grantor's ability to receive water from Grantee is subject to payment of all fees and charges due to Grantee under its tariff for such service.

ENTIRE AGREEMENT:

These disclosures are mandatory.

Section 4(a) of RESPA mandates that HUD develop and prescribe this standard form to be used at the time of loan settlement to provide full disclosure of all charges imposed upon the borrower and seller. These are third party disclosures that are designed to provide the borrower with pertinent information during the settlement process in order to be a better shopper.

County represents that: (i) the Appraisal Inspection shall be conducted on the surface of the Property only; and (ii) by an appraiser licensed in the State of Texas to perform real property appraisals. County will provide Owner with a copy of any appraisal report reflecting the results of the appraisal at the time of any initial or final offer made to Owner pursuant to Chapter 21 of the Texas Property Code to acquire from Owner any interest in the Property, including without any limitation, any offer to acquire a drainage easement across a portion of the Property.

5. Upon the completion of the Appraisal Inspection, County shall restore the Property to its condition immediately prior to the Appraisal Inspection. County will pay for any and all damages to the Property and/or any of Owner's and/or any tenant's animals, utilities, pipelines, shrubbery, trees, grass, roads, driveways, trails, fences, buildings, or other improvements on the Property resulting from: (a) the Appraisal Inspection; (b) the entry onto the Property by the County Authorized Persons; (c) the actions or omissions of the County Authorized Persons; and/or (d) the exercise of all or any of the rights granted or liabilities created by this Appraisal Inspection Permission.

6. This Appraisal Inspection Permission is personal to County, is not assignable, and any attempt to assign this Appraisal Inspection Permission will be void and of no force or effect and will further terminate all privileges granted to County herein.

7. At least two (2) business days prior to the entry of the County Authorized Persons on the Property, County shall (a) provide actual, verbal notice to Owner by speaking directly with the Owner Contact at the phone number listed above (unless Owner cannot be reached after calling two times, in which case a voicemail is sufficient verbal notice); and (b) written notification to the Owner Contact that shall include the date, time and location that the County Authorized Persons request access to the Property. In addition, on the day the County Authorized Persons desire access to the Property, all such County Authorized Persons shall sign in at the TCS business office located at 5300 South IH-35, Georgetown, Texas 78628, in order for Owner to arrange an escort, if desired by Owner. The County Authorized Persons will access the TCS business office at the address listed above from the entrance located adjacent to the service road for Interstate 35. The County Authorized Persons will NOT attempt to access the TCS business office using the Texas Crushed Stone truck entrance located on FM 1431 or the Texas Crushed Stone truck entrance located at Interstate 35 and Westinghouse Road.

8. All County Authorized Persons shall enter the Property containing the Property using only gate 18 located on FM 2243 (Leander Road). No County Authorized Person will install any third-party lock on such gate. County agrees that all County Authorized Persons who enter onto the Property shall be required to close, and to keep closed, all gates and other enclosures, and to lock (using only the existing TCS locks) all such gates and enclosures when they leave the Property. By accepting this Appraisal Inspection Permission, the County Authorized Persons acknowledge that there may be livestock on the Property, and the County Authorized Persons agree to avoid interfering with such livestock.

9. County and the County Authorized Persons will be responsible for the safety of the County Authorized Persons. Owner makes no representation concerning the condition of the Property, and County and the County Authorized Persons accept the Property in its AS IS condition and subject to all risks associated with the use of the Property pursuant to this Appraisal Inspection Permission. None of Owner or Owner's shareholders, officers, directors, tenants, employees, managers, operators or consultants (Owner and such others, collectively, "Owner Parties") know the exact type of conditions that exist upon the Property, and the Owner Parties specifically do not make any warranty or representation of any type, kind or character whatsoever as and to conditions existing or that may hereafter exist upon the Property, or any improvements thereto. **EACH COUNTY AUTHORIZED PERSON SHALL ENTER UPON SAID PROPERTY AT THEIR OWN RISK, SPECIFICALLY ACCEPTS THE PROPERTY IN THE THEN EXISTING CONDITIONS THEREOF, AND TO THE EXTENT ALLOWED BY LAW UNCONDITIONALLY RELEASES THE OWNER PARTIES FOR, FROM AND AGAINST ALL LIABILITIES, COSTS, EXPENSES, CLAIMS AND DAMAGES FOR WHICH THE OWNER PARTIES (OR ANY OF THEM) MIGHT OTHERWISE BECOME LIABLE BY REASON OF ANY (A) ACCIDENTS, (B) INJURIES TO OR DEATH OF ANY PERSONS, (C) DAMAGE TO PROPERTY, OR (D) ANY ONE OR ANY COMBINATION OF THE FOREGOING, THAT IN ANY MANNER ARISES OR RESULTS FROM, OR IS CAUSED BY, CONNECTED WITH OR RELATED TO THE PROPERTY, REGARDLESS OF HOW, WHERE, OR WHEN SUCH ACCIDENT, INJURY, DEATH OR DAMAGE OCCURS AND REGARDLESS OF WHETHER SUCH ACCIDENT, INJURY, DEATH OR DAMAGE IS DUE TO CONDITIONS ON OR DEFECTS IN THE PROPERTY.**

