A. Term. The Surveyor is expected to complete the Surveying Services described herein in accordance with the above-described Work Authorizations or any Supplemental Work Authorization related thereto. If Surveyor does not perform the Surveying Services in accordance with each applicable Work Authorization or any Supplemental Work Authorization related thereto, then County shall have the right to terminate this Contract as set forth below in Article 20. So long as the County elects not to terminate this Contract, it shall continue from day to day until such time as the Surveying Services are completed in accordance with each applicable Work Authorization or any Supplemental Work Authorization related thereto. Any Surveying Services performed or costs incurred after the date of termination shall not be eligible for reimbursement. Surveyor shall notify County in writing as soon as possible if he/she/it determines, or reasonably anticipates, that the Surveying Services will not be completed on or before the date specified in the Work Authorization or any Supplemental Work Authorization and in full accordance with the terms of the applicable Work Authorization or any Supplemental Work Authorization .

B. Work Authorizations. Surveyor acknowledges that each Work Authorization is of critical importance, and agrees to undertake all reasonably necessary efforts to expedite the performance of Surveying Services required herein so that construction of the Project will be commenced and completed as scheduled. In this regard, and subject to adjustments in a particular Work Authorization, as provided in Article 3 herein, Surveyor shall proceed with sufficient qualified personnel and consultants necessary to fully and timely accomplish all Surveying Services required under this Contract in a professional manner.

C. Commencement of Surveying Services. After execution of this Contract, Surveyor shall not proceed with Surveying Services until Surveyor has been thoroughly briefed on the scope of the Project and has received an executed Work Authorization, which serves as the County's written notice to proceed, as provided in Article 8.

ARTICLE 5
COMPENSATION AND EXPENSES

County shall pay and Surveyor agrees to accept up to the amount shown below as full compensation for the Surveying Services performed and to be performed under this Contract. The basis of compensation for the services of principals and employees engaged in the performance of the Surveying Services shall be based on the Rate Schedule set forth in the attached **Exhibit D**.

The maximum amount payable under this Contract, without modification, is **Five Hundred Thousand and No/100 Dollars ($500,000.00)** (the "Compensation Cap"), provided that any amounts paid or payable shall be solely pursuant to a validly issued Work Authorization or any Supplemental Work Authorization related thereto. In no event may the aggregate amount of compensation authorized under Work Authorizations and Supplemental Work Authorizations exceed the Compensation Cap. The Compensation Cap shall be revised equitably only by written Contract Amendments executed by both parties in the event of a change the overall scope of the Surveying Services set forth in **Exhibit B**, as authorized by County.

The Compensation Cap is based upon all labor and non-labor costs estimated to be required in the performance of the Surveying Services provided for under this Contract. Should the actual costs of all labor and non-labor costs rendered under this Contract be less than the above stated Compensation Cap, then Surveyor shall receive compensation for only actual fees and costs of the Surveying Services actually rendered and incurred, which may be less than the above stated Compensation Cap.

The Compensation Cap herein referenced may be adjusted for Additional Surveying Services requested and performed only if mutually approved by a written Contract Amendment signed by both parties.

Surveyor shall prepare and submit to County monthly progress reports in sufficient detail to support the progress of the Surveying Services and to support invoices requesting monthly payment. The format for such monthly progress reports and invoices must be in a format acceptable to County. Satisfactory progress of Surveying Services shall be an absolute condition of payment.

Surveyor shall be reimbursed for actual non-labor and subcontract expenses incurred in the performance of the services under this Contract in accordance with the Williamson County Vendor Reimbursement Policy set forth under **Exhibit E**. Invoices requesting reimbursement for costs and expenditures related to the Project (reimbursables) must be accompanied by copies of the provider's invoice and comply with the Williamson County Vendor Reimbursement Policy. The copies of the provider's invoice must evidence the actual costs billed to Surveyor without mark-up.

ARTICLE 6
METHOD OF PAYMENT

Payments to Surveyor shall be made while Surveying Services are in progress. Surveyor shall prepare and submit to the Williamson County Department of Infrastructure, to the attention of the County's Road & Bridge Director, as identified herein-below, not more frequently than once per month, a progress report as referenced in Article 5 above. Such progress report shall state the percentage of completion of Surveying Services accomplished for an applicable Work Authorization or any Supplemental Work Authorization related thereto during that billing period and to date. This submittal shall also include a progress assessment report in a form acceptable to the County Auditor.

Simultaneous with submission of each progress report, Surveyor shall provide the following documentation through the County's Road & Bridge Director in a form acceptable to the County Auditor ("Invoice Package"):

(1) One (1) original certified invoice to the County ; and
(2) One (1) original complete packet of supporting documentation and time sheets detailing hours worked by staff persons with a description of the work performed by such persons, their work category, and approved billing rates as set forth in Exhibit B – Rate Schedule as part of this Contract

For Additional Surveying Services performed pursuant to this Contract, a separate invoice or itemization of the Additional Surveying Services must be presented with the same aforementioned requirements.

Payments shall be made by County based upon Surveying Services actually provided and performed. **Upon timely receipt of a complete Invoice Package and approval thereof**, County shall make a good faith effort to pay the amount which is due and payable within thirty (30) days of the County Auditor's receipt. **Failure to submit a Complete Invoice Package may delay payments.** County reserves the right to reasonably withhold payment pending verification of satisfactory Surveying Services performed. Surveyor has the responsibility to submit proof to County, adequate and sufficient in its determination, that tasks of an applicable Work Authorization or any Supplemental Work Authorization related thereto were completed.

The certified invoices shall show the total amount earned to the date of submission and shall show the amount due and payable as of the date of the current invoice. Final payment does

not relieve Surveyor of the responsibility of correcting any errors and/or omissions resulting from his/her/its negligence.

Upon submittal of the initial invoice, Surveyor shall provide the County Auditor with an Internal Revenue Form W-9, Request for Taxpayer Identification Number and Certification that is complete in compliance with the Internal Revenue Code, its rules and regulations.

ARTICLE 7
PROMPT PAYMENT POLICY

In accordance with Chapter 2251, V.T.C.A., Texas Government Code, payment to Surveyor will be made within thirty (30) days of the day on which the performance of services was complete, or within thirty (30) days of the day on which the County Auditor receives a correct invoice for services, whichever is later.

Surveyor may charge a late fee (fee shall not be greater than that which is permitted by Texas law) for payments not made in accordance with this prompt payment policy; however, the Surveyor's ability to charge a late fee shall not apply in the event:

A. There is a bona fide dispute between County and Surveyor concerning the supplies, materials, or equipment delivered or the services performed that causes the payment to be late; or

B. The terms of a federal contract, grant, regulation, or statute prevent County from making a timely payment with federal funds; or

C. There is a bona fide dispute between Surveyor and a subcontractor/subconsultant or between a subcontractor/subconsultant and its supplier concerning supplies, materials, or equipment delivered or the Surveying Services performed which causes the payment to be late;

D. Surveyor's failure to submit a Complete Invoice Package in accordance with the requirements of this Contract; or

E. The Complete Invoice Package is not submitted to the Road & Bridge Director in strict accordance with any necessary instructions or requests provided by the County's Road & Bridge Director.

The County Auditor shall document to Surveyor the issues related to disputed invoices within ten (10) calendar days of receipt of such invoice. Any non-disputed invoices shall be considered correct and payable per the terms of Chapter 2251, V.T.C.A., Texas Government Code.

ARTICLE 8
COMMENCEMENT OF SURVEYING SERVICES

The Surveyor shall not proceed with any task of the Surveying Services until Surveyor has been thoroughly briefed on the scope of the Project and received an executed Work Authorization, which serves as the County's written notice to proceed with the applicable Surveying Services. The County shall not be responsible for work performed or costs incurred by Surveyor related to any task for which a Work Authorization or a Supplemental Work

Authorization related thereto has not been issued and signed by both parties. Surveyor shall not be required to perform any work for which a Work Authorization or a Supplemental Work Authorization related thereto has not been issued and signed by both parties.

ARTICLE 9
PROJECT TEAM

County's Designated Representative for purposes of this Contract is as follows:

Williamson County Dept. of Infrastructure
Attn: Director of Road & Bridge
3151 SE Inner Loop, Suite B
Georgetown, Texas 78626

County shall have the right, from time to time, to change the County's Designated Representative by giving Surveyor written notice thereof. With respect to any action, decision or determination which is to be taken or made by County under this Contract, the County's Designated Representative may take such action or make such decision or determination or shall notify Surveyor in writing of an individual responsible for and capable of taking such action, decision or determination and shall forward any communications and documentation to such individual for response or action. Actions, decisions or determinations by the County's Designated Representative on behalf of County shall be done in his or her reasonable business judgment unless express standards or parameters therefor are included in this Contract, in which case, actions taken by the County's Designated Representative shall be in accordance with such express standards or parameters. Any consent, approval, decision or determination hereunder by the County's Designated Representative shall be binding on County; *provided, however,* the County's Designated Representative shall not have any right to modify, amend or terminate this Contract, an Executed Work Authorization, an executed Supplemental Work Authorization or executed Contract Amendment. County's Designated Representative shall not have any authority to execute a Contract Amendment, Work Authorization or any Supplemental Work Authorization unless otherwise granted such authority by the Williamson County Commissioners Court.

Surveyor's Designated Representative for purposes of this Contract is as follows:

Chris Conrad, RPLS
McGray & McGray Land Surveyors, Inc.
3301 Hancock Dr., Suite 6
Austin, TX 78731

Surveyor shall have the right, from time to time, to change the Surveyor's Designated Representative by giving County written notice thereof. With respect to any action, decision or determination which is to be taken or made by Surveyor under this Contract, the Surveyor's Designated Representative may take such action or make such decision or determination or shall notify County in writing of an individual responsible for and capable of taking such action, decision or determination and shall forward any communications and documentation to such

individual for response or action. Actions, decisions or determinations by the Surveyor's Designated Representative on behalf of Surveyor shall be done in his or her reasonable business judgment unless express standards or parameters therefor are included in this Contract, in which case, actions taken by the Surveyor's Designated Representative shall be in accordance with such express standards or parameters. Any consent, approval, decision or determination hereunder by the Surveyor's Designated Representative shall be binding on Surveyor. Surveyor's Designated Representative shall have the right to modify, amend and execute Work Authorizations, Supplemental Work Authorizations and Contract Amendments on behalf of Surveyor.

ARTICLE 10
PROGRESS EVALUATION

Surveyor shall, from time to time during the progress of the Surveying Services, confer with County at County's election. Surveyor shall prepare and present such information as may be pertinent and necessary, or as may be reasonably requested by County, in order for County to evaluate features of the Surveying Services. At the request of County or Surveyor, conferences shall be provided at Surveyor's office, the offices of County, or at other locations designated by County. When requested by County, such conferences shall also include evaluation of the Surveying Services. County may, from time to time, require Surveyor to appear and provide information to the Williamson County Commissioners Court.

Should County determine that the progress in Surveying Services does not satisfy an applicable Work Authorization or any Supplemental Work Authorization related thereto, then County shall review same with Surveyor to determine corrective action required.

Surveyor shall promptly advise County in writing of events which have or may have a significant impact upon the progress of the Surveying Services, including but not limited to the following:

A. Problems, delays, adverse conditions which may materially affect the ability to meet the objectives of an applicable Work Authorization or any Supplemental Work Authorization related thereto, or preclude the attainment of Project Surveying Services units by established time periods; and such disclosure shall be accompanied by statement of actions taken or contemplated, and County assistance needed to resolve the situation, if any; and

B. Favorable developments or events which enable meeting goals sooner than anticipated in relation to an applicable Work Authorization's or any Supplemental Work Authorization related thereto.

ARTICLE 11
SUSPENSION

Should County desire to suspend the Surveying Services, but not to terminate this Contract, then such suspension may be effected by County giving Surveyor thirty (30) calendar days' verbal notification followed by written confirmation to that effect. Such thirty-day notice may be waived in writing by agreement and signature of both parties. The Surveying Services may be reinstated and resumed in full force and effect within sixty (60) days of receipt of written notice from County to resume the Surveying Services. Such sixty-day (60) notice may be waived in writing by agreement and signature of both parties. If this Contract is suspended for more than thirty (30) days, Surveyor shall have the option of terminating this Contract and, in the event, Surveyor shall be compensated for all Surveying Services performed and reimbursable expenses incurred, provided such Surveying Services and reimbursable expenses have been previously authorized and approved by County, to the effective date of suspension.

If County suspends the Surveying Services, the contract period as determined in Article 4, and the Work Authorization or any Supplemental Work Authorization related thereto, shall be extended for a time period equal to the suspension period.

County assumes no liability for Surveying Services performed or costs incurred prior to the date authorized by County for Surveyor to begin Surveying Services, and/or during periods when Surveying Services is suspended, and/or subsequent to the completion date.

ARTICLE 12
ADDITIONAL SURVEYING SERVICES

If Surveyor forms a reasonable opinion that any work he/she/it has been directed to perform is beyond the overall scope of this Contract, as set forth in **Exhibit B,** and as such constitutes extra work ("Additional Surveying Services"), he/she/it shall promptly notify County in writing through the County's Designated Representative. In the event County finds that such work does constitute Additional Surveying Services, County shall so advise Surveyor and a written Contract Amendment will be executed between the parties as provided in Article 14. Any increase to the Compensation Cap due to Additional Surveying Services must be set forth in such Contract Amendment. Surveyor shall not perform any proposed Additional Surveying Services nor incur any additional costs prior to the execution, by both parties, of a written Contract Amendment. Following the execution of a Contract Amendment that provides for Additional Surveying Services, a written Work Authorization, which sets forth the Additional Surveying Services to be performed, must be executed by the parties. County shall not be responsible for actions by Surveyor nor for any costs incurred by Surveyor relating to Additional Surveying Services not directly associated with the performance of the Surveying Services authorized in this Contract, by a fully executed Work Authorization or a fully executed Contract Amendment thereto.

ARTICLE 13
CHANGES IN COMPLETED SURVEYING SERVICES

If County deems it necessary to request changes to previously satisfactorily completed Surveying Services or parts thereof which involve changes to the original Surveying Services or character of Surveying Services under this Contract, then Surveyor shall make such revisions as requested and as directed by County. Such revisions shall be considered as Additional Surveying Services and paid for as specified under Article 12.

Surveyor shall make revisions to Surveying Services authorized hereunder as are necessary to correct errors appearing therein, when required to do so by County. No additional compensation shall be due for such Surveying Services.

ARTICLE 14
CONTRACT AMENDMENTS

The terms set out in this Contract may be modified by a written fully executed Contract Amendment. Changes and modifications to a fully executed Work Authorization shall be made in the form of a Supplemental Work Authorization. To the extent that such changes or modifications to a Work Authorization do not also require modifications to the terms of this Contract (i.e. changes to the overall scope of Surveying Services set forth in **Exhibit B**, modification of the Compensation Cap, etc.) a Contract Amendment will not be required.

ARTICLE 15
USE OF DOCUMENTS

All documents, including but not limited to data or programs stored electronically, (hereinafter referred to as "Surveying Work Products") prepared by Surveyor and its subcontractors/subconsultants are related exclusively to the services described in this Contract and are intended to be used with respect to this Project. However, it is expressly understood and agreed by and between the parties hereto that all of Surveying Work Products under this Contract Surveying Work Products shall be the property of County to be thereafter used in any lawful manner as County elects. Any such subsequent use made of documents by County, without written verification or adaptation by Surveyor for the specific purpose intended, shall be at County's sole risk and without liability to Surveyor.

By execution of this Contract and in confirmation of the fee for services to be paid under this Contract, Surveyor hereby conveys, transfers and assigns to County all rights under the Federal Copyright Act of 1976 (or any successor copyright statute), as amended, all common law copyrights and all other intellectual property rights acknowledged by law in the Surveying Work Products developed under this Contract. Copies may be retained by Surveyor. Surveyor shall be liable to County for any loss or damage to any such documents while they are in the possession of or while being worked upon by Surveyor or anyone connected with Surveyor, including agents, employees, Surveyors or subcontractors/subconsultants. All documents so lost or damaged shall be replaced or restored by Surveyor without cost to County.

Upon execution of this Contract, Surveyor grants to County permission to reproduce Surveyor's work and documents for purposes of constructing, using and maintaining the Project, provided that County shall comply with its obligations, including prompt payment of all sums when due, under this Contract. Surveyor shall obtain similar permission from Surveyor's subcontractors/subconsultants consistent with this Contract. If and upon the date Surveyor is adjudged in default of this Contract, County is permitted to authorize other similarly credentialed surveying professionals to reproduce and, where permitted by law, to make changes, corrections or additions to the work and documents for the purposes of completing, using and maintaining the Project.

County shall not assign, delegate, sublicense, pledge or otherwise transfer any permission granted herein to another party without the prior written consent of Surveyor. However, County shall be permitted to authorize the contractor, subcontractors and material or equipment suppliers to reproduce applicable portions of the Surveying Work Products appropriate to and for use in the execution of the Work. Submission or distribution of Surveying Work Products to meet official regulatory requirements or for similar purposes in connection with the Project is permitted. Any unauthorized use of the Surveying Work Products shall be at County's sole risk and without liability to Surveyor and its Surveyors.

The parties shall mutually agree to an electronic format for Surveying Work Products or other data, including any special limitations not otherwise provided in this Contract, prior to any such Surveying Work Products or data being submitted electronically by either party to the other party. Upon such agreement between the parties, Surveying Work Products or other data provided in the agreed upon electronic format may be relied upon by the receiving party. In the event the parties cannot agree on an acceptable electronic format, only printed copies of documents conveyed by a party shall be relied upon by the receiving party.

Surveyor shall have no liability for changes made to the Surveying Work Products by other surveyors subsequent to the completion of the Project. Any such change shall be sealed by the surveyor making that change and shall be appropriately marked to reflect what was changed or modified.

ARTICLE 16
PERSONNEL, EQUIPMENT AND MATERIAL

Surveyor shall furnish and maintain, at its own expense, quarters for the performance of all Surveying Services, and adequate and sufficient personnel and equipment to perform the Surveying Services as required. All employees of Surveyor shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of Surveyor who, in the reasonable opinion of County, is incompetent or whose conduct becomes detrimental to the Surveying Services shall immediately be removed from association with the Project when so instructed by County. Surveyor certifies that it presently has adequate qualified personnel in its employment for performance of the Surveying Services required under this Contract, or will obtain such personnel from sources other than County. Surveyor may not change the Project

Manager without prior written consent of County.

ARTICLE 17
SUBCONTRACTING

Surveyor shall not assign, subcontract or transfer any portion of the Surveying Services under this Contract without prior written approval from County. All subcontracts shall include the provisions required in this Contract. No subcontract shall relieve Surveyor of any responsibilities under this Contract.

ARTICLE 18
REVIEW OF SURVEYING SERVICES

Surveyor's Surveying Services will be reviewed by County under its applicable technical requirements and procedures.

A. Completion. All surveying documents shall be submitted by Surveyor on or before the dates specified in the applicable Work Authorization or Supplemental Work Authorization related thereto. Upon receipt of same, the submission shall be checked for completion. "Completion" or "Complete" shall be defined as all of the required items, as set out in the applicable Work Authorization, have been included in compliance with the requirements of this Contract. The completeness of any Surveying Services submitted to County shall be determined by County within thirty (30) days of such submittal and County shall notify Surveyor in writing within such thirty (30) day period if such Surveying Services have been found to be incomplete. If the submission is Complete, County shall notify Surveyor and County's technical review process will begin.

If the submission is not Complete, County shall notify Surveyor, who shall perform such professional services as are required to complete the Surveying Services and resubmit it to County. This process shall be repeated until a submission is Complete.

B. Acceptance. County shall review the completed Surveying Services for compliance with this Contract. If necessary, the completed Surveying Services shall be returned to Surveyor, who shall perform any required Surveying Services and resubmit it to County. This process shall be repeated until the Surveying Services are Accepted. "Acceptance" or "Accepted" shall mean that in the County's reasonable opinion, substantial compliance with the requirements of this Contract has been achieved.

C. Final Approval. After Acceptance, Surveyor shall perform any required modifications, changes, alterations, corrections, redesigns, and additional work necessary to receive Final Approval by the County. "Final Approval" in this sense shall mean formal recognition that the Surveying Services have been fully carried out.

D. Errors and Omissions. After Final Approval, Surveyor shall, without additional compensation, perform any work required as a result of Surveyor's development of the work which is found to be in error or omission due to Surveyor's negligence. However, any work required or

occasioned for the convenience of County after Final Approval shall be paid for as Additional Surveying Services.

E. Disputes Over Classifications. In the event of any dispute over the classification of Surveyor's Surveying Services as Complete, Accepted, or having attained Final Approved under this Contract, the decision of the County shall be final and binding on Surveyor, subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

F. County's Reliance on Surveyor. SURVEYOR'S DUTIES AS SET FORTH HEREIN SHALL AT NO TIME BE IN ANY WAY DIMINISHED BY REASON OF ANY REVIEW, EVALUATION OR APPROVAL BY THE COUNTY OR ITS AUTHORIZED REPRESENTATIVE NOR SHALL THE SURVEYOR BE RELEASED FROM ANY LIABILITY BY REASON OF SUCH REVIEW, EVALUATION OR APPROVAL BY THE COUNTY, IT BEING UNDERSTOOD THAT THE COUNTY AT ALL TIMES IS ULTIMATELY RELYING UPON THE SURVEYOR'S SKILL, ABILITY AND KNOWLEDGE IN PERFORMING THE SURVEYING SERVICES REQUIRED HEREUNDER.

ARTICLE 19
VIOLATION OF CONTRACT TERMS/BREACH OF CONTRACT

Violation of contract terms or breach of contract by Surveyor shall be grounds for termination of this Contract, and any increased costs arising from Surveyor's default, breach of contract, or violation of contract terms shall be paid by Surveyor.

ARTICLE 20
TERMINATION

This Contract may be terminated as set forth below.

- **A.** By mutual agreement and consent, in writing, of both parties.
- **B.** By County, by notice in writing to Surveyor, as a consequence of failure by Surveyor to perform the Surveying Services set forth herein in a satisfactory manner.
- **C.** By either party, upon the failure of the other party to fulfill its obligations as set forth herein.
- **D.** By County, for reasons of its own and not subject to the mutual consent of Surveyor, upon not less than thirty (30) days' written notice to Surveyor.
- **E.** By satisfactory completion of all Surveying Services and obligations described herein.

Should County terminate this Contract as herein provided, no fees other than fees due and payable at the time of termination plus reimbursable expenses incurred shall thereafter be paid to Surveyor. In determining the value of the Surveying Services performed by Surveyor prior to termination, County shall be the sole judge. Compensation for Surveying Services at termination will be based on a percentage of the Surveying Services completed at that time. Should County terminate this Contract under Subsection (D) immediately above, then the amount charged during

the thirty-day notice period shall not exceed the amount charged during the preceding thirty (30) days.

If Surveyor defaults in the performance of this Contract or if County terminates this Contract for fault on the part of Surveyor, then County shall give consideration to the actual costs incurred by Surveyor in performing the Surveying Services to the date of default, the amount of Surveying Services required which was satisfactorily completed to date of default, the value of the Surveying Services which are usable to County, the cost to County of employing another firm to complete the Surveying Services required and the time required to do so, and other factors which affect the value to County of the Surveying Services performed at the time of default.

The termination of this Contract and payment of an amount in settlement as prescribed above shall extinguish all rights, duties, and obligations of County under this Contract. If the termination of this Contract is due to the failure of Surveyor to fulfill his/her/its contractual obligations, then County may take over the Project and prosecute the Surveying Services to completion. In such case, Surveyor shall be liable to County for any additional and reasonable costs incurred by County.

Surveyor shall be responsible for the settlement of all contractual and administrative issues arising out of any procurements made by Surveyor in support of the Surveying Services under this Contract.

ARTICLE 21
COMPLIANCE WITH LAWS

A. Compliance. Surveyor shall comply with all applicable federal, state and local laws, statutes, codes, ordinances, rules and regulations, and the orders and decrees of any court, or administrative bodies or tribunals in any manner affecting the performance of this Contract, including without limitation, minimum/maximum salary and wage statutes and regulations, and licensing laws and regulations. Surveyor shall furnish County with satisfactory proof of his/her/its compliance.

Surveyor shall further obtain all permits and licenses required in the performance of the Surveying Services contracted for herein.

B. Taxes. Surveyor will pay all taxes, if any, required by law arising by virtue of the Surveying Services performed hereunder. County is qualified for exemption pursuant to the provisions of Section 151.309 of the Texas Limited Sales, Excise, and Use Tax Act.

County agrees to pay the amount of any sales, value added, use, excise or similar taxes applicable to the performance of the Services, if any, or County shall provide Surveyor with a certificate acceptable to the taxing authorities exempting County from payment of such taxes.

ARTICLE 22
INDEMNIFICATION

SURVEYOR AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM AND AGAINST ANY AND ALL LIABILITIES, LOSSES, PENALTIES, JUDGMENTS, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, REASONABLE ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM A NEGLIGENT ACT, ERROR OR OMISSION, NEGLIGENCE, OR INTENTIONAL TORT COMMITTED BY SURVEYOR, SURVEYOR'S EMPLOYEES, AGENTS, OR ANY OTHER PERSON OR ENTITY UNDER CONTRACT WITH SURVEYOR INCLUDING, WITHOUT LIMITATION, SURVEYOR'S SUBCONSULTANTS, OR ANY OTHER ENTITY OVER WHICH SURVEYOR EXERCISES CONTROL.

SURVEYOR FURTHER AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM ANY AND ALL LIABILITIES, LOSSES, PENALTIES, JUDGMENTS, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM SURVEYOR'S FAILURE TO PAY SURVEYOR'S EMPLOYEES, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, IN CONNECTION WITH ANY OF THE WORK PERFORMED OR TO BE PERFORMED UNDER THIS CONTRACT BY SURVEYOR.

SURVEYOR FURTHER AGREES TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM ANY AND ALL LIABILITIES, LOSSES, PENALTIES, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM THE INFRINGEMENT OF ANY INTELLECTUAL PROPERTY ARISING OUT OF THE USE OF ANY PLANS, DESIGN, DRAWINGS, OR SPECIFICATIONS FURNISHED BY SURVEYOR IN THE PERFORMANCE OF THIS CONTRACT.

THE LIMITS OF INSURANCE REQUIRED IN THIS CONTRACT AND/OR THE CONTRACT DOCUMENTS SHALL NOT LIMIT SURVEYOR'S OBLIGATIONS UNDER THIS SECTION. THE TERMS AND CONDITIONS CONTAINED IN THIS SECTION SHALL SURVIVE THE TERMINATION OF THE CONTRACT AND/OR CONTRACT DOCUMENTS OR THE SUSPENSION OF THE WORK HEREUNDER. TO THE EXTENT THAT ANY LIABILITIES, PENALTIES, DEMANDS, CLAIMS, LAWSUITS, LOSSES, DAMAGES, COSTS AND EXPENSES ARE CAUSED IN PART BY THE ACTS OF THE COUNTY OR THIRD PARTIES FOR WHOM SURVEYOR IS NOT LEGALLY LIABLE, SURVEYOR'S OBLIGATIONS SHALL BE IN PROPORTION TO SURVEYOR'S FAULT. THE OBLIGATIONS HEREIN SHALL ALSO EXTEND TO ANY ACTIONS BY THE COUNTY TO ENFORCE THIS INDEMNITY OBLIGATION.

IN THE EVENT THAT CONTRACTORS INITIATE LITIGATION AGAINST THE COUNTY IN WHICH THE CONTRACTOR ALLEGES DAMAGES AS A RESULT OF ANY NEGLIGENT ACTS, ERRORS OR OMISSIONS OF SURVEYOR, ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER ENTITIES OVER WHICH SURVEYOR EXERCISES CONTROL, INCLUDING, BUT NOT LIMITED TO, DEFECTS, ERRORS, OR OMISSIONS, THEN THE COUNTY SHALL HAVE THE RIGHT TO JOIN SURVEYOR IN ANY SUCH PROCEEDINGS AT THE COUNTY'S COST. SURVEYOR SHALL ALSO HOLD THE COUNTY HARMLESS AND INDEMNIFY THE COUNTY TO THE EXTENT THAT SURVEYOR, ANY OF ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER

ENTITIES OVER WHICH SURVEYOR EXERCISES CONTROL, CAUSED SUCH DAMAGES TO CONTRACTOR, INCLUDING ANY AND ALL COSTS AND ATTORNEYS' FEES INCURRED BY THE COUNTY IN CONNECTION WITH THE DEFENSE OF ANY CLAIMS WHERE SURVEYOR, ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER ENTITIES OVER WHICH SURVEYOR EXERCISES CONTROL, ARE ADJUDICATED AT FAULT.

TO THE FULLEST EXTENT PERMITTED BY LAW, NEITHER PARTY SHALL BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, PUNITIVE, CONSEQUENTIAL OR INDIRECT DAMAGES RESULTING IN ANY WAY FROM THIS AGREEMENT.

ARTICLE 23
SURVEYOR'S RESPONSIBILITIES

Surveyor shall be responsible for the accuracy of his/her/its Surveying Services and shall promptly make necessary revisions or corrections to its work product resulting from errors, omissions, or negligent acts, and same shall be done without compensation. County shall determine Surveyor's responsibilities for all questions arising from surveying errors and/or omissions, subject to the dispute resolution provisions of Article 33. Surveyor shall not be relieved of responsibility for subsequent correction of any such errors or omissions in its work product, or for clarification of any ambiguities until after the construction phase of the Project has been completed.

ARTICLE 24
SURVEYOR'S SEAL

The responsible surveyor shall sign, seal and date all appropriate surveying submissions to County in accordance with the Texas Professional Land Surveying Practices Act and the rules of the Texas Board of Professional Land Surveying.

ARTICLE 25
INSURANCE

Surveyor must comply with the following insurance requirements at all times during this Contract:

A. Coverage Limits. Surveyor, at Surveyor's sole cost, shall purchase and maintain during the entire term while this Contract is in effect the following insurance:

1. Worker's Compensation in accordance with statutory requirements.
2. Commercial General Liability Insurance with a combined minimum Bodily Injury and Property Damage limits of $1,000,000.00 per occurrence and $2,000,000.00 in the aggregate.
3. Business Automobile Liability Insurance for all owned, non-owned, and hired vehicles with combined minimum limits for Bodily Injury and Property Damage of $1,000,000.00 each accident.
4. Professional Liability Insurance in the amount of $2,000,000.00 per claim and annual aggregate.

B. Additional Insureds; Waiver of Subrogation. County, its directors, officers and

employees shall be added as additional insureds under policies listed under (2) and (3) above, and on those policies where County, its directors, officers and employees are additional insureds, such insurance shall be primary and any insurance maintained by County shall be excess and not contribute with it. Such policies shall also include waivers of subrogation in favor of County.

C. Premiums and Deductible. Surveyor shall be responsible for payment of premiums for all of the insurance coverages required under this section. Surveyor further agrees that for each claim, suit or action made against insurance provided hereunder, with respect to all matters for which the Surveyor is responsible hereunder, Surveyor shall be solely responsible for all deductibles and self-insured retentions. Any deductibles or self-insured retentions over $200,000 in the Surveyor's insurance must be declared and approved in writing by County in advance.

D. Commencement of Work. Surveyor shall not commence any field work under this Contract until he/she/it has obtained all required insurance and such insurance has been approved by County. As further set out below, Surveyor shall not allow any subcontractor/subconsultant(s) to commence work to be performed in connection with this Contract until all required insurance has been obtained and approved and such approval shall not be unreasonably withheld. Approval of the insurance by County shall not relieve or decrease the liability of Surveyor hereunder.

E. Insurance Company Rating. The required insurance must be written by a company approved to do business in the State or Texas with a financial standing of at least an A- rating, as reflected in Best's insurance ratings or by a similar rating system recognized within the insurance industry at the time the policy is issued.

F. Certification of Coverage. Surveyor shall furnish County with a certification of coverage issued by the insurer. Surveyor shall not cause any insurance to be canceled nor permit any insurance to lapse. **In addition to any other notification requires set forth hereunder, Surveyor shall also notify County, within twenty-four (24) hours of receipt, of any notices of expiration, cancellation, non-renewal, or material change in coverage it receives from its insurer.**

G. No Arbitration. It is the intention of the County and agreed to and hereby acknowledged by the Surveyor, that no provision of this Contract shall be construed to require the County to submit to mandatory arbitration in the settlement of any claim, cause of action or dispute, except as specifically required in direct connection with an insurance claim or threat of claim under an insurance policy required hereunder or as may be required by law or a court of law with jurisdiction over the provisions of this Contract.

H. Subcontractor/Subconsultant's Insurance. Without limiting any of the other obligations or liabilities of Surveyor, Surveyor shall require each subcontractor/subconsultant performing work under this Contract (to the extent a subcontractor/subconsultant is allowed by County) to maintain during the term of this Contract, at the subcontractor/subconsultant's own expense, the same stipulated minimum insurance required in this Article, including the required provisions and additional policy conditions as shown below in this Article. Any requests for

consent to reduce any insurance coverage limits requirements for Surveyor's subcontractors/subconsultants must be provided to County in writing and must set forth reasoning and justifications for decreasing such coverage limits. County may, at its sole discretion, consent to a reduction in the insurance coverage limits requirements for Surveyor's subcontractors/subconsultants; provided, however, consent by County must be in writing and such consent shall not relieve or decrease the liability of Surveyor hereunder.

Surveyor shall obtain and monitor the certificates of insurance from each subcontractor/subconsultant in order to assure compliance with the insurance requirements. Surveyor must retain the certificates of insurance for the duration of this Contract, and shall have the responsibility of enforcing these insurance requirements among its subcontractor/subconsultants. County shall be entitled, upon request and without expense, to receive copies of these certificates of insurance.

I. Insurance Policy Endorsements. Each insurance policy shall include the following conditions by endorsement to the policy:

1. County shall be notified thirty (30) days prior to the expiration, cancellation, non-renewal or any material change in coverage, and such notice thereof shall be given to County by certified mail and by email to:

   Williamson County Purchasing Department
   100 Wilco Way
   Suite P101
   Georgetown, TX. 78626
   Email: purchase@wilco.org

   With copy to:

   Williamson County Auditor's Office
   Attn: Contracts Auditor
   901 South Austin Avenue
   Georgetown, Texas 78626
   Email: contractaudit@wilco.org

   Williamson County Dept. of Infrastructure
   Attn: Director of Road & Bridge
   3151 SE Inner Loop, Suite B
   Georgetown, Texas 78626

2. The policy clause "Other Insurance" shall not apply to any insurance coverage currently held by County, to any such future coverage, or to County's Self-Insured Retentions of whatever nature.

J. Cost of Insurance. The cost of all insurance required herein to be secured and maintained by Surveyor shall be borne solely by Surveyor, with certificates of insurance

evidencing such minimum coverage in force to be filed with County. Such Certificates of Insurance are evidenced as **Exhibit F** herein entitled "Certificates of Insurance."

ARTICLE 26
COPYRIGHTS

County shall have the royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use, and to authorize others to use, any reports developed by Surveyor for governmental purposes.

ARTICLE 27
SUCCESSORS AND ASSIGNS

This Contract shall be binding upon and inure to the benefit of the parties hereto, their successors, lawful assigns, and legal representatives. Surveyor may not assign, sublet or transfer any interest in this Contract, in whole or in part, by operation of law or otherwise, without obtaining the prior written consent of County.

ARTICLE 28
SEVERABILITY

In the event any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision thereof and this Contract shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

ARTICLE 29
PRIOR AGREEMENTS SUPERSEDED

This Contract constitutes the sole agreement of the parties hereto, and supersedes any prior understandings or written or oral contracts between the parties respecting the subject matter defined herein. This Contract may only be amended or supplemented by mutual agreement of the parties hereto in writing.

ARTICLE 30
SURVEYOR'S ACCOUNTING RECORDS

Surveyor agrees to maintain, for a period of three (3) years after final payment under this Contract, detailed records identifying each individual performing the Surveying Services, the date or dates the services were performed, the applicable hourly rates, the total amount billed for each individual and the total amount billed for all persons, records of reimbursable costs and expenses of other providers and provide such other details as may be requested by the County Auditor for verification purposes. Surveyor agrees that County or its duly authorized representatives shall, until the expiration of three (3) years after final payment under this Contract, have access to and the right to examine and photocopy any and all books, documents, papers and records of Surveyor which are directly pertinent to the services to be performed under this Contract for the purposes of

making audits, examinations, excerpts, and transcriptions. Surveyor further agrees that County shall have access during normal working hours to all necessary Surveyor facilities and shall be provided adequate and appropriate workspace in order to conduct audits in compliance with the provisions of this section. County shall give Surveyor reasonable advance notice of intended audits.

ARTICLE 31

ARTICLE 32
GENERAL PROVISIONS

A. Time is of the Essence. Subject to Article 3 hereof, Surveyor understands and agrees that time is of the essence and that any failure of Surveyor to complete the Surveying Services for each phase of this Contract within the agreed work schedule set out in the applicable Work Authorization may constitute a material breach of this Contract. Surveyor shall be fully responsible for his/her/its delays or for failures to use his/her/its reasonable efforts in accordance with the terms of this Contract and the Surveyor's standard of performance as defined herein. Where damage is caused to County due to Surveyor's negligent failure to perform County may

accordingly withhold, to the extent of such damage, Surveyor's payments hereunder without waiver of any of County's additional legal rights or remedies.

B. Force Majeure. Neither County nor Surveyor shall be deemed in violation of this Contract if prevented from performing any of their obligations hereunder by reasons for which they are not responsible or circumstances beyond their control. However, notice of such impediment or delay in performance must be timely given, and all reasonable efforts undertaken to mitigate its effects.

C. Enforcement and Venue. This Contract shall be enforceable in Georgetown, Williamson County, Texas, and if legal action is necessary by either party with respect to the enforcement of any or all of the terms or conditions herein, exclusive venue for same shall lie in Williamson County, Texas. This Contract shall be governed by and construed in accordance with the laws and court decisions of the State of Texas excluding, however, its choice of law rules.

D. Standard of Performance. The standard of care for all professional surveying, consulting and related services performed or furnished by Surveyor and its employees under this Contract will be the care and skill ordinarily used by members of Surveyor's profession practicing under the same or similar circumstances at the same time and in the same locality.

E. Opinion of Probable Cost. Any opinions of probable Project cost or probable construction cost provided by Surveyor are made on the basis of information available to Surveyor and on the basis of Surveyor's experience and qualifications and represents its judgment as an experienced and qualified professional surveyor. However, since Surveyor has no control over the cost of labor, materials, equipment or services furnished by others, or over the contractor(s') methods of determining prices, or over competitive bidding or market conditions, Surveyor does not guarantee that proposals, bids or actual Project or construction cost will not vary from opinions of probable cost Surveyor prepares.

F. Opinions and Determinations. Where the terms of this Contract provide for action to be based upon opinion, judgment, approval, review, or determination of either party hereto, such terms are not intended to be and shall never be construed as permitting such opinion, judgment, approval, review, or determination to be arbitrary, capricious, or unreasonable.

G. Reports of Accidents. Within 24 hours after Surveyor becomes aware of the occurrence of any accident or other event which results in, or might result in, injury to the person or property of any third person (other than an employee of the Surveyor), whether or not it results from or involves any action or failure to act by the Surveyor or any employee or agent of the Surveyor and which arises in any manner from the performance of this Contract, the Surveyor shall send a written report of such accident or other event to the County, setting forth a full and concise statement of the facts pertaining thereto. The Surveyor shall also immediately send the County a copy of any summons, subpoena, notice, or other documents served upon the Surveyor, its agents, employees, or representatives, or received by it or them, in connection with any matter before any court arising in any manner from the Surveyor's performance of work under this Contract.

H. Gender, Number and Headings. Words of any gender used in this Contract shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, unless the context otherwise requires. The headings and section numbers are for convenience only and shall not be considered in interpreting or construing this Contract.

I. Construction. Each party hereto acknowledges that it and its counsel have reviewed this Contract and that the normal rules of construction are not applicable and there will be no presumption that any ambiguities will be resolved against the drafting party in the interpretation of this Contract.

J. Independent Contractor Relationship. Both parties hereto, in the performance of this Contract, shall act in an individual capacity and not as agents, employees, partners, joint ventures or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purposes whatsoever.

K. No Waiver of Immunities. Nothing in this Contract shall be deemed to waive, modify or amend any legal defense available at law or in equity to County, its past or present officers, employees, or agents or employees, nor to create any legal rights or claim on behalf of any third party. County does not waive, modify, or alter to any extent whatsoever the availability of the defense of governmental immunity under the laws of the State of Texas and of the United States.

L. Texas Public Information Act. To the extent, if any, that any provision in this Contract is in conflict with Tex. Gov't Code 552.001 et seq., as amended (the "Public Information Act"), the same shall be of no force or effect. Furthermore, it is expressly understood and agreed that County, its officers and employees may request advice, decisions and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act to any items or data furnished to County as to whether or not the same are available to the public. It is further understood that County's officers and employees shall have the right to rely on the advice, decisions and opinions of the Attorney General, and that County, its officers and employees shall have no liability or obligation to any party hereto for the disclosure to the public, or to any person or persons, of any items or data furnished to County by a party hereto, in reliance of any advice, decision or opinion of the Attorney General of the State of Texas.

M. Governing Terms and Conditions. If there is an irreconcilable conflict between the terms and conditions set forth in this Contract or any Contract Amendment and the terms and conditions set forth in any Exhibit, Appendix, Work Authorization or Supplemental Work Authorization to this Contract, the terms and conditions set forth in this Contract or any Contract Amendment shall control over the terms and conditions set forth in any Exhibit, Appendix, Work Authorization or Supplemental Work Authorization to this Contract.

N. Meaning of Day. For purposes of this Contract, all references to a "day" or "days" shall mean a calendar day or calendar days.

O. Appropriation of Funds by County. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Contract. Surveyor understands and agrees that County's payment of amounts under this Contract is contingent on

the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Surveyor that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Surveyor.

ARTICLE 33
DISPUTE RESOLUTION

Except as otherwise specifically set forth herein, County and Surveyor shall work together in good faith to resolve any controversy, dispute or claim between them which arises out of or relates to this Contract, whether stated in tort, contract, statute, claim for benefits, bad faith, professional liability or otherwise ("Claim"). If the parties are unable to resolve the Claim within thirty (30) days following the date in which one party sent written notice of the Claim to the other party, and if a party wishes to pursue the Claim, such Claim shall be addressed through non-binding mediation. A single mediator engaged in the practice of law, who is knowledgeable about subject matter of this Contract, shall be selected by agreement of the parties and serve as the mediator. Any mediation under this Contract shall be conducted in Williamson County, Texas. The mediator's fees shall be borne equally between the parties. Such non-binding mediation is a condition precedent to seeking redress in a court of competent jurisdiction, but this provision shall not preclude either party from filing a lawsuit in a court of competent jurisdiction prior to completing a mediation if necessary to preserve the statute of limitations, in which case such lawsuit shall be stayed pending completion of the mediation process contemplated herein. This provision shall survive the termination of the Contract.

ARTICLE 34
EQUAL OPPORTUNITY IN EMPLOYMENT

During the performance of this Contract and to the extent the Project is a federally funded project, Surveyor, for itself, its assignees and successors in interest agrees as follows:

A. Compliance with Regulations. The Surveyor shall comply with the Regulations relative to nondiscrimination in Federally-assisted programs of the Department of Transportation (hereinafter, "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract.

B. Nondiscrimination. The Surveyor, with regard to the work performed by it during the Contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors/subconsultants, including procurements of materials and leases of equipment. The Surveyor shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

C. Solicitations for Subcontracts, Including Procurements of Materials and Equipment. In all solicitations either by competitive bidding or negotiation made by the Surveyor

for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor/subconsultant or supplier shall be notified by the Surveyor of the Surveyor's obligations under this Contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

D. Information and Reports. The Surveyor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the County (referred to in this Article as the "Recipient") or the Texas Department of Transportation to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the Surveyor shall so certify to the Recipient, or the Texas Department of Transportation as appropriate, and shall set forth what efforts it has made to obtain the information.

E. Sanctions for Noncompliance. In the event of the Surveyor's noncompliance with the nondiscrimination provisions of this contract, the Recipient shall impose such contract sanctions as it or the Texas Department of Transportation may determine to be appropriate, including, but not limited to:

1. withholding of payments to the Surveyor under the contract until the Surveyor complies, and/or;
2. cancellation, termination or suspension of the Contract, in whole or in part.

F. Incorporation of Provisions. The Surveyor shall include the provisions of Subsections (A) through (F) above in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The Surveyor shall take such action with respect to any subcontract or procurement as the Recipient or the Texas Department of Transportation may direct as a means of enforcing such provisions including sanctions for non-compliance: Provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor/subconsultant or supplier as a result of such direction, the Surveyor may request the Recipient to enter into such litigation to protect the interests of the Recipient, and, in addition, the Surveyor may request the United States to enter into such litigation to protect the interests of the United States.

SIGNATORY WARRANTY

The undersigned signatory for Surveyor hereby represents and warrants that the signatory is an officer of the organization for which he/she has executed this Contract and that he/she has full and complete authority to enter into this Contract on behalf of the firm. The above-stated representations and warranties are made for the purpose of inducing County to enter into this Contract.

IN WITNESS WHEREOF, County has caused this Contract to be signed in its name by its duly authorized County Judge, as has Surveyor, signing by and through its duly authorized representative(s), thereby binding the parties hereto, their successors, assigns and representatives

for the faithful and full performance of the terms and provisions hereof, to be effective as of the date of the last party's execution below. NO OFFICIAL, EMPLOYEE, AGENT, OR REPRESENTATIVE OF THE COUNTY HAS ANY AUTHORITY, EITHER EXPRESS OR IMPLIED, TO AMEND, TERMINATE OR MODIFY THIS CONTRACT, EXCEPT PURSUANT TO SUCH EXPRESS AUTHORITY AS MAY BE GRANTED BY THE WILLIAMSON COUNTY COMMISSIONERS COURT.

RATE SCHEDULE

CPI Rate Adjustments: Rates shall remain firm for the initial first year of the Contract and such rates shall be deemed the "Initial Base Rates." Surveyor may request rate adjustments, in writing, at least thirty (30) days prior to each annual anniversary date of the Contract. Upon County's receipt of a rate adjustment request, County will prepare a Contract Amendment setting forth the CPI rate adjustments and will provide such Contract Amendment to Surveyor for its execution. Rate adjustments will take effect on the later of (1) one year after the Contract execution date or (2) the first (1st) day following the parties' complete execution of a Contract Amendment. Such rates shall remain in effect until the later of (1) the next annual anniversary date of the Contract; or (2) the date of the parties' complete execution of a new Contract Amendment that set forth adjustments to the prior rates. Any new rate adjustments will not become effective until a Contract Amendment is fully executed by the parties and no retroactive rate adjustments will be allowed.

Price adjustments will be made in accordance with changes in the U.S. Department of Labor Consumer Price Index (CPI-U) for All Urban Consumers, All Items, South Region (Base 1982-84 = 100).

The rate adjustment will be determined by multiplying the Initial Base Rates by a fraction, the numerator of which is the index number for most recently released index and the denominator of which is the index number for the first month of the Contract (the index number for the month in which the Contract was originally executed). If the products are greater than the Initial Base Rates, County will pay the greater amounts as the rates during the successive year until the next rate adjustment. Rates for each successive year will never be less than the Initial Base Rates.

Williamson County
Vendor Reimbursement Policy

The purpose of this Williamson County Vendor Reimbursement Policy ("Policy") is to provide clear guidelines to vendors on Williamson County's expectations and requirements regarding allowable reimbursable expenditures and required backup. The Policy will also minimize conflicts related to invoice payments and define non-reimbursable items. This Policy is considered a guideline and is not a contract.

This Policy may be altered, deleted or amended, at any time and without prior notice to vendors, by action of the Williamson County Commissioners Court. Unenforceable provisions of this Policy, as imposed by applicable law, regulations, or judicial decisions, shall be deemed to be deleted. Any revisions to this Policy will be distributed to all current vendors doing business with the County.

1. Invoices and Affidavits

1.1 Invoices must adequately describe the goods or services provided to County and include all required backup (i.e., reimbursable expenses, mileage log, timesheets, receipts detailing expenses incurred etc.) that is in a form acceptable to the Williamson County Auditor. Invoices that do not adequately describe the goods or services provided to County or contain backup that is satisfactory to the Williamson County Auditor will be returned to vendor for revisions and the provision above relating to invoice errors resolved in favor of the County shall control as to the required actions of vendor and when such invoice must be paid by the County.

1.2 In the event an invoice includes charges based upon hourly billing rates for services or any other rates based upon the amount of time worked by an individual or individuals in performing services, whether the charges are being billed directly to the County or whether they are the basis of invoices from subcontractors for which the vendor seeks reimbursement from the County, the charges shall be accompanied by an affidavit signed by an officer or principal of the vendor certifying that the work was performed, it was authorized by the County and that all information contained in the invoice that is being submitted is true and correct.

1.3 Upon County's request, vendor must submit all bills paid affidavits wherein vendor must swear and affirm that vendor has paid each of its subcontractors, laborers, suppliers and material in full for all labor and materials provided to vendor for or in connection with services and work performed for County and, further, vendor must swear and affirm that vendor is not aware of any unpaid bills, claims, demands, or causes of action by any of its subcontractors, laborers, suppliers, or material for or in connection with the furnishing of labor or materials, or both, for services and work performed for County.

2. Travel Reimbursement

2.1 The County will only cover costs associated with travel for vendors outside a 45-mile radius from the Williamson County Courthouse, 710 Main Street, Georgetown,

Texas 78626.

2.2 The County will only cover costs associated with travel as documented work for County. If a vendor is also doing business for another client, the travel costs must be split in proportion to the amount of work actually performed for the County and the other client. The only allowable travel expense will be for the specific days worked for Williamson County.

2.3 No advance payments will be made to vendor for travel expenditures. The travel expenditure may only be reimbursed after the expenditure/trip has already occurred and vendor has provided the Williamson County Auditor with all necessary and required backup.

2.4 Vendors must submit all travel reimbursement requests on each employee in full. Specifically, a travel reimbursement request must include all related travel reimbursement expenses relating to a particular trip for which vendor seeks reimbursement. Partial travel reimbursement requests will not be accepted (i.e., vendor should not submit hotel and mileage one month then the next month submit rental car and airfare). If the travel reimbursement appears incomplete, the invoice will be sent back to the vendor to be submitted when all information is ready to submit in full.

2.5 Reimbursement for transportation costs will be at the most reasonable means of transportation (i.e.: airline costs will be reimbursed for coach rate, rental car costs will only be reimbursed if rental car travel was most reasonable means of travel as compared to travel by air).

2.6 The County will not be responsible for, nor will the County reimburse additional charges due to personal preference or personal convenience of individual traveling.

2.7 The County will not reimburse airfare costs if airfare costs were higher than costs of mileage reimbursement.

2.8 Additional expenses associated with travel that is extended to save costs (i.e., Saturday night stay) may be reimbursed if costs of airfare would be less than the cost of additional expenses (lodging, meals, car rental, mileage) if the trip had not been extended. Documentation satisfactory to the Williamson County Auditor will be required to justify expenditure.

2.9 County will only reimburse travel expense to necessary personnel of the vendor (i.e., no spouse, friends or family members).

2.10 Except as otherwise set forth herein, a vendor must provide a paid receipt for all expenses. If a receipt cannot be obtained, a written sworn statement of the expense from the vendor may be substituted for the receipt.

2.11 Sales tax for meals and hotel stays are the only sales taxes that will be reimbursed. Sales tax on goods purchased will not be reimbursed. A sales tax exemption form is available from the Williamson County Auditor's Office upon request.

2.12 The County will not pay for any late charges on reimbursable items. It is the responsibility of the vendor to pay the invoice first and seek reimbursement from the County.

3. Meals

3.1 Meal reimbursements are limited to a maximum of $59.00 per day on overnight travel. On day travel (travel that does not require an overnight stay), meal

reimbursements are limited to a maximum of $25.00 per day. The travel must be outside the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626 by a 45-mile radius.

3.2 Receipts are required on meal reimbursement amounts up to the maximum per day amount stated for overnight or day travel. If receipts are not presented, the vendor can request per diem (per diem limits refer to 3.2). However, a vendor cannot combine per diem and meal receipts. Only one method shall be allowed.

3.3 Meals are reimbursable only to vendors who do not have necessary personnel located within a 45-mile radius of the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626, who are capable of carrying the vendor's obligations to the County. Meals will not be reimbursed to vendors who are located within a 45-mile radius of the Williamson County Courthouse.

3.4 County will not reimburse for alcoholic beverages.

3.5 Tips are reimbursable but must be reasonable to limitation of meal allowance

3.6 No meals purchased for entertainment purposes will be allowed.

3.7 Meal reimbursement must be substantiated with a hotel receipt.

4. Lodging

4.1 Hotel accommodations require an itemized hotel folio as a receipt. The lodging receipt should include name of the motel/hotel, number of occupant(s), goods or services for each individual charge (room rental, food, tax, etc.) and the name of the occupant(s). Credit card receipts or any other form of receipt are not acceptable.

4.2 Vendors will be reimbursed for a single room rate charge plus any applicable tax. If a single room is not available, the vendor must provide documentation to prove that a single room was not available in order to justify the expense over and above the single room rate. A vendor may also be required to provide additional documentation if a particular room rate appears to be excessive.

4.3 Personal telephone charges, whether local or long distance, will not be reimbursed.

5. Airfare

5.1 The County will only reimburse up to a coach price fare for air travel.

5.2 The County will exclude any additional charges due to personal preference or personal convenience of the individual traveling (i.e., seat preference charges, airline upgrades, etc. will not be an allowable reimbursement)

5.3 Air travel expenses must be supported with receipt copy of an airline ticket or an itinerary with actual ticket price paid. If tickets are purchased through a website, vendor must submit a copy of the webpage showing the ticket price if no paper ticket was issued.

5.4 Cancellation and/or change flight fees may be reimbursed by the County but vendor must provide the Williamson County Auditor with documentation in writing from a County department head providing authorization for the change.

5.5 The County will not reimburse vendor for tickets purchased with frequent flyer miles.

6. Car Rental

6.1 Vendors that must travel may rent a car at their destination when it is less expensive than other transportation such as taxis, airport shuttles or public transportation such as buses or subways.

6.2 Cars rented must be economy or mid-size. Luxury vehicle rentals will not be reimbursed. Any rental costs over and above the cost of a mid-size rental will be adjusted.

6.3 Vendors will be reimbursed for rental cars if the rental car cost would have been less than the mileage reimbursement cost (based on the distance from vendor's point of origin to Williamson County, Texas) had the vendor driven vendor's car.

6.4 Vendors must return a car rental with appropriate fuel levels as required by rental agreement to avoid the car rental company from adding fuel charges.

6.5 Rental agreement and credit card receipt must be provided to County as back up for the request for reimbursement.

6.6 Insurance purchased when renting vehicle may also be reimbursed.

6.7 Car Rental optional extras such as GPS, roadside assistance, and administrative fees on Tolls will not be reimbursed.

7. Personal Car Usage

7.1 Personal vehicle usage will be reimbursed in an amount equal to the standard mileage rate allowed by the IRS.

7.2 Per code of Federal Regulations, Title 26, Subtitle A, Chapter 1, Subchapter B, Part IX, Section 274(d), all expense reimbursement requests must include the following:

7.2.1.1 Date

7.2.1.2 Destination

7.2.1.3 Purpose

7.2.1.4 Name of traveler(s)

7.2.1.5 Correspondence that verifies business purpose of the expense

7.3 The mileage for a personal vehicle must document the date, location of travel to/from, number of miles traveled and purpose of trip.

7.4 Mileage will be reimbursed on the basis of the most commonly used route.

7.5 Reimbursement for mileage shall not exceed the cost of a round trip coach airfare.

7.6 Reimbursement for mileage shall be prohibited between place of residence and usual place of work.

7.7 Mileage should be calculated from employee's regular place of work or their residence, whichever is the shorter distance when traveling to a meeting or traveling to Williamson County, Texas for vendors who are located outside of the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626 by at least a 45-mile radius.

7.8 When more than one person travels in same vehicle, only one person may claim mileage reimbursement.

7.9 Tolls, if reasonable, are reimbursable. Receipts are required for reimbursement. If a receipt is not obtainable, then written documentation of expense must be submitted for reimbursement (administrative fees on Tolls will not be reimbursed).

7.10 Parking fees, if reasonable are reimbursable for meetings and hotel stays. For vendors who contract with a third party for visitor parking at vendor's place of business, Williamson County will not reimburse a vendor based on a percentage of its contracted visitor parking fees. Rather, Williamson County will reimburse Vendor for visitor parking on an individual basis for each time a visitor uses Vendor's visitor parking. Receipts are required for reimbursement. If a receipt is not

obtainable, then written documentation of expense must be submitted for reimbursement.

7.11 Operating and maintenance expenses as well as other personal expenses, such as parking tickets, traffic violations, and car repairs and collision damage are not reimbursable.

8. Other Expenses

8.1 Taxi fare, bus tickets, conference registrations, parking, etc. must have a proper original receipt.

9. Repayment of Non-reimbursable Expense.

Vendors must, upon demand, immediately repay County for all inappropriately reimbursed expenses whenever an audit or subsequent review of any expense reimbursement documentation finds that such expense was reimbursed contrary to these guidelines and this Policy. Williamson County reserves the right to retain any amounts that are due or that become due to a vendor in order to collect any inappropriately reimbursed expenses that a vendor was paid.

10. Non-Reimbursable Expenses

In addition to the non-reimbursable items set forth above in this Policy, the following is a non-exhaustive list of expenses that will not be reimbursed by Williamson County:

10.1 Alcoholic beverages/tobacco products
10.2 Personal phone calls
10.3 Laundry service
10.4 Valet service (excludes hotel valet)
10.5 Movie rentals
10.6 Damage to personal items
10.7 Flowers/plants
10.8 Greeting cards
10.9 Fines and/or penalties
10.10 Entertainment, personal clothing, personal sundries and services
10.11 Transportation/mileage to places of entertainment or similar personal activities
10.12 Upgrades to airfare, hotel and/or car rental
10.13 Airport parking above the most affordable rate available
10.14 Excessive weight baggage fees or cost associated with more than two airline bags
10.15 Auto repairs
10.16 Babysitter fees, kennel costs, pet or house-sitting fees
10.17 Saunas, massages or exercise facilities
10.18 Credit card delinquency fees or service fees
10.19 Doctor bills, prescription and other medical services
10.20 Hand tools
10.21 Safety Equipment (hard hats, safety vests, etc.)
10.22 Office Supplies
10.23 Lifetime memberships to any association
10.24 Donations to other entities
10.25 Any items that could be construed as campaigning
10.26 Technology Fees

10.27 Sales tax on goods purchased

10.28 Any other expenses which Williamson County deems, in its sole discretion, to be inappropriate or unnecessary expenditures.

WILLIAMSON COUNTY
CONTRACT FOR SURVEYING SERVICES

FIRM: **Surveying And Mapping, LLC ("Surveyor")**
ADDRESS: **1501 Volta Drive, Suite 100, Cedar Park, TX 78641**
PROJECT: **Land Surveying Services ("Project")**

THIS CONTRACT FOR SURVEYING SERVICES ("Contract") is made and entered into, effective as the date of the last party's execution hereinbelow, by and between Williamson County, Texas, a political subdivision of the State of Texas, whose offices are located at 710 Main Street, Suite 101, Georgetown, Texas, 78626 (hereinafter referred to as "County"), and Surveyor, and such Contract is for the purpose of contracting for professional surveying services.

RECITALS:

WHEREAS, V.T.C.A., Government Code §2254.002(2)(A)(iv) under Subchapter A entitled "Professional Services Procurement Act" provides for the procurement by counties of services of professional surveyors; and

WHEREAS, County and Surveyor desire to contract for such professional surveying services; and

WHEREAS, County and Surveyor wish to document their agreement concerning the requirements and respective obligations of the parties;

NOW, THEREFORE, WITNESSETH:

That for and in consideration of the mutual promises contained herein and other good and valuable considerations, and the covenants and agreements hereinafter contained to be kept and performed by the respective parties hereto, it is agreed as follows:

ARTICLE 1
CONTRACT DOCUMENTS AND APPLICABLE PROJECT DOCUMENTS

A. Contract Documents. The Contract Documents consist of this Contract, any exhibits attached hereto (which exhibits are hereby incorporated into and made a part of this Contract), any fully executed Work Authorizations; any fully executed Supplemental Work Authorizations and all fully executed Contract Amendments (as defined herein in Article 14) which are subsequently issued. These form the entire contract, and all are as fully a part of this Contract as if attached to this Contract or repeated herein.

B. Project Documents. In addition to any other pertinent and necessary Project documents, the following documents shall be used in the development of the Project:

A. TxDOT 2011 Texas Manual of Uniform Traffic Control Devices for Streets and Highways, including latest revisions
B. Texas Department of Transportation's Standard Specifications for Construction of Highways, Streets, and Bridges, 2014 or 2024, as applicable and as amended
C. National Environmental Policy Act (NEPA)
D. 2012 Edition of the Texas Accessibility Standards (TAS) regarding the Elimination of Architectural Barriers Program, including latest revisions (see 16 Tex. Admin. Code § 68.100; see also Tex. Gov't Code, Ch. 469), including latest revisions
E. Americans with Disabilities Act (ADA) Regulations
F. U.S. Army Corps Regulations
G. International Building Code, current edition as updated
H. Williamson County Design Criteria & Project Development Manual, latest edition
I. Williamson County Multi-Corridor Transportation Plan Project Level Environmental Review and Compliance Protocol, latest edition
J. Williamson County Protocol for Sustainable Roadsides, latest edition

ARTICLE 2
NON-COLLUSION; DEBARMENT; AND FINANCIAL INTEREST PROHIBITED

A. Non-collusion. Surveyor warrants that he/she/it has not employed or retained any company or persons, other than a bona fide employee working solely for Surveyor, to solicit or secure this Contract, and that he/she/it has not paid or agreed to pay any company or surveyor any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon or resulting from the award or making of this Contract. For breach or violation of this warranty, County reserves and shall have the right to annul this Contract without liability or, in its discretion and at its sole election, to deduct from the contract price or compensation, or to otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

B. Debarment Certification. Surveyor must sign the Debarment Certification enclosed herewith as **Exhibit A**.

C. Financial Interest Prohibited. Surveyor covenants and represents that Surveyor, his/her/its officers, employees, agents, consultants and subcontractors will have no financial interest, direct or indirect, in the purchase or sale of any product, materials or equipment that will be recommended or required for the construction of the Project.

ARTICLE 3
SURVEYING SERVICES

Surveyor shall perform Surveying Services as identified in **Exhibit B** entitled "Surveying Services."

County will prepare and issue Work Authorizations, in substantially the same form identified and attached hereto as **Exhibit C** and entitled "Work Authorization No. ____", to authorize the Surveyor to perform one or more tasks of the Surveying Services. Each Work Authorization will include a description of the work to be performed, a description of the tasks and milestones, a work schedule for the tasks, definite review times by County and Surveyor of all Surveying Services and a fee amount agreed upon by the County and Surveyor. The amount payable for a Work Authorization shall be supported by the estimated cost of each work task as described in the Work Authorization. The Work Authorization will not waive the Surveyor's responsibilities and obligations established in this Contract. The executed Work Authorizations shall become part of this Contract.

All work must be completed on or before the date specified in the Work Authorization. The Surveyor shall promptly notify the County of any event which will affect completion of the Work Authorization, although such notification shall not relieve the Surveyor from costs or liabilities resulting from delays in completion of the Work Authorization. Should the review times or Surveying Services take longer than shown on the Work Authorization, through no fault of Surveyor, Surveyor may submit a timely written request for additional time, which shall be subject to the approval of the County. Any changes in a Work Authorization shall be enacted by a written Supplemental Work Authorization before additional costs may be incurred. Any Supplemental Work Authorization must be executed by both parties within the period specified in the Work Authorization.

ARTICLE 4
CONTRACT TERM

A. Term. The Surveyor is expected to complete the Surveying Services described herein in accordance with the above-described Work Authorizations or any Supplemental Work Authorization related thereto. If Surveyor does not perform the Surveying Services in accordance with each applicable Work Authorization or any Supplemental Work Authorization related thereto, then County shall have the right to terminate this Contract as set forth below in Article 20. So long as the County elects not to terminate this Contract, it shall continue from day to day until such time as the Surveying Services are completed in accordance with each applicable Work Authorization or any Supplemental Work Authorization related thereto. Any Surveying Services performed or costs incurred after the date of termination shall not be eligible for reimbursement. Surveyor shall notify County in writing as soon as possible if he/she/it determines, or reasonably anticipates, that the Surveying Services will not be completed on or before the date specified in the Work Authorization or any Supplemental Work Authorization and in full accordance with the terms of the applicable Work Authorization or any Supplemental Work Authorization .

B. Work Authorizations. Surveyor acknowledges that each Work Authorization is of critical importance, and agrees to undertake all reasonably necessary efforts to expedite the performance of Surveying Services required herein so that construction of the Project will be commenced and completed as scheduled. In this regard, and subject to adjustments in a particular Work Authorization, as provided in Article 3 herein, Surveyor shall proceed with sufficient qualified personnel and consultants necessary to fully and timely accomplish all Surveying Services required under this Contract in a professional manner.

C. Commencement of Surveying Services. After execution of this Contract, Surveyor shall not proceed with Surveying Services until Surveyor has been thoroughly briefed on the scope of the Project and has received an executed Work Authorization, which serves as the County's written notice to proceed, as provided in Article 8.

