# Enrollment By Department

# Communications and Concerns

## Communications

- 18 meetings held since launch with 2 more in-person meetings planned
- Flyers distributed to all departments
- Weekly emails
- Recorded meeting posted and shared with employees, on SharePoint, and benefit portal

## Concerns

- Employees waiting until the end of the year not giving enough time to complete actions  
\*\* results must be logged and reflected by 12/31/22
- Larger number of employees who will be charged earlier in 2023 which could result in charges being applied for 11 months
