PROCLAMATION

WHEREAS, breast cancer is the second most common cancer in American women, with 1 in 8 women diagnosed with breast cancer in her lifetime; and

WHEREAS, there is a breast cancer diagnosis every two minutes in the United States, and it is estimated that there will be 297,790 cases of invasive breast cancer identified in 2023 and 55,720 new cases of non-invasive breast cancer; and

WHEREAS, advances in early detection and treatment has significantly increased the 5-year survival rate to 99% when it is identified in an early localized stage, providing hope for the 3.8 million breast cancer survivors in the United States; and

WHEREAS, the early detection of breast cancer through mammography and other breast exams helps find breast cancer earlier when it is more easily treated, and is the best defense against receiving a late-stage breast cancer diagnosis; and

WHEREAS, Texas ranks 33rd in the nation for women being current on breast cancer screening, but Williamson County is helping improve access to preventative breast cancer screening for women in Williamson County.

NOW, THEREFORE BE IT PROCLAIMED, that the Williamson County Commissioners Court does hereby proclaim October as “Breast Cancer Awareness Month” and encourages all women who have not received their recommended screening to make a mammogram appointment, provided at no cost through available community resources and through many health insurance plans.

PROCLAIMED THIS 3RD DAY OF OCTOBER.
