Memorandum

DATE: September 14, 2023

SUBJECT: Vendor Selection #23RFQ103

The selected vendor regarding Request For Quotations #23RFQ103 is BizLibrary due to their public sector references submitted, extensive original content, customer service continuity, pricing, established turn-key system which is ready for immediate implementation, and ease of use per demonstration.

BizLibrary completed the RFQ in its entirety, is a true learning management system (not third party) and has a larger content library than other respondents.

Please contact me with further questions you may have,

Rebecca Clemons
