Terms and Conditions:

1. All use of the Products and Services specified above will be governed by the terms of these Customer Licensing Terms, and the version of the Adobe Enterprise Licensing Terms in effect as of the date Customer issues a purchase order to Reseller and available at www.adobe.com/legal/terms/enterprise-licensing.html, including the General Terms and the applicable Product Specific Licensing Terms (“PSLT(s)”) (collectively, the “Agreement”). If there is any inconsistency between the parts of this Agreement, then the part listed earlier will prevail to the extent of the inconsistency: (i) these Customer Licensing Terms; (ii) the applicable PSLT(s); and (iii) the General Terms. Capitalized terms used in these Customer Licensing Terms have the meanings set out in applicable modules of the Adobe Enterprise Licensing Terms, unless otherwise specified.
2. Adobe is not entering into a direct purchasing relationship with Customer for the Products and Services. Reseller is solely responsible for setting the terms of payment with Customer (including but not limited to when payments by Customer are due to Reseller).
3. Customer may deploy the specified quantity of Products and Services identified in the Products and Services Pricing Detail within the entirety of Customer's organization. If an individual ceases to be an employee or contractor of Customer during the term of a license or no longer needs to use a Product or Service, and Customer de-installs the Product or Service from the Computer of that employee or contractor, a different employee or contractor may then use a new ID and password without being deemed an additional User.
4. For those Products and Services that are licensed for a specific quantity, Customer must submit monthly reports of any deployment of the Products and Services in excess of the quantities previously purchased using the form found at <http://www.adobe.com/go/trueup>. Such reports, along with a corresponding order, must be provided by Customer to Reseller on a monthly basis and must reflect deployments made on specified dates during the preceding monthly period.
5. Adobe will provide support services for the Products and Services as described at <https://helpx.adobe.com/support/programs/support-policies-terms-conditions.html>.
6. The License Term for the Products and Services extends for twelve months (“Base Year”) and may be renewed for up to two successive one year terms (each, an “Option Year”) for the fees set forth in the Products and Services Pricing Detail by providing Reseller 30 days prior written notice, provided that 1) the quantity of any identified licenses does not decrease and 2) if the license is for an Adobe Sign Subscription, that Customer does not process Transactions beyond the Subscription Limit during the preceding Base Year or Option Year. Any renewal of the License Term or exercise of an Option Year must reflect the quantities set forth herein. Unless the license is for an Adobe Sign Subscription, the Option Year must also include any excess quantities that were added on and/or trued up during the entire License Term and any exercised Option Years. If Customer desires to renew the License Term or exercise an Option Year with a reduction of the quantities described above, then Customer and Reseller must enter into an addendum to their agreement, which may reflect revised unit pricing.
7. Customer acknowledges and agrees that it may not assign or otherwise transfer licenses to the Products and Services to any other government or other entity without Adobe's prior written approval.
8. By placing an order with Reseller for the Products and Services, Customer will be deemed to have accepted these Customer Licensing Terms and the applicable Adobe Enterprise Licensing Terms. Customer must also attach a copy of these Customer Licensing Terms to its corresponding purchase order to Reseller.