ARTICLE 5
COMPENSATION AND EXPENSES

County shall pay and Surveyor agrees to accept up to the amount shown below as full compensation for the Surveying Services performed and to be performed under this Contract. The basis of compensation for the services of principals and employees engaged in the performance of the Surveying Services shall be based on the Rate Schedule set forth in the attached **Exhibit D**.

The maximum amount payable under this Contract, without modification, is **Five Hundred Thousand and No/100 Dollars ($500,000.00)** (the "Compensation Cap"), provided that any amounts paid or payable shall be solely pursuant to a validly issued Work Authorization or any Supplemental Work Authorization related thereto. In no event may the aggregate amount of compensation authorized under Work Authorizations and Supplemental Work Authorizations exceed the Compensation Cap. The Compensation Cap shall be revised equitably only by written Contract Amendments executed by both parties in the event of a change the overall scope of the Surveying Services set forth in **Exhibit B**, as authorized by County.

The Compensation Cap is based upon all labor and non-labor costs estimated to be required in the performance of the Surveying Services provided for under this Contract. Should the actual costs of all labor and non-labor costs rendered under this Contract be less than the above stated Compensation Cap, then Surveyor shall receive compensation for only actual fees and costs of the Surveying Services actually rendered and incurred, which may be less than the above stated Compensation Cap.

The Compensation Cap herein referenced may be adjusted for Additional Surveying Services requested and performed only if mutually approved by a written Contract Amendment signed by both parties.

Surveyor shall prepare and submit to County monthly progress reports in sufficient detail to support the progress of the Surveying Services and to support invoices requesting monthly payment. The format for such monthly progress reports and invoices must be in a format acceptable to County. Satisfactory progress of Surveying Services shall be an absolute condition of payment.

Surveyor shall be reimbursed for actual non-labor and subcontract expenses incurred in the performance of the services under this Contract in accordance with the Williamson County Vendor Reimbursement Policy set forth under **Exhibit E**. Invoices requesting reimbursement for costs and expenditures related to the Project (reimbursables) must be accompanied by copies of the provider's invoice and comply with the Williamson County Vendor Reimbursement Policy. The copies of the provider's invoice must evidence the actual costs billed to Surveyor without mark-up.

ARTICLE 6
METHOD OF PAYMENT

Payments to Surveyor shall be made while Surveying Services are in progress. Surveyor shall prepare and submit to the Williamson County Department of Infrastructure, to the attention of the County's Road & Bridge Director, as identified herein-below, not more frequently than once per month, a progress report as referenced in Article 5 above. Such progress report shall state the percentage of completion of Surveying Services accomplished for an applicable Work Authorization or any Supplemental Work Authorization related thereto during that billing period and to date. This submittal shall also include a progress assessment report in a form acceptable to the County Auditor.

Simultaneous with submission of each progress report, Surveyor shall provide the following documentation through the County's Road & Bridge Director in a form acceptable to the County Auditor ("Invoice Package"):

(1) One (1) original certified invoice to the County ; and
(2) One (1) original complete packet of supporting documentation and time sheets detailing hours worked by staff persons with a description of the work performed by such persons, their work category, and approved billing rates as set forth in Exhibit B – Rate Schedule as part of this Contract

For Additional Surveying Services performed pursuant to this Contract, a separate invoice or itemization of the Additional Surveying Services must be presented with the same aforementioned requirements.

Payments shall be made by County based upon Surveying Services actually provided and performed. **Upon timely receipt of a complete Invoice Package and approval thereof**, County shall make a good faith effort to pay the amount which is due and payable within thirty (30) days of the County Auditor's receipt. **Failure to submit a Complete Invoice Package may delay payments.** County reserves the right to reasonably withhold payment pending verification of satisfactory Surveying Services performed. Surveyor has the responsibility to submit proof to County, adequate and sufficient in its determination, that tasks of an applicable Work Authorization or any Supplemental Work Authorization related thereto were completed.

The certified invoices shall show the total amount earned to the date of submission and shall show the amount due and payable as of the date of the current invoice. Final payment does

not relieve Surveyor of the responsibility of correcting any errors and/or omissions resulting from his/her/its negligence.

Upon submittal of the initial invoice, Surveyor shall provide the County Auditor with an Internal Revenue Form W-9, Request for Taxpayer Identification Number and Certification that is complete in compliance with the Internal Revenue Code, its rules and regulations.

ARTICLE 7
PROMPT PAYMENT POLICY

In accordance with Chapter 2251, V.T.C.A., Texas Government Code, payment to Surveyor will be made within thirty (30) days of the day on which the performance of services was complete, or within thirty (30) days of the day on which the County Auditor receives a correct invoice for services, whichever is later.

Surveyor may charge a late fee (fee shall not be greater than that which is permitted by Texas law) for payments not made in accordance with this prompt payment policy; however, the Surveyor's ability to charge a late fee shall not apply in the event:

A. There is a bona fide dispute between County and Surveyor concerning the supplies, materials, or equipment delivered or the services performed that causes the payment to be late; or

B. The terms of a federal contract, grant, regulation, or statute prevent County from making a timely payment with federal funds; or

C. There is a bona fide dispute between Surveyor and a subcontractor/subconsultant or between a subcontractor/subconsultant and its supplier concerning supplies, materials, or equipment delivered or the Surveying Services performed which causes the payment to be late;

D. Surveyor's failure to submit a Complete Invoice Package in accordance with the requirements of this Contract; or

E. The Complete Invoice Package is not submitted to the Road & Bridge Director in strict accordance with any necessary instructions or requests provided by the County's Road & Bridge Director.

The County Auditor shall document to Surveyor the issues related to disputed invoices within ten (10) calendar days of receipt of such invoice. Any non-disputed invoices shall be considered correct and payable per the terms of Chapter 2251, V.T.C.A., Texas Government Code.

ARTICLE 8
COMMENCEMENT OF SURVEYING SERVICES

The Surveyor shall not proceed with any task of the Surveying Services until Surveyor has been thoroughly briefed on the scope of the Project and received an executed Work Authorization, which serves as the County's written notice to proceed with the applicable Surveying Services. The County shall not be responsible for work performed or costs incurred by Surveyor related to any task for which a Work Authorization or a Supplemental Work

Authorization related thereto has not been issued and signed by both parties. Surveyor shall not be required to perform any work for which a Work Authorization or a Supplemental Work Authorization related thereto has not been issued and signed by both parties.

ARTICLE 9
PROJECT TEAM

County's Designated Representative for purposes of this Contract is as follows:

Williamson County Dept. of Infrastructure
Attn: Director of Road & Bridge
3151 SE Inner Loop, Suite B
Georgetown, Texas 78626

County shall have the right, from time to time, to change the County's Designated Representative by giving Surveyor written notice thereof. With respect to any action, decision or determination which is to be taken or made by County under this Contract, the County's Designated Representative may take such action or make such decision or determination or shall notify Surveyor in writing of an individual responsible for and capable of taking such action, decision or determination and shall forward any communications and documentation to such individual for response or action. Actions, decisions or determinations by the County's Designated Representative on behalf of County shall be done in his or her reasonable business judgment unless express standards or parameters therefor are included in this Contract, in which case, actions taken by the County's Designated Representative shall be in accordance with such express standards or parameters. Any consent, approval, decision or determination hereunder by the County's Designated Representative shall be binding on County; *provided, however,* the County's Designated Representative shall not have any right to modify, amend or terminate this Contract, an Executed Work Authorization, an executed Supplemental Work Authorization or executed Contract Amendment. County's Designated Representative shall not have any authority to execute a Contract Amendment, Work Authorization or any Supplemental Work Authorization unless otherwise granted such authority by the Williamson County Commissioners Court.

Surveyor's Designated Representative for purposes of this Contract is as follows:

Attn: Scott Brashear, RPLS
Surveying And Mapping, LLC
1501 Volta Dr., Suite 100

Surveyor shall have the right, from time to time, to change the Surveyor's Designated Representative by giving County written notice thereof. With respect to any action, decision or determination which is to be taken or made by Surveyor under this Contract, the Surveyor's Designated Representative may take such action or make such decision or determination or shall notify County in writing of an individual responsible for and capable of taking such action, decision or determination and shall forward any communications and documentation to such individual for response or action. Actions, decisions or determinations by the Surveyor's

Designated Representative on behalf of Surveyor shall be done in his or her reasonable business judgment unless express standards or parameters therefor are included in this Contract, in which case, actions taken by the Surveyor's Designated Representative shall be in accordance with such express standards or parameters. Any consent, approval, decision or determination hereunder by the Surveyor's Designated Representative shall be binding on Surveyor. Surveyor's Designated Representative shall have the right to modify, amend and execute Work Authorizations, Supplemental Work Authorizations and Contract Amendments on behalf of Surveyor.

ARTICLE 10
PROGRESS EVALUATION

Surveyor shall, from time to time during the progress of the Surveying Services, confer with County at County's election. Surveyor shall prepare and present such information as may be pertinent and necessary, or as may be reasonably requested by County, in order for County to evaluate features of the Surveying Services. At the request of County or Surveyor, conferences shall be provided at Surveyor's office, the offices of County, or at other locations designated by County. When requested by County, such conferences shall also include evaluation of the Surveying Services. County may, from time to time, require Surveyor to appear and provide information to the Williamson County Commissioners Court.

Should County determine that the progress in Surveying Services does not satisfy an applicable Work Authorization or any Supplemental Work Authorization related thereto, then County shall review same with Surveyor to determine corrective action required.

Surveyor shall promptly advise County in writing of events which have or may have a significant impact upon the progress of the Surveying Services, including but not limited to the following:

A. Problems, delays, adverse conditions which may materially affect the ability to meet the objectives of an applicable Work Authorization or any Supplemental Work Authorization related thereto, or preclude the attainment of Project Surveying Services units by established time periods; and such disclosure shall be accompanied by statement of actions taken or contemplated, and County assistance needed to resolve the situation, if any; and

B. Favorable developments or events which enable meeting goals sooner than anticipated in relation to an applicable Work Authorization's or any Supplemental Work Authorization related thereto.

ARTICLE 11
SUSPENSION

Should County desire to suspend the Surveying Services, but not to terminate this Contract, then such suspension may be effected by County giving Surveyor thirty (30) calendar days' verbal notification followed by written confirmation to that effect. Such thirty-day notice may be waived in writing by agreement and signature of both parties. The Surveying Services may be reinstated and resumed in full force and effect within sixty (60) days of receipt of written notice from County to resume the Surveying Services. Such sixty-day (60) notice may be waived in writing by agreement and signature of both parties. If this Contract is suspended for more than thirty (30) days, Surveyor shall have the option of terminating this Contract and, in the event, Surveyor shall be compensated for all Surveying Services performed and reimbursable expenses incurred, provided such Surveying Services and reimbursable expenses have been previously authorized and approved by County, to the effective date of suspension.

If County suspends the Surveying Services, the contract period as determined in Article 4, and the Work Authorization or any Supplemental Work Authorization related thereto, shall be extended for a time period equal to the suspension period.

County assumes no liability for Surveying Services performed or costs incurred prior to the date authorized by County for Surveyor to begin Surveying Services, and/or during periods when Surveying Services is suspended, and/or subsequent to the completion date.

ARTICLE 12
ADDITIONAL SURVEYING SERVICES

If Surveyor forms a reasonable opinion that any work he/she/it has been directed to perform is beyond the overall scope of this Contract, as set forth in **Exhibit B,** and as such constitutes extra work ("Additional Surveying Services"), he/she/it shall promptly notify County in writing through the County's Designated Representative. In the event County finds that such work does constitute Additional Surveying Services, County shall so advise Surveyor and a written Contract Amendment will be executed between the parties as provided in Article 14. Any increase to the Compensation Cap due to Additional Surveying Services must be set forth in such Contract Amendment. Surveyor shall not perform any proposed Additional Surveying Services nor incur any additional costs prior to the execution, by both parties, of a written Contract Amendment. Following the execution of a Contract Amendment that provides for Additional Surveying Services, a written Work Authorization, which sets forth the Additional Surveying Services to be performed, must be executed by the parties. County shall not be responsible for actions by Surveyor nor for any costs incurred by Surveyor relating to Additional Surveying Services not directly associated with the performance of the Surveying Services authorized in this Contract, by a fully executed Work Authorization or a fully executed Contract Amendment thereto.

ARTICLE 13
CHANGES IN COMPLETED SURVEYING SERVICES

If County deems it necessary to request changes to previously satisfactorily completed Surveying Services or parts thereof which involve changes to the original Surveying Services or character of Surveying Services under this Contract, then Surveyor shall make such revisions as requested and as directed by County. Such revisions shall be considered as Additional Surveying Services and paid for as specified under Article 12.

Surveyor shall make revisions to Surveying Services authorized hereunder as are necessary to correct errors appearing therein, when required to do so by County. No additional compensation shall be due for such Surveying Services.

ARTICLE 14
CONTRACT AMENDMENTS

The terms set out in this Contract may be modified by a written fully executed Contract Amendment. Changes and modifications to a fully executed Work Authorization shall be made in the form of a Supplemental Work Authorization. To the extent that such changes or modifications to a Work Authorization do not also require modifications to the terms of this Contract (i.e. changes to the overall scope of Surveying Services set forth in **Exhibit B**, modification of the Compensation Cap, etc.) a Contract Amendment will not be required.

ARTICLE 15
USE OF DOCUMENTS

All documents, including but not limited to data or programs stored electronically, (hereinafter referred to as "Surveying Work Products") prepared by Surveyor and its subcontractors/subconsultants are related exclusively to the services described in this Contract and are intended to be used with respect to this Project. However, it is expressly understood and agreed by and between the parties hereto that all of Surveying Work Products under this Contract Surveying Work Products shall be the property of County to be thereafter used in any lawful manner as County elects. Any such subsequent use made of documents by County, without written verification or adaptation by Surveyor for the specific purpose intended, shall be at County's sole risk and without liability to Surveyor.

By execution of this Contract and in confirmation of the fee for services to be paid under this Contract, Surveyor hereby conveys, transfers and assigns to County all rights under the Federal Copyright Act of 1976 (or any successor copyright statute), as amended, all common law copyrights and all other intellectual property rights acknowledged by law in the Surveying Work Products developed under this Contract. Copies may be retained by Surveyor. Surveyor shall be liable to County for any loss or damage to any such documents while they are in the possession of or while being worked upon by Surveyor or anyone connected with Surveyor, including agents, employees, Surveyors or subcontractors/subconsultants. All documents so lost or damaged shall be replaced or restored by Surveyor without cost to County.

Upon execution of this Contract, Surveyor grants to County permission to reproduce Surveyor's work and documents for purposes of constructing, using and maintaining the Project, provided that County shall comply with its obligations, including prompt payment of all sums when due, under this Contract. Surveyor shall obtain similar permission from Surveyor's subcontractors/subconsultants consistent with this Contract. If and upon the date Surveyor is adjudged in default of this Contract, County is permitted to authorize other similarly credentialed surveying professionals to reproduce and, where permitted by law, to make changes, corrections or additions to the work and documents for the purposes of completing, using and maintaining the Project.

County shall not assign, delegate, sublicense, pledge or otherwise transfer any permission granted herein to another party without the prior written consent of Surveyor. However, County shall be permitted to authorize the contractor, subcontractors and material or equipment suppliers to reproduce applicable portions of the Surveying Work Products appropriate to and for use in the execution of the Work. Submission or distribution of Surveying Work Products to meet official regulatory requirements or for similar purposes in connection with the Project is permitted. Any unauthorized use of the Surveying Work Products shall be at County's sole risk and without liability to Surveyor and its Surveyors.

The parties shall mutually agree to an electronic format for Surveying Work Products or other data, including any special limitations not otherwise provided in this Contract, prior to any such Surveying Work Products or data being submitted electronically by either party to the other party. Upon such agreement between the parties, Surveying Work Products or other data provided in the agreed upon electronic format may be relied upon by the receiving party. In the event the parties cannot agree on an acceptable electronic format, only printed copies of documents conveyed by a party shall be relied upon by the receiving party.

Surveyor shall have no liability for changes made to the Surveying Work Products by other surveyors subsequent to the completion of the Project. Any such change shall be sealed by the surveyor making that change and shall be appropriately marked to reflect what was changed or modified.

ARTICLE 16
PERSONNEL, EQUIPMENT AND MATERIAL

Surveyor shall furnish and maintain, at its own expense, quarters for the performance of all Surveying Services, and adequate and sufficient personnel and equipment to perform the Surveying Services as required. All employees of Surveyor shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of Surveyor who, in the reasonable opinion of County, is incompetent or whose conduct becomes detrimental to the Surveying Services shall immediately be removed from association with the Project when so instructed by County. Surveyor certifies that it presently has adequate qualified personnel in its employment for performance of the Surveying Services required under this Contract, or will obtain such personnel from sources other than County. Surveyor may not change the Project

Manager without prior written consent of County.

ARTICLE 17
SUBCONTRACTING

Surveyor shall not assign, subcontract or transfer any portion of the Surveying Services under this Contract without prior written approval from County. All subcontracts shall include the provisions required in this Contract. No subcontract shall relieve Surveyor of any responsibilities under this Contract.

ARTICLE 18
REVIEW OF SURVEYING SERVICES

Surveyor's Surveying Services will be reviewed by County under its applicable technical requirements and procedures.

A. Completion. All surveying documents shall be submitted by Surveyor on or before the dates specified in the applicable Work Authorization or Supplemental Work Authorization related thereto. Upon receipt of same, the submission shall be checked for completion. "Completion" or "Complete" shall be defined as all of the required items, as set out in the applicable Work Authorization, have been included in compliance with the requirements of this Contract. The completeness of any Surveying Services submitted to County shall be determined by County within thirty (30) days of such submittal and County shall notify Surveyor in writing within such thirty (30) day period if such Surveying Services have been found to be incomplete. If the submission is Complete, County shall notify Surveyor and County's technical review process will begin.

If the submission is not Complete, County shall notify Surveyor, who shall perform such professional services as are required to complete the Surveying Services and resubmit it to County. This process shall be repeated until a submission is Complete.

B. Acceptance. County shall review the completed Surveying Services for compliance with this Contract. If necessary, the completed Surveying Services shall be returned to Surveyor, who shall perform any required Surveying Services and resubmit it to County. This process shall be repeated until the Surveying Services are Accepted. "Acceptance" or "Accepted" shall mean that in the County's reasonable opinion, substantial compliance with the requirements of this Contract has been achieved.

C. Final Approval. After Acceptance, Surveyor shall perform any required modifications, changes, alterations, corrections, redesigns, and additional work necessary to receive Final Approval by the County. "Final Approval" in this sense shall mean formal recognition that the Surveying Services have been fully carried out.

D. Errors and Omissions. After Final Approval, Surveyor shall, without additional compensation, perform any work required as a result of Surveyor's development of the work which is found to be in error or omission due to Surveyor's negligence. However, any work required or

occasioned for the convenience of County after Final Approval shall be paid for as Additional Surveying Services.

E. Disputes Over Classifications. In the event of any dispute over the classification of Surveyor's Surveying Services as Complete, Accepted, or having attained Final Approved under this Contract, the decision of the County shall be final and binding on Surveyor, subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

F. County's Reliance on Surveyor. SURVEYOR'S DUTIES AS SET FORTH HEREIN SHALL AT NO TIME BE IN ANY WAY DIMINISHED BY REASON OF ANY REVIEW, EVALUATION OR APPROVAL BY THE COUNTY OR ITS AUTHORIZED REPRESENTATIVE NOR SHALL THE SURVEYOR BE RELEASED FROM ANY LIABILITY BY REASON OF SUCH REVIEW, EVALUATION OR APPROVAL BY THE COUNTY, IT BEING UNDERSTOOD THAT THE COUNTY AT ALL TIMES IS ULTIMATELY RELYING UPON THE SURVEYOR'S SKILL, ABILITY AND KNOWLEDGE IN PERFORMING THE SURVEYING SERVICES REQUIRED HEREUNDER.

ARTICLE 19
VIOLATION OF CONTRACT TERMS/BREACH OF CONTRACT

Violation of contract terms or breach of contract by Surveyor shall be grounds for termination of this Contract, and any increased costs arising from Surveyor's default, breach of contract, or violation of contract terms shall be paid by Surveyor.

ARTICLE 20
TERMINATION

This Contract may be terminated as set forth below.

- **A.** By mutual agreement and consent, in writing, of both parties.
- **B.** By County, by notice in writing to Surveyor, as a consequence of failure by Surveyor to perform the Surveying Services set forth herein in a satisfactory manner.
- **C.** By either party, upon the failure of the other party to fulfill its obligations as set forth herein.
- **D.** By County, for reasons of its own and not subject to the mutual consent of Surveyor, upon not less than thirty (30) days' written notice to Surveyor.
- **E.** By satisfactory completion of all Surveying Services and obligations described herein.

Should County terminate this Contract as herein provided, no fees other than fees due and payable at the time of termination plus reimbursable expenses incurred shall thereafter be paid to Surveyor. In determining the value of the Surveying Services performed by Surveyor prior to termination, County shall be the sole judge. Compensation for Surveying Services at termination will be based on a percentage of the Surveying Services completed at that time. Should County terminate this Contract under Subsection (D) immediately above, then the amount charged during

the thirty-day notice period shall not exceed the amount charged during the preceding thirty (30) days.

If Surveyor defaults in the performance of this Contract or if County terminates this Contract for fault on the part of Surveyor, then County shall give consideration to the actual costs incurred by Surveyor in performing the Surveying Services to the date of default, the amount of Surveying Services required which was satisfactorily completed to date of default, the value of the Surveying Services which are usable to County, the cost to County of employing another firm to complete the Surveying Services required and the time required to do so, and other factors which affect the value to County of the Surveying Services performed at the time of default.

The termination of this Contract and payment of an amount in settlement as prescribed above shall extinguish all rights, duties, and obligations of County under this Contract. If the termination of this Contract is due to the failure of Surveyor to fulfill his/her/its contractual obligations, then County may take over the Project and prosecute the Surveying Services to completion. In such case, Surveyor shall be liable to County for any additional and reasonable costs incurred by County.

Surveyor shall be responsible for the settlement of all contractual and administrative issues arising out of any procurements made by Surveyor in support of the Surveying Services under this Contract.

ARTICLE 21
COMPLIANCE WITH LAWS

A. Compliance. Surveyor shall comply with all applicable federal, state and local laws, statutes, codes, ordinances, rules and regulations, and the orders and decrees of any court, or administrative bodies or tribunals in any manner affecting the performance of this Contract, including without limitation, minimum/maximum salary and wage statutes and regulations, and licensing laws and regulations. Surveyor shall furnish County with satisfactory proof of his/her/its compliance.

Surveyor shall further obtain all permits and licenses required in the performance of the Surveying Services contracted for herein.

B. Taxes. Surveyor will pay all taxes, if any, required by law arising by virtue of the Surveying Services performed hereunder. County is qualified for exemption pursuant to the provisions of Section 151.309 of the Texas Limited Sales, Excise, and Use Tax Act.

County agrees to pay the amount of any sales, value added, use, excise or similar taxes applicable to the performance of the Services, if any, or County shall provide Surveyor with a certificate acceptable to the taxing authorities exempting County from payment of such taxes.

ARTICLE 22
INDEMNIFICATION

SURVEYOR AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM AND AGAINST ANY AND ALL LIABILITIES, LOSSES, PENALTIES, JUDGMENTS, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, REASONABLE ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM A NEGLIGENT ACT, ERROR OR OMISSION, NEGLIGENCE, OR INTENTIONAL TORT COMMITTED BY SURVEYOR, SURVEYOR'S EMPLOYEES, AGENTS, OR ANY OTHER PERSON OR ENTITY UNDER CONTRACT WITH SURVEYOR INCLUDING, WITHOUT LIMITATION, SURVEYOR'S SUBCONSULTANTS, OR ANY OTHER ENTITY OVER WHICH SURVEYOR EXERCISES CONTROL.

SURVEYOR FURTHER AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM ANY AND ALL LIABILITIES, LOSSES, PENALTIES, JUDGMENTS, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM SURVEYOR'S FAILURE TO PAY SURVEYOR'S EMPLOYEES, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, IN CONNECTION WITH ANY OF THE WORK PERFORMED OR TO BE PERFORMED UNDER THIS CONTRACT BY SURVEYOR.

SURVEYOR FURTHER AGREES TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM ANY AND ALL LIABILITIES, LOSSES, PENALTIES, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM THE INFRINGEMENT OF ANY INTELLECTUAL PROPERTY ARISING OUT OF THE USE OF ANY PLANS, DESIGN, DRAWINGS, OR SPECIFICATIONS FURNISHED BY SURVEYOR IN THE PERFORMANCE OF THIS CONTRACT.

THE LIMITS OF INSURANCE REQUIRED IN THIS CONTRACT AND/OR THE CONTRACT DOCUMENTS SHALL NOT LIMIT SURVEYOR'S OBLIGATIONS UNDER THIS SECTION. THE TERMS AND CONDITIONS CONTAINED IN THIS SECTION SHALL SURVIVE THE TERMINATION OF THE CONTRACT AND/OR CONTRACT DOCUMENTS OR THE SUSPENSION OF THE WORK HEREUNDER. TO THE EXTENT THAT ANY LIABILITIES, PENALTIES, DEMANDS, CLAIMS, LAWSUITS, LOSSES, DAMAGES, COSTS AND EXPENSES ARE CAUSED IN PART BY THE ACTS OF THE COUNTY OR THIRD PARTIES FOR WHOM SURVEYOR IS NOT LEGALLY LIABLE, SURVEYOR'S OBLIGATIONS SHALL BE IN PROPORTION TO SURVEYOR'S FAULT. THE OBLIGATIONS HEREIN SHALL ALSO EXTEND TO ANY ACTIONS BY THE COUNTY TO ENFORCE THIS INDEMNITY OBLIGATION.

IN THE EVENT THAT CONTRACTORS INITIATE LITIGATION AGAINST THE COUNTY IN WHICH THE CONTRACTOR ALLEGES DAMAGES AS A RESULT OF ANY NEGLIGENT ACTS, ERRORS OR OMISSIONS OF SURVEYOR, ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER ENTITIES OVER WHICH SURVEYOR EXERCISES CONTROL, INCLUDING, BUT NOT LIMITED TO, DEFECTS, ERRORS, OR OMISSIONS, THEN THE COUNTY SHALL HAVE THE RIGHT TO JOIN SURVEYOR IN ANY SUCH PROCEEDINGS AT THE COUNTY'S COST. SURVEYOR SHALL ALSO HOLD THE COUNTY HARMLESS AND INDEMNIFY THE COUNTY TO THE EXTENT THAT SURVEYOR, ANY OF ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER

ENTITIES OVER WHICH SURVEYOR EXERCISES CONTROL, CAUSED SUCH DAMAGES TO CONTRACTOR, INCLUDING ANY AND ALL COSTS AND ATTORNEYS' FEES INCURRED BY THE COUNTY IN CONNECTION WITH THE DEFENSE OF ANY CLAIMS WHERE SURVEYOR, ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER ENTITIES OVER WHICH SURVEYOR EXERCISES CONTROL, ARE ADJUDICATED AT FAULT.

TO THE FULLEST EXTENT PERMITTED BY LAW, NEITHER PARTY SHALL BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, PUNITIVE, CONSEQUENTIAL OR INDIRECT DAMAGES RESULTING IN ANY WAY FROM THIS AGREEMENT.

ARTICLE 23
SURVEYOR'S RESPONSIBILITIES

Surveyor shall be responsible for the accuracy of his/her/its Surveying Services and shall promptly make necessary revisions or corrections to its work product resulting from errors, omissions, or negligent acts, and same shall be done without compensation. County shall determine Surveyor's responsibilities for all questions arising from surveying errors and/or omissions, subject to the dispute resolution provisions of Article 33. Surveyor shall not be relieved of responsibility for subsequent correction of any such errors or omissions in its work product, or for clarification of any ambiguities until after the construction phase of the Project has been completed.

ARTICLE 24
SURVEYOR'S SEAL

The responsible surveyor shall sign, seal and date all appropriate surveying submissions to County in accordance with the Texas Professional Land Surveying Practices Act and the rules of the Texas Board of Professional Land Surveying.

ARTICLE 25
INSURANCE

Surveyor must comply with the following insurance requirements at all times during this Contract:

A. Coverage Limits. Surveyor, at Surveyor's sole cost, shall purchase and maintain during the entire term while this Contract is in effect the following insurance:

1. Worker's Compensation in accordance with statutory requirements.
2. Commercial General Liability Insurance with a combined minimum Bodily Injury and Property Damage limits of $1,000,000.00 per occurrence and $2,000,000.00 in the aggregate.
3. Business Automobile Liability Insurance for all owned, non-owned, and hired vehicles with combined minimum limits for Bodily Injury and Property Damage of $1,000,000.00 each accident.
4. Professional Liability Insurance in the amount of $2,000,000.00 per claim and annual aggregate.

B. Additional Insureds; Waiver of Subrogation. County, its directors, officers and

employees shall be added as additional insureds under policies listed under (2) and (3) above, and on those policies where County, its directors, officers and employees are additional insureds, such insurance shall be primary and any insurance maintained by County shall be excess and not contribute with it. Such policies shall also include waivers of subrogation in favor of County.

C. Premiums and Deductible. Surveyor shall be responsible for payment of premiums for all of the insurance coverages required under this section. Surveyor further agrees that for each claim, suit or action made against insurance provided hereunder, with respect to all matters for which the Surveyor is responsible hereunder, Surveyor shall be solely responsible for all deductibles and self-insured retentions. Any deductibles or self-insured retentions over $200,000 in the Surveyor's insurance must be declared and approved in writing by County in advance.

D. Commencement of Work. Surveyor shall not commence any field work under this Contract until he/she/it has obtained all required insurance and such insurance has been approved by County. As further set out below, Surveyor shall not allow any subcontractor/subconsultant(s) to commence work to be performed in connection with this Contract until all required insurance has been obtained and approved and such approval shall not be unreasonably withheld. Approval of the insurance by County shall not relieve or decrease the liability of Surveyor hereunder.

E. Insurance Company Rating. The required insurance must be written by a company approved to do business in the State or Texas with a financial standing of at least an A- rating, as reflected in Best's insurance ratings or by a similar rating system recognized within the insurance industry at the time the policy is issued.

F. Certification of Coverage. Surveyor shall furnish County with a certification of coverage issued by the insurer. Surveyor shall not cause any insurance to be canceled nor permit any insurance to lapse. **In addition to any other notification requires set forth hereunder, Surveyor shall also notify County, within twenty-four (24) hours of receipt, of any notices of expiration, cancellation, non-renewal, or material change in coverage it receives from its insurer.**

G. No Arbitration. It is the intention of the County and agreed to and hereby acknowledged by the Surveyor, that no provision of this Contract shall be construed to require the County to submit to mandatory arbitration in the settlement of any claim, cause of action or dispute, except as specifically required in direct connection with an insurance claim or threat of claim under an insurance policy required hereunder or as may be required by law or a court of law with jurisdiction over the provisions of this Contract.

H. Subcontractor/Subconsultant's Insurance. Without limiting any of the other obligations or liabilities of Surveyor, Surveyor shall require each subcontractor/subconsultant performing work under this Contract (to the extent a subcontractor/subconsultant is allowed by County) to maintain during the term of this Contract, at the subcontractor/subconsultant's own expense, the same stipulated minimum insurance required in this Article, including the required provisions and additional policy conditions as shown below in this Article. Any requests for

consent to reduce any insurance coverage limits requirements for Surveyor's subcontractors/subconsultants must be provided to County in writing and must set forth reasoning and justifications for decreasing such coverage limits. County may, at its sole discretion, consent to a reduction in the insurance coverage limits requirements for Surveyor's subcontractors/subconsultants; provided, however, consent by County must be in writing and such consent shall not relieve or decrease the liability of Surveyor hereunder.

Surveyor shall obtain and monitor the certificates of insurance from each subcontractor/subconsultant in order to assure compliance with the insurance requirements. Surveyor must retain the certificates of insurance for the duration of this Contract, and shall have the responsibility of enforcing these insurance requirements among its subcontractor/subconsultants. County shall be entitled, upon request and without expense, to receive copies of these certificates of insurance.

I. Insurance Policy Endorsements. Each insurance policy shall include the following conditions by endorsement to the policy:

1. County shall be notified thirty (30) days prior to the expiration, cancellation, non-renewal or any material change in coverage, and such notice thereof shall be given to County by certified mail and by email to:

   Williamson County Purchasing Department
   100 Wilco Way
   Suite P101
   Georgetown, TX. 78626
   Email: purchase@wilco.org

   With copy to:

   Williamson County Auditor's Office
   Attn: Contracts Auditor
   901 South Austin Avenue
   Georgetown, Texas 78626
   Email: contractaudit@wilco.org

   Williamson County Dept. of Infrastructure
   Attn: Director of Road & Bridge
   3151 SE Inner Loop, Suite B
   Georgetown, Texas 78626

2. The policy clause "Other Insurance" shall not apply to any insurance coverage currently held by County, to any such future coverage, or to County's Self-Insured Retentions of whatever nature.

J. Cost of Insurance. The cost of all insurance required herein to be secured and maintained by Surveyor shall be borne solely by Surveyor, with certificates of insurance

evidencing such minimum coverage in force to be filed with County. Such Certificates of Insurance are evidenced as **Exhibit F** herein entitled "Certificates of Insurance."

ARTICLE 26
COPYRIGHTS

County shall have the royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use, and to authorize others to use, any reports developed by Surveyor for governmental purposes.

ARTICLE 27
SUCCESSORS AND ASSIGNS

This Contract shall be binding upon and inure to the benefit of the parties hereto, their successors, lawful assigns, and legal representatives. Surveyor may not assign, sublet or transfer any interest in this Contract, in whole or in part, by operation of law or otherwise, without obtaining the prior written consent of County.

ARTICLE 28
SEVERABILITY

In the event any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision thereof and this Contract shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

ARTICLE 29
PRIOR AGREEMENTS SUPERSEDED

This Contract constitutes the sole agreement of the parties hereto, and supersedes any prior understandings or written or oral contracts between the parties respecting the subject matter defined herein. This Contract may only be amended or supplemented by mutual agreement of the parties hereto in writing.

ARTICLE 30
SURVEYOR'S ACCOUNTING RECORDS

Surveyor agrees to maintain, for a period of three (3) years after final payment under this Contract, detailed records identifying each individual performing the Surveying Services, the date or dates the services were performed, the applicable hourly rates, the total amount billed for each individual and the total amount billed for all persons, records of reimbursable costs and expenses of other providers and provide such other details as may be requested by the County Auditor for verification purposes. Surveyor agrees that County or its duly authorized representatives shall, until the expiration of three (3) years after final payment under this Contract, have access to and the right to examine and photocopy any and all books, documents, papers and records of Surveyor which are directly pertinent to the services to be performed under this Contract for the purposes of

making audits, examinations, excerpts, and transcriptions. Surveyor further agrees that County shall have access during normal working hours to all necessary Surveyor facilities and shall be provided adequate and appropriate workspace in order to conduct audits in compliance with the provisions of this section. County shall give Surveyor reasonable advance notice of intended audits.

ARTICLE 31

ARTICLE 32
GENERAL PROVISIONS

A. Time is of the Essence. Subject to Article 3 hereof, Surveyor understands and agrees that time is of the essence and that any failure of Surveyor to complete the Surveying Services for each phase of this Contract within the agreed work schedule set out in the applicable Work Authorization may constitute a material breach of this Contract. Surveyor shall be fully responsible for his/her/its delays or for failures to use his/her/its reasonable efforts in accordance with the terms of this Contract and the Surveyor's standard of performance as defined herein. Where damage is caused to County due to Surveyor's negligent failure to perform County may

accordingly withhold, to the extent of such damage, Surveyor's payments hereunder without waiver of any of County's additional legal rights or remedies.

B. Force Majeure. Neither County nor Surveyor shall be deemed in violation of this Contract if prevented from performing any of their obligations hereunder by reasons for which they are not responsible or circumstances beyond their control. However, notice of such impediment or delay in performance must be timely given, and all reasonable efforts undertaken to mitigate its effects.

C. Enforcement and Venue. This Contract shall be enforceable in Georgetown, Williamson County, Texas, and if legal action is necessary by either party with respect to the enforcement of any or all of the terms or conditions herein, exclusive venue for same shall lie in Williamson County, Texas. This Contract shall be governed by and construed in accordance with the laws and court decisions of the State of Texas excluding, however, its choice of law rules.

D. Standard of Performance. The standard of care for all professional surveying, consulting and related services performed or furnished by Surveyor and its employees under this Contract will be the care and skill ordinarily used by members of Surveyor's profession practicing under the same or similar circumstances at the same time and in the same locality.

E. Opinion of Probable Cost. Any opinions of probable Project cost or probable construction cost provided by Surveyor are made on the basis of information available to Surveyor and on the basis of Surveyor's experience and qualifications and represents its judgment as an experienced and qualified professional surveyor. However, since Surveyor has no control over the cost of labor, materials, equipment or services furnished by others, or over the contractor(s') methods of determining prices, or over competitive bidding or market conditions, Surveyor does not guarantee that proposals, bids or actual Project or construction cost will not vary from opinions of probable cost Surveyor prepares.

F. Opinions and Determinations. Where the terms of this Contract provide for action to be based upon opinion, judgment, approval, review, or determination of either party hereto, such terms are not intended to be and shall never be construed as permitting such opinion, judgment, approval, review, or determination to be arbitrary, capricious, or unreasonable.

G. Reports of Accidents. Within 24 hours after Surveyor becomes aware of the occurrence of any accident or other event which results in, or might result in, injury to the person or property of any third person (other than an employee of the Surveyor), whether or not it results from or involves any action or failure to act by the Surveyor or any employee or agent of the Surveyor and which arises in any manner from the performance of this Contract, the Surveyor shall send a written report of such accident or other event to the County, setting forth a full and concise statement of the facts pertaining thereto. The Surveyor shall also immediately send the County a copy of any summons, subpoena, notice, or other documents served upon the Surveyor, its agents, employees, or representatives, or received by it or them, in connection with any matter before any court arising in any manner from the Surveyor's performance of work under this Contract.

H. Gender, Number and Headings. Words of any gender used in this Contract shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, unless the context otherwise requires. The headings and section numbers are for convenience only and shall not be considered in interpreting or construing this Contract.

I. Construction. Each party hereto acknowledges that it and its counsel have reviewed this Contract and that the normal rules of construction are not applicable and there will be no presumption that any ambiguities will be resolved against the drafting party in the interpretation of this Contract.

J. Independent Contractor Relationship. Both parties hereto, in the performance of this Contract, shall act in an individual capacity and not as agents, employees, partners, joint ventures or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purposes whatsoever.

K. No Waiver of Immunities. Nothing in this Contract shall be deemed to waive, modify or amend any legal defense available at law or in equity to County, its past or present officers, employees, or agents or employees, nor to create any legal rights or claim on behalf of any third party. County does not waive, modify, or alter to any extent whatsoever the availability of the defense of governmental immunity under the laws of the State of Texas and of the United States.

L. Texas Public Information Act. To the extent, if any, that any provision in this Contract is in conflict with Tex. Gov't Code 552.001 et seq., as amended (the "Public Information Act"), the same shall be of no force or effect. Furthermore, it is expressly understood and agreed that County, its officers and employees may request advice, decisions and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act to any items or data furnished to County as to whether or not the same are available to the public. It is further understood that County's officers and employees shall have the right to rely on the advice, decisions and opinions of the Attorney General, and that County, its officers and employees shall have no liability or obligation to any party hereto for the disclosure to the public, or to any person or persons, of any items or data furnished to County by a party hereto, in reliance of any advice, decision or opinion of the Attorney General of the State of Texas.

M. Governing Terms and Conditions. If there is an irreconcilable conflict between the terms and conditions set forth in this Contract or any Contract Amendment and the terms and conditions set forth in any Exhibit, Appendix, Work Authorization or Supplemental Work Authorization to this Contract, the terms and conditions set forth in this Contract or any Contract Amendment shall control over the terms and conditions set forth in any Exhibit, Appendix, Work Authorization or Supplemental Work Authorization to this Contract.

N. Meaning of Day. For purposes of this Contract, all references to a "day" or "days" shall mean a calendar day or calendar days.

O. Appropriation of Funds by County. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Contract. Surveyor understands and agrees that County's payment of amounts under this Contract is contingent on

the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Surveyor that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Surveyor.

ARTICLE 33
DISPUTE RESOLUTION

Except as otherwise specifically set forth herein, County and Surveyor shall work together in good faith to resolve any controversy, dispute or claim between them which arises out of or relates to this Contract, whether stated in tort, contract, statute, claim for benefits, bad faith, professional liability or otherwise ("Claim"). If the parties are unable to resolve the Claim within thirty (30) days following the date in which one party sent written notice of the Claim to the other party, and if a party wishes to pursue the Claim, such Claim shall be addressed through non-binding mediation. A single mediator engaged in the practice of law, who is knowledgeable about subject matter of this Contract, shall be selected by agreement of the parties and serve as the mediator. Any mediation under this Contract shall be conducted in Williamson County, Texas. The mediator's fees shall be borne equally between the parties. Such non-binding mediation is a condition precedent to seeking redress in a court of competent jurisdiction, but this provision shall not preclude either party from filing a lawsuit in a court of competent jurisdiction prior to completing a mediation if necessary to preserve the statute of limitations, in which case such lawsuit shall be stayed pending completion of the mediation process contemplated herein. This provision shall survive the termination of the Contract.

ARTICLE 34
EQUAL OPPORTUNITY IN EMPLOYMENT

During the performance of this Contract and to the extent the Project is a federally funded project, Surveyor, for itself, its assignees and successors in interest agrees as follows:

A. Compliance with Regulations. The Surveyor shall comply with the Regulations relative to nondiscrimination in Federally-assisted programs of the Department of Transportation (hereinafter, "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract.

B. Nondiscrimination. The Surveyor, with regard to the work performed by it during the Contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors/subconsultants, including procurements of materials and leases of equipment. The Surveyor shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

C. Solicitations for Subcontracts, Including Procurements of Materials and Equipment. In all solicitations either by competitive bidding or negotiation made by the Surveyor

for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor/subconsultant or supplier shall be notified by the Surveyor of the Surveyor's obligations under this Contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

D. Information and Reports. The Surveyor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the County (referred to in this Article as the "Recipient") or the Texas Department of Transportation to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the Surveyor shall so certify to the Recipient, or the Texas Department of Transportation as appropriate, and shall set forth what efforts it has made to obtain the information.

E. Sanctions for Noncompliance. In the event of the Surveyor's noncompliance with the nondiscrimination provisions of this contract, the Recipient shall impose such contract sanctions as it or the Texas Department of Transportation may determine to be appropriate, including, but not limited to:

1. withholding of payments to the Surveyor under the contract until the Surveyor complies, and/or;
2. cancellation, termination or suspension of the Contract, in whole or in part.

F. Incorporation of Provisions. The Surveyor shall include the provisions of Subsections (A) through (F) above in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The Surveyor shall take such action with respect to any subcontract or procurement as the Recipient or the Texas Department of Transportation may direct as a means of enforcing such provisions including sanctions for non-compliance: Provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor/subconsultant or supplier as a result of such direction, the Surveyor may request the Recipient to enter into such litigation to protect the interests of the Recipient, and, in addition, the Surveyor may request the United States to enter into such litigation to protect the interests of the United States.

SIGNATORY WARRANTY

The undersigned signatory for Surveyor hereby represents and warrants that the signatory is an officer of the organization for which he/she has executed this Contract and that he/she has full and complete authority to enter into this Contract on behalf of the firm. The above-stated representations and warranties are made for the purpose of inducing County to enter into this Contract.

IN WITNESS WHEREOF, County has caused this Contract to be signed in its name by its duly authorized County Judge, as has Surveyor, signing by and through its duly authorized representative(s), thereby binding the parties hereto, their successors, assigns and representatives

WORK AUTHORIZATION

(To Be Completed and Executed After Contract Execution)

WORK AUTHORIZATION NO. _____
PROJECT: _____

This Work Authorization is made pursuant to the terms and conditions of the Williamson County Contract for Surveying Services, being dated _____ ____, 20____and entered into by and between Williamson County, Texas, a political subdivision of the State of Texas, (the "County") and _____ (the "Surveyor").

Part1. The Surveyor will provide the following Surveying Services set forth in Attachment "B" of this Work Authorization.

Part 2. The maximum amount payable for services under this Work Authorization without modification is _____.

Part 3. Payment to the Surveyor for the services established under this Work Authorization shall be made in accordance with the Contract.

Part 4. This Work Authorization shall become effective on the date of final acceptance and full execution of the parties hereto and shall terminate on _____ ____, 20_____. The Surveying Services set forth in Attachment "B" of this Work Authorization shall be fully completed on or before said date unless extended by a Supplemental Work Authorization.

Part 5. This Work Authorization does not waive the parties' responsibilities and obligations provided under the Contract.

Part 6. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Work Authorization. Surveyor understands and agrees that County's payment of amounts under this Work Authorization is contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Surveyor that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Surveyor.

Part 7. This Work Authorization is hereby accepted and acknowledged below.

EXECUTED this ____ day of _____, 20___.

CPI Rate Adjustments: Rates shall remain firm for the initial first year of the Contract and such rates shall be deemed the "Initial Base Rates." Surveyor may request rate adjustments, in writing, at least thirty (30) days prior to each annual anniversary date of the Contract. Upon County's receipt of a rate adjustment request, County will prepare a Contract Amendment setting forth the CPI rate adjustments and will provide such Contract Amendment to Surveyor for its execution. Rate adjustments will take effect on the later of (1) one year after the Contract execution date or (2) the first (1st) day following the parties' complete execution of a Contract Amendment. Such rates shall remain in effect until the later of (1) the next annual anniversary date of the Contract; or (2) the date of the parties' complete execution of a new Contract Amendment that set forth adjustments to the prior rates. Any new rate adjustments will not become effective until a Contract Amendment is fully executed by the parties and no retroactive rate adjustments will be allowed.

Price adjustments will be made in accordance with changes in the U.S. Department of Labor Consumer Price Index (CPI-U) for All Urban Consumers, All Items, South Region (Base 1982-84 = 100).

The rate adjustment will be determined by multiplying the Initial Base Rates by a fraction, the numerator of which is the index number for most recently released index and the denominator of which is the index number for the first month of the Contract (the index number for the month in which the Contract was originally executed). If the products are greater than the Initial Base Rates, County will pay the greater amounts as the rates during the successive year until the next rate adjustment. Rates for each successive year will never be less than the Initial Base Rates.

EXHIBIT E

Williamson County
Vendor Reimbursement Policy

The purpose of this Williamson County Vendor Reimbursement Policy ("Policy") is to provide clear guidelines to vendors on Williamson County's expectations and requirements regarding allowable reimbursable expenditures and required backup. The Policy will also minimize conflicts related to invoice payments and define non-reimbursable items. This Policy is considered a guideline and is not a contract.

This Policy may be altered, deleted or amended, at any time and without prior notice to vendors, by action of the Williamson County Commissioners Court. Unenforceable provisions of this Policy, as imposed by applicable law, regulations, or judicial decisions, shall be deemed to be deleted. Any revisions to this Policy will be distributed to all current vendors doing business with the County.

1. Invoices and Affidavits

1.1 Invoices must adequately describe the goods or services provided to County and include all required backup (i.e., reimbursable expenses, mileage log, timesheets, receipts detailing expenses incurred etc.) that is in a form acceptable to the Williamson County Auditor. Invoices that do not adequately describe the goods or services provided to County or contain backup that is satisfactory to the Williamson County Auditor will be returned to vendor for revisions and the provision above relating to invoice errors resolved in favor of the County shall control as to the required actions of vendor and when such invoice must be paid by the County.

1.2 In the event an invoice includes charges based upon hourly billing rates for services or any other rates based upon the amount of time worked by an individual or individuals in performing services, whether the charges are being billed directly to the County or whether they are the basis of invoices from subcontractors for which the vendor seeks reimbursement from the County, the charges shall be accompanied by an affidavit signed by an officer or principal of the vendor certifying that the work was performed, it was authorized by the County and that all information contained in the invoice that is being submitted is true and correct.

1.3 Upon County's request, vendor must submit all bills paid affidavits wherein vendor must swear and affirm that vendor has paid each of its subcontractors, laborers, suppliers and material in full for all labor and materials provided to vendor for or in connection with services and work performed for County and, further, vendor must swear and affirm that vendor is not aware of any unpaid bills, claims, demands, or causes of action by any of its subcontractors, laborers, suppliers, or material for or in connection with the furnishing of labor or materials, or both, for services and work performed for County.

2. Travel Reimbursement

2.1 The County will only cover costs associated with travel for vendors outside a 45-mile radius from the Williamson County Courthouse, 710 Main Street, Georgetown,

Texas 78626.

2.2 The County will only cover costs associated with travel as documented work for County. If a vendor is also doing business for another client, the travel costs must be split in proportion to the amount of work actually performed for the County and the other client. The only allowable travel expense will be for the specific days worked for Williamson County.

2.3 No advance payments will be made to vendor for travel expenditures. The travel expenditure may only be reimbursed after the expenditure/trip has already occurred and vendor has provided the Williamson County Auditor with all necessary and required backup.

2.4 Vendors must submit all travel reimbursement requests on each employee in full. Specifically, a travel reimbursement request must include all related travel reimbursement expenses relating to a particular trip for which vendor seeks reimbursement. Partial travel reimbursement requests will not be accepted (i.e., vendor should not submit hotel and mileage one month then the next month submit rental car and airfare). If the travel reimbursement appears incomplete, the invoice will be sent back to the vendor to be submitted when all information is ready to submit in full.

2.5 Reimbursement for transportation costs will be at the most reasonable means of transportation (i.e.: airline costs will be reimbursed for coach rate, rental car costs will only be reimbursed if rental car travel was most reasonable means of travel as compared to travel by air).

2.6 The County will not be responsible for, nor will the County reimburse additional charges due to personal preference or personal convenience of individual traveling.

2.7 The County will not reimburse airfare costs if airfare costs were higher than costs of mileage reimbursement.

2.8 Additional expenses associated with travel that is extended to save costs (i.e., Saturday night stay) may be reimbursed if costs of airfare would be less than the cost of additional expenses (lodging, meals, car rental, mileage) if the trip had not been extended. Documentation satisfactory to the Williamson County Auditor will be required to justify expenditure.

2.9 County will only reimburse travel expense to necessary personnel of the vendor (i.e., no spouse, friends or family members).

2.10 Except as otherwise set forth herein, a vendor must provide a paid receipt for all expenses. If a receipt cannot be obtained, a written sworn statement of the expense from the vendor may be substituted for the receipt.

2.11 Sales tax for meals and hotel stays are the only sales taxes that will be reimbursed. Sales tax on goods purchased will not be reimbursed. A sales tax exemption form is available from the Williamson County Auditor's Office upon request.

2.12 The County will not pay for any late charges on reimbursable items. It is the responsibility of the vendor to pay the invoice first and seek reimbursement from the County.

3. Meals

3.1 Meal reimbursements are limited to a maximum of $59.00 per day on overnight travel. On day travel (travel that does not require an overnight stay), meal

reimbursements are limited to a maximum of $25.00 per day. The travel must be outside the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626 by a 45-mile radius.

3.2 Receipts are required on meal reimbursement amounts up to the maximum per day amount stated for overnight or day travel. If receipts are not presented, the vendor can request per diem (per diem limits refer to 3.2). However, a vendor cannot combine per diem and meal receipts. Only one method shall be allowed.

3.3 Meals are reimbursable only to vendors who do not have necessary personnel located within a 45-mile radius of the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626, who are capable of carrying the vendor's obligations to the County. Meals will not be reimbursed to vendors who are located within a 45-mile radius of the Williamson County Courthouse.

3.4 County will not reimburse for alcoholic beverages.

3.5 Tips are reimbursable but must be reasonable to limitation of meal allowance

3.6 No meals purchased for entertainment purposes will be allowed.

3.7 Meal reimbursement must be substantiated with a hotel receipt.

4. Lodging

4.1 Hotel accommodations require an itemized hotel folio as a receipt. The lodging receipt should include name of the motel/hotel, number of occupant(s), goods or services for each individual charge (room rental, food, tax, etc.) and the name of the occupant(s). Credit card receipts or any other form of receipt are not acceptable.

4.2 Vendors will be reimbursed for a single room rate charge plus any applicable tax. If a single room is not available, the vendor must provide documentation to prove that a single room was not available in order to justify the expense over and above the single room rate. A vendor may also be required to provide additional documentation if a particular room rate appears to be excessive.

4.3 Personal telephone charges, whether local or long distance, will not be reimbursed.

5. Airfare

5.1 The County will only reimburse up to a coach price fare for air travel.

5.2 The County will exclude any additional charges due to personal preference or personal convenience of the individual traveling (i.e., seat preference charges, airline upgrades, etc. will not be an allowable reimbursement)

5.3 Air travel expenses must be supported with receipt copy of an airline ticket or an itinerary with actual ticket price paid. If tickets are purchased through a website, vendor must submit a copy of the webpage showing the ticket price if no paper ticket was issued.

5.4 Cancellation and/or change flight fees may be reimbursed by the County but vendor must provide the Williamson County Auditor with documentation in writing from a County department head providing authorization for the change.

5.5 The County will not reimburse vendor for tickets purchased with frequent flyer miles.

6. Car Rental

6.1 Vendors that must travel may rent a car at their destination when it is less expensive than other transportation such as taxis, airport shuttles or public transportation such as buses or subways.

6.2 Cars rented must be economy or mid-size. Luxury vehicle rentals will not be reimbursed. Any rental costs over and above the cost of a mid-size rental will be adjusted.

6.3 Vendors will be reimbursed for rental cars if the rental car cost would have been less than the mileage reimbursement cost (based on the distance from vendor's point of origin to Williamson County, Texas) had the vendor driven vendor's car.

6.4 Vendors must return a car rental with appropriate fuel levels as required by rental agreement to avoid the car rental company from adding fuel charges.

6.5 Rental agreement and credit card receipt must be provided to County as back up for the request for reimbursement.

6.6 Insurance purchased when renting vehicle may also be reimbursed.

6.7 Car Rental optional extras such as GPS, roadside assistance, and administrative fees on Tolls will not be reimbursed.

7. Personal Car Usage

7.1 Personal vehicle usage will be reimbursed in an amount equal to the standard mileage rate allowed by the IRS.

7.2 Per code of Federal Regulations, Title 26, Subtitle A, Chapter 1, Subchapter B, Part IX, Section 274(d), all expense reimbursement requests must include the following:

7.2.1.1 Date

7.2.1.2 Destination

7.2.1.3 Purpose

7.2.1.4 Name of traveler(s)

7.2.1.5 Correspondence that verifies business purpose of the expense

7.3 The mileage for a personal vehicle must document the date, location of travel to/from, number of miles traveled and purpose of trip.

7.4 Mileage will be reimbursed on the basis of the most commonly used route.

7.5 Reimbursement for mileage shall not exceed the cost of a round trip coach airfare.

7.6 Reimbursement for mileage shall be prohibited between place of residence and usual place of work.

7.7 Mileage should be calculated from employee's regular place of work or their residence, whichever is the shorter distance when traveling to a meeting or traveling to Williamson County, Texas for vendors who are located outside of the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626 by at least a 45-mile radius.

7.8 When more than one person travels in same vehicle, only one person may claim mileage reimbursement.

7.9 Tolls, if reasonable, are reimbursable. Receipts are required for reimbursement. If a receipt is not obtainable, then written documentation of expense must be submitted for reimbursement (administrative fees on Tolls will not be reimbursed).

7.10 Parking fees, if reasonable are reimbursable for meetings and hotel stays. For vendors who contract with a third party for visitor parking at vendor's place of business, Williamson County will not reimburse a vendor based on a percentage of its contracted visitor parking fees. Rather, Williamson County will reimburse Vendor for visitor parking on an individual basis for each time a visitor uses Vendor's visitor parking. Receipts are required for reimbursement. If a receipt is not

obtainable, then written documentation of expense must be submitted for reimbursement.

7.11 Operating and maintenance expenses as well as other personal expenses, such as parking tickets, traffic violations, and car repairs and collision damage are not reimbursable.

8. Other Expenses

8.1 Taxi fare, bus tickets, conference registrations, parking, etc. must have a proper original receipt.

9. Repayment of Non-reimbursable Expense.

Vendors must, upon demand, immediately repay County for all inappropriately reimbursed expenses whenever an audit or subsequent review of any expense reimbursement documentation finds that such expense was reimbursed contrary to these guidelines and this Policy. Williamson County reserves the right to retain any amounts that are due or that become due to a vendor in order to collect any inappropriately reimbursed expenses that a vendor was paid.

10. Non-Reimbursable Expenses

In addition to the non-reimbursable items set forth above in this Policy, the following is a non-exhaustive list of expenses that will not be reimbursed by Williamson County:

10.1 Alcoholic beverages/tobacco products
10.2 Personal phone calls
10.3 Laundry service
10.4 Valet service (excludes hotel valet)
10.5 Movie rentals
10.6 Damage to personal items

WILLIAMSON COUNTY
CONTRACT FOR SURVEYING SERVICES

FIRM: **SURVTEX, LLC** **("Surveyor")**
ADDRESS: **600 W. Whitestone Blvd. Cedar Park, TX 78613**
PROJECT: **24RFSQ13 Land Surveying Services ("Project")**

THIS CONTRACT FOR SURVEYING SERVICES ("Contract") is made and entered into, effective as the date of the last party's execution hereinbelow, by and between Williamson County, Texas, a political subdivision of the State of Texas, whose offices are located at 710 Main Street, Suite 101, Georgetown, Texas, 78626 (hereinafter referred to as "County"), and Surveyor, and such Contract is for the purpose of contracting for professional surveying services.

RECITALS:

WHEREAS, V.T.C.A., Government Code §2254.002(2)(A)(iv) under Subchapter A entitled "Professional Services Procurement Act" provides for the procurement by counties of services of professional surveyors; and

WHEREAS, County and Surveyor desire to contract for such professional surveying services; and

WHEREAS, County and Surveyor wish to document their agreement concerning the requirements and respective obligations of the parties;

NOW, THEREFORE, WITNESSETH:

That for and in consideration of the mutual promises contained herein and other good and valuable considerations, and the covenants and agreements hereinafter contained to be kept and performed by the respective parties hereto, it is agreed as follows:

ARTICLE 1
CONTRACT DOCUMENTS AND APPLICABLE PROJECT DOCUMENTS

A. Contract Documents. The Contract Documents consist of this Contract, any exhibits attached hereto (which exhibits are hereby incorporated into and made a part of this Contract), any fully executed Work Authorizations; any fully executed Supplemental Work Authorizations and all fully executed Contract Amendments (as defined herein in Article 14) which are subsequently issued. These form the entire contract, and all are as fully a part of this Contract as if attached to this Contract or repeated herein.

B. Project Documents. In addition to any other pertinent and necessary Project documents, the following documents shall be used in the development of the Project:

A. TxDOT 2011 Texas Manual of Uniform Traffic Control Devices for Streets and Highways, including latest revisions
B. Texas Department of Transportation's Standard Specifications for Construction of Highways, Streets, and Bridges, 2014 or 2024, as applicable and as amended
C. National Environmental Policy Act (NEPA)
D. 2012 Edition of the Texas Accessibility Standards (TAS) regarding the Elimination of Architectural Barriers Program, including latest revisions (see 16 Tex. Admin. Code § 68.100; see also Tex. Gov't Code, Ch. 469), including latest revisions
E. Americans with Disabilities Act (ADA) Regulations
F. U.S. Army Corps Regulations
G. International Building Code, current edition as updated
H. Williamson County Design Criteria & Project Development Manual, latest edition
I. Williamson County Multi-Corridor Transportation Plan Project Level Environmental Review and Compliance Protocol, latest edition
J. Williamson County Protocol for Sustainable Roadsides, latest edition

ARTICLE 2
NON-COLLUSION; DEBARMENT; AND FINANCIAL INTEREST PROHIBITED

A. Non-collusion. Surveyor warrants that he/she/it has not employed or retained any company or persons, other than a bona fide employee working solely for Surveyor, to solicit or secure this Contract, and that he/she/it has not paid or agreed to pay any company or surveyor any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon or resulting from the award or making of this Contract. For breach or violation of this warranty, County reserves and shall have the right to annul this Contract without liability or, in its discretion and at its sole election, to deduct from the contract price or compensation, or to otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

B. Debarment Certification. Surveyor must sign the Debarment Certification enclosed herewith as **Exhibit A**.

C. Financial Interest Prohibited. Surveyor covenants and represents that Surveyor, his/her/its officers, employees, agents, consultants and subcontractors will have no financial interest, direct or indirect, in the purchase or sale of any product, materials or equipment that will be recommended or required for the construction of the Project.

ARTICLE 3
SURVEYING SERVICES

Surveyor shall perform Surveying Services as identified in **Exhibit B** entitled "Surveying Services."

County will prepare and issue Work Authorizations, in substantially the same form identified and attached hereto as **Exhibit C** and entitled "Work Authorization No. ____", to authorize the Surveyor to perform one or more tasks of the Surveying Services. Each Work Authorization will include a description of the work to be performed, a description of the tasks and milestones, a work schedule for the tasks, definite review times by County and Surveyor of all Surveying Services and a fee amount agreed upon by the County and Surveyor. The amount payable for a Work Authorization shall be supported by the estimated cost of each work task as described in the Work Authorization. The Work Authorization will not waive the Surveyor's responsibilities and obligations established in this Contract. The executed Work Authorizations shall become part of this Contract.

All work must be completed on or before the date specified in the Work Authorization. The Surveyor shall promptly notify the County of any event which will affect completion of the Work Authorization, although such notification shall not relieve the Surveyor from costs or liabilities resulting from delays in completion of the Work Authorization. Should the review times or Surveying Services take longer than shown on the Work Authorization, through no fault of Surveyor, Surveyor may submit a timely written request for additional time, which shall be subject to the approval of the County. Any changes in a Work Authorization shall be enacted by a written Supplemental Work Authorization before additional costs may be incurred. Any Supplemental Work Authorization must be executed by both parties within the period specified in the Work Authorization.

ARTICLE 4
CONTRACT TERM

A. Term. The Surveyor is expected to complete the Surveying Services described herein in accordance with the above-described Work Authorizations or any Supplemental Work Authorization related thereto. If Surveyor does not perform the Surveying Services in accordance with each applicable Work Authorization or any Supplemental Work Authorization related thereto, then County shall have the right to terminate this Contract as set forth below in Article 20. So long as the County elects not to terminate this Contract, it shall continue from day to day until such time as the Surveying Services are completed in accordance with each applicable Work Authorization or any Supplemental Work Authorization related thereto. Any Surveying Services performed or costs incurred after the date of termination shall not be eligible for reimbursement. Surveyor shall notify County in writing as soon as possible if he/she/it determines, or reasonably anticipates, that the Surveying Services will not be completed on or before the date specified in the Work Authorization or any Supplemental Work Authorization and in full accordance with the terms of the applicable Work Authorization or any Supplemental Work Authorization .

B. Work Authorizations. Surveyor acknowledges that each Work Authorization is of critical importance, and agrees to undertake all reasonably necessary efforts to expedite the performance of Surveying Services required herein so that construction of the Project will be commenced and completed as scheduled. In this regard, and subject to adjustments in a particular Work Authorization, as provided in Article 3 herein, Surveyor shall proceed with sufficient qualified personnel and consultants necessary to fully and timely accomplish all Surveying Services required under this Contract in a professional manner.

C. Commencement of Surveying Services. After execution of this Contract, Surveyor shall not proceed with Surveying Services until Surveyor has been thoroughly briefed on the scope of the Project and has received an executed Work Authorization, which serves as the County's written notice to proceed, as provided in Article 8.

ARTICLE 5
COMPENSATION AND EXPENSES

County shall pay and Surveyor agrees to accept up to the amount shown below as full compensation for the Surveying Services performed and to be performed under this Contract. The basis of compensation for the services of principals and employees engaged in the performance of the Surveying Services shall be based on the Rate Schedule set forth in the attached **Exhibit D**.

The maximum amount payable under this Contract, without modification, is **Five Hundred Thousand and No/100 Dollars ($500,000.00)** (the "Compensation Cap"), provided that any amounts paid or payable shall be solely pursuant to a validly issued Work Authorization or any Supplemental Work Authorization related thereto. In no event may the aggregate amount of compensation authorized under Work Authorizations and Supplemental Work Authorizations exceed the Compensation Cap. The Compensation Cap shall be revised equitably only by written Contract Amendments executed by both parties in the event of a change the overall scope of the Surveying Services set forth in **Exhibit B**, as authorized by County.

The Compensation Cap is based upon all labor and non-labor costs estimated to be required in the performance of the Surveying Services provided for under this Contract. Should the actual costs of all labor and non-labor costs rendered under this Contract be less than the above stated Compensation Cap, then Surveyor shall receive compensation for only actual fees and costs of the Surveying Services actually rendered and incurred, which may be less than the above stated Compensation Cap.

The Compensation Cap herein referenced may be adjusted for Additional Surveying Services requested and performed only if mutually approved by a written Contract Amendment signed by both parties.

Surveyor shall prepare and submit to County monthly progress reports in sufficient detail to support the progress of the Surveying Services and to support invoices requesting monthly payment. The format for such monthly progress reports and invoices must be in a format acceptable to County. Satisfactory progress of Surveying Services shall be an absolute condition of payment.

