2023 Asset Inventory Report

Submitted For: Joy Simonton **Submitted By:** Joy Simonton, Purchasing

Department: Purchasing

Agenda Category: Consent

Information

Agenda Item

Discuss, consider and take appropriate action on acknowledging the 2023 Annual Asset Inventory Report as conducted by Records Consultants, Inc. to fulfill the requirement of producing an annual asset report for the County, pursuant to Tx. Local Gov't Code 262.011. (i).

Background

Tx. Local Gov't Code Sec. 262.011.(i) requires by July 1 of each year the county Purchasing Agent to file with the County Auditor and each of the members of the board that appoints the county Purchasing Agent an inventory of all the property on hand and belonging to the county and each subdivision, officer, and employee of the county. The Court has previously approved a contract with Records Consultant, Inc. (RCI) to conduct the inventory and provide the results to the Purchasing Agent. The inventory reports attached are a result of the inventory conducted by RCI in February and March 2023. The County Auditor's Office is currently reconciling the results of the inventory with their asset database to produce a complete and accurate accounting of all assets.

Discuss, consider and take appropriate action on a Resolution Supporting Williamson County's Application to the Texas Department of Transportation's 2023 Transportation Alternatives Set-Aside (TA) Call For Projects.

Background

On April 11, 2023, Commissioners Court authorized the Parks Department to apply for the Texas Department of Transportation's 2023 Transportation Alternatives Set-Aside (TA) grant. The grant request is for approximately $5,491,000 to fund the planning, design, engineering, construction and construction administration and of an approximate 1.5 mile, 10' shared-use concrete path that will complete the connection of the existing western portion of the Brushy Creek Regional Trail along Hairy Man Road with the eastern portion of the Brushy Creek Regional Trail in Round Rock. The project scope also includes one creek crossing, as well as a paved lighted parking area with restroom, trailhead and access to the Brushy Creek Regional Trail. This project will ultimately provide trail connection between Cedar Park and Round Rock, while enhancing connectivity with residential and commercial areas. Grant match requirement is 20% (approximately $1,100,000) and is anticipated to come from available Park Bond funds (P551).

WILLIAMSON COUNTY
SERVICES CONTRACT
(Trupp HR**)**

Important Notice: County Purchase Orders and Contracts constitute expenditures of public funds, and all vendors are hereby placed on notice that any quotes, invoices or any other forms that seek to unilaterally impose contractual or quasicontractual terms are subject to the extent authorized by Texas law, including but not limited to the Texas Constitution, the Texas Government Code, the Texas Local Government Code, the Texas Transportation Code, the Texas Health & Safety Code, and Opinions of the Texas Attorney General relevant to local governmental entities.

THIS SERVICES CONTRACT (hereinafter "Contract") is made and entered into by and between **Williamson County, Texas** ("County"), a political subdivision of the State of Texas, acting herein by and through its governing body, and **Trupp HR, Inc.** (hereinafter "Service Provider"), both of which are referred to herein as the parties. The County agrees to engage Service Provider as an independent contractor, to provide certain services pursuant to the following terms, conditions, and restrictions:

I.

Services: Service Provider shall provide services *as an independent contractor* pursuant to terms and policies of the Williamson County Commissioners Court. Service Provider expressly acknowledges that he, she, or it is not an employee of the County. The services include but are not limited to the services and work described in the attached Work Statement being marked as **Exhibit "A,"** which is incorporated herein to the extent the Work Statement meets or exceeds the requirements of County's solicitation, if applicable.

Should the County choose to add services in addition to those described in **Exhibit "A"**, such additional services shall be described in a separate written amendment to this Contract wherein the additional services shall be described, and the parties shall set forth the amount of compensation to be paid by the County for the additional services. Service Provider shall not begin any additional services and the County shall not be obligated to pay for any additional services unless a written amendment to this Contract has been signed by both parties.

Service Provider represents that Service Provider (including Service Provider's agents, employees, volunteers, and subcontractors, as applicable) possess all certifications, licenses, inspections, and permits required by law to carry out the services and work described in **Exhibit "A."** The Service Provider shall, upon written (including electronic) request, provide proof of valid licensure.

II.

Effective Date and Term: This Contract shall be in full force and effect as of the date of the last party's execution below and shall continue for twelve (12) months, unless terminated earlier in accordance with this Contract.

III.

Consideration and Compensation: Service Provider will be compensated based on a fixed rate as set out in **Exhibit "A"** upon final completion of the services as determined by County. The not-to-exceed amount under this Contract is Nineteen Thousand Five Hundred Dollars ($19,500.00), unless amended by a change order and approved by Williamson County Commissioners Court.

Payment for goods and services shall be governed by Chapter 2251 of the Texas Government Code. An invoice shall be deemed overdue the 31st day after the later of (1) the date the County receives the goods under the contract; (2) the date the performance of the service under the contract is completed; or (3) the date the Williamson County Auditor receives an invoice for the goods or services. Interest charges for any overdue payments shall be paid by the County in accordance with Texas Government Code Section 2251.025. More specifically, the rate of interest that shall accrue on a late payment is the rate in effect on September 1 of the County's fiscal year in which the payment becomes due. The said rate in effect on September 1 shall be equal to the sum of one percent (1%); and (2) the prime rate published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday.

The County is a political subdivision under the laws of the State of Texas and claims exemption for sale and use taxes. The County agrees to provide exemption certificates to Service Provider upon request.

IV.

No Agency Relationship & Indemnification: It is understood and agreed that Service Provider shall not in any sense be considered a partner or joint venturer with the County, nor shall Service Provider hold itself out as an agent or official representative of the County. Service Provider shall be considered an independent contractor for the purpose of this Contract and shall in no manner incur any expense or liability on behalf of the County other than what may be expressly allowed under this Contract. The County will not be liable for any loss, cost, expense or damage, whether indirect, incidental, punitive, exemplary, consequential of any kind whatsoever for any acts by Service Provider or failure to act relating to the services being provided.

V.

