5.02. At the Closing, Seller shall:

(1) Deliver to Purchaser (a) a duly executed and acknowledged special warranty deed conveying good and indefeasible title in fee simple to the Property described in **Exhibit "A"** (the "Deed") to the State of Texas (the "State").

(2) The Deed shall be in the form as shown in **Exhibit "B"** attached hereto and incorporated herein.

(3) Provide reasonable assistance as requested, at no cost to Seller, to cause the Title Company to deliver to Purchaser a Texas Owner's Title Policy (the "Policy") at Purchaser's sole expense, in the full amount of the Purchase Price, insuring the State's contracted interests in and to the Property subject only to those title exceptions listed therein, and the standard printed exceptions contained in the usual form of Texas Owner's Title Policy, provided, however:

(b) Pay the costs of Closing for which Purchaser is responsible as provided in this Contract.

#### Prorations

5.04. At the Closing, ad valorem taxes for the Property described in **Exhibit "A"** based on the Agricultural Value Appraisal will be prorated and Seller will pay the prorated taxes for the year of Closing and taxes for prior years based on the Agricultural Value Appraisal; however, the obligation to pay any rollback taxes, penalties and interest levied against the Property relating to any period prior to the date of Closing due to the sale of the Property or a change in use or ownership of the Property ("Rollback Taxes") will be assumed by the State and paid by the State when and if assessed. If Closing occurs before the tax rate is fixed for the year of Closing, the proration of taxes for the year of Closing will be based upon the tax rate for the preceding year applied to the latest Agricultural Value Appraisal and Seller will remain responsible for payment any additional taxes that may be due based on the Agricultural Value Appraisal of the Property when the tax rate for the year of Closing becomes available. The agreements of the parties under this Section will survive Closing.

#### Closing Costs

5.05. All costs and expenses of closing in consummating the sale and purchase of the Property shall be borne and paid as follows:

- (1) Owner's Title Policy (including the basic premium and the costs of all endorsements and special elective coverages) and survey to be paid by Purchaser.

#### **ARTICLE VI. BREACH BY SELLER**

In the event Seller shall fail to fully and timely perform any of its obligations hereunder or shall fail to consummate the sale of the Property for any reason, except Purchaser's default, Purchaser may, as its sole and exclusive remedy, enforce specific performance of this Contract.

#### **ARTICLE VII. BREACH BY PURCHASER**

In the event Purchaser should fail to consummate the purchase of the Property, the conditions to Purchaser's obligations set forth in Article III having been satisfied and Purchaser being in default and Seller not being in default hereunder, Seller shall have the right to receive the Escrow Deposit, if any, from the title company, the sum being agreed on as liquidated damages for the failure of Purchaser to perform the duties, liabilities, and obligations imposed upon it by the terms and provisions of this Contract, and Seller agrees to accept and take this cash payment as its total damages and relief and as Seller's sole remedy hereunder in such event. If no Escrow Deposit has been made then Seller shall receive the amount of \$500 as liquidated damages for any failure by Purchaser.