Surveyor shall be reimbursed for actual non-labor and subcontract expenses incurred in the performance of the services under this Contract in accordance with the Williamson County Vendor Reimbursement Policy set forth under **Exhibit E**. Invoices requesting reimbursement for costs and expenditures related to the Project (reimbursables) must be accompanied by copies of the provider's invoice and comply with the Williamson County Vendor Reimbursement Policy. The copies of the provider's invoice must evidence the actual costs billed to Surveyor without mark-up.

ARTICLE 6
METHOD OF PAYMENT

Payments to Surveyor shall be made while Surveying Services are in progress. Surveyor shall prepare and submit to the Williamson County Department of Infrastructure, to the attention of the County's Road & Bridge Director, as identified herein-below, not more frequently than once per month, a progress report as referenced in Article 5 above. Such progress report shall state the percentage of completion of Surveying Services accomplished for an applicable Work Authorization or any Supplemental Work Authorization related thereto during that billing period and to date. This submittal shall also include a progress assessment report in a form acceptable to the County Auditor.

Simultaneous with submission of each progress report, Surveyor shall provide the following documentation through the County's Road & Bridge Director in a form acceptable to the County Auditor ("Invoice Package"):

(1) One (1) original certified invoice to the County ; and
(2) One (1) original complete packet of supporting documentation and time sheets detailing hours worked by staff persons with a description of the work performed by such persons, their work category, and approved billing rates as set forth in Exhibit B – Rate Schedule as part of this Contract

For Additional Surveying Services performed pursuant to this Contract, a separate invoice or itemization of the Additional Surveying Services must be presented with the same aforementioned requirements.

Payments shall be made by County based upon Surveying Services actually provided and performed. **Upon timely receipt of a complete Invoice Package and approval thereof**, County shall make a good faith effort to pay the amount which is due and payable within thirty (30) days of the County Auditor's receipt. **Failure to submit a Complete Invoice Package may delay payments.** County reserves the right to reasonably withhold payment pending verification of satisfactory Surveying Services performed. Surveyor has the responsibility to submit proof to County, adequate and sufficient in its determination, that tasks of an applicable Work Authorization or any Supplemental Work Authorization related thereto were completed.

The certified invoices shall show the total amount earned to the date of submission and shall show the amount due and payable as of the date of the current invoice. Final payment does

not relieve Surveyor of the responsibility of correcting any errors and/or omissions resulting from his/her/its negligence.

Upon submittal of the initial invoice, Surveyor shall provide the County Auditor with an Internal Revenue Form W-9, Request for Taxpayer Identification Number and Certification that is complete in compliance with the Internal Revenue Code, its rules and regulations.

ARTICLE 7
PROMPT PAYMENT POLICY

In accordance with Chapter 2251, V.T.C.A., Texas Government Code, payment to Surveyor will be made within thirty (30) days of the day on which the performance of services was complete, or within thirty (30) days of the day on which the County Auditor receives a correct invoice for services, whichever is later.

Surveyor may charge a late fee (fee shall not be greater than that which is permitted by Texas law) for payments not made in accordance with this prompt payment policy; however, the Surveyor's ability to charge a late fee shall not apply in the event:

A. There is a bona fide dispute between County and Surveyor concerning the supplies, materials, or equipment delivered or the services performed that causes the payment to be late; or

B. The terms of a federal contract, grant, regulation, or statute prevent County from making a timely payment with federal funds; or

C. There is a bona fide dispute between Surveyor and a subcontractor/subconsultant or between a subcontractor/subconsultant and its supplier concerning supplies, materials, or equipment delivered or the Surveying Services performed which causes the payment to be late;

D. Surveyor's failure to submit a Complete Invoice Package in accordance with the requirements of this Contract; or

E. The Complete Invoice Package is not submitted to the Road & Bridge Director in strict accordance with any necessary instructions or requests provided by the County's Road & Bridge Director.

The County Auditor shall document to Surveyor the issues related to disputed invoices within ten (10) calendar days of receipt of such invoice. Any non-disputed invoices shall be considered correct and payable per the terms of Chapter 2251, V.T.C.A., Texas Government Code.

ARTICLE 8
COMMENCEMENT OF SURVEYING SERVICES

The Surveyor shall not proceed with any task of the Surveying Services until Surveyor has been thoroughly briefed on the scope of the Project and received an executed Work Authorization, which serves as the County's written notice to proceed with the applicable Surveying Services. The County shall not be responsible for work performed or costs incurred by Surveyor related to any task for which a Work Authorization or a Supplemental Work

Authorization related thereto has not been issued and signed by both parties. Surveyor shall not be required to perform any work for which a Work Authorization or a Supplemental Work Authorization related thereto has not been issued and signed by both parties.

ARTICLE 9
PROJECT TEAM

County's Designated Representative for purposes of this Contract is as follows:

Williamson County Dept. of Infrastructure
Attn: Director of Road & Bridge
3151 SE Inner Loop, Suite B
Georgetown, Texas 78626

County shall have the right, from time to time, to change the County's Designated Representative by giving Surveyor written notice thereof. With respect to any action, decision or determination which is to be taken or made by County under this Contract, the County's Designated Representative may take such action or make such decision or determination or shall notify Surveyor in writing of an individual responsible for and capable of taking such action, decision or determination and shall forward any communications and documentation to such individual for response or action. Actions, decisions or determinations by the County's Designated Representative on behalf of County shall be done in his or her reasonable business judgment unless express standards or parameters therefor are included in this Contract, in which case, actions taken by the County's Designated Representative shall be in accordance with such express standards or parameters. Any consent, approval, decision or determination hereunder by the County's Designated Representative shall be binding on County; *provided, however,* the County's Designated Representative shall not have any right to modify, amend or terminate this Contract, an Executed Work Authorization, an executed Supplemental Work Authorization or executed Contract Amendment. County's Designated Representative shall not have any authority to execute a Contract Amendment, Work Authorization or any Supplemental Work Authorization unless otherwise granted such authority by the Williamson County Commissioners Court.

Surveyor's Designated Representative for purposes of this Contract is as follows:

_Michaela McCown, President
600 W. Whitestone Blvd
Cedar Park, TX 78613
micki.mccown@survtex.com, 512-249-8875

Surveyor shall have the right, from time to time, to change the Surveyor's Designated Representative by giving County written notice thereof. With respect to any action, decision or determination which is to be taken or made by Surveyor under this Contract, the Surveyor's Designated Representative may take such action or make such decision or determination or shall notify County in writing of an individual responsible for and capable of taking such action, decision or determination and shall forward any communications and documentation to such

individual for response or action. Actions, decisions or determinations by the Surveyor's Designated Representative on behalf of Surveyor shall be done in his or her reasonable business judgment unless express standards or parameters therefor are included in this Contract, in which case, actions taken by the Surveyor's Designated Representative shall be in accordance with such express standards or parameters. Any consent, approval, decision or determination hereunder by the Surveyor's Designated Representative shall be binding on Surveyor. Surveyor's Designated Representative shall have the right to modify, amend and execute Work Authorizations, Supplemental Work Authorizations and Contract Amendments on behalf of Surveyor.

ARTICLE 10
PROGRESS EVALUATION

Surveyor shall, from time to time during the progress of the Surveying Services, confer with County at County's election. Surveyor shall prepare and present such information as may be pertinent and necessary, or as may be reasonably requested by County, in order for County to evaluate features of the Surveying Services. At the request of County or Surveyor, conferences shall be provided at Surveyor's office, the offices of County, or at other locations designated by County. When requested by County, such conferences shall also include evaluation of the Surveying Services. County may, from time to time, require Surveyor to appear and provide information to the Williamson County Commissioners Court.

Should County determine that the progress in Surveying Services does not satisfy an applicable Work Authorization or any Supplemental Work Authorization related thereto, then County shall review same with Surveyor to determine corrective action required.

Surveyor shall promptly advise County in writing of events which have or may have a significant impact upon the progress of the Surveying Services, including but not limited to the following:

A. Problems, delays, adverse conditions which may materially affect the ability to meet the objectives of an applicable Work Authorization or any Supplemental Work Authorization related thereto, or preclude the attainment of Project Surveying Services units by established time periods; and such disclosure shall be accompanied by statement of actions taken or contemplated, and County assistance needed to resolve the situation, if any; and

B. Favorable developments or events which enable meeting goals sooner than anticipated in relation to an applicable Work Authorization's or any Supplemental Work Authorization related thereto.

ARTICLE 11
SUSPENSION

Should County desire to suspend the Surveying Services, but not to terminate this Contract, then such suspension may be effected by County giving Surveyor thirty (30) calendar days' verbal notification followed by written confirmation to that effect. Such thirty-day notice may be waived in writing by agreement and signature of both parties. The Surveying Services may be reinstated and resumed in full force and effect within sixty (60) days of receipt of written notice from County to resume the Surveying Services. Such sixty-day (60) notice may be waived in writing by agreement and signature of both parties. If this Contract is suspended for more than thirty (30) days, Surveyor shall have the option of terminating this Contract and, in the event, Surveyor shall be compensated for all Surveying Services performed and reimbursable expenses incurred, provided such Surveying Services and reimbursable expenses have been previously authorized and approved by County, to the effective date of suspension.

If County suspends the Surveying Services, the contract period as determined in Article 4, and the Work Authorization or any Supplemental Work Authorization related thereto, shall be extended for a time period equal to the suspension period.

County assumes no liability for Surveying Services performed or costs incurred prior to the date authorized by County for Surveyor to begin Surveying Services, and/or during periods when Surveying Services is suspended, and/or subsequent to the completion date.

ARTICLE 12
ADDITIONAL SURVEYING SERVICES

If Surveyor forms a reasonable opinion that any work he/she/it has been directed to perform is beyond the overall scope of this Contract, as set forth in **Exhibit B,** and as such constitutes extra work ("Additional Surveying Services"), he/she/it shall promptly notify County in writing through the County's Designated Representative. In the event County finds that such work does constitute Additional Surveying Services, County shall so advise Surveyor and a written Contract Amendment will be executed between the parties as provided in Article 14. Any increase to the Compensation Cap due to Additional Surveying Services must be set forth in such Contract Amendment. Surveyor shall not perform any proposed Additional Surveying Services nor incur any additional costs prior to the execution, by both parties, of a written Contract Amendment. Following the execution of a Contract Amendment that provides for Additional Surveying Services, a written Work Authorization, which sets forth the Additional Surveying Services to be performed, must be executed by the parties. County shall not be responsible for actions by Surveyor nor for any costs incurred by Surveyor relating to Additional Surveying Services not directly associated with the performance of the Surveying Services authorized in this Contract, by a fully executed Work Authorization or a fully executed Contract Amendment thereto.

ARTICLE 13
CHANGES IN COMPLETED SURVEYING SERVICES

If County deems it necessary to request changes to previously satisfactorily completed Surveying Services or parts thereof which involve changes to the original Surveying Services or character of Surveying Services under this Contract, then Surveyor shall make such revisions as requested and as directed by County. Such revisions shall be considered as Additional Surveying Services and paid for as specified under Article 12.

Surveyor shall make revisions to Surveying Services authorized hereunder as are necessary to correct errors appearing therein, when required to do so by County. No additional compensation shall be due for such Surveying Services.

ARTICLE 14
CONTRACT AMENDMENTS

The terms set out in this Contract may be modified by a written fully executed Contract Amendment. Changes and modifications to a fully executed Work Authorization shall be made in the form of a Supplemental Work Authorization. To the extent that such changes or modifications to a Work Authorization do not also require modifications to the terms of this Contract (i.e. changes to the overall scope of Surveying Services set forth in **Exhibit B**, modification of the Compensation Cap, etc.) a Contract Amendment will not be required.

ARTICLE 15
USE OF DOCUMENTS

All documents, including but not limited to data or programs stored electronically, (hereinafter referred to as "Surveying Work Products") prepared by Surveyor and its subcontractors/subconsultants are related exclusively to the services described in this Contract and are intended to be used with respect to this Project. However, it is expressly understood and agreed by and between the parties hereto that all of Surveying Work Products under this Contract Surveying Work Products shall be the property of County to be thereafter used in any lawful manner as County elects. Any such subsequent use made of documents by County, without written verification or adaptation by Surveyor for the specific purpose intended, shall be at County's sole risk and without liability to Surveyor.

By execution of this Contract and in confirmation of the fee for services to be paid under this Contract, Surveyor hereby conveys, transfers and assigns to County all rights under the Federal Copyright Act of 1976 (or any successor copyright statute), as amended, all common law copyrights and all other intellectual property rights acknowledged by law in the Surveying Work Products developed under this Contract. Copies may be retained by Surveyor. Surveyor shall be liable to County for any loss or damage to any such documents while they are in the possession of or while being worked upon by Surveyor or anyone connected with Surveyor, including agents, employees, Surveyors or subcontractors/subconsultants. All documents so lost or damaged shall be replaced or restored by Surveyor without cost to County.

Upon execution of this Contract, Surveyor grants to County permission to reproduce Surveyor's work and documents for purposes of constructing, using and maintaining the Project, provided that County shall comply with its obligations, including prompt payment of all sums when due, under this Contract. Surveyor shall obtain similar permission from Surveyor's subcontractors/subconsultants consistent with this Contract. If and upon the date Surveyor is adjudged in default of this Contract, County is permitted to authorize other similarly credentialed surveying professionals to reproduce and, where permitted by law, to make changes, corrections or additions to the work and documents for the purposes of completing, using and maintaining the Project.

County shall not assign, delegate, sublicense, pledge or otherwise transfer any permission granted herein to another party without the prior written consent of Surveyor. However, County shall be permitted to authorize the contractor, subcontractors and material or equipment suppliers to reproduce applicable portions of the Surveying Work Products appropriate to and for use in the execution of the Work. Submission or distribution of Surveying Work Products to meet official regulatory requirements or for similar purposes in connection with the Project is permitted. Any unauthorized use of the Surveying Work Products shall be at County's sole risk and without liability to Surveyor and its Surveyors.

The parties shall mutually agree to an electronic format for Surveying Work Products or other data, including any special limitations not otherwise provided in this Contract, prior to any such Surveying Work Products or data being submitted electronically by either party to the other party. Upon such agreement between the parties, Surveying Work Products or other data provided in the agreed upon electronic format may be relied upon by the receiving party. In the event the parties cannot agree on an acceptable electronic format, only printed copies of documents conveyed by a party shall be relied upon by the receiving party.

Surveyor shall have no liability for changes made to the Surveying Work Products by other surveyors subsequent to the completion of the Project. Any such change shall be sealed by the surveyor making that change and shall be appropriately marked to reflect what was changed or modified.

ARTICLE 16
PERSONNEL, EQUIPMENT AND MATERIAL

Surveyor shall furnish and maintain, at its own expense, quarters for the performance of all Surveying Services, and adequate and sufficient personnel and equipment to perform the Surveying Services as required. All employees of Surveyor shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of Surveyor who, in the reasonable opinion of County, is incompetent or whose conduct becomes detrimental to the Surveying Services shall immediately be removed from association with the Project when so instructed by County. Surveyor certifies that it presently has adequate qualified personnel in its employment for performance of the Surveying Services required under this Contract, or will obtain such personnel from sources other than County. Surveyor may not change the Project

Manager without prior written consent of County.

ARTICLE 17
SUBCONTRACTING

Surveyor shall not assign, subcontract or transfer any portion of the Surveying Services under this Contract without prior written approval from County. All subcontracts shall include the provisions required in this Contract. No subcontract shall relieve Surveyor of any responsibilities under this Contract.

ARTICLE 18
REVIEW OF SURVEYING SERVICES

Surveyor's Surveying Services will be reviewed by County under its applicable technical requirements and procedures.

A. Completion. All surveying documents shall be submitted by Surveyor on or before the dates specified in the applicable Work Authorization or Supplemental Work Authorization related thereto. Upon receipt of same, the submission shall be checked for completion. "Completion" or "Complete" shall be defined as all of the required items, as set out in the applicable Work Authorization, have been included in compliance with the requirements of this Contract. The completeness of any Surveying Services submitted to County shall be determined by County within thirty (30) days of such submittal and County shall notify Surveyor in writing within such thirty (30) day period if such Surveying Services have been found to be incomplete. If the submission is Complete, County shall notify Surveyor and County's technical review process will begin.

If the submission is not Complete, County shall notify Surveyor, who shall perform such professional services as are required to complete the Surveying Services and resubmit it to County. This process shall be repeated until a submission is Complete.

B. Acceptance. County shall review the completed Surveying Services for compliance with this Contract. If necessary, the completed Surveying Services shall be returned to Surveyor, who shall perform any required Surveying Services and resubmit it to County. This process shall be repeated until the Surveying Services are Accepted. "Acceptance" or "Accepted" shall mean that in the County's reasonable opinion, substantial compliance with the requirements of this Contract has been achieved.

C. Final Approval. After Acceptance, Surveyor shall perform any required modifications, changes, alterations, corrections, redesigns, and additional work necessary to receive Final Approval by the County. "Final Approval" in this sense shall mean formal recognition that the Surveying Services have been fully carried out.

D. Errors and Omissions. After Final Approval, Surveyor shall, without additional compensation, perform any work required as a result of Surveyor's development of the work which is found to be in error or omission due to Surveyor's negligence. However, any work required or

occasioned for the convenience of County after Final Approval shall be paid for as Additional Surveying Services.

E. Disputes Over Classifications. In the event of any dispute over the classification of Surveyor's Surveying Services as Complete, Accepted, or having attained Final Approved under this Contract, the decision of the County shall be final and binding on Surveyor, subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

F. County's Reliance on Surveyor. SURVEYOR'S DUTIES AS SET FORTH HEREIN SHALL AT NO TIME BE IN ANY WAY DIMINISHED BY REASON OF ANY REVIEW, EVALUATION OR APPROVAL BY THE COUNTY OR ITS AUTHORIZED REPRESENTATIVE NOR SHALL THE SURVEYOR BE RELEASED FROM ANY LIABILITY BY REASON OF SUCH REVIEW, EVALUATION OR APPROVAL BY THE COUNTY, IT BEING UNDERSTOOD THAT THE COUNTY AT ALL TIMES IS ULTIMATELY RELYING UPON THE SURVEYOR'S SKILL, ABILITY AND KNOWLEDGE IN PERFORMING THE SURVEYING SERVICES REQUIRED HEREUNDER.

ARTICLE 19
VIOLATION OF CONTRACT TERMS/BREACH OF CONTRACT

Violation of contract terms or breach of contract by Surveyor shall be grounds for termination of this Contract, and any increased costs arising from Surveyor's default, breach of contract, or violation of contract terms shall be paid by Surveyor.

ARTICLE 20
TERMINATION

This Contract may be terminated as set forth below.

- **A.** By mutual agreement and consent, in writing, of both parties.
- **B.** By County, by notice in writing to Surveyor, as a consequence of failure by Surveyor to perform the Surveying Services set forth herein in a satisfactory manner.
- **C.** By either party, upon the failure of the other party to fulfill its obligations as set forth herein.
- **D.** By County, for reasons of its own and not subject to the mutual consent of Surveyor, upon not less than thirty (30) days' written notice to Surveyor.
- **E.** By satisfactory completion of all Surveying Services and obligations described herein.

Should County terminate this Contract as herein provided, no fees other than fees due and payable at the time of termination plus reimbursable expenses incurred shall thereafter be paid to Surveyor. In determining the value of the Surveying Services performed by Surveyor prior to termination, County shall be the sole judge. Compensation for Surveying Services at termination will be based on a percentage of the Surveying Services completed at that time. Should County terminate this Contract under Subsection (D) immediately above, then the amount charged during

the thirty-day notice period shall not exceed the amount charged during the preceding thirty (30) days.

If Surveyor defaults in the performance of this Contract or if County terminates this Contract for fault on the part of Surveyor, then County shall give consideration to the actual costs incurred by Surveyor in performing the Surveying Services to the date of default, the amount of Surveying Services required which was satisfactorily completed to date of default, the value of the Surveying Services which are usable to County, the cost to County of employing another firm to complete the Surveying Services required and the time required to do so, and other factors which affect the value to County of the Surveying Services performed at the time of default.

The termination of this Contract and payment of an amount in settlement as prescribed above shall extinguish all rights, duties, and obligations of County under this Contract. If the termination of this Contract is due to the failure of Surveyor to fulfill his/her/its contractual obligations, then County may take over the Project and prosecute the Surveying Services to completion. In such case, Surveyor shall be liable to County for any additional and reasonable costs incurred by County.

Surveyor shall be responsible for the settlement of all contractual and administrative issues arising out of any procurements made by Surveyor in support of the Surveying Services under this Contract.

ARTICLE 21
COMPLIANCE WITH LAWS

A. Compliance. Surveyor shall comply with all applicable federal, state and local laws, statutes, codes, ordinances, rules and regulations, and the orders and decrees of any court, or administrative bodies or tribunals in any manner affecting the performance of this Contract, including without limitation, minimum/maximum salary and wage statutes and regulations, and licensing laws and regulations. Surveyor shall furnish County with satisfactory proof of his/her/its compliance.

Surveyor shall further obtain all permits and licenses required in the performance of the Surveying Services contracted for herein.

B. Taxes. Surveyor will pay all taxes, if any, required by law arising by virtue of the Surveying Services performed hereunder. County is qualified for exemption pursuant to the provisions of Section 151.309 of the Texas Limited Sales, Excise, and Use Tax Act.

County agrees to pay the amount of any sales, value added, use, excise or similar taxes applicable to the performance of the Services, if any, or County shall provide Surveyor with a certificate acceptable to the taxing authorities exempting County from payment of such taxes.

ARTICLE 22
INDEMNIFICATION

SURVEYOR AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM AND AGAINST ANY AND ALL LIABILITIES, LOSSES, PENALTIES, JUDGMENTS, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, REASONABLE ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM A NEGLIGENT ACT, ERROR OR OMISSION, NEGLIGENCE, OR INTENTIONAL TORT COMMITTED BY SURVEYOR, SURVEYOR'S EMPLOYEES, AGENTS, OR ANY OTHER PERSON OR ENTITY UNDER CONTRACT WITH SURVEYOR INCLUDING, WITHOUT LIMITATION, SURVEYOR'S SUBCONSULTANTS, OR ANY OTHER ENTITY OVER WHICH SURVEYOR EXERCISES CONTROL.

SURVEYOR FURTHER AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM ANY AND ALL LIABILITIES, LOSSES, PENALTIES, JUDGMENTS, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM SURVEYOR'S FAILURE TO PAY SURVEYOR'S EMPLOYEES, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, IN CONNECTION WITH ANY OF THE WORK PERFORMED OR TO BE PERFORMED UNDER THIS CONTRACT BY SURVEYOR.

SURVEYOR FURTHER AGREES TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM ANY AND ALL LIABILITIES, LOSSES, PENALTIES, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM THE INFRINGEMENT OF ANY INTELLECTUAL PROPERTY ARISING OUT OF THE USE OF ANY PLANS, DESIGN, DRAWINGS, OR SPECIFICATIONS FURNISHED BY SURVEYOR IN THE PERFORMANCE OF THIS CONTRACT.

THE LIMITS OF INSURANCE REQUIRED IN THIS CONTRACT AND/OR THE CONTRACT DOCUMENTS SHALL NOT LIMIT SURVEYOR'S OBLIGATIONS UNDER THIS SECTION. THE TERMS AND CONDITIONS CONTAINED IN THIS SECTION SHALL SURVIVE THE TERMINATION OF THE CONTRACT AND/OR CONTRACT DOCUMENTS OR THE SUSPENSION OF THE WORK HEREUNDER. TO THE EXTENT THAT ANY LIABILITIES, PENALTIES, DEMANDS, CLAIMS, LAWSUITS, LOSSES, DAMAGES, COSTS AND EXPENSES ARE CAUSED IN PART BY THE ACTS OF THE COUNTY OR THIRD PARTIES FOR WHOM SURVEYOR IS NOT LEGALLY LIABLE, SURVEYOR'S OBLIGATIONS SHALL BE IN PROPORTION TO SURVEYOR'S FAULT. THE OBLIGATIONS HEREIN SHALL ALSO EXTEND TO ANY ACTIONS BY THE COUNTY TO ENFORCE THIS INDEMNITY OBLIGATION.

IN THE EVENT THAT CONTRACTORS INITIATE LITIGATION AGAINST THE COUNTY IN WHICH THE CONTRACTOR ALLEGES DAMAGES AS A RESULT OF ANY NEGLIGENT ACTS, ERRORS OR OMISSIONS OF SURVEYOR, ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER ENTITIES OVER WHICH SURVEYOR EXERCISES CONTROL, INCLUDING, BUT NOT LIMITED TO, DEFECTS, ERRORS, OR OMISSIONS, THEN THE COUNTY SHALL HAVE THE RIGHT TO JOIN SURVEYOR IN ANY SUCH PROCEEDINGS AT THE COUNTY'S COST. SURVEYOR SHALL ALSO HOLD THE COUNTY HARMLESS AND INDEMNIFY THE COUNTY TO THE EXTENT THAT SURVEYOR, ANY OF ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER

ENTITIES OVER WHICH SURVEYOR EXERCISES CONTROL, CAUSED SUCH DAMAGES TO CONTRACTOR, INCLUDING ANY AND ALL COSTS AND ATTORNEYS' FEES INCURRED BY THE COUNTY IN CONNECTION WITH THE DEFENSE OF ANY CLAIMS WHERE SURVEYOR, ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER ENTITIES OVER WHICH SURVEYOR EXERCISES CONTROL, ARE ADJUDICATED AT FAULT.

TO THE FULLEST EXTENT PERMITTED BY LAW, NEITHER PARTY SHALL BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, PUNITIVE, CONSEQUENTIAL OR INDIRECT DAMAGES RESULTING IN ANY WAY FROM THIS AGREEMENT.

ARTICLE 23
SURVEYOR'S RESPONSIBILITIES

Surveyor shall be responsible for the accuracy of his/her/its Surveying Services and shall promptly make necessary revisions or corrections to its work product resulting from errors, omissions, or negligent acts, and same shall be done without compensation. County shall determine Surveyor's responsibilities for all questions arising from surveying errors and/or omissions, subject to the dispute resolution provisions of Article 33. Surveyor shall not be relieved of responsibility for subsequent correction of any such errors or omissions in its work product, or for clarification of any ambiguities until after the construction phase of the Project has been completed.

ARTICLE 24
SURVEYOR'S SEAL

The responsible surveyor shall sign, seal and date all appropriate surveying submissions to County in accordance with the Texas Professional Land Surveying Practices Act and the rules of the Texas Board of Professional Land Surveying.

ARTICLE 25
INSURANCE

Surveyor must comply with the following insurance requirements at all times during this Contract:

A. Coverage Limits. Surveyor, at Surveyor's sole cost, shall purchase and maintain during the entire term while this Contract is in effect the following insurance:

1. Worker's Compensation in accordance with statutory requirements.
2. Commercial General Liability Insurance with a combined minimum Bodily Injury and Property Damage limits of $1,000,000.00 per occurrence and $2,000,000.00 in the aggregate.
3. Business Automobile Liability Insurance for all owned, non-owned, and hired vehicles with combined minimum limits for Bodily Injury and Property Damage of $1,000,000.00 each accident.
4. Professional Liability Insurance in the amount of $2,000,000.00 per claim and annual aggregate.

B. Additional Insureds; Waiver of Subrogation. County, its directors, officers and

employees shall be added as additional insureds under policies listed under (2) and (3) above, and on those policies where County, its directors, officers and employees are additional insureds, such insurance shall be primary and any insurance maintained by County shall be excess and not contribute with it. Such policies shall also include waivers of subrogation in favor of County.

C. Premiums and Deductible. Surveyor shall be responsible for payment of premiums for all of the insurance coverages required under this section. Surveyor further agrees that for each claim, suit or action made against insurance provided hereunder, with respect to all matters for which the Surveyor is responsible hereunder, Surveyor shall be solely responsible for all deductibles and self-insured retentions. Any deductibles or self-insured retentions over $200,000 in the Surveyor's insurance must be declared and approved in writing by County in advance.

D. Commencement of Work. Surveyor shall not commence any field work under this Contract until he/she/it has obtained all required insurance and such insurance has been approved by County. As further set out below, Surveyor shall not allow any subcontractor/subconsultant(s) to commence work to be performed in connection with this Contract until all required insurance has been obtained and approved and such approval shall not be unreasonably withheld. Approval of the insurance by County shall not relieve or decrease the liability of Surveyor hereunder.

E. Insurance Company Rating. The required insurance must be written by a company approved to do business in the State or Texas with a financial standing of at least an A- rating, as reflected in Best's insurance ratings or by a similar rating system recognized within the insurance industry at the time the policy is issued.

F. Certification of Coverage. Surveyor shall furnish County with a certification of coverage issued by the insurer. Surveyor shall not cause any insurance to be canceled nor permit any insurance to lapse. **In addition to any other notification requires set forth hereunder, Surveyor shall also notify County, within twenty-four (24) hours of receipt, of any notices of expiration, cancellation, non-renewal, or material change in coverage it receives from its insurer.**

G. No Arbitration. It is the intention of the County and agreed to and hereby acknowledged by the Surveyor, that no provision of this Contract shall be construed to require the County to submit to mandatory arbitration in the settlement of any claim, cause of action or dispute, except as specifically required in direct connection with an insurance claim or threat of claim under an insurance policy required hereunder or as may be required by law or a court of law with jurisdiction over the provisions of this Contract.

H. Subcontractor/Subconsultant's Insurance. Without limiting any of the other obligations or liabilities of Surveyor, Surveyor shall require each subcontractor/subconsultant performing work under this Contract (to the extent a subcontractor/subconsultant is allowed by County) to maintain during the term of this Contract, at the subcontractor/subconsultant's own expense, the same stipulated minimum insurance required in this Article, including the required provisions and additional policy conditions as shown below in this Article. Any requests for

consent to reduce any insurance coverage limits requirements for Surveyor's subcontractors/subconsultants must be provided to County in writing and must set forth reasoning and justifications for decreasing such coverage limits. County may, at its sole discretion, consent to a reduction in the insurance coverage limits requirements for Surveyor's subcontractors/subconsultants; provided, however, consent by County must be in writing and such consent shall not relieve or decrease the liability of Surveyor hereunder.

Surveyor shall obtain and monitor the certificates of insurance from each subcontractor/subconsultant in order to assure compliance with the insurance requirements. Surveyor must retain the certificates of insurance for the duration of this Contract, and shall have the responsibility of enforcing these insurance requirements among its subcontractor/subconsultants. County shall be entitled, upon request and without expense, to receive copies of these certificates of insurance.

I. Insurance Policy Endorsements. Each insurance policy shall include the following conditions by endorsement to the policy:

1. County shall be notified thirty (30) days prior to the expiration, cancellation, non-renewal or any material change in coverage, and such notice thereof shall be given to County by certified mail and by email to:

   Williamson County Purchasing Department
   100 Wilco Way
   Suite P101
   Georgetown, TX. 78626
   Email: purchase@wilco.org

   With copy to:

   Williamson County Auditor's Office
   Attn: Contracts Auditor
   901 South Austin Avenue
   Georgetown, Texas 78626
   Email: contractaudit@wilco.org

   Williamson County Dept. of Infrastructure
   Attn: Director of Road & Bridge
   3151 SE Inner Loop, Suite B
   Georgetown, Texas 78626

2. The policy clause "Other Insurance" shall not apply to any insurance coverage currently held by County, to any such future coverage, or to County's Self-Insured Retentions of whatever nature.

J. Cost of Insurance. The cost of all insurance required herein to be secured and maintained by Surveyor shall be borne solely by Surveyor, with certificates of insurance

evidencing such minimum coverage in force to be filed with County. Such Certificates of Insurance are evidenced as **Exhibit F** herein entitled "Certificates of Insurance."

ARTICLE 26
COPYRIGHTS

County shall have the royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use, and to authorize others to use, any reports developed by Surveyor for governmental purposes.

ARTICLE 27
SUCCESSORS AND ASSIGNS

This Contract shall be binding upon and inure to the benefit of the parties hereto, their successors, lawful assigns, and legal representatives. Surveyor may not assign, sublet or transfer any interest in this Contract, in whole or in part, by operation of law or otherwise, without obtaining the prior written consent of County.

ARTICLE 28
SEVERABILITY

In the event any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision thereof and this Contract shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

ARTICLE 29
PRIOR AGREEMENTS SUPERSEDED

This Contract constitutes the sole agreement of the parties hereto, and supersedes any prior understandings or written or oral contracts between the parties respecting the subject matter defined herein. This Contract may only be amended or supplemented by mutual agreement of the parties hereto in writing.

ARTICLE 30
SURVEYOR'S ACCOUNTING RECORDS

Surveyor agrees to maintain, for a period of three (3) years after final payment under this Contract, detailed records identifying each individual performing the Surveying Services, the date or dates the services were performed, the applicable hourly rates, the total amount billed for each individual and the total amount billed for all persons, records of reimbursable costs and expenses of other providers and provide such other details as may be requested by the County Auditor for verification purposes. Surveyor agrees that County or its duly authorized representatives shall, until the expiration of three (3) years after final payment under this Contract, have access to and the right to examine and photocopy any and all books, documents, papers and records of Surveyor which are directly pertinent to the services to be performed under this Contract for the purposes of

making audits, examinations, excerpts, and transcriptions. Surveyor further agrees that County shall have access during normal working hours to all necessary Surveyor facilities and shall be provided adequate and appropriate workspace in order to conduct audits in compliance with the provisions of this section. County shall give Surveyor reasonable advance notice of intended audits.

ARTICLE 31

ARTICLE 32
GENERAL PROVISIONS

A. Time is of the Essence. Subject to Article 3 hereof, Surveyor understands and agrees that time is of the essence and that any failure of Surveyor to complete the Surveying Services for each phase of this Contract within the agreed work schedule set out in the applicable Work Authorization may constitute a material breach of this Contract. Surveyor shall be fully responsible for his/her/its delays or for failures to use his/her/its reasonable efforts in accordance with the terms of this Contract and the Surveyor's standard of performance as defined herein. Where damage is caused to County due to Surveyor's negligent failure to perform County may

accordingly withhold, to the extent of such damage, Surveyor's payments hereunder without waiver of any of County's additional legal rights or remedies.

B. Force Majeure. Neither County nor Surveyor shall be deemed in violation of this Contract if prevented from performing any of their obligations hereunder by reasons for which they are not responsible or circumstances beyond their control. However, notice of such impediment or delay in performance must be timely given, and all reasonable efforts undertaken to mitigate its effects.

C. Enforcement and Venue. This Contract shall be enforceable in Georgetown, Williamson County, Texas, and if legal action is necessary by either party with respect to the enforcement of any or all of the terms or conditions herein, exclusive venue for same shall lie in Williamson County, Texas. This Contract shall be governed by and construed in accordance with the laws and court decisions of the State of Texas excluding, however, its choice of law rules.

D. Standard of Performance. The standard of care for all professional surveying, consulting and related services performed or furnished by Surveyor and its employees under this Contract will be the care and skill ordinarily used by members of Surveyor's profession practicing under the same or similar circumstances at the same time and in the same locality.

E. Opinion of Probable Cost. Any opinions of probable Project cost or probable construction cost provided by Surveyor are made on the basis of information available to Surveyor and on the basis of Surveyor's experience and qualifications and represents its judgment as an experienced and qualified professional surveyor. However, since Surveyor has no control over the cost of labor, materials, equipment or services furnished by others, or over the contractor(s') methods of determining prices, or over competitive bidding or market conditions, Surveyor does not guarantee that proposals, bids or actual Project or construction cost will not vary from opinions of probable cost Surveyor prepares.

F. Opinions and Determinations. Where the terms of this Contract provide for action to be based upon opinion, judgment, approval, review, or determination of either party hereto, such terms are not intended to be and shall never be construed as permitting such opinion, judgment, approval, review, or determination to be arbitrary, capricious, or unreasonable.

G. Reports of Accidents. Within 24 hours after Surveyor becomes aware of the occurrence of any accident or other event which results in, or might result in, injury to the person or property of any third person (other than an employee of the Surveyor), whether or not it results from or involves any action or failure to act by the Surveyor or any employee or agent of the Surveyor and which arises in any manner from the performance of this Contract, the Surveyor shall send a written report of such accident or other event to the County, setting forth a full and concise statement of the facts pertaining thereto. The Surveyor shall also immediately send the County a copy of any summons, subpoena, notice, or other documents served upon the Surveyor, its agents, employees, or representatives, or received by it or them, in connection with any matter before any court arising in any manner from the Surveyor's performance of work under this Contract.

H. Gender, Number and Headings. Words of any gender used in this Contract shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, unless the context otherwise requires. The headings and section numbers are for convenience only and shall not be considered in interpreting or construing this Contract.

I. Construction. Each party hereto acknowledges that it and its counsel have reviewed this Contract and that the normal rules of construction are not applicable and there will be no presumption that any ambiguities will be resolved against the drafting party in the interpretation of this Contract.

J. Independent Contractor Relationship. Both parties hereto, in the performance of this Contract, shall act in an individual capacity and not as agents, employees, partners, joint ventures or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purposes whatsoever.

K. No Waiver of Immunities. Nothing in this Contract shall be deemed to waive, modify or amend any legal defense available at law or in equity to County, its past or present officers, employees, or agents or employees, nor to create any legal rights or claim on behalf of any third party. County does not waive, modify, or alter to any extent whatsoever the availability of the defense of governmental immunity under the laws of the State of Texas and of the United States.

L. Texas Public Information Act. To the extent, if any, that any provision in this Contract is in conflict with Tex. Gov't Code 552.001 et seq., as amended (the "Public Information Act"), the same shall be of no force or effect. Furthermore, it is expressly understood and agreed that County, its officers and employees may request advice, decisions and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act to any items or data furnished to County as to whether or not the same are available to the public. It is further understood that County's officers and employees shall have the right to rely on the advice, decisions and opinions of the Attorney General, and that County, its officers and employees shall have no liability or obligation to any party hereto for the disclosure to the public, or to any person or persons, of any items or data furnished to County by a party hereto, in reliance of any advice, decision or opinion of the Attorney General of the State of Texas.

M. Governing Terms and Conditions. If there is an irreconcilable conflict between the terms and conditions set forth in this Contract or any Contract Amendment and the terms and conditions set forth in any Exhibit, Appendix, Work Authorization or Supplemental Work Authorization to this Contract, the terms and conditions set forth in this Contract or any Contract Amendment shall control over the terms and conditions set forth in any Exhibit, Appendix, Work Authorization or Supplemental Work Authorization to this Contract.

N. Meaning of Day. For purposes of this Contract, all references to a "day" or "days" shall mean a calendar day or calendar days.

O. Appropriation of Funds by County. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Contract. Surveyor understands and agrees that County's payment of amounts under this Contract is contingent on

the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Surveyor that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Surveyor.

ARTICLE 33
DISPUTE RESOLUTION

Except as otherwise specifically set forth herein, County and Surveyor shall work together in good faith to resolve any controversy, dispute or claim between them which arises out of or relates to this Contract, whether stated in tort, contract, statute, claim for benefits, bad faith, professional liability or otherwise ("Claim"). If the parties are unable to resolve the Claim within thirty (30) days following the date in which one party sent written notice of the Claim to the other party, and if a party wishes to pursue the Claim, such Claim shall be addressed through non-binding mediation. A single mediator engaged in the practice of law, who is knowledgeable about subject matter of this Contract, shall be selected by agreement of the parties and serve as the mediator. Any mediation under this Contract shall be conducted in Williamson County, Texas. The mediator's fees shall be borne equally between the parties. Such non-binding mediation is a condition precedent to seeking redress in a court of competent jurisdiction, but this provision shall not preclude either party from filing a lawsuit in a court of competent jurisdiction prior to completing a mediation if necessary to preserve the statute of limitations, in which case such lawsuit shall be stayed pending completion of the mediation process contemplated herein. This provision shall survive the termination of the Contract.

ARTICLE 34
EQUAL OPPORTUNITY IN EMPLOYMENT

During the performance of this Contract and to the extent the Project is a federally funded project, Surveyor, for itself, its assignees and successors in interest agrees as follows:

A. Compliance with Regulations. The Surveyor shall comply with the Regulations relative to nondiscrimination in Federally-assisted programs of the Department of Transportation (hereinafter, "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract.

B. Nondiscrimination. The Surveyor, with regard to the work performed by it during the Contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors/subconsultants, including procurements of materials and leases of equipment. The Surveyor shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

C. Solicitations for Subcontracts, Including Procurements of Materials and Equipment. In all solicitations either by competitive bidding or negotiation made by the Surveyor

for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor/subconsultant or supplier shall be notified by the Surveyor of the Surveyor's obligations under this Contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

D. Information and Reports. The Surveyor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the County (referred to in this Article as the "Recipient") or the Texas Department of Transportation to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the Surveyor shall so certify to the Recipient, or the Texas Department of Transportation as appropriate, and shall set forth what efforts it has made to obtain the information.

E. Sanctions for Noncompliance. In the event of the Surveyor's noncompliance with the nondiscrimination provisions of this contract, the Recipient shall impose such contract sanctions as it or the Texas Department of Transportation may determine to be appropriate, including, but not limited to:

1. withholding of payments to the Surveyor under the contract until the Surveyor complies, and/or;
2. cancellation, termination or suspension of the Contract, in whole or in part.

F. Incorporation of Provisions. The Surveyor shall include the provisions of Subsections (A) through (F) above in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The Surveyor shall take such action with respect to any subcontract or procurement as the Recipient or the Texas Department of Transportation may direct as a means of enforcing such provisions including sanctions for non-compliance: Provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor/subconsultant or supplier as a result of such direction, the Surveyor may request the Recipient to enter into such litigation to protect the interests of the Recipient, and, in addition, the Surveyor may request the United States to enter into such litigation to protect the interests of the United States.

SIGNATORY WARRANTY

The undersigned signatory for Surveyor hereby represents and warrants that the signatory is an officer of the organization for which he/she has executed this Contract and that he/she has full and complete authority to enter into this Contract on behalf of the firm. The above-stated representations and warranties are made for the purpose of inducing County to enter into this Contract.

IN WITNESS WHEREOF, County has caused this Contract to be signed in its name by its duly authorized County Judge, as has Surveyor, signing by and through its duly authorized representative(s), thereby binding the parties hereto, their successors, assigns and representatives

for the faithful and full performance of the terms and provisions hereof, to be effective as of the date of the last party's execution below. NO OFFICIAL, EMPLOYEE, AGENT, OR REPRESENTATIVE OF THE COUNTY HAS ANY AUTHORITY, EITHER EXPRESS OR IMPLIED, TO AMEND, TERMINATE OR MODIFY THIS CONTRACT, EXCEPT PURSUANT TO SUCH EXPRESS AUTHORITY AS MAY BE GRANTED BY THE WILLIAMSON COUNTY COMMISSIONERS COURT.

RATE SCHEDULE

CPI Rate Adjustments: Rates shall remain firm for the initial first year of the Contract and such rates shall be deemed the "Initial Base Rates." Surveyor may request rate adjustments, in writing, at least thirty (30) days prior to each annual anniversary date of the Contract. Upon County's receipt of a rate adjustment request, County will prepare a Contract Amendment setting forth the CPI rate adjustments and will provide such Contract Amendment to Surveyor for its execution. Rate adjustments will take effect on the later of (1) one year after the Contract execution date or (2) the first (1st) day following the parties' complete execution of a Contract Amendment. Such rates shall remain in effect until the later of (1) the next annual anniversary date of the Contract; or (2) the date of the parties' complete execution of a new Contract Amendment that set forth adjustments to the prior rates. Any new rate adjustments will not become effective until a Contract Amendment is fully executed by the parties and no retroactive rate adjustments will be allowed.

Price adjustments will be made in accordance with changes in the U.S. Department of Labor Consumer Price Index (CPI-U) for All Urban Consumers, All Items, South Region (Base 1982-84 = 100).

The rate adjustment will be determined by multiplying the Initial Base Rates by a fraction, the numerator of which is the index number for most recently released index and the denominator of which is the index number for the first month of the Contract (the index number for the month in which the Contract was originally executed). If the products are greater than the Initial Base Rates, County will pay the greater amounts as the rates during the successive year until the next rate adjustment. Rates for each successive year will never be less than the Initial Base Rates.

Williamson County
Vendor Reimbursement Policy

The purpose of this Williamson County Vendor Reimbursement Policy ("Policy") is to provide clear guidelines to vendors on Williamson County's expectations and requirements regarding allowable reimbursable expenditures and required backup. The Policy will also minimize conflicts related to invoice payments and define non-reimbursable items. This Policy is considered a guideline and is not a contract.

This Policy may be altered, deleted or amended, at any time and without prior notice to vendors, by action of the Williamson County Commissioners Court. Unenforceable provisions of this Policy, as imposed by applicable law, regulations, or judicial decisions, shall be deemed to be deleted. Any revisions to this Policy will be distributed to all current vendors doing business with the County.

1. Invoices and Affidavits

1.1 Invoices must adequately describe the goods or services provided to County and include all required backup (i.e., reimbursable expenses, mileage log, timesheets, receipts detailing expenses incurred etc.) that is in a form acceptable to the Williamson County Auditor. Invoices that do not adequately describe the goods or services provided to County or contain backup that is satisfactory to the Williamson County Auditor will be returned to vendor for revisions and the provision above relating to invoice errors resolved in favor of the County shall control as to the required actions of vendor and when such invoice must be paid by the County.

1.2 In the event an invoice includes charges based upon hourly billing rates for services or any other rates based upon the amount of time worked by an individual or individuals in performing services, whether the charges are being billed directly to the County or whether they are the basis of invoices from subcontractors for which the vendor seeks reimbursement from the County, the charges shall be accompanied by an affidavit signed by an officer or principal of the vendor certifying that the work was performed, it was authorized by the County and that all information contained in the invoice that is being submitted is true and correct.

1.3 Upon County's request, vendor must submit all bills paid affidavits wherein vendor must swear and affirm that vendor has paid each of its subcontractors, laborers, suppliers and material in full for all labor and materials provided to vendor for or in connection with services and work performed for County and, further, vendor must swear and affirm that vendor is not aware of any unpaid bills, claims, demands, or causes of action by any of its subcontractors, laborers, suppliers, or material for or in connection with the furnishing of labor or materials, or both, for services and work performed for County.

2. Travel Reimbursement

2.1 The County will only cover costs associated with travel for vendors outside a 45-mile radius from the Williamson County Courthouse, 710 Main Street, Georgetown,

Texas 78626.

2.2 The County will only cover costs associated with travel as documented work for County. If a vendor is also doing business for another client, the travel costs must be split in proportion to the amount of work actually performed for the County and the other client. The only allowable travel expense will be for the specific days worked for Williamson County.

2.3 No advance payments will be made to vendor for travel expenditures. The travel expenditure may only be reimbursed after the expenditure/trip has already occurred and vendor has provided the Williamson County Auditor with all necessary and required backup.

2.4 Vendors must submit all travel reimbursement requests on each employee in full. Specifically, a travel reimbursement request must include all related travel reimbursement expenses relating to a particular trip for which vendor seeks reimbursement. Partial travel reimbursement requests will not be accepted (i.e., vendor should not submit hotel and mileage one month then the next month submit rental car and airfare). If the travel reimbursement appears incomplete, the invoice will be sent back to the vendor to be submitted when all information is ready to submit in full.

2.5 Reimbursement for transportation costs will be at the most reasonable means of transportation (i.e.: airline costs will be reimbursed for coach rate, rental car costs will only be reimbursed if rental car travel was most reasonable means of travel as compared to travel by air).

2.6 The County will not be responsible for, nor will the County reimburse additional charges due to personal preference or personal convenience of individual traveling.

2.7 The County will not reimburse airfare costs if airfare costs were higher than costs of mileage reimbursement.

2.8 Additional expenses associated with travel that is extended to save costs (i.e., Saturday night stay) may be reimbursed if costs of airfare would be less than the cost of additional expenses (lodging, meals, car rental, mileage) if the trip had not been extended. Documentation satisfactory to the Williamson County Auditor will be required to justify expenditure.

2.9 County will only reimburse travel expense to necessary personnel of the vendor (i.e., no spouse, friends or family members).

2.10 Except as otherwise set forth herein, a vendor must provide a paid receipt for all expenses. If a receipt cannot be obtained, a written sworn statement of the expense from the vendor may be substituted for the receipt.

2.11 Sales tax for meals and hotel stays are the only sales taxes that will be reimbursed. Sales tax on goods purchased will not be reimbursed. A sales tax exemption form is available from the Williamson County Auditor's Office upon request.

2.12 The County will not pay for any late charges on reimbursable items. It is the responsibility of the vendor to pay the invoice first and seek reimbursement from the County.

3. Meals

3.1 Meal reimbursements are limited to a maximum of $59.00 per day on overnight travel. On day travel (travel that does not require an overnight stay), meal

reimbursements are limited to a maximum of $25.00 per day. The travel must be outside the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626 by a 45-mile radius.

3.2 Receipts are required on meal reimbursement amounts up to the maximum per day amount stated for overnight or day travel. If receipts are not presented, the vendor can request per diem (per diem limits refer to 3.2). However, a vendor cannot combine per diem and meal receipts. Only one method shall be allowed.

3.3 Meals are reimbursable only to vendors who do not have necessary personnel located within a 45-mile radius of the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626, who are capable of carrying the vendor's obligations to the County. Meals will not be reimbursed to vendors who are located within a 45-mile radius of the Williamson County Courthouse.

3.4 County will not reimburse for alcoholic beverages.

3.5 Tips are reimbursable but must be reasonable to limitation of meal allowance

3.6 No meals purchased for entertainment purposes will be allowed.

3.7 Meal reimbursement must be substantiated with a hotel receipt.

4. Lodging

4.1 Hotel accommodations require an itemized hotel folio as a receipt. The lodging receipt should include name of the motel/hotel, number of occupant(s), goods or services for each individual charge (room rental, food, tax, etc.) and the name of the occupant(s). Credit card receipts or any other form of receipt are not acceptable.

4.2 Vendors will be reimbursed for a single room rate charge plus any applicable tax. If a single room is not available, the vendor must provide documentation to prove that a single room was not available in order to justify the expense over and above the single room rate. A vendor may also be required to provide additional documentation if a particular room rate appears to be excessive.

4.3 Personal telephone charges, whether local or long distance, will not be reimbursed.

5. Airfare

5.1 The County will only reimburse up to a coach price fare for air travel.

5.2 The County will exclude any additional charges due to personal preference or personal convenience of the individual traveling (i.e., seat preference charges, airline upgrades, etc. will not be an allowable reimbursement)

5.3 Air travel expenses must be supported with receipt copy of an airline ticket or an itinerary with actual ticket price paid. If tickets are purchased through a website, vendor must submit a copy of the webpage showing the ticket price if no paper ticket was issued.

5.4 Cancellation and/or change flight fees may be reimbursed by the County but vendor must provide the Williamson County Auditor with documentation in writing from a County department head providing authorization for the change.

5.5 The County will not reimburse vendor for tickets purchased with frequent flyer miles.

6. Car Rental

6.1 Vendors that must travel may rent a car at their destination when it is less expensive than other transportation such as taxis, airport shuttles or public transportation such as buses or subways.

6.2 Cars rented must be economy or mid-size. Luxury vehicle rentals will not be reimbursed. Any rental costs over and above the cost of a mid-size rental will be adjusted.

6.3 Vendors will be reimbursed for rental cars if the rental car cost would have been less than the mileage reimbursement cost (based on the distance from vendor's point of origin to Williamson County, Texas) had the vendor driven vendor's car.

6.4 Vendors must return a car rental with appropriate fuel levels as required by rental agreement to avoid the car rental company from adding fuel charges.

6.5 Rental agreement and credit card receipt must be provided to County as back up for the request for reimbursement.

6.6 Insurance purchased when renting vehicle may also be reimbursed.

6.7 Car Rental optional extras such as GPS, roadside assistance, and administrative fees on Tolls will not be reimbursed.

7. Personal Car Usage

7.1 Personal vehicle usage will be reimbursed in an amount equal to the standard mileage rate allowed by the IRS.

7.2 Per code of Federal Regulations, Title 26, Subtitle A, Chapter 1, Subchapter B, Part IX, Section 274(d), all expense reimbursement requests must include the following:

7.2.1.1 Date

7.2.1.2 Destination

7.2.1.3 Purpose

7.2.1.4 Name of traveler(s)

7.2.1.5 Correspondence that verifies business purpose of the expense

7.3 The mileage for a personal vehicle must document the date, location of travel to/from, number of miles traveled and purpose of trip.

7.4 Mileage will be reimbursed on the basis of the most commonly used route.

7.5 Reimbursement for mileage shall not exceed the cost of a round trip coach airfare.

7.6 Reimbursement for mileage shall be prohibited between place of residence and usual place of work.

7.7 Mileage should be calculated from employee's regular place of work or their residence, whichever is the shorter distance when traveling to a meeting or traveling to Williamson County, Texas for vendors who are located outside of the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626 by at least a 45-mile radius.

7.8 When more than one person travels in same vehicle, only one person may claim mileage reimbursement.

7.9 Tolls, if reasonable, are reimbursable. Receipts are required for reimbursement. If a receipt is not obtainable, then written documentation of expense must be submitted for reimbursement (administrative fees on Tolls will not be reimbursed).

7.10 Parking fees, if reasonable are reimbursable for meetings and hotel stays. For vendors who contract with a third party for visitor parking at vendor's place of business, Williamson County will not reimburse a vendor based on a percentage of its contracted visitor parking fees. Rather, Williamson County will reimburse Vendor for visitor parking on an individual basis for each time a visitor uses Vendor's visitor parking. Receipts are required for reimbursement. If a receipt is not

obtainable, then written documentation of expense must be submitted for reimbursement.

7.11 Operating and maintenance expenses as well as other personal expenses, such as parking tickets, traffic violations, and car repairs and collision damage are not reimbursable.

8. Other Expenses

8.1 Taxi fare, bus tickets, conference registrations, parking, etc. must have a proper original receipt.

9. Repayment of Non-reimbursable Expense.

Vendors must, upon demand, immediately repay County for all inappropriately reimbursed expenses whenever an audit or subsequent review of any expense reimbursement documentation finds that such expense was reimbursed contrary to these guidelines and this Policy. Williamson County reserves the right to retain any amounts that are due or that become due to a vendor in order to collect any inappropriately reimbursed expenses that a vendor was paid.

10. Non-Reimbursable Expenses

In addition to the non-reimbursable items set forth above in this Policy, the following is a non-exhaustive list of expenses that will not be reimbursed by Williamson County:

10.1 Alcoholic beverages/tobacco products
10.2 Personal phone calls
10.3 Laundry service
10.4 Valet service (excludes hotel valet)
10.5 Movie rentals
10.6 Damage to personal items
10.7 Flowers/plants
10.8 Greeting cards
10.9 Fines and/or penalties
10.10 Entertainment, personal clothing, personal sundries and services
10.11 Transportation/mileage to places of entertainment or similar personal activities
10.12 Upgrades to airfare, hotel and/or car rental
10.13 Airport parking above the most affordable rate available
10.14 Excessive weight baggage fees or cost associated with more than two airline bags
10.15 Auto repairs
10.16 Babysitter fees, kennel costs, pet or house-sitting fees
10.17 Saunas, massages or exercise facilities
10.18 Credit card delinquency fees or service fees
10.19 Doctor bills, prescription and other medical services
10.20 Hand tools
10.21 Safety Equipment (hard hats, safety vests, etc.)
10.22 Office Supplies
10.23 Lifetime memberships to any association
10.24 Donations to other entities
10.25 Any items that could be construed as campaigning
10.26 Technology Fees

10.27 Sales tax on goods purchased

10.28 Any other expenses which Williamson County deems, in its sole discretion, to be inappropriate or unnecessary expenditures.

ARTICLE 2
NON-COLLUSION; DEBARMENT; AND FINANCIAL INTEREST PROHIBITED

A. Non-collusion. Surveyor warrants that he/she/it has not employed or retained any company or persons, other than a bona fide employee working solely for Surveyor, to solicit or secure this Contract, and that he/she/it has not paid or agreed to pay any company or surveyor any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon or resulting from the award or making of this Contract. For breach or violation of this warranty, County reserves and shall have the right to annul this Contract without liability or, in its discretion and at its sole election, to deduct from the contract price or compensation, or to otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

B. Debarment Certification. Surveyor must sign the Debarment Certification enclosed herewith as **Exhibit A**.

C. Financial Interest Prohibited. Surveyor covenants and represents that Surveyor, his/her/its officers, employees, agents, consultants and subcontractors will have no financial interest, direct or indirect, in the purchase or sale of any product, materials or equipment that will be recommended or required for the construction of the Project.

ARTICLE 3
SURVEYING SERVICES

Surveyor shall perform Surveying Services as identified in **Exhibit B** entitled "Surveying Services."

County will prepare and issue Work Authorizations, in substantially the same form identified and attached hereto as **Exhibit C** and entitled "Work Authorization No. ____", to authorize the Surveyor to perform one or more tasks of the Surveying Services. Each Work Authorization will include a description of the work to be performed, a description of the tasks and milestones, a work schedule for the tasks, definite review times by County and Surveyor of all Surveying Services and a fee amount agreed upon by the County and Surveyor. The amount payable for a Work Authorization shall be supported by the estimated cost of each work task as described in the Work Authorization. The Work Authorization will not waive the Surveyor's responsibilities and obligations established in this Contract. The executed Work Authorizations shall become part of this Contract.

All work must be completed on or before the date specified in the Work Authorization. The Surveyor shall promptly notify the County of any event which will affect completion of the Work Authorization, although such notification shall not relieve the Surveyor from costs or liabilities resulting from delays in completion of the Work Authorization. Should the review times or Surveying Services take longer than shown on the Work Authorization, through no fault of Surveyor, Surveyor may submit a timely written request for additional time, which shall be subject to the approval of the County. Any changes in a Work Authorization shall be enacted by a written Supplemental Work Authorization before additional costs may be incurred. Any Supplemental Work Authorization must be executed by both parties within the period specified in the Work Authorization.

ARTICLE 4
CONTRACT TERM

A. Term. The Surveyor is expected to complete the Surveying Services described herein in accordance with the above-described Work Authorizations or any Supplemental Work Authorization related thereto. If Surveyor does not perform the Surveying Services in accordance with each applicable Work Authorization or any Supplemental Work Authorization related thereto, then County shall have the right to terminate this Contract as set forth below in Article 20. So long as the County elects not to terminate this Contract, it shall continue from day to day until such time as the Surveying Services are completed in accordance with each applicable Work Authorization or any Supplemental Work Authorization related thereto. Any Surveying Services performed or costs incurred after the date of termination shall not be eligible for reimbursement. Surveyor shall notify County in writing as soon as possible if he/she/it determines, or reasonably anticipates, that the Surveying Services will not be completed on or before the date specified in the Work Authorization or any Supplemental Work Authorization and in full accordance with the terms of the applicable Work Authorization or any Supplemental Work Authorization .

B. Work Authorizations. Surveyor acknowledges that each Work Authorization is of critical importance, and agrees to undertake all reasonably necessary efforts to expedite the performance of Surveying Services required herein so that construction of the Project will be commenced and completed as scheduled. In this regard, and subject to adjustments in a particular Work Authorization, as provided in Article 3 herein, Surveyor shall proceed with sufficient qualified personnel and consultants necessary to fully and timely accomplish all Surveying Services required under this Contract in a professional manner.

C. Commencement of Surveying Services. After execution of this Contract, Surveyor shall not proceed with Surveying Services until Surveyor has been thoroughly briefed on the scope of the Project and has received an executed Work Authorization, which serves as the County's written notice to proceed, as provided in Article 8.

ARTICLE 5
COMPENSATION AND EXPENSES

County shall pay and Surveyor agrees to accept up to the amount shown below as full compensation for the Surveying Services performed and to be performed under this Contract. The basis of compensation for the services of principals and employees engaged in the performance of the Surveying Services shall be based on the Rate Schedule set forth in the attached **Exhibit D**.

The maximum amount payable under this Contract, without modification, is **Five Hundred Thousand and No/100 Dollars ($500,000.00)** (the "Compensation Cap"), provided that any amounts paid or payable shall be solely pursuant to a validly issued Work Authorization or any Supplemental Work Authorization related thereto. In no event may the aggregate amount of compensation authorized under Work Authorizations and Supplemental Work Authorizations exceed the Compensation Cap. The Compensation Cap shall be revised equitably only by written Contract Amendments executed by both parties in the event of a change the overall scope of the Surveying Services set forth in **Exhibit B**, as authorized by County.

The Compensation Cap is based upon all labor and non-labor costs estimated to be required in the performance of the Surveying Services provided for under this Contract. Should the actual costs of all labor and non-labor costs rendered under this Contract be less than the above stated Compensation Cap, then Surveyor shall receive compensation for only actual fees and costs of the Surveying Services actually rendered and incurred, which may be less than the above stated Compensation Cap.

The Compensation Cap herein referenced may be adjusted for Additional Surveying Services requested and performed only if mutually approved by a written Contract Amendment signed by both parties.

Surveyor shall prepare and submit to County monthly progress reports in sufficient detail to support the progress of the Surveying Services and to support invoices requesting monthly payment. The format for such monthly progress reports and invoices must be in a format acceptable to County. Satisfactory progress of Surveying Services shall be an absolute condition of payment.

Surveyor shall be reimbursed for actual non-labor and subcontract expenses incurred in the performance of the services under this Contract in accordance with the Williamson County Vendor Reimbursement Policy set forth under **Exhibit E**. Invoices requesting reimbursement for costs and expenditures related to the Project (reimbursables) must be accompanied by copies of the provider's invoice and comply with the Williamson County Vendor Reimbursement Policy. The copies of the provider's invoice must evidence the actual costs billed to Surveyor without mark-up.

ARTICLE 6
METHOD OF PAYMENT

Payments to Surveyor shall be made while Surveying Services are in progress. Surveyor shall prepare and submit to the Williamson County Department of Infrastructure, to the attention of the County's Road & Bridge Director, as identified herein-below, not more frequently than once per month, a progress report as referenced in Article 5 above. Such progress report shall state the percentage of completion of Surveying Services accomplished for an applicable Work Authorization or any Supplemental Work Authorization related thereto during that billing period and to date. This submittal shall also include a progress assessment report in a form acceptable to the County Auditor.

Simultaneous with submission of each progress report, Surveyor shall provide the following documentation through the County's Road & Bridge Director in a form acceptable to the County Auditor ("Invoice Package"):

(1) One (1) original certified invoice to the County ; and
(2) One (1) original complete packet of supporting documentation and time sheets detailing hours worked by staff persons with a description of the work performed by such persons, their work category, and approved billing rates as set forth in Exhibit B – Rate Schedule as part of this Contract

For Additional Surveying Services performed pursuant to this Contract, a separate invoice or itemization of the Additional Surveying Services must be presented with the same aforementioned requirements.

Payments shall be made by County based upon Surveying Services actually provided and performed. **Upon timely receipt of a complete Invoice Package and approval thereof**, County shall make a good faith effort to pay the amount which is due and payable within thirty (30) days of the County Auditor's receipt. **Failure to submit a Complete Invoice Package may delay payments.** County reserves the right to reasonably withhold payment pending verification of satisfactory Surveying Services performed. Surveyor has the responsibility to submit proof to County, adequate and sufficient in its determination, that tasks of an applicable Work Authorization or any Supplemental Work Authorization related thereto were completed.

The certified invoices shall show the total amount earned to the date of submission and shall show the amount due and payable as of the date of the current invoice. Final payment does

not relieve Surveyor of the responsibility of correcting any errors and/or omissions resulting from his/her/its negligence.

Upon submittal of the initial invoice, Surveyor shall provide the County Auditor with an Internal Revenue Form W-9, Request for Taxpayer Identification Number and Certification that is complete in compliance with the Internal Revenue Code, its rules and regulations.

ARTICLE 7
PROMPT PAYMENT POLICY

In accordance with Chapter 2251, V.T.C.A., Texas Government Code, payment to Surveyor will be made within thirty (30) days of the day on which the performance of services was complete, or within thirty (30) days of the day on which the County Auditor receives a correct invoice for services, whichever is later.

Surveyor may charge a late fee (fee shall not be greater than that which is permitted by Texas law) for payments not made in accordance with this prompt payment policy; however, the Surveyor's ability to charge a late fee shall not apply in the event:

A. There is a bona fide dispute between County and Surveyor concerning the supplies, materials, or equipment delivered or the services performed that causes the payment to be late; or

B. The terms of a federal contract, grant, regulation, or statute prevent County from making a timely payment with federal funds; or

C. There is a bona fide dispute between Surveyor and a subcontractor/subconsultant or between a subcontractor/subconsultant and its supplier concerning supplies, materials, or equipment delivered or the Surveying Services performed which causes the payment to be late;

D. Surveyor's failure to submit a Complete Invoice Package in accordance with the requirements of this Contract; or

E. The Complete Invoice Package is not submitted to the Road & Bridge Director in strict accordance with any necessary instructions or requests provided by the County's Road & Bridge Director.

The County Auditor shall document to Surveyor the issues related to disputed invoices within ten (10) calendar days of receipt of such invoice. Any non-disputed invoices shall be considered correct and payable per the terms of Chapter 2251, V.T.C.A., Texas Government Code.

ARTICLE 8
COMMENCEMENT OF SURVEYING SERVICES

The Surveyor shall not proceed with any task of the Surveying Services until Surveyor has been thoroughly briefed on the scope of the Project and received an executed Work Authorization, which serves as the County's written notice to proceed with the applicable Surveying Services. The County shall not be responsible for work performed or costs incurred by Surveyor related to any task for which a Work Authorization or a Supplemental Work

Authorization related thereto has not been issued and signed by both parties. Surveyor shall not be required to perform any work for which a Work Authorization or a Supplemental Work Authorization related thereto has not been issued and signed by both parties.

