STATE OF TEXAS §
COUNTY OF WILLIAMSON §

KNOW ALL BY THESE PRESENTS THAT:

This Amendment to Right-of-Way Grant (the “Amendment”) is dated and effective as of _____, 2021 (the “Effective Date”), by and between KARI A. RAESZ, INDEPENDENT ADMINISTRATOR OF THE ESTATE OF CYNTHIA D KRUEGER, DECEASED (“Grantor”) and FLINT HILLS RESOURCES CORPUS CHRISTI, LLC, a Delaware limited liability company (“Grantee”). Existing Easement Recitals (“Easement”):

1. Easement granted by Fred F. Krueger and Dorothy Krueger dated July 15, 1989 to the Koch Refining Company by instrument recorded in Volume 1850, Page 072, Document No. 1989035389, Official Records of Williamson County, Texas.
2. Assignment and Assumption Agreement by and between Flint Hills Resources, LP, a Delaware limited partnership (“Assignor”) and Flint Hills Resources Corpus Christi, LLC, a Delaware limited liability company (“Assignee”) effective November 1, 2010, recorded in Document 2010078119, Official records of Williamson County, Texas.

Grantor and Grantee now wish to amend the Easement as set forth herein.

NOW THEREFORE, in consideration of the premises set forth above, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Grantor and Grantee amend the Easement as follows:

1. **New Right-of-Way.** The Easement is hereby amended to add the 0.193 acre (8,398 SF) right-of-way and easement described in Exhibit A (the “New Right-of-Way”), which is attached hereto and incorporated herein by reference, as part of the Easement property. As of the Effective Date, the Easement shall apply in full force and effect to the New Right-of-Way, as well as that right-of-way originally set forth in the Easement.
2. **Temporary Workspace.** The Easement is further amended to allow Grantee, its employees, agents, contractors, and subcontractors, to use up to fifty feet (50’) of property immediately adjacent to the New Right-of-Way and Easement (the “Temporary Workspace”), as temporary workspace for a period not to exceed six (6) months from the time of initial entry during each instance of new construction, removal of the pipeline being replaced, and future maintenance, as necessary.

3. Maintenance of Easement Property. Following its use of the New Right-of-Way and Temporary Workspace, Grantee shall repair and restore the property as nearly as practicable to its condition immediately prior to Grantee's use. Grantee will maintain the New Right-of-Way consistent with industry standards.

4. Indemnification of Grantor by Grantee. Grantee hereby agrees to release, indemnify and hold Grantor, its agents, servants, employees, legal counsel and all persons natural or corporate in privity with them harmless from and against any and all claims, suits, actions, losses, damages, or liability of any character, type or description, including all expenses of litigation, court costs, and reasonable attorney's fees for injury or death to any person, or damage to any property, arising out of or occasioned by, directly or indirectly, any use or possession of the New Right-of-Way, as well as that right-of-way originally set forth in the Easement (the "Rights-of-Way") by Grantee or its agents, representatives, employees, guests, licensees, and/or anyone else who the foregoing persons may allow to enter onto the Rights-of-Way.

5. Equitable Rights of Enforcement. The obligations imposed herein may be enforced by restraining orders and injunctions (temporary or permanent) prohibiting interference and commanding compliance. Restraining orders and injunctions will be obtainable on proof of the existence of breach, without the necessity of proof of inadequacy of legal remedies or irreparable harm, and will be obtainable only by the party to or those benefitted by this agreement; provided, however, that the act of obtaining an injunction or restraining order will not be deemed to be an election of remedies or a waiver of any other rights or remedies available at law or in equity.

6. Attorney's Fees. If either party retains an attorney to enforce this agreement, the party prevailing in litigation is entitled to recover reasonable attorney's fees and court and other costs.

7. Future Release. Grantee agrees that upon completion of construction of the replacement pipeline in the New Right-of-Way and removal of pipeline being replaced, to release the right-of-way no longer needed as a result of the relocation of the pipeline and record the release in the records of Williamson County, Texas.

8. Parties Bound. This Amendment shall be binding upon and inure to the benefit of Grantor and Grantee, and their respective permitted successors and assigns, as provided in the Easement. Except as amended in the terms of this Amendment, the Easement and the rights and obligations of the Grantor and Grantee thereunder shall be and remain in full force and effect and are hereby ratified and affirmed.

9. Counterparts. This Amendment may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument, and any of the parties hereto may execute this Amendment by signing any such counterpart.