INDEMNIFICATION - EMPLOYEE PERSONAL INJURY CLAIMS: TO THE FULLEST EXTENT PERMITTED BY LAW, THE SERVICE PROVIDER SHALL INDEMNIFY, DEFEND (WITH COUNSEL OF THE COUNTY'S CHOOSING), AND HOLD HARMLESS THE COUNTY, AND THE COUNTY'S EMPLOYEES, AGENTS, REPRESENTATIVES, PARTNERS, OFFICERS, AND DIRECTORS (COLLECTIVELY, THE "INDEMNITEES") AND SHALL ASSUME ENTIRE RESPONSIBILITY AND LIABILITY (OTHER THAN AS A RESULT OF INDEMNITEES' GROSS NEGLIGENCE) FOR ANY CLAIM OR ACTION BASED ON OR ARISING OUT OF THE PERSONAL INJURY, OR DEATH, OF ANY EMPLOYEE OF THE SERVICE PROVIDER, OR OF ANY SUBCONTRACTOR, OR OF ANY OTHER ENTITY FOR WHOSE ACTS THEY MAY BE LIABLE, WHICH OCCURRED OR WAS ALLEGED TO HAVE OCCURRED ON THE WORK SITE OR IN CONNECTION WITH THE PERFORMANCE OF THE WORK. SERVICE PROVIDER HEREBY INDEMNIFIES THE INDEMNITEES EVEN TO THE EXTENT THAT SUCH PERSONAL INJURY WAS CAUSED OR ALLEGED TO HAVE BEEN CAUSED BY THE SOLE, COMPARATIVE OR CONCURRENT

NEGLIGENCE OF THE STRICT LIABILITY OF ANY INDEMNIFIED PARTY. THIS INDEMNIFICATION SHALL NOT BE LIMITED TO DAMAGES, COMPENSATION, OR BENEFITS PAYABLE UNDER INSURANCE POLICIES, WORKERS COMPENSATION ACTS, DISABILITY BENEFITS ACTS, OR OTHER EMPLOYEES BENEFIT ACTS.

INDEMNIFICATION - OTHER THAN EMPLOYEE PERSONAL INJURY CLAIMS: TO THE FULLEST EXTENT PERMITTED BY LAW, SERVICE PROVIDER SHALL INDEMNIFY, DEFEND (WITH COUNSEL OF THE COUNTY'S CHOOSING), AND HOLD HARMLESS THE COUNTY, AND THE COUNTY'S EMPLOYEES, AGENTS, REPRESENTATIVES, PARTNERS, OFFICERS, AND DIRECTORS (COLLECTIVELY, THE "INDEMNITEES") FROM AND AGAINST CLAIMS, DAMAGES, LOSSES AND EXPENSES, INCLUDING BUT NOT LIMITED TO ATTORNEYS' FEES, ARISING OUT OF OR ALLEGED TO BE RESULTING FROM THE PERFORMANCE OF THIS AGREEMENT OR THE WORK DESCRIBED HEREIN, TO THE EXTENT CAUSED BY THE NEGLIGENCE, ACTS, ERRORS, OR OMISSIONS OF SERVICE PROVIDER OR ITS SUBCONTRACTORS, ANYONE EMPLOYED BY THEM OR ANYONE FOR WHOSE ACTS THEY MAY BE LIABLE, REGARDLESS OF WHETHER OR NOT SUCH CLAIM, DAMAGE, LOSS OR EXPENSE IS CAUSED IN WHOLE OR IN PART BY A PARTY INDEMNIFIED HEREUNDER.

VI.

No Waiver of Sovereign Immunity or Powers: Nothing in this Contract will be deemed to constitute a waiver of sovereign immunity or powers of the County, the Williamson County Commissioners Court, or the Williamson County Judge.

VII.

Compliance With All Laws: Service Provider agrees and will comply with any and all local, state or federal requirements with respect to the services rendered. Any alterations, additions, or deletions to the terms of the Contract that are required by changes in federal, state or local law or regulations are automatically incorporated into the Contract without written amendment hereto, and shall become effective on the date designed by such law or by regulation.

VIII.

Termination: This Contract may be terminated at any time at the option of either party, without future or prospective liability for performance, upon giving thirty (30) days written notice thereof.

IX.

Venue and Applicable Law: Venue of this Contract shall be Williamson County, Texas, and the laws of the State of Texas shall govern all terms and conditions.

X.

Severability: In case any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision in this Contract and this Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.

XI.

Right to Audit: Service Provider agrees that the County or its duly authorized representatives shall, until the expiration of three (3) years after final payment under this Contract, have access to and the right to examine and photocopy any and all books, documents, papers and records of Service Provider which are directly pertinent to the services to be performed under this Contract for the purposes of making audits, examinations, excerpts, and transcriptions. Service Provider agrees that the County shall have access during normal working hours to all necessary Service Provider facilities and shall be provided adequate and appropriate workspace in order to conduct audits in compliance with the provisions of this section. ORDER OF COMMISSIONERS COURT
OF WILLIAMSON COUNTY, TEXAS
AUTHORIZING INTERMINT
OF DECEDENT'S REMAINS
(Jeanie Mullins Bowie)

Pursuant to the Laws and Rules of the State of Texas, the Texas Health & Safety Code, Chapter 711, Section 711.002(e), and the common law granting the County authority to regulate the public health and safety, the Commissioners Court of Williamson County finds that:

Jeanie Mullins Bowie (SSN xxx-xx-7211) passed away on September 21, 2022, at the age of 60, at her residence located in Round Rock, Williamson County, Texas.

The Court finds that the magistrate conducting the inquest shall inter the remains pursuant to Texas Health & Safety Code, Chapter 711, Section 711.002(e) and in this case the Justice of the Peace, Pct. 1 of Williamson County, Texas has signed the death certificate after an inquest and requested funding for an indigent burial for disposition of the deceased's body.

The Court also finds that there has been an investigation to obtain information regarding next of kin and the ability to pay for interment expense. However, all attempts to contact any known next of kin of the deceased's family

- 1 -

have failed to identify any responsible or known next of kin with the ability to pay for necessary expenses. In the facts presented in this case, the deceased's body has either become abandoned or those with the ability to pay are unable to do so.

The Court finds that this case involves either an abandoned body or is qualified for indigent burial; therefore, the duty to cover the costs of interment falls to Williamson County.

IT IS THEREFORE ORDERED THAT the deceased body shall be interred based on the request of the magistrate in this case (*i.e.*, permanent disposition of remains by entombment, burial, or placement in a niche).

IT IS FURTHER ORDERED THAT costs of cremation of the deceased be paid by Williamson County, Texas in accordance with its policies and regulations. Beck Funeral Home is granted authority to cremate the deceased.

Signed and entered this ____ day of May, 2023.

Agenda Item

Discuss, consider and take any appropriate action regarding a resolution relating to a public hearing and approving financing by Arizona Industrial Development Authority for the benefit of Valor Public Schools and related matters in compliance with Section 147(f) of the Internal Revenue Code (Note: The proposed resolution approving the bonds does not create any liability for Williamson County).