ARTICLE 9
PROJECT TEAM

County's Designated Representative for purposes of this Contract is as follows:

Williamson County Dept. of Infrastructure
Attn: Director of Road & Bridge
3151 SE Inner Loop, Suite B
Georgetown, Texas 78626

County shall have the right, from time to time, to change the County's Designated Representative by giving Surveyor written notice thereof. With respect to any action, decision or determination which is to be taken or made by County under this Contract, the County's Designated Representative may take such action or make such decision or determination or shall notify Surveyor in writing of an individual responsible for and capable of taking such action, decision or determination and shall forward any communications and documentation to such individual for response or action. Actions, decisions or determinations by the County's Designated Representative on behalf of County shall be done in his or her reasonable business judgment unless express standards or parameters therefor are included in this Contract, in which case, actions taken by the County's Designated Representative shall be in accordance with such express standards or parameters. Any consent, approval, decision or determination hereunder by the County's Designated Representative shall be binding on County; *provided, however,* the County's Designated Representative shall not have any right to modify, amend or terminate this Contract, an Executed Work Authorization, an executed Supplemental Work Authorization or executed Contract Amendment. County's Designated Representative shall not have any authority to execute a Contract Amendment, Work Authorization or any Supplemental Work Authorization unless otherwise granted such authority by the Williamson County Commissioners Court.

Surveyor's Designated Representative for purposes of this Contract is as follows:

Robert Maloy, RPLS
4925 Sun Valley Dr.
Fort Worth, Texas 76119

Surveyor shall have the right, from time to time, to change the Surveyor's Designated Representative by giving County written notice thereof. With respect to any action, decision or determination which is to be taken or made by Surveyor under this Contract, the Surveyor's Designated Representative may take such action or make such decision or determination or shall notify County in writing of an individual responsible for and capable of taking such action, decision or determination and shall forward any communications and documentation to such individual for response or action. Actions, decisions or determinations by the Surveyor's

Designated Representative on behalf of Surveyor shall be done in his or her reasonable business judgment unless express standards or parameters therefor are included in this Contract, in which case, actions taken by the Surveyor's Designated Representative shall be in accordance with such express standards or parameters. Any consent, approval, decision or determination hereunder by the Surveyor's Designated Representative shall be binding on Surveyor. Surveyor's Designated Representative shall have the right to modify, amend and execute Work Authorizations, Supplemental Work Authorizations and Contract Amendments on behalf of Surveyor.

ARTICLE 10
PROGRESS EVALUATION

Surveyor shall, from time to time during the progress of the Surveying Services, confer with County at County's election. Surveyor shall prepare and present such information as may be pertinent and necessary, or as may be reasonably requested by County, in order for County to evaluate features of the Surveying Services. At the request of County or Surveyor, conferences shall be provided at Surveyor's office, the offices of County, or at other locations designated by County. When requested by County, such conferences shall also include evaluation of the Surveying Services. County may, from time to time, require Surveyor to appear and provide information to the Williamson County Commissioners Court.

Should County determine that the progress in Surveying Services does not satisfy an applicable Work Authorization or any Supplemental Work Authorization related thereto, then County shall review same with Surveyor to determine corrective action required.

Surveyor shall promptly advise County in writing of events which have or may have a significant impact upon the progress of the Surveying Services, including but not limited to the following:

A. Problems, delays, adverse conditions which may materially affect the ability to meet the objectives of an applicable Work Authorization or any Supplemental Work Authorization related thereto, or preclude the attainment of Project Surveying Services units by established time periods; and such disclosure shall be accompanied by statement of actions taken or contemplated, and County assistance needed to resolve the situation, if any; and

B. Favorable developments or events which enable meeting goals sooner than anticipated in relation to an applicable Work Authorization's or any Supplemental Work Authorization related thereto.

ARTICLE 11
SUSPENSION

Should County desire to suspend the Surveying Services, but not to terminate this Contract, then such suspension may be effected by County giving Surveyor thirty (30) calendar days' verbal notification followed by written confirmation to that effect. Such thirty-day notice may be waived in writing by agreement and signature of both parties. The Surveying Services may be reinstated and resumed in full force and effect within sixty (60) days of receipt of written notice from County to resume the Surveying Services. Such sixty-day (60) notice may be waived in writing by agreement and signature of both parties. If this Contract is suspended for more than thirty (30) days, Surveyor shall have the option of terminating this Contract and, in the event, Surveyor shall be compensated for all Surveying Services performed and reimbursable expenses incurred, provided such Surveying Services and reimbursable expenses have been previously authorized and approved by County, to the effective date of suspension.

If County suspends the Surveying Services, the contract period as determined in Article 4, and the Work Authorization or any Supplemental Work Authorization related thereto, shall be extended for a time period equal to the suspension period.

County assumes no liability for Surveying Services performed or costs incurred prior to the date authorized by County for Surveyor to begin Surveying Services, and/or during periods when Surveying Services is suspended, and/or subsequent to the completion date.

ARTICLE 12
ADDITIONAL SURVEYING SERVICES

If Surveyor forms a reasonable opinion that any work he/she/it has been directed to perform is beyond the overall scope of this Contract, as set forth in **Exhibit B,** and as such constitutes extra work ("Additional Surveying Services"), he/she/it shall promptly notify County in writing through the County's Designated Representative. In the event County finds that such work does constitute Additional Surveying Services, County shall so advise Surveyor and a written Contract Amendment will be executed between the parties as provided in Article 14. Any increase to the Compensation Cap due to Additional Surveying Services must be set forth in such Contract Amendment. Surveyor shall not perform any proposed Additional Surveying Services nor incur any additional costs prior to the execution, by both parties, of a written Contract Amendment. Following the execution of a Contract Amendment that provides for Additional Surveying Services, a written Work Authorization, which sets forth the Additional Surveying Services to be performed, must be executed by the parties. County shall not be responsible for actions by Surveyor nor for any costs incurred by Surveyor relating to Additional Surveying Services not directly associated with the performance of the Surveying Services authorized in this Contract, by a fully executed Work Authorization or a fully executed Contract Amendment thereto.

ARTICLE 13
CHANGES IN COMPLETED SURVEYING SERVICES

If County deems it necessary to request changes to previously satisfactorily completed Surveying Services or parts thereof which involve changes to the original Surveying Services or character of Surveying Services under this Contract, then Surveyor shall make such revisions as requested and as directed by County. Such revisions shall be considered as Additional Surveying Services and paid for as specified under Article 12.

Surveyor shall make revisions to Surveying Services authorized hereunder as are necessary to correct errors appearing therein, when required to do so by County. No additional compensation shall be due for such Surveying Services.

ARTICLE 14
CONTRACT AMENDMENTS

The terms set out in this Contract may be modified by a written fully executed Contract Amendment. Changes and modifications to a fully executed Work Authorization shall be made in the form of a Supplemental Work Authorization. To the extent that such changes or modifications to a Work Authorization do not also require modifications to the terms of this Contract (i.e. changes to the overall scope of Surveying Services set forth in **Exhibit B**, modification of the Compensation Cap, etc.) a Contract Amendment will not be required.

ARTICLE 15
USE OF DOCUMENTS

All documents, including but not limited to data or programs stored electronically, (hereinafter referred to as "Surveying Work Products") prepared by Surveyor and its subcontractors/subconsultants are related exclusively to the services described in this Contract and are intended to be used with respect to this Project. However, it is expressly understood and agreed by and between the parties hereto that all of Surveying Work Products under this Contract Surveying Work Products shall be the property of County to be thereafter used in any lawful manner as County elects. Any such subsequent use made of documents by County, without written verification or adaptation by Surveyor for the specific purpose intended, shall be at County's sole risk and without liability to Surveyor.

By execution of this Contract and in confirmation of the fee for services to be paid under this Contract, Surveyor hereby conveys, transfers and assigns to County all rights under the Federal Copyright Act of 1976 (or any successor copyright statute), as amended, all common law copyrights and all other intellectual property rights acknowledged by law in the Surveying Work Products developed under this Contract. Copies may be retained by Surveyor. Surveyor shall be liable to County for any loss or damage to any such documents while they are in the possession of or while being worked upon by Surveyor or anyone connected with Surveyor, including agents, employees, Surveyors or subcontractors/subconsultants. All documents so lost or damaged shall be replaced or restored by Surveyor without cost to County.

Upon execution of this Contract, Surveyor grants to County permission to reproduce Surveyor's work and documents for purposes of constructing, using and maintaining the Project, provided that County shall comply with its obligations, including prompt payment of all sums when due, under this Contract. Surveyor shall obtain similar permission from Surveyor's subcontractors/subconsultants consistent with this Contract. If and upon the date Surveyor is adjudged in default of this Contract, County is permitted to authorize other similarly credentialed surveying professionals to reproduce and, where permitted by law, to make changes, corrections or additions to the work and documents for the purposes of completing, using and maintaining the Project.

County shall not assign, delegate, sublicense, pledge or otherwise transfer any permission granted herein to another party without the prior written consent of Surveyor. However, County shall be permitted to authorize the contractor, subcontractors and material or equipment suppliers to reproduce applicable portions of the Surveying Work Products appropriate to and for use in the execution of the Work. Submission or distribution of Surveying Work Products to meet official regulatory requirements or for similar purposes in connection with the Project is permitted. Any unauthorized use of the Surveying Work Products shall be at County's sole risk and without liability to Surveyor and its Surveyors.

The parties shall mutually agree to an electronic format for Surveying Work Products or other data, including any special limitations not otherwise provided in this Contract, prior to any such Surveying Work Products or data being submitted electronically by either party to the other party. Upon such agreement between the parties, Surveying Work Products or other data provided in the agreed upon electronic format may be relied upon by the receiving party. In the event the parties cannot agree on an acceptable electronic format, only printed copies of documents conveyed by a party shall be relied upon by the receiving party.

Surveyor shall have no liability for changes made to the Surveying Work Products by other surveyors subsequent to the completion of the Project. Any such change shall be sealed by the surveyor making that change and shall be appropriately marked to reflect what was changed or modified.

ARTICLE 16
PERSONNEL, EQUIPMENT AND MATERIAL

Surveyor shall furnish and maintain, at its own expense, quarters for the performance of all Surveying Services, and adequate and sufficient personnel and equipment to perform the Surveying Services as required. All employees of Surveyor shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of Surveyor who, in the reasonable opinion of County, is incompetent or whose conduct becomes detrimental to the Surveying Services shall immediately be removed from association with the Project when so instructed by County. Surveyor certifies that it presently has adequate qualified personnel in its employment for performance of the Surveying Services required under this Contract, or will obtain such personnel from sources other than County. Surveyor may not change the Project

Manager without prior written consent of County.

ARTICLE 17
SUBCONTRACTING

Surveyor shall not assign, subcontract or transfer any portion of the Surveying Services under this Contract without prior written approval from County. All subcontracts shall include the provisions required in this Contract. No subcontract shall relieve Surveyor of any responsibilities under this Contract.

ARTICLE 18
REVIEW OF SURVEYING SERVICES

Surveyor's Surveying Services will be reviewed by County under its applicable technical requirements and procedures.

A. Completion. All surveying documents shall be submitted by Surveyor on or before the dates specified in the applicable Work Authorization or Supplemental Work Authorization related thereto. Upon receipt of same, the submission shall be checked for completion. "Completion" or "Complete" shall be defined as all of the required items, as set out in the applicable Work Authorization, have been included in compliance with the requirements of this Contract. The completeness of any Surveying Services submitted to County shall be determined by County within thirty (30) days of such submittal and County shall notify Surveyor in writing within such thirty (30) day period if such Surveying Services have been found to be incomplete. If the submission is Complete, County shall notify Surveyor and County's technical review process will begin.

If the submission is not Complete, County shall notify Surveyor, who shall perform such professional services as are required to complete the Surveying Services and resubmit it to County. This process shall be repeated until a submission is Complete.

B. Acceptance. County shall review the completed Surveying Services for compliance with this Contract. If necessary, the completed Surveying Services shall be returned to Surveyor, who shall perform any required Surveying Services and resubmit it to County. This process shall be repeated until the Surveying Services are Accepted. "Acceptance" or "Accepted" shall mean that in the County's reasonable opinion, substantial compliance with the requirements of this Contract has been achieved.

C. Final Approval. After Acceptance, Surveyor shall perform any required modifications, changes, alterations, corrections, redesigns, and additional work necessary to receive Final Approval by the County. "Final Approval" in this sense shall mean formal recognition that the Surveying Services have been fully carried out.

D. Errors and Omissions. After Final Approval, Surveyor shall, without additional compensation, perform any work required as a result of Surveyor's development of the work which is found to be in error or omission due to Surveyor's negligence. However, any work required or

occasioned for the convenience of County after Final Approval shall be paid for as Additional Surveying Services.

E. Disputes Over Classifications. In the event of any dispute over the classification of Surveyor's Surveying Services as Complete, Accepted, or having attained Final Approved under this Contract, the decision of the County shall be final and binding on Surveyor, subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

F. County's Reliance on Surveyor. SURVEYOR'S DUTIES AS SET FORTH HEREIN SHALL AT NO TIME BE IN ANY WAY DIMINISHED BY REASON OF ANY REVIEW, EVALUATION OR APPROVAL BY THE COUNTY OR ITS AUTHORIZED REPRESENTATIVE NOR SHALL THE SURVEYOR BE RELEASED FROM ANY LIABILITY BY REASON OF SUCH REVIEW, EVALUATION OR APPROVAL BY THE COUNTY, IT BEING UNDERSTOOD THAT THE COUNTY AT ALL TIMES IS ULTIMATELY RELYING UPON THE SURVEYOR'S SKILL, ABILITY AND KNOWLEDGE IN PERFORMING THE SURVEYING SERVICES REQUIRED HEREUNDER.

ARTICLE 19
VIOLATION OF CONTRACT TERMS/BREACH OF CONTRACT

Violation of contract terms or breach of contract by Surveyor shall be grounds for termination of this Contract, and any increased costs arising from Surveyor's default, breach of contract, or violation of contract terms shall be paid by Surveyor.

ARTICLE 20
TERMINATION

This Contract may be terminated as set forth below.

- **A.** By mutual agreement and consent, in writing, of both parties.
- **B.** By County, by notice in writing to Surveyor, as a consequence of failure by Surveyor to perform the Surveying Services set forth herein in a satisfactory manner.
- **C.** By either party, upon the failure of the other party to fulfill its obligations as set forth herein.
- **D.** By County, for reasons of its own and not subject to the mutual consent of Surveyor, upon not less than thirty (30) days' written notice to Surveyor.
- **E.** By satisfactory completion of all Surveying Services and obligations described herein.

Should County terminate this Contract as herein provided, no fees other than fees due and payable at the time of termination plus reimbursable expenses incurred shall thereafter be paid to Surveyor. In determining the value of the Surveying Services performed by Surveyor prior to termination, County shall be the sole judge. Compensation for Surveying Services at termination will be based on a percentage of the Surveying Services completed at that time. Should County terminate this Contract under Subsection (D) immediately above, then the amount charged during

the thirty-day notice period shall not exceed the amount charged during the preceding thirty (30) days.

If Surveyor defaults in the performance of this Contract or if County terminates this Contract for fault on the part of Surveyor, then County shall give consideration to the actual costs incurred by Surveyor in performing the Surveying Services to the date of default, the amount of Surveying Services required which was satisfactorily completed to date of default, the value of the Surveying Services which are usable to County, the cost to County of employing another firm to complete the Surveying Services required and the time required to do so, and other factors which affect the value to County of the Surveying Services performed at the time of default.

The termination of this Contract and payment of an amount in settlement as prescribed above shall extinguish all rights, duties, and obligations of County under this Contract. If the termination of this Contract is due to the failure of Surveyor to fulfill his/her/its contractual obligations, then County may take over the Project and prosecute the Surveying Services to completion. In such case, Surveyor shall be liable to County for any additional and reasonable costs incurred by County.

Surveyor shall be responsible for the settlement of all contractual and administrative issues arising out of any procurements made by Surveyor in support of the Surveying Services under this Contract.

ARTICLE 21
COMPLIANCE WITH LAWS

A. Compliance. Surveyor shall comply with all applicable federal, state and local laws, statutes, codes, ordinances, rules and regulations, and the orders and decrees of any court, or administrative bodies or tribunals in any manner affecting the performance of this Contract, including without limitation, minimum/maximum salary and wage statutes and regulations, and licensing laws and regulations. Surveyor shall furnish County with satisfactory proof of his/her/its compliance.

Surveyor shall further obtain all permits and licenses required in the performance of the Surveying Services contracted for herein.

B. Taxes. Surveyor will pay all taxes, if any, required by law arising by virtue of the Surveying Services performed hereunder. County is qualified for exemption pursuant to the provisions of Section 151.309 of the Texas Limited Sales, Excise, and Use Tax Act.

County agrees to pay the amount of any sales, value added, use, excise or similar taxes applicable to the performance of the Services, if any, or County shall provide Surveyor with a certificate acceptable to the taxing authorities exempting County from payment of such taxes.

ARTICLE 22
INDEMNIFICATION

SURVEYOR AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM AND AGAINST ANY AND ALL LIABILITIES, LOSSES, PENALTIES, JUDGMENTS, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, REASONABLE ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM A NEGLIGENT ACT, ERROR OR OMISSION, NEGLIGENCE, OR INTENTIONAL TORT COMMITTED BY SURVEYOR, SURVEYOR'S EMPLOYEES, AGENTS, OR ANY OTHER PERSON OR ENTITY UNDER CONTRACT WITH SURVEYOR INCLUDING, WITHOUT LIMITATION, SURVEYOR'S SUBCONSULTANTS, OR ANY OTHER ENTITY OVER WHICH SURVEYOR EXERCISES CONTROL.

SURVEYOR FURTHER AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM ANY AND ALL LIABILITIES, LOSSES, PENALTIES, JUDGMENTS, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM SURVEYOR'S FAILURE TO PAY SURVEYOR'S EMPLOYEES, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, IN CONNECTION WITH ANY OF THE WORK PERFORMED OR TO BE PERFORMED UNDER THIS CONTRACT BY SURVEYOR.

SURVEYOR FURTHER AGREES TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM ANY AND ALL LIABILITIES, LOSSES, PENALTIES, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM THE INFRINGEMENT OF ANY INTELLECTUAL PROPERTY ARISING OUT OF THE USE OF ANY PLANS, DESIGN, DRAWINGS, OR SPECIFICATIONS FURNISHED BY SURVEYOR IN THE PERFORMANCE OF THIS CONTRACT.

THE LIMITS OF INSURANCE REQUIRED IN THIS CONTRACT AND/OR THE CONTRACT DOCUMENTS SHALL NOT LIMIT SURVEYOR'S OBLIGATIONS UNDER THIS SECTION. THE TERMS AND CONDITIONS CONTAINED IN THIS SECTION SHALL SURVIVE THE TERMINATION OF THE CONTRACT AND/OR CONTRACT DOCUMENTS OR THE SUSPENSION OF THE WORK HEREUNDER. TO THE EXTENT THAT ANY LIABILITIES, PENALTIES, DEMANDS, CLAIMS, LAWSUITS, LOSSES, DAMAGES, COSTS AND EXPENSES ARE CAUSED IN PART BY THE ACTS OF THE COUNTY OR THIRD PARTIES FOR WHOM SURVEYOR IS NOT LEGALLY LIABLE, SURVEYOR'S OBLIGATIONS SHALL BE IN PROPORTION TO SURVEYOR'S FAULT. THE OBLIGATIONS HEREIN SHALL ALSO EXTEND TO ANY ACTIONS BY THE COUNTY TO ENFORCE THIS INDEMNITY OBLIGATION.

IN THE EVENT THAT CONTRACTORS INITIATE LITIGATION AGAINST THE COUNTY IN WHICH THE CONTRACTOR ALLEGES DAMAGES AS A RESULT OF ANY NEGLIGENT ACTS, ERRORS OR OMISSIONS OF SURVEYOR, ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER ENTITIES OVER WHICH SURVEYOR EXERCISES CONTROL, INCLUDING, BUT NOT LIMITED TO, DEFECTS, ERRORS, OR OMISSIONS, THEN THE COUNTY SHALL HAVE THE RIGHT TO JOIN SURVEYOR IN ANY SUCH PROCEEDINGS AT THE COUNTY'S COST. SURVEYOR SHALL ALSO HOLD THE COUNTY HARMLESS AND INDEMNIFY THE COUNTY TO THE EXTENT THAT SURVEYOR, ANY OF ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER

ENTITIES OVER WHICH SURVEYOR EXERCISES CONTROL, CAUSED SUCH DAMAGES TO CONTRACTOR, INCLUDING ANY AND ALL COSTS AND ATTORNEYS' FEES INCURRED BY THE COUNTY IN CONNECTION WITH THE DEFENSE OF ANY CLAIMS WHERE SURVEYOR, ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER ENTITIES OVER WHICH SURVEYOR EXERCISES CONTROL, ARE ADJUDICATED AT FAULT.

TO THE FULLEST EXTENT PERMITTED BY LAW, NEITHER PARTY SHALL BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, PUNITIVE, CONSEQUENTIAL OR INDIRECT DAMAGES RESULTING IN ANY WAY FROM THIS AGREEMENT.

ARTICLE 23
SURVEYOR'S RESPONSIBILITIES

Surveyor shall be responsible for the accuracy of his/her/its Surveying Services and shall promptly make necessary revisions or corrections to its work product resulting from errors, omissions, or negligent acts, and same shall be done without compensation. County shall determine Surveyor's responsibilities for all questions arising from surveying errors and/or omissions, subject to the dispute resolution provisions of Article 33. Surveyor shall not be relieved of responsibility for subsequent correction of any such errors or omissions in its work product, or for clarification of any ambiguities until after the construction phase of the Project has been completed.

ARTICLE 24
SURVEYOR'S SEAL

The responsible surveyor shall sign, seal and date all appropriate surveying submissions to County in accordance with the Texas Professional Land Surveying Practices Act and the rules of the Texas Board of Professional Land Surveying.

ARTICLE 25
INSURANCE

Surveyor must comply with the following insurance requirements at all times during this Contract:

A. Coverage Limits. Surveyor, at Surveyor's sole cost, shall purchase and maintain during the entire term while this Contract is in effect the following insurance:

1. Worker's Compensation in accordance with statutory requirements.
2. Commercial General Liability Insurance with a combined minimum Bodily Injury and Property Damage limits of $1,000,000.00 per occurrence and $2,000,000.00 in the aggregate.
3. Business Automobile Liability Insurance for all owned, non-owned, and hired vehicles with combined minimum limits for Bodily Injury and Property Damage of $1,000,000.00 each accident.
4. Professional Liability Insurance in the amount of $2,000,000.00 per claim and annual aggregate.

B. Additional Insureds; Waiver of Subrogation. County, its directors, officers and

employees shall be added as additional insureds under policies listed under (2) and (3) above, and on those policies where County, its directors, officers and employees are additional insureds, such insurance shall be primary and any insurance maintained by County shall be excess and not contribute with it. Such policies shall also include waivers of subrogation in favor of County.

C. Premiums and Deductible. Surveyor shall be responsible for payment of premiums for all of the insurance coverages required under this section. Surveyor further agrees that for each claim, suit or action made against insurance provided hereunder, with respect to all matters for which the Surveyor is responsible hereunder, Surveyor shall be solely responsible for all deductibles and self-insured retentions. Any deductibles or self-insured retentions over $200,000 in the Surveyor's insurance must be declared and approved in writing by County in advance.

D. Commencement of Work. Surveyor shall not commence any field work under this Contract until he/she/it has obtained all required insurance and such insurance has been approved by County. As further set out below, Surveyor shall not allow any subcontractor/subconsultant(s) to commence work to be performed in connection with this Contract until all required insurance has been obtained and approved and such approval shall not be unreasonably withheld. Approval of the insurance by County shall not relieve or decrease the liability of Surveyor hereunder.

E. Insurance Company Rating. The required insurance must be written by a company approved to do business in the State or Texas with a financial standing of at least an A- rating, as reflected in Best's insurance ratings or by a similar rating system recognized within the insurance industry at the time the policy is issued.

F. Certification of Coverage. Surveyor shall furnish County with a certification of coverage issued by the insurer. Surveyor shall not cause any insurance to be canceled nor permit any insurance to lapse. **In addition to any other notification requires set forth hereunder, Surveyor shall also notify County, within twenty-four (24) hours of receipt, of any notices of expiration, cancellation, non-renewal, or material change in coverage it receives from its insurer.**

G. No Arbitration. It is the intention of the County and agreed to and hereby acknowledged by the Surveyor, that no provision of this Contract shall be construed to require the County to submit to mandatory arbitration in the settlement of any claim, cause of action or dispute, except as specifically required in direct connection with an insurance claim or threat of claim under an insurance policy required hereunder or as may be required by law or a court of law with jurisdiction over the provisions of this Contract.

H. Subcontractor/Subconsultant's Insurance. Without limiting any of the other obligations or liabilities of Surveyor, Surveyor shall require each subcontractor/subconsultant performing work under this Contract (to the extent a subcontractor/subconsultant is allowed by County) to maintain during the term of this Contract, at the subcontractor/subconsultant's own expense, the same stipulated minimum insurance required in this Article, including the required provisions and additional policy conditions as shown below in this Article. Any requests for

consent to reduce any insurance coverage limits requirements for Surveyor's subcontractors/subconsultants must be provided to County in writing and must set forth reasoning and justifications for decreasing such coverage limits. County may, at its sole discretion, consent to a reduction in the insurance coverage limits requirements for Surveyor's subcontractors/subconsultants; provided, however, consent by County must be in writing and such consent shall not relieve or decrease the liability of Surveyor hereunder.

Surveyor shall obtain and monitor the certificates of insurance from each subcontractor/subconsultant in order to assure compliance with the insurance requirements. Surveyor must retain the certificates of insurance for the duration of this Contract, and shall have the responsibility of enforcing these insurance requirements among its subcontractor/subconsultants. County shall be entitled, upon request and without expense, to receive copies of these certificates of insurance.

I. Insurance Policy Endorsements. Each insurance policy shall include the following conditions by endorsement to the policy:

1. County shall be notified thirty (30) days prior to the expiration, cancellation, non-renewal or any material change in coverage, and such notice thereof shall be given to County by certified mail and by email to:

   Williamson County Purchasing Department
   100 Wilco Way
   Suite P101
   Georgetown, TX. 78626
   Email: purchase@wilco.org

   With copy to:

   Williamson County Auditor's Office
   Attn: Contracts Auditor
   901 South Austin Avenue
   Georgetown, Texas 78626
   Email: contractaudit@wilco.org

   Williamson County Dept. of Infrastructure
   Attn: Director of Road & Bridge
   3151 SE Inner Loop, Suite B
   Georgetown, Texas 78626

2. The policy clause "Other Insurance" shall not apply to any insurance coverage currently held by County, to any such future coverage, or to County's Self-Insured Retentions of whatever nature.

J. Cost of Insurance. The cost of all insurance required herein to be secured and maintained by Surveyor shall be borne solely by Surveyor, with certificates of insurance

evidencing such minimum coverage in force to be filed with County. Such Certificates of Insurance are evidenced as **Exhibit F** herein entitled "Certificates of Insurance."

ARTICLE 26
COPYRIGHTS

County shall have the royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use, and to authorize others to use, any reports developed by Surveyor for governmental purposes.

ARTICLE 27
SUCCESSORS AND ASSIGNS

This Contract shall be binding upon and inure to the benefit of the parties hereto, their successors, lawful assigns, and legal representatives. Surveyor may not assign, sublet or transfer any interest in this Contract, in whole or in part, by operation of law or otherwise, without obtaining the prior written consent of County.

ARTICLE 28
SEVERABILITY

In the event any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision thereof and this Contract shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

ARTICLE 29
PRIOR AGREEMENTS SUPERSEDED

This Contract constitutes the sole agreement of the parties hereto, and supersedes any prior understandings or written or oral contracts between the parties respecting the subject matter defined herein. This Contract may only be amended or supplemented by mutual agreement of the parties hereto in writing.

ARTICLE 30
SURVEYOR'S ACCOUNTING RECORDS

Surveyor agrees to maintain, for a period of three (3) years after final payment under this Contract, detailed records identifying each individual performing the Surveying Services, the date or dates the services were performed, the applicable hourly rates, the total amount billed for each individual and the total amount billed for all persons, records of reimbursable costs and expenses of other providers and provide such other details as may be requested by the County Auditor for verification purposes. Surveyor agrees that County or its duly authorized representatives shall, until the expiration of three (3) years after final payment under this Contract, have access to and the right to examine and photocopy any and all books, documents, papers and records of Surveyor which are directly pertinent to the services to be performed under this Contract for the purposes of

making audits, examinations, excerpts, and transcriptions. Surveyor further agrees that County shall have access during normal working hours to all necessary Surveyor facilities and shall be provided adequate and appropriate workspace in order to conduct audits in compliance with the provisions of this section. County shall give Surveyor reasonable advance notice of intended audits.

ARTICLE 31
NOTICES

ARTICLE 32
GENERAL PROVISIONS

A. Time is of the Essence. Subject to Article 3 hereof, Surveyor understands and agrees that time is of the essence and that any failure of Surveyor to complete the Surveying Services for each phase of this Contract within the agreed work schedule set out in the applicable Work Authorization may constitute a material breach of this Contract. Surveyor shall be fully responsible for his/her/its delays or for failures to use his/her/its reasonable efforts in accordance with the terms of this Contract and the Surveyor's standard of performance as defined herein. Where damage is caused to County due to Surveyor's negligent failure to perform County may accordingly withhold, to the extent of such damage, Surveyor's payments hereunder without

waiver of any of County's additional legal rights or remedies.

B. Force Majeure. Neither County nor Surveyor shall be deemed in violation of this Contract if prevented from performing any of their obligations hereunder by reasons for which they are not responsible or circumstances beyond their control. However, notice of such impediment or delay in performance must be timely given, and all reasonable efforts undertaken to mitigate its effects.

C. Enforcement and Venue. This Contract shall be enforceable in Georgetown, Williamson County, Texas, and if legal action is necessary by either party with respect to the enforcement of any or all of the terms or conditions herein, exclusive venue for same shall lie in Williamson County, Texas. This Contract shall be governed by and construed in accordance with the laws and court decisions of the State of Texas excluding, however, its choice of law rules.

D. Standard of Performance. The standard of care for all professional surveying, consulting and related services performed or furnished by Surveyor and its employees under this Contract will be the care and skill ordinarily used by members of Surveyor's profession practicing under the same or similar circumstances at the same time and in the same locality.

E. Opinion of Probable Cost. Any opinions of probable Project cost or probable construction cost provided by Surveyor are made on the basis of information available to Surveyor and on the basis of Surveyor's experience and qualifications and represents its judgment as an experienced and qualified professional surveyor. However, since Surveyor has no control over the cost of labor, materials, equipment or services furnished by others, or over the contractor(s') methods of determining prices, or over competitive bidding or market conditions, Surveyor does not guarantee that proposals, bids or actual Project or construction cost will not vary from opinions of probable cost Surveyor prepares.

F. Opinions and Determinations. Where the terms of this Contract provide for action to be based upon opinion, judgment, approval, review, or determination of either party hereto, such terms are not intended to be and shall never be construed as permitting such opinion, judgment, approval, review, or determination to be arbitrary, capricious, or unreasonable.

G. Reports of Accidents. Within 24 hours after Surveyor becomes aware of the occurrence of any accident or other event which results in, or might result in, injury to the person or property of any third person (other than an employee of the Surveyor), whether or not it results from or involves any action or failure to act by the Surveyor or any employee or agent of the Surveyor and which arises in any manner from the performance of this Contract, the Surveyor shall send a written report of such accident or other event to the County, setting forth a full and concise statement of the facts pertaining thereto. The Surveyor shall also immediately send the County a copy of any summons, subpoena, notice, or other documents served upon the Surveyor, its agents, employees, or representatives, or received by it or them, in connection with any matter before any court arising in any manner from the Surveyor's performance of work under this Contract.

H. Gender, Number and Headings. Words of any gender used in this Contract shall

be held and construed to include any other gender, and words in the singular number shall be held to include the plural, unless the context otherwise requires. The headings and section numbers are for convenience only and shall not be considered in interpreting or construing this Contract.

I. Construction. Each party hereto acknowledges that it and its counsel have reviewed this Contract and that the normal rules of construction are not applicable and there will be no presumption that any ambiguities will be resolved against the drafting party in the interpretation of this Contract.

J. Independent Contractor Relationship. Both parties hereto, in the performance of this Contract, shall act in an individual capacity and not as agents, employees, partners, joint ventures or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purposes whatsoever.

K. No Waiver of Immunities. Nothing in this Contract shall be deemed to waive, modify or amend any legal defense available at law or in equity to County, its past or present officers, employees, or agents or employees, nor to create any legal rights or claim on behalf of any third party. County does not waive, modify, or alter to any extent whatsoever the availability of the defense of governmental immunity under the laws of the State of Texas and of the United States.

L. Texas Public Information Act. To the extent, if any, that any provision in this Contract is in conflict with Tex. Gov't Code 552.001 et seq., as amended (the "Public Information Act"), the same shall be of no force or effect. Furthermore, it is expressly understood and agreed that County, its officers and employees may request advice, decisions and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act to any items or data furnished to County as to whether or not the same are available to the public. It is further understood that County's officers and employees shall have the right to rely on the advice, decisions and opinions of the Attorney General, and that County, its officers and employees shall have no liability or obligation to any party hereto for the disclosure to the public, or to any person or persons, of any items or data furnished to County by a party hereto, in reliance of any advice, decision or opinion of the Attorney General of the State of Texas.

M. Governing Terms and Conditions. If there is an irreconcilable conflict between the terms and conditions set forth in this Contract or any Contract Amendment and the terms and conditions set forth in any Exhibit, Appendix, Work Authorization or Supplemental Work Authorization to this Contract, the terms and conditions set forth in this Contract or any Contract Amendment shall control over the terms and conditions set forth in any Exhibit, Appendix, Work Authorization or Supplemental Work Authorization to this Contract.

N. Meaning of Day. For purposes of this Contract, all references to a "day" or "days" shall mean a calendar day or calendar days.

O. Appropriation of Funds by County. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Contract. Surveyor understands and agrees that County's payment of amounts under this Contract is contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County,

in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Surveyor that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Surveyor.

ARTICLE 33
DISPUTE RESOLUTION

Except as otherwise specifically set forth herein, County and Surveyor shall work together in good faith to resolve any controversy, dispute or claim between them which arises out of or relates to this Contract, whether stated in tort, contract, statute, claim for benefits, bad faith, professional liability or otherwise ("Claim"). If the parties are unable to resolve the Claim within thirty (30) days following the date in which one party sent written notice of the Claim to the other party, and if a party wishes to pursue the Claim, such Claim shall be addressed through non-binding mediation. A single mediator engaged in the practice of law, who is knowledgeable about subject matter of this Contract, shall be selected by agreement of the parties and serve as the mediator. Any mediation under this Contract shall be conducted in Williamson County, Texas. The mediator's fees shall be borne equally between the parties. Such non-binding mediation is a condition precedent to seeking redress in a court of competent jurisdiction, but this provision shall not preclude either party from filing a lawsuit in a court of competent jurisdiction prior to completing a mediation if necessary to preserve the statute of limitations, in which case such lawsuit shall be stayed pending completion of the mediation process contemplated herein. This provision shall survive the termination of the Contract.

ARTICLE 34
EQUAL OPPORTUNITY IN EMPLOYMENT

During the performance of this Contract and to the extent the Project is a federally funded project, Surveyor, for itself, its assignees and successors in interest agrees as follows:

A. Compliance with Regulations. The Surveyor shall comply with the Regulations relative to nondiscrimination in Federally-assisted programs of the Department of Transportation (hereinafter, "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract.

B. Nondiscrimination. The Surveyor, with regard to the work performed by it during the Contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors/subconsultants, including procurements of materials and leases of equipment. The Surveyor shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

C. Solicitations for Subcontracts, Including Procurements of Materials and Equipment. In all solicitations either by competitive bidding or negotiation made by the Surveyor for work to be performed under a subcontract, including procurements of materials or leases of

equipment, each potential subcontractor/subconsultant or supplier shall be notified by the Surveyor of the Surveyor's obligations under this Contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

D. Information and Reports. The Surveyor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the County (referred to in this Article as the "Recipient") or the Texas Department of Transportation to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the Surveyor shall so certify to the Recipient, or the Texas Department of Transportation as appropriate, and shall set forth what efforts it has made to obtain the information.

E. Sanctions for Noncompliance. In the event of the Surveyor's noncompliance with the nondiscrimination provisions of this contract, the Recipient shall impose such contract sanctions as it or the Texas Department of Transportation may determine to be appropriate, including, but not limited to:

1. withholding of payments to the Surveyor under the contract until the Surveyor complies, and/or;
2. cancellation, termination or suspension of the Contract, in whole or in part.

F. Incorporation of Provisions. The Surveyor shall include the provisions of Subsections (A) through (F) above in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The Surveyor shall take such action with respect to any subcontract or procurement as the Recipient or the Texas Department of Transportation may direct as a means of enforcing such provisions including sanctions for non-compliance: Provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor/subconsultant or supplier as a result of such direction, the Surveyor may request the Recipient to enter into such litigation to protect the interests of the Recipient, and, in addition, the Surveyor may request the United States to enter into such litigation to protect the interests of the United States.

SIGNATORY WARRANTY

The undersigned signatory for Surveyor hereby represents and warrants that the signatory is an officer of the organization for which he/she has executed this Contract and that he/she has full and complete authority to enter into this Contract on behalf of the firm. The above-stated representations and warranties are made for the purpose of inducing County to enter into this Contract.

IN WITNESS WHEREOF, County has caused this Contract to be signed in its name by its duly authorized County Judge, as has Surveyor, signing by and through its duly authorized representative(s), thereby binding the parties hereto, their successors, assigns and representatives for the faithful and full performance of the terms and provisions hereof, to be effective as of the

date of the last party's execution below. NO OFFICIAL, EMPLOYEE, AGENT, OR REPRESENTATIVE OF THE COUNTY HAS ANY AUTHORITY, EITHER EXPRESS OR IMPLIED, TO AMEND, TERMINATE OR MODIFY THIS CONTRACT, EXCEPT PURSUANT TO SUCH EXPRESS AUTHORITY AS MAY BE GRANTED BY THE WILLIAMSON COUNTY COMMISSIONERS COURT.

WORK AUTHORIZATION

(To Be Completed and Executed After Contract Execution)

WORK AUTHORIZATION NO. _____
PROJECT: _____

This Work Authorization is made pursuant to the terms and conditions of the Williamson County Contract for Surveying Services, being dated _____ ____, 20____and entered into by and between Williamson County, Texas, a political subdivision of the State of Texas, (the "County") and _____ (the "Surveyor").

Part1. The Surveyor will provide the following Surveying Services set forth in Attachment "B" of this Work Authorization.

Part 2. The maximum amount payable for services under this Work Authorization without modification is _____.

Part 3. Payment to the Surveyor for the services established under this Work Authorization shall be made in accordance with the Contract.

Part 4. This Work Authorization shall become effective on the date of final acceptance and full execution of the parties hereto and shall terminate on _____ ____, 20_____. The Surveying Services set forth in Attachment "B" of this Work Authorization shall be fully completed on or before said date unless extended by a Supplemental Work Authorization.

Part 5. This Work Authorization does not waive the parties' responsibilities and obligations provided under the Contract.

Part 6. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Work Authorization. Surveyor understands and agrees that County's payment of amounts under this Work Authorization is contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Surveyor that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Surveyor.

Part 7. This Work Authorization is hereby accepted and acknowledged below.

CPI Rate Adjustments: Rates shall remain firm for the initial first year of the Contract and such rates shall be deemed the "Initial Base Rates." Surveyor may request rate adjustments, in writing, at least thirty (30) days prior to each annual anniversary date of the Contract. Upon County's receipt of a rate adjustment request, County will prepare a Contract Amendment setting forth the CPI rate adjustments and will provide such Contract Amendment to Surveyor for its execution. Rate adjustments will take effect on the later of (1) one year after the Contract execution date or (2) the first (1st) day following the parties' complete execution of a Contract Amendment. Such rates shall remain in effect until the later of (1) the next annual anniversary date of the Contract; or (2) the date of the parties' complete execution of a new Contract Amendment that set forth adjustments to the prior rates. Any new rate adjustments will not become effective until a Contract Amendment is fully executed by the parties and no retroactive rate adjustments will be allowed.

Price adjustments will be made in accordance with changes in the U.S. Department of Labor Consumer Price Index (CPI-U) for All Urban Consumers, All Items, South Region (Base 1982-84 = 100).

The rate adjustment will be determined by multiplying the Initial Base Rates by a fraction, the numerator of which is the index number for most recently released index and the denominator of which is the index number for the first month of the Contract (the index number for the month in which the Contract was originally executed). If the products are greater than the Initial Base Rates, County will pay the greater amounts as the rates during the successive year until the next rate adjustment. Rates for each successive year will never be less than the Initial Base Rates.

EXHIBIT E

Williamson County
Vendor Reimbursement Policy

The purpose of this Williamson County Vendor Reimbursement Policy ("Policy") is to provide clear guidelines to vendors on Williamson County's expectations and requirements regarding allowable reimbursable expenditures and required backup. The Policy will also minimize conflicts related to invoice payments and define non-reimbursable items. This Policy is considered a guideline and is not a contract.

This Policy may be altered, deleted or amended, at any time and without prior notice to vendors, by action of the Williamson County Commissioners Court. Unenforceable provisions of this Policy, as imposed by applicable law, regulations, or judicial decisions, shall be deemed to be deleted. Any revisions to this Policy will be distributed to all current vendors doing business with the County.

1. Invoices and Affidavits

1.1 Invoices must adequately describe the goods or services provided to County and include all required backup (i.e., reimbursable expenses, mileage log, timesheets, receipts detailing expenses incurred etc.) that is in a form acceptable to the Williamson County Auditor. Invoices that do not adequately describe the goods or services provided to County or contain backup that is satisfactory to the Williamson County Auditor will be returned to vendor for revisions and the provision above relating to invoice errors resolved in favor of the County shall control as to the required actions of vendor and when such invoice must be paid by the County.

1.2 In the event an invoice includes charges based upon hourly billing rates for services or any other rates based upon the amount of time worked by an individual or individuals in performing services, whether the charges are being billed directly to the County or whether they are the basis of invoices from subcontractors for which the vendor seeks reimbursement from the County, the charges shall be accompanied by an affidavit signed by an officer or principal of the vendor certifying that the work was performed, it was authorized by the County and that all information contained in the invoice that is being submitted is true and correct.

1.3 Upon County's request, vendor must submit all bills paid affidavits wherein vendor must swear and affirm that vendor has paid each of its subcontractors, laborers, suppliers and material in full for all labor and materials provided to vendor for or in connection with services and work performed for County and, further, vendor must swear and affirm that vendor is not aware of any unpaid bills, claims, demands, or causes of action by any of its subcontractors, laborers, suppliers, or material for or in connection with the furnishing of labor or materials, or both, for services and work performed for County.

2. Travel Reimbursement

2.1 The County will only cover costs associated with travel for vendors outside a 45-mile radius from the Williamson County Courthouse, 710 Main Street, Georgetown,

Texas 78626.

2.2 The County will only cover costs associated with travel as documented work for County. If a vendor is also doing business for another client, the travel costs must be split in proportion to the amount of work actually performed for the County and the other client. The only allowable travel expense will be for the specific days worked for Williamson County.

2.3 No advance payments will be made to vendor for travel expenditures. The travel expenditure may only be reimbursed after the expenditure/trip has already occurred and vendor has provided the Williamson County Auditor with all necessary and required backup.

2.4 Vendors must submit all travel reimbursement requests on each employee in full. Specifically, a travel reimbursement request must include all related travel reimbursement expenses relating to a particular trip for which vendor seeks reimbursement. Partial travel reimbursement requests will not be accepted (i.e., vendor should not submit hotel and mileage one month then the next month submit rental car and airfare). If the travel reimbursement appears incomplete, the invoice will be sent back to the vendor to be submitted when all information is ready to submit in full.

2.5 Reimbursement for transportation costs will be at the most reasonable means of transportation (i.e.: airline costs will be reimbursed for coach rate, rental car costs will only be reimbursed if rental car travel was most reasonable means of travel as compared to travel by air).

2.6 The County will not be responsible for, nor will the County reimburse additional charges due to personal preference or personal convenience of individual traveling.

2.7 The County will not reimburse airfare costs if airfare costs were higher than costs of mileage reimbursement.

2.8 Additional expenses associated with travel that is extended to save costs (i.e., Saturday night stay) may be reimbursed if costs of airfare would be less than the cost of additional expenses (lodging, meals, car rental, mileage) if the trip had not been extended. Documentation satisfactory to the Williamson County Auditor will be required to justify expenditure.

2.9 County will only reimburse travel expense to necessary personnel of the vendor (i.e., no spouse, friends or family members).

2.10 Except as otherwise set forth herein, a vendor must provide a paid receipt for all expenses. If a receipt cannot be obtained, a written sworn statement of the expense from the vendor may be substituted for the receipt.

2.11 Sales tax for meals and hotel stays are the only sales taxes that will be reimbursed. Sales tax on goods purchased will not be reimbursed. A sales tax exemption form is available from the Williamson County Auditor's Office upon request.

2.12 The County will not pay for any late charges on reimbursable items. It is the responsibility of the vendor to pay the invoice first and seek reimbursement from the County.

3. Meals

3.1 Meal reimbursements are limited to a maximum of $59.00 per day on overnight travel. On day travel (travel that does not require an overnight stay), meal

reimbursements are limited to a maximum of $25.00 per day. The travel must be outside the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626 by a 45-mile radius.

3.2 Receipts are required on meal reimbursement amounts up to the maximum per day amount stated for overnight or day travel. If receipts are not presented, the vendor can request per diem (per diem limits refer to 3.2). However, a vendor cannot combine per diem and meal receipts. Only one method shall be allowed.

3.3 Meals are reimbursable only to vendors who do not have necessary personnel located within a 45-mile radius of the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626, who are capable of carrying the vendor's obligations to the County. Meals will not be reimbursed to vendors who are located within a 45-mile radius of the Williamson County Courthouse.

3.4 County will not reimburse for alcoholic beverages.

3.5 Tips are reimbursable but must be reasonable to limitation of meal allowance

3.6 No meals purchased for entertainment purposes will be allowed.

3.7 Meal reimbursement must be substantiated with a hotel receipt.

4. Lodging

4.1 Hotel accommodations require an itemized hotel folio as a receipt. The lodging receipt should include name of the motel/hotel, number of occupant(s), goods or services for each individual charge (room rental, food, tax, etc.) and the name of the occupant(s). Credit card receipts or any other form of receipt are not acceptable.

4.2 Vendors will be reimbursed for a single room rate charge plus any applicable tax. If a single room is not available, the vendor must provide documentation to prove that a single room was not available in order to justify the expense over and above the single room rate. A vendor may also be required to provide additional documentation if a particular room rate appears to be excessive.

4.3 Personal telephone charges, whether local or long distance, will not be reimbursed.

5. Airfare

5.1 The County will only reimburse up to a coach price fare for air travel.

5.2 The County will exclude any additional charges due to personal preference or personal convenience of the individual traveling (i.e., seat preference charges, airline upgrades, etc. will not be an allowable reimbursement)

5.3 Air travel expenses must be supported with receipt copy of an airline ticket or an itinerary with actual ticket price paid. If tickets are purchased through a website, vendor must submit a copy of the webpage showing the ticket price if no paper ticket was issued.

5.4 Cancellation and/or change flight fees may be reimbursed by the County but vendor must provide the Williamson County Auditor with documentation in writing from a County department head providing authorization for the change.

5.5 The County will not reimburse vendor for tickets purchased with frequent flyer miles.

6. Car Rental

6.1 Vendors that must travel may rent a car at their destination when it is less expensive than other transportation such as taxis, airport shuttles or public transportation such as buses or subways.

6.2 Cars rented must be economy or mid-size. Luxury vehicle rentals will not be reimbursed. Any rental costs over and above the cost of a mid-size rental will be adjusted.

6.3 Vendors will be reimbursed for rental cars if the rental car cost would have been less than the mileage reimbursement cost (based on the distance from vendor's point of origin to Williamson County, Texas) had the vendor driven vendor's car.

6.4 Vendors must return a car rental with appropriate fuel levels as required by rental agreement to avoid the car rental company from adding fuel charges.

6.5 Rental agreement and credit card receipt must be provided to County as back up for the request for reimbursement.

6.6 Insurance purchased when renting vehicle may also be reimbursed.

6.7 Car Rental optional extras such as GPS, roadside assistance, and administrative fees on Tolls will not be reimbursed.

7. Personal Car Usage

7.1 Personal vehicle usage will be reimbursed in an amount equal to the standard mileage rate allowed by the IRS.

7.2 Per code of Federal Regulations, Title 26, Subtitle A, Chapter 1, Subchapter B, Part IX, Section 274(d), all expense reimbursement requests must include the following:

7.2.1.1 Date

7.2.1.2 Destination

7.2.1.3 Purpose

7.2.1.4 Name of traveler(s)

7.2.1.5 Correspondence that verifies business purpose of the expense

7.3 The mileage for a personal vehicle must document the date, location of travel to/from, number of miles traveled and purpose of trip.

7.4 Mileage will be reimbursed on the basis of the most commonly used route.

7.5 Reimbursement for mileage shall not exceed the cost of a round trip coach airfare.

7.6 Reimbursement for mileage shall be prohibited between place of residence and usual place of work.

7.7 Mileage should be calculated from employee's regular place of work or their residence, whichever is the shorter distance when traveling to a meeting or traveling to Williamson County, Texas for vendors who are located outside of the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626 by at least a 45-mile radius.

7.8 When more than one person travels in same vehicle, only one person may claim mileage reimbursement.

7.9 Tolls, if reasonable, are reimbursable. Receipts are required for reimbursement. If a receipt is not obtainable, then written documentation of expense must be submitted for reimbursement (administrative fees on Tolls will not be reimbursed).

7.10 Parking fees, if reasonable are reimbursable for meetings and hotel stays. For vendors who contract with a third party for visitor parking at vendor's place of business, Williamson County will not reimburse a vendor based on a percentage of its contracted visitor parking fees. Rather, Williamson County will reimburse Vendor for visitor parking on an individual basis for each time a visitor uses Vendor's visitor parking. Receipts are required for reimbursement. If a receipt is not

obtainable, then written documentation of expense must be submitted for reimbursement.

7.11 Operating and maintenance expenses as well as other personal expenses, such as parking tickets, traffic violations, and car repairs and collision damage are not reimbursable.

8. Other Expenses

8.1 Taxi fare, bus tickets, conference registrations, parking, etc. must have a proper original receipt.

9. Repayment of Non-reimbursable Expense.

Vendors must, upon demand, immediately repay County for all inappropriately reimbursed expenses whenever an audit or subsequent review of any expense reimbursement documentation finds that such expense was reimbursed contrary to these guidelines and this Policy. Williamson County reserves the right to retain any amounts that are due or that become due to a vendor in order to collect any inappropriately reimbursed expenses that a vendor was paid.

10. Non-Reimbursable Expenses

In addition to the non-reimbursable items set forth above in this Policy, the following is a non-exhaustive list of expenses that will not be reimbursed by Williamson County:

10.1 Alcoholic beverages/tobacco products
10.2 Personal phone calls
10.3 Laundry service
10.4 Valet service (excludes hotel valet)
10.5 Movie rentals
10.6 Damage to personal items
10.7 Flowers/plants
10.8 Greeting cards
10.9 Fines and/or penalties
10.10 Entertainment, personal clothing, personal sundries and services
10.11 Transportation/mileage to places of entertainment or similar personal activities
10.12 Upgrades to airfare, hotel and/or car rental
10.13 Airport parking above the most affordable rate available
10.14 Excessive weight baggage fees or cost associated with more than two airline bags
10.15 Auto repairs
10.16 Babysitter fees, kennel costs, pet or house-sitting fees
10.17 Saunas, massages or exercise facilities
10.18 Credit card delinquency fees or service fees
10.19 Doctor bills, prescription and other medical services
10.20 Hand tools
10.21 Safety Equipment (hard hats, safety vests, etc.)
10.22 Office Supplies
10.23 Lifetime memberships to any association
10.24 Donations to other entities
10.25 Any items that could be construed as campaigning
10.26 Technology Fees

10.27 Sales tax on goods purchased

10.28 Any other expenses which Williamson County deems, in its sole discretion, to be inappropriate or unnecessary expenditures.

WILLIAMSON COUNTY
CONTRACT FOR SURVEYING SERVICES

FIRM: **Walker Texas Surveyors, Inc. ("Surveyor")**
ADDRESS: **1800 Main Street, Liberty Hill, TX 78642**
PROJECT: **24RFSQ13 Land Surveying Services ("Project")**

THIS CONTRACT FOR SURVEYING SERVICES ("Contract") is made and entered into, effective as the date of the last party's execution hereinbelow, by and between Williamson County, Texas, a political subdivision of the State of Texas, whose offices are located at 710 Main Street, Suite 101, Georgetown, Texas, 78626 (hereinafter referred to as "County"), and Surveyor, and such Contract is for the purpose of contracting for professional surveying services.

RECITALS:

WHEREAS, V.T.C.A., Government Code §2254.002(2)(A)(iv) under Subchapter A entitled "Professional Services Procurement Act" provides for the procurement by counties of services of professional surveyors; and

WHEREAS, County and Surveyor desire to contract for such professional surveying services; and

WHEREAS, County and Surveyor wish to document their agreement concerning the requirements and respective obligations of the parties;

NOW, THEREFORE, WITNESSETH:

That for and in consideration of the mutual promises contained herein and other good and valuable considerations, and the covenants and agreements hereinafter contained to be kept and performed by the respective parties hereto, it is agreed as follows:

ARTICLE 1
CONTRACT DOCUMENTS AND APPLICABLE PROJECT DOCUMENTS

A. Contract Documents. The Contract Documents consist of this Contract, any exhibits attached hereto (which exhibits are hereby incorporated into and made a part of this Contract), any fully executed Work Authorizations; any fully executed Supplemental Work Authorizations and all fully executed Contract Amendments (as defined herein in Article 14) which are subsequently issued. These form the entire contract, and all are as fully a part of this Contract as if attached to this Contract or repeated herein.

B. Project Documents. In addition to any other pertinent and necessary Project documents, the following documents shall be used in the development of the Project:

A. TxDOT 2011 Texas Manual of Uniform Traffic Control Devices for Streets and Highways, including latest revisions
B. Texas Department of Transportation's Standard Specifications for Construction of Highways, Streets, and Bridges, 2014 or 2024, as applicable and as amended
C. National Environmental Policy Act (NEPA)
D. 2012 Edition of the Texas Accessibility Standards (TAS) regarding the Elimination of Architectural Barriers Program, including latest revisions (see 16 Tex. Admin. Code § 68.100; see also Tex. Gov't Code, Ch. 469), including latest revisions
E. Americans with Disabilities Act (ADA) Regulations
F. U.S. Army Corps Regulations
G. International Building Code, current edition as updated
H. Williamson County Design Criteria & Project Development Manual, latest edition
I. Williamson County Multi-Corridor Transportation Plan Project Level Environmental Review and Compliance Protocol, latest edition
J. Williamson County Protocol for Sustainable Roadsides, latest edition

ARTICLE 2
NON-COLLUSION; DEBARMENT; AND FINANCIAL INTEREST PROHIBITED

A. Non-collusion. Surveyor warrants that he/she/it has not employed or retained any company or persons, other than a bona fide employee working solely for Surveyor, to solicit or secure this Contract, and that he/she/it has not paid or agreed to pay any company or surveyor any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon or resulting from the award or making of this Contract. For breach or violation of this warranty, County reserves and shall have the right to annul this Contract without liability or, in its discretion and at its sole election, to deduct from the contract price or compensation, or to otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

B. Debarment Certification. Surveyor must sign the Debarment Certification enclosed herewith as **Exhibit A.**

C. Financial Interest Prohibited. Surveyor covenants and represents that Surveyor, his/her/its officers, employees, agents, consultants and subcontractors will have no financial interest, direct or indirect, in the purchase or sale of any product, materials or equipment that will be recommended or required for the construction of the Project.

ARTICLE 3
SURVEYING SERVICES

Surveyor shall perform Surveying Services as identified in **Exhibit B** entitled "Surveying Services."

County will prepare and issue Work Authorizations, in substantially the same form identified and attached hereto as **Exhibit C** and entitled "Work Authorization No. ____", to authorize the Surveyor to perform one or more tasks of the Surveying Services. Each Work Authorization will include a description of the work to be performed, a description of the tasks and milestones, a work schedule for the tasks, definite review times by County and Surveyor of all Surveying Services and a fee amount agreed upon by the County and Surveyor. The amount payable for a Work Authorization shall be supported by the estimated cost of each work task as described in the Work Authorization. The Work Authorization will not waive the Surveyor's responsibilities and obligations established in this Contract. The executed Work Authorizations shall become part of this Contract.

All work must be completed on or before the date specified in the Work Authorization. The Surveyor shall promptly notify the County of any event which will affect completion of the Work Authorization, although such notification shall not relieve the Surveyor from costs or liabilities resulting from delays in completion of the Work Authorization. Should the review times or Surveying Services take longer than shown on the Work Authorization, through no fault of Surveyor, Surveyor may submit a timely written request for additional time, which shall be subject to the approval of the County. Any changes in a Work Authorization shall be enacted by a written Supplemental Work Authorization before additional costs may be incurred. Any Supplemental Work Authorization must be executed by both parties within the period specified in the Work Authorization.

ARTICLE 4
CONTRACT TERM

A. Term. The Surveyor is expected to complete the Surveying Services described herein in accordance with the above-described Work Authorizations or any Supplemental Work Authorization related thereto. If Surveyor does not perform the Surveying Services in accordance with each applicable Work Authorization or any Supplemental Work Authorization related thereto, then County shall have the right to terminate this Contract as set forth below in Article 20. So long as the County elects not to terminate this Contract, it shall continue from day to day until such time as the Surveying Services are completed in accordance with each applicable Work Authorization or any Supplemental Work Authorization related thereto. Any Surveying Services performed or costs incurred after the date of termination shall not be eligible for reimbursement. Surveyor shall notify County in writing as soon as possible if he/she/it determines, or reasonably anticipates, that the Surveying Services will not be completed on or before the date specified in the Work Authorization or any Supplemental Work Authorization and in full accordance with the terms of the applicable Work Authorization or any Supplemental Work Authorization .

B. Work Authorizations. Surveyor acknowledges that each Work Authorization is of critical importance, and agrees to undertake all reasonably necessary efforts to expedite the performance of Surveying Services required herein so that construction of the Project will be commenced and completed as scheduled. In this regard, and subject to adjustments in a particular Work Authorization, as provided in Article 3 herein, Surveyor shall proceed with sufficient qualified personnel and consultants necessary to fully and timely accomplish all Surveying Services required under this Contract in a professional manner.

C. Commencement of Surveying Services. After execution of this Contract, Surveyor shall not proceed with Surveying Services until Surveyor has been thoroughly briefed on the scope of the Project and has received an executed Work Authorization, which serves as the County's written notice to proceed, as provided in Article 8.

ARTICLE 5
COMPENSATION AND EXPENSES

County shall pay and Surveyor agrees to accept up to the amount shown below as full compensation for the Surveying Services performed and to be performed under this Contract. The basis of compensation for the services of principals and employees engaged in the performance of the Surveying Services shall be based on the Rate Schedule set forth in the attached **Exhibit D**.

The maximum amount payable under this Contract, without modification, is **Five Hundred Thousand and No/100_ Dollars ($500,000.00)** (the "Compensation Cap"), provided that any amounts paid or payable shall be solely pursuant to a validly issued Work Authorization or any Supplemental Work Authorization related thereto. In no event may the aggregate amount of compensation authorized under Work Authorizations and Supplemental Work Authorizations exceed the Compensation Cap. The Compensation Cap shall be revised equitably only by written Contract Amendments executed by both parties in the event of a change the overall scope of the Surveying Services set forth in **Exhibit B**, as authorized by County.

The Compensation Cap is based upon all labor and non-labor costs estimated to be required in the performance of the Surveying Services provided for under this Contract. Should the actual costs of all labor and non-labor costs rendered under this Contract be less than the above stated Compensation Cap, then Surveyor shall receive compensation for only actual fees and costs of the Surveying Services actually rendered and incurred, which may be less than the above stated Compensation Cap.

The Compensation Cap herein referenced may be adjusted for Additional Surveying Services requested and performed only if mutually approved by a written Contract Amendment signed by both parties.

Surveyor shall prepare and submit to County monthly progress reports in sufficient detail to support the progress of the Surveying Services and to support invoices requesting monthly payment. The format for such monthly progress reports and invoices must be in a format acceptable to County. Satisfactory progress of Surveying Services shall be an absolute condition of payment.

Surveyor shall be reimbursed for actual non-labor and subcontract expenses incurred in the performance of the services under this Contract in accordance with the Williamson County Vendor Reimbursement Policy set forth under **Exhibit E**. Invoices requesting reimbursement for costs and expenditures related to the Project (reimbursables) must be accompanied by copies of the provider's invoice and comply with the Williamson County Vendor Reimbursement Policy. The copies of the provider's invoice must evidence the actual costs billed to Surveyor without mark-up.

ARTICLE 6
METHOD OF PAYMENT

Payments to Surveyor shall be made while Surveying Services are in progress. Surveyor shall prepare and submit to the Williamson County Department of Infrastructure, to the attention of the County's Road & Bridge Director, as identified herein-below, not more frequently than once per month, a progress report as referenced in Article 5 above. Such progress report shall state the percentage of completion of Surveying Services accomplished for an applicable Work Authorization or any Supplemental Work Authorization related thereto during that billing period and to date. This submittal shall also include a progress assessment report in a form acceptable to the County Auditor.

Simultaneous with submission of each progress report, Surveyor shall provide the following documentation through the County's Road & Bridge Director in a form acceptable to the County Auditor ("Invoice Package"):

(1) One (1) original certified invoice to the County ; and
(2) One (1) original complete packet of supporting documentation and time sheets detailing hours worked by staff persons with a description of the work performed by such persons, their work category, and approved billing rates as set forth in Exhibit B – Rate Schedule as part of this Contract

For Additional Surveying Services performed pursuant to this Contract, a separate invoice or itemization of the Additional Surveying Services must be presented with the same aforementioned requirements.

Payments shall be made by County based upon Surveying Services actually provided and performed. **Upon timely receipt of a complete Invoice Package and approval thereof,** County shall make a good faith effort to pay the amount which is due and payable within thirty (30) days of the County Auditor's receipt. **Failure to submit a Complete Invoice Package may delay payments.** County reserves the right to reasonably withhold payment pending verification of satisfactory Surveying Services performed. Surveyor has the responsibility to submit proof to County, adequate and sufficient in its determination, that tasks of an applicable Work Authorization or any Supplemental Work Authorization related thereto were completed.

The certified invoices shall show the total amount earned to the date of submission and shall show the amount due and payable as of the date of the current invoice. Final payment does

not relieve Surveyor of the responsibility of correcting any errors and/or omissions resulting from his/her/its negligence.

Upon submittal of the initial invoice, Surveyor shall provide the County Auditor with an Internal Revenue Form W-9, Request for Taxpayer Identification Number and Certification that is complete in compliance with the Internal Revenue Code, its rules and regulations.

ARTICLE 7
PROMPT PAYMENT POLICY

In accordance with Chapter 2251, V.T.C.A., Texas Government Code, payment to Surveyor will be made within thirty (30) days of the day on which the performance of services was complete, or within thirty (30) days of the day on which the County Auditor receives a correct invoice for services, whichever is later.

Surveyor may charge a late fee (fee shall not be greater than that which is permitted by Texas law) for payments not made in accordance with this prompt payment policy; however, the Surveyor's ability to charge a late fee shall not apply in the event:

A. There is a bona fide dispute between County and Surveyor concerning the supplies, materials, or equipment delivered or the services performed that causes the payment to be late; or

B. The terms of a federal contract, grant, regulation, or statute prevent County from making a timely payment with federal funds; or

C. There is a bona fide dispute between Surveyor and a subcontractor/subconsultant or between a subcontractor/subconsultant and its supplier concerning supplies, materials, or equipment delivered or the Surveying Services performed which causes the payment to be late;

D. Surveyor's failure to submit a Complete Invoice Package in accordance with the requirements of this Contract; or

E. The Complete Invoice Package is not submitted to the Road & Bridge Director in strict accordance with any necessary instructions or requests provided by the County's Road & Bridge Director.

The County Auditor shall document to Surveyor the issues related to disputed invoices within ten (10) calendar days of receipt of such invoice. Any non-disputed invoices shall be considered correct and payable per the terms of Chapter 2251, V.T.C.A., Texas Government Code.

ARTICLE 8
COMMENCEMENT OF SURVEYING SERVICES

The Surveyor shall not proceed with any task of the Surveying Services until Surveyor has been thoroughly briefed on the scope of the Project and received an executed Work Authorization, which serves as the County's written notice to proceed with the applicable Surveying Services. The County shall not be responsible for work performed or costs incurred by Surveyor related to any task for which a Work Authorization or a Supplemental Work

Authorization related thereto has not been issued and signed by both parties. Surveyor shall not be required to perform any work for which a Work Authorization or a Supplemental Work Authorization related thereto has not been issued and signed by both parties.