10. Unless otherwise specified by TCS in writing, the County Authorized Persons will be permitted access to the Property under the terms of this Appraisal Inspection Permission only once, and only during TCS' normal business office hours of 9 a.m. to 5 p.m., Monday to Friday. The County Authorized Persons will remove all of their refuse or other materials from the Property at the conclusion of the Appraisal Inspection. The County Authorized Persons acknowledge that they may be subject to surveillance, including video surveillance, at any time while on the Property and hereby consent to same.

11. The certificate of insurance evidencing the insurance carried by the County's authorized appraisal company (the "Insurance") has been produced, reviewed, and accepted, and a copy of that certificate of insurance is attached as Exhibit B to this Appraisal Inspection Permission and is incorporated by reference. In addition, the County's appraisal company shall either (i) provide a waiver of subrogation rights; or (ii) indemnify the Owner Parties for all claims that appraisal company's insurance company, employees, agents, or subcontractors make against the Owner Parties and/or the insurance companies of the Owner Parties. County shall ensure that the Insurance remains in place at all times while this Appraisal Inspection Permission is in effect. The carrying of the Insurance as required by this Appraisal Inspection Permission shall in no way relieve County or any of the County Authorized Persons of any responsibility or liability under this Appraisal Inspection Permission or otherwise.

12. Except as provided in paragraph 9, nothing in this Appraisal Inspection Permission shall be construed as a waiver by either party of any legal or judicial right, including but not limited

to the right, if any, to seek injunctive relief to enforce the terms of this Appraisal Inspection Permission.

13. Before the County Authorized Persons enter the Property, County will obtain and provide to Owner the written agreement of the appraisal company and the County Authorized Persons to be bound by and follow the terms of this Appraisal Inspection Permission.

14. Owner shall have the right to terminate this Appraisal Inspection Permission by providing County three calendar days written notice c/o Charles Crossfield via email to charlie@scrrlaw.com or hand delivery at Sheets & Crossfield, P.L.L.C., 309 E Main St., Round Rock, TX 78664. If Owner terminates this Appraisal Inspection Permission pursuant to this paragraph 14, the County Authorized Persons shall immediately cease their use of the Property.

15. Nothing contained herein shall be construed as to limit in any way the right of the Owner, its successors, tenants, or assigns to use of the Property.

16. No County Authorized Person shall carry a firearm on the Property.

17. The County Authorized Persons shall comply with all applicable federal, state and local laws and regulations, including applicable environmental laws and regulations.

18. Owner reserves all rights, title, and interest in and to the Property, and this Appraisal Inspection Permission shall in no way prejudice Owner's right to contest County's right to obtain an easement from Owner or Owner's right to receive full and just compensation for any damaging or taking of any interest in the Property. Owner does not waive, and hereby reserves, any claims, rights, actions, and causes of action Owner may have to seek damages or other relief to which it may be entitled.

19. No termination of this Appraisal Inspection Permission shall release any other person or entity from any liability or obligation accruing under the Appraisal Inspection Permission. In addition, the obligations of County and the County Authorized Persons in paragraphs 2-6, 9, and 11-19 shall survive the termination of this Appraisal Inspection Permission.

IN WITNESS WHEREOF, each party hereto has caused this Appraisal Inspection Permission to be duly executed as of the Effective Date

Remarks: (Use extra page if necessary)

The subject property is a 15-year-old single-family residence containing approximately 1,965 square feet of habitable living space on a lot containing approximately 1.3207 acres or 57,530 square feet. The acquisition will acquire 22,056 square feet of the total tract. The dwelling contains 6 rooms including a living room, kitchen, dining room, laundry room, 3 bedrooms and 2 baths. The flooring consists of ceramic title and wood laminate. Amenities include a covered front porch and electric security gate entrance.