Background

Attached is a letter providing details regarding this bond issuance. Section 147(f) of the Internal Revenue Code provides the Bonds must be approved by: (1) the governmental unity which issued such bond, or on behalf of which such bond was issued; and (2) generally, each governmental entity having jurisdiction over the area in which the facility financed by the proceeds of such bond is located. Item (2) is where Williamson County is involved because Valor Public Schools is building in Williamson County. Further, the approval must include a public hearing following reasonable public notice of the bond issuance. This requirement is commonly known as the "TEFRA requirement" because it was originally added to the Code by the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA). Documentation supporting the notice and public hearing is attached. The bonds are not a liability of Williamson County.

Memo

To County Judge of Williamson County, Texas

From Amanda Stephens, Orrick, Herrington & Sutcliffe LLP

Date May 11, 2023

Re Equitable Facilities Fund, Inc. loan

This memo provides information regarding Equitable Facilities Fund, Inc., a Delaware nonstock corporation described in Section 501(c)(3) of the Code ("EFF"), Equitable School Revolving Fund, LLC, a Delaware limited liability company affiliate of EFF that is disregarded for federal tax purposes ("ESRF") and the Arizona Industrial Development Authority (the "Authority") in connection with a loan to Valor Public Schools (the "Corporation") for the purpose of financing the costs of the Project (as defined below) in the Williamson County, Texas.

I. EFF Loan Program Overview

Orrick represents a nonprofit organization called Equitable Facilities Fund, Inc. It is a Delaware nonstock nonprofit corporation that has received 501(c)(3) tax-exempt status as a public charity. EFF is initially funded by philanthropic contributions, and is organized to make low-cost, long-term, fixed rate loans to charter schools for facilities through either a direct lending program or the purchase of bonds (the "School Credit Facilities"). The EFF program is set up as a revolving loan fund, so that over time as existing School Credit Facilities are repaid, the loan repayment revenues can be used to make new School Credit Facilities. On August 29, 2019, EFF issued $111,725,000 of tax-exempt bonds (the "Series 2019 Bonds"), on August 27, 2020 issued $122,710,000 of tax-exempt bonds (the "Series 2020 Bonds"), on October 20, 2021 issued $122,895,000 of tax-exempt bonds (the "Series 2021 Bonds") and on August 30, 2022 issued $153,525,000 of tax-exempt bonds (the "Series 2022 Bonds") to leverage the revenue streams from the portfolio (or pool) of School Credit Facilities, and will continue to issue bonds pursuant to a multi-year plan of finance in order to originate more loans to charter schools (the "EFF Bonds"). As an example of how the revenue stream is leveraged, with $200 million in original philanthropic contributions to the loan fund, plus about $500 million in total issuance of EFF Bonds, EFF could make upwards of $700 million in School Credit Facilities. Depending on the locations of the projects financed by the School Credit Facilities over time, EFF will issue the EFF Bonds using various conduit issuers in various jurisdictions, and possibly use a national conduit issuer that has authority to finance projects in multiple jurisdictions. EFF will use the proceeds of the EFF Bonds to reimburse itself for School Credit Facilities it previously originated, in order to make additional School Credit Facilities.

EFF's goals are twofold: (1) directly save schools money by providing low-cost facilities financing, and (2) indirectly save schools money by transforming the public capital market for charter school financing through introducing competitive dynamics and catalyzing lower bond yields for all charter schools. To achieve the first goal, EFF hopes to issue the EFF Bonds with an "A" category credit rating and borrow at "A" category rates, which it accomplished with the Series 2019 Bonds, Series 2020 Bonds and Series 2021 Bonds. Then, EFF will pass on the "A" category borrowing rates through to its School Credit Facility borrowers

(subject to certain spreads designed to cover operating costs of EFF and manage credit risks of the School Credit Facility pool).

EFF maintains headquarters in New York City, with about a dozen employees, and has all required regulatory approvals to act as a lender in the various jurisdictions where it makes School Credit Facilities.

II. Roles of EFF and ESRF

In order to obtain an "A" category rating on the EFF Bonds, the pool of School Credit Facilities must meet specific rating criteria established by the major credit rating agencies, which include a requirement that the School Credit Facilities be held in a bankruptcy-remote special purpose entity, separate from EFF. EFF created a subsidiary for this purpose, Equitable School Revolving Fund, LLC, a single member Delaware limited liability company whose sole member is EFF ("ESRF"), and that is a disregarded entity for federal income tax purposes. ESRF is organized exclusively to support EFF and, the board of ESRF is appointed by the board of EFF. ESRF will end up owning all School Credit Facilities, and ESRF will be the borrower on any EFF Bonds that may be issued from time to time to reimburse the costs of originating School Credit Facilities.

Even though EFF and ESRF are under common control and organized for the same purposes, the formality associated with each School Credit Facility closing is necessary for purposes of meeting the rating criteria and achieving the goal of issuing the EFF Bonds with the highest possible credit rating at the lowest possible borrowing rates.

III. Role of Charter School

The role of the charter school in any School Credit Facility transaction will be as borrower, or to the extent there is a family of related entities to the charter school that includes a separate property-owning entity, the charter school may be a tenant in a facility that is owned by a related party landlord, with the landlord entity serving as borrower on the School Credit Facility.

The Corporation applied to EFF for a loan. The loan to the Corporation will (i) finance and refinance the acquisition, construction, expansion, remodeling, renovation, improvement, furnishing and/or equipping of educational facilities located at 11720 S. MoPac Expressway, Austin, Texas and 290 County Road 267, Georgetown, Texas (the "Project), and (ii) pay costs associated with the closing of the loan.

IV. Role of the Authority

As stated above, EFF intends to raise additional funds (beyond the original philanthropic contributions) for the purpose of originating School Credit Facilities through the issuance from time to time of EFF Bonds. The EFF Bonds could be issued through any conduit governmental issuer that has requisite authority to finance the charter school projects for which the School Credit Facilities have been originated. It is anticipated that EFF will make School Credit Facilities in any of jurisdictions in the US that authorize public charter schools. Currently, 43 states and the District of Columbia authorize charter schools.