ARTICLE 9
PROJECT TEAM

County's Designated Representative for purposes of this Contract is as follows:

Williamson County Dept. of Infrastructure
Attn: Director of Road & Bridge
3151 SE Inner Loop, Suite B
Georgetown, Texas 78626

County shall have the right, from time to time, to change the County's Designated Representative by giving Surveyor written notice thereof. With respect to any action, decision or determination which is to be taken or made by County under this Contract, the County's Designated Representative may take such action or make such decision or determination or shall notify Surveyor in writing of an individual responsible for and capable of taking such action, decision or determination and shall forward any communications and documentation to such individual for response or action. Actions, decisions or determinations by the County's Designated Representative on behalf of County shall be done in his or her reasonable business judgment unless express standards or parameters therefor are included in this Contract, in which case, actions taken by the County's Designated Representative shall be in accordance with such express standards or parameters. Any consent, approval, decision or determination hereunder by the County's Designated Representative shall be binding on County; *provided, however,* the County's Designated Representative shall not have any right to modify, amend or terminate this Contract, an Executed Work Authorization, an executed Supplemental Work Authorization or executed Contract Amendment. County's Designated Representative shall not have any authority to execute a Contract Amendment, Work Authorization or any Supplemental Work Authorization unless otherwise granted such authority by the Williamson County Commissioners Court.

Surveyor's Designated Representative for purposes of this Contract is as follows:

Walker Texas Surveyors, Inc.
Attn: Charles Walker, RPLS
1800 Main Street
Liberty Hill, TX 78642

Surveyor shall have the right, from time to time, to change the Surveyor's Designated Representative by giving County written notice thereof. With respect to any action, decision or determination which is to be taken or made by Surveyor under this Contract, the Surveyor's Designated Representative may take such action or make such decision or determination or shall notify County in writing of an individual responsible for and capable of taking such action, decision or determination and shall forward any communications and documentation to such

individual for response or action. Actions, decisions or determinations by the Surveyor's Designated Representative on behalf of Surveyor shall be done in his or her reasonable business judgment unless express standards or parameters therefor are included in this Contract, in which case, actions taken by the Surveyor's Designated Representative shall be in accordance with such express standards or parameters. Any consent, approval, decision or determination hereunder by the Surveyor's Designated Representative shall be binding on Surveyor. Surveyor's Designated Representative shall have the right to modify, amend and execute Work Authorizations, Supplemental Work Authorizations and Contract Amendments on behalf of Surveyor.

ARTICLE 10
PROGRESS EVALUATION

Surveyor shall, from time to time during the progress of the Surveying Services, confer with County at County's election. Surveyor shall prepare and present such information as may be pertinent and necessary, or as may be reasonably requested by County, in order for County to evaluate features of the Surveying Services. At the request of County or Surveyor, conferences shall be provided at Surveyor's office, the offices of County, or at other locations designated by County. When requested by County, such conferences shall also include evaluation of the Surveying Services. County may, from time to time, require Surveyor to appear and provide information to the Williamson County Commissioners Court.

Should County determine that the progress in Surveying Services does not satisfy an applicable Work Authorization or any Supplemental Work Authorization related thereto, then County shall review same with Surveyor to determine corrective action required.

Surveyor shall promptly advise County in writing of events which have or may have a significant impact upon the progress of the Surveying Services, including but not limited to the following:

A. Problems, delays, adverse conditions which may materially affect the ability to meet the objectives of an applicable Work Authorization or any Supplemental Work Authorization related thereto, or preclude the attainment of Project Surveying Services units by established time periods; and such disclosure shall be accompanied by statement of actions taken or contemplated, and County assistance needed to resolve the situation, if any; and

B. Favorable developments or events which enable meeting goals sooner than anticipated in relation to an applicable Work Authorization's or any Supplemental Work Authorization related thereto.

ARTICLE 11
SUSPENSION

Should County desire to suspend the Surveying Services, but not to terminate this Contract, then such suspension may be effected by County giving Surveyor thirty (30) calendar days' verbal notification followed by written confirmation to that effect. Such thirty-day notice may be waived in writing by agreement and signature of both parties. The Surveying Services may be reinstated and resumed in full force and effect within sixty (60) days of receipt of written notice from County to resume the Surveying Services. Such sixty-day (60) notice may be waived in writing by agreement and signature of both parties. If this Contract is suspended for more than thirty (30) days, Surveyor shall have the option of terminating this Contract and, in the event, Surveyor shall be compensated for all Surveying Services performed and reimbursable expenses incurred, provided such Surveying Services and reimbursable expenses have been previously authorized and approved by County, to the effective date of suspension.

If County suspends the Surveying Services, the contract period as determined in Article 4, and the Work Authorization or any Supplemental Work Authorization related thereto, shall be extended for a time period equal to the suspension period.

County assumes no liability for Surveying Services performed or costs incurred prior to the date authorized by County for Surveyor to begin Surveying Services, and/or during periods when Surveying Services is suspended, and/or subsequent to the completion date.

ARTICLE 12
ADDITIONAL SURVEYING SERVICES

If Surveyor forms a reasonable opinion that any work he/she/it has been directed to perform is beyond the overall scope of this Contract, as set forth in **Exhibit B,** and as such constitutes extra work ("Additional Surveying Services"), he/she/it shall promptly notify County in writing through the County's Designated Representative. In the event County finds that such work does constitute Additional Surveying Services, County shall so advise Surveyor and a written Contract Amendment will be executed between the parties as provided in Article 14. Any increase to the Compensation Cap due to Additional Surveying Services must be set forth in such Contract Amendment. Surveyor shall not perform any proposed Additional Surveying Services nor incur any additional costs prior to the execution, by both parties, of a written Contract Amendment. Following the execution of a Contract Amendment that provides for Additional Surveying Services, a written Work Authorization, which sets forth the Additional Surveying Services to be performed, must be executed by the parties. County shall not be responsible for actions by Surveyor nor for any costs incurred by Surveyor relating to Additional Surveying Services not directly associated with the performance of the Surveying Services authorized in this Contract, by a fully executed Work Authorization or a fully executed Contract Amendment thereto.

ARTICLE 13
CHANGES IN COMPLETED SURVEYING SERVICES

If County deems it necessary to request changes to previously satisfactorily completed Surveying Services or parts thereof which involve changes to the original Surveying Services or character of Surveying Services under this Contract, then Surveyor shall make such revisions as requested and as directed by County. Such revisions shall be considered as Additional Surveying Services and paid for as specified under Article 12.

Surveyor shall make revisions to Surveying Services authorized hereunder as are necessary to correct errors appearing therein, when required to do so by County. No additional compensation shall be due for such Surveying Services.

ARTICLE 14
CONTRACT AMENDMENTS

The terms set out in this Contract may be modified by a written fully executed Contract Amendment. Changes and modifications to a fully executed Work Authorization shall be made in the form of a Supplemental Work Authorization. To the extent that such changes or modifications to a Work Authorization do not also require modifications to the terms of this Contract (i.e. changes to the overall scope of Surveying Services set forth in **Exhibit B**, modification of the Compensation Cap, etc.) a Contract Amendment will not be required.

ARTICLE 15
USE OF DOCUMENTS

All documents, including but not limited to data or programs stored electronically, (hereinafter referred to as "Surveying Work Products") prepared by Surveyor and its subcontractors/subconsultants are related exclusively to the services described in this Contract and are intended to be used with respect to this Project. However, it is expressly understood and agreed by and between the parties hereto that all of Surveying Work Products under this Contract Surveying Work Products shall be the property of County to be thereafter used in any lawful manner as County elects. Any such subsequent use made of documents by County, without written verification or adaptation by Surveyor for the specific purpose intended, shall be at County's sole risk and without liability to Surveyor.

By execution of this Contract and in confirmation of the fee for services to be paid under this Contract, Surveyor hereby conveys, transfers and assigns to County all rights under the Federal Copyright Act of 1976 (or any successor copyright statute), as amended, all common law copyrights and all other intellectual property rights acknowledged by law in the Surveying Work Products developed under this Contract. Copies may be retained by Surveyor. Surveyor shall be liable to County for any loss or damage to any such documents while they are in the possession of or while being worked upon by Surveyor or anyone connected with Surveyor, including agents, employees, Surveyors or subcontractors/subconsultants. All documents so lost or damaged shall be replaced or restored by Surveyor without cost to County.

Upon execution of this Contract, Surveyor grants to County permission to reproduce Surveyor's work and documents for purposes of constructing, using and maintaining the Project, provided that County shall comply with its obligations, including prompt payment of all sums when due, under this Contract. Surveyor shall obtain similar permission from Surveyor's subcontractors/subconsultants consistent with this Contract. If and upon the date Surveyor is adjudged in default of this Contract, County is permitted to authorize other similarly credentialed surveying professionals to reproduce and, where permitted by law, to make changes, corrections or additions to the work and documents for the purposes of completing, using and maintaining the Project.

County shall not assign, delegate, sublicense, pledge or otherwise transfer any permission granted herein to another party without the prior written consent of Surveyor. However, County shall be permitted to authorize the contractor, subcontractors and material or equipment suppliers to reproduce applicable portions of the Surveying Work Products appropriate to and for use in the execution of the Work. Submission or distribution of Surveying Work Products to meet official regulatory requirements or for similar purposes in connection with the Project is permitted. Any unauthorized use of the Surveying Work Products shall be at County's sole risk and without liability to Surveyor and its Surveyors.

The parties shall mutually agree to an electronic format for Surveying Work Products or other data, including any special limitations not otherwise provided in this Contract, prior to any such Surveying Work Products or data being submitted electronically by either party to the other party. Upon such agreement between the parties, Surveying Work Products or other data provided in the agreed upon electronic format may be relied upon by the receiving party. In the event the parties cannot agree on an acceptable electronic format, only printed copies of documents conveyed by a party shall be relied upon by the receiving party.

Surveyor shall have no liability for changes made to the Surveying Work Products by other surveyors subsequent to the completion of the Project. Any such change shall be sealed by the surveyor making that change and shall be appropriately marked to reflect what was changed or modified.

ARTICLE 16
PERSONNEL, EQUIPMENT AND MATERIAL

Surveyor shall furnish and maintain, at its own expense, quarters for the performance of all Surveying Services, and adequate and sufficient personnel and equipment to perform the Surveying Services as required. All employees of Surveyor shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of Surveyor who, in the reasonable opinion of County, is incompetent or whose conduct becomes detrimental to the Surveying Services shall immediately be removed from association with the Project when so instructed by County. Surveyor certifies that it presently has adequate qualified personnel in its employment for performance of the Surveying Services required under this Contract, or will obtain such personnel from sources other than County. Surveyor may not change the Project

Manager without prior written consent of County.

ARTICLE 17
SUBCONTRACTING

Surveyor shall not assign, subcontract or transfer any portion of the Surveying Services under this Contract without prior written approval from County. All subcontracts shall include the provisions required in this Contract. No subcontract shall relieve Surveyor of any responsibilities under this Contract.

ARTICLE 18
REVIEW OF SURVEYING SERVICES

Surveyor's Surveying Services will be reviewed by County under its applicable technical requirements and procedures.

A. Completion. All surveying documents shall be submitted by Surveyor on or before the dates specified in the applicable Work Authorization or Supplemental Work Authorization related thereto. Upon receipt of same, the submission shall be checked for completion. "Completion" or "Complete" shall be defined as all of the required items, as set out in the applicable Work Authorization, have been included in compliance with the requirements of this Contract. The completeness of any Surveying Services submitted to County shall be determined by County within thirty (30) days of such submittal and County shall notify Surveyor in writing within such thirty (30) day period if such Surveying Services have been found to be incomplete. If the submission is Complete, County shall notify Surveyor and County's technical review process will begin.

If the submission is not Complete, County shall notify Surveyor, who shall perform such professional services as are required to complete the Surveying Services and resubmit it to County. This process shall be repeated until a submission is Complete.

B. Acceptance. County shall review the completed Surveying Services for compliance with this Contract. If necessary, the completed Surveying Services shall be returned to Surveyor, who shall perform any required Surveying Services and resubmit it to County. This process shall be repeated until the Surveying Services are Accepted. "Acceptance" or "Accepted" shall mean that in the County's reasonable opinion, substantial compliance with the requirements of this Contract has been achieved.

C. Final Approval. After Acceptance, Surveyor shall perform any required modifications, changes, alterations, corrections, redesigns, and additional work necessary to receive Final Approval by the County. "Final Approval" in this sense shall mean formal recognition that the Surveying Services have been fully carried out.

D. Errors and Omissions. After Final Approval, Surveyor shall, without additional compensation, perform any work required as a result of Surveyor's development of the work which is found to be in error or omission due to Surveyor's negligence. However, any work required or

occasioned for the convenience of County after Final Approval shall be paid for as Additional Surveying Services.

E. Disputes Over Classifications. In the event of any dispute over the classification of Surveyor's Surveying Services as Complete, Accepted, or having attained Final Approved under this Contract, the decision of the County shall be final and binding on Surveyor, subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

F. County's Reliance on Surveyor. SURVEYOR'S DUTIES AS SET FORTH HEREIN SHALL AT NO TIME BE IN ANY WAY DIMINISHED BY REASON OF ANY REVIEW, EVALUATION OR APPROVAL BY THE COUNTY OR ITS AUTHORIZED REPRESENTATIVE NOR SHALL THE SURVEYOR BE RELEASED FROM ANY LIABILITY BY REASON OF SUCH REVIEW, EVALUATION OR APPROVAL BY THE COUNTY, IT BEING UNDERSTOOD THAT THE COUNTY AT ALL TIMES IS ULTIMATELY RELYING UPON THE SURVEYOR'S SKILL, ABILITY AND KNOWLEDGE IN PERFORMING THE SURVEYING SERVICES REQUIRED HEREUNDER.

ARTICLE 19
VIOLATION OF CONTRACT TERMS/BREACH OF CONTRACT

Violation of contract terms or breach of contract by Surveyor shall be grounds for termination of this Contract, and any increased costs arising from Surveyor's default, breach of contract, or violation of contract terms shall be paid by Surveyor.

ARTICLE 20
TERMINATION

This Contract may be terminated as set forth below.

- **A.** By mutual agreement and consent, in writing, of both parties.
- **B.** By County, by notice in writing to Surveyor, as a consequence of failure by Surveyor to perform the Surveying Services set forth herein in a satisfactory manner.
- **C.** By either party, upon the failure of the other party to fulfill its obligations as set forth herein.
- **D.** By County, for reasons of its own and not subject to the mutual consent of Surveyor, upon not less than thirty (30) days' written notice to Surveyor.
- **E.** By satisfactory completion of all Surveying Services and obligations described herein.

Should County terminate this Contract as herein provided, no fees other than fees due and payable at the time of termination plus reimbursable expenses incurred shall thereafter be paid to Surveyor. In determining the value of the Surveying Services performed by Surveyor prior to termination, County shall be the sole judge. Compensation for Surveying Services at termination will be based on a percentage of the Surveying Services completed at that time. Should County terminate this Contract under Subsection (D) immediately above, then the amount charged during

the thirty-day notice period shall not exceed the amount charged during the preceding thirty (30) days.

If Surveyor defaults in the performance of this Contract or if County terminates this Contract for fault on the part of Surveyor, then County shall give consideration to the actual costs incurred by Surveyor in performing the Surveying Services to the date of default, the amount of Surveying Services required which was satisfactorily completed to date of default, the value of the Surveying Services which are usable to County, the cost to County of employing another firm to complete the Surveying Services required and the time required to do so, and other factors which affect the value to County of the Surveying Services performed at the time of default.

The termination of this Contract and payment of an amount in settlement as prescribed above shall extinguish all rights, duties, and obligations of County under this Contract. If the termination of this Contract is due to the failure of Surveyor to fulfill his/her/its contractual obligations, then County may take over the Project and prosecute the Surveying Services to completion. In such case, Surveyor shall be liable to County for any additional and reasonable costs incurred by County.

Surveyor shall be responsible for the settlement of all contractual and administrative issues arising out of any procurements made by Surveyor in support of the Surveying Services under this Contract.

ARTICLE 21
COMPLIANCE WITH LAWS

A. Compliance. Surveyor shall comply with all applicable federal, state and local laws, statutes, codes, ordinances, rules and regulations, and the orders and decrees of any court, or administrative bodies or tribunals in any manner affecting the performance of this Contract, including without limitation, minimum/maximum salary and wage statutes and regulations, and licensing laws and regulations. Surveyor shall furnish County with satisfactory proof of his/her/its compliance.

Surveyor shall further obtain all permits and licenses required in the performance of the Surveying Services contracted for herein.

B. Taxes. Surveyor will pay all taxes, if any, required by law arising by virtue of the Surveying Services performed hereunder. County is qualified for exemption pursuant to the provisions of Section 151.309 of the Texas Limited Sales, Excise, and Use Tax Act.

County agrees to pay the amount of any sales, value added, use, excise or similar taxes applicable to the performance of the Services, if any, or County shall provide Surveyor with a certificate acceptable to the taxing authorities exempting County from payment of such taxes.

ARTICLE 22
INDEMNIFICATION

SURVEYOR AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM AND AGAINST ANY AND ALL LIABILITIES, LOSSES, PENALTIES, JUDGMENTS, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, REASONABLE ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM A NEGLIGENT ACT, ERROR OR OMISSION, NEGLIGENCE, OR INTENTIONAL TORT COMMITTED BY SURVEYOR, SURVEYOR'S EMPLOYEES, AGENTS, OR ANY OTHER PERSON OR ENTITY UNDER CONTRACT WITH SURVEYOR INCLUDING, WITHOUT LIMITATION, SURVEYOR'S SUBCONSULTANTS, OR ANY OTHER ENTITY OVER WHICH SURVEYOR EXERCISES CONTROL.

SURVEYOR FURTHER AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM ANY AND ALL LIABILITIES, LOSSES, PENALTIES, JUDGMENTS, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM SURVEYOR'S FAILURE TO PAY SURVEYOR'S EMPLOYEES, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, IN CONNECTION WITH ANY OF THE WORK PERFORMED OR TO BE PERFORMED UNDER THIS CONTRACT BY SURVEYOR.

SURVEYOR FURTHER AGREES TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM ANY AND ALL LIABILITIES, LOSSES, PENALTIES, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM THE INFRINGEMENT OF ANY INTELLECTUAL PROPERTY ARISING OUT OF THE USE OF ANY PLANS, DESIGN, DRAWINGS, OR SPECIFICATIONS FURNISHED BY SURVEYOR IN THE PERFORMANCE OF THIS CONTRACT.

THE LIMITS OF INSURANCE REQUIRED IN THIS CONTRACT AND/OR THE CONTRACT DOCUMENTS SHALL NOT LIMIT SURVEYOR'S OBLIGATIONS UNDER THIS SECTION. THE TERMS AND CONDITIONS CONTAINED IN THIS SECTION SHALL SURVIVE THE TERMINATION OF THE CONTRACT AND/OR CONTRACT DOCUMENTS OR THE SUSPENSION OF THE WORK HEREUNDER. TO THE EXTENT THAT ANY LIABILITIES, PENALTIES, DEMANDS, CLAIMS, LAWSUITS, LOSSES, DAMAGES, COSTS AND EXPENSES ARE CAUSED IN PART BY THE ACTS OF THE COUNTY OR THIRD PARTIES FOR WHOM SURVEYOR IS NOT LEGALLY LIABLE, SURVEYOR'S OBLIGATIONS SHALL BE IN PROPORTION TO SURVEYOR'S FAULT. THE OBLIGATIONS HEREIN SHALL ALSO EXTEND TO ANY ACTIONS BY THE COUNTY TO ENFORCE THIS INDEMNITY OBLIGATION.

IN THE EVENT THAT CONTRACTORS INITIATE LITIGATION AGAINST THE COUNTY IN WHICH THE CONTRACTOR ALLEGES DAMAGES AS A RESULT OF ANY NEGLIGENT ACTS, ERRORS OR OMISSIONS OF SURVEYOR, ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER ENTITIES OVER WHICH SURVEYOR EXERCISES CONTROL, INCLUDING, BUT NOT LIMITED TO, DEFECTS, ERRORS, OR OMISSIONS, THEN THE COUNTY SHALL HAVE THE RIGHT TO JOIN SURVEYOR IN ANY SUCH PROCEEDINGS AT THE COUNTY'S COST. SURVEYOR SHALL ALSO HOLD THE COUNTY HARMLESS AND INDEMNIFY THE COUNTY TO THE EXTENT THAT SURVEYOR, ANY OF ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER

ENTITIES OVER WHICH SURVEYOR EXERCISES CONTROL, CAUSED SUCH DAMAGES TO CONTRACTOR, INCLUDING ANY AND ALL COSTS AND ATTORNEYS' FEES INCURRED BY THE COUNTY IN CONNECTION WITH THE DEFENSE OF ANY CLAIMS WHERE SURVEYOR, ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER ENTITIES OVER WHICH SURVEYOR EXERCISES CONTROL, ARE ADJUDICATED AT FAULT.

TO THE FULLEST EXTENT PERMITTED BY LAW, NEITHER PARTY SHALL BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, PUNITIVE, CONSEQUENTIAL OR INDIRECT DAMAGES RESULTING IN ANY WAY FROM THIS AGREEMENT.

ARTICLE 23
SURVEYOR'S RESPONSIBILITIES

Surveyor shall be responsible for the accuracy of his/her/its Surveying Services and shall promptly make necessary revisions or corrections to its work product resulting from errors, omissions, or negligent acts, and same shall be done without compensation. County shall determine Surveyor's responsibilities for all questions arising from surveying errors and/or omissions, subject to the dispute resolution provisions of Article 33. Surveyor shall not be relieved of responsibility for subsequent correction of any such errors or omissions in its work product, or for clarification of any ambiguities until after the construction phase of the Project has been completed.

ARTICLE 24
SURVEYOR'S SEAL

The responsible surveyor shall sign, seal and date all appropriate surveying submissions to County in accordance with the Texas Professional Land Surveying Practices Act and the rules of the Texas Board of Professional Land Surveying.

ARTICLE 25
INSURANCE

Surveyor must comply with the following insurance requirements at all times during this Contract:

A. Coverage Limits. Surveyor, at Surveyor's sole cost, shall purchase and maintain during the entire term while this Contract is in effect the following insurance:

1. Worker's Compensation in accordance with statutory requirements.
2. Commercial General Liability Insurance with a combined minimum Bodily Injury and Property Damage limits of $1,000,000.00 per occurrence and $2,000,000.00 in the aggregate.
3. Business Automobile Liability Insurance for all owned, non-owned, and hired vehicles with combined minimum limits for Bodily Injury and Property Damage of $1,000,000.00 each accident.
4. Professional Liability Insurance in the amount of $2,000,000.00 per claim and annual aggregate.

B. Additional Insureds; Waiver of Subrogation. County, its directors, officers and

employees shall be added as additional insureds under policies listed under (2) and (3) above, and on those policies where County, its directors, officers and employees are additional insureds, such insurance shall be primary and any insurance maintained by County shall be excess and not contribute with it. Such policies shall also include waivers of subrogation in favor of County.

C. Premiums and Deductible. Surveyor shall be responsible for payment of premiums for all of the insurance coverages required under this section. Surveyor further agrees that for each claim, suit or action made against insurance provided hereunder, with respect to all matters for which the Surveyor is responsible hereunder, Surveyor shall be solely responsible for all deductibles and self-insured retentions. Any deductibles or self-insured retentions over $200,000 in the Surveyor's insurance must be declared and approved in writing by County in advance.

D. Commencement of Work. Surveyor shall not commence any field work under this Contract until he/she/it has obtained all required insurance and such insurance has been approved by County. As further set out below, Surveyor shall not allow any subcontractor/subconsultant(s) to commence work to be performed in connection with this Contract until all required insurance has been obtained and approved and such approval shall not be unreasonably withheld. Approval of the insurance by County shall not relieve or decrease the liability of Surveyor hereunder.

E. Insurance Company Rating. The required insurance must be written by a company approved to do business in the State or Texas with a financial standing of at least an A-rating, as reflected in Best's insurance ratings or by a similar rating system recognized within the insurance industry at the time the policy is issued.

F. Certification of Coverage. Surveyor shall furnish County with a certification of coverage issued by the insurer. Surveyor shall not cause any insurance to be canceled nor permit any insurance to lapse. **In addition to any other notification requires set forth hereunder, Surveyor shall also notify County, within twenty-four (24) hours of receipt, of any notices of expiration, cancellation, non-renewal, or material change in coverage it receives from its insurer.**

G. No Arbitration. It is the intention of the County and agreed to and hereby acknowledged by the Surveyor, that no provision of this Contract shall be construed to require the County to submit to mandatory arbitration in the settlement of any claim, cause of action or dispute, except as specifically required in direct connection with an insurance claim or threat of claim under an insurance policy required hereunder or as may be required by law or a court of law with jurisdiction over the provisions of this Contract.

H. Subcontractor/Subconsultant's Insurance. Without limiting any of the other obligations or liabilities of Surveyor, Surveyor shall require each subcontractor/subconsultant performing work under this Contract (to the extent a subcontractor/subconsultant is allowed by County) to maintain during the term of this Contract, at the subcontractor/subconsultant's own expense, the same stipulated minimum insurance required in this Article, including the required provisions and additional policy conditions as shown below in this Article. Any requests for

consent to reduce any insurance coverage limits requirements for Surveyor's subcontractors/subconsultants must be provided to County in writing and must set forth reasoning and justifications for decreasing such coverage limits. County may, at its sole discretion, consent to a reduction in the insurance coverage limits requirements for Surveyor's subcontractors/subconsultants; provided, however, consent by County must be in writing and such consent shall not relieve or decrease the liability of Surveyor hereunder.

Surveyor shall obtain and monitor the certificates of insurance from each subcontractor/subconsultant in order to assure compliance with the insurance requirements. Surveyor must retain the certificates of insurance for the duration of this Contract, and shall have the responsibility of enforcing these insurance requirements among its subcontractor/subconsultants. County shall be entitled, upon request and without expense, to receive copies of these certificates of insurance.

I. Insurance Policy Endorsements. Each insurance policy shall include the following conditions by endorsement to the policy:

1. County shall be notified thirty (30) days prior to the expiration, cancellation, non-renewal or any material change in coverage, and such notice thereof shall be given to County by certified mail and by email to:

   Williamson County Purchasing Department
   100 Wilco Way
   Suite P101
   Georgetown, TX. 78626
   Email: purchase@wilco.org

   With copy to:

   Williamson County Auditor's Office
   Attn: Contracts Auditor
   901 South Austin Avenue
   Georgetown, Texas 78626
   Email: contractaudit@wilco.org

   Williamson County Dept. of Infrastructure
   Attn: Director of Road & Bridge
   3151 SE Inner Loop, Suite B
   Georgetown, Texas 78626

2. The policy clause "Other Insurance" shall not apply to any insurance coverage currently held by County, to any such future coverage, or to County's Self-Insured Retentions of whatever nature.

J. Cost of Insurance. The cost of all insurance required herein to be secured and maintained by Surveyor shall be borne solely by Surveyor, with certificates of insurance

evidencing such minimum coverage in force to be filed with County. Such Certificates of Insurance are evidenced as **Exhibit F** herein entitled "Certificates of Insurance."

ARTICLE 26
COPYRIGHTS

County shall have the royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use, and to authorize others to use, any reports developed by Surveyor for governmental purposes.

ARTICLE 27
SUCCESSORS AND ASSIGNS

This Contract shall be binding upon and inure to the benefit of the parties hereto, their successors, lawful assigns, and legal representatives. Surveyor may not assign, sublet or transfer any interest in this Contract, in whole or in part, by operation of law or otherwise, without obtaining the prior written consent of County.

ARTICLE 28
SEVERABILITY

In the event any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision thereof and this Contract shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

ARTICLE 29
PRIOR AGREEMENTS SUPERSEDED

This Contract constitutes the sole agreement of the parties hereto, and supersedes any prior understandings or written or oral contracts between the parties respecting the subject matter defined herein. This Contract may only be amended or supplemented by mutual agreement of the parties hereto in writing.

ARTICLE 30
SURVEYOR'S ACCOUNTING RECORDS

Surveyor agrees to maintain, for a period of three (3) years after final payment under this Contract, detailed records identifying each individual performing the Surveying Services, the date or dates the services were performed, the applicable hourly rates, the total amount billed for each individual and the total amount billed for all persons, records of reimbursable costs and expenses of other providers and provide such other details as may be requested by the County Auditor for verification purposes. Surveyor agrees that County or its duly authorized representatives shall, until the expiration of three (3) years after final payment under this Contract, have access to and the right to examine and photocopy any and all books, documents, papers and records of Surveyor which are directly pertinent to the services to be performed under this Contract for the purposes of

making audits, examinations, excerpts, and transcriptions. Surveyor further agrees that County shall have access during normal working hours to all necessary Surveyor facilities and shall be provided adequate and appropriate workspace in order to conduct audits in compliance with the provisions of this section. County shall give Surveyor reasonable advance notice of intended audits.

ARTICLE 31
NOTICES

All notices to either party by the other required under this Contract shall be personally delivered or mailed to such party at the following respective addresses:

ARTICLE 32
GENERAL PROVISIONS

A. Time is of the Essence. Subject to Article 3 hereof, Surveyor understands and agrees that time is of the essence and that any failure of Surveyor to complete the Surveying Services for each phase of this Contract within the agreed work schedule set out in the applicable Work Authorization may constitute a material breach of this Contract. Surveyor shall be fully responsible for his/her/its delays or for failures to use his/her/its reasonable efforts in accordance with the terms of this Contract and the Surveyor's standard of performance as defined herein. Where damage is caused to County due to Surveyor's negligent failure to perform County may

accordingly withhold, to the extent of such damage, Surveyor's payments hereunder without waiver of any of County's additional legal rights or remedies.

B. Force Majeure. Neither County nor Surveyor shall be deemed in violation of this Contract if prevented from performing any of their obligations hereunder by reasons for which they are not responsible or circumstances beyond their control. However, notice of such impediment or delay in performance must be timely given, and all reasonable efforts undertaken to mitigate its effects.

C. Enforcement and Venue. This Contract shall be enforceable in Georgetown, Williamson County, Texas, and if legal action is necessary by either party with respect to the enforcement of any or all of the terms or conditions herein, exclusive venue for same shall lie in Williamson County, Texas. This Contract shall be governed by and construed in accordance with the laws and court decisions of the State of Texas excluding, however, its choice of law rules.

D. Standard of Performance. The standard of care for all professional surveying, consulting and related services performed or furnished by Surveyor and its employees under this Contract will be the care and skill ordinarily used by members of Surveyor's profession practicing under the same or similar circumstances at the same time and in the same locality.

E. Opinion of Probable Cost. Any opinions of probable Project cost or probable construction cost provided by Surveyor are made on the basis of information available to Surveyor and on the basis of Surveyor's experience and qualifications and represents its judgment as an experienced and qualified professional surveyor. However, since Surveyor has no control over the cost of labor, materials, equipment or services furnished by others, or over the contractor(s') methods of determining prices, or over competitive bidding or market conditions, Surveyor does not guarantee that proposals, bids or actual Project or construction cost will not vary from opinions of probable cost Surveyor prepares.

F. Opinions and Determinations. Where the terms of this Contract provide for action to be based upon opinion, judgment, approval, review, or determination of either party hereto, such terms are not intended to be and shall never be construed as permitting such opinion, judgment, approval, review, or determination to be arbitrary, capricious, or unreasonable.

G. Reports of Accidents. Within 24 hours after Surveyor becomes aware of the occurrence of any accident or other event which results in, or might result in, injury to the person or property of any third person (other than an employee of the Surveyor), whether or not it results from or involves any action or failure to act by the Surveyor or any employee or agent of the Surveyor and which arises in any manner from the performance of this Contract, the Surveyor shall send a written report of such accident or other event to the County, setting forth a full and concise statement of the facts pertaining thereto. The Surveyor shall also immediately send the County a copy of any summons, subpoena, notice, or other documents served upon the Surveyor, its agents, employees, or representatives, or received by it or them, in connection with any matter before any court arising in any manner from the Surveyor's performance of work under this Contract.

H. Gender, Number and Headings. Words of any gender used in this Contract shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, unless the context otherwise requires. The headings and section numbers are for convenience only and shall not be considered in interpreting or construing this Contract.

I. Construction. Each party hereto acknowledges that it and its counsel have reviewed this Contract and that the normal rules of construction are not applicable and there will be no presumption that any ambiguities will be resolved against the drafting party in the interpretation of this Contract.

J. Independent Contractor Relationship. Both parties hereto, in the performance of this Contract, shall act in an individual capacity and not as agents, employees, partners, joint ventures or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purposes whatsoever.

K. No Waiver of Immunities. Nothing in this Contract shall be deemed to waive, modify or amend any legal defense available at law or in equity to County, its past or present officers, employees, or agents or employees, nor to create any legal rights or claim on behalf of any third party. County does not waive, modify, or alter to any extent whatsoever the availability of the defense of governmental immunity under the laws of the State of Texas and of the United States.

L. Texas Public Information Act. To the extent, if any, that any provision in this Contract is in conflict with Tex. Gov't Code 552.001 et seq., as amended (the "Public Information Act"), the same shall be of no force or effect. Furthermore, it is expressly understood and agreed that County, its officers and employees may request advice, decisions and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act to any items or data furnished to County as to whether or not the same are available to the public. It is further understood that County's officers and employees shall have the right to rely on the advice, decisions and opinions of the Attorney General, and that County, its officers and employees shall have no liability or obligation to any party hereto for the disclosure to the public, or to any person or persons, of any items or data furnished to County by a party hereto, in reliance of any advice, decision or opinion of the Attorney General of the State of Texas.

M. Governing Terms and Conditions. If there is an irreconcilable conflict between the terms and conditions set forth in this Contract or any Contract Amendment and the terms and conditions set forth in any Exhibit, Appendix, Work Authorization or Supplemental Work Authorization to this Contract, the terms and conditions set forth in this Contract or any Contract Amendment shall control over the terms and conditions set forth in any Exhibit, Appendix, Work Authorization or Supplemental Work Authorization to this Contract.

N. Meaning of Day. For purposes of this Contract, all references to a "day" or "days" shall mean a calendar day or calendar days.

O. Appropriation of Funds by County. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Contract. Surveyor understands and agrees that County's payment of amounts under this Contract is contingent on

the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Surveyor that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Surveyor.

ARTICLE 33
DISPUTE RESOLUTION

Except as otherwise specifically set forth herein, County and Surveyor shall work together in good faith to resolve any controversy, dispute or claim between them which arises out of or relates to this Contract, whether stated in tort, contract, statute, claim for benefits, bad faith, professional liability or otherwise ("Claim"). If the parties are unable to resolve the Claim within thirty (30) days following the date in which one party sent written notice of the Claim to the other party, and if a party wishes to pursue the Claim, such Claim shall be addressed through non-binding mediation. A single mediator engaged in the practice of law, who is knowledgeable about subject matter of this Contract, shall be selected by agreement of the parties and serve as the mediator. Any mediation under this Contract shall be conducted in Williamson County, Texas. The mediator's fees shall be borne equally between the parties. Such non-binding mediation is a condition precedent to seeking redress in a court of competent jurisdiction, but this provision shall not preclude either party from filing a lawsuit in a court of competent jurisdiction prior to completing a mediation if necessary to preserve the statute of limitations, in which case such lawsuit shall be stayed pending completion of the mediation process contemplated herein. This provision shall survive the termination of the Contract.

ARTICLE 34
EQUAL OPPORTUNITY IN EMPLOYMENT

During the performance of this Contract and to the extent the Project is a federally funded project, Surveyor, for itself, its assignees and successors in interest agrees as follows:

A. Compliance with Regulations. The Surveyor shall comply with the Regulations relative to nondiscrimination in Federally-assisted programs of the Department of Transportation (hereinafter, "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract.

B. Nondiscrimination. The Surveyor, with regard to the work performed by it during the Contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors/subconsultants, including procurements of materials and leases of equipment. The Surveyor shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

C. Solicitations for Subcontracts, Including Procurements of Materials and Equipment. In all solicitations either by competitive bidding or negotiation made by the Surveyor

for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor/subconsultant or supplier shall be notified by the Surveyor of the Surveyor's obligations under this Contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

D. Information and Reports. The Surveyor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the County (referred to in this Article as the "Recipient") or the Texas Department of Transportation to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the Surveyor shall so certify to the Recipient, or the Texas Department of Transportation as appropriate, and shall set forth what efforts it has made to obtain the information.

E. Sanctions for Noncompliance. In the event of the Surveyor's noncompliance with the nondiscrimination provisions of this contract, the Recipient shall impose such contract sanctions as it or the Texas Department of Transportation may determine to be appropriate, including, but not limited to:

1. withholding of payments to the Surveyor under the contract until the Surveyor complies, and/or;
2. cancellation, termination or suspension of the Contract, in whole or in part.

F. Incorporation of Provisions. The Surveyor shall include the provisions of Subsections (A) through (F) above in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The Surveyor shall take such action with respect to any subcontract or procurement as the Recipient or the Texas Department of Transportation may direct as a means of enforcing such provisions including sanctions for non-compliance: Provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor/subconsultant or supplier as a result of such direction, the Surveyor may request the Recipient to enter into such litigation to protect the interests of the Recipient, and, in addition, the Surveyor may request the United States to enter into such litigation to protect the interests of the United States.

SIGNATORY WARRANTY

The undersigned signatory for Surveyor hereby represents and warrants that the signatory is an officer of the organization for which he/she has executed this Contract and that he/she has full and complete authority to enter into this Contract on behalf of the firm. The above-stated representations and warranties are made for the purpose of inducing County to enter into this Contract.

IN WITNESS WHEREOF, County has caused this Contract to be signed in its name by its duly authorized County Judge, as has Surveyor, signing by and through its duly authorized representative(s), thereby binding the parties hereto, their successors, assigns and representatives

for the faithful and full performance of the terms and provisions hereof, to be effective as of the date of the last party's execution below. NO OFFICIAL, EMPLOYEE, AGENT, OR REPRESENTATIVE OF THE COUNTY HAS ANY AUTHORITY, EITHER EXPRESS OR IMPLIED, TO AMEND, TERMINATE OR MODIFY THIS CONTRACT, EXCEPT PURSUANT TO SUCH EXPRESS AUTHORITY AS MAY BE GRANTED BY THE WILLIAMSON COUNTY COMMISSIONERS COURT.

WORK AUTHORIZATION

(To Be Completed and Executed After Contract Execution)

WORK AUTHORIZATION NO. _____
PROJECT: _____

This Work Authorization is made pursuant to the terms and conditions of the Williamson County Contract for Surveying Services, being dated _____ ____, 20____and entered into by and between Williamson County, Texas, a political subdivision of the State of Texas, (the "County") and _____ (the "Surveyor").

Part1. The Surveyor will provide the following Surveying Services set forth in Attachment "B" of this Work Authorization.

Part 2. The maximum amount payable for services under this Work Authorization without modification is _____.

Part 3. Payment to the Surveyor for the services established under this Work Authorization shall be made in accordance with the Contract.

Part 4. This Work Authorization shall become effective on the date of final acceptance and full execution of the parties hereto and shall terminate on _____ ____, 20_____. The Surveying Services set forth in Attachment "B" of this Work Authorization shall be fully completed on or before said date unless extended by a Supplemental Work Authorization.

Part 5. This Work Authorization does not waive the parties' responsibilities and obligations provided under the Contract.

Part 6. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Work Authorization. Surveyor understands and agrees that County's payment of amounts under this Work Authorization is contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Surveyor that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Surveyor.

Part 7. This Work Authorization is hereby accepted and acknowledged below.

RATE SCHEDULE

CPI Rate Adjustments: Rates shall remain firm for the initial first year of the Contract and such rates shall be deemed the "Initial Base Rates." Surveyor may request rate adjustments, in writing, at least thirty (30) days prior to each annual anniversary date of the Contract. Upon County's receipt of a rate adjustment request, County will prepare a Contract Amendment setting forth the CPI rate adjustments and will provide such Contract Amendment to Surveyor for its execution. Rate adjustments will take effect on the later of (1) one year after the Contract execution date or (2) the first (1st) day following the parties' complete execution of a Contract Amendment. Such rates shall remain in effect until the later of (1) the next annual anniversary date of the Contract; or (2) the date of the parties' complete execution of a new Contract Amendment that set forth adjustments to the prior rates. Any new rate adjustments will not become effective until a Contract Amendment is fully executed by the parties and no retroactive rate adjustments will be allowed.

Price adjustments will be made in accordance with changes in the U.S. Department of Labor Consumer Price Index (CPI-U) for All Urban Consumers, All Items, South Region (Base 1982-84 = 100).

The rate adjustment will be determined by multiplying the Initial Base Rates by a fraction, the numerator of which is the index number for most recently released index and the denominator of which is the index number for the first month of the Contract (the index number for the month in which the Contract was originally executed). If the products are greater than the Initial Base Rates, County will pay the greater amounts as the rates during the successive year until the next rate adjustment. Rates for each successive year will never be less than the Initial Base Rates.

EXHIBIT D

EXHIBIT E

Williamson County
Vendor Reimbursement Policy

The purpose of this Williamson County Vendor Reimbursement Policy ("Policy") is to provide clear guidelines to vendors on Williamson County's expectations and requirements regarding allowable reimbursable expenditures and required backup. The Policy will also minimize conflicts related to invoice payments and define non-reimbursable items. This Policy is considered a guideline and is not a contract.

This Policy may be altered, deleted or amended, at any time and without prior notice to vendors, by action of the Williamson County Commissioners Court. Unenforceable provisions of this Policy, as imposed by applicable law, regulations, or judicial decisions, shall be deemed to be deleted. Any revisions to this Policy will be distributed to all current vendors doing business with the County.

1. Invoices and Affidavits

1.1 Invoices must adequately describe the goods or services provided to County and include all required backup (i.e., reimbursable expenses, mileage log, timesheets, receipts detailing expenses incurred etc.) that is in a form acceptable to the Williamson County Auditor. Invoices that do not adequately describe the goods or services provided to County or contain backup that is satisfactory to the Williamson County Auditor will be returned to vendor for revisions and the provision above relating to invoice errors resolved in favor of the County shall control as to the required actions of vendor and when such invoice must be paid by the County.

1.2 In the event an invoice includes charges based upon hourly billing rates for services or any other rates based upon the amount of time worked by an individual or individuals in performing services, whether the charges are being billed directly to the County or whether they are the basis of invoices from subcontractors for which the vendor seeks reimbursement from the County, the charges shall be accompanied by an affidavit signed by an officer or principal of the vendor certifying that the work was performed, it was authorized by the County and that all information contained in the invoice that is being submitted is true and correct.

1.3 Upon County's request, vendor must submit all bills paid affidavits wherein vendor must swear and affirm that vendor has paid each of its subcontractors, laborers, suppliers and material in full for all labor and materials provided to vendor for or in connection with services and work performed for County and, further, vendor must swear and affirm that vendor is not aware of any unpaid bills, claims, demands, or causes of action by any of its subcontractors, laborers, suppliers, or material for or in connection with the furnishing of labor or materials, or both, for services and work performed for County.

2. Travel Reimbursement

2.1 The County will only cover costs associated with travel for vendors outside a 45-mile radius from the Williamson County Courthouse, 710 Main Street, Georgetown,

Texas 78626.

2.2 The County will only cover costs associated with travel as documented work for County. If a vendor is also doing business for another client, the travel costs must be split in proportion to the amount of work actually performed for the County and the other client. The only allowable travel expense will be for the specific days worked for Williamson County.

2.3 No advance payments will be made to vendor for travel expenditures. The travel expenditure may only be reimbursed after the expenditure/trip has already occurred and vendor has provided the Williamson County Auditor with all necessary and required backup.

2.4 Vendors must submit all travel reimbursement requests on each employee in full. Specifically, a travel reimbursement request must include all related travel reimbursement expenses relating to a particular trip for which vendor seeks reimbursement. Partial travel reimbursement requests will not be accepted (i.e., vendor should not submit hotel and mileage one month then the next month submit rental car and airfare). If the travel reimbursement appears incomplete, the invoice will be sent back to the vendor to be submitted when all information is ready to submit in full.

2.5 Reimbursement for transportation costs will be at the most reasonable means of transportation (i.e.: airline costs will be reimbursed for coach rate, rental car costs will only be reimbursed if rental car travel was most reasonable means of travel as compared to travel by air).

2.6 The County will not be responsible for, nor will the County reimburse additional charges due to personal preference or personal convenience of individual traveling.

2.7 The County will not reimburse airfare costs if airfare costs were higher than costs of mileage reimbursement.

2.8 Additional expenses associated with travel that is extended to save costs (i.e., Saturday night stay) may be reimbursed if costs of airfare would be less than the cost of additional expenses (lodging, meals, car rental, mileage) if the trip had not been extended. Documentation satisfactory to the Williamson County Auditor will be required to justify expenditure.

2.9 County will only reimburse travel expense to necessary personnel of the vendor (i.e., no spouse, friends or family members).

2.10 Except as otherwise set forth herein, a vendor must provide a paid receipt for all expenses. If a receipt cannot be obtained, a written sworn statement of the expense from the vendor may be substituted for the receipt.

2.11 Sales tax for meals and hotel stays are the only sales taxes that will be reimbursed. Sales tax on goods purchased will not be reimbursed. A sales tax exemption form is available from the Williamson County Auditor's Office upon request.

2.12 The County will not pay for any late charges on reimbursable items. It is the responsibility of the vendor to pay the invoice first and seek reimbursement from the County.

3. Meals

3.1 Meal reimbursements are limited to a maximum of $59.00 per day on overnight travel. On day travel (travel that does not require an overnight stay), meal

reimbursements are limited to a maximum of $25.00 per day. The travel must be outside the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626 by a 45-mile radius.

3.2 Receipts are required on meal reimbursement amounts up to the maximum per day amount stated for overnight or day travel. If receipts are not presented, the vendor can request per diem (per diem limits refer to 3.2). However, a vendor cannot combine per diem and meal receipts. Only one method shall be allowed.

3.3 Meals are reimbursable only to vendors who do not have necessary personnel located within a 45-mile radius of the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626, who are capable of carrying the vendor's obligations to the County. Meals will not be reimbursed to vendors who are located within a 45-mile radius of the Williamson County Courthouse.

3.4 County will not reimburse for alcoholic beverages.

3.5 Tips are reimbursable but must be reasonable to limitation of meal allowance

3.6 No meals purchased for entertainment purposes will be allowed.

3.7 Meal reimbursement must be substantiated with a hotel receipt.

4. Lodging

4.1 Hotel accommodations require an itemized hotel folio as a receipt. The lodging receipt should include name of the motel/hotel, number of occupant(s), goods or services for each individual charge (room rental, food, tax, etc.) and the name of the occupant(s). Credit card receipts or any other form of receipt are not acceptable.

4.2 Vendors will be reimbursed for a single room rate charge plus any applicable tax. If a single room is not available, the vendor must provide documentation to prove that a single room was not available in order to justify the expense over and above the single room rate. A vendor may also be required to provide additional documentation if a particular room rate appears to be excessive.

4.3 Personal telephone charges, whether local or long distance, will not be reimbursed.

5. Airfare

5.1 The County will only reimburse up to a coach price fare for air travel.

5.2 The County will exclude any additional charges due to personal preference or personal convenience of the individual traveling (i.e., seat preference charges, airline upgrades, etc. will not be an allowable reimbursement)

5.3 Air travel expenses must be supported with receipt copy of an airline ticket or an itinerary with actual ticket price paid. If tickets are purchased through a website, vendor must submit a copy of the webpage showing the ticket price if no paper ticket was issued.

5.4 Cancellation and/or change flight fees may be reimbursed by the County but vendor must provide the Williamson County Auditor with documentation in writing from a County department head providing authorization for the change.

5.5 The County will not reimburse vendor for tickets purchased with frequent flyer miles.

6. Car Rental

6.1 Vendors that must travel may rent a car at their destination when it is less expensive than other transportation such as taxis, airport shuttles or public transportation such as buses or subways.

6.2 Cars rented must be economy or mid-size. Luxury vehicle rentals will not be reimbursed. Any rental costs over and above the cost of a mid-size rental will be adjusted.

6.3 Vendors will be reimbursed for rental cars if the rental car cost would have been less than the mileage reimbursement cost (based on the distance from vendor's point of origin to Williamson County, Texas) had the vendor driven vendor's car.

6.4 Vendors must return a car rental with appropriate fuel levels as required by rental agreement to avoid the car rental company from adding fuel charges.

6.5 Rental agreement and credit card receipt must be provided to County as back up for the request for reimbursement.

6.6 Insurance purchased when renting vehicle may also be reimbursed.

6.7 Car Rental optional extras such as GPS, roadside assistance, and administrative fees on Tolls will not be reimbursed.

7. Personal Car Usage

7.1 Personal vehicle usage will be reimbursed in an amount equal to the standard mileage rate allowed by the IRS.

7.2 Per code of Federal Regulations, Title 26, Subtitle A, Chapter 1, Subchapter B, Part IX, Section 274(d), all expense reimbursement requests must include the following:

7.2.1.1 Date

7.2.1.2 Destination

7.2.1.3 Purpose

7.2.1.4 Name of traveler(s)

7.2.1.5 Correspondence that verifies business purpose of the expense

7.3 The mileage for a personal vehicle must document the date, location of travel to/from, number of miles traveled and purpose of trip.

7.4 Mileage will be reimbursed on the basis of the most commonly used route.

7.5 Reimbursement for mileage shall not exceed the cost of a round trip coach airfare.

7.6 Reimbursement for mileage shall be prohibited between place of residence and usual place of work.

7.7 Mileage should be calculated from employee's regular place of work or their residence, whichever is the shorter distance when traveling to a meeting or traveling to Williamson County, Texas for vendors who are located outside of the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626 by at least a 45-mile radius.

7.8 When more than one person travels in same vehicle, only one person may claim mileage reimbursement.

7.9 Tolls, if reasonable, are reimbursable. Receipts are required for reimbursement. If a receipt is not obtainable, then written documentation of expense must be submitted for reimbursement (administrative fees on Tolls will not be reimbursed).

7.10 Parking fees, if reasonable are reimbursable for meetings and hotel stays. For vendors who contract with a third party for visitor parking at vendor's place of business, Williamson County will not reimburse a vendor based on a percentage of its contracted visitor parking fees. Rather, Williamson County will reimburse Vendor for visitor parking on an individual basis for each time a visitor uses Vendor's visitor parking. Receipts are required for reimbursement. If a receipt is not

obtainable, then written documentation of expense must be submitted for reimbursement.

7.11 Operating and maintenance expenses as well as other personal expenses, such as parking tickets, traffic violations, and car repairs and collision damage are not reimbursable.

8. Other Expenses

8.1 Taxi fare, bus tickets, conference registrations, parking, etc. must have a proper original receipt.

9. Repayment of Non-reimbursable Expense.

Vendors must, upon demand, immediately repay County for all inappropriately reimbursed expenses whenever an audit or subsequent review of any expense reimbursement documentation finds that such expense was reimbursed contrary to these guidelines and this Policy. Williamson County reserves the right to retain any amounts that are due or that become due to a vendor in order to collect any inappropriately reimbursed expenses that a vendor was paid.

10. Non-Reimbursable Expenses

In addition to the non-reimbursable items set forth above in this Policy, the following is a non-exhaustive list of expenses that will not be reimbursed by Williamson County:

10.1 Alcoholic beverages/tobacco products
10.2 Personal phone calls
10.3 Laundry service
10.4 Valet service (excludes hotel valet)
10.5 Movie rentals
10.6 Damage to personal items
10.7 Flowers/plants
10.8 Greeting cards
10.9 Fines and/or penalties
10.10 Entertainment, personal clothing, personal sundries and services
10.11 Transportation/mileage to places of entertainment or similar personal activities
10.12 Upgrades to airfare, hotel and/or car rental
10.13 Airport parking above the most affordable rate available
10.14 Excessive weight baggage fees or cost associated with more than two airline bags
10.15 Auto repairs
10.16 Babysitter fees, kennel costs, pet or house-sitting fees
10.17 Saunas, massages or exercise facilities
10.18 Credit card delinquency fees or service fees
10.19 Doctor bills, prescription and other medical services
10.20 Hand tools
10.21 Safety Equipment (hard hats, safety vests, etc.)
10.22 Office Supplies
10.23 Lifetime memberships to any association
10.24 Donations to other entities
10.25 Any items that could be construed as campaigning
10.26 Technology Fees

10.27 Sales tax on goods purchased

10.28 Any other expenses which Williamson County deems, in its sole discretion, to be inappropriate or unnecessary expenditures.

Award of RFSQ #24RFSQ22 Engineering Services for Updating the Wilco Transportation Plan for Road and Bridge Department

Submitted For: Joy Simonton **Submitted By:** Johnny Grimaldo, Purchasing

Department: Purchasing

Agenda Category: Regular Agenda Items

Information

Agenda Item

Discuss, consider, and take appropriate action on awarding RFSQ #24RFSQ22 Engineering Services for Updating the Wilco Transportation Plan to Alliance Transportation Group, LLC in the maximum payable amount of One Million Five Hundred Thousand Dollars ($1,500,000.00) and authorize the execution of the agreement. The funding source is P621.

Background

Williamson County sent out six thousand three hundred (6,300) notifications with seventy-nine (79) document takers and received three (3) responses. Williamson County solicited qualifications of engineering firms interested in providing engineering services to assist Williamson County staff in updating the Williamson County Transportation Plan and other traffic engineering and modeling activities. Based on the attached supporting documentation, the Wilco Transportation Plan Selection Committee recommends the selection of Alliance Transportation Group, LLC, which was the top ranked firm from the evaluation process. The funding source is P621 and the point of contact is Bob Daigh.

WILLIAMSON COUNTY
CONTRACT FOR ENGINEERING SERVICES

FIRM: **Alliance Transportation Group, LLC ("Engineer")**
ADDRESS: **11701 Stonehollow Dr., Suite 100, Austin, TX 78758**
PROJECT: **24RFSQ22 Engineering Services for Updating the Wilco Transportation Plan ("Project")**

THE STATE OF TEXAS §
§
COUNTY OF WILLIAMSON §

THIS CONTRACT FOR ENGINEERING SERVICES ("Contract") is made and entered into, effective as the date of the last party's execution hereinbelow, by and between Williamson County, Texas, a political subdivision of the State of Texas, whose offices are located at 710 Main Street, Suite 101, Georgetown, Texas, 78626 (hereinafter referred to as "County"), and Engineer, and such Contract is for the purpose of contracting for professional engineering services.

RECITALS:

WHEREAS, V.T.C.A., Government Code §2254.002(2)(A)(vii) under Subchapter A entitled "Professional Services Procurement Act" provides for the procurement by counties of services of professional engineers; and

WHEREAS, County and Engineer desire to contract for such professional engineering services; and

WHEREAS, County and Engineer wish to document their agreement concerning the requirements and respective obligations of the parties;

NOW, THEREFORE, WITNESSETH:

That for and in consideration of the mutual promises contained herein and other good and valuable considerations, and the covenants and agreements hereinafter contained to be kept and performed by the respective parties hereto, it is agreed as follows:

ARTICLE 1
CONTRACT DOCUMENTS AND APPLICABLE PROJECT DOCUMENTS

A. Contract Documents. The Contract Documents consist of this Contract, any exhibits attached hereto (which exhibits are hereby incorporated into and made a part of this Contract), any fully executed Work Authorizations; any fully executed Supplemental Work Authorizations and all fully executed Contract Amendments (as defined herein in Article 14) which are subsequently issued. These form the entire contract, and all are as fully a part of this

Contract as if attached to this Contract or repeated herein.

B. Project Documents. In addition to any other pertinent and necessary Project documents, the following documents shall be used in the development of the Project:

A. TxDOT 2011 Texas Manual of Uniform Traffic Control Devices for Streets and Highways, including latest revisions
B. Texas Department of Transportation's Standard Specifications for Construction of Highways, Streets, and Bridges, 2014 or 2024, as applicable and as amended
C. National Environmental Policy Act (NEPA)
D. 2012 Edition of the Texas Accessibility Standards (TAS) regarding the Elimination of Architectural Barriers Program, including latest revisions (see 16 Tex. Admin. Code § 68.100; see also Tex. Gov't Code, Ch. 469), including latest revisions
E. Americans with Disabilities Act (ADA) Regulations
F. U.S. Army Corps Regulations
G. International Building Code, current edition as updated
H. Williamson County Design Criteria & Project Development Manual, latest edition
I. Williamson County Multi-Corridor Transportation Plan Project Level Environmental Review and Compliance Protocol, latest edition
J. Williamson County Protocol for Sustainable Roadsides, latest edition

ARTICLE 2
NON-COLLUSION; DEBARMENT; AND FINANCIAL INTEREST PROHIBITED

A. Non-collusion. Engineer warrants that he/she/it has not employed or retained any company or persons, other than a bona fide employee working solely for Engineer, to solicit or secure this Contract, and that he/she/it has not paid or agreed to pay any company or engineer any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon or resulting from the award or making of this Contract. For breach or violation of this warranty, County reserves and shall have the right to annul this Contract without liability or, in its discretion and at its sole election, to deduct from the contract price or compensation, or to otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift or contingent fee.

B. Debarment Certification. Engineer must sign the Debarment Certification enclosed herewith as **Exhibit A**.

C. Financial Interest Prohibited. Engineer covenants and represents that Engineer, his/her/its officers, employees, agents, consultants and subcontractors will have no financial interest, direct or indirect, in the purchase or sale of any product, materials or equipment that will be recommended or required for the construction of the Project.

ARTICLE 3
ENGINEERING SERVICES

Engineer shall perform Engineering Services as identified in **Exhibit B** entitled "Engineering Services."

County will prepare and issue Work Authorizations, in substantially the same form identified and attached hereto as **Exhibit C** and entitled "Work Authorization No. ____", to authorize the Engineer to perform one or more tasks of the Engineering Services. Each Work Authorization will include a description of the work to be performed, a description of the tasks and milestones, a work schedule for the tasks, definite review times by County and Engineer of all Engineering Services and a fee amount agreed upon by the County and Engineer. The amount payable for a Work Authorization shall be supported by the estimated cost of each work task as described in the Work Authorization. The Work Authorization will not waive the Engineer's responsibilities and obligations established in this Contract. The executed Work Authorizations shall become part of this Contract.

All work must be completed on or before the date specified in the Work Authorization. The Engineer shall promptly notify the County of any event which will affect completion of the Work Authorization, although such notification shall not relieve the Engineer from costs or liabilities resulting from delays in completion of the Work Authorization. Should the review times or Engineering Services take longer than shown on the Work Authorization, through no fault of Engineer, Engineer may submit a timely written request for additional time, which shall be subject to the approval of the County. Request for additional time shall be submitted at least 15 business days before termination or expiration of the Work Authorization. Any changes in a Work Authorization shall be enacted by a written Supplemental Work Authorization before additional costs may be incurred. Any Supplemental Work Authorization must be executed by both parties within the period specified in the Work Authorization.

ARTICLE 4
CONTRACT TERM

A. Term. The Engineer is expected to complete the Engineering Services described herein in accordance with the above-described Work Authorizations or any Supplemental Work Authorization related thereto. If Engineer does not perform the Engineering Services in accordance with each applicable Work Authorization or any Supplemental Work Authorization related thereto, then County shall have the right to terminate this Contract as set forth below in Article 20. So long as the County elects not to terminate this Contract, it shall continue from day to day until such time as the Engineering Services are completed in accordance with each applicable Work Authorization or any Supplemental Work Authorization related thereto. Any Engineering Services performed or costs incurred after the date of termination shall not be eligible for reimbursement. Engineer shall notify County in writing as soon as possible if he/she/it determines, or reasonably anticipates, that the Engineering Services will not be completed on or before the date specified in the Work Authorization or any Supplemental Work Authorization and in full accordance with the terms of the applicable Work Authorization or any Supplemental Work Authorization .

B. Work Authorizations. Engineer acknowledges that each Work Authorization is of critical importance and agrees to undertake all reasonably necessary efforts to expedite the performance of Engineering Services required herein so that construction of the Project will be commenced and completed as scheduled. In this regard, and subject to adjustments in a particular Work Authorization, as provided in Article 3 herein, Engineer shall proceed with sufficient qualified personnel and consultants necessary to fully and timely accomplish all Engineering Services required under this Contract in a professional manner.

C. Commencement of Engineering Services. After execution of this Contract, Engineer shall not proceed with Engineering Services until Engineer has been thoroughly briefed on the scope of the Project and has received an executed Work Authorization, which serves as the County's written notice to proceed, as provided in Article 8.

ARTICLE 5
COMPENSATION AND EXPENSES

County shall pay and Engineer agrees to accept up to the amount shown below as full compensation for the Engineering Services performed and to be performed under this Contract. The basis of compensation for the services of principals and employees engaged in the performance of the Engineering Services shall be based on the Rate Schedule set forth in the attached **Exhibit D**.

The maximum amount payable under this Contract, without modification, is **One Million Five Hundred Thousand and No/100 Dollars ($1,500,000.00)** (the "Compensation Cap"), provided that any amounts paid or payable shall be solely pursuant to a validly issued Work Authorization or any Supplemental Work Authorization related thereto. In no event may the aggregate amount of compensation authorized under Work Authorizations and Supplemental Work Authorizations exceed the Compensation Cap. The Compensation Cap shall be revised equitably only by written Contract Amendments executed by both parties in the event of a change the overall scope of the Engineering Services set forth in **Exhibit B**, as authorized by County.

The Compensation Cap is based upon all labor and non-labor costs estimated to be required in the performance of the Engineering Services provided for under this Contract. Should the actual costs of all labor and non-labor costs rendered under this Contract be less than the above stated Compensation Cap, then Engineer shall receive compensation for only actual fees and costs of the Engineering Services actually rendered and incurred, which may be less than the above stated Compensation Cap.

The Compensation Cap herein referenced may be adjusted for Additional Engineering Services requested and performed only if mutually approved by a written Contract Amendment signed by both parties.

Engineer shall prepare and submit to County monthly progress reports in sufficient detail to support the progress of the Engineering Services and to support invoices requesting monthly payment. The format for such monthly progress reports and invoices must be in a format acceptable

to County. Satisfactory progress of Engineering Services shall be an absolute condition of payment.

Engineer shall be reimbursed for actual non-labor and subcontract expenses incurred in the performance of the services under this Contract in accordance with the Williamson County Vendor Reimbursement Policy set forth under **Exhibit E**. Invoices requesting reimbursement for costs and expenditures related to the Project (reimbursables) must be accompanied by copies of the provider's invoice and comply with the Williamson County Vendor Reimbursement Policy. The copies of the provider's invoice must evidence the actual costs billed to Engineer without mark-up.

ARTICLE 6
METHOD OF PAYMENT

Payments to Engineer shall be made while Engineering Services are in progress. Engineer shall prepare and submit to the Williamson County Department of Infrastructure, to the attention of the Director of Road & Bridge, not more frequently than once per month, a progress report as referenced in Article 5 above. Such progress report shall state the percentage of completion of Engineering Services accomplished for an applicable Work Authorization or any Supplemental Work Authorization related thereto during that billing period and to date. This submittal shall also include a progress assessment report in a form acceptable to the County Auditor.

Simultaneous with submission of each progress report, Engineer shall provide the following documentation through the County's Director of Road & Bridge in a form acceptable to the County Auditor ("Invoice Package"):

(1) One (1) original certified invoice to the County ; and
(2) One (1) original complete packet of supporting documentation and time sheets detailing hours worked by staff persons with a description of the work performed by such persons, their work category, and approved billing rates as set forth in Exhibit B – Rate Schedule as part of this Contract

For Additional Engineering Services performed pursuant to this Contract, a separate Invoice Package of the Additional Engineering Services must be presented with the same aforementioned requirements.

Payments shall be made by County based upon Engineering Services actually provided and performed. **Upon timely receipt of a complete Invoice Package and approval thereof**, County shall make a good faith effort to pay the amount which is due and payable within thirty (30) days of the County Auditor's receipt. **Failure to submit a Complete Invoice Package may delay payments.** County reserves the right to reasonably withhold payment pending verification of satisfactory Engineering Services performed. Engineer has the responsibility to submit proof to County, adequate and sufficient in its determination, that tasks of an applicable Work Authorization or any Supplemental Work Authorization related thereto were completed.

The certified invoices shall show the total amount earned to the date of submission and shall show the amount due and payable as of the date of the current invoice. Final payment does not relieve Engineer of the responsibility of correcting any errors and/or omissions resulting from his/her/its negligence.

Upon submittal of the initial invoice, Engineer shall provide the County Auditor with an Internal Revenue Form W-9, Request for Taxpayer Identification Number and Certification that is complete in compliance with the Internal Revenue Code, its rules and regulations.

ARTICLE 7
PROMPT PAYMENT POLICY

In accordance with Chapter 2251, V.T.C.A., Texas Government Code, payment to Engineer will be made within thirty (30) days of the day on which the performance of services was complete, or within thirty (30) days of the day on which the County Auditor receives a correct invoice for services, whichever is later.

Engineer may charge a late fee (fee shall not be greater than that which is permitted by Texas law) for payments not made in accordance with this prompt payment policy; however, the Engineer's ability to charge a late fee shall not apply in the event:

A. There is a bona fide dispute between County and Engineer concerning the supplies, materials, or equipment delivered or the services performed that causes the payment to be late; or

B. The terms of a federal contract, grant, regulation, or statute prevent County from making a timely payment with federal funds; or

C. There is a bona fide dispute between Engineer and a subcontractor/subconsultant or between a subcontractor/subconsultant and its supplier concerning supplies, materials, or equipment delivered or the Engineering Services performed which causes the payment to be late;

D. Engineer's failure to submit a Complete Invoice Package in accordance with the requirements of this Contract; or

E. The Complete Invoice Package is not submitted to the County's Director of Road & Bridge in strict accordance with any necessary instructions or requests provided by the Director of Road & Bridge.

