TERRORISM COVERAGE DISCLOSURE NOTICE

TERRORISM COVERAGE PROVIDED UNDER THIS POLICY

The Terrorism Risk Insurance Act of 2002 as amended and extended by the subsequent Terrorism Risk Insurance Program Reauthorization Acts (collectively referred to as the "Act") established a program within the Department of the Treasury, under which the federal government shares, with the insurance industry, the risk of loss from future terrorist attacks. An act of terrorism is defined as any act certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

In accordance with the Act, we are required to offer you coverage for losses resulting from an act of terrorism **that is certified under the federal program** as an act of terrorism. The policy's other provisions will still apply to such an act. **This offer does not include coverage for incidents of nuclear, biological, chemical, or radiological terrorism which will be excluded from your policy.** Your decision is needed on this question: do you choose to pay the premium for terrorism coverage stated in this offer of coverage, or do you reject the offer of coverage and not pay the premium? You may accept or reject this offer.

If your policy provides commercial property coverage, in certain states, statutes or regulations may require coverage for fire following an act of terrorism. In those states, if terrorism results in fire, we will pay for the loss or damage caused by that fire, subject to all applicable policy provisions including the Limit of Insurance on the affected property. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements that apply to those coverage forms, or to Legal Liability coverage forms or Leasehold Interest coverage forms.

Your premium will include the additional premium for terrorism as stated in the section of this Notice titled DISCLOSURE OF PREMIUM.

DISCLOSURE OF FEDERAL PARTICIPATION IN PAYMENT OF TERRORISM LOSSES

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. **The federal share equals 80% in years 2020 through 2027 of that portion of the amount of such insured losses that exceeds the applicable insurer deductible during Calendar Year 2020 and each Calendar Year thereafter through 2027.**

DISCLOSURE OF CAP ON ANNUAL LIABILITY

If the aggregate insured terrorism losses of all insurers exceed \$100,000,000,000 during any **Calendar** Year provided in the Act, the Secretary of the Treasury shall not make any payments for any portion of the amount of such losses that exceed \$100,000,000,000, and if we have met our insurer deductible, we shall not be liable for the payment of any portion of such losses that exceeds \$100,000,000,000.

DISCLOSURE OF PREMIUM

Your premium for terrorism coverage is: \$26.00
(This charge/amount is applied to obtain the final premium.)

You may choose to reject the offer by signing the statement below and returning it to us. Your policy will be changed to exclude the described coverage. If you chose to accept this offer, this form does not have to be returned.

REJECTION STATEMENT

I hereby decline to purchase coverage for certified acts of terrorism. I understand that an exclusion of certain terrorism losses will be made part of this policy.