The Authority has been identified as the conduit issuer for EFF Bonds because the proceeds of bonds issued by the Authority can be used to reimburse EFF for School Credit Facilities originated in any jurisdiction of the US. Thus, e.g., if EFF has made School Credit Facilities in Tennessee, California, Texas and Arizona, and then seeks to reimburse itself from EFF Bond proceeds for all of those School Credit Facilities, it could do so from a single issue of EFF Bonds through the Authority. This approach is more economically- and time-efficient than seeking to issue EFF Bonds through local conduit issuers in each of those states for the same purpose. Moreover, the sale of one large series of EFF Bonds garners more favorable bond pricing as compared to the sale of multiple smaller series of EFF Bonds through local conduit issuers.

EFF's revolving loan program is established through a Master Trust Indenture that will credit enhance ESRF's conduit revenue bond repayment obligations. The EFF Bonds can be issued through any duly authorized conduit governmental issuer. Thus, over time, EFF may or may not issue the EFF Bonds through the Authority. EFF may issue EFF Bonds through one or more other conduit governmental issuers. EFF will evaluate the alternatives and structure the issuance of EFF Bonds in due course, as the pool of School Credit Facilities takes shape over time. Several factors will guide that decision process.

In connection with the Corporation transaction, EFF has asked the Corporation to obtain local governmental approval (TEFRA) from the Williamson County, Texas for issuance of EFF Bonds by the Authority. It is possible, however, that EFF could issue EFF Bonds through a Texas conduit issuer to reimburse School Credit Facilities made in Texas.

V. TEFRA

The Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA) and Section 147(f) of the Internal Revenue Code of 1986 (the "Code") require public approval of tax-exempt obligations issued by a nonprofit corporation. Each governmental unit having jurisdiction over the area in which any project facility is located must approve the tax-exempt obligation. Such approval is solely for the purposes of compliance with TEFRA and Section 147(f) of the Code. Such approval is not (1) a representation or warranty by the governmental until that the financing will be paid or that any obligations assumed by any of the parties under the instruments delivered in connection with the financing will in fact be performed; (2) a pledge of the faith and credit of or by the governmental unit; or (3) a representation or warranty by the governmental until concerning the validity of the corporate existence of any corporation or the validity of the financing.

Since EFF and ESRF are nonprofit corporations expecting to issue tax-exempt obligations through the Authority in the future based off the School Credit Facilities, EFF and ESRF need to obtain TEFRA approvals from each governmental unit in each jurisdiction where they issue School Credit Facilities.

In compliance with the Code, notice will be published that will provide that members of the public are invited to a hearing to be held by the Corporation. The public will be given the opportunity to present comments to the proposed financing at the hearing or in writing.

VI. Conclusion

I will conclude with a brief description (or case study) of the first EFF loan which closed in October 2018. The table below was prepared by EFF and shows (column titled "EFF Loan") the final terms of the School Credit Facility from EFF to Soulsville Charter School, in Memphis, Tennessee. Soulsville's story is, like many high performing charter schools, nothing short of amazing. Soulsville is a top performing public charter high school program, oriented around the history and culture of the southern portion of Memphis, known as "Soulsville", and in particular the Stax Records Studio (where Otis Redding, Isaac Hayes, Aretha Franklin and many others made their careers). I was fortunate to visit Soulsville Charter School and can't express how wonderful the facilities, staff and programs are.

The column titled "Tax-Exempt Bond Option" presents market-based assumptions about the school's potential alternative financing option using publicly offered bonds issued through a local conduit issuer. The comparison data is further validated by the fact that Soulsville engaged a bond finance team to explore and present projected bond terms prior to executing the EFF loan.

	Tax-Exempt Bond Option	EFF Loan	Savings
Project Cost	$10,046,456	$10,046,456	
Costs of Issuance	$600,000	$283,650	$316,350
Debt Service Reserve Fund	$851,256	$0	$851,256
Par Amount of Obligation	**$11,500,000**	**$10,330,106**	**$1,169,894**
30 Year MMD - Day of Pricing	3.41%	3.41%	n/a
Coupon	6.16%	4.99%	1.17%
Spread to MMD	2.75%	1.58%	1.17%
*Average Annual Payment	$820,200	$664,986	$155,213
***Total Debt Service**	$24,605,986	$19,929,269	**$4,676,718**

**Net of Debt Service Reserve Fund used to repay last maturity*

The bottom line is this: EFF and Orrick hope to deliver results like those shown above to Texas charter schools – saving them millions of dollars on facilities financing transactions, allowing those same dollars to be applied to their important work of providing education, instead of paying interest and transaction costs.

Re: 23RFP58 Recommendation

The recommendation from the RFP Evaluation Committee is to award the Flood Monitoring Contract to FloodMapp effective May 5, 2023. This evaluation is based on all items outlined in the evaluation criteria in 23RFP58. Proposal pricing is within the current budget for these services.

FloodMapp was the only vendor to submit for the proposal and has proven their capability to predict flood monitoring with other agencies. FloodMapp is an Australian owned and internationally operated company in with offices located throughout the U.S. They have experience working on, installing, and maintaining a future, current, and post flood map that will be used by first responders to protect the public.

The Office of Emergency Management recommends that the Williamson County Commissioners Court award the contract based on the committee's evaluation.

Sincerely,

Michael Shoe
Director of Emergency Management
Williamson County

4603 COMMERCIAL PARK DRIVE ▪ AUSTIN, TEXAS 78724

April 17, 2023

PROPOSAL

Submitted to: Vaughn Construction

Project Name: Wilco Advocacy Center-Sound Masking

Location: Georgetown, Texas

SCOPE OF WORK

This proposal covers custom sound masking systems. Carroll Systems is a MPS Certified Installer and can offer a manufacture warranty.

Custom sound masking system to include:

1.) Install 1, networkable, 4x M24 4 channel MPS control module in the server room or other discreet location. Master control module and power supply requires a standard 115v outlet plug. Install **14**, full-spectrum voice arrest speakers per included design drawing. Speaker placement design focuses on coverage of the primary open corridor area. The conference room, and private offices break room are excluded and the open corridor area are indicated by (Red, Blue & Purple dots). The grid pattern allows consistent and pleasant sound masking sound throughout the treated space.

2.) "Adaptive Technology" allows the system to automatically make volume adjustments according to the current sound/voice/noise level. Quite simply – it ramps up the sound masking volume when it's noisy, and scales it back when it's not. This feature also provides additional energy savings. This optional feature would include **0** sensors to be installed centrally in exposed ceiling in the open office area.

3.) All work will be performed during normal working hours.

4.) A 1–2-hour onsite training will be scheduled before “go-live”.

