Grant Title/Project Name:	WCRAS Lifesaving Programs
Department:	Animal Services
Requestor:	Misty Valenta
Contact Email:	mvalenta@wilco.org
Contact Phone Number:	512-943-3597
Start Date:	10/1/2022
End Date:	9/30/2023
Please select request category:	Asset, Personnel, Service
Describe the purpose of the grant in detail to include all requirements.	Petco Love provides un-restricted funding. If awarded an investment, your organization may utilize funds for any purpose that increases in your lifesaving results, or other significant positive lifesaving impact for pets in your community. Will be required to promote this award if recieved.
Select the type of grant your department is applying for:	Private Foundation
What is the amount of the grant?	\$50,000.00
Please provide a breakdown of the total cost above.	\$10,000 to assist in already established grant funded personnel that work to save the lives of animals at the shelter with wellness care and reunification. \$2,500 in iPads to help expedite sheltering data collection and enhance the customer service experience for our visitors. \$25,000 to work with a partner spay/neuter organization to bring low cost spay/neuter options to the citizens of Williamson County. \$2,500 to provide free microchips to the citizen of Williamson County to speed up reunions and decrease the shelter population. \$10,000 to help support the grant funded relationship between Williamson County and Jail to Jobs.
Is there a match requirement?	No
What is the source of the match?	
Does the grant cover the cost of the request 100%?	
If not, how much is left unpaid?	
What is the plan to obtain grants/funds for the remaining amount?	
List other similar assets in the County and/or region and if they are available for use?	
How is this asset request different from any similar assets currently in the County and/or region?	
What types of events/purpose would this asset be used for that cannot be accomplished with a current County asset?	
How often do these events occur?	

List other similar items in the County and/or region and if they available for use?	na
Describe how workload will be accomplished/re-allocated should grant not be approved.	
Describe any alternatives considered to achieve desired outcome in lieu of a position (i.e. equipment, software, technology or change in business practice).	
If "yes" how many of these similar positions exist	
Does this position or a similar position currently exist within the department?	
How will this position be funded when the grant ends?	
If yes, please explain the impact to current employee.	
Will this position take over tasks from current County employee?	
What tasks will this position perform? Include the five primary functions and the percentage of time spent to be spent on each function.	
Who will this position report to?	
Where will this position office?	
New Personnel position is:	
What is the impact if the grant is not received?	
How will this asset be funded when the grant ends?	
Will this asset require on-going maintenance? Please describe the maintenance required along with an estimate for these costs.	
If yes, what is the estimate of asset insurance coverage?	
Does this asset require insurance coverage?	
Will other agencies be billed for the use of this asset (e.g. vendors paid, employee worked hours and paid, inventory costs etc.)?	
Will a replacement be requested from general funds when useful life has been exhausted?	
What is the useful life of the asset?	
Where will the asset be stored?	
Identify the number of personnel required to operate this asset and/or be available for the function where it is to be used? How much time is required of those personnel? What is the cost of the personnel?	

This would expand our lifesaving capabilities, create a better workflow, and elevate the customer service to the community.    Please explain how this item will create the need for more or less personnel (or mark no far for change)?   Technician rooms, Adoption areas	How is this item request different from any similar assets currently in the County and/or region?	na
