The perpetual easement, right-of-way, rights and privileges herein granted shall be used for the purposes of opening, constructing and maintaining a permanent drainage easement and channel, along with any structures, materials, improvements, pipes, culverts, storm sewer, grading and related appurtenances and equipment which may be necessary to facilitate the proper drainage of the adjacent property and roadway facilities (the "Benefitted Tract"), in, along, upon, under and across said premises described in Exhibits "A-B" together with the right and privilege at all times of the Grantee herein, its agents, employees and representatives of ingress and egress from to and from said premises from the adjacent right of way for the purpose of making any improvements, modifications or repairs which the Grantee deems necessary.

right to relocate, modify and reduce the easement area described herein and alter any improvements or facilities located in, across or upon the easement area, at Grantor's sole cost and expense, provided that such relocation, reduction and/ or alteration shall not cause any use or development of the Benefited Tract to be out of compliance with any regulation of any governmental entity having jurisdiction over the Benefited Tract, and shall not cause the diversion, encroachment, impoundment or increase in the amount of surface water on or across the Benefited Tract in excess of the drainage conditions existing prior to such relocation, reduction or alteration. The Grantor may execute and file in the appropriate public records a replacement easement for any such reduction, alteration and/ or relocation of the easement area, provided such reduction, alteration or relocation of the easement area is in conformance with the terms of this paragraph and such replacement easement is conveyed to the Grantee, its successors or assigns by replacement easement recorded in the appropriate public records. Concurrent with or after the recording of such replacement easement, the Grantee, its successors or assigns shall execute any document presented by the Grantor reasonably necessary or convenient for the release or re-conveyance to Grantor of any easement area not included in the replacement easement.

To the extent allowed by law, Grantee shall indemnify Grantor against any loss and damage which shall be caused by the exercise of the rights of ingress and egress or by any wrongful or negligent act or omission of Grantee's agents or employees in the course of their employment. Grantee shall be responsible for the correction of, or compensation for, any damage to Grantor's property which is the result of actions outside the granted purposes of this easement.

TO HAVE AND TO HOLD the same, in perpetuity, in and to Grantee, and its successors and assigns, together with all and singular all usual and customary rights thereto in anywise belonging, and together with the right and privilege at any and all times to enter said premises, or any part thereof, for the purpose of constructing or maintaining said drainage and for making connections therewith.

This conveyance is made subject to any validly existing matters of record affecting this Property which are recorded in the Official Records of Williamson County, Texas.

The perpetual easement, right-of-way, rights and privileges granted herein are non-exclusive, however Grantor covenants not to convey any other easement or conflicting rights within the premises covered by this grant that interfere with the purpose or function of any improvements placed thereon, or the maintenance of the Property for the conveyance of stormwater drainage without the express written consent of Grantee, which consent shall not be unreasonably withheld.