The County Auditor shall document to Engineer the issues related to disputed invoices within ten (10) calendar days of receipt of such invoice. Any non-disputed invoices shall be considered correct and payable per the terms of Chapter 2251, V.T.C.A., Texas Government Code.

ARTICLE 8
COMMENCEMENT OF ENGINEERING SERVICES

The Engineer shall not proceed with any task of the Engineering Services until Engineer has been thoroughly briefed on the scope of the Project and received an executed Work

Authorization, which serves as the County's written notice to, to proceed with the applicable Engineering Services. The County shall not be responsible for work performed or costs incurred by Engineer related to any task for which a Work Authorization or a Supplemental Work Authorization related thereto has not been issued and signed by both parties. Engineer shall not be required to perform any work for which a Work Authorization or a Supplemental Work Authorization related thereto has not been issued and signed by both parties.

ARTICLE 9
PROJECT TEAM

County's Designated Representative for purposes of this Contract is as follows:

Williamson County Dept. of Infrastructure
Attn: Director of Road & Bridge
3151 SE Inner Loop, Suite B
Georgetown, Texas 78626

County shall have the right, from time to time, to change the County's Designated Representative by giving Engineer written notice thereof. With respect to any action, decision or determination which is to be taken or made by County under this Contract, the County's Designated Representative may take such action or make such decision or determination or shall notify Engineer in writing of an individual responsible for and capable of taking such action, decision or determination and shall forward any communications and documentation to such individual for response or action. Actions, decisions or determinations by the County's Designated Representative on behalf of County shall be done in his or her reasonable business judgment unless express standards or parameters therefor are included in this Contract, in which case, actions taken by the County's Designated Representative shall be in accordance with such express standards or parameters. Any consent, approval, decision or determination hereunder by the County's Designated Representative shall be binding on County; *provided, however,* the County's Designated Representative shall not have any right to modify, amend or terminate this Contract, an Executed Work Authorization, an executed Supplemental Work Authorization or executed Contract Amendment. County's Designated Representative shall not have any authority to execute a Contract Amendment, Work Authorization or any Supplemental Work Authorization unless otherwise granted such authority by the Williamson County Commissioners Court.

Engineer's Designated Representative for purposes of this Contract is as follows:

Alliance Transportation Group, LLC
Chad Wood, PE, PTOE
11701 Stonehollow Dr., Suite 100
Austin, TX 78758

Engineer shall have the right, from time to time, to change the Engineer's Designated Representative by giving County written notice thereof. With respect to any action, decision or determination which is to be taken or made by Engineer under this Contract, the Engineer's Designated Representative may take such action or make such decision or determination or shall

notify County in writing of an individual responsible for and capable of taking such action, decision or determination and shall forward any communications and documentation to such individual for response or action. Actions, decisions or determinations by the Engineer's Designated Representative on behalf of Engineer shall be done in his or her reasonable business judgment unless express standards or parameters therefor are included in this Contract, in which case, actions taken by the Engineer's Designated Representative shall be in accordance with such express standards or parameters. Any consent, approval, decision or determination hereunder by the Engineer's Designated Representative shall be binding on Engineer. Engineer's Designated Representative shall have the right to modify, amend and execute Work Authorizations, Supplemental Work Authorizations and Contract Amendments on behalf of Engineer.

ARTICLE 10
PROGRESS EVALUATION

Engineer shall, from time to time during the progress of the Engineering Services, confer with County at County's election. Engineer shall prepare and present such information as may be pertinent and necessary, or as may be reasonably requested by County, in order for County to evaluate features of the Engineering Services. At the request of County or Engineer, conferences shall be provided at Engineer's office, the offices of County, or at other locations designated by County. When requested by County, such conferences shall also include evaluation of the Engineering Services. County may, from time to time, require Engineer to appear and provide information to the Williamson County Commissioners Court.

Should County determine that the progress in Engineering Services does not satisfy an applicable Work Authorization or any Supplemental Work Authorization related thereto, then County shall review same with Engineer to determine corrective action required.

Engineer shall promptly advise County in writing of events which have or may have a significant impact upon the progress of the Engineering Services, including but not limited to the following:

A. Problems, delays, adverse conditions which may materially affect the ability to meet the objectives of an applicable Work Authorization or any Supplemental Work Authorization related thereto, or preclude the attainment of Project Engineering Services units by established time periods; and such disclosure shall be accompanied by statement of actions taken or contemplated, and County assistance needed to resolve the situation, if any; and

B. Favorable developments or events which enable meeting goals sooner than anticipated in relation to an applicable Work Authorization's or any Supplemental Work Authorization related thereto.

ARTICLE 11
SUSPENSION

Should County desire to suspend the Engineering Services, but not to terminate this Contract, then such suspension may be effected by County giving Engineer thirty (30) calendar days' verbal notification followed by written confirmation to that effect. Such thirty-day notice

may be waived in writing by agreement and signature of both parties. The Engineering Services may be reinstated and resumed in full force and effect within sixty (60) days of receipt of written notice from County to resume the Engineering Services. Such sixty-day (60) notice may be waived in writing by agreement and signature of both parties. If this Contract is suspended for more than thirty (30) days, Engineer shall have the option of terminating this Contract and, in the event, Engineer shall be compensated for all Engineering Services performed and reimbursable expenses incurred, provided such Engineering Services and reimbursable expenses have been previously authorized and approved by County, to the effective date of suspension.

If County suspends the Engineering Services, the contract period as determined in Article 4, and the Work Authorization or any Supplemental Work Authorization related thereto, shall be extended for a time period equal to the suspension period.

County assumes no liability for Engineering Services performed or costs incurred prior to the date authorized by County for Engineer to begin Engineering Services, and/or during periods when Engineering Services is suspended, and/or subsequent to the completion date.

ARTICLE 12
ADDITIONAL ENGINEERING SERVICES

If Engineer forms a reasonable opinion that any work he/she/it has been directed to perform is beyond the overall scope of this Contract, as set forth in **Exhibit B,** and as such constitutes extra work ("Additional Engineering Services"), he/she/it shall promptly notify County in writing through the County's Designated Representative. In the event County finds that such work does constitute Additional Engineering Services, County shall so advise Engineer and a written Contract Amendment will be executed between the parties as provided in Article 14. Any increase to the Compensation Cap due to Additional Engineering Services must be set forth in such Contract Amendment. Engineer shall not perform any proposed Additional Engineering Services nor incur any additional costs prior to the execution, by both parties, of a written Contract Amendment. Following the execution of a Contract Amendment that provides for Additional Engineering Services, a written Work Authorization, which sets forth the Additional Engineering Services to be performed, must be executed by the parties. County shall not be responsible for actions by Engineer nor for any costs incurred by Engineer relating to Additional Engineering Services not directly associated with the performance of the Engineering Services authorized in this Contract, by a fully executed Work Authorization or a fully executed Contract Amendment thereto.

ARTICLE 13
CHANGES IN COMPLETED ENGINEERING SERVICES

If County deems it necessary to request changes to previously satisfactorily completed Engineering Services or parts thereof which involve changes to the original Engineering Services or character of Engineering Services under this Contract, then Engineer shall make such revisions as requested and as directed by County. Such revisions shall be considered as Additional Engineering Services and paid for as specified under Article 12.

Engineer shall make revisions to Engineering Services authorized hereunder as are necessary to correct errors appearing therein, when required to do so by County. No additional compensation shall be due for such Engineering Services.

ARTICLE 14
CONTRACT AMENDMENTS

The terms set out in this Contract may be modified by a written fully executed Contract Amendment. Changes and modifications to a fully executed Work Authorization shall be made in the form of a Supplemental Work Authorization. To the extent that such changes or modifications to a Work Authorization do not also require modifications to the terms of this Contract (i.e. changes to the overall scope of Engineering Services set forth in **Exhibit B**, modification of the Compensation Cap, etc.) a Contract Amendment will not be required.

ARTICLE 15
USE OF DOCUMENTS

All documents, including but not limited to drawings, specifications and data or programs stored electronically, (hereinafter referred to as "Engineering Work Products") prepared by Engineer and its subcontractors/subconsultants are related exclusively to the services described in this Contract and are intended to be used with respect to this Project. However, it is expressly understood and agreed by and between the parties hereto that all of Engineer's designs under this Contract (including but not limited to tracings, drawings, estimates, specifications, investigations, studies and other documents, completed or partially completed), shall be the property of County to be thereafter used in any lawful manner as County elects. Any such subsequent use made of documents by County, without written verification or adaptation by Engineer for the specific purpose intended, shall be at County's sole risk and without liability to Engineer.

By execution of this Contract and in confirmation of the fee for services to be paid under this Contract, Engineer hereby conveys, transfers and assigns to County all rights under the Federal Copyright Act of 1976 (or any successor copyright statute), as amended, all common law copyrights and all other intellectual property rights acknowledged by law in the Project Designs and work product developed under this Contract. Copies may be retained by Engineer. Engineer shall be liable to County for any loss or damage to any such documents while they are in the possession of or while being worked upon by Engineer or anyone connected with Engineer, including agents, employees, Engineers or subcontractors/subconsultants. All documents so lost or damaged shall be replaced or restored by Engineer without cost to County.

Upon execution of this Contract, Engineer grants to County permission to reproduce Engineer's work and documents for purposes of constructing, using and maintaining the Project, provided that County shall comply with its obligations, including prompt payment of all sums when due, under this Contract. Engineer shall obtain similar permission from Engineer's subcontractors/subconsultants consistent with this Contract. If and upon the date Engineer is adjudged in default of this Contract, County is permitted to authorize other similarly credentialed design professionals to reproduce and, where permitted by law, to make changes, corrections or additions to the work and documents for the purposes of completing, using and maintaining the

Project.

County shall not assign, delegate, sublicense, pledge or otherwise transfer any permission granted herein to another party without the prior written consent of Engineer. However, County shall be permitted to authorize the contractor, subcontractors and material or equipment suppliers to reproduce applicable portions of the Engineering Work Products appropriate to and for use in the execution of the Work. Submission or distribution of Engineering Work Products to meet official regulatory requirements or for similar purposes in connection with the Project is permitted. Any unauthorized use of the Engineering Work Products shall be at County's sole risk and without liability to Engineer and its Engineers.

The parties shall mutually agree to an electronic format for Engineering Work Products or other data, including any special limitations not otherwise provided in this Contract, prior to any such Engineering Work Products or data being submitted electronically by either party to the other party. Upon such agreement between the parties, Engineering Work Products or other data provided in the agreed upon electronic format may be relied upon by the receiving party. In the event the parties cannot agree on an acceptable electronic format, only printed copies of documents conveyed by a party shall be relied upon by the receiving party.

Engineer shall have no liability for changes made to the drawings by other engineers subsequent to the completion of the Project. Any such change shall be sealed by the engineer making that change and shall be appropriately marked to reflect what was changed or modified.

ARTICLE 16
PERSONNEL, EQUIPMENT AND MATERIAL

Engineer shall furnish and maintain, at its own expense, quarters for the performance of all Engineering Services, and adequate and sufficient personnel and equipment to perform the Engineering Services as required. All employees of Engineer shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of Engineer who, in the reasonable opinion of County, is incompetent or whose conduct becomes detrimental to the Engineering Services shall immediately be removed from association with the Project when so instructed by County. Engineer certifies that it presently has adequate qualified personnel in its employment for performance of the Engineering Services required under this Contract, or will obtain such personnel from sources other than County. Engineer may not change the Project Manager without prior written consent of County.

ARTICLE 17
SUBCONTRACTING

Engineer shall not assign, subcontract or transfer any portion of the Engineering Services under this Contract without prior written approval from County. All subcontracts shall include the provisions required in this Contract. No subcontract shall relieve Engineer of any responsibilities under this Contract.

ARTICLE 18
REVIEW OF ENGINEERING SERVICES

Engineer's Engineering Services will be reviewed by County under its applicable technical requirements and procedures.

A. Completion. Reports, plans, specifications, and supporting documents shall be submitted by Engineer on or before the dates specified in the applicable Work Authorization or Supplemental Work Authorization related thereto. Upon receipt of same, the submission shall be checked for completion. "Completion" or "Complete" shall be defined as all of the required items, as set out in the applicable Work Authorization, have been included in compliance with the requirements of this Contract. The completeness of any Engineering Services submitted to County shall be determined by County within thirty (30) days of such submittal and County shall notify Engineer in writing within such thirty (30) day period if such Engineering Services have been found to be incomplete. If the submission is Complete, County shall notify Engineer and County's technical review process will begin.

If the submission is not Complete, County shall notify Engineer, who shall perform such professional services as are required to complete the Engineering Services and resubmit it to County. This process shall be repeated until a submission is Complete.

B. Acceptance. County shall review the completed Engineering Services for compliance with this Contract. If necessary, the completed Engineering Services shall be returned to Engineer, who shall perform any required Engineering Services and resubmit it to County. This process shall be repeated until the Engineering Services are Accepted. "Acceptance" or "Accepted" shall mean that in the County's reasonable opinion, substantial compliance with the requirements of this Contract has been achieved.

C. Final Approval. After Acceptance, Engineer shall perform any required modifications, changes, alterations, corrections, redesigns, and additional work necessary to receive Final Approval by the County. "Final Approval" in this sense shall mean formal recognition that the Engineering Services have been fully carried out.

D. Errors and Omissions. After Final Approval, Engineer shall, without additional compensation, perform any work required as a result of Engineer's development of the work which is found to be in error or omission due to Engineer's negligence. However, any work required or occasioned for the convenience of County after Final Approval shall be paid for as Additional Engineering Services.

E. Disputes Over Classifications. In the event of any dispute over the classification of Engineer's Engineering Services as Complete, Accepted, or having attained Final Approved under this Contract, the decision of the County shall be final and binding on Engineer, subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

F. County's Reliance on Engineer. **ENGINEER'S DUTIES AS SET FORTH HEREIN SHALL AT NO TIME BE IN ANY WAY DIMINISHED BY REASON OF ANY REVIEW, EVALUATION OR APPROVAL BY THE COUNTY OR ITS AUTHORIZED REPRESENTATIVE NOR SHALL THE ENGINEER BE RELEASED FROM ANY LIABILITY BY REASON OF SUCH REVIEW, EVALUATION OR APPROVAL BY THE COUNTY, IT BEING UNDERSTOOD THAT THE COUNTY AT ALL TIMES IS ULTIMATELY RELYING UPON THE ENGINEER'S SKILL, ABILITY AND KNOWLEDGE IN PERFORMING THE ENGINEERING SERVICES REQUIRED HEREUNDER.**

ARTICLE 19
VIOLATION OF CONTRACT TERMS/BREACH OF CONTRACT

Violation of contract terms or breach of contract by Engineer shall be grounds for termination of this Contract, and any increased costs arising from Engineer's default, breach of contract, or violation of contract terms shall be paid by Engineer.

ARTICLE 20
TERMINATION

This Contract may be terminated as set forth below.

A. By mutual agreement and consent, in writing, of both parties.

B. By County, by notice in writing to Engineer, as a consequence of failure by Engineer to perform the Engineering Services set forth herein in a satisfactory manner.

C. By either party, upon the failure of the other party to fulfill its obligations as set forth herein.

D. By County, for reasons of its own and not subject to the mutual consent of Engineer, upon not less than thirty (30) days' written notice to Engineer.

E. By satisfactory completion of all Engineering Services and obligations described herein.

Should County terminate this Contract as herein provided, no fees other than fees due and payable at the time of termination plus reimbursable expenses incurred shall thereafter be paid to Engineer. In determining the value of the Engineering Services performed by Engineer prior to termination, County shall be the sole judge. Compensation for Engineering Services at termination will be based on a percentage of the Engineering Services completed at that time. Should County terminate this Contract under Subsection (D) immediately above, then the amount charged during the thirty-day notice period shall not exceed the amount charged during the preceding thirty (30) days.

If Engineer defaults in the performance of this Contract or if County terminates this Contract for fault on the part of Engineer, then County shall give consideration to the actual costs incurred by Engineer in performing the Engineering Services to the date of default, the amount of Engineering Services required which was satisfactorily completed to date of default, the value of the Engineering Services which are usable to County, the cost to County of employing another firm to complete the Engineering Services required and the time required to do so, and other

factors which affect the value to County of the Engineering Services performed at the time of default.

The termination of this Contract and payment of an amount in settlement as prescribed above shall extinguish all rights, duties, and obligations of County under this Contract. If the termination of this Contract is due to the failure of Engineer to fulfill his/her/its contractual obligations, then County may take over the Project and prosecute the Engineering Services to completion. In such case, Engineer shall be liable to County for any additional and reasonable costs incurred by County.

Engineer shall be responsible for the settlement of all contractual and administrative issues arising out of any procurements made by Engineer in support of the Engineering Services under this Contract.

ARTICLE 21
COMPLIANCE WITH LAWS

A. Compliance. Engineer shall comply with all applicable federal, state and local laws, statutes, codes, ordinances, rules and regulations, and the orders and decrees of any court, or administrative bodies or tribunals in any manner affecting the performance of this Contract, including without limitation, minimum/maximum salary and wage statutes and regulations, and licensing laws and regulations. Engineer shall furnish County with satisfactory proof of his/her/its compliance.

Engineer shall further obtain all permits and licenses required in the performance of the Engineering Services contracted for herein.

B. Taxes. Engineer will pay all taxes, if any, required by law arising by virtue of the Engineering Services performed hereunder. County is qualified for exemption pursuant to the provisions of Section 151.309 of the Texas Limited Sales, Excise, and Use Tax Act.

County agrees to pay the amount of any sales, value added, use, excise or similar taxes applicable to the performance of the Services, if any, or County shall provide Engineer with a certificate acceptable to the taxing authorities exempting County from payment of such taxes.

ARTICLE 22
INDEMNIFICATION

ENGINEER AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM AND AGAINST ANY AND ALL LIABILITIES, LOSSES, PENALTIES, JUDGMENTS, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, REASONABLE ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM A NEGLIGENT ACT, ERROR OR OMISSION, NEGLIGENCE, OR INTENTIONAL TORT COMMITTED BY ENGINEER, ENGINEER'S EMPLOYEES, AGENTS, OR ANY OTHER PERSON OR ENTITY UNDER CONTRACT WITH ENGINEER INCLUDING, WITHOUT LIMITATION, ENGINEER'S SUBCONSULTANTS, OR ANY OTHER ENTITY OVER WHICH ENGINEER EXERCISES CONTROL.

ENGINEER FURTHER AGREES, TO THE FULLEST EXTENT PERMITTED BY LAW, TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM ANY AND ALL LIABILITIES, LOSSES, PENALTIES, JUDGMENTS, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM ENGINEER'S FAILURE TO PAY ENGINEER'S EMPLOYEES, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, IN CONNECTION WITH ANY OF THE WORK PERFORMED OR TO BE PERFORMED UNDER THIS CONTRACT BY ENGINEER.

ENGINEER FURTHER AGREES TO INDEMNIFY AND HOLD THE COUNTY HARMLESS FROM ANY AND ALL LIABILITIES, LOSSES, PENALTIES, CLAIMS, LAWSUITS, DAMAGES, COSTS AND EXPENSES, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES, ("LOSSES") TO THE EXTENT SUCH LOSSES ARE CAUSED BY OR RESULTS FROM THE INFRINGEMENT OF ANY INTELLECTUAL PROPERTY ARISING OUT OF THE USE OF ANY PLANS, DESIGN, DRAWINGS, OR SPECIFICATIONS FURNISHED BY ENGINEER IN THE PERFORMANCE OF THIS CONTRACT.

THE LIMITS OF INSURANCE REQUIRED IN THIS CONTRACT AND/OR THE CONTRACT DOCUMENTS SHALL NOT LIMIT ENGINEER'S OBLIGATIONS UNDER THIS SECTION. THE TERMS AND CONDITIONS CONTAINED IN THIS SECTION SHALL SURVIVE THE TERMINATION OF THE CONTRACT AND/OR CONTRACT DOCUMENTS OR THE SUSPENSION OF THE WORK HEREUNDER. TO THE EXTENT THAT ANY LIABILITIES, PENALTIES, DEMANDS, CLAIMS, LAWSUITS, LOSSES, DAMAGES, COSTS AND EXPENSES ARE CAUSED IN PART BY THE ACTS OF THE COUNTY OR THIRD PARTIES FOR WHOM ENGINEER IS NOT LEGALLY LIABLE, ENGINEER'S OBLIGATIONS SHALL BE IN PROPORTION TO ENGINEER'S FAULT. THE OBLIGATIONS HEREIN SHALL ALSO EXTEND TO ANY ACTIONS BY THE COUNTY TO ENFORCE THIS INDEMNITY OBLIGATION.

IN THE EVENT THAT CONTRACTORS INITIATE LITIGATION AGAINST THE COUNTY IN WHICH THE CONTRACTOR ALLEGES DAMAGES AS A RESULT OF ANY NEGLIGENT ACTS, ERRORS OR OMISSIONS OF ENGINEER, ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER ENTITIES OVER WHICH ENGINEER EXERCISES CONTROL, INCLUDING, BUT NOT LIMITED TO, DEFECTS, ERRORS, OR OMISSIONS, THEN THE COUNTY SHALL HAVE THE RIGHT TO JOIN ENGINEER IN ANY SUCH PROCEEDINGS AT THE COUNTY'S COST. ENGINEER SHALL ALSO HOLD THE COUNTY HARMLESS AND INDEMNIFY THE COUNTY TO THE EXTENT THAT ENGINEER, ANY OF ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER ENTITIES OVER WHICH ENGINEER EXERCISES CONTROL, CAUSED SUCH DAMAGES TO CONTRACTOR, INCLUDING ANY AND ALL COSTS AND REASONABLE ATTORNEYS' FEES INCURRED BY THE COUNTY IN CONNECTION WITH THE DEFENSE OF ANY CLAIMS WHERE ENGINEER, ITS EMPLOYEES, AGENTS, SUBCONTRACTORS, SUBCONSULTANTS, OR SUPPLIERS, OR OTHER ENTITIES OVER WHICH ENGINEER EXERCISES CONTROL, ARE ADJUDICATED AT FAULT.

TO THE FULLEST EXTENT PERMITTED BY LAW, NEITHER PARTY SHALL BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, PUNITIVE, CONSEQUENTIAL OR INDIRECT DAMAGES RESULTING IN ANY WAY FROM THIS AGREEMENT.

ARTICLE 23
ENGINEER'S RESPONSIBILITIES

Engineer shall be responsible for the accuracy of his/her/its Engineering Services and shall promptly make necessary revisions or corrections to its work product resulting from errors, omissions, or negligent acts, and same shall be done without compensation. County shall determine Engineer's responsibilities for all questions arising from design errors and/or omissions, subject to the dispute resolution provisions of Article 33. Engineer shall not be relieved of responsibility for subsequent correction of any such errors or omissions in its work product, or for clarification of any ambiguities until after the construction phase of the Project has been completed.

ARTICLE 24
ENGINEER'S SEAL

The responsible engineer shall sign, seal and date all appropriate engineering submissions to County in accordance with the Texas Engineering Practice Act and the rules of the State Board of Registration for Professional Engineers.

ARTICLE 25
INSURANCE

Engineer must comply with the following insurance requirements at all times during this Contract:

A. Coverage Limits. Engineer, at Engineer's sole cost, shall purchase and maintain during the entire term while this Contract is in effect the following insurance:

1. Worker's Compensation in accordance with statutory requirements.
2. Commercial General Liability Insurance with a combined minimum Bodily Injury and Property Damage limits of $1,000,000.00 per occurrence and $2,000,000.00 in the aggregate.
3. Business Automobile Liability Insurance for all owned, non-owned, and hired vehicles with combined minimum limits for Bodily Injury and Property Damage of $1,000,000.00 each accident.
4. Professional Liability Insurance in the amount of $2,000,000.00 per claim and annual aggregate.

B. Additional Insureds; Waiver of Subrogation. County, its directors, officers and employees shall be added as additional insureds under policies listed under (2) and (3) above, and on those policies where County, its directors, officers and employees are additional insureds, such insurance shall be primary and any insurance maintained by County shall be excess and not contribute with it. Such policies shall also include waivers of subrogation in favor of County.

C. Premiums and Deductible. Engineer shall be responsible for payment of premiums

for all of the insurance coverages required under this section. Engineer further agrees that for each claim, suit or action made against insurance provided hereunder, with respect to all matters for which the Engineer is responsible hereunder, Engineer shall be solely responsible for all deductibles and self-insured retentions. Any deductibles or self-insured retentions over $200,000 in the Engineer's insurance must be declared and approved in writing by County in advance.

D. Commencement of Work. Engineer shall not commence any field work under this Contract until he/she/it has obtained all required insurance and such insurance has been approved by County. As further set out below, Engineer shall not allow any subcontractor/subconsultant(s) to commence work to be performed in connection with this Contract until all required insurance has been obtained and approved and such approval shall not be unreasonably withheld. Approval of the insurance by County shall not relieve or decrease the liability of Engineer hereunder.

E. Insurance Company Rating. The required insurance must be written by a company approved to do business in the State or Texas with a financial standing of at least an A- rating, as reflected in Best's insurance ratings or by a similar rating system recognized within the insurance industry at the time the policy is issued.

F. Certification of Coverage. Engineer shall furnish County with a certification of coverage issued by the insurer. Engineer shall not cause any insurance to be canceled nor permit any insurance to lapse. **In addition to any other notification requires set forth hereunder, Engineer shall also notify County, within twenty-four (24) hours of receipt, of any notices of expiration, cancellation, non-renewal, or material change in coverage it receives from its insurer.**

G. No Arbitration. It is the intention of the County and agreed to and hereby acknowledged by the Engineer, that no provision of this Contract shall be construed to require the County to submit to mandatory arbitration in the settlement of any claim, cause of action or dispute, except as specifically required in direct connection with an insurance claim or threat of claim under an insurance policy required hereunder or as may be required by law or a court of law with jurisdiction over the provisions of this Contract.

H. Subcontractor/Subconsultant's Insurance. Without limiting any of the other obligations or liabilities of Engineer, Engineer shall require each subcontractor/subconsultant performing work under this Contract (to the extent a subcontractor/subconsultant is allowed by County) to maintain during the term of this Contract, at the subcontractor/subconsultant's own expense, the same stipulated minimum insurance required in this Article, including the required provisions and additional policy conditions as shown below in this Article. Any requests for consent to reduce any insurance coverage limits requirements for Engineer's subcontractors/subconsultants must be provided to County in writing and must set forth reasoning and justifications for decreasing such coverage limits. County may, at its sole discretion, consent to a reduction in the insurance coverage limits requirements for Engineer's subcontractors/subconsultants; provided, however, consent by County must be in writing and such consent shall not relieve or decrease the liability of Engineer hereunder.

Engineer shall obtain and monitor the certificates of insurance from each subcontractor/subconsultant in order to assure compliance with the insurance requirements. Engineer must retain the certificates of insurance for the duration of this Contract, and shall have the responsibility of enforcing these insurance requirements among its subcontractor/subconsultants. County shall be entitled, upon request and without expense, to receive copies of these certificates of insurance.

I. Insurance Policy Endorsements. Each insurance policy shall include the following conditions by endorsement to the policy:

1. County shall be notified thirty (30) days prior to the expiration, cancellation, non-renewal or any material change in coverage, and such notice thereof shall be given to County by certified mail, and by email to:

   Williamson County Purchasing Department
   100 Wilco Way
   Suite P101
   Georgetown, TX. 78626
   Email: purchase@wilco.org

   With copy to:

   Williamson County Auditor's Office
   Attn: Contracts Auditor
   901 South Austin Avenue
   Georgetown, Texas 78626
   Email: contractaudit@wilco.org

2. The policy clause "Other Insurance" shall not apply to any insurance coverage currently held by County, to any such future coverage, or to County's Self-Insured Retentions of whatever nature.

J. Cost of Insurance. The cost of all insurance required herein to be secured and maintained by Engineer shall be borne solely by Engineer, with certificates of insurance evidencing such minimum coverage in force to be filed with County. Such Certificates of Insurance are evidenced as **Exhibit F** herein entitled "Certificates of Insurance."

ARTICLE 26
COPYRIGHTS

County shall have the royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use, and to authorize others to use, any reports developed by Engineer for governmental purposes.

ARTICLE 27
SUCCESSORS AND ASSIGNS

This Contract shall be binding upon and inure to the benefit of the parties hereto, their successors, lawful assigns, and legal representatives. Engineer may not assign, sublet or transfer any interest in this Contract, in whole or in part, by operation of law or otherwise, without obtaining the prior written consent of County.

ARTICLE 28
SEVERABILITY

In the event any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision thereof and this Contract shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

ARTICLE 29
PRIOR AGREEMENTS SUPERSEDED

This Contract constitutes the sole agreement of the parties hereto, and supersedes any prior understandings or written or oral contracts between the parties respecting the subject matter defined herein. This Contract may only be amended or supplemented by mutual agreement of the parties hereto in writing.

ARTICLE 30
ENGINEER'S ACCOUNTING RECORDS

Engineer agrees to maintain, for a period of three (3) years after final payment under this Contract, detailed records identifying each individual performing the Engineering Services, the date or dates the services were performed, the applicable hourly rates, the total amount billed for each individual and the total amount billed for all persons, records of reimbursable costs and expenses of other providers and provide such other details as may be requested by the County Auditor for verification purposes. Engineer agrees that County or its duly authorized representatives shall, until the expiration of three (3) years after final payment under this Contract, have access to and the right to examine and photocopy any and all books, documents, papers and records of Engineer which are directly pertinent to the services to be performed under this Contract for the purposes of making audits, examinations, excerpts, and transcriptions. Engineer further agrees that County shall have access during normal working hours to all necessary Engineer facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section. County shall give Engineer reasonable advance notice of intended audits.

ARTICLE 31

ARTICLE 32
GENERAL PROVISIONS

A. Time is of the Essence. Subject to Article 3 hereof, Engineer understands and agrees that time is of the essence and that any failure of Engineer to complete the Engineering Services for each phase of this Contract within the agreed work schedule set out in the applicable Work Authorization may constitute a material breach of this Contract. Engineer shall be fully responsible for his/her/its delays or for failures to use his/her/its reasonable efforts in accordance with the terms of this Contract and the Engineer's standard of performance as defined herein. Where damage is caused to County due to Engineer's negligent failure to perform County may accordingly withhold, to the extent of such damage, Engineer's payments hereunder without waiver of any of County's additional legal rights or remedies.

B. Force Majeure. Neither County nor Engineer shall be deemed in violation of this Contract if prevented from performing any of their obligations hereunder by reasons for which they are not responsible or circumstances beyond their control. However, notice of such impediment or delay in performance must be timely given, and all reasonable efforts undertaken to mitigate its effects.

C. Enforcement and Venue. This Contract shall be enforceable in Georgetown, Williamson County, Texas, and if legal action is necessary by either party with respect to the enforcement of any or all of the terms or conditions herein, exclusive venue for same shall lie in Williamson County, Texas. This Contract shall be governed by and construed in accordance with the laws and court decisions of the State of Texas excluding, however, its choice of law rules.

D. Standard of Performance. The standard of care for all professional engineering, consulting and related services performed or furnished by Engineer and its employees under this Contract will be the care and skill ordinarily used by members of Engineer's profession practicing under the same or similar circumstances at the same time and in the same locality.

E. Opinion of Probable Cost. Any opinions of probable Project cost or probable construction cost provided by Engineer are made on the basis of information available to Engineer and on the basis of Engineer's experience and qualifications and represents its judgment as an experienced and qualified professional engineer. However, since Engineer has no control over the cost of labor, materials, equipment or services furnished by others, or over the contractor(s') methods of determining prices, or over competitive bidding or market conditions, Engineer does not guarantee that proposals, bids or actual Project or construction cost will not vary from opinions of probable cost Engineer prepares.

F. Opinions and Determinations. Where the terms of this Contract provide for action to be based upon opinion, judgment, approval, review, or determination of either party hereto, such terms are not intended to be and shall never be construed as permitting such opinion, judgment, approval, review, or determination to be arbitrary, capricious, or unreasonable.

G. Reports of Accidents. Within 24 hours after Engineer becomes aware of the occurrence of any accident or other event which results in, or might result in, injury to the person or property of any third person (other than an employee of the Engineer), whether or not it results from or involves any action or failure to act by the Engineer or any employee or agent of the Engineer and which arises in any manner from the performance of this Contract, the Engineer shall send a written report of such accident or other event to the County, setting forth a full and concise statement of the facts pertaining thereto. The Engineer shall also immediately send the County a copy of any summons, subpoena, notice, or other documents served upon the Engineer, its agents, employees, or representatives, or received by it or them, in connection with any matter before any court arising in any manner from the Engineer's performance of work under this Contract.

H. Gender, Number and Headings. Words of any gender used in this Contract shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, unless the context otherwise requires. The headings and section numbers are for convenience only and shall not be considered in interpreting or construing this Contract.

I. Construction. Each party hereto acknowledges that it and its counsel have reviewed this Contract and that the normal rules of construction are not applicable and there will be no presumption that any ambiguities will be resolved against the drafting party in the

interpretation of this Contract.

J. Independent Contractor Relationship. Both parties hereto, in the performance of this Contract, shall act in an individual capacity and not as agents, employees, partners, joint ventures or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purposes whatsoever.

K. No Waiver of Immunities. Nothing in this Contract shall be deemed to waive, modify or amend any legal defense available at law or in equity to County, its past or present officers, employees, or agents or employees, nor to create any legal rights or claim on behalf of any third party. County does not waive, modify, or alter to any extent whatsoever the availability of the defense of governmental immunity under the laws of the State of Texas and of the United States.

L. Texas Public Information Act. To the extent, if any, that any provision in this Contract is in conflict with Tex. Gov't Code 552.001 et seq., as amended (the "Public Information Act"), the same shall be of no force or effect. Furthermore, it is expressly understood and agreed that County, its officers and employees may request advice, decisions and opinions of the Attorney General of the State of Texas in regard to the application of the Public Information Act to any items or data furnished to County as to whether or not the same are available to the public. It is further understood that County's officers and employees shall have the right to rely on the advice, decisions and opinions of the Attorney General, and that County, its officers and employees shall have no liability or obligation to any party hereto for the disclosure to the public, or to any person or persons, of any items or data furnished to County by a party hereto, in reliance of any advice, decision or opinion of the Attorney General of the State of Texas.

M. Governing Terms and Conditions. If there is an irreconcilable conflict between the terms and conditions set forth in this Contract or any Contract Amendment and the terms and conditions set forth in any Exhibit, Appendix, Work Authorization or Supplemental Work Authorization to this Contract, the terms and conditions set forth in this Contract or any Contract Amendment shall control over the terms and conditions set forth in any Exhibit, Appendix, Work Authorization or Supplemental Work Authorization to this Contract.

N. Meaning of Day. For purposes of this Contract, all references to a "day" or "days" shall mean a calendar day or calendar days.

O. Appropriation of Funds by County. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Contract. Engineer understands and agrees that County's payment of amounts under this Contract is contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Engineer that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Engineer.

ARTICLE 33
DISPUTE RESOLUTION

Except as otherwise specifically set forth herein, County and Engineer shall work together in good faith to resolve any controversy, dispute or claim between them which arises out of or relates to this Contract, whether stated in tort, contract, statute, claim for benefits, bad faith, professional liability or otherwise ("Claim"). If the parties are unable to resolve the Claim within thirty (30) days following the date in which one party sent written notice of the Claim to the other party, and if a party wishes to pursue the Claim, such Claim shall be addressed through non-binding mediation. A single mediator engaged in the practice of law, who is knowledgeable about subject matter of this Contract, shall be selected by agreement of the parties and serve as the mediator. Any mediation under this Contract shall be conducted in Williamson County, Texas. The mediator's fees shall be borne equally between the parties. Such non-binding mediation is a condition precedent to seeking redress in a court of competent jurisdiction, but this provision shall not preclude either party from filing a lawsuit in a court of competent jurisdiction prior to completing a mediation if necessary to preserve the statute of limitations, in which case such lawsuit shall be stayed pending completion of the mediation process contemplated herein. This provision shall survive the termination of the Contract.

ARTICLE 34
EQUAL OPPORTUNITY IN EMPLOYMENT

During the performance of this Contract and to the extent the Project is a federally funded project, Engineer, for itself, its assignees and successors in interest agrees as follows:

A. Compliance with Regulations. The Engineer shall comply with the Regulations relative to nondiscrimination in Federally assisted programs of the Department of Transportation (hereinafter, "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract.

B. Nondiscrimination. The Engineer, with regard to the work performed by it during the Contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors/subconsultants, including procurements of materials and leases of equipment. The Engineer shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

C. Solicitations for Subcontracts, Including Procurements of Materials and Equipment. In all solicitations either by competitive bidding or negotiation made by the Engineer for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor/subconsultant or supplier shall be notified by the Engineer of the Engineer's obligations under this Contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

D. Information and Reports. The Engineer shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the County (referred to in this Article as the "Recipient") or the Texas Department of Transportation to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the Engineer shall so certify to the Recipient, or the Texas Department of Transportation as appropriate, and shall set forth what efforts it has made to obtain the information.

E. Sanctions for Noncompliance. In the event of the Engineer's noncompliance with the nondiscrimination provisions of this contract, the Recipient shall impose such contract sanctions as it or the Texas Department of Transportation may determine to be appropriate, including, but not limited to:

1. withholding of payments to the Engineer under the contract until the Engineer complies, and/or;
2. cancellation, termination or suspension of the Contract, in whole or in part.

F. Incorporation of Provisions. The Engineer shall include the provisions of Subsections (A) through (F) above in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The Engineer shall take such action with respect to any subcontract or procurement as the Recipient or the Texas Department of Transportation may direct as a means of enforcing such provisions including sanctions for non-compliance: Provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor/subconsultant or supplier as a result of such direction, the Engineer may request the Recipient to enter into such litigation to protect the interests of the Recipient, and, in addition, the Engineer may request the United States to enter into such litigation to protect the interests of the United States.

SIGNATORY WARRANTY

The undersigned signatory for Engineer hereby represents and warrants that the signatory is an officer of the organization for which he/she has executed this Contract and that he/she has full and complete authority to enter into this Contract on behalf of the firm. The above-stated representations and warranties are made for the purpose of inducing County to enter into this Contract.

IN WITNESS WHEREOF, County has caused this Contract to be signed in its name by its duly authorized County Judge, as has Engineer, signing by and through its duly authorized representative(s), thereby binding the parties hereto, their successors, assigns and representatives for the faithful and full performance of the terms and provisions hereof, to be effective as of the date of the last party's execution below. NO OFFICIAL, EMPLOYEE, AGENT, OR REPRESENTATIVE OF THE COUNTY HAS ANY AUTHORITY, EITHER EXPRESS OR IMPLIED, TO AMEND, TERMINATE OR MODIFY THIS CONTRACT, EXCEPT PURSUANT TO SUCH EXPRESS AUTHORITY AS MAY BE GRANTED BY THE

WORK AUTHORIZATION NO. _____
PROJECT: _____

This Work Authorization is made pursuant to the terms and conditions of the Williamson County Contract for Engineering Services, being dated _____ ____, 20____ and entered into by and between Williamson County, Texas, a political subdivision of the State of Texas, (the "County") and _____ (the "Engineer").

Part1. The Engineer will provide the following Engineering Services set forth in Attachment "B" of this Work Authorization.

Part 2. The maximum amount payable for services under this Work Authorization without modification is _____.

Part 3. Payment to the Engineer for the services established under this Work Authorization shall be made in accordance with the Contract.

Part 4. This Work Authorization shall become effective on the date of final acceptance and full execution of the parties hereto and shall terminate on _____ ____, 20_____. The Engineering Services set forth in Attachment "B" of this Work Authorization shall be fully completed on or before said date unless extended by a Supplemental Work Authorization.

Part 5. This Work Authorization does not waive the parties' responsibilities and obligations provided under the Contract.

Part 6. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Work Authorization. Engineer understands and agrees that County's payment of amounts under this Work Authorization is contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Engineer that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Engineer.

RATE SCHEDULE

CPI Rate Adjustments: Rates shall remain firm for the initial first year of the Contract and such rates shall be deemed the "Initial Base Rates." Engineer may request rate adjustments, in writing, at least thirty (30) days prior to each annual anniversary date of the Contract. Upon County's receipt of a rate adjustment request, County will prepare a Contract Amendment setting forth the CPI rate adjustments and will provide such Contract Amendment to Engineer for its execution. Rate adjustments will take effect on the later of (1) one year after the Contract execution date or (2) the first (1st) day following the parties' complete execution of a Contract Amendment. Such rates shall remain in effect until the later of (1) the next annual anniversary date of the Contract; or (2) the date of the parties' complete execution of a new Contract Amendment that set forth adjustments to the prior rates. Any new rate adjustments will not become effective until a Contract Amendment is fully executed by the parties and no retroactive rate adjustments will be allowed.

Price adjustments will be made in accordance with changes in the U.S. Department of Labor Consumer Price Index (CPI-U) for All Urban Consumers, All Items, South Region (Base 1982-84 = 100).

The rate adjustment will be determined by multiplying the Initial Base Rates by a fraction, the numerator of which is the index number for most recently released index and the denominator of which is the index number for the first month of the Contract (the index number for the month in which the Contract was originally executed). If the products are greater than the Initial Base Rates, County will pay the greater amounts as the rates during the successive year until the next rate adjustment. Rates for each successive year will never be less than the Initial Base Rates.

EXHIBIT E

Williamson County
Vendor Reimbursement Policy

The purpose of this Williamson County Vendor Reimbursement Policy ("Policy") is to provide clear guidelines to vendors on Williamson County's expectations and requirements regarding allowable reimbursable expenditures and required backup. The Policy will also minimize conflicts related to invoice payments and define non-reimbursable items. This Policy is considered a guideline and is not a contract.

This Policy may be altered, deleted or amended, at any time and without prior notice to vendors, by action of the Williamson County Commissioners Court. Unenforceable provisions of this Policy, as imposed by applicable law, regulations, or judicial decisions, shall be deemed to be deleted. Any revisions to this Policy will be distributed to all current vendors doing business with the County.

1. Invoices and Affidavits

1.1 Invoices must adequately describe the goods or services provided to County and include all required backup (i.e., reimbursable expenses, mileage log, timesheets, receipts detailing expenses incurred etc.) that is in a form acceptable to the Williamson County Auditor. Invoices that do not adequately describe the goods or services provided to County or contain backup that is satisfactory to the Williamson County Auditor will be returned to vendor for revisions and the provision above relating to invoice errors resolved in favor of the County shall control as to the required actions of vendor and when such invoice must be paid by the County.

1.2 In the event an invoice includes charges based upon hourly billing rates for services or any other rates based upon the amount of time worked by an individual or individuals in performing services, whether the charges are being billed directly to the County or whether they are the basis of invoices from subcontractors for which the vendor seeks reimbursement from the County, the charges shall be accompanied by an affidavit signed by an officer or principal of the vendor certifying that the work was performed, it was authorized by the County and that all information contained in the invoice that is being submitted is true and correct.

1.3 Upon County's request, vendor must submit all bills paid affidavits wherein vendor must swear and affirm that vendor has paid each of its subcontractors, laborers, suppliers and material in full for all labor and materials provided to vendor for or in connection with services and work performed for County and, further, vendor must swear and affirm that vendor is not aware of any unpaid bills, claims, demands, or causes of action by any of its subcontractors, laborers, suppliers, or material for or in connection with the furnishing of labor or materials, or both, for services and work performed for County.

2. Travel Reimbursement

2.1 The County will only cover costs associated with travel for vendors outside a 45-mile radius from the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626.

2.2 The County will only cover costs associated with travel as documented work for County. If a vendor is also doing business for another client, the travel costs must be split in

proportion to the amount of work actually performed for the County and the other client. The only allowable travel expense will be for the specific days worked for Williamson County.

2.3 No advance payments will be made to vendor for travel expenditures. The travel expenditure may only be reimbursed after the expenditure/trip has already occurred and vendor has provided the Williamson County Auditor with all necessary and required backup.

2.4 Vendors must submit all travel reimbursement requests on each employee in full. Specifically, a travel reimbursement request must include all related travel reimbursement expenses relating to a particular trip for which vendor seeks reimbursement. Partial travel reimbursement requests will not be accepted (i.e., vendor should not submit hotel and mileage one month then the next month submit rental car and airfare). If the travel reimbursement appears incomplete, the invoice will be sent back to the vendor to be submitted when all information is ready to submit in full.

2.5 Reimbursement for transportation costs will be at the most reasonable means of transportation (i.e.: airline costs will be reimbursed for coach rate, rental car costs will only be reimbursed if rental car travel was most reasonable means of travel as compared to travel by air).

2.6 The County will not be responsible for, nor will the County reimburse additional charges due to personal preference or personal convenience of individual traveling.

2.7 The County will not reimburse airfare costs if airfare costs were higher than costs of mileage reimbursement.

2.8 Additional expenses associated with travel that is extended to save costs (i.e., Saturday night stay) may be reimbursed if costs of airfare would be less than the cost of additional expenses (lodging, meals, car rental, mileage) if the trip had not been extended. Documentation satisfactory to the Williamson County Auditor will be required to justify expenditure.

2.9 County will only reimburse travel expense to necessary personnel of the vendor (i.e., no spouse, friends or family members).

2.10 Except as otherwise set forth herein, a vendor must provide a paid receipt for all expenses. If a receipt cannot be obtained, a written sworn statement of the expense from the vendor may be substituted for the receipt.

2.11 Sales tax for meals and hotel stays are the only sales taxes that will be reimbursed. Sales tax on goods purchased will not be reimbursed. A sales tax exemption form is available from the Williamson County Auditor's Office upon request.

2.12 The County will not pay for any late charges on reimbursable items. It is the responsibility of the vendor to pay the invoice first and seek reimbursement from the County.

3. Meals

3.1 Meal reimbursements are limited to a maximum of $59.00 per day on overnight travel. On day travel (travel that does not require an overnight stay), meal reimbursements are limited to a maximum of $25.00 per day. The travel must be outside the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626 by a 45-mile radius.

3.2 Receipts are required on meal reimbursement amounts up to the maximum per day amount stated for overnight or day travel. If receipts are not presented, the vendor can request per diem (per diem limits refer to 3.2). However, a vendor cannot combine per diem and meal receipts. Only one method shall be allowed.

3.3 Meals are reimbursable only to vendors who do not have necessary personnel located within a 45-mile radius of the Williamson County Courthouse, 710 Main Street,

Georgetown, Texas 78626, who are capable of carrying the vendor's obligations to the County. Meals will not be reimbursed to vendors who are located within a 45-mile radius of the Williamson County Courthouse.

3.4 County will not reimburse for alcoholic beverages.

3.5 Tips are reimbursable but must be reasonable to limitation of meal allowance

3.6 No meals purchased for entertainment purposes will be allowed.

3.7 Meal reimbursement must be substantiated with a hotel receipt.

4. Lodging

4.1 Hotel accommodations require an itemized hotel folio as a receipt. The lodging receipt should include name of the motel/hotel, number of occupant(s), goods or services for each individual charge (room rental, food, tax, etc.) and the name of the occupant(s). Credit card receipts or any other form of receipt are not acceptable.

4.2 Vendors will be reimbursed for a single room rate charge plus any applicable tax. If a single room is not available, the vendor must provide documentation to prove that a single room was not available in order to justify the expense over and above the single room rate. A vendor may also be required to provide additional documentation if a particular room rate appears to be excessive.

4.3 Personal telephone charges, whether local or long distance, will not be reimbursed.

5. Airfare

5.1 The County will only reimburse up to a coach price fare for air travel.

5.2 The County will exclude any additional charges due to personal preference or personal convenience of the individual traveling (i.e., seat preference charges, airline upgrades, etc. will not be an allowable reimbursement)

5.3 Air travel expenses must be supported with receipt copy of an airline ticket or an itinerary with actual ticket price paid. If tickets are purchased through a website, vendor must submit a copy of the webpage showing the ticket price if no paper ticket was issued.

5.4 Cancellation and/or change flight fees may be reimbursed by the County but vendor must provide the Williamson County Auditor with documentation in writing from a County department head providing authorization for the change.

5.5 The County will not reimburse vendor for tickets purchased with frequent flyer miles.

6. Car Rental

6.1 Vendors that must travel may rent a car at their destination when it is less expensive than other transportation such as taxis, airport shuttles or public transportation such as buses or subways.

6.2 Cars rented must be economy or mid-size. Luxury vehicle rentals will not be reimbursed. Any rental costs over and above the cost of a mid-size rental will be adjusted.

6.3 Vendors will be reimbursed for rental cars if the rental car cost would have been less than the mileage reimbursement cost (based on the distance from vendor's point of origin to Williamson County, Texas) had the vendor driven vendor's car.

6.4 Vendors must return a car rental with appropriate fuel levels as required by rental agreement to avoid the car rental company from adding fuel charges.

6.5 Rental agreement and credit card receipt must be provided to County as back up for the request for reimbursement.

6.6 Insurance purchased when renting vehicle may also be reimbursed.

6.7 Car Rental optional extras such as GPS, roadside assistance, and administrative fees on Tolls will not be reimbursed.

7. Personal Car Usage

7.1 Personal vehicle usage will be reimbursed in an amount equal to the standard mileage rate allowed by the IRS.

7.2 Per code of Federal Regulations, Title 26, Subtitle A, Chapter 1, Subchapter B, Part IX, Section 274(d), all expense reimbursement requests must include the following:

7.2.1.1 Date

7.2.1.2 Destination

7.2.1.3 Purpose

7.2.1.4 Name of traveler(s)

7.2.1.5 Correspondence that verifies business purpose of the expense

7.3 The mileage for a personal vehicle must document the date, location of travel to/from, number of miles traveled and purpose of trip.

7.4 Mileage will be reimbursed on the basis of the most commonly used route.

7.5 Reimbursement for mileage shall not exceed the cost of a round trip coach airfare.

7.6 Reimbursement for mileage shall be prohibited between place of residence and usual place of work.

7.7 Mileage should be calculated from employee's regular place of work or their residence, whichever is the shorter distance when traveling to a meeting or traveling to Williamson County, Texas for vendors who are located outside of the Williamson County Courthouse, 710 Main Street, Georgetown, Texas 78626 by at least a 45-mile radius.

7.8 When more than one person travels in same vehicle, only one person may claim mileage reimbursement.

7.9 Tolls, if reasonable, are reimbursable. Receipts are required for reimbursement. If a receipt is not obtainable, then written documentation of expense must be submitted for reimbursement (administrative fees on Tolls will not be reimbursed).

7.10 Parking fees, if reasonable are reimbursable for meetings and hotel stays. For vendors who contract with a third party for visitor parking at vendor's place of business, Williamson County will not reimburse a vendor based on a percentage of its contracted visitor parking fees. Rather, Williamson County will reimburse Vendor for visitor parking on an individual basis for each time a visitor uses Vendor's visitor parking. Receipts are required for reimbursement. If a receipt is not obtainable, then written documentation of expense must be submitted for reimbursement.

7.11 Operating and maintenance expenses as well as other personal expenses, such as parking tickets, traffic violations, and car repairs and collision damage are not reimbursable.

8. Other Expenses

8.1 Taxi fare, bus tickets, conference registrations, parking, etc. must have a proper original receipt.

9. Repayment of Non-reimbursable Expense.

Vendors must, upon demand, immediately repay County for all inappropriately reimbursed expenses whenever an audit or subsequent review of any expense reimbursement documentation finds that such expense was reimbursed contrary to these guidelines and this Policy. Williamson County reserves the right to retain any amounts that are due or that become due to a vendor in order to collect any inappropriately reimbursed expenses that a vendor was paid.

10. Non-Reimbursable Expenses

In addition to the non-reimbursable items set forth above in this Policy, the following is a non-exhaustive list of expenses that will not be reimbursed by Williamson County:

10.1 Alcoholic beverages/tobacco products
10.2 Personal phone calls
10.3 Laundry service
10.4 Valet service (excludes hotel valet)
10.5 Movie rentals
10.6 Damage to personal items
10.7 Flowers/plants
10.8 Greeting cards
10.9 Fines and/or penalties
10.10 Entertainment, personal clothing, personal sundries and services
10.11 Transportation/mileage to places of entertainment or similar personal activities
10.12 Upgrades to airfare, hotel and/or car rental
10.13 Airport parking above the most affordable rate available
10.14 Excessive weight baggage fees or cost associated with more than two airline bags
10.15 Auto repairs
10.16 Babysitter fees, kennel costs, pet or house-sitting fees
10.17 Saunas, massages or exercise facilities
10.18 Credit card delinquency fees or service fees
10.19 Doctor bills, prescription and other medical services
10.20 Hand tools
10.21 Safety Equipment (hard hats, safety vests, etc.)
10.22 Office Supplies
10.23 Lifetime memberships to any association
10.24 Donations to other entities
10.25 Any items that could be construed as campaigning
10.26 Technology Fees
10.27 Sales tax on goods purchased
10.28 Any other expenses which Williamson County deems, in its sole discretion, to be inappropriate or unnecessary expenditures.

Subject: Recommendation for 24RFSQ22 Engineering Services for Updating the Wilco Transportation Plan

Dear Ms. Simonton:

Based on the attached supporting documentation, the Engineering Services for the Wilco Transportation Plan Selection Committee recommends the selection of Alliance Transportation Group, LLC. which was the top ranked firm from the evaluation process.

Three firms were evaluated on January 8, 2024 by the following Selection Committee:

Terry Cook, Commissioner Precinct 1
Robert B. Daigh, P.E., Senior Director of Infrastructure
J. Terron Evertson, Deputy Director of Infrastructure

Please feel free to contact me if you have any questions.

Sincerely,

Robert B. Daigh

WORK AUTHORIZATION NO. 1

PROJECT: Wilco Transportation Plan

This Work Authorization is made pursuant to the terms and conditions of the Williamson County Contract for Engineering Services for Updating the Wilco Transportation Plan, being dated **March 19, 2024** and entered into by and between Williamson County, Texas, a political subdivision of the State of Texas, (the "County") and **Alliance Transportation Group** (the "Engineer").

Part1. The Engineer will provide the following Engineering Services set forth in Attachment "B" of this Work Authorization.

Part 2. The maximum amount payable for services under this Work Authorization without modification is **$703,278.00.**

Part 3. Payment to the Engineer for the services established under this Work Authorization shall be made in accordance with the Contract.

Part 4. This Work Authorization shall become effective on the date of final acceptance and full execution of the parties hereto and shall terminate on **December 31, 2025**. The Engineering Services set forth in Attachment "B" of this Work Authorization shall be fully completed on or before said date unless extended by a Supplemental Work Authorization.

Part 5. This Work Authorization does not waive the parties' responsibilities and obligations provided under the Contract.

Part 6. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Work Authorization. Engineer understands and agrees that County's payment of amounts under this Work Authorization is contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Engineer that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Engineer.

Part 7. This Work Authorization is hereby accepted and acknowledged below.

LIST OF ATTACHMENTS

Attachment A - Services to be Provided by County

Attachment B - Services to be Provided by Engineer

Attachment C - Work Schedule

Attachment D - Fee Schedule

Attachment A

Services to be Provided by County

Williamson County Road & Bridge Division personnel will provide project direction, review and oversight. Additionally, they will provide available data (GIS, cross sections, etc) on planned roadways in Williamson County, and work with CAMPO to obtain a copy of the CAMPO travel demand model and its underlying scripts.

Attachment B

Services to be Provided by the Engineer

Description of Project:
This work program builds upon the collaborative effort with the ATG team serving as an extension of Williamson County (Wilco) staff to provide support for long range planning activities. The following Scope of Work denotes specific steps and major deliverables.

Task 1 Project Management
The ENGINEER shall provide monthly updates on project progress, along with regular reporting in the form of project invoicing. A Project Management Plan (PMP) will be developed at the start of the project to identify overall scheduling, roles, responsibilities and procedures for handling of data, analyses and contact between Wilco and ATG.

Task 2 Wilco Version of Travel Demand Model

The ENGINEER shall begin to update the CAMPO regional travel demand model (model) to more precisely reflect Wilco transportation facilities and travel patterns. This updated model is intended to support long range planning in the County. The model roadway network shall include existing transportation projects as of September 1, 2023, as well as committed projects as listed in the Williamson County Bond Program construction letting list as well as projects identified for construction in the adopted (as of September 1, 2023) CAMPO Transportation Improvement Program. The model shall include updated alignments for corridors in the LRTP and a socioeconomic year designed to represent Wilco at Build Out condition.

CAMPO has released the draft 2050 MTP travel demand model to jurisdictions and supporting ENGINEERS. The 2050 MTP CAMPO model includes the newest socioeconomic forecast for the region, the model runs more reliability and faster, and it will be used to support the 2050 CAMPO Metropolitan Transportation Plan that will be delivered in 2025. This model represents the logical starting point to refine in support of Wilco long range planning efforts as it will be valid longer.

2.1 Highway Network Verification and Update

Review base year transportation system networks within the model so that the representation of roadways and roadway attributes in the model is consistent with actual base year roadway characteristics. The latest Metropolitan Transportation Plans (MTP), and the TxDOT Statewide Transportation Improvement Program (STIP) will be reviewed within the project area and for facilities directly impacting the project area.

Add roadways (grade separated facilities and arterials) from the Wilco Long Range Transportation Plan (LRTP) to form a more detailed future year highway network layer with which the CAMPO model can be operated with and to support analysis of the LRTP system.

2.2 Additional Highway Network Detail

Refine and add additional detail to the highway network geography as necessary to provide the scale and resolution necessary to support the analysis of travel patterns within Wilco and to support analysis of the Wilco Long Range Transportation Plan (LRTP).

Deliverables for Task 2

- Updated TransCAD format CAMPO highway network layer

Task 3 Wilco Demographics

The ENGINEER shall plan for the update of population and employment demographics and socioeconomic data for an ultimate build out scenario for Williamson County. The build out scenario shall be based on realistic assumptions about future growth, based on current distribution and density of land uses in the County supplemented by reasonable assumptions about future growth trends, emerging patterns, available supply stock, anticipated absorption capacity, and using other high growth counties in the state as examples of other high growth scenarios.

Task 3.1 Assemble Methodology

The ENGINEER will also research options for the forecasting of Williamson County socio-economic inputs to the model to reflect a build out scenario and to disaggregate to the new more details TAZ structure. The socio-economic forecasting procedure shall be designed to support the requirements of the CAMPO Model and the needs of the Williamson County LRTP.

Task 3.2 Socioeconomic Build Out Scenarios

The ENGINEER shall develop population, household and employment demographics for an ultimate build out scenario of Williamson County. This analysis includes, to the greatest extent possible, planned and proposed inventory that could influence development in the study area.

The ENGINEER shall analyze the information generated and synthesized to estimate the build-out capacity of all transportation analysis zones for existing development types at prevailing and/or anticipated densities and land utilization rates, taking into account limits on developable land by type.

Using the gathered information, the ENGINEER shall allocate the additional population, households and employment to the respective CAMPO TDM traffic analysis zones (TAZ) within the study area.

Deliverables for Task 3 Demographics

- Technical memorandum that includes detailed description of the methods, assumptions and processes used.
- A GIS database containing the ultimate build out demographic, socioeconomic and land use data as influenced by each transportation scenario at the TAZ level.

Task 4 Travel Demand Modeling and Analysis

The following tasks are designed to measure and analyze the future performance of the Williamson County transportation system under a set of transportation scenarios defined by the County using the updated model.

Task 4.1 Mobility Measures

To define how the TDM will be used and the results will be aggregated, reported and analyzed, the ENGINEER shall focus on the ways in which the multimodal transportation system performs in terms of quantitative mobility measures. Mobility is a measure of the transportation system's ability to successfully move people and goods from one place to another, both within the County and to connect them to regional activity centers. Mobility measures will include TDM output data including:

- Traffic congestion
- Total system delay
- Roadway Level of Service

Individual mobility measures shall be developed in collaboration with County with a focus on items related to outcome based system performance management principles used for assessment of projects in regional, state and federal funding programs.

Task 4.2 Evaluation of Future Traffic Conditions (model scenarios)

The ENGINEER shall apply the CAMPO travel demand model to develop traffic forecasts for a selected set of up to four (4) Alternative Build Scenarios. These runs shall provide the County with the ability to undertake, with support from the ENGINEER, scenario based planning and testing of proposed alternatives to be used in development and analysis of the LRTP. Under this task the ENGINEER shall:

- Perform model runs to produce traffic forecasts for each of the four (4) scenarios using the ultimate build out land use and socioeconomic scenario (as revised for each scenario).
- Format the results and report the transportation system outcomes of each scenario in terms of the selected mobility measures.
- Interpretation and comparative analysis of the results of each of the modeled scenarios to provide insight into the dynamics of the various alternatives, the potential impacts and interactions of transportation and land use, and the factors most likely to help or hinder optimization of the transportation system in Williamson County.

Deliverables for Task 4

- A set of transportation performance measures that can be used to evaluate the performance of the Williamson County Transportation System performs.
- CAMPO model traffic forecasts for each of four (4) scenarios defined by the County
- Comparative analysis of the results of the four (4) scenarios to provide insight into the dynamics of the various alternatives and the interaction of the transportation system and future land use.

Task 5 Mapping Support

To support the County in providing materials to help staff, County planning partners, policy makers and the public visualize the outputs of the model, the ENGINEER shall provide maps depicting key measures and outputs of the model.

Task 5.1 Traffic Map Production

The ENGINEER shall produce Build Out volume maps to focus on state facilities and proposed Wilco corridors, and shall create maps depicting the number of lanes needed to support the model forecast volumes for the horizon and Build Out years that focus on state facilities and proposed Wilco corridors.

Deliverables

- Three (3) printed copies of the updated Build Out volume maps.
- PowerPoint slides (3 to7) depicting the updated Build Out volumes depicted on the updated maps.
- Three (3) printed copies maps depicting the number of lanes needed to support the model forecast.

Task 6 Travel Demand Modeling Research and Analysis

The following tasks are designed to research, identify, analyze and present historic traffic forecast produced to support regional long-range planning. The analysis of these historic travel demand forecast shall present trends and conclusion related to the accuracy of the historic forecast and possible shortcoming and there impacts on the planning of transportation infrastructure in Williamson County.

Task 6.1 Identification and Analysis of Historic Roadway Forecast

The ENGINEER shall obtain available historic travel demand models (TDM) used to facilitate transportation planning in Wilco. It is envisioned that a subset of the following models will be obtained and analyzed:

- **1992 Base Travel Demand Model** –Network layer and assignment file may be available. Included a 2020 forecast year. Model covers Travis County and a small sliver of Williamson.
- **1997 Base Travel Demand Model** – TransCAD network and assignment file are available. Included 2015 & 2025 forecast years. Three counties in model.
- **2007 Base Travel Demand Model** – TransCAD Network and assignment file and at least a 2017 & 2030 traffic assignment file. This is the 1997 model with updated 2007 demographics.
- **2005 Base Travel Demand Model** – Five county model version. Many forecast years.
- **Campo 01/01/2016 –** 2010 base year model with several forecast years.
- **Campo 12/02/2016** – 2010 base model with several forecast years. This is essentially the current version of the model used for Capital Express Study, WilCo LRTP, and Orange Line Analysis.
- **CAMPO 2015 Based model** –version of the model. Developed by ATG. Networks and Demographics by CAMPO GPC.
- **CAMPO 2017** – in use in 2023. Developed by AECOM under a TPP contract.
- **CAMPO 2050 MTP**- not in active use as of 2023. Will be adopted with the 2050 MTP.

Deliverables

- Memorandum with chart and maps conveying historic forecasts and their accuracy and possible impacts on transportation planning in Wilco.

Task 7 Updating Existing Major Transportation Plan Documentation

7.1 Receive/incorporate updates to existing technical memos based upon previous tasks.

7.2 Conduct review meetings with Williamson County

7.3 Develop final report with executive summary.

Task 8 EWH at I-30

The Engineer will develop projected traffic volumes for the intersection of EWH (East Williamson Highway aka Gattis School Road) and SH 130. The analysis for this intersection will use a set of travel demand models and perform an operational analysis of the intersection. The goal of the analysis is to properly size the future bridge and intersections at this location. To support the development of future traffic the effort will make use of the following travel demand models:

1) CAMPO Draft 2050 Model
2) CAMPO Draft 2050 Model known developments
3) Wilco 2018 LRTP Travel Demand Model- Ultimate Build out scenario

Task 2: Route and Design Studies

1. Review, validate and add necessary geographic detail to the most recent 2050 Draft CAMPO Travel Demand Model (TDM), and the Wilco 2018 LRTP Travel Demand Model.
    - The Engineer will confirm that major components of the Wilco long range plan network that have direct impact on the project area are included in the model network and reflect the latest LRTP update.
    - The Engineer will update the socio-economic data of the CAMPO Draft 2050 model to reflect known developments.
2. ATG will develop 24-hour traffic forecast volumes for the project limits presented on line diagrams for the following scenarios at the EWH (East Williamson Highway aka Gattis School Road) and SH 130 Intersection based on the following models and model scenarios:
    - CAMPO Draft 2050 Model
    - CAMPO Draft 2050 Model with Samsung, other known developments, and the new 1,600-acre development northeast of the Chandler Road at FM 1660 intersection that is anticipated to be a facility similar to Samsung
    - Wilco 2018 LRTP Travel Demand Model- Ultimate Build out scenario with Corridors A and E refined to the current LRTP as appropriate for the scenario
3. Traffic operational analysis
    - Provide high level guidance on the configuration and operation of the intersection with projected volumes (3 scenarios) using CAP-X software.
    - Provide traffic operational analysis using SYNCRHO (3 scenarios) based on a standard diamond interchange.
        - ATG will evaluate queues and level of service for both sides of the EWH (East Williamson Highway aka Gattis School Road) and SH 130 intersection, as well as the nearby intersection of EWH and Muirfield Bend Drive under all 3 scenarios.
        - ATG will make recommendations on lane configurations for intersection of EWH (East Williamson Highway aka Gattis School Road) and SH 130 under each scenario.