- ✓ State-of-the art, software-driven sound masking system utilizing full-range, plenum installed speakers installed in a grid pattern to provide focused and comfortable sound masking throughout the designated treated areas.
- ✓ Available Adaptive Technology control. Ceiling-installed sensors automatically adjust the volume level of the sound masking depending on the current voice/noise level of the treated space. Patented technology – available in no other sound masking system currently in production
- ✓ 5-year warranty on all system components
- ✓ I.P. addressable – System can be controlled from any wireless notebook computer (or desktop) that logs onto the sound masking wireless network – or via optional touchpad.
- ✓ Fully expandable and re-configurable. Additional controllers/speakers/zones can be added in the future at a reduced cost.
- ✓ No tuning, maintenance, or updating required - truly “set and forget.”
- ✓ Fully detailed wiring diagram highlighting zone, speaker, controller, and sensor placement
- ✓ We provide a Project Manager to oversee the project.

23IFB21 Ronald Reagan Blvd. at Elizabeth Park Temporary Signals - Change Order #1

Submitted By: Julissa Vasquez, Road Bond

Department: Road Bond

Agenda Category: Regular Agenda Items

Information

Agenda Item

Discuss, consider, and take appropriate action regarding Change Order No. 1 in the amount of $28,245.75 for Project 23IFB21 Ronald Reagan Blvd. at Elizabeth Park Temporary Signals (The Levy Company) P: 336 Funding Source: Road Bond.

Background

This Change Order will compensate the contractor for quantity adjustments needed due to changes in the field condition. The plans have been revised to span the electric service over the Enterprise gas line versus going underground with the lines.

This Change Order also compensates the contractor for installing and maintaining a temporary controller cabinet that is needed due to the long lead-time on the delivery of the permanent cabinet. This will allow for the signals to be activated immediately rather than later in the year when the new cabinet is scheduled to be delivered.

Multiple items will be added by this Change Order. Please see attached Change Order.

This Change Order results in a net increase of $28,245.75 to the Contract amount, for an adjusted Contract total of $245,147.97. The original Contract amount was $216,902.22. As a result of this and all Change Orders to-date, $28,245.75 has been added to the Contract, resulting in a 13% net increase in the overall Contract cost.

Williamson County Road Bond Program

Ronald Reagan at Elizabeth Park Temporary Signals
Williamson County Project No. 23IFB21

Change Order No. 1

Reason for Change

This Change Order will compensate the contractor for quantity adjustments needed due to changes in the field condition. The plans have been revised to span the electric service over the Enterprise gas line versus going underground with the lines.

This Change Order also compensates the contractor for installing and maintaining a temporary controller cabinet due to the lead-time on the delivery of the permanent cabinet. This will allow for the signals to be activated immediately rather than later in the year when the new cabinet is scheduled to be delivered.

The following is a list of new items required for this Change Order.

ITEM	DESCRIPTION	QUANTITY	UNIT
627-6002	TIMBER POLE (CL 2) 40 FT	2.00	EA
628-WC01	ELC SRV TY D 120/240 060(NS)SS(E)EX(U)	1.00	EA
618-6023	CONDT (PVC) (SCH 40) (2")	25.00	LF
618-6074	CONDT (RM) (3")	60.00	LF
680-WC01	TEMP SIGNAL CONTROLLER/CABINET	1.00	EA

This Change Order results in a net increase of $28,245.75 to the Contract amount, for an adjusted Contract total of $245,147.97. The original Contract amount was $216,902.22. As a result of this and all Change Orders to-date, $28,245.75 has been added to the Contract, resulting in a 13% net increase in the overall Contract cost.

Field Change – Revised Traffic Signal

Dear Mr. Ehresman:

We offer the attached field change price proposal to account for the changes made to plan shts 2, 7 & 8 in order to address the issues with routing power to the signal intersection. The attached summary table details the quantity changes to the original contract bid items because of the plan revisons, and incorporates corrections made by the Levy team to plan sht 8 (see attached). Furthermore, we have added pricing for five new bid items. An explanation of each new bid item is included below:

1. TIMBER POLE (CL 2) 40 FT – Added timber poles for routing power overhead between electrical service enclosure & signal controller (poles A1 & A2 on plan sht 7). Includes a down guy for each pole.
2. TEMP SIGNAL CONTROLLER/CABINET – Provide & install a used signal controller & cabinet mounted to the permanent controller foundation. Temp controller is needed to run the signal system until such time as the permanent controller is available. Permanent controller has a long lead-time. Item includes removal of the temp controller cabinet when no longer needed. Item also includes maintaining the signal system for up to 9 months while waiting for the permanent controller to arrive. Maintenance is to cover the correction of any issues stemming from equipment failures or workmanship and any preventative maintenance steps required. Maintenance does not include issues caused by a 3rd party (e.g. public vehicle accident, Acts of God, damages caused by a contractor, vandalism).
3. ELC SRV TY D 120/240 060(NS)SS(E)EX(U) – Provide & install electrical service enclosure onto one of the 40' timber poles mentioned above. Item includes tie-in of conduits to bottom of enclosure. Conduit riser going up the pole to be paid separately. Item also includes installing a main breaker enclosure onto the existing PEC power pedestal. PEC to provide & install meter on existing pedestal.
4. CONDT (PVC)(SCH 40)(2") – Short conduits runs at the foot of each 40' timber pole for the purpose of routing power wiring.
5. CONDT (RM)(3") – Conduit risers with weather heads mounted to timber signal poles to separate signal cables & detections cables from power cables.

Sincerely,

Andy Ajas, P.E.

CPI Rate Adjustments: Rates will remain firm for the initial first year of the Contract and such rates shall be deemed the "Initial Base Rates". Engineer must request rate adjustments, in writing at least thirty (30) days prior to each annual anniversary date of the Contract and any rate changes will take effect on the first day following the prior year. If Engineer fails to request a CPI rate adjustment, as set forth herein, the adjustment will be effective thirty (30) days after the County receives Engineer's written request. No retroactive rate adjustments will be allowed.

Price adjustments will be made in accordance with changes in the U.S. Department of Labor Consumer Price Index (CPI-U) for ALL Urban Consumers, AL Items, South Region (Base 1982-84 = 100).

The rate adjustment will be determined by multiplying the Initial Base Rates by a fraction, the numerator of which is the index for most recently released index before each annual anniversary date of the Contract and the denominator of which is the index number for the first month of the Contract (the index number for the month in which the Contract was originally executed). If the products are greater than the Initial Base Rates, County will pay the greater amounts as the rates during the successive year until the next rate adjustment. Rates for each successive year will never be less than the Initial Base Rates.

