The following assumptions are current as of the date of order. Manufacturer's terms and conditions are subject to change.

LASERFICHE END USER LICENSE AGREEMENT (EULA)

By accepting this Order, Client acknowledges Laserfiche's EULA and agrees to abide by its terms and absolve MCCi of any Laserfiche product-related liability.

LASERFICHE SOFTWARE SUPPORT PLAN

MCCi acts as first-tier support and works with Laserfiche, who would provide second-tier level support when needed. Laserfiche software support plans are applicable to actively supported perpetual software and are bundled with on-premises Subscription and Cloud systems. All software support plans are on a yearly subscription basis and accompany the applicable software product designed, developed, created, written, owned, or licensed by Laserfiche. On-premises Subscription and Cloud system subscribers are advised to export data from their Laserfiche system prior to cancellation or any other termination.

ACTIVE LASERFICHE SOFTWARE SUPPORT PLAN BENEFITS INCLUDE:

- Easy remote access to MCCi's team of Laserfiche Gold Certified Support Technicians
- Access to new product update versions and hotfixes
- Software credit eligibility for product upgrades, as determined by Laserfiche's then current policy
- Continued access to Client's Laserfiche solution*

** Specific to Laserfiche Cloud and Laserfiche on-premises Subscription licensed Clients*

POLICIES

- To receive periodic product updates for a Laserfiche Software Solution, its associated software support plan must be purchased and maintained throughout the software term.
- All software support plan subscriptions are annual, prepaid and non-refundable
- The annual term start date for new systems is established by Laserfiche at the time MCCi submits an order to Laserfiche on Client's behalf.
- For platform upgrades, software and support credit eligibility is determined by Laserfiche's then current policy. To receive any available software or support credit, Client's support plan must be active (i.e., support plan has not expired)
- For expansion purchases, the applicable service period is prorated to match Client's existing or future service period, which is dependent on Laserfiche's then current policy and the timing of the expansion order vs. the Client's annual service period renewal date (i.e. prorating for less than four months may not be permissible due to the timing of renewal invoicing.)

LATE PAYMENTS

- If payment is not received before Client's renewal date, Client's Laserfiche software support plan expires. Please allow up to five (5) business days after receipt of payment for MCCi to process renewal payment to Laserfiche.
- Impact of Expiration:
 - Client will be able to access MCCi Support Technicians for 30 days post expiration. However, if there are support issues that require Laserfiche involvement, these issues cannot be resolved until Client's support is renewed.
 - Perpetual software support plan: Access to the Laserfiche support website and Laserfiche technicians will no longer be available until MCCi receives Client's renewal payment and processes payment to Laserfiche.
 - Laserfiche on-premises Subscription or Laserfiche Cloud: Access to Client's Laserfiche solution will be turned off after 30 days and Client's access to the Laserfiche support website, and Laserfiche technicians will no longer be available until MCCi receives Client's renewal payment and processes payment to Laserfiche. Laserfiche on-

premises Subscription Clients must reactivate the on-premises Subscription system following payment of the software support plan renewal to ensure uninterrupted usage.

- **Reinstatement Fees:** In order to receive uninterrupted support for perpetual on-premises Laserfiche Software Solutions, Client must maintain a software support plan for the term of the Laserfiche Software Solution. In the event that Client's software support plan is expired for more than 45 days, the plan will need to be reinstated. Reinstatements reset the annual date of the software support plan, and the cost includes one year of the software support plan in addition to the Reinstatement Fee. The Reinstatement Fee is a 10% markup on the lapsed value of the software support plan. The Reinstatement Fee includes the number of days lapsed since your software support plan expired.

INTEGRATIONS

Third-party Laserfiche integrations or utilities may consume one (1) or more Laserfiche user licenses depending on how the vendor designed and coded the integration. These additional licensing needs should be verified by Client and considered in the user licensing purchased.

LASERFICHE SOLUTION PROVIDER OF RECORD

As Client's current Solution Provider of Record, Laserfiche's policy dictates that MCCi is the only Laserfiche Solution Provider that has access to Client's support account, along with the ability to download software licenses and activations, process subscription renewals and initiate additional purchases on Client's behalf. Unless Client decides to cancel Client's contract with MCCi or work with Laserfiche to formally change Client's Laserfiche Solution Provider of Record, future purchases and subscription renewals will be processed and provided by MCCi.

LASERFICHE RIO SHARED SERVICES PROVISIONS
