#### Federal Terrorism Risk Insurance Act Disclosure

The federal Terrorism Risk Insurance Act of 2002 as amended ("TRIA") establishes a program under which the Federal Government may partially reimburse "Insured Losses" (as defined in TRIA) caused by "Acts Of Terrorism" (as defined in TRIA). "Act Of Terrorism" is defined in Section 102(1) of TRIA to mean any act that is certified by the Secretary of the Treasury – in consultation with the Secretary of Homeland Security and the Attorney General of the United States – to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

The Federal Government's share of compensation for such Insured Losses is 80% of the amount of such Insured Losses in excess of each Insurer's "Insurer Deductible" (as defined in TRIA).

In no event, however, will the Federal Government be required to pay any portion of the amount of such Insured Losses occurring in a calendar year that in the aggregate exceeds \$100 billion, nor will any Insurer be required to pay any portion of such amount provided that such Insurer has met its Insurer Deductible. Therefore, if such Insured Losses occurring in a calendar year exceed \$100 billion in the aggregate, the amount of any payments by the Federal Government and any coverage provided by this policy for losses caused by Acts Of Terrorism may be reduced.

The charge for such Insured Losses is included in the total premium for this policy. The charge that has been included for such Insured Losses under this policy is the amount indicated below, and does not include any charge for the portion of such Insured Losses covered by the Federal Government under TRIA:

\$ 94,451

The Flood Zone that applies to a building or structure will also apply to any property in or on such building or structure.

Endorsement 1

#### POLICY CHANGES

This endorsement modifies the insurance provided under this policy.

The following Deductible provision is added:

As respects any covered loss or damage caused by "water damage", regardless of the cause of the "water damage", the Company will not pay for loss or damage in any one occurrence until the amount of loss or damage exceeds the deductible amount shown in the Supplemental Coverage Declarations for "Water Damage", unless a higher deductible applies to:

- a. The cause of the "water damage";
- b. The property involved in the "water damage"; or
- Any coverage(s) involved in the "water damage" loss;

in which case the higher deductible will apply. The Company will then pay the amount of loss or damage in excess of the deductible up to the applicable Limit of Insurance.

This "Water Damage" deductible does not apply to any loss or damage from "water damage" that is itself caused by fire.

This insurance coverage proposal summary is not intended to be inclusive of all terms, conditions, exclusions, and details of the insurance policy. If you have any questions about the insurance coverage(s) being proposed and its application(s), please ask your McGriff representative for more information, details, and clarification.

The following Additional Coverage Extension is added:

#### Unscheduled Leased or Rented Contractors Equipment

- The insurance provided for Contractors Equipment is extended to apply to direct physical loss or damage by a Covered Cause of Loss to Unscheduled Leased or Rented Contractors Equipment, other than newly acquired Contractors Equipment to which the Newly Acquired Contractors Equipment Additional Coverage Extension applies, that is:

  - Of a type similar to the Contractors Equipment described in the most recent Schedule of Contractors Equipment or other documentation on file with the Company; and
  - Not described in the most recent Schedule of Contractors Equipment or other documentation on file with the Company.
- 2. This coverage will end when one of the following first occurs:
  - This policy is canceled or expires;
  - b. The property is reported to the Company; or
  - c. The property is more specifically insured elsewhere.
- The most the Company will pay for loss or damage in any one occurrence under this coverage is the Limit of Insurance specified for Unscheduled Leased or Rented Contractors Equipment shown in the Supplemental Coverage Declarations.

#### A. POLICY LIMIT:

- 1. In no event shall liability under this policy arising out of one occurrence exceed \$100,000,000;
- Nor shall liability in any one occurrence for any one Building, any one Structure or Business Personal
  Property at any one location described in the Schedule below exceed 100% of the individually stated value
  for such property as shown in the latest Statement of Values or other documentation on file with the

- 2. The value of Business Personal Property at each location will be developed by multiplying the reported Business Personal Property value that includes the value of Business Personal Property at the individual location of damage, by the proportion that the square footage of all Buildings and Structures at that individual location bears to the total square footage of all Buildings and Structures at all locations contemplated in that reported Business Personal Property value.

- This Agreement will include coverage for Workers' Compensation loss caused by acts of terrorism as defined in the Agreement. Coverage for such losses will still be subject to all terms, definitions, exclusions, and conditions in the Agreement, & any applicable federal and/or state laws, rules, or regulations. Be advised that, under the Terrorism Risk Insurance Act of 2002 as amended, extended, and/or re-authorized (the Act), terrorism loses would be partially reimbursed by the U.S. Government under a formula established by the Act. Under this formula, the U.S. Government would generally reimburse 80% of covered terrorism losses exceeding a deductible paid by us. The Act contains \$100 billion cap that limits the reimbursement from the U.S. Government as well as from all insurers. If aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced. The portion of the EMPLOYER's annual premium attributable to coverage for losses caused by a certified act of terrorism is: 0.5%