Re: CR 332-Waterline and Electric Aerial Utility Easements
Parcel No.: 2E

Dear Mr. and Mrs. Thomas:

Please allow this letter to set out my understanding regarding our Agreement for the acquisition of a waterline easement to Lone Star Regional Water Authority and an electric aerial easement to Bartlett Electric Cooperative, Inc. in and across a portion of your property and required as part of Williamson County's proposed improvements to CR 332 ("Project").

By execution of this letter the parties agree as follows:

1. In return for Owner's delivery to WMCO of a fully executed and acknowledged Waterline Easement ad Electric Aerial Right of Way Easement ("Easements") in and to 0.0.29 acre of land, and in the form as set out in Exhibits "A & B" attached hereto and incorporated herein, WMCO shall pay Owner the sum of **$5,323.00** in cash or other good funds.

2. If requested by Williamson County, the Closing and completion of this transaction shall take place at Longhorn Title Company ("Title Company") within thirty (30) days after full execution of this Agreement, or at other date and time agreed to between the parties.

Upon request, the Owner shall provide reasonable assistance, at no cost to Owner, to cause the Title Company to issue a policy of title insurance, with standard printed exceptions, to County in completion of this transaction. County shall be responsible for all fees and costs associated with this transaction, except that each party shall be responsible for any attorney's fees they incur. Owner shall assist County and Title Company with any curative measures or mortgage lien consent or subordination required as a condition of the Closing.

If this meets with your understanding, please execute this letter where indicated and return it to me, and we will have this approved and signed by the County and process this for payment and Closing as quickly as possible.

Please feel free to contact me at any time if you have any questions or concerns about these issues.

Very truly yours,

Don Childs

KNOW ALL MEN BY THESE PRESENTS, that Crescenciano Alvarado and Maria A. Castillo (the "**Grantor**"), for and in consideration of the sum of Ten Dollars ($10.00) and other good and valuable consideration paid to Grantor by Lone Star Regional Water Authority (the "**Grantee**") whose address is P.O. Box 554, Jarrell, Texas 76537 Attn: General Manager, the receipt and sufficiency of which is hereby acknowledged, and for which no lien, express or implied, is retained, has GRANTED, SOLD and CONVEYED and by these presents does GRANT, SELL, and CONVEY unto the Grantee and its successors and assigns, an irrevocable, non-exclusive, permanent and perpetual water line easement (the "**Easement**") to survey, install, construct, operate, maintain, inspect, repair, replace, modify, upgrade, relocate, add, and remove water line facilities and other related facilities and equipment which may consist of multiple lines, pipes or conduits, and all incidental surface and subsurface apparatus, equipment, appurtenances and facilities, including, but not limited to valves, fittings, connections, hydrants, taps, meters, air vents, manholes, corrosion control equipment and related items necessary for access to or protection of the installed improvements (the "**Facilities**") over, across, under, and upon that **.029 acre (1,258 square foot)** tract of land, together with free, uninterrupted and continuous non-exclusive access to and from the Easement over and across such other portions of property owned by Grantor as may be necessary for ingress, egress and regress by Grantee, its employees, agents and contractors to and from the Easement (the "**Access Easement**"), provided however the right to use such Access Easement shall only be effective if there is no reasonably available access to the permanent easement area from a public right of way.

The Easement hereby granted shall be located on the property further described by metes and bounds and sketch as shown on Exhibit "A", which is attached hereto and incorporated herein for all purposes.

The consideration recited herein shall constitute payment in full for all damages sustained by Grantor by reason of the installation of the Facilities. Grantee may engage in all activities as may be necessary, requisite, convenient or appropriate in connection with the Easements and the Facilities. Grantee's rights shall include, without limitation, the right to clear and remove trees, growth, shrubbery, grass, ground cover and other vegetation and improvements from within the Easement which in the opinion of Grantee interfere with or damage the Facilities, and the right to bring materials to and to bring and operate such

equipment thereupon as may be necessary or appropriate to effectuate the purposes for which the Easements are granted. Grantee will, at all times after performing any work in connection with the Easement, remove debris generated by Grantee from the Easements and restore the surface grade and native ground cover necessary to prevent erosion of the Easements to substantially similar conditions as existed prior to the undertaking of any such work; provided however, the Grantee shall not be: (a) required to repair or replace any trees, growth, shrubbery, other vegetation or improvements removed by Grantee from the Easements or damaged by Grantee in the course of the proper exercise of its permitted rights pursuant to this Water Line Easement except as identified herein; or (b) liable for the value of any other trees, growth, shrubbery, other vegetation or improvements, except for planted crops, removed by Grantee from the Easements or damaged by Grantee in the course of the proper exercise of its permitted rights pursuant to this Water Line Easement.

Grantor expressly reserves the right to use the surface of the Easements for purposes that do not directly or indirectly interfere with, interrupt or impair Grantee's use of the Easements or directly or indirectly interfere with or damage the Facilities, including specifically aerial only (no poles) electric facilities. Grantor further specifically reserves the rights to use, construct, reconstruct, allow, or maintain streets, sidewalks, roads or driveways, fences and gates, water lines, aerial electric (no poles) and dry utility service lines at such place or places as Grantor may from time to time hereafter select for public or private use, on, over and across the Easement at any angle not less than forty-five (45) degrees to Grantee's water lines; provided however, without the prior consent of Grantee the Grantor shall not: (a) install or construct any permanent structures or improvements on the permanent Easement; or (b) install any vegetation in the permanent Easement other than grass, ground cover, and crops;

Grantor, its successors or assigns, shall not install or construct wastewater lines, gas pipelines, or petroleum pipelines (i) above Grantee's water lines, (ii) at an angle less than 45 degrees to Grantee's water lines, or (iii) with a separation distance of less than two feet from Grantee's water lines, without prior consent of Grantee.

This conveyance is made and accepted subject to any and all conditions and restrictions, if any, relating to the hereinabove described property to the extent, and only to the extent, that the same may still be in force and effect and shown of record in the office of the County Clerk of Williamson County, Texas.

Grantor represents to Grantee that: (i) Grantor is the current owner of the property which will be subject to the Easements; (ii) Grantor is authorized to grant the Easements without obtaining the prior consent of any party; and (iii) the Easements are not and will not be subject to any prior liens of record or other liens securing financial or other obligations of Grantor.

