Re: Hero Way Project
Parcel No. 315D

Dear Mr. & Mrs. Golden:

Please allow this letter to set out my understanding regarding our Agreement for the acquisition of a permanent drainage easement interest to Williamson County, Texas ("County") in and across portions of your property ("Owner") as part of the County's proposed Hero Way/RM2243 improvements ("Project").

By execution of this letter the parties agree as follows:

1. In return for Owner's delivery to County of a fully executed and acknowledged drainage easement ("Easement") in and to approximately 0.123 acre of land, such rights to be granted free and clear of any monetary liens and encumbrances and in the form as set out in Exhibit "A" attached hereto and incorporated herein, County shall pay Owner the sum of **\$74,511.00** in cash or other good funds ("Purchase Price").

2. If requested by County, the Closing and completion of this transaction shall take place at Texas National Title Company ("Title Company") within thirty (30) days after full execution of this Agreement, or at other date and time agreed to between the parties.

Upon request Owner shall provide reasonable assistance, at no cost to Owner, to cause the Title Company to issue a policy of title insurance, with standard printed exceptions, to County in completion of this transaction. County shall be responsible for all fees and costs associated with this transaction, except that each party shall be responsible for any attorney's fees they incur. Owner shall assist County and Title Company with any curative measures or mortgage lien joinder, consent or subordination required as a condition of the Closing.

Upon completion of (1) the full execution of this Agreement by all parties, and (2) acknowledgment by the Title Company of delivery by County of the full Purchase Price to the Title Company, Purchaser, its agents and contractors shall be permitted at any time

after October 31, 2023 to enter and possess the Property prior to Closing for the purpose of completing any and all necessary construction activities associated with the proposed improvement construction project of County.

To the extent allowed by law County, its agents and contractors agree to release, indemnify, and otherwise hold Owner harmless from any damages or other losses to owner or any third party resulting from any acts or omissions performed under the limited right of possession herein. The parties further agree to continue to use diligence in assisting with any title curative or lienholder consent measures required by the Agreement to expeditiously complete the Closing of the purchase transaction.

3. Owner understands and acknowledges that Owner has been informed of the entitlement to receive fair market value payment for the Easement, as set out in Title III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4601-4655), including the right to an appraisal, and is accepting the voluntarily negotiated Purchase Price as set out herein.

4. This Agreement is being made, and the Easement is being delivered, in lieu of condemnation.

If this meets with your understanding, please execute this letter where indicated and return it to me, and we will have this approved and signed by the County and process this for payment and Closing as quickly as possible.

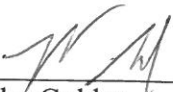

Please feel free to contact me at any time if you have any questions or concerns about these issues.

Very truly yours,

Don Childs