- ATG will summarize the analysis and results in a technical memorandum.

This scope explicitly excludes the following services.

- Any additional traffic forecast outside of the project limits

Advance Funding Agreement for HSIP Amendment #2

Submitted For: Terron Evertson **Submitted By:** Jenifer Favreau, Infrastructure

Department: Infrastructure **Division:** Road & Bridge

Agenda Category: Regular Agenda Items

Information

Agenda Item

Discuss, consider and take appropriate action on Amendment #2 to a TxDOT Highway Safety Improvement Program Advance Funding Agreement for improvements to Chandler Road from SH 130 to Old CR 366 and Ronald Reagan Boulevard at CR 234.

Background

The Commissioners Court previously approved Amendment #1 at its December 12, 2023 session. Amendment #1 was inadvertently executed with zero dollar Local Match for CSJ# 0914-05-214, which does not comply with the requirement of Local Government participation. Amendment #2 is the remedy to have a correct funding for this particular CSJ# 0914-05-214 since which is letting soon. The grand total remains unchanged from what was approved in Amendment #1.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Texas Department of Transportation (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Texas Department of Transportation:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: kevin.setoda@txdot.gov

To advise Texas Department of Transportation of your new e-mail address

To let us know of a change in your e-mail address where we should send notices and disclosures electronically to you, you must send an email message to us at kevin.setoda@txdot.gov and in the body of such request you must state: your previous e-mail address, your new e-mail address. We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in DocuSign.

To request paper copies from Texas Department of Transportation
To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to kevin.setoda@txdot.gov and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.
To withdraw your consent with Texas Department of Transportation

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your DocuSign account, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an e-mail to kevin.setoda@txdot.gov and in the body of such request you must state your e-mail, full name, IS Postal Address, telephone number, and account number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

Operating Systems:	Windows2000? or WindowsXP?
Browsers (for SENDERS):	Internet Explorer 6.0? or above
Browsers (for SIGNERS):	Internet Explorer 6.0?, Mozilla FireFox 1.0, NetScape 7.2 (or above)
Email:	Access to a valid email account
Screen Resolution:	800 x 600 minimum
Enabled Security Settings:	• Allow per session cookies

	• Users accessing the internet behind a Proxy Server must enable HTTP 1.1 settings via proxy connection

** These minimum requirements are subject to change. If these requirements change, we will provide you with an email message at the email address we have on file for you at that time providing you with the revised hardware and software requirements, at which time you will have the right to withdraw your consent.

Acknowledging your access and consent to receive materials electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please verify that you were able to read this electronic disclosure and that you also were able to print on paper or electronically save this page for your future reference and access or that you were able to e-mail this disclosure and consent to an address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format on the terms and conditions described above, please let us know by clicking the 'I agree' button below.

By checking the 'I Agree' box, I confirm that:

- I can access and read this Electronic CONSENT TO ELECTRONIC RECEIPT OF ELECTRONIC RECORD AND SIGNATURE DISCLOSURES document; and
- I can print on paper the disclosure or save or send the disclosure to a place where I can print it, for future reference and access; and
- Until or unless I notify Texas Department of Transportation as described above, I consent to receive from exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to me by Texas Department of Transportation during the course of my relationship with you.

CONTRACT AMENDMENT NO. 2
TO
WILLIAMSON COUNTY CONTRACT FOR ENGINEERING SERVICES

WILLIAMSON COUNTY ROAD BOND
PROJECT: 22RFSQ147 On-Call Materials & Geotechnical Engineering Services
("Project")

THIS CONTRACT AMENDMENT NO. 2 to Williamson County Contract for Engineering Services is by and between Williamson County, Texas, a political subdivision of the State of Texas, (the "County") and **B2Z Engineering, LLC** (the "Engineer") and becomes effective as of the date of the last party's execution below.

WHEREAS, the County and the Engineer executed the Williamson County Contract for Engineering Services dated effective **December 20, 2022** (the "Contract");

WHEREAS, pursuant to Article 14 of the Contract, the terms of the Contract may be modified by a written fully executed Contract Amendment;

WHEREAS, the "Compensation Cap" under Article 5 of the Contract limits the maximum amount payable under the Contract to **$800,000.00** ; and,

WHEREAS, the Rate Schedule in Exhibit D of the Contract are limited to the rates noted in said Exhibit D; and,

WHEREAS, it has become necessary to amend the Contract.

AGREEMENT

NOW, THEREFORE, premises considered, the County and the Engineer agree that the Contract is amended as follows:

I. The Compensation Cap under Article 5 of the Contract is hereby increased from **$840,000.00** to **$880,426.00**, reflecting a total increase of **$40,426.00**.

All other terms of the Contract are unchanged and will remain in full force and effect.

IN WITNESS WHEREOF, the County and the Engineer have executed this Contract Amendment, to be effective as of the date of the last party's execution below.

WORK AUTHORIZATION NO. __5____

WILLIAMSON COUNTY ROAD BOND PROJECT:
CR 129

This Work Authorization is made pursuant to the terms and conditions of the Williamson County Contract for Engineering Services, being dated December 20, 2022 and entered into by and between Williamson County, Texas, a political subdivision of the State of Texas, (the "County") and B2Z Engineering, LLC (the "Engineer").

Part1. The Engineer will provide the following Engineering Services set forth in Attachment "B" of this Work Authorization.

Part 2. The maximum amount payable for services under this Work Authorization without modification is $42,695.00.

Part 3. Payment to the Engineer for the services established under this Work Authorization shall be made in accordance with the Contract.

Part 4. This Work Authorization shall become effective on the date of final acceptance and full execution of the parties hereto and shall terminate on November 1, 2026. The Engineering Services set forth in Attachment "B" of this Work Authorization shall be fully completed on or before said date unless extended by a Supplemental Work Authorization.

Part 5. This Work Authorization does not waive the parties' responsibilities and obligations provided under the Contract.

Part 6. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Work Authorization. Engineer understands and agrees that County's payment of amounts under this Work Authorization is contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Engineer that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Engineer.

Part 7. This Work Authorization is hereby accepted and acknowledged below.

ATTACHMENT A
SERVICES TO BE PROVIDED BY THE COUNTY
FOR 24IFB23 - CR 129

In general, Williamson County and its representatives to their best efforts will render services as follows:

1. Name, business address and phone number of County's project manager and any other points of contract, to be identified upon Notice to Proceed.

2. Assistance to the Engineer, as necessary, with obtaining data and information from other local, regional, State and Federal agencies required for this project.

3. Provide available appropriate County data on file, plans and specifications that are deemed pertinent to the completion of the work required by the scope of services (Set of plans and Construction Manual).

4. Provide timely reviews and decisions necessary for the Engineer to maintain the project work schedule. Review recommendations offered by the Engineer, progress of work, and final acceptance of all documents.

5. Post and maintain project information for public consumption on the County website.

6. Assist with Coordination between the Engineer and the County's other subconsultants.

ATTACHMENT B
SERVICES TO BE PROVIDED BY THE ENGINEER
CONSTRUCTION PHASE SERVICES FOR CR 129

PROJECT DESCRIPTION

Existing Facility

Construction, safety widening, grading, excavation, and drainage improvements associated with the profile adjustments of CR 129 from South of Brushy Creek to North of Williamson County Line.

1. PROJECT MANAGEMENT

   a. Shall designate one Licensed Professional Engineer (Texas) to be responsible for the project management, and all communications with the County and its representatives.

   b. MONTHLY PROGRESS REPORTS, INVOICES, AND BILLINGS:

      - Submit monthly progress status reports to the GEC. Progress reports will include: tasks completed, tasks/objectives that are planned for the upcoming periods, lists or descriptions of items or decisions needed from the County and its representatives. Subconsultant progress will be incorporated into the monthly progress report. A copy of the monthly progress report will be uploaded to ProjectWise.

      - Prepare correspondence, invoices, and progress reports on a monthly basis in accordance with current County requirements.

   c. QUALITY ASSURANCE AND QUALITY CONTROL (QA/QC) PLAN:

      - Prepare a project specific QA/QC plan and submit to the County within thirty (30) days of notice to proceed.

      - For each deliverable, provide evidence of their internal review and mark-up of that deliverable as preparation for submittal and in accordance with submitted project specific QA/QC plan.

      - Provide continuous QA/QC throughout the duration of the scheduled services included herein to appraise both technical and business performance and provide direction for project activities.

   d. DELIVERABLES:

      - Monthly Invoices and Progress Reports

- Project Specific QA/QC Plan

2. CONSTRUCTION PHASE SERVICES

a. MATERIALS TESTING:

- Testing shall be according to TxDOT Guide Schedule. QA testing is 10% testing by a certified laboratory, minimum of 1 test. Per TxDOT, owner's laboratory does hot mix testing. Laboratory should provide timely response of test results. Contractor should provide 24-hour notice to schedule testing on the project.
- Issues with materials testing (failures in testing), GEC and Williamson County to be notified immediately. Prepare/maintain a material testing log for each material tested.
- For approval of test reports for items out of spec will be submitted to the GEC for coordination with County and Engineer of Record for approval.
- Materials arriving to the project that have been damaged during delivery and do not comply with the project specifications must be rejected by the CEI staff.
- Expectation is for the CEI firm to evaluate the quality of the proposed pavement construction by the contractor and compliance with the project specifications.
- Work with the contractor to provide the submittals with sufficient lead time for the review and acceptance/approval prior to arrival on the project

b. DELIVERABLES

- DOCUMENTS:

  All contract documents, including hard copies and electronic files, shall be turned over to the County at each milestone and at the completion of the project. Documents shall be posted to the County's project management database as requested.

- Test documentation (Field Tech Daily Report, Sample Report, Test Results)
- Monthly update of Material Log
- Certification Verifications
- Letters of Certification
- Test Exception Letters

STATE OF TEXAS §
§ TAX ABATEMENT AGREEMENT
COUNTY OF WILLIAMSON §

This Tax Abatement Agreement (the "Agreement") is entered into by and among Williamson County, Texas (the "County"), Hanwha Advanced Materials America, LLC, a Delaware limited liability company ("Company") (each a "Party" and collectively the "Parties"), acting by and through their authorized representatives.

WITNESSETH:

WHEREAS, the Company plans to purchase a parcel of land in Williamson County, Texas, being further described in Exhibit "A" ("Land"), and

WHEREAS, the Company intends to construct, or cause to be constructed a building on the Land containing approximately 200,000 square feet of high-tech advanced manufacturing space (hereinafter defined as the "Improvements"); and

WHEREAS, Company intends to locate Tangible Personal Property (hereinafter defined) on the Land (hereinafter defined); and

WHEREAS, Company intends to make a total combined capital investment of approximately One Hundred Million and No/100 Dollars ($100,000,000.00) in the Improvements and Tangible Personal Property (hereinafter defined) as of the second anniversary date of the First Year of Abatement (hereinafter defined); and

WHEREAS, the Commissioners Court of Williamson County, Texas (the "City Council"), passed an Order (the "Order") establishing Williamson County Reinvestment Zone No. 2 (the "Zone"), for commercial/industrial tax abatement, as authorized by the Property Redevelopment and Tax Abatement Act, Chapter 312 of the Texas Tax Code, as amended (the "Act"); and

WHEREAS, the County has adopted guidelines for tax abatement (the "Tax Abatement Guidelines"); and

WHEREAS, the Tax Abatement Guidelines contain appropriate guidelines and criteria governing tax abatement agreements to be entered by the City as contemplated by the Act; and

WHEREAS, the County has adopted a resolution stating that it elects to be eligible to participate in tax abatement; and

WHEREAS, to maintain and enhance the commercial and industrial economic and employment base of Williamson County area, it is in the best interests of the taxpayers for the County to enter into this Agreement in accordance with said Order, the Tax Abatement Guidelines, and the Act; and

WHEREAS, development efforts of Company described herein will create 180 permanent new jobs in the County; and

WHEREAS, the Commissioners Court finds that the contemplated use of the Premises (hereinafter defined), and the contemplated Improvements are consistent with encouraging development of the Zone in accordance with the purposes for its creation and/or in compliance with the Tax Abatement Guidelines, the Order adopted by the County, the Act, and all other applicable laws; and

WHEREAS, the Commissioners Court finds that the Improvements sought are feasible and practicable and would be of benefit to the Premises to be included in the Zone and to the County after expiration of this Agreement; and

WHEREAS, a copy of this Agreement has been furnished, in the manner prescribed by the Act, to the presiding officers of the governing bodies of each of the taxing units in which the Premises is located;

NOW, THEREFORE, in consideration of the mutual benefits and promises contained herein and for other good and valuable consideration, the adequacy and receipt of which is hereby acknowledged, including the expansion of primary employment, the attraction of major investment in the Zone, which contributes to the economic development of Georgetown and the enhancement of the tax base in the County, the Parties agree as follows:

Article I
Definitions

Wherever used in this Agreement, the following terms shall have the meanings ascribed to them:

"Ad Valorem Taxes" shall mean those real and business personal ad valorem taxes paid to the County's Operation and Maintenance Fund (and not the County's Debt and Road and Bridge Fund) based on the assessed value of the real and personal property within the Project.

"Appraisal District" shall mean the Williamson County Central Appraisal District or its successor.

"Bankruptcy or Insolvency" shall mean the dissolution or termination of a Party's existence as a going business, insolvency, appointment of receiver for any part of a Party's property and such appointment is not terminated within ninety (90) days after such appointment is initially made, any general assignment for the benefit of creditors, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against such Party, and such proceeding is not dismissed within ninety (90) days after the filing thereof.

"Base Year Taxable Value" shall mean the Taxable Value for the Land for the year in which the Tax Abatement Agreement is executed (2023).

"City" shall mean the City of Georgetown, Texas.

"Commencement Date" shall mean December 31, 2024, or the date the Company closes on the Land, whichever occurs earliest.

"Commencement of Construction" shall mean that: (i) the plans have been prepared and all approvals thereof and permits with respect thereto required by applicable governmental authorities have been obtained for construction of the Improvements on the Land; (ii) all necessary permits for the construction of the Improvements on the Land pursuant to the respective plans therefore having been issued by all applicable governmental authorities; and (iii) grading of the Land or the construction of the vertical elements of the Improvements has commenced.

"Commissioners Court" shall mean the governing body of the County.

"Company" shall mean Hanwha Advanced Materials America, LLC, a Delaware limited liability company or its wholly-owned subsidiary to be established for the purpose of owning and operating the Improvements.

"Completion of Construction" shall mean substantial completion of the Improvements.

"County" shall mean Williamson County, Texas.

"Effective Date" shall mean the last date of execution of this Agreement.

"Expiration Date" shall mean March 1 of the calendar year following the tenth (10^{th}) anniversary date of the First Year of Abatement.

"First Year of Abatement" shall mean January 1 of the calendar year immediately following the Commencement Date

"Force Majeure" shall mean any contingency or cause beyond the reasonable control of a Party including, without limitation, acts of God or the public enemy, war, riot, terrorism, civil commotion, insurrection, government or de facto governmental action, restrictions or interferences (unless caused by the intentional acts or omissions of the Party), fires, explosions, floods or other inclement weather, strikes, slowdowns or work stoppages, incidence of disease or other illness that reaches outbreak, epidemic, or pandemic proportions or similar causes that results in a reduction of labor force or work stoppage in order to comply with local, state, or national disaster orders, construction delays, shortages or unavailability of supplies, materials or labor, necessary condemnation proceedings, or any other circumstances which are reasonably beyond the control of the Party obligated or permitted under the terms of this Agreement to do or perform the same, regardless of whether any such circumstances are similar to any of those enumerated or not, the Party so obligated or permitted shall be excused from doing or performing the same during such

period of delay, so that the time period applicable to such obligation or performance shall be extended for a period of time equal to the period such Party was delayed, provided the Party whose performance is delayed provides written notice to the other Party not later than fifteen (15) business days after the last day of the month of the occurrence of the event(s) or condition(s) causing the delay or the date the Party whose performance has been delayed becomes aware or should have reasonably known of the event, describing such event(s) and/or condition(s) and the date on which such event(s) and/or condition(s) occurred.

"Freeport Goods" shall have the same meaning as assigned by Section 11.251 of the Tax Code and Article VIII, Section 1-j of the Texas Constitution. Freeport Goods does not include "Goods in Transit" as defined by Tax Code, Section 11.253.

"Goods in Transit" shall have the same meaning assigned by Tax Code, Section 11.253.

"Improvements" shall mean a building to be constructed on the Land containing approximately 200,000 square feet of high-tech advanced manufacturing space on the Land, and other ancillary facilities such as reasonably required parking and landscaping.

"Land" means the real property described in **Exhibit "A"**.

"Premises" shall mean collectively, the Land and Improvements following construction thereof.

"Required Use" shall mean the Company's continuous use and occupancy of the Improvements for the manufacture, research, and development of automotive parts.

"Tangible Personal Property" shall mean furniture, fixtures and equipment owned or leased by Lessee and located at the Premises, after the execution of this Agreement. Tangible Personal Property shall not include inventory, supplies Freeport Goods and Goods in Transit located at the Premises.

"Taxable Value" means the appraised value as certified by the Williamson Central Appraisal District (or its successor) as of January 1 of a given year.

Article II
General Provisions

2.1 The Company has purchased or is in the process of purchasing the Land which is located within the Zone and intends to construct the Improvements and to locate and maintain Tangible Personal Property.

2.2 The Premises are not in an improvement project financed by tax increment bonds.

2.3 This Agreement is entered into subject to the rights of the holders of outstanding bonds of the County.

2.4 The Premises are not owned or leased by any member of the Commissioners Court of Williamson County.

2.5 Company shall, before May 1, of each calendar year that the Agreement is in effect, certify in writing to the County that such Party is in compliance with each term of the Agreement.

2.6 The Land and the Improvements constructed thereon at all times shall be used in the manner that during the period taxes are abated hereunder is consistent with the general purposes of encouraging development or redevelopment within the Zone.

2.7 During the term of this Agreement beginning on the Commencement Date and continuing until the Expiration Date, Company intends to establish one or more programs at the Premises to create internship and employment opportunities for the benefit of Georgetown Independent School District students.

Article III
Tax Abatement Authorized

3.1 This Agreement is authorized by the Act and in accordance with the County Tax Abatement Guidelines and approved by order of the Commissioners Court.

3.2 Subject to the terms and conditions of this Agreement County hereby grants Company an abatement of seventy percent (70%) of the Taxable Value of the Premises (Land and Improvements) and an abatement of seventy percent (70%) of the Taxable Value of the Tangible Personal Property, for a period of ten (10) consecutive years, beginning with the First Year of Abatement; provided however beginning with the second year of abatement the combined minimum taxable of the Premises and Tangible Personal Property shall be at least Sixty Million and No/100 Dollars ($60,000,000) ("Minimum Taxable Value") as of January 1 of such tax year and as of January 1, of each calendar year thereafter during the term of this Agreement, according to the Appraisal District records. The foregoing percentage of Taxable Value of the Premises subject to abatement for each year this Agreement is in effect will apply only to the portion of the Taxable Value of the Premises that exceeds the Base Year Taxable Value. The actual percentage of Taxable Value of the Tangible Personal Property subject to abatement for each year this Agreement is in effect will apply only to the Tangible Personal Property located at the Premises after execution of this Agreement. The failure of the Premises and the Tangible Personal Property to have the Minimum Taxable Value as of January 1 of $60,000,000 by the 2nd year of abatement and as of January 1, of any subsequent calendar year shall not be an event of default subject to termination and repayment of the abated taxes pursuant to Article V hereof but shall result in the forfeiture of the tax abatement for the Premises and the Tangible Personal Property for such tax year.

3.3 The period of tax abatements herein authorized shall be for a period of ten (10) consecutive years beginning with the First Year of Abatement. No abatements shall be given after the tenth year.

3.4 During the period of tax abatement herein authorized, Company shall be subject to all taxation not abated, including but not limited to, sales tax and ad valorem taxation.

3.5 Beginning with the First Year of Abatement and continuing until the Expiration Date the Premises shall not be used for any purpose other than the Required Use and the operation and occupancy of the Premises in conformance with the Required Use shall not cease for more than thirty (30) days except in connection with and to the extent of an event of Force Majeure or for temporary closures for reasonable periods of time not to exceed ninety (90) consecutive days for expansion, renovation or remodeling.

3.6 The term of this Agreement shall begin on the Effective Date and shall continue until the Expiration Date, unless sooner terminated as provided herein.

3.7 The abatement is for those Ad Valorem Taxes paid by the Company to the County's Operation and Maintenance Fund (and not the County's Debt and Road and Bridge Fund) based on the assessed value of the real and personal property within the Project.

Article IV
Improvements

4.1 Company intends to construct or cause to be constructed the Improvements on the Land. Nothing in this Agreement shall obligate Company to construct the Improvements on the Land, but said actions are conditions precedent to tax abatement for the Company and Lessee pursuant to this Agreement. The Company also intends to locate Tangible Personal Property at the Premises. Nothing in this Agreement shall obligate the Company to locate Tangible Personal Property at the Premises, but said actions are conditions precedent to tax abatement for the Company pursuant to this Agreement.

4.2 As a condition precedent to the initiation of the tax abatement pursuant to this Agreement, Company agrees, subject to events of Force Majeure, to cause Commencement of Construction of the Improvements to occur on or before January 1, 2024, and subject to events of Force Majeure to cause Completion of Construction of the Improvements to occur on or before December 31, 2025, as good and valuable consideration for this Agreement, and that all construction of the Improvements will be in accordance with all applicable state and local laws, codes, and regulations (or valid waiver thereof).

4.3 The Company agrees to maintain the Premises during the term of this Agreement in accordance with all applicable state and local laws, codes, and regulations.

4.4 The County, the Appraisal District, its agents and employees shall have the right of access to the Premises during and following construction to inspect the Improvements at reasonable times and with reasonable notice to Company and Lessee, as the case may be, and in accordance with visitor access and security policies of the Company, as applicable to ensure that the construction and maintenance of the Improvements are in accordance with this Agreement and all applicable state and local laws and regulations (or valid waiver thereof).

Article V
Default; Recapture

5.1 In the event: (i) Company fails to cause Commencement and/or Completion of Construction of the Improvements in accordance with this Agreement; (ii) Company has delinquent ad valorem taxes owed to the County (provided Company retains the right to timely and properly protest such taxes); (iii) Company has an event of Bankruptcy or Insolvency; or (iv) Company breaches any of the terms and conditions of this Agreement, or a Related Agreement, then Company, after the expiration of the notice and cure periods described below, shall be in default of this Agreement (the "Defaulting Party"). As liquidated damages in the event of such default, the Defaulting Party shall , within thirty (30) days after demand, pay to the County the amount of the taxes that would have been paid by the Defaulting Party to County without the benefit of a tax abatement for their respective property the subject of this Agreement for the tax years for which the Defaulting Party was in default of this Agreement (the "Recapture Amount") with interest at the statutory rate for delinquent taxes as determined by Section 33.01 of the Tax Code, as amended, but without penalty. The Parties acknowledge that actual damages in the event of default termination would be speculative and difficult to determine. The Parties further agree that Recapture Amount Taxes, including interest, as a result of this Agreement, shall be recoverable against the Defaulting Party and shall constitute a tax lien against the Premises and the Tangible Personal Property, and shall become due, owing, and shall be paid to the County within thirty (30) days after notice of termination.

5.2 Upon breach by Company of any of the obligations under this Agreement, the County shall notify the breaching Party (the "Breaching Party") in writing, which Breaching Party shall have thirty (30) days after delivery of the notice in which to cure any such default. If the default cannot reasonably be cured within such 30-day period, and the Breaching Party has diligently pursued such remedies as shall be reasonably necessary to cure such default, then the County may extend the period in which the default must be cured.

5.3 If the Breaching Party fails to cure the default within the time provided as specified above or, as such time period may be extended, the County, at its sole option, shall have the right to terminate this Agreement with respect to the Defaulting Party by providing written notice to the Defaulting Party.

5.4 Upon termination of this Agreement by County with respect to a Defaulting Party, the Recapture Amount for the respective property shall become a debt to the County as liquidated damages, and shall become due and payable not later than thirty (30) days after a notice of termination is delivered. The County shall have all remedies for the collection of the Recapture Amount from the Defaulting Party provided generally in the Tax Code for the collection of delinquent property tax. The computation of the Recapture Amount for the purposes of the Agreement shall be based upon the full Taxable Value of the Tangible Personal Property and the Premises, as the case may be, without tax abatement for the years in which tax abatement hereunder was received by the Defaulting Party, as determined by the Appraisal District, multiplied by the tax rate of the years in question, as calculated by the County Tax Assessor-Collector. The liquidated damages shall incur penalties as provided for delinquent taxes and shall commence to accrue after expiration of the thirty (30) day payment period.

Article VI
Annual Application for Tax Exemption

It shall be the responsibility of the Company, pursuant to the Tax Code, to file an annual exemption application form for the Tangible Personal Property and the Premises with the Chief Appraiser for the Appraisal District in which the eligible taxable property has situs. A copy of the respective exemption application shall be submitted to the County upon request.

Article VII
Annual Rendition

The Company shall annually render the value of the Tangible Personal Property to the Appraisal District and shall provide a copy of the same to the County upon written request. Company shall also be responsible for annually rendering the value of any existing Tangible Personal Property which has been improved so as to render its value higher than in previous years.

Article VIII
Miscellaneous

8.1 Notice. Any notice required or permitted to be delivered hereunder shall be deemed received (i) three (3) days after deposit in United States Mail, postage prepaid, certified mail, return receipt requested, addressed to the Party at the address set forth below, or such other address as is designated by the applicable Party from time to time, or (ii) on the day received if sent by courier or otherwise hand delivered.

8.2 Authorization. This Agreement was authorized by the Williamson County Commissioners Court approved at a regularly scheduled meeting, after proper notice being given.

8.3 Severability. In the event any section, subsection, paragraph, sentence, phrase or word herein is held invalid, illegal or unconstitutional, the balance of this Agreement shall stand, shall be enforceable and shall be read as if the Parties intended at all times to delete said invalid section, subsection, paragraph, sentence, phrase or word.

8.4 Governing Law. This Agreement shall be governed by the laws of the State of Texas without regard to any conflict of law rules. Exclusive venue for any action under this Agreement shall be the State District Court of Williamson County, Texas. The Parties agree to submit to the personal and subject matter jurisdiction of said court.

8.5 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and constitute one and the same instrument.

8.6 Entire Agreement. REAL ESTATE CONTRACT
CR 314 Right of Way

THIS REAL ESTATE CONTRACT ("Contract") is made by and between **MANUEL ELIZONDO REYES** (referred to in this Contract as "Seller", whether one or more) and **WILLIAMSON COUNTY, TEXAS** (referred to in this Contract as "Purchaser"), upon the terms and conditions set forth in this Contract.

ARTICLE I
PURCHASE AND SALE

By this Contract, Seller sells and agrees to convey, and Purchaser purchases and agrees to pay for, the tract(s) of land described as follows:

All of that certain 0.129-acre (5,622 square foot) tract of land, out of and situated in the A. A. Lewis Survey, Abstract No. 384, in Williamson County, Texas; being more fully described by metes and bounds in Exhibit "A-1", attached hereto and incorporated herein (**Parcel 14**); and

All of that certain 0.124-acre (5,421 square foot) tract of land, out of and situated in the A. A. Lewis Survey, Abstract No. 384, in Williamson County, Texas; being more fully described by metes and bounds in Exhibit "A-2", attached hereto and incorporated herein (**Parcel 15**); and

Electric Utility Easement interest only in and to that certain 0.0459-acre (2,001 square foot) tract of land, out of and situated in the A. A. Lewis Survey, Abstract No. 384, in Williamson County, Texas; being more fully described by metes and bounds in Exhibit "B-1", attached hereto and incorporated herein (**Parcel 14E**); and

Electric Utility Easement interest only in and to that certain 0.0459-acre (1,999 square foot) tract of land, out of and situated in the A. A. Lewis Survey, Abstract No. 384, in Williamson County, Texas; being more fully described by metes and bounds in Exhibit "A-2", attached hereto and incorporated herein (**Parcel 15E);**

together with all and singular the rights and appurtenances pertaining to the property, including any right, title and interest of Seller in and to adjacent streets, alleys or rights-of-way (all of such real property, rights, and appurtenances being referred to in this Contract as the "Property"), and any improvements and fixtures situated on and attached to the Property described herein not otherwise retained by Seller, for the consideration and upon and subject to the terms, provisions, and conditions set forth below.

ARTICLE II
PURCHASE PRICE AND ADDITIONAL COMPENSATION

2.01. The Purchase Price for the fee simple portion of the Property described in Exhibits "A1-A2" shall be the sum of SEVENTY-SIX THOUSAND NINETY and 00/100 Dollars ($76,090.00).

2.01.1 As Additional Compensation Purchaser shall pay the amount of SEVENTY-ONE THOUSAND EIGHT HUNDRED TWENTY and 00/100 Dollars ($71,820.00) for the acquisition of any improvements on the fee simple portion of the Property, and any damage to or cost of cure for the remaining property of Seller.

2.01.1. The Purchase Price for the Electric Utility Easement portion of the Property described in Exhibits "B1-B2" shall be the sum of THREE THOUSAND THREE HUNDRED and 55/100 Dollars ($3,300.55).

Payment of Purchase Price and Additional Compensation

2.02. The Purchase Price and Additional Compensation shall be payable in cash or other readily available funds at the Closing.

ARTICLE III
PURCHASER'S OBLIGATIONS

Conditions to Purchaser's Obligations

3.01. The obligations of the Purchaser hereunder to consummate the transactions contemplated hereby are subject to the satisfaction of each of the following conditions (any of which may be waived in whole or in part by Purchaser at or prior to the Closing).

Miscellaneous Conditions

3.02. Seller shall have performed, observed, and complied with all of the covenants, agreements, and conditions required by this Contract to be performed, observed, and complied with by Seller prior to or as of the Closing.

ARTICLE IV
REPRESENTATIONS AND WARRANTIES OF SELLER

4.01. Seller hereby represents and warrants to Purchaser as follows, which representations and warranties shall be deemed made by Seller to Purchaser also as of the Closing Date, to the best of Seller's knowledge:

(a) There are no parties in possession of any portion of the Property as lessees, tenants at sufferance, or trespassers, other than previously disclosed to Purchaser.

(b) Seller has complied with all applicable laws, ordinances, regulations, statutes, rules and restrictions relating to the Property, or any part thereof.

4.02. The Property is being conveyed to the Purchaser under threat of condemnation.

ARTICLE V
CLOSING

Closing Date

5.01. The Closing shall be held at the office of Longhorn Title Company on or before March 30, 2024, or at such time, date, and place as Seller and Purchaser may agree upon, or within 10 days after the completion of any title curative matters if necessary for items as shown on the Title Commitment or in the contract (which date is herein referred to as the "Closing Date").

Seller's Obligations at Closing

5.02. At the Closing Seller shall:

(1) Deliver to Purchaser a duly executed and acknowledged Deed conveying good and indefeasible title to Williamson County, Texas in fee simple to the right of way Property described in Exhibits "A1-A2", and deliver a duly executed and acknowledged Electric Utility Easement, conveying such interest to Bartlett Electric Cooperative, Inc. to the portions of the Property described in Exhibits "B1-B2", all free and clear of any and all monetary liens and restrictions, except for the following:

(a) General real estate taxes for the year of closing and subsequent years not yet due and payable.

(b) Any exceptions approved by Purchaser pursuant to Article III hereof; and

(c) Any exceptions approved by Purchaser in writing.

(2) The Deed shall be in the form as shown in Exhibit "C" attached hereto and incorporated herein. The Electric Utility Easement shall be in the form as shown in Exhibit "D" attached hereto and incorporated herein.

(3) Provide reasonable assistance as requested, at no cost to Seller, to cause the Title Company to deliver to Purchaser a Texas Owner's Title Policy at Purchaser's sole expense, in Grantee's favor in the full amount of the Purchase Price, insuring Purchaser's contracted interests in and to the permanent interests being conveyed in the Property subject only to those title exceptions listed herein, such other exceptions as may be approved in writing by Purchaser, and the standard printed exceptions contained in the usual form of Texas Owner's Title Policy, provided, however:

(a) The boundary and survey exceptions shall be deleted.

(b) The exception as to restrictive covenants shall be endorsed "None of Record", if applicable; and

(c) The exception as to the lien for taxes shall be limited to the year of closing and shall be endorsed "Not Yet Due and Payable".

(4) Deliver to Purchaser possession of the Property if not previously done.

Purchaser's Obligations at Closing

5.03. At the Closing, Purchaser shall:

(a) Pay the cash portion of the Purchase Price and Additional Compensation, if any.

Prorations

5.04. General real estate taxes for the then current year relating to the portion of the Property conveyed in fee simple shall be prorated as of the Closing Date and shall be adjusted in cash at the Closing but shall otherwise remain the obligation of Seller to satisfy. If the Closing shall occur before the tax rate is fixed for the then current year, the apportionment of taxes shall be upon the basis of the tax rate for the next preceding year applied to the latest assessed valuation. Agricultural roll-back taxes, if any, which directly result from this Contract and conveyance shall be paid by Purchaser.

Closing Costs

5.05. All costs and expenses of closing in consummating the sale and purchase of the Property shall be borne and paid as follows:

(1) Owner's Title Policy and survey to be paid for by Purchaser.

(2) Deed, tax certificates, and title curative matters, if any, paid by Purchaser.

(3) All other closing costs shall be paid by the Purchaser.

(4) Attorney's fees paid by each respectively.

ARTICLE VI
BREACH BY SELLER

In the event Seller shall fail to fully and timely perform any of its obligations hereunder or shall fail to consummate the sale of the Property for any reason, except Purchaser's default, Purchaser may: (1) enforce specific performance of this Contract; or (2) request that the Escrow Deposit, if any, shall be forthwith returned by the title company to Purchaser.

ARTICLE VII
BREACH BY PURCHASER

In the event Purchaser should fail to consummate the purchase of the Property, the conditions to Purchaser's obligations set forth in Article III having been satisfied and Purchaser being in default and Seller not being in default hereunder, Seller shall have the right to receive the Escrow Deposit, if any, from the title company, the sum being agreed on as liquidated damages for the failure of Purchaser to perform the duties, liabilities, and obligations imposed upon it by the terms and provisions of this Contract, and Seller agrees to accept and take this cash payment as its total damages and relief and as Seller's sole remedy hereunder in such event. If no Escrow Deposit has been made, then Seller shall receive the amount of $500 as liquidated damages for any failure by Purchaser.

ARTICLE VIII
MISCELLANEOUS

Notice

8.01. Any notice required or permitted to be delivered hereunder shall be deemed received when sent by United States mail, postage prepaid, certified mail, return receipt requested, addressed to Seller or Purchaser, as the case may be, at the address set forth opposite the signature of the party.

Texas Law to Apply

8.02. This Contract shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Williamson County, Texas.

Parties Bound

8.03. This Contract shall be binding upon and inure to the benefit of the parties and their respective heirs, executors, administrators, legal representatives, successors and assigns where permitted by this Contract.

Legal Construction

8.04. In case any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, this invalidity, illegality, or unenforceability shall not affect any other provision hereof, and this Contract shall be construed as if the invalid, illegal, or unenforceable provision had never been contained herein.

Prior Agreements Superseded

8.05. This Contract constitutes the sole and only agreement of the parties and supersedes any prior understandings or written or oral agreements between the parties respecting the within subject matter.

Time of Essence

8.06. Time is of the essence in this Contract.

Gender

8.07. Words of any gender used in this Contract shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, and vice versa, unless the context requires otherwise.

Memorandum of Contract

8.08. Upon request of either party, the parties shall promptly execute a memorandum of this Contract suitable for filing of record.

Compliance

8.09 In accordance with the requirements of Section 20 of the Texas Real Estate License Act, Purchaser is hereby advised that it should be furnished with or obtain a policy of title insurance or Purchaser should have the abstract covering the Property examined by an attorney of Purchaser's own selection.

Effective Date

8.10 This Contract shall be effective as of the date it is approved by the Williamson County commissioners' court, which date is indicated beneath the County Judge's signature below.

Counterparts

8.11 This Contract may be executed in any number of counterparts, which may together constitute the Contract. Signatures transmitted by facsimile or electronic mail may be considered effective as originals for purposes of this Contract.

Contingent Possession and Use Agreement

8.12. Upon completion of (1) the full execution of this Contract by all parties, and (2) acknowledgment by the Title Company of delivery by Purchaser of the full Purchase Price to the Title Company, Purchaser, its agents and contractors shall be permitted at any time after March 30, 2024 to enter and possess the Property prior to Closing for the purpose of completing any and all necessary testing, utility relocation and construction activities associated with the proposed CR 314 improvement construction project of Purchaser, and Seller agrees to make any gate access available to Purchaser, its contractors or utility facility owners as necessary to carry out the purposes of this paragraph. The parties further agree to continue to use diligence in assisting with any title curative measures or mortgage lien release required by the Contract to complete the Closing of the purchase transaction.

STATE OF TEXAS §
§ KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF WILLIAMSON §

That **MANUEL ELIZONDO REYES**, of Williamson County, Texas (hereinafter referred to as "Grantor," whether one or more), for the provision of electric service or other good and valuable consideration received the receipt and sufficiency of which is deemed valuable to Grantor and which is hereby expressly acknowledged and accepted by Grantor from Bartlett Electric Cooperative, Inc., a Texas electric cooperative corporation, whose mailing address is P. O. Box 200, Bartlett, Texas 76511, and physical address of 27492 Highway 95, Bartlett, Texas 76511 (hereinafter referred to as "Cooperative"), does hereby grant and convey unto the Cooperative, its successors and assigns, an Easement and right-of-way for above-ground facilities to include, but not be limited to, one or more electric lines and communication devices and/or lines or cables, crossarms, insulators, pole mounted equipment and supports for pole mounted equipment to overhang aerially but not physically touch Grantor's property for electric operations and/or maintenance, each consisting of a variable number of wires and circuits, and all necessary and desirable appurtenances and attachments including, but not limited to, poles, crossarms, guy wires and guy anchorages of varying heights and/or depths ("Easement"), over, across, along and upon all that certain land in Williamson County, Texas (hereinafter referred to as "Grantor's Property") more particularly described in Exhibits"A-B" attached hereto and incorporated herein by reference for all purposes (the "Easement").

The Easement and its rights and privileges herein granted shall include the right of temporary pedestrian and vehicular ingress and egress on, over, under, across, along and upon Grantor's Property and shall be used for the purposes of providing electric utility service to Grantor and/or others (overhead or underground), including, but not limited to, placing, constructing, reconstructing, operating, inspecting, patrolling, maintaining, removing, improving, upgrading, increasing or reducing the capability, capacity and number of circuits, repairing, and relocating electric and/or communication lines and/or devices, or distribution facilities or equipment, as well as reading any meter or performing any act relating to the provision of utility service.

This Easement, together with all rights and privileges herein granted, shall be a covenant running with the land for the benefit of the Cooperative, its successors and assigns, and such rights and privileges are severable and may be assigned in whole, or in part, as the Cooperative may desire. Grantor covenants that Grantor, Grantor's heirs, successors and assigns shall facilitate and assist Cooperative personnel in exercising Cooperative's rights and privileges herein described at all reasonable times.

The Cooperative shall also have the right to use so much of the remainder of Grantor's Property as may be reasonably necessary to provide electric utility service to Grantor's property including, but not limited to, construction, installation, repair and removal of the facilities that may at any time be necessary, at Cooperative's sole discretion, for the purposes herein specified. In exercising its ingress and egress rights under this instrument, the Cooperative shall use existing roads on Grantor's Property to the extent practicable, and otherwise the Cooperative shall use commercially reasonable efforts to exercise the rights granted in this paragraph in a manner that minimizes the Cooperative's interference with Grantor's use of Grantor's Property.

Should the Grantor erect locked gates or other barriers that include, but not limited to, hostile dogs, the Grantor will provide the Cooperative with convenient means to circumvent the barrier for access without notice. Refusal on the part of the Grantor to provide reasonable access for the above purposes may, at the Cooperative's option, be sufficient cause for discontinuance of service. Alternatively, the Cooperative may move the metering location and other facilities and charge Grantor the cost of relocating all facilities.

The Cooperative shall have the right to clear the Easement of all obstructions or to prevent possible interference with or hazards to the safety, operation, and reliability of any of said lines and/or facilities or devices, including, but not limited to, trimming, cutting down, and/or chemically treating trees, undergrowth, and shrubbery within the

Easement or within such proximity of the Cooperative's facilities so as to be hazardous to such facilities. Grantor shall not construct or locate any structure, building, or obstruction including, but not limited to, impound any water or place any temporary or permanent erection of any mast-type equipment or appurtenances, stock tanks, dams, storage piles, swimming pools, antenna, spas, water wells, and/or oil wells within the Easement that will violate any applicable safety codes or interfere with Cooperative's rights and privileges as herein granted. Cooperative has the right to install, use, maintain, and lock access gates, and to remove or prevent construction on the Easement of any or all buildings, structures, and obstructions at Grantor's expense.

Grantor agrees that the consideration received by the Grantor includes consideration for all damages for the initial construction of the Cooperative's facilities on Grantor's Property as well as all damages, if any, to Grantor's Property which may occur in the future after the initial construction of the Cooperative's facilities on Grantor's Property, directly resulting from the Cooperative's exercise of any of its rights herein granted. The Cooperative shall not be liable for any damages caused by maintaining the easement clear of trees, undergrowth, brush, buildings, structures, and/or obstructions.

Grantor warrants that Grantor is the owner of Grantor's Property and has the right to execute this instrument. Grantor warrants that there are no liens existing against Grantor's Property other than the following liens:

_____

_____

Grantor agrees that all of Cooperative's facilities installed on, over, under, across, along and upon Grantor's Property shall remain the sole property of Cooperative, removable at the sole option of the Cooperative.

TO HAVE AND TO HOLD the Easement and rights unto the Cooperative, its successors and assigns, until all of the Cooperative's lines and facilities shall be abandoned by a fully executed and recorded release of Grantor's Property by the Cooperative and not by removal of any or all Cooperative facilities, and in that event the Easement shall cease and all rights herein granted shall terminate and revert to Grantor, Grantor's heirs, successors or assigns; AND GRANTOR HEREBY BINDS GRANTOR, AND GRANTOR'S HEIRS, EXECUTORS, ADMINISTRATORS, AND SUCCESSORS, TO WARRANT AND FOREVER DEFEND THE EASEMENT AND RIGHTS HEREIN GRANTED UNTO THE COOPERATIVE, ITS SUCCESSORS AND ASSIGNS, AGAINST EVERY PERSON WHOMSOEVER LAWFULLY CLAIMING OR TO CLAIM THE SAME OR ANY PART THEREOF.

THIS REAL ESTATE CONTRACT ("Contract") is made by and between **PATRICIA M.J. ANDERSON** (referred to in this Contract as "Seller", whether one or more) and **WILLIAMSON COUNTY, TEXAS** (referred to in this Contract as "Purchaser"), upon the terms and conditions set forth in this Contract.

ARTICLE I
PURCHASE AND SALE

By this Contract, Seller sells and agrees to convey, and Purchaser purchases and agrees to pay for, the tract(s) of land described as follows:

> All of that certain 0.177-acres (7,715 square foot) tract of land, out of and situated in the James Northcross Survey, Abstract No. 478, in Williamson County, Texas; being more fully described by metes and bounds in Exhibit "A", attached hereto and incorporated herein **(Parcel 41A):**

together with all and singular the rights and appurtenances pertaining to the property, including any right, title and interest of Seller in and to adjacent streets, alleys or rights-of-way (all of such real property, rights, and appurtenances being referred to in this Contract as the "Property"), and any improvements and fixtures situated on and attached to the Property described herein not otherwise retained by Seller, for the consideration and upon and subject to the terms, provisions, and conditions set forth below.

ARTICLE II
PURCHASE PRICE AND ADDITIONAL COMPENSATION

Purchase Price

2.01. The Purchase Price for the fee simple Property interests described in Exhibit "A" shall be the sum of TWENTY-THREE THOUSAND ONE HUNDRED FORTY-FIVE and 00/100 Dollars ($23,145.00).

2.01.1. As Additional Compensation for the acquisition of any improvements on the Property, replacement of fencing and any cost of cure for the remaining property of Seller, Purchaser shall pay the amount of ELEVEN THOUSAND TWO HUNDRED TWENTY and 00/100 Dollars ($11,220.00).

Payment of Purchase Price and Additional Compensation

2.02. The Purchase Price shall be payable in cash or other readily available funds at the Closing.

ARTICLE III
PURCHASER'S OBLIGATIONS

Conditions to Purchaser's Obligations

3.01. The obligations of Purchaser hereunder to consummate the transactions contemplated hereby are subject to the satisfaction of each of the following conditions (any of which may be waived in whole or in part by Purchaser at or prior to the Closing).

Miscellaneous Conditions

3.02. Seller shall have performed, observed, and complied with all of the covenants, agreements, and conditions required by this Contract to be performed, observed, and complied with by Seller prior to or as of the Closing.

ARTICLE IV
REPRESENTATIONS AND WARRANTIES OF SELLER

4.01. Seller hereby represents and warrants to Purchaser as follows, which representations and warranties shall be deemed made by Seller to Purchaser also as of the Closing Date, to the best of Seller's knowledge:

(a) There are no parties in possession of any portion of the Property as lessees, tenants at sufferance, or trespassers, other than previously disclosed to Purchaser.

(b) Seller has complied with all applicable laws, ordinances, regulations, statutes, rules and restrictions relating to the Property, or any part thereof.

4.02. The Property is being conveyed to Purchaser under threat of condemnation.

ARTICLE V
CLOSING

Closing Date

5.01. The Closing shall be held at the office of Longhorn Title Company on or before April 1, 2024, or at such time, date, and place as Seller and Purchaser may agree upon, or within 10 days after the completion of any title curative matters if necessary for items as shown on the Title Commitment or in the contract (which date is herein referred to as the "Closing Date").

Seller's Obligations at Closing

5.02. At the Closing Seller shall:

(1) Deliver to Purchaser a duly executed and acknowledged Deed conveying good and indefeasible title to Williamson County, Texas in fee simple to the right of way Property described in Exhibit "A", conveying such interest in and to the portion of the Property free and clear of any and all monetary liens and restrictions, except for the following:

(a) General real estate taxes for the year of closing and subsequent years not yet due and payable.

(b) Any exceptions approved by Purchaser pursuant to Article III hereof; and

(c) Any exceptions approved by Purchaser in writing.

(d) It is expressly understood and agreed that seller is retaining title to the following improvements located on the Property, to wit: Gate/Fence improvements.

(2) The Deed shall be in the form as shown in Exhibit "B" attached hereto and incorporated herein.

(3) Provide reasonable assistance as requested, at no cost to Seller, to cause the Title Company to deliver to Purchaser a Texas Owner's Title Policy at Purchaser's sole expense, in Grantee's favor in the full amount of the Purchase Price, insuring Purchaser's contracted interests in and to the permanent interests being conveyed in the Property subject only to those title exceptions listed herein, such other exceptions as may be approved in writing by Purchaser, and the standard printed exceptions contained in the usual form of Texas Owner's Title Policy, provided, however:

(a) The boundary and survey exceptions shall be deleted.

(b) The exception as to restrictive covenants shall be endorsed "None of Record", if applicable; and

(c) The exception as to the lien for taxes shall be limited to the year of closing and shall be endorsed "Not Yet Due and Payable".

(4) Deliver to Purchaser possession of the Property if not previously done.

Purchaser's Obligations at Closing

5.03. At the Closing, Purchaser shall:

(a) Pay the cash portion of the Purchase Price and Additional Compensation.

Prorations

5.04. General real estate taxes for the then current year relating to the portion of the Property conveyed in fee shall be prorated as of the Closing Date and shall be adjusted in cash at the Closing but shall otherwise remain the obligation of Seller to satisfy. If the Closing shall occur before the tax rate is fixed for the then current year, the apportionment of taxes shall be upon the basis of the tax rate for the next preceding year applied to the latest assessed valuation. Agricultural roll-back taxes, if any, which directly result from this Contract and conveyance shall be paid by Purchaser.

Closing Costs

5.05. All costs and expenses of closing in consummating the sale and purchase of the Property shall be borne and paid as follows:

(1) Owner's Title Policy and survey to be paid by Purchaser.

(2) Deed, tax certificates, and title curative matters, if any, paid by Purchaser.

(3) All other closing costs shall be paid by Purchaser.

(4) Attorney's fees paid by each respectively.

ARTICLE VI
BREACH BY SELLER

In the event Seller shall fail to fully and timely perform any of its obligations hereunder or shall fail to consummate the sale of the Property for any reason, except Purchaser's default, Purchaser may: (1) enforce specific performance of this Contract; or (2) request that the Escrow Deposit, if any, shall be forthwith returned by the title company to Purchaser.

ARTICLE VII
BREACH BY PURCHASER

In the event Purchaser should fail to consummate the purchase of the Property, the conditions to Purchaser's obligations set forth in Article III having been satisfied and Purchaser being in default and Seller not being in default hereunder, Seller shall have the right to receive the Escrow Deposit, if any, from the title company, the sum being agreed on as liquidated damages for the failure of Purchaser to perform the duties, liabilities, and obligations imposed upon it by the terms and provisions of this Contract, and Seller agrees to accept and take this cash payment as its total damages and relief and as Seller's sole remedy hereunder in such event. If no Escrow Deposit has been made, then Seller shall receive the amount of $500 as liquidated damages for any failure by Purchaser.

ARTICLE VIII
MISCELLANEOUS

Notice

8.01. Any notice required or permitted to be delivered hereunder shall be deemed received when sent by United States mail, postage prepaid, certified mail, return receipt requested, addressed to Seller or Purchaser, as the case may be, at the address set forth opposite the signature of the party.

Texas Law to Apply

8.02. This Contract shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Williamson County, Texas.

Parties Bound

8.03. This Contract shall be binding upon and inure to the benefit of the parties and their respective heirs, executors, administrators, legal representatives, successors and assigns where permitted by this Contract.

Legal Construction

8.04. In case any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, this invalidity, illegality, or unenforceability shall not affect any other provision hereof, and this Contract shall be construed as if the invalid, illegal, or unenforceable provision had never been contained herein.

Prior Agreements Superseded

8.05. This Contract constitutes the sole and only agreement of the parties and supersedes any prior understandings or written or oral agreements between the parties respecting the within subject matter.

Time of Essence

8.06. Time is of the essence in this Contract.

Gender

8.07. Words of any gender used in this Contract shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, and vice versa, unless the context requires otherwise.

Memorandum of Contract

8.08. Upon request of either party, the parties shall promptly execute a memorandum of this Contract suitable for filing of record.

Compliance

8.09 In accordance with the requirements of Section 20 of the Texas Real Estate License Act, Purchaser is hereby advised that it should be furnished with or obtain a policy of title insurance or Purchaser should have the abstract covering the Property examined by an attorney of Purchaser's own selection.

Effective Date

8.10 This Contract shall be effective as of the date it is approved by the Williamson County commissioners' court, which date is indicated beneath the County Judge's signature below.

Counterparts

8.11 This Contract may be executed in any number of counterparts, which may together constitute the Contract. Signatures transmitted by facsimile or electronic mail may be considered effective as originals for purposes of this Contract.

Contingent Possession and Use Agreement

8.12. Upon completion of (1) the full execution of this Contract by all parties, and (2) acknowledgment by the Title Company of delivery by Purchaser of the full Purchase Price to the Title Company, Purchaser, its agents and contractors shall be permitted at any time to enter and possess the Property prior to Closing for the purpose of completing any and all necessary testing, utility relocation and construction activities associated with the proposed CR 255 improvement construction project of Purchaser, and Seller agrees to make any gate access available to Purchaser, its contractors or utility facility owners as necessary to carry out the purposes of this paragraph. The parties further agree to continue to use diligence in assisting with any title curative measures or mortgage lien release required by the Contract to complete the Closing of the purchase transaction.

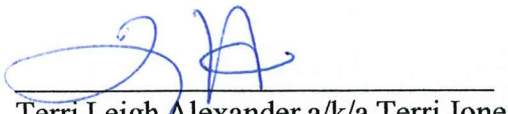
Re: Williamson County, Texas — CR 279 Expansion Project
Parcel 18

Dear Ms. Hanley and Ms. Anderson:

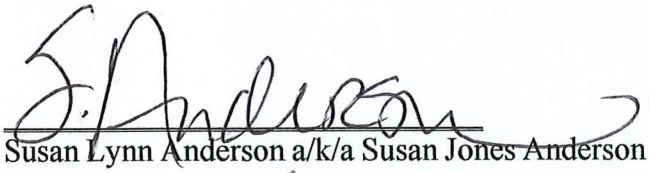
Please allow this letter to set out my understanding regarding our Agreement for the acquisition of a permanent electric easement by Williamson County, Texas ("County") in and across portions of the property owned by Susan Lynn Anderson a/k/a Susan Jones Anderson and Terri Leigh Alexander a/k/a Terri Jones Hanley ("Owner") as part of the County's proposed roadway and utility system upgrade and extension improvements ("Project").



By execution of this letter, the parties agree as follows:

1. In return for Owner's delivery to County of a fully executed and acknowledged electric utility easement ("Easement") in and to a 0.118-acre tract of land (Parcel 18E), such rights to be granted in the form as set out in Exhibit "A" attached hereto and incorporated herein, County shall pay Owner the total sum of **$6,000** in cash or other good funds ("Purchase Price").

2. If requested by County, the Closing and completion of this transaction shall take place at Texas National Title, Inc. ("Title Company") within thirty (30) days after full execution of this Agreement, or at another date and time agreed to between the parties.



Upon request Owner shall provide reasonable assistance, at no cost to Owner, to cause the Title Company to issue a policy of title insurance, with standard printed exceptions, to County in completion of this transaction. The County shall be responsible for all fees and costs associated with this transaction, except that each party shall be responsible for any attorney's fees they incur. Owner shall assist County and Title Company with any curative measures or mortgage lien joinder, consent, or subordination required as a condition of the Closing.

AGREED:

Terri Leigh Alexander a/k/a Terri Jones Hanley

Date: 3/11/24

Susan Lynn Anderson a/k/a Susan Jones Anderson

Date: 3/11/24

ACCEPTED AND AGREED:

WILLIAMSON COUNTY, TEXAS

By:_____

Date:_____

Upon completion of (1) the full execution of this Agreement by all parties, and (2) acknowledgment by the Title Company of delivery by County of the full Purchase Price to the Title Company, Purchaser, its agents and contractors shall be permitted at any time after April 15, 2024, to enter and possess the Property prior to Closing for the purpose of completing any and all necessary construction activities associated with the proposed wastewater facility improvement construction project of County.

To the extent allowed by law County, its agents, and contractors agree to release, indemnify, and otherwise hold Owner harmless from any damages or other losses to Owner or any third party resulting from any acts or omissions performed under the limited right of possession herein. The parties further agree to continue to use diligence in assisting with any title curative or lienholder consent measures required by the Contract to expeditiously complete the Closing of the purchase transaction.

3. This Agreement is being made, and the Easement is being delivered, in lieu of condemnation.

If this meets with your understanding, please execute this letter where indicated and return it to me, and we will have this approved and signed by the County and process this for payment and Closing as quickly as possible.

Please feel free to contact me at any time if you have any questions or concerns about these issues.

Very truly yours,

/s/ *Adam H. Hill*

REAL ESTATE CONTRACT
CR 279 @ Bagdad Rd. Right of Way

THIS REAL ESTATE CONTRACT ("Contract") is made by and between **COPPER RIDGE INVESTMENTS, INC.** (referred to in this Contract as "Seller", whether one or more) and **WILLIAMSON COUNTY, TEXAS** (referred to in this Contract as "Purchaser"), upon the terms and conditions set forth in this Contract.

ARTICLE I
PURCHASE AND SALE

By this Contract, Seller sells and agrees to convey, and Purchaser purchases and agrees to pay for, the tract(s) of land described as follows:

> All of that certain 0.307-acre (13,392 square foot) tract of land, out of and situated in the Henry Field Survey, Abstract No. 233, in Williamson County, Texas; being more fully described by metes and bounds in Exhibit "A" attached hereto and incorporated herein (**Parcel 21A**);

together with all and singular the rights and appurtenances pertaining to the property, including any right, title, and interest of Seller in and to adjacent streets, alleys, or rights-of-way (all of such real property, rights, and appurtenances being referred to in this Contract as the "Property"), and any improvements and fixtures situated on and attached to the Property described herein not otherwise retained by Seller, for the consideration and upon and subject to the terms, provisions, and conditions set forth below.

ARTICLE II
PURCHASE PRICE AND ADDITIONAL COMPENSATION

Purchase Price

2.01. The Purchase Price for the fee simple Property interests described in Exhibit "A" shall be the sum of **FIFTY-SEVEN THOUSAND TWO HUNDRED FORTY-SIX and 00/100 Dollars ($57,246.00)**.

Payment of Purchase Price

2.02. The Purchase Price shall be payable in cash or other readily available funds at the Closing.

Additional Compensation

2.03. Fencing Reconstruction. As an obligation that shall survive the Closing of this transaction, Purchaser agrees that as part of the proposed construction of improvements to County Road 279 upon the Property, it shall cause replacement fencing to be built between the edge of proposed roadway improvements and the remaining property of Seller. The fencing shall otherwise be constructed in the location and according to the specifications as shown as Type C in Exhibit "B-1" attached hereto and incorporated herein. Furthermore, in addition to the foregoing, Purchaser shall construct a fence of the type, location, and specifications as shown in Exhibit "B-2" attached hereto and incorporated herein. Purchaser agrees to install said replacement fencing on Seller's remaining property before the removal of fencing located in the Property acquired herein. By execution of this Agreement Seller shall allow Purchaser, its agents, and contractors to temporarily access the remaining property of Seller solely in the location and for the purposes and time period necessary to carry out the obligations of this paragraph.

2.04. OSSF Letter. As an obligation that shall survive the Closing of this transaction, Purchaser agrees to submit the letter as shown in Exhibit "C" attached hereto and incorporated herein, to the Williamson County Road & Bridge Department detailing Seller's remaining Property in relation to on-site sewage facilities.

ARTICLE III
PURCHASER'S OBLIGATIONS

Conditions to Purchaser's Obligations

3.01. The obligations of Purchaser hereunder to consummate the transactions contemplated hereby are subject to the satisfaction of each of the following conditions (any of which may be waived in whole or in part by Purchaser at or prior to the Closing).

Miscellaneous Conditions

3.02. Seller shall have performed, observed, and complied with all of the covenants, agreements, and conditions required by this Contract to be performed, observed, and complied with by Seller prior to or as of the Closing.

ARTICLE IV
REPRESENTATIONS AND WARRANTIES OF SELLER

4.01. Seller hereby represents and warrants to Purchaser as follows, which representations and warranties shall be deemed made by Seller to Purchaser also as of the Closing Date, to the best of Seller's knowledge:

(a) There are no parties in possession of any portion of the Property as lessees, tenants at sufferance, or trespassers, other than previously disclosed to Purchaser.

(b) Seller has complied with all applicable laws, ordinances, regulations, statutes, rules and restrictions relating to the Property, or any part thereof.

4.02. The Property is being conveyed to the Purchaser under threat of condemnation.

ARTICLE V
CLOSING

Closing Date

5.01. The Closing shall be held at the office of Texas National Title Company on or before April 15, 2024, or at such time, date, and place as Seller and Purchaser may agree upon, or within 10 days after the completion of any title curative matters if necessary for items as shown on the Title Commitment or in the contract (which date is herein referred to as the "Closing Date").

Seller's Obligations at Closing

5.02. At the Closing Seller shall:

(1) Deliver to Purchaser a duly executed and acknowledged Deed conveying good and indefeasible title to Williamson County, Texas in fee simple to the right of way Property described in Exhibit "A", conveying such interest in and to the portion of the Property free and clear of any and all monetary liens and restrictions, except for the following:

(a) General real estate taxes for the year of closing and subsequent years not yet due and payable.

(b) Any exceptions approved by Purchaser pursuant to Article III hereof; and

(c) Any exceptions approved by Purchaser in writing.

(2) The Deed shall be in the form as shown in Exhibit "D" attached hereto and incorporated herein.

(3) Provide reasonable assistance as requested, at no cost to Seller, to cause the Title Company to deliver to Purchaser a Texas Owner's Title Policy at Purchaser's sole expense, in Grantee's favor in the full amount of the Purchase Price, insuring Purchaser's contracted interests in and to the permanent interests being conveyed in the Property subject only to those title exceptions listed herein, such other exceptions as may be approved in writing by Purchaser, and

the standard printed exceptions contained in the usual form of Texas Owner's Title Policy, provided, however:

(a) The boundary and survey exceptions shall be deleted.

(b) The exception as to restrictive covenants shall be endorsed "None of Record", if applicable; and

(c) The exception as to the lien for taxes shall be limited to the year of closing and shall be endorsed "Not Yet Due and Payable".

(4) Deliver to Purchaser possession of the Property if not previously done.

Purchaser's Obligations at Closing

5.03. At the Closing, Purchaser shall:

(a) Pay the cash portion of the Purchase Price.

Prorations

5.04. General real estate taxes for the then-current year relating to the portion of the Property conveyed in fee shall be prorated as of the Closing Date and shall be adjusted in cash at the Closing, but shall otherwise remain the obligation of Seller to satisfy. If the Closing shall occur before the tax rate is fixed for the then current year, the apportionment of taxes shall be upon the basis of the tax rate for the next preceding year applied to the latest assessed valuation. Agricultural roll-back taxes, if any, which directly result from this Contract and conveyance shall be paid by Purchaser.

Closing Costs

5.05. All costs and expenses of closing in consummating the sale and purchase of the Property shall be borne and paid as follows:

(1) Owner's Title Policy and survey to be paid by Purchaser.

(2) Deed, tax certificates, and title curative matters, if any, paid by Purchaser.

(3) All other closing costs shall be paid by Purchaser.

(4) Attorney's fees paid by each respectively.

ARTICLE VI
BREACH BY SELLER

In the event Seller shall fail to fully and timely perform any of its obligations hereunder or shall fail to consummate the sale of the Property for any reason, except Purchaser's default, Purchaser may: (1) enforce specific performance of this Contract; or (2) request that the Escrow Deposit, if any, shall be forthwith returned by the title company to Purchaser.

ARTICLE VII
BREACH BY PURCHASER

In the event Purchaser should fail to consummate the purchase of the Property, the conditions to Purchaser's obligations set forth in Article III having been satisfied and Purchaser being in default and Seller not being in default hereunder, Seller shall have the right to receive the Escrow Deposit, if any, from the title company, the sum being agreed on as liquidated damages for the failure of Purchaser to perform the duties, liabilities, and obligations imposed upon it by the terms and provisions of this Contract, and Seller agrees to accept and take this cash payment as its total damages and relief and as Seller's sole remedy hereunder in such event. If no Escrow Deposit has been made, then Seller shall receive the amount of $500 as liquidated damages for any failure by Purchaser.

ARTICLE VIII
MISCELLANEOUS

Notice

8.01. Any notice required or permitted to be delivered hereunder shall be deemed received when sent by United States mail, postage prepaid, certified mail, return receipt requested, addressed to Seller or Purchaser, as the case may be, at the address set forth opposite the signature of the party.

Texas Law to Apply

8.02. This Contract shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Williamson County, Texas.

Parties Bound

8.03. This Contract shall be binding upon and inure to the benefit of the parties and their respective heirs, executors, administrators, legal representatives, successors, and assigns where permitted by this Contract.

Legal Construction

8.04. In case any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, this invalidity, illegality, or unenforceability shall not affect any other provision hereof, and this Contract shall be construed as if the invalid, illegal, or unenforceable provision had never been contained herein.

Prior Agreements Superseded

8.05. This Contract constitutes the sole and only agreement of the parties and supersedes any prior understandings or written or oral agreements between the parties respecting the within subject matter.

Time of Essence

8.06. Time is of the essence in this Contract.

Gender

8.07. Words of any gender used in this Contract shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, and vice versa, unless the context requires otherwise.

Memorandum of Contract

8.08. Upon request of either party, the parties shall promptly execute a memorandum of this Contract suitable for filing of record.

Compliance

8.09 In accordance with the requirements of Section 20 of the Texas Real Estate License Act, Purchaser is hereby advised that it should be furnished with or obtain a policy of title insurance or Purchaser should have the abstract covering the Property examined by an attorney of Purchaser's own selection.

Effective Date

8.10 This Contract shall be effective as of the date it is approved by the Williamson County Commissioners' court, which date is indicated beneath the County Judge's signature below.

Counterparts

8.11 This Contract may be executed in any number of counterparts, which may together constitute the Contract. Signatures transmitted by facsimile or electronic mail may be considered effective as originals for purposes of this Contract.

Contingent Possession and Use Agreement

8.12. Upon completion of (1) the full execution of this Contract by all parties, and (2) acknowledgment by the Title Company of delivery by Purchaser of the full Purchase Price to the Title Company, Purchaser, its agents and contractors shall be permitted at any time after April 15, 2024, to enter and possess the Property prior to Closing for the purpose of completing any and all necessary testing, utility relocation and construction activities associated with the proposed roadway improvement construction project of Purchaser on the Property or other obligations of this Contract, and Seller agrees to make any gate access available to Purchaser, its contractors or utility facility owners as necessary to carry out the purposes of this paragraph. The parties further agree to continue to use diligence in assisting with any title curative measures or mortgage lien release required by the Contract to complete the Closing of the purchase transaction.

