

POSSESSION AND USE AGREEMENT FOR TRANSPORTATION PURPOSES

STATE OF TEXAS

§

Parcel No.: 205.2

COUNTY OF WILLIAMSON

§

Project: Hero Way/RM 2243

This Possession and Use Agreement For Transportation Purposes (the "Agreement") between **WILLIAMSON COUNTY, TEXAS** (the "County"), and **ELSA MOORE** (the "Grantor" whether one or more), grants to the County, their contractors, agents and all others deemed necessary by the County, an irrevocable right to possession and use of the Grantor's property for the purpose of constructing the Hero Way/RM 2243 roadway project and related appurtenances, drainage facility/grading and utility relocations (the "Roadway Construction Project"). The property subject to this Agreement is described more fully in field notes, plat maps, or other descriptions attached hereto as Exhibit "A" and is made a part of this Agreement by reference (the "Property").

1. For the consideration paid by the County which is set forth in Paragraph 2 below, the receipt and sufficiency of which is acknowledged, the Grantor grants, bargains, sells, and conveys to the County the right of entry and possession and use of the Property for the purpose of constructing a roadway, utility adjustments and appurtenances thereto and the right to remove any improvements. Authorized activities include surveying, inspection, environmental studies, archeological studies, clearing, demolition, construction of permanent improvements, relocating, replacing, and improving existing utility facilities, locating new utility facilities, and other work required to be performed in connection with the Roadway Construction Project. This Possession and Use Agreement will extend to the County, its contractors and assigns, owners of any existing utilities on the Property and those which may be lawfully permitted on the Property by the County in the future, and all others deemed necessary by the County for the purpose of the Roadway Construction Project. This grant will allow the construction, relocation, replacement, repair, improvement, operation, and maintenance of utilities on the Property.
2. In full consideration for this irrevocable grant of possession and use, the County will tender to the Grantor payment in the amount of **THREE MILLION FOUR HUNDRED FIFTY-FIVE THOUSAND SIX HUNDRED TWENTY-THREE and no/100 DOLLARS (\$3,455,623.00)** (the "Entry Deposit"). The County will be entitled to take possession and use of the Property upon tender of payment as set forth in paragraph 3 herein, subject to the conditions in paragraph 13 below, if any. The parties agree that the Entry Deposit tendered represents 100% payment of the County's approved value, which assumes no adverse environmental conditions affecting the value of the Property. The approved value is the County's determination of the just compensation owed to the Grantor for the real property interest to be acquired by the County in the Property, encumbered with the improvements thereon, if any, and damages to the remainder, if any, save and except all oil, gas, and sulfur. The parties agree that the Entry Deposit tendered to Grantor will be deducted from any final settlement amount, Special Commissioners' award, or court judgment. In the event the amount of the final settlement or judgment for acquisition of the Property is less than the amount of

the Entry Deposit, then the Grantor agrees that the difference between the amount of the Entry Deposit tendered and the amount of such final settlement or judgment for acquisition of the Property represents an overpayment and, upon written notice from the County, the Grantor will promptly refund the difference between the Entry Deposit and the amount of the settlement or judgment to the County.

3. The effective date of this Agreement will be the date on which payment of the Entry Deposit pursuant to Paragraph 2 above was tendered in full to the Grantor by the County or delivered to a title company acting as escrow agent for the transaction (the "Effective Date").
4. The Grantor warrants and represents by, through, and under Grantor but not otherwise, that the title to the Property is free and clear of all liens and encumbrances (and any subsequent updates prior to the Effective Date), and that proper releases will be executed for the Property prior to funds being disbursed under this Agreement. The Grantor further warrants that no other person or entity owns an interest in the fee title to the Property and further agrees to indemnify the County from all unreleased or undisclosed liens, claims, or encumbrances affecting the Property.