The Easement herein granted shall be perpetual and shall run with the land, and the terms and provisions of this Water Line Easement shall be binding on Grantor and Grantee and their respective heirs, administrators and executors or successors and assigns, as applicable. Nothing herein shall be deemed nor construed to be a dedication of the Easements for use by the general public or a conveyance of Grantor's fee estate in the Easements.

TO HAVE AND TO HOLD, subject to the matters set forth herein, the Easements unto the Grantee, its successor and assigns, together with all and singular the rights and appurtenances thereto in anywise belonging, including all necessary rights to ingress, egress, and regress and the right to assign said Easements or any portion thereof. Grantor does hereby bind Grantor and Grantor's heirs, administrators, executors or successors and assigns, as applicable, to WARRANT AND FOREVER DEFEND, all and singular the said Easements and other rights described herein unto Grantee, its successors and assigns, against every person whomsoever lawfully claiming or the claim the same or any part thereof.

Grantor expressly acknowledges and consents to Grantee's assignment of undivided interests in this Water Line Easement to Sonterra Municipal Utility District and Jarrell-Schwertner Water Supply Corporation for the purposes of installing and maintaining water lines owned and operated by Sonterra Municipal Utility District and Jarrell-Schwertner Water Supply Corporation in addition to Grantee's Facilities.

Castillo, of Williamson County, Texas (hereinafter referred to as "Grantor," whether one or more), for the provision of electric service or other good and valuable consideration received the receipt and sufficiency of which is deemed valuable to Grantor and which is hereby expressly acknowledged and accepted by Grantor from Bartlett Electric Cooperative, Inc., a Texas electric cooperative corporation, whose mailing address is P. O. Box 200, Bartlett, Texas 76511, and physical address of 27492 Highway 95, Bartlett, Texas 76511 (hereinafter referred to as "Cooperative"), does hereby grant and convey unto the Cooperative, its successors and assigns, an aerial easement and right-of-way for above-ground facilities to include, but not be limited to, one or more electric lines and communication devices and/or lines or cables, crossarms, insulators, pole mounted equipment and supports for pole mounted equipment to overhang aerially but not physically touch Grantor's property for electric operations and/or maintenance, each consisting of a variable number of wires and circuits, and all necessary and desirable appurtenances and attachments including, but not limited to, conductors, wires, racks, and equipment over, across, along and upon all that certain land in Williamson County, Texas (hereinafter referred to as "Grantor's Property") more particularly described in Exhibit "A" attached hereto and incorporated herein by reference for all purposes (the "Aerial Easement").

The Aerial Easement and its rights and privileges herein granted shall include the right to any additional working space about or near the Aerial Easement as may be reasonably necessary, together with the right of pedestrian and/or vehicular ingress and egress over, across, along, and upon Grantor's Property and Grantor's adjoining land to or from the Aerial Easement for the purposes of providing electric utility service to Grantor and/or others (overhead), including, but not limited to, placing, constructing, reconstructing, operating, inspecting, patrolling, maintaining, removing, improving, upgrading, modifying, increasing or reducing the capability of, and relocating electric and/or communication lines and/or devices, or distribution facilities or equipment, as well as reading any meter or performing any act relating to the provision of utility service.

This Aerial Easement, together with all rights and privileges herein granted, shall be a covenant running with the land for the benefit of the Cooperative, its successors and assigns, and may be assigned in whole, or in part, as the Cooperative may desire. This unobstructed Aerial Easement begins at a plane at ground level and extends infinitely upward. It is understood, however, that Cooperative shall have no right to erect any structures on the above-described Aerial Easement but may overhang such Aerial Easement with facilities attached to structures which are located on property or right-of-way adjacent to Grantor's Property. The Cooperative shall also have the right to access so much of the remainder of the Grantor's Property as may be reasonably necessary to install, maintain, repair, and/or remove facilities that may at any time be necessary, at Cooperative's sole discretion, for the purpose herein specified.

Should the Grantor erect locked gates or other barriers that include, but not limited to, hostile dogs, the Grantor will provide the Cooperative with convenient means to circumvent the barrier for access without notice. Refusal on the part of the Grantor to provide reasonable access for the above purposes may, at the Cooperative's option, be sufficient cause for discontinuance of service. Alternatively, the Cooperative may move the metering location and other facilities and charge Grantor the cost of relocating all facilities.

The Cooperative shall have the right to clear the Aerial Easement of all obstructions or to prevent possible interference with or hazards to the safety, operation, and reliability of any of said lines and/or facilities or devices, including, but not limited to, trimming, cutting down, and/or chemically treating trees, undergrowth, and shrubbery within the Aerial Easement or within such proximity of the Cooperative's facilities so as to be hazardous to such facilities. Cooperative has the right to install, use, maintain, and lock access gates, and to remove or prevent construction on the Aerial Easement of any or all structures, buildings, trailers, and/or any other obstructions at Grantor's expense.

Grantor agrees that the consideration received by the Grantor includes consideration for all damages for the initial construction of the Cooperative's facilities on the Grantor's Property as well as all damages, if any, to the Grantor's Property which may occur in the future after the initial construction of the Cooperative's facilities on the Grantor's Property, directly resulting from the Cooperative's exercise of any of its rights herein granted. The Cooperative shall not be liable for any damages caused by maintaining the Aerial Easement clear of trees, undergrowth, brush and obstructions.

INTERLOCAL AGREEMENT BY AND BETWEEN LIBERTY HILL, TEXAS AND WILLIAMSON COUNTY, TEXAS

THE STATE OF TEXAS §
§ KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF WILLIAMSON §

This Interlocal Agreement ("Agreement") is entered into between the City of Liberty Hill, Texas (the "City") and Williamson County, Texas (the "County"), both political subdivisions of the State of Texas. In this Agreement, the City and the County are sometimes individually referred to as "a Party" and collectively as "the Parties".

WHEREAS, V.T.C.A., Government Code, Chapter 791, the Texas Interlocal Corporation Act provides that any one or more public agencies may contract with each other for the performance of governmental functions or services for the prevention and protection of the health and safety of the inhabitants of this State and the mutual benefit of the Parties; and

WHEREAS, the City has prioritized the construction of traffic signal projects within the City, as outlined herein; and

WHEREAS, the County is in the process of acquiring right-of-way for the Liberty Hill Bypass (the "Bypass"); and

WHEREAS, the City and the County desire to cooperate regarding the mutual responsibilities, obligations and duties as stated herein;

NOW THEREFORE, in consideration of the foregoing premises and the mutual promises and agreements contained in this Agreement, the Parties agree as follows:

I.
Purpose

The general purpose of this Agreement is to provide for (1) the exchange of certain real properties owned by the Parties, and (2) the County reimbursement to the City for costs of up to $272,950 to construct one traffic signal project at either the intersection of SH 29 and Stonewall Ranch or the intersection of SH 29 and Bailey Lane.

