Project: Corridor C

This Possession and Use Agreement For Transportation Purposes (the "Agreement") between WILLIAMSON COUNTY, TEXAS ("County"), and J.A. DAVIDSON HOLDINGS, L.P., PAMELA G. MARTIN, DENNIS L. DAVIDSON, and JAMES A. DAVIDSON, JR. (the "Grantor" whether one or more), grants to the County, their contractors, agents and all others deemed necessary by the County, an irrevocable right to possession and use of the Grantor's property for the purpose of constructing a portion of Corridor C and related appurtenances and utility relocations (the "Roadway Construction Project"). The property subject to this Agreement is described more fully in field notes, plat map or other description (attached as "Exhibits A-B") and made a part of this Agreement by reference (the "Property").

1. For the consideration by the County which is set forth in Paragraph 2 below, the receipt and sufficiency of which is acknowledged, the Grantor grants, bargains, sells and conveys to the County the right of entry and exclusive possession and use of the Property for the purpose of constructing a roadway, utility adjustments and appurtenances thereto and the right to remove any improvements. Authorized activities include surveying, inspection, environmental studies, archeological studies, clearing, demolition, construction of permanent improvements, relocating, replacing, and improving existing utility facilities, locating new utility facilities, and other work required to be performed in connection with the Roadway Construction Project. This Possession and Use Agreement will extend to the County, its contractors and assigns, owners of any existing utilities on the Property and those which may be lawfully permitted on the Property by the County in the future, and all others deemed necessary by the County for the purpose of the Roadway Construction Project. This grant will allow the construction, relocation, replacement, repair, improvement, operation and maintenance of utilities on the Property.
2. In full consideration for this irrevocable grant of possession and use and other Grantor covenants, warranties, and obligations under this Agreement, the County agrees to postpone proceeding with a condemnation lawsuit to acquire the Property so that the parties may continue negotiations for a voluntary purchase. The Grantor agrees that this agreement by the County represents adequate and full compensation for the possession and use of the Property. The County will be entitled to take possession and use of the Property upon recording of this document in the Real Property Records of Williamson County, subject to the other conditions in paragraph 16. below.
3. The effective date of this Agreement will be the date on which the last party executes the Agreement (the "Effective Date").
4. The Grantor warrants and represents that by, through, or under Grantor but not otherwise, the title to the Property is free and clear of all liens and encumbrances except as disclosed to GRANTEE in that certain title commitment numbered GF No. 1933226-KFO effective August 27, 2019 by Title Resources Guaranty Company/Independence Title. Grantor further warrants that no other person or

corporation owns an interest in the fee title to the Property. The Grantor further agrees to indemnify the County from all undisclosed liens, claims or encumbrances affecting the Property. This conveyance is made by Grantor and accepted by the County subject to the following:

- a. visible and apparent easements not appearing of record;
 - b. any discrepancies, conflicts, or shortages in area or boundary lines or any encroachments or any overlapping of improvements which a current survey would show; and
 - c. easements, restrictions, reservations, covenants, conditions, oil and gas leases, mineral severances, and encumbrances for taxes and assessments (other than liens and conveyances) that affect the Property and are presently of record in the Official Public Records of the county in which the Property is located, but only to the extent that said items are still valid and in force and effect at this time.
5. The parties agree that the valuation date for determining the amount of just compensation for the real property interest proposed to be acquired by the County in the Property, for negotiation or eminent domain proceeding purposes, will be December 1, 2021.
6. Upon written notice by Grantor to Grantee requesting the initiation of condemnation proceedings to acquire the Property, Grantor shall complete any statutory prerequisites to the filing of a condemnation suit, and shall initiate such suit in the proper court, within sixty (60) days after receipt of same. The parties agree to mutually agree to a setting for the special commissioners' hearing prior to any hearing being set. The County agrees to deposit into the Court registry the amount of any special commissioners' award no later than forty-five (45) days from the date of the special commissioners' hearing
7. This Agreement is made with the understanding that the County will continue to proceed with acquisition of a real property interest in the Property. The Grantor reserves all rights of compensation for the title and other interest in and to the Property which the Grantor holds as of the time immediately prior to the Effective Date of this Agreement. This Agreement shall in no way prejudice the Grantor's rights to receive full and just compensation as allowed by law for all of the Grantor's interests in and to the Property to be acquired by the County, encumbered with the improvements thereon, if any, and damages, if any, to the remainder of the Grantor's interest in any larger tract of which the Property is a part (the "Remainder"), if any; all as the Property exists on the Effective Date of this Agreement. The County's removal or construction of improvements on the Property shall in no way affect the fair market value of the Property in determining compensation due to the Grantor in the eminent domain proceedings. This grant will not prejudice the Grantor's rights to any relocation benefits for which Grantor may be eligible.
8. In the event the County institutes or has instituted eminent domain proceedings, the County will not be liable to the Grantor for interest upon any award or judgment as a result of such proceedings for any period of time prior to the date of the award. Payment of any interest may be deferred by the County until entry of judgment.
9. The purpose of this Agreement is to allow the County to proceed with its Roadway Construction Project without delay and to allow the Grantor to avoid proceeding to condemnation litigation at the current time. The Grantor expressly acknowledges that the proposed Roadway Construction Project

is for a valid public use and voluntarily waives any right the Grantor has or may have, known or unknown, to contest the jurisdiction of the court in any condemnation proceeding for acquisition of the Property related to the Roadway Construction Project, based upon claims that the condemning authority has no authority to acquire the Property through eminent domain, has no valid public use for the Property, or that acquisition of the Property is not necessary for the public use.

10. The Grantor reserves all of the oil, gas and sulphur in and under the land herein conveyed but waives all right of ingress and egress to the surface for the purpose of exploring, developing, mining or drilling. The extraction of oil, gas and minerals may not affect the geological stability of the surface. Nothing in this reservation will affect the title and rights of the County to take and use all other minerals and materials thereon, and thereunder.
11. The undersigned Grantor agrees to pay as they become due, all ad valorem property taxes and special assessments assessed against Property until the Effective Date, including prorated taxes until the Effective Date for the year in which the County takes title to the Property. The parties recognize and understand that Grantee's right to possess the Property under this Agreement is the same as if possession were achieved by a court order issued in a condemnation proceeding.
12. To the extent allowed by law, the County will indemnify, defend and hold Grantor harmless against any and all claims for personal injury of third parties and damages to the property of third parties that are caused by the County's use of the Property, provided Grantor promptly notifies the County of any such claim and provides the County with the opportunity to defend against such claims. The foregoing indemnity shall not include any amounts payable as a result of the use or possession of the Property by Grantor or pursuant to settlements that have not been approved in advance by the County. The County will and shall be responsible for the safety of all their employees, contractors, consultants, invitees, and agents who enter onto the Property at the direction of the County.
13. Notwithstanding the acquisition of right of possession to the Property by the County in a condemnation proceeding by depositing the Special Commissioners' award into the registry of the court, this Agreement shall continue to remain in effect until the County acquires title to the Property either by negotiation, settlement, or final court judgment.
14. This Agreement will also extend to and bind the heirs, devisees, executors, administrators, legal representatives, successors in interest and assigns of the parties.
15. It is agreed the County will record this document.
16. Other conditions: NONE.

At no time during the possession of the Property by Grantee for the purposes described herein shall Grantor be denied reasonable access and/or ingress to or egress from the remainder of Grantor's land for its current uses.

To have and to hold the Agreement herein described and conveyed, together with all the rights and appurtenances belonging to the County and its assigns forever, for the purposes and subject to the limitations set forth above.