The above-made warranties are made by Grantor and accepted by the County subject to the following:

- A. Visible and apparent easements not appearing of record;
 - B. Any discrepancies, conflicts, or shortages in area or boundary lines or any encroachments or any overlapping of improvements which a current survey would show; and,
 - C. Easements, restrictions, reservations, covenants, conditions, oil and gas leases, mineral severances, and encumbrances for taxes and assessments (other than liens and conveyances) presently of record in the Official Public Records of Williamson County, Texas, that affect the Property, but only to the extent that said items are still valid and in force and effect as of the Effective Date.
5. The parties agree that the valuation date for determining the amount of just compensation for the real property interest proposed to be acquired by the County in the Property, for negotiation or eminent domain proceeding purposes, will be March 1, 2024.
 6. This Agreement is made with the understanding that the County will continue to proceed with the acquisition of a real property interest in the Property. The Grantor reserves all rights of compensation for the title and other interest in and to the Property which the Grantor holds as of the time immediately prior to the Effective Date of this Agreement. This Agreement shall in no way prejudice the Grantor's rights to receive full and just compensation as allowed by law for all of the Grantor's interests in and to the Property to be acquired by the County, encumbered with the improvements thereon, if any, and damages, if any, to the remainder of the Grantor's interest in any larger tract of which the Property is a part (the "Remainder"), all as the Property exists on the Effective Date of this Agreement. The County's removal or construction of improvements on the Property shall in no way affect the fair market value of

the Property in determining compensation due to the Grantor in the eminent domain proceedings, except as such removal or construction of improvements may impact or damage the Remainder. No beneficial project influence will impact the appraised value of the Property to be acquired. This grant will not prejudice the Grantor's rights to any relocation benefits for which Grantor may be eligible.

7. In the event the County institutes or has instituted eminent domain proceedings, the County will not be liable to the Grantor for interest upon any award or judgment as a result of such proceedings for any period of time prior to the date of the award. Payment of any interest may be deferred by the County until the entry of judgment.
8. The purpose of this Agreement is to allow the County to proceed with its Roadway Construction Project without delay and to allow the Grantor to have the use at this time of 100% of the Entry Deposit. The Grantor expressly acknowledges that the proposed Roadway Construction Project is for a valid public use and voluntarily waives any right the Grantor has or may have, known or unknown, to contest the jurisdiction of the court in any condemnation proceeding for acquisition of the Property related to the Roadway Construction Project, based upon claims that the condemning authority has no authority to acquire the Property through eminent domain, has no valid public use for the Property, or that acquisition of the Property is not necessary for the public use.
9. The undersigned Grantor agrees to pay as they become due, all unpaid ad valorem property taxes and special assessments assessed against Property as of the Effective Date.
10. Notwithstanding the acquisition of the right of possession to the Property by the County in a condemnation proceeding by depositing the Special Commissioners' award into the registry of the court, less any amounts tendered to the Grantor pursuant to Paragraph 2 above, this Agreement shall continue to remain in effect until the County acquires title to the Property either by negotiation, settlement, or final court judgment.
11. There shall be no drinking liquor, hunting, or fishing on the Property or any of Grantor's lands by the County, its officers, agents, employees, contractors, invitees, guests, or representatives at any time. No firearms or fishing equipment shall be taken on the property by the County, its officers, agents, employees, contractors, invitees, guests or representatives at any time. The County, its contractors, and any and all persons entering the Property under this Agreement shall not perform disorderly conduct and a portable sanitary facility shall be made available for the County's contractors and any and all persons entering the Property under this agreement.
12. The County shall have the right to remove any fence that now crosses the Property. Prior to cutting any fence, however, the County shall give timely notice to the Grantor to brace the existing fence to be cut adequately on both sides of the proposed cut by suitable H-braces to prevent the remainder of the fence from sagging. If applicable, the County shall take reasonable steps to ensure that cattle, horses and/or other livestock cannot stray from the fenced pastures, including but not limited to informing Grantor of any fence removal and allowing for reasonable time to relocate said livestock. The County and its designated contractors,

employees, and invitees agree to keep any and all gates and fences closed and locked at all times except when passing through same.

13. This Agreement will also extend to and bind the heirs, devisees, executors, administrators, legal representatives, successors in interest, and assigns of the parties.

14. It is agreed the County will record this document.

15. Other conditions: Should the Special Commissioners' Award (if any) be greater than the Entry Deposit paid pursuant to paragraph 2 herein, the County shall tender the difference to the registry of the court within sixty (60) days of the date that the Special Commissioners' Award is entered.

At no time during the possession of the Property by County for the purposes described herein shall Grantor be denied reasonable access and/or ingress to or egress from the remainder of Grantor's land for its current uses, unless otherwise agreed to in writing in advance.

To have and to hold the Agreement herein described and conveyed, together with all the rights and appurtenances belonging to the County and its assigns forever, for the purposes and subject to the limitations set forth above.