II.
City Obligations

2.01 In return for the considerations stated herein, the City shall take all legal actions necessary to convey fee simple title to the County of the approximately nine (9) acre tract described in Exhibit "A" on or before April 28,2023 ("9-Acre Tract").

2.02 In conjunction with the construction of the Bypass, the County will construct a cul-de-sac terminating Stubblefield Lane to prevent access to the Bypass. The cul-de-sac will be approximately 0.29 acres at the location shown on Exhibit "B", attached hereto. After construction

completion of the cul-de-sac, the City shall annex and maintain the approximately 1,200' feet of Stubblefield Drive up to and including the cul-de-sac when the City annexes and/or owns 50% of frontage abutting this section of Stubblefield Lane.

III.
County Obligations

3.01 The County will convey to the City fee simple title to an approximately 125' by 125' foot tract to be utilized by the City for the installation of a City wastewater lift station (the "Lift Station Tract"). The exact location of the Lift Station Tract will be within the property described in Exhibit "B", as determined by the Parties at a later date. The closing of the Lift Station Tract shall occur simultaneously with the closing of the 9- Acre Tract. The City will construct and maintain secure fencing around the perimeter of the Lift Station Tract after construction and will maintain the fence in perpetuity. The County will allow access to the Lift Station Tract from the Bypass after the Bypass is constructed.

3.02 The County will reimburse the City up to and no more than $272,950 for costs associated with the installation of one traffic signal and related construction at either the intersection of SH 29 and Stonewall Ranch or the intersection of SH 29 and Bailey Lane. The reimbursement will be payable after the County receives and approves invoices after construction is completed. Payment shall be made pursuant to the Texas Prompt Payment Act.

3.03 The County shall commence construction of the Bypass within 12 months of the execution of this Agreement by both Parties and substantially complete construction within 24 months after construction is commenced, both subject to Force Majeure, as defined herein.

IV.
Disputes

4.01 Material Breach: Notice and Opportunity to Cure.

(a) In the event that one Party believes that another Party has materially breached one of the provisions of this Agreement, the non-defaulting Party will make written demand to cure and give the defaulting Party up to 30 days to cure such material breach or, if the curative action cannot reasonably be completed within 30 days, the defaulting Party will commence the curative action within 30 days and thereafter diligently pursue the curative action to completion. Notwithstanding the foregoing, any matters specified in the default notice which may be cured solely by the payment of money must be cured within 10 days after receipt of the notice. This applicable time period must pass before the non-defaulting Party may initiate any remedies available to the non-defaulting party due to such breach.

(b) Any non-defaulting Party will mitigate direct or consequential damage arising from any breach or default to the extent reasonably possible under the circumstances.

(c) The Parties agree that they will negotiate in good faith to resolve any disputes and may engage in non-binding mediation, arbitration or other alternative dispute resolution methods as recommended by the laws of the State of Texas.

4.02 Equitable Relief. In recognition that failure in the performance of the Parties' respective obligations could not be adequately compensated in money damages alone, the Parties agree that after providing notice and an opportunity to cure in accordance with Section 4.01 above, the Parties shall have the right to request any court, agency or other governmental authority of appropriate jurisdiction to grant any and all remedies which are appropriate to assure conformance to the provisions of this Agreement.

4.03 Agreement's Remedies Not Exclusive. The provisions of this Agreement providing remedies in the event of a Party's breach are not intended to be exclusive remedies. The Parties retain, except to the extent released or waived by the express terms of this Agreement, all rights at law and in equity to enforce the terms of this Agreement.

V.
General Provisions

5.01 Authority. This Agreement is made in part under the authority conferred in Chapter 791, Texas Government Code.

5.02 Term. This Agreement shall commence upon execution of this Agreement and shall end upon the completion of the County Project and acceptance of the public improvements by the City.

5.03 Severability. The provisions of this Agreement are severable and, if any provision of this Agreement is held to be invalid for any reason by a court or agency of competent jurisdiction, the remainder of this Agreement will not be affected and this Agreement will be construed as if the invalid portion had never been contained herein.

5.04 Payments from Current Revenues. Any payments required to be made by a Party under this Agreement will be paid from current revenues or other funds lawfully available to the Party for such purpose.

5.05 Cooperation. The Parties agree to cooperate at all times in good faith to effectuate the purposes and intent of this Agreement.

5.06 Entire Agreement. This Agreement contains the entire agreement of the Parties regarding the subject matter hereof and supersedes all prior or contemporaneous understandings or representations, whether oral or written, regarding the subject matter and only relates to those portions of the County Project shown in the plans attached hereto as Exhibit "A".

5.07 Amendments. Any amendment of this Agreement must be in writing and will be effective if signed by the authorized representatives of the Parties.

5.08 Applicable Law; Venue. This Agreement will be construed in accordance with Texas law. Venue for any action arising hereunder will be in Williamson County, Texas.

5.09 Notices. Any notices given under this Agreement will be effective if (i) forwarded to a Party by hand-delivery; (ii) transmitted to a Party by confirmed telecopy; or (iii) deposited with the U.S. Postal Service, postage prepaid, certified, to the address of the Party indicated below:

5.12 Force Majeure. If, by reason of force majeure, any Party is rendered unable, in whole or in part, to carry out its obligations under this Agreement, the Party whose performance is so affected must give notice and the full particulars of such force majeure to the other Parties within a reasonable time after the occurrence of the event or cause relied upon, and the obligation of the Party giving such notice, will, to the extent it is affected by such force majeure, be suspended during the continuance of the inability but for no longer period. The Party claiming force majeure must endeavor to remove or overcome such inability with all reasonable dispatch. The term "*force majeure*" means Acts of God, strikes, lockouts, or other industrial disturbances, acts of the public enemy, orders of any kind of the government of the United States or the State of Texas, or of any court or agency of competent jurisdiction or any civil or military authority, insurrection, riots, epidemics, landslides, lightning, earthquake, fires, hurricanes, storms, floods, washouts, droughts, arrests, restraints of government and people, civil disturbances, vandalism, explosions, breakage or accidents to machinery, pipelines or canals, or inability on the part of a Party to perform due to any other causes not reasonably within the control of the Party claiming such inability