Jon Branigan
1851 County Road 279
Liberty Hill, Texas 78642

Subject: **CR 279 Improvement Project—Williamson County—Parcel 21A**
Property Address: 1851 County Road 279

Mr. Branigan:

This letter is related to the closing of the purchase under the threat of condemnation of 0.307 acre (13,392SF) portion of the property located at 1851 County Road 279, Liberty Hill, Texas which is required for the construction of certain county roadway improvements, and the request by the landowner for a legal lot determination on the above-referenced parcel (the "Property").

At the current time, Williamson County, Texas ("County") is the political subdivision with statutory authority to review, approve, and enforce subdivision regulations upon this property.

On behalf of the County, I can state that based on my knowledge of existing County records, regulations, and applicable state law, after the proposed acquisition by the County this Property will continue to be a legally compliant lot and will not require any platting as a result of the right-of-way acquisition.

Sincerely,

Adam D. Boatright

REAL ESTATE CONTRACT
CR 255 Right of Way

THIS REAL ESTATE CONTRACT ("Contract") is made by and between **STEVEN A. TOMLINSON JR.** (referred to in this Contract as "Seller", whether one or more) and **WILLIAMSON COUNTY, TEXAS** (referred to in this Contract as "Purchaser"), upon the terms and conditions set forth in this Contract.

ARTICLE I
PURCHASE AND SALE

By this Contract, Seller sells and agrees to convey, and Purchaser purchases and agrees to pay for, the tract(s) of land described as follows:

> All of that certain 0.089-acres (3,878 square foot) tract of land, out of and situated in the James Northcross Survey, Abstract No. 478, in Williamson County, Texas; being more fully described by metes and bounds in Exhibit "A", attached hereto and incorporated herein **(Parcel 41C):**

together with all and singular the rights and appurtenances pertaining to the property, including any right, title and interest of Seller in and to adjacent streets, alleys or rights-of-way (all of such real property, rights, and appurtenances being referred to in this Contract as the "Property"), and any improvements and fixtures situated on and attached to the Property described herein not otherwise retained by Seller, for the consideration and upon and subject to the terms, provisions, and conditions set forth below.

ARTICLE II
PURCHASE PRICE AND ADDITIONAL COMPENSATION

Purchase Price

2.01. The Purchase Price for the fee simple Property interests described in Exhibit "A" shall be the sum of EIGHT THOUSAND ONE HUNDRED FORTY and 00/100 Dollars ($8,140.00).

2.01.1. As Additional Compensation for the acquisition of any improvements on the Property, replacement of fencing and any cost of cure for the remaining property of Seller, Purchaser shall pay the amount of FORTY THOUSAND THIRTY and 00/100 Dollars ($40,030.00).

Payment of Purchase Price and Additional Compensation

2.02. The Purchase Price shall be payable in cash or other readily available funds at the Closing.

ARTICLE III
PURCHASER'S OBLIGATIONS

Conditions to Purchaser's Obligations

3.01. The obligations of Purchaser hereunder to consummate the transactions contemplated hereby are subject to the satisfaction of each of the following conditions (any of which may be waived in whole or in part by Purchaser at or prior to the Closing).

Miscellaneous Conditions

3.02. Seller shall have performed, observed, and complied with all of the covenants, agreements, and conditions required by this Contract to be performed, observed, and complied with by Seller prior to or as of the Closing.

ARTICLE IV
REPRESENTATIONS AND WARRANTIES OF SELLER

4.01. Seller hereby represents and warrants to Purchaser as follows, which representations and warranties shall be deemed made by Seller to Purchaser also as of the Closing Date, to the best of Seller's knowledge:

(a) There are no parties in possession of any portion of the Property as lessees, tenants at sufferance, or trespassers, other than previously disclosed to Purchaser.

(b) Seller has complied with all applicable laws, ordinances, regulations, statutes, rules and restrictions relating to the Property, or any part thereof.

4.02. The Property is being conveyed to Purchaser under threat of condemnation.

ARTICLE V
CLOSING

Closing Date

5.01. The Closing shall be held at the office of Longhorn Title Company on or before April 1, 2024, or at such time, date, and place as Seller and Purchaser may agree upon, or within 10 days after the completion of any title curative matters if necessary for items as shown on the Title Commitment or in the contract (which date is herein referred to as the "Closing Date").

Seller's Obligations at Closing

5.02. At the Closing Seller shall:

(1) Deliver to Purchaser a duly executed and acknowledged Deed conveying good and indefeasible title to Williamson County, Texas in fee simple to the right of way Property described in Exhibit "A", conveying such interest in and to the portion of the Property free and clear of any and all monetary liens and restrictions, except for the following:

(a) General real estate taxes for the year of closing and subsequent years not yet due and payable.

(b) Any exceptions approved by Purchaser pursuant to Article III hereof; and

(c) Any exceptions approved by Purchaser in writing.

(d) It is expressly understood and agreed that seller is retaining title to the following improvements located on the Property, to wit: Gate/Fence improvements.

(2) The Deed shall be in the form as shown in Exhibit "B" attached hereto and incorporated herein.

(3) Provide reasonable assistance as requested, at no cost to Seller, to cause the Title Company to deliver to Purchaser a Texas Owner's Title Policy at Purchaser's sole expense, in Grantee's favor in the full amount of the Purchase Price, insuring Purchaser's contracted interests in and to the permanent interests being conveyed in the Property subject only to those title exceptions listed herein, such other exceptions as may be approved in writing by Purchaser, and the standard printed exceptions contained in the usual form of Texas Owner's Title Policy, provided, however:

(a) The boundary and survey exceptions shall be deleted.

(b) The exception as to restrictive covenants shall be endorsed "None of Record", if applicable; and

(c) The exception as to the lien for taxes shall be limited to the year of closing and shall be endorsed "Not Yet Due and Payable".

(4) Deliver to Purchaser possession of the Property if not previously done.

Purchaser's Obligations at Closing

5.03. At the Closing, Purchaser shall:

(a) Pay the cash portion of the Purchase Price and Additional Compensation.

Prorations

5.04. General real estate taxes for the then current year relating to the portion of the Property conveyed in fee shall be prorated as of the Closing Date and shall be adjusted in cash at the Closing but shall otherwise remain the obligation of Seller to satisfy. If the Closing shall occur before the tax rate is fixed for the then current year, the apportionment of taxes shall be upon the basis of the tax rate for the next preceding year applied to the latest assessed valuation. Agricultural roll-back taxes, if any, which directly result from this Contract and conveyance shall be paid by Purchaser.

Closing Costs

5.05. All costs and expenses of closing in consummating the sale and purchase of the Property shall be borne and paid as follows:

(1) Owner's Title Policy and survey to be paid by Purchaser.

(2) Deed, tax certificates, and title curative matters, if any, paid by Purchaser.

(3) All other closing costs shall be paid by Purchaser.

(4) Attorney's fees paid by each respectively.

ARTICLE VI
BREACH BY SELLER

In the event Seller shall fail to fully and timely perform any of its obligations hereunder or shall fail to consummate the sale of the Property for any reason, except Purchaser's default, Purchaser may: (1) enforce specific performance of this Contract; or (2) request that the Escrow Deposit, if any, shall be forthwith returned by the title company to Purchaser.

ARTICLE VII
BREACH BY PURCHASER

In the event Purchaser should fail to consummate the purchase of the Property, the conditions to Purchaser's obligations set forth in Article III having been satisfied and Purchaser being in default and Seller not being in default hereunder, Seller shall have the right to receive the Escrow Deposit, if any, from the title company, the sum being agreed on as liquidated damages for the failure of Purchaser to perform the duties, liabilities, and obligations imposed upon it by the terms and provisions of this Contract, and Seller agrees to accept and take this cash payment as its total damages and relief and as Seller's sole remedy hereunder in such event. If no Escrow Deposit has been made, then Seller shall receive the amount of $500 as liquidated damages for any failure by Purchaser.

ARTICLE VIII
MISCELLANEOUS

Notice

8.01. Any notice required or permitted to be delivered hereunder shall be deemed received when sent by United States mail, postage prepaid, certified mail, return receipt requested, addressed to Seller or Purchaser, as the case may be, at the address set forth opposite the signature of the party.

Texas Law to Apply

8.02. This Contract shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Williamson County, Texas.

Parties Bound

8.03. This Contract shall be binding upon and inure to the benefit of the parties and their respective heirs, executors, administrators, legal representatives, successors and assigns where permitted by this Contract.

Legal Construction

8.04. In case any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, this invalidity, illegality, or unenforceability shall not affect any other provision hereof, and this Contract shall be construed as if the invalid, illegal, or unenforceable provision had never been contained herein.

Prior Agreements Superseded

8.05. This Contract constitutes the sole and only agreement of the parties and supersedes any prior understandings or written or oral agreements between the parties respecting the within subject matter.

Time of Essence

8.06. Time is of the essence in this Contract.

Gender

8.07. Words of any gender used in this Contract shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, and vice versa, unless the context requires otherwise.

Memorandum of Contract

8.08. Upon request of either party, the parties shall promptly execute a memorandum of this Contract suitable for filing of record.

Compliance

8.09 In accordance with the requirements of Section 20 of the Texas Real Estate License Act, Purchaser is hereby advised that it should be furnished with or obtain a policy of title insurance or Purchaser should have the abstract covering the Property examined by an attorney of Purchaser's own selection.

Effective Date

8.10 This Contract shall be effective as of the date it is approved by the Williamson County commissioners' court, which date is indicated beneath the County Judge's signature below.

Counterparts

8.11 This Contract may be executed in any number of counterparts, which may together constitute the Contract. Signatures transmitted by facsimile or electronic mail may be considered effective as originals for purposes of this Contract.

Contingent Possession and Use Agreement

8.12. Upon completion of (1) the full execution of this Contract by all parties, and (2) acknowledgment by the Title Company of delivery by Purchaser of the full Purchase Price to the Title Company, Purchaser, its agents and contractors shall be permitted at any time to enter and possess the Property prior to Closing for the purpose of completing any and all necessary testing, utility relocation and construction activities associated with the proposed CR 255 improvement construction project of Purchaser, and Seller agrees to make any gate access available to Purchaser, its contractors or utility facility owners as necessary to carry out the purposes of this paragraph. The parties further agree to continue to use diligence in assisting with any title curative measures or mortgage lien release required by the Contract to complete the Closing of the purchase transaction.

Any discrepancies, conflicts, or shortages in area or boundary lines or any encroachments or any overlapping of improvements which a current survey would show;

Easements, restrictions, reservations, covenants, conditions, oil and gas leases, mineral severances, and encumbrances for taxes and assessments (other than liens and conveyances) presently of record in the Official Public Records of Williamson County, Texas, that affect the property, but only to the extent that said items are still valid and in force and effect at this time.

Grantor reserves all of the oil, gas and other minerals in and under the land herein conveyed but waives all rights of ingress and egress to the surface thereof for the purpose of exploring, developing, mining or drilling or pumping the same; provided, however, that operations for exploration or recovery of any such minerals shall be permissible so long as all surface operations in connection therewith are located at a point outside the acquired parcel and upon the condition that none of such operations shall be conducted so near the surface of said land as to interfere with the intended use thereof or in any way interfere with, jeopardize, or endanger the facilities of Williamson County, Texas or create a hazard to the public users thereof; it being intended, however, that nothing in this reservation shall affect the title and the rights of Grantee to take and use without additional compensation any, stone, earth, gravel, caliche, iron ore, gravel or any other road building material upon, in and under said land for the construction and maintenance of Grantee's roadway facilities and all related appurtenances.

TO HAVE AND TO HOLD the property herein described and herein conveyed together with all and singular the rights and appurtenances thereto in any wise belonging unto Williamson County, Texas and its assigns forever; and Grantor does hereby bind itself, its heirs, executors, administrators, successors and assigns to Warrant and Forever Defend all and singular the said premises herein conveyed unto Williamson County, Texas and its assigns against every person whomsoever lawfully claiming or to claim the same or any part thereof.

This deed is being delivered in lieu of condemnation.

IN WITNESS WHEREOF, this instrument is executed on this the ___ day of _____, 2024.

   C. Sales Price (Sum of A and B) ..... $340,000.00 .... $ ~~340,000.00~~

4. **LEASES:** Except as disclosed in this contract, Seller is not aware of any leases affecting the Property. After the Effective Date, Seller may not, without Buyer's written consent, create a new lease, amend any existing lease, or convey any interest in the Property. (Check all applicable boxes)
   [ ] A. RESIDENTIAL LEASES: The Property is subject to one or more residential leases and the Addendum Regarding Residential Leases is attached to this contract.
   [ ] B. FIXTURE LEASES: Fixtures on the Property are subject to one or more fixture leases (for example, solar panels, propane tanks, water softener, security system) and the Addendum Regarding Fixture Leases is attached to this contract.
   [ ] C. NATURAL RESOURCE LEASES: "Natural Resource Lease" means an existing oil and gas, mineral, water, wind, or other natural resource lease affecting the Property to which Seller is a party.
      [ ] (1) Seller has delivered to Buyer a copy of all the Natural Resource Leases.
      [ ] (2) Seller has not delivered to Buyer a copy of all the Natural Resource Leases. Seller shall provide to Buyer a copy of all the Natural Resource Leases within 3 days after the Effective Date. Buyer may terminate the contract within _____ days after the date the Buyer receives all the Natural Resource Leases and the earnest money shall be refunded to Buyer.

Contract Concerning [redacted]

5. EARNEST MONEY AND TERMINATION OPTION:

A. DELIVERY OF EARNEST MONEY AND OPTION FEE: Within 3 days after the Effective Date, Buyer must deliver to **Stewart Title-Elda Telle** (Escrow Agent) at **6300 183-A Frontage Road, Ste. 280, Cedar Park , TX 78641** (address): $ **3,300.00** as earnest money and $**300.00** as the Option Fee. The earnest money and Option Fee shall be made payable to Escrow Agent and may be paid separately or combined in a single payment.

(1) Buyer shall deliver additional earnest money of $ _____ to Escrow Agent within _____ days after the Effective Date of this contract.

(2) If the last day to deliver the earnest money, Option Fee, or the additional earnest money falls on a Saturday, Sunday, or legal holiday, the time to deliver the earnest money, Option Fee, or the additional earnest money, as applicable, is extended until the end of the next day that is not a Saturday, Sunday, or legal holiday.

(3) The amount(s) Escrow Agent receives under this paragraph shall be applied first to the Option Fee, then to the earnest money, and then to the additional earnest money.

(4) Buyer authorizes Escrow Agent to release and deliver the Option Fee to Seller at any time without further notice to or consent from Buyer, and releases Escrow Agent from liability for delivery of the Option Fee to Seller. The Option Fee will be credited to the Sales Price at closing.

B. TERMINATION OPTION: For nominal consideration, the receipt of which Seller acknowledges, and Buyer's agreement to pay the Option Fee within the time required, Seller grants Buyer the unrestricted right to terminate this contract by giving notice of termination to Seller within **7** days after the Effective Date of this contract (Option Period). Notices under this paragraph must be given by 5:00 p.m. (local time where the Property is located) by the date specified. If Buyer gives notice of termination within the time prescribed: (i) the Option Fee will not be refunded and Escrow Agent shall release any Option Fee remaining with Escrow Agent to Seller; and (ii) any earnest money will be refunded to Buyer.

C. FAILURE TO TIMELY DELIVER EARNEST MONEY: If Buyer fails to deliver the earnest money within the time required, Seller may terminate this contract or exercise Seller's remedies under Paragraph 15, or both, by providing notice to Buyer before Buyer delivers the earnest money.

D. FAILURE TO TIMELY DELIVER OPTION FEE: If no dollar amount is stated as the Option Fee or if Buyer fails to deliver the Option Fee within the time required, Buyer shall not have the unrestricted right to terminate this contract under this paragraph 5.

E. TIME: **Time is of the essence for this paragraph and strict compliance with the time for performance is required.**

6. TITLE POLICY AND SURVEY:

A. TITLE POLICY: Seller shall furnish to Buyer at [X] Seller's [ ] Buyer's expense an owner policy of title insurance (Title Policy) issued by **Stewart Title** (Title Company) in the amount of the Sales Price, dated at or after closing, insuring Buyer against loss under the provisions of the Title Policy, subject to the promulgated exclusions (including existing building and zoning ordinances) and the following exceptions:

(1) Restrictive covenants common to the platted subdivision in which the Property is located.

(2) The standard printed exception for standby fees, taxes and assessments.

(3) Liens created as part of the financing described in Paragraph 3.

(4) Utility easements created by the dedication deed or plat of the subdivision in which the Property is located.

(5) Reservations or exceptions otherwise permitted by this contract or as may be approved by Buyer in writing.

(6) The standard printed exception as to marital rights.

(7) The standard printed exception as to waters, tidelands, beaches, streams, and related matters.

(8) The standard printed exception as to discrepancies, conflicts, shortages in area or boundary lines, encroachments or protrusions, or overlapping improvements:

[ ] (i) will not be amended or deleted from the title policy; or

[X] (ii) will be amended to read, "shortages in area" at the expense of [ ] Buyer [X] Seller.

(9) The exception or exclusion regarding minerals approved by the Texas Department of Insurance.

B. COMMITMENT: Within 20 days after the Title Company receives a copy of this contract, Seller shall furnish to Buyer a commitment for title insurance (Commitment) and, at Buyer's expense, legible copies of restrictive covenants and documents evidencing exceptions in the Commitment (Exception Documents) other than the standard printed exceptions. Seller authorizes the Title Company to deliver the Commitment and Exception Documents to Buyer at Buyer's address shown in Paragraph 21. If the Commitment and Exception Documents are not delivered to Buyer within the specified time, the time for delivery will be automatically extended up to 15 days or 3 days before the Closing Date, whichever is earlier. If the Commitment and Exception Documents are not delivered within the time required, Buyer may terminate this contract and the earnest money will be refunded to Buyer.

C. SURVEY: The survey must be made by a registered professional land surveyor acceptable to the Title Company and Buyer's lender(s). (Check one box only)

[X] (1) Within 3 days after the Effective Date of this contract, Seller shall furnish to Buyer and Title Company Seller's existing survey of the Property and a Residential Real Property Affidavit promulgated by the Texas Department of Insurance (T-47 Affidavit). **If Seller fails to furnish the existing survey or affidavit within the time prescribed, Buyer shall obtain a new survey at Seller's expense no later than 3 days prior to Closing Date.** If the existing survey or affidavit is not acceptable to Title Company or Buyer's lender(s), Buyer shall obtain a new survey at [X] Seller's [ ] Buyer's expense no later than 3 days prior to Closing Date.

[ ] (2) Within _____ days after the Effective Date of this contract, Buyer shall obtain a new survey at Buyer's expense. Buyer is deemed to receive the survey on the date of actual receipt or the date specified in this paragraph, whichever is earlier.

[ ] (3) Within _____ days after the Effective Date of this contract, Seller, at Seller's expense shall furnish a new survey to Buyer.

D. OBJECTIONS: Buyer may object in writing to defects, exceptions, or encumbrances to title: disclosed on the survey other than items 6A(1) through (7) above; disclosed in the Commitment other than items 6A(1) through (9) above; or which prohibit the following use or activity: **Residential Use**.
Buyer must object the earlier of (i) the Closing Date or (ii) 5 days after Buyer receives the Commitment, Exception Documents, and the survey. Buyer's failure to object within the time allowed will constitute a waiver of Buyer's right to object; except that the requirements in Schedule C of the Commitment are not waived by Buyer. Provided Seller is not obligated to incur any expense, Seller shall cure any timely objections of Buyer or any third party lender within 15 days after Seller receives the objections (Cure Period) and the Closing Date will be extended as necessary. If objections are not cured within the Cure Period, Buyer may, by delivering notice to Seller within 5 days after the end of the Cure Period: (i) terminate this contract and the earnest money will be refunded to Buyer; or (ii) waive the objections. If Buyer does not terminate within the time required, Buyer shall be deemed to have waived the objections. If the Commitment or survey is revised or any new Exception Document(s) is delivered, Buyer may object to any new matter revealed in the revised Commitment or survey or new Exception Document(s) within the same time stated in this paragraph to make objections beginning when the revised Commitment, survey, or Exception Document(s) is delivered to Buyer.

E. TITLE NOTICES:

(1) ABSTRACT OR TITLE POLICY: Broker advises Buyer to have an abstract of title covering the Property examined by an attorney of Buyer's selection, or Buyer should be furnished with or obtain a Title Policy. If a Title Policy is furnished, the Commitment should be promptly reviewed by an attorney of Buyer's choice due to the time limitations on Buyer's right to object.

(2) MEMBERSHIP IN PROPERTY OWNERS ASSOCIATION(S): The Property [ ] is [X] is not subject to mandatory membership in a property owners association(s). If the Property is subject to mandatory membership in a property owners association(s), Seller notifies Buyer under §5.012, Texas Property Code, that, as a purchaser of property in the residential community identified in Paragraph 2A in which the Property is located, you are obligated to be a member of the property owners association(s). Restrictive covenants governing the use and occupancy of the Property and all dedicatory instruments governing the establishment, maintenance, or operation of this residential community have been or will be recorded in the Real Property Records of the county in which the Property is located. Copies of the restrictive covenants and dedicatory instruments may be obtained from the county clerk. **You are obligated to pay assessments to the property owners association(s). The amount of the assessments is subject to change. Your failure to pay the assessments could result in enforcement of the association's lien on and the foreclosure of the Property.**
Section 207.003, Property Code, entitles an owner to receive copies of any document that governs the establishment, maintenance, or operation of a subdivision, including, but not limited to, restrictions, bylaws, rules and regulations, and a resale certificate from a property owners' association. A resale certificate contains information including, but not limited to, statements specifying the amount and frequency of regular assessments and the style and cause number of lawsuits to which the property owners' association is a party, other than lawsuits relating to unpaid ad valorem taxes of an individual member of the association. These documents must be made available to you by the property owners' association or the association's agent on your request. **If Buyer is concerned about these matters, the TREC promulgated Addendum for Property Subject to Mandatory Membership in a Property Owners Association(s) should be used.**

(3) STATUTORY TAX DISTRICTS: If the Property is situated in a utility or other statutorily created district providing water, sewer, drainage, or flood control facilities and services, Chapter 49, Texas Water Code, requires Seller to deliver and Buyer to sign the statutory notice relating to the tax rate, bonded indebtedness, or standby fee of the district prior to final execution of this contract.

(4) TIDE WATERS: If the Property abuts the tidally influenced waters of the state, §33.135, Texas Natural Resources Code, requires a notice regarding coastal area property to be included in the contract. An addendum containing the notice promulgated by TREC or required by the parties must be used.

(5) ANNEXATION: If the Property is located outside the limits of a municipality, Seller notifies Buyer under §5.011, Texas Property Code, that the Property may now or later be included in the extraterritorial jurisdiction of a municipality and may now or later be subject to annexation by the municipality. Each municipality maintains a map that depicts its boundaries and extraterritorial jurisdiction. To determine if the Property is located within a municipality's extraterritorial jurisdiction or is likely to be located within a municipality's extraterritorial jurisdiction, contact all municipalities located in the general proximity of the Property for further information.

(6) PROPERTY LOCATED IN A CERTIFICATED SERVICE AREA OF A UTILITY SERVICE PROVIDER: Notice required by §13.257, Water Code: The real property, described in Paragraph 2, that you are about to purchase may be located in a certificated water or sewer service area, which is authorized by law to provide water or sewer service to the properties in the certificated area. If your property is located in a certificated area there may be special costs or charges that you will be required to pay before you can receive water or sewer service. There may be a period required to construct lines or other facilities necessary to provide water or sewer service to your property. You are advised to determine if the property is in a certificated area and contact the utility service provider to determine the cost that you will be required to pay and the period, if any, that is required to provide water or sewer service to your property. The undersigned Buyer hereby acknowledges receipt of the foregoing notice at or before the execution of a binding contract for the purchase of the real property described in Paragraph 2 or at closing of purchase of the real property.

(7) PUBLIC IMPROVEMENT DISTRICTS: If the Property is in a public improvement district, Seller must give Buyer written notice as required by §5.014, Property Code. An addendum containing the required notice shall be attached to this contract.

(8) TRANSFER FEES: If the Property is subject to a private transfer fee obligation, §5.205, Property Code, requires Seller to notify Buyer as follows: The private transfer fee obligation may be governed by Chapter 5, Subchapter G of the Texas Property Code.

(9) PROPANE GAS SYSTEM SERVICE AREA: If the Property is located in a propane gas system service area owned by a distribution system retailer, Seller must give Buyer written notice as required by §141.010, Texas Utilities Code. An addendum containing the notice approved by TREC or required by the parties should be used.

(10) NOTICE OF WATER LEVEL FLUCTUATIONS: If the Property adjoins an impoundment of water, including a reservoir or lake, constructed and maintained under Chapter 11, Water Code, that has a storage capacity of at least 5,000 acre-feet at the impoundment's normal operating level, Seller hereby notifies Buyer: "The water level of the impoundment of water adjoining the Property fluctuates for various reasons, including as a result of: (1) an entity lawfully exercising its right to use the water stored in the impoundment; or (2) drought or flood conditions."

(11) REQUIRED NOTICES: The following notices have been given or are attached to this contract (for example, MUD, WCID, PID notices): _____

_____

7. PROPERTY CONDITION:

A. ACCESS, INSPECTIONS AND UTILITIES: Seller shall permit Buyer and Buyer's agents access to the Property at reasonable times. Buyer may have the Property inspected by inspectors selected by Buyer and licensed by TREC or otherwise permitted by law to make inspections. Any hydrostatic testing must be separately authorized by Seller in writing. Seller at Seller's expense shall immediately cause existing utilities to be turned on and shall keep the utilities on during the time this contract is in effect.

B. SELLER'S DISCLOSURE NOTICE PURSUANT TO §5.008, TEXAS PROPERTY CODE (Notice): (Check one box only)

[X] (1) Buyer has received the Notice.

[ ] (2) Buyer has not received the Notice. Within _____ days after the Effective Date of this contract, Seller shall deliver the Notice to Buyer. If Buyer does not receive the Notice, Buyer may terminate this contract at any time prior to the closing and the earnest money will be refunded to Buyer. If Seller delivers the Notice, Buyer may terminate this contract for any reason within 7 days after Buyer receives the Notice or prior to the closing, whichever first occurs, and the earnest money will be refunded to Buyer.

[ ] (3) The Seller is not required to furnish the notice under the Texas Property Code.

C. SELLER'S DISCLOSURE OF LEAD-BASED PAINT AND LEAD-BASED PAINT HAZARDS is required by Federal law for a residential dwelling constructed prior to 1978.

D. ACCEPTANCE OF PROPERTY CONDITION: "As Is" means the present condition of the Property with any and all defects and without warranty except for the warranties of title and the warranties in this contract. Buyer's agreement to accept the Property As Is under Paragraph 7D(1) or (2) does not preclude Buyer from inspecting the Property under Paragraph 7A, from negotiating repairs or treatments in a subsequent amendment, or from terminating this contract during the Option Period, if any.

(Check one box only)

[X] (1) Buyer accepts the Property As Is.

[ ] (2) Buyer accepts the Property As Is provided Seller, at Seller's expense, shall complete the following specific repairs and treatments: _____

_____.

(Do not insert general phrases, such as "subject to inspections" that do not identify specific repairs and treatments.)

E. LENDER REQUIRED REPAIRS AND TREATMENTS: Unless otherwise agreed in writing, neither party is obligated to pay for lender required repairs, which includes treatment for wood destroying insects. If the parties do not agree to pay for the lender required repairs or treatments, this contract will terminate and the earnest money will be refunded to Buyer. If the cost of lender required repairs and treatments exceeds 5% of the Sales Price, Buyer may terminate this contract and the earnest money will be refunded to Buyer.

F. COMPLETION OF REPAIRS AND TREATMENTS: Unless otherwise agreed in writing, Seller shall complete all agreed repairs and treatments prior to the Closing Date and obtain any required permits. The repairs and treatments must be performed by persons who are licensed to provide such repairs or treatments or, if no license is required by law, are commercially engaged in the trade of providing such repairs or treatments. Seller shall: (i) provide Buyer with copies of documentation from the repair person(s) showing the scope of work and payment for the work completed; and (ii) at Seller's expense, arrange for the transfer of any transferable warranties with respect to the repairs and treatments to Buyer at closing. If Seller fails to complete any agreed repairs and treatments prior to the Closing Date, Buyer may exercise remedies under Paragraph 15 or extend the Closing Date up to 5 days if necessary for Seller to complete the repairs and treatments.

G. ENVIRONMENTAL MATTERS: Buyer is advised that the presence of wetlands, toxic substances, including asbestos and wastes or other environmental hazards, or the presence of a threatened or endangered species or its habitat may affect Buyer's intended use of the Property. If Buyer is concerned about these matters, an addendum promulgated by TREC or required by the parties should be used.

H. RESIDENTIAL SERVICE CONTRACTS: Buyer may purchase a residential service contract from a provider or administrator licensed by the Texas Department of Licensing and Regulation. If Buyer purchases a residential service contract, Seller shall reimburse Buyer at closing for the cost of the residential service contract in an amount not exceeding $ 575.00 . Buyer should review any residential service contract for the scope of coverage, exclusions and limitations. **The purchase of a residential service contract is optional. Similar coverage may be purchased from various companies authorized to do business in Texas.**

8. BROKERS AND SALES AGENTS:

A. BROKER OR SALES AGENT DISCLOSURE: Texas law requires a real estate broker or sales agent who is a party to a transaction or acting on behalf of a spouse, parent, child, business entity in which the broker or sales agent owns more than 10%, or a trust for which the broker or sales agent acts as a trustee or of which the broker or sales agent or the broker or sales agent's spouse, parent or child is a beneficiary, to notify the other party in writing before entering into a contract of sale. Disclose if applicable: _____

_____.

B. BROKERS' FEES: All obligations of the parties for payment of brokers' fees are contained in separate written agreements.

9. CLOSING:

A. The closing of the sale will be on or before April 5 , 2024 , or within 7 days after objections made under Paragraph 6D have been cured or waived, whichever date is later (Closing Date). If either party fails to close the sale by the Closing Date, the non-defaulting party may exercise the remedies contained in Paragraph 15.

B. At closing:

(1) Seller shall execute and deliver a general warranty deed conveying title to the Property to Buyer and showing no additional exceptions to those permitted in Paragraph 6 and furnish tax statements or certificates showing no delinquent taxes on the Property.

(2) Buyer shall pay the Sales Price in good funds acceptable to the Escrow Agent.

(3) Seller and Buyer shall execute and deliver any notices, statements, certificates, affidavits, releases, loan documents, transfer of any warranties, and other documents reasonably required for the closing of the sale and the issuance of the Title Policy.

(4) There will be no liens, assessments, or security interests against the Property which will not be satisfied out of the sales proceeds unless securing the payment of any loans assumed by Buyer and assumed loans will not be in default.

(5) Private transfer fees (as defined by Chapter 5, Subchapter G of the Texas Property Code) will be the obligation of Seller unless provided otherwise in this contract. Transfer fees assessed by a property owners' association are governed by the Addendum for Property Subject to Mandatory Membership in a Property Owners Association.

10. POSSESSION:

A. BUYER'S POSSESSION: Seller shall deliver to Buyer possession of the Property in its present or required condition, ordinary wear and tear excepted: [X] upon closing and funding [ ] according to a temporary residential lease form promulgated by TREC or other written lease required by the parties. Any possession by Buyer prior to closing or by Seller after closing which is not authorized by a written lease will establish a tenancy at sufferance relationship between the parties. **Consult your insurance agent prior to change of ownership and possession because insurance coverage may be limited or terminated. The absence of a written lease or appropriate insurance coverage may expose the parties to economic loss.**

B. SMART DEVICES: "Smart Device" means a device that connects to the internet to enable remote use, monitoring, and management of: (i) the Property; (ii) items identified in any Non-Realty Items Addendum; or (iii) items in a Fixture Lease assigned to Buyer. At the time Seller delivers possession of the Property to Buyer, Seller shall:

(1) deliver to Buyer written information containing all access codes, usernames, passwords, and applications Buyer will need to access, operate, manage, and control the Smart Devices; and

(2) terminate and remove all access and connections to the improvements and accessories from any of Seller's personal devices including but not limited to phones and computers.

11. SPECIAL PROVISIONS: (This paragraph is intended to be used only for additional informational items. An informational item is a statement that completes a blank in a contract form, discloses factual information, or provides instructions. Real estate brokers and sales agents are prohibited from practicing law and shall not add to, delete, or modify any provision of this contract unless drafted by a party to this contract or a party's attorney.) _____

_____

_____.

12. SETTLEMENT AND OTHER EXPENSES:

A. The following expenses must be paid at or prior to closing:

(1) Expenses payable by Seller (Seller's Expenses):

(a) Releases of existing liens, including prepayment penalties and recording fees; release of Seller's loan liability; tax statements or certificates; preparation of deed; one-half of escrow fee; and other expenses payable by Seller under this contract.

(b) Seller shall also pay an amount not to exceed $ _____ to be applied in the following order: Buyer's Expenses which Buyer is prohibited from paying by FHA, VA, Texas Veterans Land Board or other governmental loan programs, and then to other Buyer's Expenses as allowed by the lender.

(2) Expenses payable by Buyer (Buyer's Expenses): Appraisal fees; loan application fees; origination charges; credit reports; preparation of loan documents; interest on the notes from date of disbursement to one month prior to dates of first monthly payments; recording fees; copies of easements and restrictions; loan title policy with endorsements required by lender; loan-related inspection fees; photos; amortization schedules; one-half of escrow fee; all prepaid items, including required premiums for flood and hazard insurance, reserve deposits for insurance, ad valorem taxes and special governmental assessments; final compliance inspection; courier fee; repair inspection; underwriting fee; wire transfer fee; expenses incident to any loan; Private Mortgage Insurance Premium (PMI), VA Loan Funding Fee, or FHA Mortgage Insurance Premium (MIP) as required by the lender; and other expenses payable by Buyer under this contract.

B. If any expense exceeds an amount expressly stated in this contract for such expense to be paid by a party, that party may terminate this contract unless the other party agrees to pay such excess. Buyer may not pay charges and fees expressly prohibited by FHA, VA, Texas Veterans Land Board or other governmental loan program regulations.

13. PRORATIONS: Taxes for the current year, interest, rents, and regular periodic maintenance fees, assessments, and dues (including prepaid items) will be prorated through the Closing Date. The tax proration may be calculated taking into consideration any change in exemptions that will affect the current year's taxes. If taxes for the current year vary from the amount prorated at closing, the parties shall adjust the prorations when tax statements for the current year are available. If taxes are not paid at or prior to closing, Buyer shall pay taxes for the current year.

14. CASUALTY LOSS: If any part of the Property is damaged or destroyed by fire or other casualty after the Effective Date of this contract, Seller shall restore the Property to its previous condition as soon as reasonably possible, but in any event by the Closing Date. If Seller fails to do so due to factors beyond Seller's control, Buyer may (a) terminate this contract and the earnest money

will be refunded to Buyer (b) extend the time for performance up to 15 days and the Closing Date will be extended as necessary or (c) accept the Property in its damaged condition with an assignment of insurance proceeds, if permitted by Seller's insurance carrier, and receive credit from Seller at closing in the amount of the deductible under the insurance policy. Seller's obligations under this paragraph are independent of any other obligations of Seller under this contract.

15. **DEFAULT:** If Buyer fails to comply with this contract, Buyer will be in default, and Seller may (a) enforce specific performance, seek such other relief as may be provided by law, or both, or (b) terminate this contract and receive the earnest money as liquidated damages, thereby releasing both parties from this contract. If Seller fails to comply with this contract, Seller will be in default and Buyer may (a) enforce specific performance, seek such other relief as may be provided by law, or both, or (b) terminate this contract and receive the earnest money, thereby releasing both parties from this contract.
16. **MEDIATION:** It is the policy of the State of Texas to encourage resolution of disputes through alternative dispute resolution procedures such as mediation. Any dispute between Seller and Buyer related to this contract which is not resolved through informal discussion will be submitted to a mutually acceptable mediation service or provider. The parties to the mediation shall bear the mediation costs equally. This paragraph does not preclude a party from seeking equitable relief from a court of competent jurisdiction.
17. **ATTORNEY'S FEES:** A Buyer, Seller, Listing Broker, Other Broker, or Escrow Agent who prevails in any legal proceeding related to this contract is entitled to recover reasonable attorney's fees and all costs of such proceeding.
18. **ESCROW:**
    A. ESCROW: The Escrow Agent is not (i) a party to this contract and does not have liability for the performance or nonperformance of any party to this contract, (ii) liable for interest on the earnest money and (iii) liable for the loss of any earnest money caused by the failure of any financial institution in which the earnest money has been deposited unless the financial institution is acting as Escrow Agent. Escrow Agent may require any disbursement made in connection with this contract to be conditioned on Escrow Agent's collection of good funds acceptable to Escrow Agent.
    B. EXPENSES: At closing, the earnest money must be applied first to any cash down payment, then to Buyer's Expenses and any excess refunded to Buyer. If no closing occurs, Escrow Agent may: (i) require a written release of liability of the Escrow Agent from all parties before releasing any earnest money; and (ii) require payment of unpaid expenses incurred on behalf of a party. Escrow Agent may deduct authorized expenses from the earnest money payable to a party. "Authorized expenses" means expenses incurred by Escrow Agent on behalf of the party entitled to the earnest money that were authorized by this contract or that party.
    C. DEMAND: Upon termination of this contract, either party or the Escrow Agent may send a release of earnest money to each party and the parties shall execute counterparts of the release and deliver same to the Escrow Agent. If either party fails to execute the release, either party may make a written demand to the Escrow Agent for the earnest money. If only one party makes written demand for the earnest money, Escrow Agent shall promptly provide a copy of the demand to the other party. If Escrow Agent does not receive written objection to the demand from the other party within 15 days, Escrow Agent may disburse the earnest money to the party making demand reduced by the amount of unpaid expenses incurred on behalf of the party receiving the earnest money and Escrow Agent may pay the same to the creditors. If Escrow Agent complies with the provisions of this paragraph, each party hereby releases Escrow Agent from all adverse claims related to the disbursal of the earnest money.
    D. DAMAGES: Any party who wrongfully fails or refuses to sign a release acceptable to the Escrow Agent within 7 days of receipt of the request will be liable to the other party for (i) damages; (ii) the earnest money; (iii) reasonable attorney's fees; and (iv) all costs of suit.
    E. NOTICES: Escrow Agent's notices will be effective when sent in compliance with Paragraph 21. Notice of objection to the demand will be deemed effective upon receipt by Escrow Agent.
19. **REPRESENTATIONS:** All covenants, representations and warranties in this contract survive closing. If any representation of Seller in this contract is untrue on the Closing Date, Seller will be in default. Unless expressly prohibited by written agreement, Seller may continue to show the Property and receive, negotiate and accept back up offers.
20. **FEDERAL TAX REQUIREMENTS:** If Seller is a "foreign person," as defined by Internal Revenue Code and its regulations, or if Seller fails to deliver an affidavit or a certificate of non-foreign status to Buyer that Seller is not a "foreign person," then Buyer shall withhold from the sales proceeds an amount sufficient to comply with applicable tax law and deliver the same to the Internal Revenue Service together with appropriate tax forms. Internal Revenue Service regulations require filing written reports if currency in excess of specified amounts is received in the transaction.

21. NOTICES: All notices from one party to the other must be in writing and are effective when mailed to, hand-delivered at, or transmitted by fax or electronic transmission as follows:

A. [redacted]R APPROVAL *(Check one box only)*:

[X] This contract is subject to Buyer obtaining Buyer Approval. If Buyer cannot obtain Buyer Approval, Buyer may give written notice to Seller within 20 days after the effective date of this contract and this contract will terminate and the earnest money will be refunded to Buyer. If Buyer does not terminate the contract under this provision, the contract shall no longer be subject to the Buyer obtaining Buyer Approval. Buyer Approval will be deemed to have been obtained when (i) the terms of the loan(s) described above are available and (ii) lender determines that Buyer has satisfied all of lender's requirements related to Buyer's assets, income and credit history.

[ ] This contract is not subject to Buyer obtaining Buyer Approval.

B. PROPERTY APPROVAL: If Buyer's lender determines that the Property does not satisfy lender's underwriting requirements for the loan (including but not limited to appraisal, insurability, and lender required repairs) Buyer, not later than 3 days before the Closing Date, may terminate this contract by giving Seller: (i) notice of termination; and (ii) a copy of a written statement from the lender setting forth the reason(s) for lender's determination. If Buyer terminates under this paragraph, the earnest money will be refunded to Buyer. If Buyer does not terminate under this paragraph, Property Approval is deemed to have been obtained.

3. **SECURITY**: If required by Buyer's lender, each note for the financing described above must be secured by vendor's and deed of trust liens.

4. **FHA/VA REQUIRED PROVISION:** If the financing described above involves FHA insured or VA financing, it is expressly agreed that, notwithstanding any other provision of this contract, the purchaser (Buyer) shall not be obligated to complete the purchase of the Property described herein or to incur any penalty by forfeiture of earnest money deposits or otherwise: (i) unless the Buyer has been given in accordance with HUD/FHA or VA requirements a written statement issued by the Federal Housing Commissioner, Department of Veterans Affairs, or a Direct Endorsement Lender setting forth the appraised value of the Property of not less than $ _____ or (ii) if the contract purchase price or cost exceeds the reasonable value of the Property established by the Department of Veterans Affairs. The 3-day notice of termination requirements in 2.B. does not apply to this Paragraph 4.
   A. The Buyer shall have the privilege and option of proceeding with consummation of the contract without regard to the amount of the appraised valuation or the reasonable value established by the Department of Veterans Affairs.
   B. If FHA financing is involved, the appraised valuation is arrived at to determine the maximum mortgage the Department of Housing and Urban Development will insure. HUD does not warrant the value or the condition of the Property. The Buyer should satisfy himself/herself that the price and the condition of the Property are acceptable.
   C. If VA financing is involved and if Buyer elects to complete the purchase at an amount in excess of the reasonable value established by the VA, Buyer shall pay such excess amount in cash from a source which Buyer agrees to disclose to the VA and which Buyer represents will not be from borrowed funds except as approved by VA. If VA reasonable value of the Property is less than the Sales Prices, Seller may reduce the Sales Price to an amount equal to the VA reasonable value and the sale will be closed at the lower Sales Price with proportionate adjustments to the down payment and the loan amount.

5. **AUTHORIZATION TO RELEASE INFORMATION:**
   A. Buyer authorizes Buyer's lender to furnish to Seller or Buyer or their representatives information relating to the status of the approval for the financing.
   B. Seller and Buyer authorize Buyer's lender, title company, and Escrow Agent to disclose and furnish a copy of the closing disclosures and settlement statements to the parties' respective brokers and sales agents provided under Broker Information.

Subject Property
The subject property is located at 3549 Hero Way, Leander, Texas 78641. The property has a house with approximately 1872 sq.ft. that is on a large acreage tract. The home has brick veneer type of construction and is on a slab foundation. It consists of 4 bedrooms and 2 baths, kitchen, living room, dining room, utility room, and enclosed patio/sunroom. This house does not have a garage and there is open parking. Interior is comprised of vinyl and carpet flooring. The exterior of the property is enclosed with wire fence. Home is approximately 45 years old. Mr. and Mrs. Bjork rent this property in the amount of $1,000.00/mo., plus utilities, the utilities for this property included electricity, gas, septic and water well and trash. Because of the deferred maintenance and some needed repairs, the landlord reduced the tenant's rent to $1,000/mo. The rent currently being paid for this dwelling is fair market rent for the type and condition of this dwelling.

The Uniform Relocation Act Income Limits establish the extent of replacement housing assistance dependent on qualifying as low-income, as defined by the U.S. Department of Housing and Urban Development. The Act applies to all federal agencies that initiate action that forces households to relocate from their residence. Generally, low income for Uniform Act purposes is income which does not exceed 80 percent of the median family income for the applicable area as determined by the U.S. Department of Housing and Urban Development. Austin-Round Rock 80% income limits for a family of 6 persons household is $108,450.00 per year. Mr. and Mrs. Bjork provided income information in the form of their 2022 income tax return. This was used to calculate their gross monthly income.

The displacees do qualify as low income for the area, however in order to give the greater benefit to the displacees rent for rent is used in calculating the supplement.

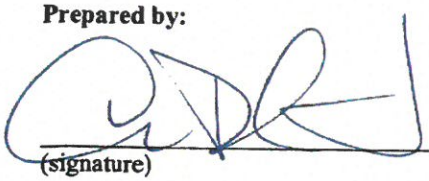
Chosen Comparable
All the comparable properties are functionally equivalent to the subject property and DS&S; however, comparable property R001 is the most comparable because of its similarity in size and storage to the displacement property. The selected comparable rent is $2,075.00 plus the estimated utilities of $338.87 for a total rent and utilities of $2,413.87. The supplement was calculated based on a rent for rent. Replacement comparable rent $2,413.87 X 42= $101,382.54 minus Actual rent $1,195.07 X 42 = $50,192.94 = Rental Supplement $51,189.60.

Provisions of Last resort Housing apply to this calculation as the supplement payment estimate exceeds $7,200. It is recommended that the relocation supplement payment in the amount of **$51,189.60** be authorized to allow the subject household to rent a suitable, decent, safe and sanitary replacement site.



In summary, the Displacee is entitled to a Rent Supplement in the amount of $51,189.60.

Comparable replacement property data is based on the Residential Comparison Index as per ROW Volume 3 Relocation Assistance Manual page 21-5 and 21-6.

The supplemental payment(s) on page 1 have been determined by me and are to be used in connection with a federal-aid highway project. The replacement housing used for these supplement computations are certified to be fair housing open to all persons regardless of race, color, religion, age, sex, national origin or handicap and consistent with the requirements of Title VIII of the Civil Rights Act of 1968. I have no direct nor indirect, present or contemplated interest in this transaction nor will I derive any benefit from the supplemental payment.

Relocation Assistance
Herow Way / RM 2243
Parcel No. 335

Certified Mail Return Receipt Requested # 9414 7112 0620 4581 2383 50

Mark Bjork and Heidi Bjork
3549 Hero Way
Leander, Texas 78641

Dear Mr. and Mrs. Bjork:

An offer was made by Williamson County on December 26, 2023, to purchase the above-designated property, on which you reside, for highway right of way. Williamson County will assist with relocation costs of persons displaced by the purchase of land for the Hero Way / RM 2243 roadway project, Leander, Texas. The payments and services to which you may be entitled through the Relocation Assistance Program are over and above, and in addition to, the payments you will receive for your land and/or improvements.

Please take careful note of each and all of the following statements:

1. You will not be required to move from the property being acquired for at least 90 days from the date of this letter. At some later date you will be given a written notice and a date by which you must vacate the property. You will have at least 30 days after receipt of the written notice before you must move.

2. You may be entitled to a replacement housing supplement of $51,189.60 to rent a replacement home that costs $2,413.87 per month or more including utilities. This supplement has been based on the cost to rent a 9-room, 4 bedroom replacement home located at 136 Fire Wheel Pass, Liberty Hill, Texas 78624. You do not have to rent that particular dwelling to qualify for your rent supplement; however, to claim this supplement you must rent and occupy a replacement dwelling costing $2,413.87 per month or more, including utilities, within one year. If your replacement dwelling rents for less than $2,413.87 per month, the supplement may have to be reduced. To avoid any loss of this benefit, you are encouraged to consult with Danny Jackson with Right of Way of Texas before making any kind of commitment to rent the unit.

3. If you wish to examine the possible replacement dwelling(s) previously mentioned, this agency will provide transportation to assist you to do so. If you wish to examine other possible replacement homes of like price and functional qualities, our relocation assistance personnel will be available to assist with each such visit you would like to make during any reasonable duty hour.

4. If you elect to purchase rather than rent a replacement dwelling, you may be entitled to a down payment supplement not to exceed $51,189.60 for down payment and incidental expenses. Any amount paid under this provision must be applied towards the purchase of a replacement dwelling. To claim this payment, you must purchase and occupy a residential dwelling within one year. To avoid the possible loss of benefits, you would do well to consult with your relocation agent before making a binding commitment to buy a replacement home.

5. Be advised that any lease agreement you may currently be a party to is still valid and fully enforceable by your landlord. Please coordinate with your relocation agent to determine when the lease agreement has been extinguished.

6. Additionally, you may be entitled to moving costs as explained. These costs, however, are limited to personal property and will not include any costs for moving real property.

7. For you to be eligible for a supplemental housing payment, your replacement home must conform to State requirements for decent, safe and sanitary housing. To ensure that your replacement home meets the required standards, we suggest that you have it inspected by your relocation agent before entering a contract for its purchase or rental. If this is not possible, we suggest that a provision be included in the earnest money contract for the replacement property that the contract is valid only if the property will pass a decent, safe and sanitary inspection by a representative of Williamson County, Texas.

8. Any person or entity who is not lawfully present in the United States is ineligible for relocation advisory services and relocation payments, unless such ineligibility would result in exceptional and extremely unusual hardship to a qualifying spouse, parent, or child.

9. Finally, if you are dissatisfied with a determination as to your eligibility for a payment or the amount of any relocation payment, you may request a review of your case by Williamson County.

Assistance in preparing the necessary forms and with the filing of your claims for any benefits to which you may be entitled, as well as any additional information desired concerning relocation assistance, will be made available to you from this office. If any such help is desired, please contact Danny Jackson at 512-922-5930.

Sincerely,

Danny Jackson, SR/WA

OFFER LETTER
RM 2243/Hero Way
Parcel No. 335, 335E & 335DE

JNK Properties 1, LTD
c/o Vivek Mahendru, MD
8010 Muley Drive
Austin, TX 78759-6902

Dear Dr. Mahendru:

As you are already aware, Williamson County has determined that it is necessary to acquire the portion of the above-described property for the purpose of RM 2243/Hero Way in Leander, Texas.

As is its normal procedure, the County would prefer to amicably negotiate the purchase of this Parcel, Drainage Easement and Electric Line Easement with you in lieu of expending time and resources through direct legal action. **To further this goal, the County has received and included an appraisal of your property to be acquired, including damages to the remainder, if any, prepared by a certified appraiser certified to practice as a certified general appraiser under Chapter 1103, Occupations Code.** Enclosed for your review is a copy of this appraisal. As you can see, the Fair Market Value of this portion of the property appraised at **$17,615,254.00**.

Therefore, in accordance with the authorization of Williamson County, you are hereby offered the total sum of **$17,615,254.00** in exchange for your conveyance of the above-described parcel. This amount is the total amount of just compensation as determined in accordance with state law for this parcel of property. This amount represents the fair market value of the parcel including damages to the remaining property and improvements within the area to be acquired, if any. The purpose of this letter is to make this offer of purchase to you. If you desire to accept this offer, please contact me as soon as possible so that we may begin the necessary steps to close this transaction.

If you wish to accept the offer based upon this appraisal, please contact Sam Nassour as soon as possible, at (512) 775-1730 so that the process of issuing your payment may begin. If you are not willing to accept this offer, you may submit a written request for administrative settlement/counteroffer, setting forth a counteroffer amount and the basis for such amount, provided such settlement request in writing received within 30 days from the date of this letter. *Please note that unless an extension is request and approved in writing your opportunity to*

submit an administrative settlement shall be forfeited if such a settlement request in not received by the County within the 30-day deadline.

In the event the condition of the property changes for any reason, the County shall have the right to withdraw or modify this offer.

After the date of payment of the purchase price, or the date of deposit in court of funds to satisfy the award of compensation as determined through eminent domain proceedings to acquire real property, any fair any reasonable incidental expenses necessarily incurred in transferring title to the property the County may pay for. Expenses eligible for reimbursement may include (1) recording fees, transfer taxes and similar expenses incidental to conveying the real property to the County and (2) penalty costs for prepayment of any preexisting recorded mortgage entered in good faith encumbering the real property. Voluntary unnecessary expenses or expenses incurred in clearing questionable title will not be eligible for payment.

You have the right to discuss with others any offer or agreement regarding the County's acquisition of the subject property, or you may (but are not required to) keep the offer or agreement confidential from others, subject to the provisions of Chapter 552, Government Code (the Public Records Act) as it may apply to the County.

Please see the enclosed copy of the proposed instrument that will convey the Property and any improvement owned by you on the Property. Additionally, please see the enclosed copy of the Texas Landowner Bill of Rights.

Finally, we enclose copies of all appraisal reports relating to your property being acquired which were prepared in the ten (10) years preceding the date of this offer and produced or acquired by the County, including the appraisal on which this offer is based.

Sincerely,

Sam Nassour

Rules

1. If applicant is not sole owner of the business or farm operation listed in Block No. 4, his or her title or position with the firm must be shown following his or her name in Block No. 7 (i.e., partner, president, general manager, etc.).

2. The applicant herein does not have to claim payment in lieu of actual moving expense if determined to be eligible, he or she may still claim actual moving, but not both.

3. This application is not a claim for payment. Claims for payment based on income in lieu of actual moving expense shall be accepted only when it has been determined that the applicant herein is eligible for such payment and the amount of such payment has been determined by Williamson County, Texas.

4. Businesses, farm operations and nonprofit organizations that are part of an enterprise having not more than three (3) other establishments not being acquired by Williamson County must attach the name(s) and address(es) of the other establishment(s) in their enterprise and describe the product, commodity or service provided.

5. A business which operates under a franchise, or as a consignee, or which operates one or more similar establishments must attach a statement giving the name and address of the franchisor or consignor and stating the nature of the business relationship.

6. Business and farm operators **must attach** copies of their **Federal Income Tax Returns** obtained from the **Internal Revenue Service Files** for the two taxable years immediately preceding the taxable year in which the displaced business or farm will be relocated. If the amount claimed does not exceed $1,000, the business or farm owners may provide verifiable records (in lieu of their Income Tax Returns) to support the operational existence and earnings of their displaced businesses or farms. The tax returns and financial records must be sufficient to show the source of income and earnings of the displaced business or farm operation as follows:

   a. The displaced activity:
      (1) had average annual gross receipts of at least $5,000; or
      (2) had average annual net earnings of at least $1,000; or
      (3) contributed at least 33-1/3 percent of the owner's or operator's average annual gross income from all sources.

   b. If individually owned, the compensation paid to the owner, his or her spouse, and dependents by the business or farm operation.

   c. If a partnership, the compensation paid to the partners, their spouses, and dependents by the business or farm operation.

   d. If a corporation, the corporate income tax returns and the income tax returns of the majority stockholder (if there is a majority stockholder), including any compensation paid to his spouse and dependents by the business or farm operation. Stock held by a husband or wife, his or her spouse and their dependent children shall be treated as one unit.

7. **Nonprofit** organizations **must attach** proof of their nonprofit status and of their operational existence.

REAL ESTATE CONTRACT
CR 279 @ Bagdad Rd. Right of Way

THIS REAL ESTATE CONTRACT ("Contract") is made by and between **JON BRANIGAN AND ROSE BRANIGAN** (referred to in this Contract as "Seller", whether one or more) and **WILLIAMSON COUNTY, TEXAS** (referred to in this Contract as "Purchaser"), upon the terms and conditions set forth in this Contract.

ARTICLE I
PURCHASE AND SALE

By this Contract, Seller sells and agrees to convey, and Purchaser purchases and agrees to pay for, the tract(s) of land described as follows:

> All of that certain 0.087-acre (3,797 square foot) tract of land, out of and situated in the Henry Field Survey, Abstract No. 233, in Williamson County, Texas; being more fully described by metes and bounds in Exhibit "A" attached hereto and incorporated herein (**Parcel 21B**);

together with all and singular the rights and appurtenances pertaining to the property, including any right, title, and interest of Seller in and to adjacent streets, alleys, or rights-of-way (all of such real property, rights, and appurtenances being referred to in this Contract as the "Property"), and any improvements and fixtures situated on and attached to the Property described herein not otherwise retained by Seller, for the consideration and upon and subject to the terms, provisions, and conditions set forth below.

ARTICLE II
PURCHASE PRICE AND ADDITIONAL COMPENSATION

Purchase Price

2.01. The Purchase Price for the fee simple Property interests described in Exhibit "A" shall be the sum of **FORTY-TWO THOUSAND SEVEN HUNDRED FIFTY-FOUR and 00/100 Dollars ($42,754.00)**.

Payment of Purchase Price

2.02. The Purchase Price shall be payable in cash or other readily available funds at the Closing.

Additional Compensation

2.03. Fencing Reconstruction. As an obligation that shall survive the Closing of this transaction, Purchaser agrees that as part of the proposed construction of improvements to County Road 279 upon the Property, it shall cause replacement fencing to be built between the edge of proposed roadway improvements and the remaining property of Seller. The fencing shall otherwise be constructed in the location and according to the specifications as shown as Type C in Exhibit "B-1" attached hereto and incorporated herein. Furthermore, in addition to the foregoing, Purchaser shall construct a fence of the type, location, and specifications as shown in Exhibit "B-2" attached hereto and incorporated herein. Purchaser agrees to install said replacement fencing on Seller's remaining property before the removal of fencing located in the Property acquired herein. By execution of this Agreement Seller shall allow Purchaser, its agents, and contractors to temporarily access the remaining property of Seller solely in the location and for the purposes and time period necessary to carry out the obligations of this paragraph.

2.04. OSSF Letter. As an obligation that shall survive the Closing of this transaction, Purchaser agrees to submit the letter as shown in Exhibit "C" attached hereto and incorporated herein, to the Williamson County Road & Bridge Department detailing Seller's remaining Property in relation to on-site sewage facilities.

ARTICLE III
PURCHASER'S OBLIGATIONS

Conditions to Purchaser's Obligations

3.01. The obligations of Purchaser hereunder to consummate the transactions contemplated hereby are subject to the satisfaction of each of the following conditions (any of which may be waived in whole or in part by Purchaser at or prior to the Closing).

Miscellaneous Conditions

3.02. Seller shall have performed, observed, and complied with all of the covenants, agreements, and conditions required by this Contract to be performed, observed, and complied with by Seller prior to or as of the Closing.

ARTICLE IV
REPRESENTATIONS AND WARRANTIES OF SELLER

4.01. Seller hereby represents and warrants to Purchaser as follows, which representations and warranties shall be deemed made by Seller to Purchaser also as of the Closing Date, to the best of Seller's knowledge:

(a) There are no parties in possession of any portion of the Property as lessees, tenants at sufferance, or trespassers, other than previously disclosed to Purchaser.

(b) Seller has complied with all applicable laws, ordinances, regulations, statutes, rules and restrictions relating to the Property, or any part thereof.

4.02. The Property is being conveyed to Purchaser under threat of condemnation.

ARTICLE V
CLOSING

Closing Date

5.01. The Closing shall be held at the office of Texas National Title Company on or before April 15, 2024, or at such time, date, and place as Seller and Purchaser may agree upon, or within 10 days after the completion of any title curative matters if necessary for items as shown on the Title Commitment or in the contract (which date is herein referred to as the "Closing Date").

Seller's Obligations at Closing

5.02. At the Closing Seller shall:

(1) Deliver to Purchaser a duly executed and acknowledged Deed conveying good and indefeasible title to Williamson County, Texas in fee simple to the right of way Property described in Exhibit "A", conveying such interest in and to the portion of the Property free and clear of any and all monetary liens and restrictions, except for the following:

(a) General real estate taxes for the year of closing and subsequent years not yet due and payable.

(b) Any exceptions approved by Purchaser pursuant to Article III hereof; and

(c) Any exceptions approved by Purchaser in writing.

(2) The Deed shall be in the form as shown in Exhibit "D" attached hereto and incorporated herein.

(3) Provide reasonable assistance as requested, at no cost to Seller, to cause the Title Company to deliver to Purchaser a Texas Owner's Title Policy at Purchaser's sole expense, in Grantee's favor in the full amount of the Purchase Price, insuring Purchaser's contracted interests in and to the permanent interests being conveyed in the Property subject only to those title exceptions listed herein, such other exceptions as may be approved in writing by Purchaser, and the standard printed exceptions contained in the usual form of Texas Owner's Title Policy, provided, however:

(a) The boundary and survey exceptions shall be deleted.

(b) The exception as to restrictive covenants shall be endorsed "None of Record", if applicable; and

(c) The exception as to the lien for taxes shall be limited to the year of closing and shall be endorsed "Not Yet Due and Payable".

(4) Deliver to Purchaser possession of the Property if not previously done.

Purchaser's Obligations at Closing

5.03. At the Closing, Purchaser shall:

(a) Pay the cash portion of the Purchase Price.

Prorations

5.04. General real estate taxes for the then-current year relating to the portion of the Property conveyed in fee shall be prorated as of the Closing Date and shall be adjusted in cash at the Closing, but shall otherwise remain the obligation of Seller to satisfy. If the Closing shall occur before the tax rate is fixed for the then current year, the apportionment of taxes shall be upon the basis of the tax rate for the next preceding year applied to the latest assessed valuation. Agricultural roll-back taxes, if any, which directly result from this Contract and conveyance shall be paid by Purchaser.

Closing Costs

5.05. All costs and expenses of closing in consummating the sale and purchase of the Property shall be borne and paid as follows:

(1) Owner's Title Policy and survey to be paid by Purchaser.

(2) Deed, tax certificates, and title curative matters, if any, paid by Purchaser.

(3) All other closing costs shall be paid by Purchaser.

(4) Attorney's fees paid by each respectively.

ARTICLE VI
BREACH BY SELLER

In the event Seller shall fail to fully and timely perform any of its obligations hereunder or shall fail to consummate the sale of the Property for any reason, except Purchaser's default, Purchaser may: (1) enforce specific performance of this Contract; or (2) request that the Escrow Deposit, if any, shall be forthwith returned by the title company to Purchaser.

ARTICLE VII
BREACH BY PURCHASER

In the event Purchaser should fail to consummate the purchase of the Property, the conditions to Purchaser's obligations set forth in Article III having been satisfied and Purchaser being in default and Seller not being in default hereunder, Seller shall have the right to receive the Escrow Deposit, if any, from the title company, the sum being agreed on as liquidated damages for the failure of Purchaser to perform the duties, liabilities, and obligations imposed upon it by the terms and provisions of this Contract, and Seller agrees to accept and take this cash payment as its total damages and relief and as Seller's sole remedy hereunder in such event. If no Escrow Deposit has been made, then Seller shall receive the amount of $500 as liquidated damages for any failure by Purchaser.

ARTICLE VIII
MISCELLANEOUS

Notice

8.01. Any notice required or permitted to be delivered hereunder shall be deemed received when sent by United States mail, postage prepaid, certified mail, return receipt requested, addressed to Seller or Purchaser, as the case may be, at the address set forth opposite the signature of the party.

Texas Law to Apply

8.02. This Contract shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Williamson County, Texas.

Parties Bound

8.03. This Contract shall be binding upon and inure to the benefit of the parties and their respective heirs, executors, administrators, legal representatives, successors, and assigns where permitted by this Contract.

Legal Construction

8.04. In case any one or more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, this invalidity, illegality, or unenforceability shall not affect any other provision hereof, and this Contract shall be construed as if the invalid, illegal, or unenforceable provision had never been contained herein.

Prior Agreements Superseded

8.05. This Contract constitutes the sole and only agreement of the parties and supersedes any prior understandings or written or oral agreements between the parties respecting the within subject matter.

Time of Essence

8.06. Time is of the essence in this Contract.

Gender

8.07. Words of any gender used in this Contract shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, and vice versa unless the context requires otherwise.

Memorandum of Contract

8.08. Upon request of either party, the parties shall promptly execute a memorandum of this Contract suitable for filing of record.

Compliance

8.09 In accordance with the requirements of Section 20 of the Texas Real Estate License Act, Purchaser is hereby advised that it should be furnished with or obtain a policy of title insurance or Purchaser should have the abstract covering the Property examined by an attorney of Purchaser's own selection.

Effective Date

8.10 This Contract shall be effective as of the date it is approved by the Williamson County Commissioners' court, which date is indicated beneath the County Judge's signature below.

Counterparts

8.11 This Contract may be executed in any number of counterparts, which may together constitute the Contract. Signatures transmitted by facsimile or electronic mail may be considered effective as originals for purposes of this Contract.

Contingent Possession and Use Agreement

8.12. Upon completion of (1) the full execution of this Contract by all parties, and (2) acknowledgment by the Title Company of delivery by Purchaser of the full Purchase Price to the Title Company, Purchaser, its agents and contractors shall be permitted at any time after April 15, 2024, to enter and possess the Property prior to Closing for the purpose of completing any and all necessary testing, utility relocation and construction activities associated with the proposed roadway improvement construction project of Purchaser on the Property or other obligations of this Contract, and Seller agrees to make any gate access available to Purchaser, its contractors or utility facility owners as necessary to carry out the purposes of this paragraph. The parties further agree to continue to use diligence in assisting with any title curative measures or mortgage lien release required by the Contract to complete the Closing of the purchase transaction.

1851 County Road 279
Liberty Hill, Texas 78642

Subject: **CR 279 Improvement Project—Williamson County—Parcel 21B**
Property Address: 2001 County Road 279

Mr. Branigan:

This letter is related to the closing of the purchase under the threat of condemnation of 0.087 acre (3,797 SF) portion of the property located at 2001 County Road 279, Liberty Hill, Texas which is required for the construction of certain county roadway improvements, and the request by the landowner for a legal lot determination on the above-referenced parcel (the "Property").

At the current time, Williamson County, Texas ("County") is the political subdivision with statutory authority to review, approve, and enforce subdivision regulations upon this property.

On behalf of the County, I can state that based on my knowledge of existing County records, regulations, and applicable state law, after the proposed acquisition by the County this Property will continue to be a legally compliant lot and will not require any platting as a result of the right-of-way acquisition.

Sincerely,

Adam D. Boatright