Mr. and Mrs. Diaz have four children ranging from the ages of 21 to 6. All four children have been diagnosed as needing special education for learning disabilities. The children attend school in the Leander and Round Rock school districts. Due to this, it is imperative that our comparable research was conducted within the Leander or Round Rock ISD area. The oldest child (age 21) attends college and lives at home on the weekends and holidays.

Note as to the square footage of the acquired lot. The whole property consists of 57,529 square feet and is considered a normal lot size for the area. The portion being acquired is 22,056, which is substantially larger than the typical lot size found when conducting our search for comparable dwellings.

The following carve-out was made for the lack of land being replaced at the comparable: According to the appraisal, the acquisition will acquire 22,056 square feet. The comparable chosen replaces 6,534 square feet of land.

Total Approved Value	$174,835.00
Less Cost to Cure	-$ 16,426.00
Less Land not replaced (22,056 sf – 6,534 sf = 15,522 sf x $1.42 ($62,000 per acre)	$ 22,041.00 (rounded)
Total Approved Adjusted Value	$136,368.00

The subject's total approved value according to the appraisal is $174,835.00, which does not include the residence. The proposed ROW is 28 feet from the current location of the dwelling. In order to calculate the supplement, we used the total approved value less the cost to cure amount of $16,426.00, which leaves a balance of $158,409.00. Since the comparable does not replace the land being acquired, a cave-out of the remaining land was used. The total amount of land being acquired is 22,056 SF, the comparable dwelling replaces 6,534 SF, therefore a calculation of the remaining amount of land (15,522 sf) was used to compute the carve-out of $22,041.00. See above calculation.

This replacement-housing supplement (RHP) of $158,632.00 places the displacees in housing of last resort based on the comparables available on the market at the time of this calculation.

The selected Comparable:
We researched the market for three, 3-bedroom comparables in the Leander and Round Rock ISD in order to accommodate the four special education needs of the displaced children. The chosen comparable (#1) is functionally equivalent and affords the displacees two dwellings within their financial means (Comps 1 and 3). The comparable was chosen as the most comparable because it is most representative of the subject.

The other two comparables were found to be superior to the subject property in either age or square footage.

The supplemental payment(s) on page 1 have been determined by me and are to be used in connection with a federal-aid highway project. The replacement housing used for these supplement computations are certified to be fair housing open to all persons regardless of race, color, religion, age, sex, national origin or handicap and consistent with the requirements of Title VIII of the Civil Rights Act of 1968. I have no direct nor indirect, present or contemplated interest in this transaction nor will I derive any benefit from the supplemental payment.

Additional Information About This Loan

Loan Disclosures

Assumption
If you sell or transfer this property to another person, your lender
☒ will allow, under certain conditions, this person to assume this loan on the original terms.
☐ will not allow assumption of this loan on the original terms.

Demand Feature
Your loan
☐ has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details.
☒ does not have a demand feature.

Late Payment
If your payment is more than 10 days late, your lender will charge a late fee of 5.00% of the monthly payment, or $5.00, whichever is less.

Negative Amortization (Increase in Loan Amount)
Under your loan terms, you
☐ are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
☐ may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
☒ do not have a negative amortization feature.

Partial Payments
Your lender
☐ May accept payments that are less than the full amount due (partial payments) and apply them to your loan.
☒ may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan.
☐ does not accept any partial payments.
If this loan is sold, your new lender may have a different policy.

Security Interest
You are granting a security interest in
401 CR 226, FLORENCE, TX 76527

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

Escrow Account
For now, your loan
☒ will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

Escrow		
Escrowed Property Costs over Year 1	$2,502	Estimated total amount over year 1 For your escrowed property costs: Property Taxes Homeowner's Insurance
Non-Escrowed Property Costs over Year 1		Estimated total amount over year 1 For your non-escrowed property costs: You may have other property costs.
Initial Escrow Payment	$0.00	A cushion for the escrow account you pay at closing. See Section G on page 2.
Monthly Escrow Payment	$417.00	The amount included in your total monthly payment.

☐ will not have an escrow account because ☐ you declined it ☐ your lender does not offer one. You must directly pay your property costs, such as taxes and homeowner's insurance. Contact your lender to ask if your loan can have an escrow account.

No Escrow		
Estimated Property Costs Over Year 1		Estimated total amount over year 1. You must pay these costs directly, possibly In one or two large payments a year.
Escrow Waiver Fee		

In the future,
Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.
