Dear Mr. Cantalupo,

Thank you for taking time to submit a Statement of Qualifications for the Engineering Services for Williamson County Road Bond Projects RFQ. Based on your team's excellent Statement of Qualifications, Williamson County has selected your firm to enter contract negotiations for the Wyoming Springs portion of the project.

Please note that a Professional Services Agreement with Williamson County is no guarantee of work. All contracts must be approved by Williamson County Commissioners Court.

Congratulations on your selection. We look forward to working with you on this important project.

Sincerely,
